RedBoid Server | [OPEC] Facti

Rise of the Hordes

EP06

1
00:00:10,430 --> 00:00:08,210
in this episode OPEC is back in Dixie

2
00:00:12,620 --> 00:00:10,440
and we're trying to rebuild our UN

3
00:00:15,049 --> 00:00:12,630
outpost we also head back down to

4
00:00:16,880 --> 00:00:15,059
kaitain bald spot safe house check up on

5
00:00:19,700 --> 00:00:16,890
the guys to make sure everything's going

6
00:00:21,320 --> 00:00:19,710
well things get a little crazy towards

7
00:00:23,840 --> 00:00:21,330
the end of the episode thanks for

8
00:00:27,439 --> 00:00:23,850
watching please like and subscribe doc

9
00:00:33,280 --> 00:00:27,449
you later bye yeah we get reported we

10
00:00:37,700 --> 00:00:35,959
what we do all we did was make a

11
00:00:39,619 --> 00:00:37,710
staircase we could talk to him face to

12
00:00:43,479 --> 00:00:39,629
face like a man we reported to the admin

13
00:00:46,250 --> 00:00:43,489

I was just there their leadership oh

14

00:00:47,840 --> 00:00:46,260

I'll get my know your ship were they

15

00:00:49,580 --> 00:00:47,850

gonna do hey well if we wanted the wheel

16

00:00:56,360 --> 00:00:49,590

and deal or no longer going to lead us

17

00:00:57,680 --> 00:00:56,370

yes we have to move in next door I think

18

00:01:00,049 --> 00:00:57,690

we're going to have to I think we're

19

00:01:03,830 --> 00:01:00,059

just want to kill the fires nor let's

20

00:01:05,750 --> 00:01:03,840

give er muldrow base I'm completely okay

21

00:01:07,850 --> 00:01:05,760

with it's not a bad it not a bad way to

22

00:01:10,490 --> 00:01:07,860

live you know live right next to the

23

00:01:11,530 --> 00:01:10,500

bigger building and some people are

24

00:01:13,850 --> 00:01:11,540

going to assume that we're going to be

25

00:01:15,230 --> 00:01:13,860

aligned with them which we're not we're

26

00:01:18,109 --> 00:01:15,240

just directly competing with their

27

00:01:21,020 --> 00:01:18,119

business kind of like when coverage

28

00:01:25,429 --> 00:01:21,030

opened up next to a starbucks exactly

29

00:01:29,330 --> 00:01:25,439

thinking we should call that base cup of

30

00:01:31,340 --> 00:01:29,340

joe wait are we the cup of joe are we a

31

00:01:34,149 --> 00:01:31,350

starbucks i work up a joke we're the

32

00:01:37,550 --> 00:01:34,159

underdogs we are yeah oh yeah big time

33

00:01:41,660 --> 00:01:37,560

always see there's no even if we're not

34

00:01:44,120 --> 00:01:41,670

we are you know yeah via you know the

35

00:01:45,859 --> 00:01:44,130

mom and pop store walmart someone make

36

00:01:50,660 --> 00:01:45,869

me mother [h__\h] fire so i can cook

37

00:01:54,350 --> 00:01:50,670

this goddamn animal and go cut man we

38

00:01:58,609 --> 00:01:54,360

get logs there should be do plenty logs

39

00:02:07,790 --> 00:01:58,619

around i'm gonna eat this cow no dad I

40

00:02:13,460 --> 00:02:10,650

well drop this gum under extremely heavy

41

00:02:22,200 --> 00:02:13,470

load I could break my back right now

42

00:02:24,420 --> 00:02:22,210

making play all the sacrifice there's a

43

00:02:31,730 --> 00:02:24,430

fire thing up here Jeff now well

44

00:02:40,080 --> 00:02:34,620

have twigs amia so i can start it all

45

00:02:41,610 --> 00:02:40,090

right here I'm done at the fire well the

46

00:02:43,020 --> 00:02:41,620

problem is that the fire is pretty far

47

00:02:45,840 --> 00:02:43,030

away have to carry this [h__h] thing up

48

00:02:49,920 --> 00:02:45,850

there so I'll do it and I was living in

49

00:02:53,850 --> 00:02:49,930

the trailers and Dixie is that whoever

50

00:02:56,730 --> 00:02:53,860

that Slovak dude is a Slovak slow

51
00:02:59,220 --> 00:02:56,740
backspace oh oh yeah I caught him I I

52
00:03:04,490 --> 00:02:59,230
saw him around we're in Dixie is he

53
00:03:07,160 --> 00:03:04,500
living in that shitty [h__h] uh trailer

54
00:03:10,050 --> 00:03:07,170
the one with the three things around it

55
00:03:13,800 --> 00:03:10,060
mm-hmm the it's just a single trailer

56
00:03:16,020 --> 00:03:13,810
with walls around it shitty walls well

57
00:03:19,080 --> 00:03:16,030
there's kind of like this compound

58
00:03:23,009 --> 00:03:19,090
looking it there are two trailers with

59
00:03:25,170 --> 00:03:23,019
walls between them yeah I think that's

60
00:03:29,940 --> 00:03:25,180
it yo son you got a dead rabbit I can

61
00:03:31,410 --> 00:03:29,950
eat man ya gots dumb voice it up your

62
00:03:36,990 --> 00:03:31,420
cousin for here yet here's your [h__h]

63
00:03:40,410 --> 00:03:37,000

rabbit come on man a little bit like a

64

00:03:42,060 --> 00:03:40,420

butcher's ride it was that do kill some

65

00:03:45,270 --> 00:03:42,070

I mean it's already cooked so you're

66

00:03:47,400 --> 00:03:45,280

good there but if there's any benefit to

67

00:03:53,699 --> 00:03:47,410

look you're already cook rabbit on well

68

00:03:56,210 --> 00:03:53,709

for skins but we don't need them you

69

00:03:59,670 --> 00:03:56,220

keep Saddam one trick and he goes crazy

70

00:04:03,800 --> 00:03:59,680

whoa what's getting people come on come

71

00:04:08,790 --> 00:04:06,210

still keeping up on my cooking duties oh

72

00:04:10,620 --> 00:04:08,800

you it's you leaving these bodies around

73

00:04:13,770 --> 00:04:10,630

yeah I'll make I'm marking oh [\h__\h]

