The Bigfoot War
of 1855

1
00:00:09,230 --> 00:00:07,610
let's continue he knows the story I want

2
00:00:11,890 --> 00:00:09,240
to hear more this is interesting I want

3
00:00:14,299 --> 00:00:11,900
to hear how the Bigfoot Wars ended okay

4
00:00:18,109 --> 00:00:14,309
I'll uh I'll go ahead and read this

5
00:00:20,300 --> 00:00:18,119
while he calls on Armstrong I'm just

6
00:00:22,189 --> 00:00:20,310
gonna read it verbatim interesting story

7
00:00:24,140 --> 00:00:22,199
the Bigfoot's only referred to here as

8
00:00:26,420 --> 00:00:24,150
the Giants had been raiding human

9
00:00:27,800 --> 00:00:26,430
settlements in southeast Oklahoma and

10
00:00:30,529 --> 00:00:27,810
Argus all for some time

11
00:00:32,179 --> 00:00:30,539
mostly stealing vegetables they had also

12
00:00:36,260 --> 00:00:32,189
been stealing human children and

13
00:00:39,319 --> 00:00:36,270

apparently eating them the Choctaw

14

00:00:43,360 --> 00:00:39,329

search party was organized led by Joshua

15

00:00:47,119 --> 00:00:43,370

Lafleur not Geordi LaForge Joshua before

16

00:00:51,049 --> 00:00:47,129

this this man actually existed he was

17

00:00:54,500 --> 00:00:51,059

born in the Choctaw Nation of 1797 and

18

00:00:57,439 --> 00:00:54,510

died in Indian Territory in 1855 so

19

00:01:01,430 --> 00:00:57,449

apparently this story if it is true is

20

00:01:03,619 --> 00:01:01,440

from 1855 it also must be stated let you

21

00:01:06,500 --> 00:01:03,629

know who else wasn't back there

22

00:01:12,710 --> 00:01:06,510

Doc Brown went back down it was 1885 or

23

00:01:16,039 --> 00:01:12,720

1855 everything was 55 something 5 so it

24

00:01:18,710 --> 00:01:16,049

was like 1955 1985 and it was it maybe

25

00:01:21,080 --> 00:01:18,720

maybe was 1885 that's one he was 1885

26

00:01:26,149 --> 00:01:21,090

damn it Doc Brown could have been

27

00:01:31,190 --> 00:01:26,159

hunting Bigfoot okay hmm it must be

28

00:01:34,460 --> 00:01:31,200

later than 1838 because Indian Territory

29

00:01:37,160 --> 00:01:34,470

was only established in that year it

30

00:01:42,200 --> 00:01:37,170

references Arkansas and that state was

31

00:01:45,889 --> 00:01:42,210

led into Union in 1836 there was not yet

32

00:01:49,100 --> 00:01:45,899

as the state of Oklahoma not to come it

33

00:01:50,810 --> 00:01:49,110

was not to come into being until 1907 so

34

00:01:54,530 --> 00:01:50,820

the story must be it must have taken

35

00:01:58,249 --> 00:01:54,540

place between 1838 and 1907 by the way

36

00:02:01,810 --> 00:01:58,259

this story this blog written like [h__h]

