Securing the **Future**

EP01

1
00:00:09,470 --> 00:00:07,039
hey guys were back on the Red Boy server

2
00:00:12,169 --> 00:00:09,480
with Bill 33 coming out we decided to

3
00:00:14,600 --> 00:00:12,179
regroup as the OPEC affection I'm

4
00:00:16,640 --> 00:00:14,610
playing as Saddam Hussein general of

5
00:00:19,760 --> 00:00:16,650
security and I'm not very good at

6
00:00:22,759 --> 00:00:19,770
keeping things secure enjoy the episode

7
00:00:26,900 --> 00:00:22,769
ducky later thanks for watching bye

8
00:00:29,779 --> 00:00:26,910
Saddam Hussein general security is

9
00:00:30,410 --> 00:00:29,789
loaded in right now I got the general

10
00:00:33,709 --> 00:00:30,420
butt naked

11
00:00:39,950 --> 00:00:33,719
the famous Liberian general no good it

12
00:00:42,860 --> 00:00:39,960
see an oil baron as well yeah he was uh

13
00:00:46,479 --> 00:00:42,870

he was just the warlord a ruthless

14

00:00:50,180 --> 00:00:46,489

warlord in northern Africa

15

00:01:00,500 --> 00:00:50,190

alright ok this is my first experience

16

00:01:07,310 --> 00:01:00,510

on this new build oh [h__\h] what there's

17

00:01:09,740 --> 00:01:07,320

noise yeah I heard somebody just close

18

00:01:12,350 --> 00:01:09,750

the door how's me I don't know if I'm

19

00:01:16,190 --> 00:01:12,360

close to you you know I I had that sound

20

00:01:17,840 --> 00:01:16,200

going through the computer so I turned

21

00:01:21,859 --> 00:01:17,850

it down box and nails I'm gonna grab

22

00:01:28,140 --> 00:01:21,869

that you in the trailer park oh yeah I

23

00:01:39,810 --> 00:01:31,110

you look for sea still on isn't it yeah

24

00:01:41,520 --> 00:01:39,820

I don't know what I need what I don't

25

00:01:44,250 --> 00:01:41,530

need at this point I'm gonna that's not

26

00:01:45,180 --> 00:01:44,260

a lot of [h__h] in vulture it's all been

27

00:01:48,120 --> 00:01:45,190

picked over already

28

00:01:52,350 --> 00:01:48,130

whoa yeah there's only Bulger in West

29

00:01:53,100 --> 00:01:52,360

Point so we could go to that South

30

00:02:00,840 --> 00:01:53,110

warehouse

31

00:02:06,990 --> 00:02:00,850

I think they've upped the spawn rate in

32

00:02:10,139 --> 00:02:07,000

Malta for new players all great at first

33

00:02:14,600 --> 00:02:10,149

when we need the Dom you saying is what

34

00:02:16,680 --> 00:02:14,610

I weapon and it's not looking good

35

00:02:18,350 --> 00:02:16,690

that's not looking good because the ping

36

00:02:21,810 --> 00:02:18,360

is already starting to go up yeah

37

00:02:22,350 --> 00:02:21,820

actually my ping is good yeah mine just

38

00:02:24,360 --> 00:02:22,360

spiked

39

00:02:26,340 --> 00:02:24,370

let's cool the editor actually XY

40

00:02:33,840 --> 00:02:26,350

coordinates that's pretty cool yes

41

00:02:36,270 --> 00:02:33,850

whatever mod so you're not foods gonna

42

00:02:38,460 --> 00:02:36,280

be hard to come by on the server man

43

00:02:40,410 --> 00:02:38,470

why's that because they turned it way

44

00:02:42,630 --> 00:02:40,420

down okay

45

00:02:45,780 --> 00:02:42,640

make people you know they don't want it

46

00:02:48,390 --> 00:02:45,790

easy like that but at base well we got

47

00:02:50,880 --> 00:02:48,400

books to forge so we got we got enough

48

00:02:53,630 --> 00:02:50,890

to survive on I just thought I found a

49

00:02:56,310 --> 00:02:53,640

bottle of the taco sauce I'm good

50

00:03:00,449 --> 00:02:56,320

which way you going I don't even know

51
00:03:05,910 --> 00:03:00,459
where I'm at I'm at the coordinate 1089

52
00:03:08,100 --> 00:03:05,920
zero by 94 76

53
00:03:20,720 --> 00:03:08,110
she's someone Oh there's AA be behind us

54
00:03:25,020 --> 00:03:20,730
yeah Oh am i by the fortress yeah God

55
00:03:35,820 --> 00:03:25,030
see you yes you look like an swarthy or

56
00:03:37,979 --> 00:03:35,830
oil baron for a white person in a dark

57
00:03:41,020 --> 00:03:37,989
person we're not racist zomboid is for

58
00:03:44,080 --> 00:03:41,030
nothing anymore after skin colors we all

59
00:03:46,380 --> 00:03:44,090
- the same but look proteins actually

60
00:03:52,120 --> 00:03:46,390
blacks this as close as I could get

61
00:03:58,390 --> 00:03:52,130
right little racist but many so many

62
00:04:02,229 --> 00:03:58,400
things we could do so first things first

63
00:04:04,990 --> 00:04:02,239