74

00:04:17,910 --> 00:04:13,780

there's a huge horde up north or they'll

75

00:04:25,170 --> 00:04:17,920

go up their West don't lead them down

76

00:04:30,420 --> 00:04:25,180

here but I want to ok and run through

77

00:04:32,040 --> 00:04:30,430

the fire ah good I'm trying to see I'm

78

00:04:34,770 --> 00:04:32,050

thinking about getting on the roof and

79

00:04:36,480 --> 00:04:34,780

try to hit him with the slingshot as

80

00:04:41,550 --> 00:04:36,490

long as it's not near where we're

81

00:04:45,120 --> 00:04:41,560

building that'd be great I think the

82

00:04:46,260 --> 00:04:45,130

roof is near where we're building yeah

83

00:04:49,050 --> 00:04:46,270

it's pretty much I'm on the other side

84

00:04:54,990 --> 00:04:49,060

though I can't reach them from this

85

00:04:57,180 --> 00:04:55,000

distance I'll just not be an [h__\h] the

86

00:05:05,250 --> 00:04:57,190

other way well generally it's just not

87

00:05:07,410 --> 00:05:05,260

good to have a horde of zombies speaking

88

00:05:26,210 --> 00:05:07,420

the [h__\h] who the [h__\h] well there's

89

00:05:31,460 --> 00:05:28,700

is there anything I can do with Rahl

90

00:05:32,660 --> 00:05:31,470

skins of humans you should be able to

91

00:05:35,390 --> 00:05:32,670

use them like leather and dry them out

92

00:05:36,890 --> 00:05:35,400

but firm like Buffalo Bill yeah yeah you

93

00:05:39,560 --> 00:05:36,900

I don't think you do that he masturbate

94

00:05:41,660 --> 00:05:39,570

with them I could masturbate but wasn't

95

00:05:46,400 --> 00:05:41,670

really planning on that make some boots

96

00:05:50,120 --> 00:05:46,410

out of them well after we get this then

97

00:05:55,610 --> 00:05:50,130

I said we pay early afternoon visit back

98

00:05:57,800 --> 00:05:55,620

to kaitain bald spots a base I wouldn't

99

00:05:59,150 --> 00:05:57,810

mind Doug paying a visit in fact we

100

00:06:01,040 --> 00:05:59,160

should go back there with our building

101
00:06:05,170 --> 00:06:01,050
supplies and make a base ourselves right

102
00:06:11,180 --> 00:06:05,180
next to it we're doing a podcast at four

103
00:06:14,230 --> 00:06:11,190
FYI okay according to Joe so I can you

104
00:06:17,240 --> 00:06:14,240
should hop on Zomboid I don't know agree

105
00:06:20,630 --> 00:06:17,250
he's uh I don't I don't know if he likes

106
00:06:32,240 --> 00:06:20,640
it that much but what's wrong with him

107
00:06:34,550 --> 00:06:32,250
he's gay there's actually like it's his

108
00:06:36,080 --> 00:06:34,560
pride playing star wars battlefront you

109
00:06:42,490 --> 00:06:36,090
know I know I was more into first person

110
00:06:46,310 --> 00:06:42,500
games I'll go fine track down turtles

111
00:06:48,170 --> 00:06:46,320
turtles perfect Patsy yeah he's

112
00:06:51,080 --> 00:06:48,180
Christian now and I don't know if you

113
00:06:52,880 --> 00:06:51,090

don't believe him I do not believe him

114

00:06:56,030 --> 00:06:52,890

at all how does that affect him playing

115

00:07:01,100 --> 00:06:56,040

Zomboid I think it's just the content of

116

00:07:04,540 --> 00:07:01,110

it and how and what we do what kill

117

00:07:07,340 --> 00:07:04,550

zombies email Christians are sometimes

118