37

00:02:04,039 --> 00:02:01,820

I'm throwing in words like Union like

38

00:02:05,300 --> 00:02:04,049

I'm throwing I'm throwing in like little

39

00:02:08,479 --> 00:02:05,310

things to make this a little bit more

40

00:02:10,639 --> 00:02:08,489

accurate was not let in is no will not

41

00:02:11,860 --> 00:02:10,649

let into what it wasn't let into the

42

00:02:15,460 --> 00:02:11,870

Union

43

00:02:17,530 --> 00:02:15,470

is written like [h__h] you think it

44

00:02:20,410 --> 00:02:17,540

may be [h__h] that all the writings

45

00:02:22,390 --> 00:02:20,420

[h__h] means blank is the writing yeah

46

00:02:25,180 --> 00:02:22,400

at this point just this guy needs an

47

00:02:27,160 --> 00:02:25,190

editor the whole story is true yeah at

48

00:02:28,839 --> 00:02:27,170

this point we pull myself a little bit

49

00:02:29,530 --> 00:02:28,849

more wine right now before I finished

50

00:02:31,270 --> 00:02:29,540

this story

51
00:02:33,729 --> 00:02:31,280
yeah I'm drinking red wine night boys

52
00:02:36,160 --> 00:02:33,739
I'm drinking I'm drinking the Austin

53
00:02:39,009 --> 00:02:36,170
East Siders original dry cider and it's

54
00:02:40,180 --> 00:02:39,019
it's actually fantastic yes the slogan

55
00:02:44,979 --> 00:02:40,190
on the bottom is how do you like them

56
00:02:47,289 --> 00:02:44,989
apples it's very clever and all right

57
00:02:51,190 --> 00:02:47,299
back to the story the humans attacked

58
00:02:53,740 --> 00:02:51,200
the Bigfoots and LeFleur empties his

59
00:02:56,589 --> 00:02:53,750
revolver at one but it's useless the

60
00:02:59,170 --> 00:02:56,599
Bigfoot kills 'la for the forest mount

61
00:03:01,449 --> 00:02:59,180
with a single blow and then tears off

62
00:03:04,390 --> 00:03:01,459
laforce head the rest of the indians

63
00:03:06,369 --> 00:03:04,400

open up with their 50 caliber her sharps

64

00:03:08,920 --> 00:03:06,379

Buffalo rifles designed to drop

65

00:03:12,819 --> 00:03:08,930

buffaloes that's foundries from

66

00:03:14,830 --> 00:03:12,829

experienced aiming at their heads as the

67

00:03:18,819 --> 00:03:14,840

best way to kill them to Bigfoot's drop

68

00:03:21,190 --> 00:03:18,829

the Choctaw Indian hunts down the fours

69

00:03:22,120 --> 00:03:21,200

killer and finishes him off with a

70

00:03:25,330 --> 00:03:22,130

hunting knife

71

00:03:27,670 --> 00:03:25,340

then he decapitates it for good measure

72

00:03:30,490 --> 00:03:27,680

the Indians bury what's left of the kids

73

00:03:34,030 --> 00:03:30,500

then bury their leaders giving them a

74

00:03:34,629 --> 00:03:34,040

21-gun salute would any what what the

75

00:03:37,059 --> 00:03:34,639

hell is that about

76

00:03:39,180 --> 00:03:37,069

mm-hmm that's how you do it that's what

77

00:03:42,490 --> 00:03:39,190

Indians do they give 21 gun salute

78

00:03:44,860 --> 00:03:42,500

forever as soon as they got guns they

79

00:03:47,680 --> 00:03:44,870

invented it could you look up when the

80

00:03:49,990 --> 00:03:47,690

21 gun salute was actually invented over

81

00:03:52,569 --> 00:03:50,000

became a tradition all that from the

82

00:03:54,460 --> 00:03:52,579

Indians we we stole that from the

83

00:03:58,000 --> 00:03:54,470

Indians that but maybe before it was a

84

00:03:59,710 --> 00:03:58,010

21 bow salute yeah used to be yeah and

85

00:04:00,759 --> 00:03:59,720

when they got guns they did it with the

86

00:04:02,199 --> 00:04:00,769

guns and then they'd shoot all these

87

00:04:06,039 --> 00:04:02,209

arrows and they would just fall wherever

88

00:04:07,890 --> 00:04:06,049

and but now they shoot the guns you have

89

00:04:10,479 --> 00:04:07,900

internet can you look up 21 gun salute

90

00:04:12,670 --> 00:04:10,489

the tradition of saluting can be traced

91

00:04:15,339 --> 00:04:12,680

to the late Middle Ages it goes back

92

00:04:17,439 --> 00:04:15,349

pretty far practice of placing oneself

93

00:04:19,210 --> 00:04:17,449

in an unarmed position and therefore in

94

00:04:21,819 --> 00:04:19,220

the power of those being honored this

95

00:04:23,920 --> 00:04:21,829

may be noted in the dropping of the

96

00:04:25,270 --> 00:04:23,930

point of the sword presenting arms

97

00:04:27,760 --> 00:04:25,280

discharging cannon

98

00:04:29,680 --> 00:04:27,770

small-arms by firing them lowering sales

99

00:04:33,160 --> 00:04:29,690

manning the yards removing the headdress

100

00:04:35,290 --> 00:04:33,170

are laying on ors the gun salute might

101
00:04:37,540 --> 00:04:35,300
have originated in the 17th century so

102
00:04:39,909 --> 00:04:37,550
the 1600s with the maritime practice of

103
00:04:41,860 --> 00:04:39,919
demanding that a defeated enemy expend

104
00:04:44,080 --> 00:04:41,870
its ammunition and render itself

105
00:04:46,600 --> 00:04:44,090
helpless until reloaded hmm a

106
00:04:48,310 --> 00:04:46,610
time-consuming operation a gun salute

107
00:04:50,650 --> 00:04:48,320
had been established as a naval

108
00:04:54,580 --> 00:04:50,660
tradition by the late 16th century a

109
00:04:56,950 --> 00:04:54,590
Manowar which visited foreign port would

110
00:04:59,050 --> 00:04:56,960
discharge all its guns to show that guns

111
00:05:00,760 --> 00:04:59,060
were empty since the ship would not have

112
00:05:02,920 --> 00:05:00,770
enough time to reload before it was

113
00:05:05,200 --> 00:05:02,930

within range of the shore batteries it

114

00:05:07,270 --> 00:05:05,210

was clearly demonstrated demonstrating

115

00:05:09,480 --> 00:05:07,280

its friendly intentions by going in with

116

00:05:12,100 --> 00:05:09,490

empty guns I can't like that that's cool

117

00:05:13,690 --> 00:05:12,110

yeah it goes back pretty far 1500s

118

00:05:17,290 --> 00:05:13,700

apparently you think the Indians are

119

00:05:20,230 --> 00:05:17,300

given a 21-gun salute oh yeah it makes a

120

00:05:20,590 --> 00:05:20,240

little thing okay okay you're still on

121

00:05:23,800 --> 00:05:20,600

board

122

00:05:26,650 --> 00:05:23,810

yeah okay and then they make a bonfire

123

00:05:29,200 --> 00:05:26,660

and burn the Bigfoots on the fire

124

00:05:31,719 --> 00:05:29,210

they ride home did I eat them do they

125

00:05:35,650 --> 00:05:31,729

they use all of the Bigfoot didn't I say

126

00:05:37,210 --> 00:05:35,660

that not mentioned in this at all see

127

00:05:38,500 --> 00:05:37,220

they never let any of the Buffalo go to

128

00:05:39,610 --> 00:05:38,510

waste I bet you they did the same thing

129

00:05:42,730 --> 00:05:39,620

with the Bigfoot they probably made

130

00:05:45,820 --> 00:05:42,740

pelts and you know jerky and things like

131

00:05:47,800 --> 00:05:45,830

that I'm just kind of taken aback by it

132

00:05:49,900 --> 00:05:47,810

I can continue reading but I'm taking

133

00:05:52,120 --> 00:05:49,910

hacked this seems like a Bigfoot battle

134

00:05:54,279 --> 00:05:52,130

not necessarily a war that would sell

135

00:05:56,260 --> 00:05:54,289

really well in Texas I think like

136

00:05:58,210 --> 00:05:56,270

Bigfoot jerky if you could like convince

137

00:06:00,460 --> 00:05:58,220

people that it was made out of Bigfoot's

138

00:06:07,180 --> 00:06:00,470

probably do really well hey gummy some

139

00:06:10,600 --> 00:06:07,190

big jerky Sasquatch yeah

140

00:06:14,560 --> 00:06:10,610

peer regional Sasquatch free range

141

00:06:18,750 --> 00:06:14,570

sasquatch all right we don't do

142

00:06:22,500 --> 00:06:18,760

farm-raised Sasquatch anymore okay team

143

00:06:26,860 --> 00:06:22,510

factory-raised Sasquatch is so horrible

144

00:06:30,730 --> 00:06:26,870

it's really tough oh god I want non-gmo

145

00:06:31,360 --> 00:06:30,740

Sasquatch my jerky all right Sasquatch

146

00:06:33,909 --> 00:06:31,370

stakes

147

00:06:35,830 --> 00:06:33,919

yeah like the roots Chris but it would

148

00:06:38,920 --> 00:06:35,840

be a stupid name for a restaurant

149

00:06:40,540 --> 00:06:38,930

there's a Ruth's Chris Steak how what if

150

00:06:45,340 --> 00:06:40,550

[h__h] dumb name if you got served

151

00:06:47,050 --> 00:06:45,350

Sasquatch is it gluten-free where did

152

00:06:51,189 --> 00:06:47,060

this where did this self question I want

153

00:06:54,370 --> 00:06:51,199

my sasquatch cook medium high and you

154

00:06:59,409 --> 00:06:54,380

serve that I mean medium well medium

155

00:07:01,840 --> 00:06:59,419

high this guy goes on to say win it wild

156

00:07:03,820 --> 00:07:01,850

story the Giants at least seem like

157

00:07:06,879 --> 00:07:03,830

Bigfoot's meaning tribes describe

158

00:07:09,370 --> 00:07:06,889

Bigfoot's as highly aggressive Steelers

159

00:07:10,779 --> 00:07:09,380

of men women and even children young

160

00:07:13,570 --> 00:07:10,789

women were apparently taken from their

161

00:07:16,240 --> 00:07:13,580

mates Bigfoot's would descend on Indians

162

00:07:21,480 --> 00:07:16,250

village at Indian villages with whistles

163

00:07:24,159 --> 00:07:21,490

before raining down rocks on the Indians

164

00:07:26,560 --> 00:07:24,169

many Western tribes describe describe

165

00:07:28,749 --> 00:07:26,570

areas of the territory territories that

166

00:07:31,420 --> 00:07:28,759

were totally off-limits and the Indians

167

00:07:34,210 --> 00:07:31,430

refused to go there for these were the

168

00:07:35,770 --> 00:07:34,220

territories of the Bigfoots he's not

169

00:07:39,460 --> 00:07:35,780

saying he's not saying big feet he's

170

00:07:41,950 --> 00:07:39,470

saying Bigfoots yeah it said it's big

171

00:07:45,310 --> 00:07:41,960

fine yeah big five yeah

172

00:07:47,560 --> 00:07:45,320

these territories were full of game the

173

00:07:50,140 --> 00:07:47,570

Indians were so terrified that they

174

00:07:52,950 --> 00:07:50,150

avoided them like the plague or like

175

00:07:57,100 --> 00:07:52,960

blankets given to them by white people

176

00:08:00,219 --> 00:07:57,110

mm-hmm why would Indians avoid a forge

177

00:08:01,540 --> 00:08:00,229

rich area due to creatures they didn't

178

00:08:03,460 --> 00:08:01,550

even that didn't even exist

179

00:08:06,779 --> 00:08:03,470

probably the Bigfoots who are more

180

00:08:08,800 --> 00:08:06,789

aggressive than Indians because the

181

00:08:11,920 --> 00:08:08,810

probably the Bigfoots were more

182

00:08:13,960 --> 00:08:11,930

aggressive a grip probably the Bigfoot's

183

00:08:15,760 --> 00:08:13,970

were more aggressive against Indians

184

00:08:18,159 --> 00:08:15,770

because the Indians did not have good

185

00:08:20,290 --> 00:08:18,169

methods for killing them power comes

186

00:08:22,089 --> 00:08:20,300

from the barrel of the gun after all

187

00:08:24,640 --> 00:08:22,099

Bigfoot's are highly intelligent

188

00:08:27,279 --> 00:08:24,650

appeared to have a language our guns are

189

00:08:30,219 --> 00:08:27,289

very powerful much more powerful than

190

00:08:32,740 --> 00:08:30,229

Indians weapons Bigfoot's have probably

191

00:08:36,040 --> 00:08:32,750

learned to fear and respect us due to

192

00:08:39,370 --> 00:08:36,050

our weaponry and that is why they are

193

00:08:42,100 --> 00:08:39,380

much more pacifist I would say much more

194

00:08:44,260 --> 00:08:42,110

pacified now but he's going on to say

195

00:08:48,400 --> 00:08:44,270

the whys why they're much more pacifist

196

00:08:50,650 --> 00:08:48,410

than they were in the Indian era in the

197

00:08:52,570 --> 00:08:50,660

Indian era so they're basically saying

198

00:08:55,030 --> 00:08:52,580

Indians were [h__h]

