2  
00:00:12,980 --> 00:00:09,590

6  
00:00:29,900 --> 00:00:27,869  
he's security you have got to take

7  
00:00:35,380 --> 00:00:29,910  
analytic I won't have one character so

8  
00:00:37,819 --> 00:00:35,390

13  
00:01:10,670 --> 00:01:08,340

more rabbits in there later tonight and

14

00:01:16,310 --> 00:01:10,680

then once I finish doing what I'm doing

15

00:01:18,230 --> 00:01:16,320

on the base I'll clean this place up and

16

00:01:20,780 --> 00:01:18,240

we start when i get a blast furnace and

17

00:01:25,880 --> 00:01:20,790

stuff i can start making axes and other

18

00:01:29,149 --> 00:01:25,890

[h\_\_h] and sauce and put it in here we

19

00:01:31,910 --> 00:01:29,159

need arts and mines yeah so then we

20

00:01:33,770 --> 00:01:31,920

could do a video of a sitting here and

21

00:01:36,289 --> 00:01:33,780

we'll let people know to come down and

22

00:01:41,090 --> 00:01:36,299

that's what I'd like to do work a [h\_\_h]

23

00:01:44,749 --> 00:01:41,100

around these parts so sometime this week

24

00:01:47,569 --> 00:01:44,759

we can do it all I'll do the legwork to

25

00:01:56,560 --> 00:01:47,579

get everything up to snuff I can help

26  
00:02:03,859 --> 00:01:59,870

29  
00:02:24,160 --> 00:02:22,400

30  
00:02:27,760 --> 00:02:24,170  
trading post trade rabbits for what

31  
00:02:31,720 --> 00:02:27,770  
what's a rabbit gonna go for I don't

32  
00:02:33,940 --> 00:02:31,730  
know a hand job as something tangible I

33  
00:02:35,830 --> 00:02:33,950  
know I know hand job is tangible but

34  
00:02:39,340 --> 00:02:35,840  
something that we could use what do we

35  
00:02:41,080 --> 00:02:39,350  
really need what's a rabbit work by the

36  
00:02:42,220 --> 00:02:41,090  
time we can [h\_\_\h] and make tools and [h\_\_\h]

37  
00:02:45,670 --> 00:02:42,230  
we don't need anything that's the

38  
00:02:47,740 --> 00:02:45,680

problem yeah we want to keep we want to

39

00:02:50,530 --> 00:02:47,750