we gotta get some weapons secure our our

64

00:04:07,059 --> 00:04:05,000

oil Empire this is as good as getting it

65

00:04:11,170 --> 00:04:07,069

probably goddamn but maps did they add

66

00:04:12,610 --> 00:04:11,180

when it was down do we know anything

67

00:04:15,790 --> 00:04:12,620

this weekend they'll at Bedford Falls

68

00:04:18,159 --> 00:04:15,800

and I'll had dread wood you said you

69

00:04:22,780 --> 00:04:18,169

someone took some shots at you yeah it

70

00:04:26,409 --> 00:04:22,790

was [h__h] justice yeah they've been on

71

00:04:27,730 --> 00:04:26,419

for a while they're well situated so and

72

00:04:30,510 --> 00:04:27,740

they're all on right now so they're

73

00:04:36,310 --> 00:04:30,520

probably looking for some ultra

74

00:04:37,810 --> 00:04:36,320

Westpoint news kill on sight West

75

00:04:39,760 --> 00:04:37,820

Point's kill on sight huh

76
00:04:44,770 --> 00:04:39,770
pretty much what I seen everywhere dead

77
00:04:52,750 --> 00:04:44,780
Russian player yeah I'd like to get my

78
00:04:54,250 --> 00:04:52,760
strength up or might beast my uh my

79
00:04:57,850 --> 00:04:54,260
stamina back up before going west boys

80
00:04:59,230 --> 00:04:57,860
about the book and I can well stop at

81
00:05:01,990 --> 00:04:59,240
the pizza place from the outskirts oh

82
00:05:04,510 --> 00:05:02,000
thank you I'm very hungry too I know you

83
00:05:05,260 --> 00:05:04,520
like you have a thing for American pizza

84
00:05:08,140 --> 00:05:05,270
yes I do

85
00:05:12,810 --> 00:05:08,150
Saddam loves American pizza with sausage

86
00:05:16,880 --> 00:05:12,820
and pepperoni sausage yeah he loves for

87
00:05:24,120 --> 00:05:19,800
some open mic gets exerted so he can

88
00:05:25,380 --> 00:05:24,130

listen to Saddam Hussein yeah he's

89

00:05:30,510 --> 00:05:25,390

already he's already starting the pan

90

00:05:32,190 --> 00:05:30,520

busy yeah he's highly dirty we can slow

91

00:05:39,570 --> 00:05:32,200

down so that's the most annoying [h__h] in

92

00:05:41,660 --> 00:05:39,580

the world yeah I'm hearing it Marlboro

93

00:05:44,130 --> 00:05:41,670

red and Hennessy habits caught up to him

94

00:05:46,050 --> 00:05:44,140

apparently that's why all your

95

00:05:54,300 --> 00:05:46,060

characters whatever you got to do you

96

00:06:01,170 --> 00:05:54,310

got to take athletic in multiplayer yes

97

00:06:02,550 --> 00:06:01,180

sounds like he's pounding off the female

98

00:06:07,170 --> 00:06:02,560

character worse it sounds like they're

99

00:06:10,110 --> 00:06:07,180

having sex so little rest at the pizza

100

00:06:13,860 --> 00:06:10,120

place up here no it's a deep dish

101
00:06:15,420 --> 00:06:13,870
I don't like deep day [h__h] Chicago deep

102
00:06:18,860 --> 00:06:15,430
taste that is the nastiest [h__h] in the

103
00:06:21,150 --> 00:06:18,870
world it's the worst pizza on earth I

104
00:06:22,740 --> 00:06:21,160
was there have had some there authentic

105
00:06:32,600 --> 00:06:22,750
stuff and it really was not it is not

106
00:06:37,020 --> 00:06:32,610
it's not good I'm gonna go check out the

107
00:06:42,180 --> 00:06:37,030
storage area there's no bathroom I can

108
00:06:48,660 --> 00:06:42,190
hide in you in bathrooms we get problems

109
00:06:50,040 --> 00:06:48,670
good take a piss in RL yeah well I'm

110
00:06:56,780 --> 00:06:50,050
just gonna stand here you watch out for

111
00:07:03,240 --> 00:06:59,310
no he's got like another 15 days before

112
00:07:09,930 --> 00:07:03,250
you can drink again I don't think that's

113
00:07:14,270 --> 00:07:09,940

true I think he's been drinking I've

114

00:07:20,430 --> 00:07:18,150

well he said he had a cocktail on a New

115

00:07:22,290 --> 00:07:20,440

116

00:07:25,089 --> 00:07:22,300

117

00:07:30,999 --> 00:07:25,099

118

00:07:33,460 --> 00:07:31,009

can't be doing this oh my god dude come

123

00:08:03,219 --> 00:07:58,190

on dude

124

00:08:10,629 --> 00:08:03,229

pick the worst time ever it always

125

00:08:23,020 --> 00:08:10,639

126
00:08:24,459 --> 00:08:23,030
[h__h] head every time yeah jeez health

127
00:08:27,939 --> 00:08:24,469

132
00:08:47,889 --> 00:08:40,640

133
00:08:49,810 --> 00:08:47,899

134
00:08:52,569 --> 00:08:49,820

135
00:08:56,290 --> 00:08:52,579
damage there good did you bad is it I

136
00:08:58,740 --> 00:08:56,300

137
00:09:03,400 --> 00:08:58,750