199

00:08:57,820 --> 00:08:55,040

they took their [h__h] this guy you have

200

00:09:01,690 --> 00:08:57,830

to read this article it is so poorly

201

00:09:04,450 --> 00:09:01,700

written seems fine to me

202

00:09:07,270 --> 00:09:04,460

it seems logical makes total sense III

203

00:09:09,070 --> 00:09:07,280

don't know I don't know why this isn't

204

00:09:10,660 --> 00:09:09,080

even on Wikipedia this sounds like it

205

00:09:14,680 --> 00:09:10,670

should be there and by the way this guy

206

00:09:19,020 --> 00:09:14,690

this is a crazy amount of comments

207

00:09:24,940 --> 00:09:22,090

think there's like some diehard Bigfoot

208

00:09:26,590 --> 00:09:24,950

people out there who just they you know

209

00:09:30,190 --> 00:09:26,600

that they're gonna they're gonna go for

210

00:09:31,570 --> 00:09:30,200

this thing this is by Jeff yeah phew

211

00:09:40,060 --> 00:09:31,580

later absolutely by restarting his

212

00:09:43,210 --> 00:09:40,070

router at this point I told you about

213

00:09:46,510 --> 00:09:43,220

the time when the AT&T woman asked me if

214

00:09:48,640 --> 00:09:46,520

my wireless router was on a shelf yeah

215

00:09:50,020 --> 00:09:48,650

said yeah yeah it's on the Shelf she's

216

00:09:52,870 --> 00:09:50,030

like well did you try setting it on the

217

00:09:54,280 --> 00:09:52,880

floor I wanted to I literally wanted to

218

00:09:57,090 --> 00:09:54,290

reach through the phone and choke the

219

00:10:02,500 --> 00:09:57,100

life out of her man go [h__h] yourself

220

00:10:04,690 --> 00:10:02,510

seriously yeah well these Bigfoot says

221

00:10:07,570 --> 00:10:04,700

he's calling big feet or big thigh big

222

00:10:09,310 --> 00:10:07,580

look there's been rumors of Sasquatch

223

00:10:12,280 --> 00:10:09,320

for a long time almost in every

224

00:10:13,510 --> 00:10:12,290

continent for as long as it's been

225

00:10:16,870 --> 00:10:13,520

recorded history there's always been

226

00:10:19,510 --> 00:10:16,880

talk of a hairy man or a bipedal hairy

227

00:10:23,440 --> 00:10:19,520

man that it's quite elusive it's been

228

00:10:25,780 --> 00:10:23,450

going on for ever folklore do you think

229

00:10:27,550 --> 00:10:25,790

they're the same as the ones that the

230

00:10:29,050 --> 00:10:27,560

Smithsonian had like these giants with

231

00:10:30,850 --> 00:10:29,060

the giant skulls and all that stuff are

232

00:10:34,530 --> 00:10:30,860

they the same things just felt like kind

233

00:10:36,730 --> 00:10:34,540

of being like named different layer so

234

00:10:39,550 --> 00:10:36,740

that there could have been much like

235

00:10:41,200 --> 00:10:39,560

that TED talk we both saw of awesome I

236

00:10:42,520 --> 00:10:41,210

have it solved in my Dropbox because

237

00:10:43,720 --> 00:10:42,530

they pulled that [h__\h] down you can't

238

00:10:45,750 --> 00:10:43,730

find that anywhere so I think it's

239

00:10:51,430 --> 00:10:45,760

different between Sasquatch and Bigfoot

240

00:10:53,170 --> 00:10:51,440

versus true Giants that lived and that's

241

00:10:56,230 --> 00:10:53,180

been recorded in you know mythology

242

00:10:58,450 --> 00:10:56,240

Bibles religions Giants their owners

243

00:11:00,610 --> 00:10:58,460

Titans if you will I think that the

244

00:11:04,240 --> 00:11:00,620

Titans could possibly be much more a

245

00:11:05,639 --> 00:11:04,250

real thing to ancient civilizations and

246

00:11:08,730 --> 00:11:05,649

I think Bigfoot

247

00:11:10,799 --> 00:11:08,740

is at this point they're just a wild

248

00:11:13,019 --> 00:11:10,809

ape you know there could be North

249

00:11:14,609 --> 00:11:13,029

American apes there could be various

250

00:11:16,019 --> 00:11:14,619

different types of apes that this have

251
00:11:19,109 --> 00:11:16,029
not been discovered because there's so

252
00:11:20,429 --> 00:11:19,119
few of them or they're so timid I don't

253
00:11:23,160 --> 00:11:20,439
think that's how out of the realm of

254
00:11:24,929 --> 00:11:23,170
possibility there you think they'd like

255
00:11:32,280 --> 00:11:24,939
to get slammed in the ass oh [h__\h] yeah

256
00:11:37,410 --> 00:11:32,290
dude come in naked I do have a lot more

257
00:11:38,939 --> 00:11:37,420
on the Crypt the cryptid stuff and we'll

258
00:11:40,379 --> 00:11:38,949
all send you the link that it's going to

259
00:11:44,340 --> 00:11:40,389
get your opinion on this because there's

260
00:11:48,359 --> 00:11:44,350
a there's a picture that goes along with

261
00:11:50,359 --> 00:11:48,369
this and I also have some other Bigfoot

262
00:11:53,730 --> 00:11:50,369
news I think we've done enough

263
00:11:56,999 --> 00:11:53,740

Bigfoot news oh my god what's going on

264

00:11:59,939 --> 00:11:57,009

oh there he is oh hello

265

00:12:01,439 --> 00:11:59,949

yeah hopefully this she called him what

266

00:12:03,900 --> 00:12:01,449

they say everything's fine

267

00:12:05,819 --> 00:12:03,910

well yeah they changed my Wi-Fi channel

268

00:12:07,949 --> 00:12:05,829

again to I think three which it should

269

00:12:09,720 --> 00:12:07,959

have already been on any time I was

270

00:12:11,400 --> 00:12:09,730

already on three why did you why are you

271

00:12:14,249 --> 00:12:11,410

changing it back to where I already was

272

00:12:16,530 --> 00:12:14,259

I don't know they were just fry baby I

273

00:12:18,600 --> 00:12:16,540

mean that's essentially what it was

274

00:12:20,489 --> 00:12:18,610

those will stop throttling me if you

275

00:12:23,569 --> 00:12:20,499

give me a call and since what they said

276

00:12:30,840 --> 00:12:23,579

so we read through that entire Bigfoot

277

00:12:32,549 --> 00:12:30,850

story and it was very poorly written he

278

00:12:34,379 --> 00:12:32,559

had the lead actually I have the text

279

00:12:36,150 --> 00:12:34,389

and I can find the actual legend of it

280

00:12:38,939 --> 00:12:36,160

on lines and passed down by thieves and

281

00:12:42,150 --> 00:12:38,949

different other you know outlaws read

282

00:12:45,679 --> 00:12:42,160

slightly better this story someone's

283

00:12:49,889 --> 00:12:45,689

reaction to it yeah he wrote like [h__\h]