00:07:09,260 --> 00:07:07,350

that's enough I suppose so that's a

119

00:07:11,180 --> 00:07:09,270

devil's game I can't be a part of that

120

00:07:12,380 --> 00:07:11,190

what what games does he play that I

121

00:07:14,690 --> 00:07:12,390

don't know if he does I'll play games

122

00:07:17,390 --> 00:07:14,700

anymore he plays magic the gathering oh

123

00:07:18,950 --> 00:07:17,400

that's even worse she's but he's been a

124

00:07:22,340 --> 00:07:18,960

longtime listener of our podcast for

125

00:07:23,810 --> 00:07:22,350

like almost seven years and we've talked

126

00:07:25,280 --> 00:07:23,820

to him for over seven years then all the

127

00:07:27,350 --> 00:07:25,290

day all of a sudden one day he calls up

128

00:07:29,330 --> 00:07:27,360

he's like hey guys I'm Christian moving

129

00:07:34,219 --> 00:07:29,340

to Vegas like doesn't make no sense at

130

00:07:35,900 --> 00:07:34,229

all yeah you went to the city of sin did

131

00:07:37,790 --> 00:07:35,910

he get it are you sure you didn't get

132

00:07:39,290 --> 00:07:37,800

involved with the cult or something like

133

00:07:41,330 --> 00:07:39,300

maybe

134

00:07:43,279 --> 00:07:41,340

buddina some girl or something yeah oh

135

00:07:45,020 --> 00:07:43,289

yeah same thing we thought his

136

00:07:47,659 --> 00:07:45,030

girlfriend broke up with them hence his

137

00:07:50,749 --> 00:07:47,669

conversion to Christianity but I don't

138

00:07:52,820 --> 00:07:50,759

know he's a weird dude no that's that's

139

00:07:58,360 --> 00:07:52,830

the time you should jump on the dark

140

00:08:02,119 --> 00:08:00,680

it was so funny is like all right you

141

00:08:05,450 --> 00:08:02,129

can't come in all right well moving next

142

00:08:07,969 --> 00:08:05,460

door is fine it's not there's absolutely

143

00:08:10,700 --> 00:08:07,979

nothing he could have said or done but

144

00:08:13,129 --> 00:08:10,710

he could let us in um well he could have

145

00:08:14,390 --> 00:08:13,139

rolled up looking here 10 and just tried

146

00:08:16,879 --> 00:08:14,400

shooting at us and that would have

147

00:08:18,640 --> 00:08:16,889

probably gotten us away but you had

148

00:08:22,420 --> 00:08:18,650

every right to do that at that point

149

00:08:28,790 --> 00:08:22,430

yeah you probably probably should have

150

00:08:30,800 --> 00:08:28,800

yeah live and learn and on the chat

151
00:08:33,050 --> 00:08:30,810
earlier there were 50 pick members at

152
00:08:36,500 --> 00:08:33,060
our walls like well there's actually

153
00:08:40,339 --> 00:08:36,510
aren't five people on OPEC yeah we're

154
00:08:49,699 --> 00:08:40,349
being who else's needs to patsys at that

155
00:08:57,629 --> 00:08:52,290
not everyone from the 1940s they may not

156
00:09:01,319 --> 00:08:57,639
have known what patchy man we don't need

157
00:09:03,569 --> 00:09:01,329
an auger Dewey mm-hmm now I got more

158
00:09:05,420 --> 00:09:03,579
augers and I know what to do with okay I

159
00:09:07,679 --> 00:09:05,430
didn't know if they were real or not

160
00:09:10,949 --> 00:09:07,689
they're pretty rare I mean if you want

161
00:09:23,069 --> 00:09:10,959
to use it to trade to somebody you auger

162
00:09:30,700 --> 00:09:23,079
