that's annette saddam saddam's dead

39

00:02:30,240 --> 00:02:28,090

inside i did not even hear it in game I

40

00:02:32,700 --> 00:02:30,250

didn't hear the shots in Game I didn't

41

00:02:36,449 --> 00:02:32,710

either you may have make the other

42

00:02:42,720 --> 00:02:36,459

silencers he just rolled up on us and

43

00:02:44,520 --> 00:02:42,730

she'd kill me on sight literally okay

44

00:02:51,540 --> 00:02:44,530

Saddam has an accent get that [h__\h]

45

00:02:54,030 --> 00:02:51,550

axe the hell would Saddam's got an

46

00:02:56,810 --> 00:02:54,040

accent and get that get that axe yeah

47

00:03:01,080 --> 00:02:56,820

i've got an x 2 got a bunch of shoot

48

00:03:02,790 --> 00:03:01,090

[h__\h] are you guys still servicing people

49

00:03:07,530 --> 00:03:02,800

that's the most important thing trying

50

00:03:10,020 --> 00:03:07,540

to yes all rights type and fight at the

51
00:03:14,280 --> 00:03:10,030
same time we have a group of about ten

52
00:03:20,760 --> 00:03:14,290
Zeds on us because that unfortunate

53
00:03:28,900 --> 00:03:24,550
did anybody go out to check her Noah

54
00:03:32,080 --> 00:03:28,910
Asian s kilda read what didn't he yeah

55
00:03:35,440 --> 00:03:32,090
yeah so I'm assuming he got any kind of

56
00:03:37,150 --> 00:03:35,450
loot hopefully whatever kind of shot and

57
00:03:40,840 --> 00:03:37,160
i doubt it he's a noob you might want to

58
00:03:43,030 --> 00:03:40,850
go check yeah I know I'm kind of

59
00:03:47,350 --> 00:03:43,040
surprised I thought that was somebody

60
00:03:50,710 --> 00:03:47,360
with red but uh slowly making my way

61
00:03:52,930 --> 00:03:50,720
back there you want to give away the

62
00:03:54,430 --> 00:03:52,940
coordinates again some people uh know

63
00:03:56,500 --> 00:03:54,440

that we will not be deterred by this

64

00:03:59,410 --> 00:03:56,510

violence and that we are steadfast in a

65

00:04:01,060 --> 00:03:59,420

resolve oh [\h__\h] Saddam's back that's

66

00:04:04,960 --> 00:04:01,070

quick what's something pretty athletic

67

00:04:12,580 --> 00:04:04,970

now Saddam slim down a little bit lawyer

68

00:04:22,450 --> 00:04:12,590

said on come come get an axe it's up

69

00:04:30,340 --> 00:04:28,540

he's running away he scared us a Dom he

70

00:04:34,059 --> 00:04:30,350

said my stuff's behind the counter there

71

00:04:40,480 --> 00:04:34,069

we go perfect the Baghdad yeah two

72

00:04:44,080 --> 00:04:40,490

behind the counter so does someone have

73

00:04:51,420 --> 00:04:44,090

my shotgun we might have picked it over

74

00:04:54,100 --> 00:04:51,430

um who's they anyone that was in there

75

00:05:00,689 --> 00:04:54,110

77

00:05:09,300 --> 00:05:03,229

228

00:16:09,699 --> 00:16:06,170

do to read what happened not that we

229

00:16:11,319 --> 00:16:09,709

never tried to attack us he's a white

233

00:16:32,089 --> 00:16:36,320

234

00:16:45,960 --> 00:16:40,770

here's Norton again he was supposedly

235

00:16:53,760 --> 00:16:45,970

pick out a [h__\h] trailer this is we

236

00:16:57,720 --> 00:16:53,770

known as little LeBron little bro yeah I

237

00:17:01,530 --> 00:16:57,730

can't tell how racist that is but I kind

238

00:17:05,670 --> 00:17:01,540

of feel like how is little LeBron race

239

00:17:07,290 --> 00:17:05,680

knows i do LeBron James America's

240

00:17:10,980 --> 00:17:07,300

greatest basketball player what is that

241

00:17:13,920 --> 00:17:10,990

but it's a [h__h] run downtown I don't

242

00:17:15,809 --> 00:17:13,930

know the straw are there not [h__h]

243

00:17:17,939 --> 00:17:15,819

run downtown's besides Louisville in

244

00:17:20,420 --> 00:17:17,949

Kentucky and why have you been akron

245

00:17:23,910 --> 00:17:20,430

where I bronze from it's not good yeah

246

00:17:26,280 --> 00:17:23,920

Akron sucks yeah most of Kentucky has

247

00:17:29,670 --> 00:17:26,290

run down yeah exactly let's keep that

248

00:17:36,800 --> 00:17:29,680

door shut pick up the hammer start

249

00:17:45,990 --> 00:17:40,260

found a portable mining machine they're

250

00:17:47,430 --> 00:17:46,000

really not worth anything they are if

251
00:17:51,900 --> 00:17:47,440
you don't have a mind but they're still

252
00:17:54,390 --> 00:17:51,910
kind of the pan pick up a hammer start

253
00:17:56,850 --> 00:17:54,400
building these guys don't really want to

254
00:18:01,530 --> 00:17:56,860
work for all we did was start a welfare

255
00:18:03,240 --> 00:18:01,540
program obviously yeah that's why you

256
00:18:05,010 --> 00:18:03,250
were taken out phenom because nobody

257
00:18:09,290 --> 00:18:05,020
feared you anymore you're absolutely

258
00:18:11,790 --> 00:18:09,300
right we've gotten too soft you're right

259
00:18:13,230 --> 00:18:11,800
you're absolutely right people don't

260
00:18:14,430 --> 00:18:13,240
like us when we're evil then all of a

261
00:18:16,590 --> 00:18:14,440
sudden once we start giving away stuff

262
00:18:17,760 --> 00:18:16,600
they they think we're too soft and

263
00:18:20,490 --> 00:18:17,770

didn't want to work for themselves

264

00:18:24,660 --> 00:18:20,500

anymore I just don't get it you can't

265

00:18:30,150 --> 00:18:24,670

please everybody I don't know who left

266

00:18:31,350 --> 00:18:30,160

us note which is say gone mm-hmm I had

267

00:18:32,670 --> 00:18:31,360

to leave you were taking a while I

268

00:18:37,530 --> 00:18:32,680

should have the place up and running

269

00:18:40,590 --> 00:18:37,540

when you get back no name um I could be

270

00:18:47,460 --> 00:18:40,600

Norton no this is when we first set up

271

00:18:47,470 --> 00:18:51,720

Nova's been hanging around a while

272

00:19:01,000 --> 00:18:54,160

that's because I think he likes you

273

00:19:05,680 --> 00:19:01,010

think years dr. a little twinkle in his

274

00:19:07,450 --> 00:19:05,690

toes the hammer is still in the ground

275

00:19:25,350 --> 00:19:07,460

and there's four bottles of water and

276

00:19:35,050 --> 00:19:29,170

[h__\h] start building something

277

00:19:39,520 --> 00:19:35,060

build a guardian statue to me you know

278

00:19:41,380 --> 00:19:39,530

they did in Iraq god damn one set is it