284

00:12:51,720 --> 00:12:49,899

and it was very hard for me to take the

285

00:12:54,090 --> 00:12:51,730

entire story serious because of how

286

00:12:57,269 --> 00:12:54,100

shitty he wrote his account of what he

287

00:12:59,989 --> 00:12:57,279

heard what I was gonna send over whoever

288

00:13:04,650 --> 00:12:59,999

was the the photo of the wild man of the

289

00:13:06,269 --> 00:13:04,660

pyrenees I just saw that on the feed oh

290

00:13:07,919 --> 00:13:06,279

yeah it's on the feet alright I want to

291

00:13:10,679 --> 00:13:07,929

get Joe's opinion in this photo and I'll

292

00:13:11,850 --> 00:13:10,689

read down because this looks this sex

293

00:13:13,230 --> 00:13:11,860

there's some kind of evidence here to

294

00:13:15,480 --> 00:13:13,240

some cat least there's some kind of

295

00:13:17,669 --> 00:13:15,490

photographic evidence of this wild man

296

00:13:19,239 --> 00:13:17,679

was it deleted off the feed room no is

297

00:13:22,879 --> 00:13:19,249

there

298

00:13:26,720 --> 00:13:22,889

so he goes on to say is this the photo

299

00:13:28,309 --> 00:13:26,730

of the wild man of the Pyrenees let me

300

00:13:30,619 --> 00:13:28,319

see the front I find it extremely hard

301
00:13:34,669 --> 00:13:30,629
to believe that a bipedal primate

302
00:13:37,069 --> 00:13:34,679
unknown to science could exist up to the

303
00:13:39,199 --> 00:13:37,079
present time in such a narrow stretch of

304
00:13:41,210 --> 00:13:39,209
the mountains between two heavily

305
00:13:45,970 --> 00:13:41,220
populated countries such as France and

306
00:13:49,040 --> 00:13:45,980
Spain this is comes from a blog post

307
00:13:50,960 --> 00:13:49,050
they claimed it could be the Yeti but

308
00:13:53,989 --> 00:13:50,970
you scroll down there is definitely a

309
00:13:56,150 --> 00:13:53,999
picture there and high-resolution and

310
00:13:59,720 --> 00:13:56,160
they enlarged it and there's something

311
00:14:03,319 --> 00:13:59,730
standing up over there Joe there's

312
00:14:05,809 --> 00:14:03,329
something standing up you know yeah you

313
00:14:09,379 --> 00:14:05,819

know one time I was a high as a kite and

314

00:14:11,569 --> 00:14:09,389

I was out in my my buddy's van we were

315

00:14:13,730 --> 00:14:11,579

smoking outside my parents house when I

316

00:14:16,280 --> 00:14:13,740

was a teenager and I was looking at the

317

00:14:18,710 --> 00:14:16,290

mailbox in this shadow and I was

318

00:14:20,720 --> 00:14:18,720

convinced it was my neighbor and she was

319

00:14:22,910 --> 00:14:20,730

gonna tell my parents that I was you

320

00:14:27,980 --> 00:14:22,920

know smoking pot my friend out in the

321

00:14:30,230 --> 00:14:27,990

van smell food yeah it was it was it was

322

00:14:31,939 --> 00:14:30,240

the mailbox I think this looks like

323

00:14:35,329 --> 00:14:31,949

something like that not a mailbox in the

324

00:14:36,859 --> 00:14:35,339

middle of nowhere Joe it's a wild man's

325

00:14:39,079 --> 00:14:36,869

mailbox yeah it could be the well me of

326

00:14:40,970 --> 00:14:39,089

the Pyrenees mailbox yeah well he needs

327

00:14:43,160 --> 00:14:40,980

mail too I mean this comes from a

328

00:14:44,989 --> 00:14:43,170

blogger website so it's done from it's a

329

00:14:48,980 --> 00:14:44,999

blogspot rather it's a it's a blog

330

00:14:51,859 --> 00:14:48,990

spot.com so I can't say that it's not

331

00:14:54,019 --> 00:14:51,869

true I mean obviously it's I don't like

332

00:14:57,379 --> 00:14:54,029

your sarcasm I mean the cryptid is

333

00:15:00,109 --> 00:14:57,389

iottie topic topic over this so at first

334

00:15:03,019 --> 00:15:00,119

they thought it was a dog a human mean

335

00:15:05,269 --> 00:15:03,029

or an ape or even a bear despite it

336

00:15:08,389 --> 00:15:05,279

having banished from the zone a century

337

00:15:11,239 --> 00:15:08,399

ago the Bears that is the witness the

338

00:15:14,629 --> 00:15:11,249

witnesses saw a man covered all over

339

00:15:19,280 --> 00:15:14,639

with hair dressed in a type of fur

340

00:15:20,030 --> 00:15:19,290

poncho and which was running at an

341

00:15:23,299 --> 00:15:20,040

incredible speed

342

00:15:26,509 --> 00:15:23,309

uphill while emitting loud whistles

343

00:15:29,780 --> 00:15:26,519

those sounds long and sustained seemed

344

00:15:31,990 --> 00:15:29,790

to be answered from a nearby summit also

345

00:15:34,550 --> 00:15:32,000

from an adjacent

346

00:15:41,000 --> 00:15:34,560

according to the testimony they did not

347

00:15:43,190 --> 00:15:41,010

appear to be any echoes to complete and

348

00:15:46,640 --> 00:15:43,200

round off this train scene father and

349

00:15:52,340 --> 00:15:46,650

daughter affirmed that they that they

350

00:15:54,560 --> 00:15:52,350

noted a strong odor like a coward listen

351

00:15:56,510 --> 00:15:54,570

what's a cat like a coward okay

352

00:15:58,760 --> 00:15:56,520

look how yard I'm sorry mister can I

353

00:16:02,930 --> 00:15:58,770

learn yard barnyard just think a yard is

354

00:16:05,360 --> 00:16:02,940

bonheur barnyard it's a smell like [h__h]

355

00:16:09,800 --> 00:16:05,370

up there like these Bigfoot they just

356

00:16:12,260 --> 00:16:09,810

[h__h] everywhere they go the animal or

357

00:16:14,360 --> 00:16:12,270

whatever was running for one to two

358

00:16:16,910 --> 00:16:14,370

minutes over dangerous and steep ground

359

00:16:19,760 --> 00:16:16,920

until it disappeared from their sight

360

00:16:22,310 --> 00:16:19,770

due to the redness of the terrain okay

361

00:16:24,320 --> 00:16:22,320

well there's photographic evidence of

362

00:16:29,150 --> 00:16:24,330

this thing standing up and does look

363

00:16:31,670 --> 00:16:29,160

[h__\h] bizarre it doesn't look like it

364

00:16:33,740 --> 00:16:31,680

does if I had the full res if I had the

365

00:16:36,290 --> 00:16:33,750

resolution the full resolution picture

366

00:16:37,940 --> 00:16:36,300

myself I would zoom it wait it's tough

367

00:16:40,190 --> 00:16:37,950

to tell when people zoom in on pictures

368

00:16:42,560 --> 00:16:40,200

and then they do some enhancing they'll

369

00:16:43,940 --> 00:16:42,570

do some contrast though maybe paint some

370

00:16:45,770 --> 00:16:43,950

pixels in so you can see the sheep's

371

00:16:48,290 --> 00:16:45,780

better I don't know if that's what's

372

00:16:50,600 --> 00:16:48,300

happened but I would like to have the

373

00:16:51,890 --> 00:16:50,610

full resolution photo myself so I can

374

00:16:55,580 --> 00:16:51,900

make my own decision I can zoom in

375

00:16:57,500 --> 00:16:55,590

myself I would hit that thing with a

376

00:16:59,360 --> 00:16:57,510

tranquilizer dart and [h__h] the life out

377

00:17:03,770 --> 00:16:59,370

of it and this is actually a pretty good

378

00:17:05,780 --> 00:17:03,780

photo I'm looking through the that's a

379

00:17:09,230 --> 00:17:05,790

pretty nice photo of it actually you can

380

00:17:18,020 --> 00:17:09,240

tell it looks long it looks very well

381

00:17:19,670 --> 00:17:18,030

hung yeah yeah come on Pig come on

382

00:17:21,560 --> 00:17:19,680

wrestle me yeah you got going on it's

383

00:17:38,750 --> 00:17:21,570

like you have a job you dick think you

384

00:17:40,070 --> 00:17:38,760

can handle that can you wrestle me I was

385

00:17:43,360 --> 00:17:40,080

just Bigfoot would fight me

386

00:17:45,260 --> 00:17:43,370

come on Bigfoot let's fight Alex Jones

387

00:17:47,390 --> 00:17:45,270

okay

388

00:17:49,490 --> 00:17:47,400

come on Bigfoot fight me you [h__h]

389

00:17:52,540 --> 00:17:49,500

yeah it was big where's Alex Jillian you

390

00:18:01,760 --> 00:17:52,550

need him to fight me come on let's do it

391

00:18:04,419 --> 00:18:01,770

the job yeah fight me like a man big

392

00:18:08,690 --> 00:18:04,429

foot yeah

393

00:18:10,010 --> 00:18:08,700

figure out who gets the bang who wears

394

00:18:12,770 --> 00:18:10,020

Bill Clinton same fight me like a man

395

00:18:15,460 --> 00:18:12,780

oh thank you what I gave you every

396

00:18:19,100 --> 00:18:15,470

opportunity to drop to drop that as it's

397

00:18:24,380 --> 00:18:19,110

like crazy I mean a cue ball wouldn't be

398

00:18:27,500 --> 00:18:24,390

any more cute Fight Like a Man oh my god

399

00:18:29,180 --> 00:18:27,510

I gave you every opportunity to play it

400

00:18:41,120 --> 00:18:29,190

I just talked about fighting Alex Jones

401
00:18:48,350 --> 00:18:41,130
fighting them foot long eight inches in

402
00:18:52,130 --> 00:18:48,360
enough for me to do a Bigfoot but okay

403
00:18:54,890 --> 00:18:52,140
that's fine that's all of our our

404
00:18:56,690 --> 00:18:54,900
Bigfoot news I think we've done it all

405
00:19:01,130 --> 00:18:56,700
with the Bigfoot news oh no I got this

406
00:19:01,940 --> 00:19:01,140
thing from are you saying I should put

407
00:19:10,010 --> 00:19:01,950
on the brakes

408
00:19:11,780 --> 00:19:10,020
yeah but I'm on whoa all right so in

409
00:19:12,200 --> 00:19:11,790
Cuyahoga Valley National Park this is in

410
00:19:14,600 --> 00:19:12,210
Ohio

411
00:19:17,299 --> 00:19:14,610
apparently a resident of Northeastern

412
00:19:18,770 --> 00:19:17,309
Ohio here out in the area a long time

413
00:19:21,100 --> 00:19:18,780

but they apparently recorded these

414

00:19:23,840 --> 00:19:21,110

sounds in this National Park of

415

00:19:26,120 --> 00:19:23,850

apparently the Ohio grassman also known

416

00:19:29,150 --> 00:19:26,130

as do I have a Bigfoot hi grassman is

417

00:19:32,510 --> 00:19:29,160

some guy smokes weed a lot in West

418

00:19:34,850 --> 00:19:32,520

Columbus he sells weed yeah actually I

419

00:19:38,720 --> 00:19:34,860

actually have some audio of the Ohio

420

00:19:44,450 --> 00:19:42,349

I told you is that him is that the order

421

00:19:45,979 --> 00:19:44,460

you have oh yeah cuz I don't have

422

00:19:49,549 --> 00:19:45,989

booklet and I said I smoked I didn't

423

00:19:51,320 --> 00:19:49,559

inhale so come on wish I had that do you

424

00:19:54,259 --> 00:19:51,330

have any audio of the Ohio grassman you

425

00:20:06,549 --> 00:19:54,269

get a recording right here alright here

426

00:20:37,039 --> 00:20:11,019

I think I think there's more to it so

427

00:20:40,399 --> 00:20:39,710

doesn't sound a whole lot it's it's

428

00:20:41,720 --> 00:20:40,409

really bad

429

00:20:43,580 --> 00:20:41,730

that's not very good well you look at

430

00:20:45,739 --> 00:20:43,590

least is something okay at least it's

431

00:20:47,619 --> 00:20:45,749

something that people didn't hear

432

00:20:50,450 --> 00:20:47,629

there's been numerous reports of

433

00:20:51,649 --> 00:20:50,460

Bigfoots big feet howling like that and

434

00:20:52,909 --> 00:20:51,659

that's it's not I don't know that's

435

00:21:00,159 --> 00:20:52,919

convincing to me is something different

436

00:21:05,930 --> 00:21:02,930

well there's a lot of Dead's you know

437

00:21:08,629 --> 00:21:05,940

silence and there's that a lot of white

438

00:21:17,019 --> 00:21:08,639

noise on that and exercise like white

439

00:21:21,049 --> 00:21:19,430

it sounds like a lot of our voicemails

440

00:21:25,129 --> 00:21:21,059

we get they sound like the calling from

441

00:21:27,080 --> 00:21:25,139

the submarine so I don't know could be

442

00:21:29,180 --> 00:21:27,090

coyotes in the area or drunken visitors

443

00:21:31,909 --> 00:21:29,190

but it says like the famous Ohio howl or

444

00:21:33,649 --> 00:21:31,919

the Columbian ahel' the spell here's the

445

00:21:37,399 --> 00:21:33,659

first known recording of the Ohio fowl

446

00:22:02,680 --> 00:21:37,409

of the Ohio the Ohio howl Ohio I'll have

447

00:22:06,400 --> 00:22:04,840

the dog sure don't like it I actually

448

00:22:08,200 --> 00:22:06,410

like that one a lot more that actually

449

00:22:12,460 --> 00:22:08,210

gives some context that these dogs are

450

00:22:13,930 --> 00:22:12,470

not happy with that [\h__\h] thing huh

451
00:22:17,650 --> 00:22:13,940
that actually sounds a lot more

452
00:22:20,110 --> 00:22:17,660
convincing when there's something like

453
00:22:21,640 --> 00:22:20,120
that legs off dogs yeah well yeah not

454
00:22:23,890 --> 00:22:21,650
not just that but when there's other

455
00:22:26,500 --> 00:22:23,900
things that you could identify in an

456
00:22:28,750 --> 00:22:26,510
environment like that that provides much

457
00:22:30,580 --> 00:22:28,760
more context to me this will when you

458
00:22:32,860 --> 00:22:30,590
look at like a UFO video and it's just a

459
00:22:34,690 --> 00:22:32,870
picture of a dot in the sky give me a

460
00:22:36,430 --> 00:22:34,700
[h__h] horizon give me a light pole or

461
00:22:40,450 --> 00:22:36,440
something that that you can grab onto

462
00:22:43,690 --> 00:22:40,460
visually or with the dogs audio Lee that

463
00:22:46,300 --> 00:22:43,700

one UFO video but it's uh just uh

464

00:22:47,770 --> 00:22:46,310

that light in the sky that's a lot more

465

00:22:49,060 --> 00:22:47,780

convention to me and then those Bigfoot

466

00:22:52,860 --> 00:22:49,070

we're doing outside outside my house

467

00:23:09,169 --> 00:22:55,720

jerk off it is with all the noise going

468

00:23:22,500 --> 00:23:14,669

Fight Like a Man late but alright well

469

00:23:24,750 --> 00:23:22,510

one connection really just drop off all

470

00:23:30,210 --> 00:23:24,760

right in addition to your connection all

471

00:23:32,580 --> 00:23:30,220

right I never heard of the Ohio grassman

472

00:23:34,830 --> 00:23:32,590

Wow my connection to garbage you sound

473

00:23:35,940 --> 00:23:34,840

good so don't pay tax don't look at the

474

00:23:39,590 --> 00:23:35,950

numbers don't look down

475

00:23:42,750 --> 00:23:39,600

could you sound bad is Joe still there

476
00:23:44,669 --> 00:23:42,760
no he's peeing he's peeing oh my god I

477
00:23:48,390 --> 00:23:44,679
if I sound bad you sound good you so

478
00:23:49,710 --> 00:23:48,400
you're upstream is pretty good but I

479
00:23:54,510 --> 00:23:49,720
sound good

480
00:23:58,169 --> 00:23:54,520
Joe just use like a toilet now so all

481
00:24:00,630 --> 00:23:58,179
right Alex Jones say he says slam it

482
00:24:03,270 --> 00:24:00,640
hard and spit on it and hate him while

483
00:24:04,770 --> 00:24:03,280
you did what is that um that one you

484
00:24:09,720 --> 00:24:04,780
haven't played that one in a while let's

485
00:24:13,830 --> 00:24:09,730
see if I can find that okay you're

486
00:24:15,720 --> 00:24:13,840
echoing now stop pumping see if I can

487
00:24:21,270 --> 00:24:15,730
find it Jack a heart and hate him and

488
00:24:23,340 --> 00:24:21,280

spit on way dude some are poison lady

489

00:24:35,460 --> 00:24:23,350

take some more shots and roll over and

490

00:24:49,140 --> 00:24:45,770

Jack their system couple variations

491

00:24:49,500 --> 00:24:49,150

couple variations on that one yes siree

492

00:24:55,290 --> 00:24:49,510

Bob

493

00:24:57,720 --> 00:24:55,300

oh um you got any more crypto mouton

494

00:25:00,120 --> 00:24:57,730

news judge Jeff or do you want to move

495

00:25:01,760 --> 00:25:00,130

on to some other stuff you want it

496

00:25:03,930 --> 00:25:01,770

covered in UFO stuff we have because

497

00:25:05,220 --> 00:25:03,940

actually not bad yeah let's cover the

498

00:25:07,650 --> 00:25:05,230

UFO stuff it'll be a lot more

499

00:25:10,260 --> 00:25:07,660

interesting I mean there I saw like you

500

00:25:11,730 --> 00:25:10,270

know some earliest Kentucky footage from

501
00:25:13,560 --> 00:25:11,740
Kentucky but a red-haired Bigfoot the

502
00:25:15,630 --> 00:25:13,570
video is absolute garbage garbage I

503
00:25:18,090 --> 00:25:15,640
looked at that this guy is

504
00:25:19,860 --> 00:25:18,100
so I think he said anybody doesn't know

505
00:25:22,730 --> 00:25:19,870
Jeff and I basically spend most of our

506
00:25:26,190 --> 00:25:22,740
days looking at Bigfoot videos online

507
00:25:28,410 --> 00:25:26,200
quite a few yeah I'm gonna [h__h] rent

508
00:25:32,450 --> 00:25:28,420
a Bigfoot costume and troll you guys I'm

509
00:25:37,380 --> 00:25:35,430
did buy the Ohio grassman we do for this

510
00:25:39,300 --> 00:25:37,390
show you know I mean we're trying to

511
00:25:42,660 --> 00:25:39,310
find good content interesting content

512
00:25:45,990 --> 00:25:42,670
for your show yes you have to wade

513
00:25:48,420 --> 00:25:46,000

through so much [h__h] to find anything

514

00:25:50,730 --> 00:25:48,430

remotely interesting there's so many

515

00:25:53,820 --> 00:25:50,740

hoaxes out there I don't know what this

516

00:25:55,830 --> 00:25:53,830

red Bigfoot thing is [h__h] what's

517

00:25:57,960 --> 00:25:55,840

that nothing like the bigfoot wars

518

00:26:01,050 --> 00:25:57,970

that's totally true no that's at some

519

00:26:14,010 --> 00:26:01,060

point big time at least that's an

520

00:26:16,440 --> 00:26:14,020

interesting story alright so I sent you

521

00:26:18,960 --> 00:26:16,450

guys I think maybe get claw baby

522

00:26:20,700 --> 00:26:18,970

actually sent the the climbing back to

523

00:26:23,420 --> 00:26:20,710

send us the swirling Bigfoot in the sky

524

00:26:28,320 --> 00:26:23,430

or not pay for this guy UFO in the sky

525

00:26:29,670 --> 00:26:28,330

swirling swirling Bigfoot this guy that

526

00:26:31,110 --> 00:26:29,680

one was actually really cool I like that

527

00:26:37,140 --> 00:26:31,120

one we should put that one on Facebook

528

00:26:41,270 --> 00:26:37,150

did so the video shows clouds swirling

529

00:26:44,310 --> 00:26:41,280

and then a UFO shooting into it which

530

00:26:47,490 --> 00:26:44,320

looks pretty hoax II you know it doesn't

531

00:26:49,200 --> 00:26:47,500

look that real I mean it does look real

532

00:26:52,320 --> 00:26:49,210

I mean it's well done After Effects but

533

00:26:53,700 --> 00:26:52,330

it's so out of the ordinary it's so high

534

00:26:56,160 --> 00:26:53,710

up that you would imagine that there

535

00:26:59,310 --> 00:26:56,170

would be some other other footage if it

536

00:27:01,500 --> 00:26:59,320

was genuine whose was that it would be

537

00:27:03,420 --> 00:27:01,510

like in the actual news like reports

538

00:27:04,830 --> 00:27:03,430

yeah like this is a crazy weather

539

00:27:07,670 --> 00:27:04,840

phenomenon we've never seen anything

540

00:27:09,450 --> 00:27:07,680

like this before and it happened for a

541

00:27:10,740 --> 00:27:09,460

considerable length of time that there

542

00:27:13,590 --> 00:27:10,750

should be some other footage out there

543

00:27:16,410 --> 00:27:13,600

it look I mean I look I'm a hard person

544

00:27:18,270 --> 00:27:16,420

to convince I could see it being faked I

545

00:27:20,670 --> 00:27:18,280

know that it probably is potentially

546

00:27:23,340 --> 00:27:20,680

fake able I don't know why anyone would

547

00:27:26,070 --> 00:27:23,350

fake that it's not that big of a smoking

548

00:27:28,210 --> 00:27:26,080

gun but it is just weird enough to make

549

00:27:31,779 --> 00:27:28,220

you go what the [h__h] is this

550

00:27:36,119 --> 00:27:31,789

so I looked at that and I think the

551
00:27:39,759 --> 00:27:36,129
video came from a channel that has

552
00:27:45,930 --> 00:27:39,769
posted other hoaxes UFOs other videos

553
00:27:48,580 --> 00:27:45,940
that are hoaxes so that obviously

554
00:27:50,560 --> 00:27:48,590
alright less credible that it was just

555
00:27:52,240 --> 00:27:50,570
some random orest well they could just

556
00:27:53,769 --> 00:27:52,250
be posting every it could be like alex

557
00:27:56,320 --> 00:27:53,779
jones where everything's a false flag

558
00:27:58,180 --> 00:27:56,330
you know and maybe five percent of them

559
00:27:59,889 --> 00:27:58,190
yeah that's absolutely possible and so

560
00:28:03,190 --> 00:27:59,899
there's some pictures of this and

561
00:28:07,869 --> 00:28:03,200
everything and this is supposedly taken

562
00:28:09,850 --> 00:28:07,879
by taken close to the the cern facility

563
00:28:13,180 --> 00:28:09,860

that's what this came about we searched

564

00:28:17,129 --> 00:28:13,190

cern UFO this comes up and there's been

565

00:28:19,869 --> 00:28:17,139

various conspiracy theories that cern

566

00:28:21,820 --> 00:28:19,879

the more they run they run these tasks

567

00:28:23,379 --> 00:28:21,830

is that the that certain is gonna open

568

00:28:24,850 --> 00:28:23,389

up various portal ways to other

569

00:28:26,740 --> 00:28:24,860

dimensions and other beings are gonna

570

00:28:28,869 --> 00:28:26,750

come through and ufos travel

571

00:28:29,950 --> 00:28:28,879

inter-dimensionally and so that's why

572

00:28:33,009 --> 00:28:29,960

they're coming through over cern and

573

00:28:36,820 --> 00:28:33,019

this is what this this swirling mist is

574

00:28:38,740 --> 00:28:36,830

all about this that's another dimension

575

00:28:39,970 --> 00:28:38,750

that's essentially what they're trying

576

00:28:40,960 --> 00:28:39,980

to get out of this yeah but all their

577

00:28:43,889 --> 00:28:40,970

broads in there

578

00:28:46,930 --> 00:28:43,899

yeah can I stick my dick in this portal

579

00:28:49,990 --> 00:28:46,940

this is a glory portal how tight is this

580

00:28:58,259 --> 00:28:50,000

hole yeah can I get in then I'm talking

581

00:29:00,279 --> 00:28:58,269

about so according to the report

582

00:29:02,499 --> 00:29:00,289

this comes missus we're talking still

583

00:29:04,269 --> 00:29:02,509

talking about the the swirling cloud and

584

00:29:07,119 --> 00:29:04,279

UFO entering video this comes from

585

00:29:08,860 --> 00:29:07,129

Catholic online which is my favorite

586

00:29:11,490 --> 00:29:08,870

online source for news Oh

587

00:29:13,690 --> 00:29:11,500

Catholic online they nail it every time

588

00:29:16,210 --> 00:29:13,700

tourists from the United States captured

589

00:29:19,060 --> 00:29:16,220

a curious quad vortex appear over Geneva

590

00:29:21,430 --> 00:29:19,070

Switzerland what amazed was it was

591

00:29:23,340 --> 00:29:21,440

amazing isn't the mysterious shape of

592

00:29:25,990 --> 00:29:23,350

the clouds it's the orb of light

593

00:29:28,480 --> 00:29:26,000

believed to be UFO flying into the

594

00:29:33,129 --> 00:29:28,490

center of the for vortex before it

595

00:29:37,960 --> 00:29:33,139

disappears and they post videos on this

596

00:29:40,299 --> 00:29:37,970

[h__h] and this is a UFO as soon as soon

597

00:29:41,410 --> 00:29:40,309

as the UFO which appears at the bottom

598

00:29:43,750 --> 00:29:41,420

right of the camera

599

00:29:46,540 --> 00:29:43,760

enters the center of the vortex a cloud

600

00:29:48,910 --> 00:29:46,550

immediately disperses leading me to

601
00:29:52,540 --> 00:29:48,920
believe the curious cloud formation was

602
00:29:57,760 --> 00:29:52,550
an interdimensional portal exactly what

603
00:29:59,770 --> 00:29:57,770
I said oh my god as explained by section

604
00:30:02,890 --> 00:29:59,780
51 there's a link here a portal appeared

605
00:30:11,260 --> 00:30:02,900
above the CERN project site and is home

606
00:30:15,250 --> 00:30:11,270
to the large hard-on Collider and

607
00:30:17,320 --> 00:30:15,260
smashes is that a bar can I go there

608
00:30:25,120 --> 00:30:17,330
where is the large heart uncle would be

609
00:30:29,980 --> 00:30:25,130
an awesome bar heart uncle good that's

610
00:30:31,660 --> 00:30:29,990
right oh la so it's I guess I might have

611
00:30:46,650 --> 00:30:31,670
some audio of the large heart of hard-on

612
00:30:55,450 --> 00:30:51,670
sorry stupid play some power come in man

613
00:30:58,330 --> 00:30:55,460

then why I should yeah so that's that's

614

00:31:05,770 --> 00:30:58,340

that the this whirling UFO and then from

615

00:31:08,650 --> 00:31:05,780

the same this the same kind of website

616

00:31:12,420 --> 00:31:08,660

this from Catholic org they have they

617

00:31:16,780 --> 00:31:12,430

have a whole big article about how CERN

618

00:31:18,790 --> 00:31:16,790

really is channeling interdimensional

619

00:31:21,580 --> 00:31:18,800

interdimensional beans by opening up

620

00:31:22,960 --> 00:31:21,590

these weird portals but crash these

621

00:31:24,670 --> 00:31:22,970

particles together they're basically

622

00:31:26,440 --> 00:31:24,680

saying they don't understand the science

623

00:31:28,600 --> 00:31:26,450

and that this is gonna be catastrophic

624

00:31:30,640 --> 00:31:28,610

and that is actually going to rip a hole

625

00:31:33,540 --> 00:31:30,650

in the time continuum and allow demons

626
00:31:35,350 --> 00:31:33,550
to come through interdimensional beings

627
00:31:36,930 --> 00:31:35,360
it's insanity

628
00:31:40,900 --> 00:31:36,940
you can't wrap your head around it

629
00:31:42,100 --> 00:31:40,910
that's sounds pretty I mean that sounds

630
00:31:44,650 --> 00:31:42,110
reasonable to me that's what it's for

631
00:31:46,870 --> 00:31:44,660
right sir yeah the destroy universe

632
00:31:48,630 --> 00:31:46,880
actually it was to bring in new bit

633
00:31:51,280 --> 00:31:48,640
maybe they can bring in a new

634
00:31:53,050 --> 00:31:51,290
presidential candidate since I'm pretty

635
00:31:55,270 --> 00:31:53,060
disappointed you're like any of them out

636
00:31:56,470 --> 00:31:55,280
there I just bring somebody in from a

637
00:31:58,660 --> 00:31:56,480
another planet maybe they'll have some

638
00:32:02,200 --> 00:31:58,670

new ideas how many new presidential

639

00:32:04,900 --> 00:32:02,210

candidates they bring in as many as it

640

00:32:09,610 --> 00:32:04,910

takes really I'm open I'm not the entire

641

00:32:12,550 --> 00:32:09,620

lien are you no no oh you're xenophobe

642

00:32:14,380 --> 00:32:12,560

no no no Bri Mullen okay okay see I'm

643

00:32:16,350 --> 00:32:14,390

just you know I mean if you're gonna be

644

00:32:18,550 --> 00:32:16,360

a trump supporter and just hate on every

645

00:32:22,260 --> 00:32:18,560

being from another dimension

646

00:32:24,460 --> 00:32:22,270

I mean fine I'm not gonna do that yes

647

00:32:25,720 --> 00:32:24,470

you're one of those people who thinks

648

00:32:28,450 --> 00:32:25,730

that you bring in these interdimensional

649

00:32:30,520 --> 00:32:28,460

beings and then they rape all your women

650

00:32:32,140 --> 00:32:30,530

and your kids that's what you think

651
00:32:33,880 --> 00:32:32,150
that's what's gonna happen no

652
00:33:45,730 --> 00:32:33,890
congratulations

653
00:33:48,580 --> 00:33:45,740
yeah I know yeah I mean we'll each in a

654
00:33:54,190 --> 00:33:48,590
month don't believe the 5.6 yes rates

655
00:33:58,450 --> 00:33:54,200
forty two point seven forty two point

656
00:34:05,530 --> 00:33:58,460
seven hot dogs where could be forty two

657
00:34:11,540 --> 00:34:07,730
here's a here's a headline here about

658
00:34:13,340 --> 00:34:11,550
CERN quote I stopped Illuminati plant

659
00:34:18,110 --> 00:34:13,350
Illuminati plan to use the CERN's Large

660
00:34:20,510 --> 00:34:18,120
Hadron core that's where it got derailed

661
00:34:25,700 --> 00:34:20,520
before to destroy the world says former

662
00:34:28,250 --> 00:34:25,710
UK politician Simon Simon Parks okay

663
00:34:30,440 --> 00:34:28,260

I can't I can't read anymore this they

664

00:34:33,160 --> 00:34:30,450

found a 30 second video of apparently

665

00:34:36,380 --> 00:34:33,170

multiple UFOs flying below the wing of a

666

00:34:38,930 --> 00:34:36,390

taiwan taiwanese airliner awesome listen

667

00:34:39,230 --> 00:34:38,940

over i want to see that that's pretty

668

00:34:41,120 --> 00:34:39,240

short

669

00:34:43,970 --> 00:34:41,130

yeah let's do that you know you'll know

670

00:34:47,260 --> 00:34:43,980

them you'll notice them you know there's

671

00:34:49,970 --> 00:34:47,270

the link well actually wrap up the

672

00:34:59,390 --> 00:34:49,980

normal UFO stuff right here yeah then

673

00:35:05,060 --> 00:34:59,400

we'll move on okay yes shiny dots to do

674

00:35:07,970 --> 00:35:05,070

oh yeah stuff to tell what they are

675

00:35:12,100 --> 00:35:07,980

there they do look they do look to be

676

00:35:19,310 --> 00:35:15,350

no zooms in i'm on towards the end [h__h]

677

00:35:23,120 --> 00:35:19,320

on the lens come on you guys apply

678

00:35:25,250 --> 00:35:23,130

anything I'm seriously reading a frickin

679

00:35:27,170 --> 00:35:25,260

Bigfoot costume and I'm gonna rent a

680

00:35:28,520 --> 00:35:27,180

gyroscope or something it's not Shannon

681

00:35:30,950 --> 00:35:28,530

lens because it'd be moving with the

682

00:35:33,140 --> 00:35:30,960

camera motion is not gyro I'm gonna rent

683

00:35:35,180 --> 00:35:33,150

a gyrocopter I'm gonna get a gyro copter

684

00:35:42,890 --> 00:35:35,190

and I'm gonna rent a Bigfoot suit I'm

685

00:35:46,340 --> 00:35:42,900

gonna fly around your house and oh he's

686

00:35:48,910 --> 00:35:46,350

here for my beer and I'm gonna jack off

687

00:35:50,990 --> 00:35:48,920

while I'm doing it alright that's fine

688

00:35:54,470 --> 00:35:51,000

let's see if I can actually do this

689

00:35:57,260 --> 00:35:54,480

let's see can I can I actually do this I

690

00:35:59,770 --> 00:35:57,270

think I can do this monkey sound of Hell

691

00:36:06,540 --> 00:35:59,780

here we go here we go

692

00:36:11,950 --> 00:36:09,430

there he goes his flying away I see him

693

00:36:19,300 --> 00:36:11,960

oh he's starting you wouldn't believe

694

00:36:28,150 --> 00:36:19,310

how to keep gyropod he's ringing out

695

00:36:31,150 --> 00:36:28,160

hell on us saying that when he's flying

696

00:36:32,920 --> 00:36:31,160

ever it's not very polite so you so

697

00:36:37,060 --> 00:36:32,930

copter kit

698

00:36:38,650 --> 00:36:37,070

let's see they're not very expensive how

699

00:36:41,620 --> 00:36:38,660

much is a gyro complicated I'm gonna

700

00:36:43,240 --> 00:36:41,630

guess like 600 \$600 yeah it's in the

701

00:36:45,280 --> 00:36:43,250

hundreds of dollars yeah

702

00:36:48,339 --> 00:36:45,290

these are wait is this a real one like

703

00:36:51,760 --> 00:36:48,349

can I buy this yeah let's play just oh

704

00:36:56,830 --> 00:36:51,770

it's a MOT that's a model god damn it I

705

00:36:58,359 --> 00:36:56,840

want a real one Jose or any particular

706

00:37:02,920 --> 00:36:58,369

topics you want to talk about tonight

707

00:37:05,500 --> 00:37:02,930

bad boy looks like it's \$225 gyroplane

708

00:37:08,140 --> 00:37:05,510

single-engine autogyro helicopter a

709

00:37:10,000 --> 00:37:08,150

wooden model [h__\h] bad yeah [h__\h] all that

710

00:37:10,480 --> 00:37:10,010

that's what I'm seeing - is these stupid

711

00:37:14,230 --> 00:37:10,490

things

712

00:37:16,599 --> 00:37:14,240

let's see rode rotor box gyro ok design

713

00:37:18,280 --> 00:37:16,609

Technica motion German in engineering

714

00:37:19,720 --> 00:37:18,290

it's you know it's gonna be good now

715

00:37:24,339 --> 00:37:19,730

tell me how much this goddamn thing

716

00:37:28,990 --> 00:37:24,349

costs you bastards right now gyrocopter

717

00:37:30,849 --> 00:37:29,000

price okay sixteen thousand dollars were

718

00:37:32,650 --> 00:37:30,859

a little bit closer here that's not even

719

00:37:36,450 --> 00:37:32,660

bad I mean that's how much it cost for a

720

00:37:40,030 --> 00:37:36,460

car you if I want to eBay for 300 bucks

721

different this thing's pretty [h__h]

749

00:38:43,990 --> 00:38:42,260

big yeah I know but I mean it's not that

750

00:38:45,910 --> 00:38:44,000

big and you could park it on the street

751

00:38:47,590 --> 00:38:45,920

you know feel it like live in an

752

00:38:49,600 --> 00:38:47,600

apartment it does look pretty badass the

753

00:38:52,630 --> 00:38:49,610

thing is ridiculous how much does that

754

00:38:54,100 --> 00:38:52,640

cost I thought I was sending them to the

755

00:38:55,510 --> 00:38:54,110

order form so Mike can find out the

756

00:38:57,400 --> 00:38:55,520

760

00:39:06,550 --> 00:39:04,100

guy in a Sasquatch suit in there yeah

761

00:39:08,470 --> 00:39:06,560

any jacks off and we'll get it it'll be

762

00:39:10,660 --> 00:39:08,480

a viral video and it will sell a lot

763

00:39:14,560 --> 00:39:10,670

more these copters all publicity is good

764

00:39:16,570 --> 00:39:14,570

publicity I agree saying I will jack off

765

00:39:18,400 --> 00:39:16,580

in that gyrocopter they could sponsor

766

00:39:21,370 --> 00:39:18,410

the show will will pacify the guy who

767

00:39:23,350 --> 00:39:21,380

needed more ads in the show bring us

768

00:39:25,690 --> 00:39:23,360

jobs he needs more ads so we'll do ads

769

00:39:28,810 --> 00:39:25,700

for the gyrocopter while I'm in jail and

770

00:39:30,280 --> 00:39:28,820

I can call in from prison well we did a

771

00:39:32,020 --> 00:39:30,290

story you know a while back about a

772

00:39:33,580 --> 00:39:32,030

drone dropping off drugs or someone in

773

00:39:36,720 --> 00:39:33,590

Mansfield prison so we could just come

774

00:39:40,140 --> 00:39:36,730

in and fly you out of prison yeah

775

00:39:42,850 --> 00:39:40,150