sell it oh I'm sorry got some suds up

163
00:09:30,710 --> 00:09:43,470

dam dam sir run bit

164

00:09:48,449 --> 00:09:46,379

here we are we're here left of you guys

165

00:09:54,030 --> 00:09:48,459

we're in ur base here I'm in the

166

00:09:57,810 --> 00:09:54,040

southwest corner okay coming around the

167

00:10:03,150 --> 00:09:57,820

back around yeah I you guys us in the

168

00:10:09,269 --> 00:10:03,160

zombie horde out there oh I see some

169

00:10:22,249 --> 00:10:09,279

people in there is a butt naked your

170

00:10:44,660 --> 00:10:26,659

am i coming in there for I don't trust

171

00:10:49,010 --> 00:10:46,250

I don't know what the devil you guys are

172

00:10:50,960 --> 00:10:49,020

talking about in there that's because

173

00:10:56,670 --> 00:10:50,970

you're our negotiator talking about the

174

00:11:05,310 --> 00:10:59,880

there's Excalibur Jack spittle over here

175

00:11:07,800 --> 00:11:05,320

i I just inadvertently led a horde over

176

00:11:14,130 --> 00:11:07,810

to one of their doors so that'll kind of

177

00:11:16,079 --> 00:11:14,140

keep them distracted good good job that

178

00:11:17,579 --> 00:11:16,089

words coming around the the perimeter of

179

00:11:22,889 --> 00:11:17,589

the base be careful is one on the ground

180

00:11:26,639 --> 00:11:22,899

there but held the [h__\h] what I just

181

00:11:31,860 --> 00:11:26,649

fractured my leg again they fall out the

182

00:11:34,530 --> 00:11:31,870

window no I apparently was not can

183

00:11:35,610 --> 00:11:34,540

somebody plenty I'm running around

184

00:11:40,110 --> 00:11:35,620

outside the base only one I could

185

00:11:44,820 --> 00:11:40,120

probably do that as a clown baby yeah

186

00:11:46,470 --> 00:11:44,830

let me take a look god damn so when they

187

00:11:47,639 --> 00:11:46,480

got shitty ropes like that you got a

188

00:11:53,769 --> 00:11:47,649

right click and make sure you're on the

189

00:12:01,480 --> 00:11:58,869

we gotta get us um buddy twigs out here

190

00:12:07,059 --> 00:12:01,490

probably should be all I need is a plane

191

00:12:08,530 --> 00:12:07,069

leftover lumber from yesterday nope they

192

00:12:11,799 --> 00:12:08,540

clean that [\h__\h] bout that there we go

193

00:12:15,999 --> 00:12:11,809

here's a blank so what are these people

194

00:12:18,730 --> 00:12:16,009

say I don't know your brother's been

195

00:12:21,189 --> 00:12:18,740

talking to him didn't look like they

196

00:12:23,920 --> 00:12:21,199

knew anything not much I don't know [\h__\h]

197

00:12:28,090 --> 00:12:23,930

about four on I'm gonna give him some

198

00:12:32,439 --> 00:12:28,100

[\h__\h] to build a blast furnace are we get

199

00:12:33,579 --> 00:12:32,449

lonely enemies with them mathurin sure

200

00:12:44,019 --> 00:12:33,589

but not these people these are the

201
00:12:46,569 --> 00:12:44,029
people were harassing less killing and

202
00:12:51,129 --> 00:12:46,579
destroying and harassing this crew would

203
00:12:53,199 --> 00:12:51,139
not help Oh back standing no no oh damn

204
00:13:01,530 --> 00:12:53,209
i need that butcher and emmy clear to

205
00:13:06,009 --> 00:13:01,540
remove heads Zeds bound but nikki move

206
00:13:08,829 --> 00:13:06,019
trip home off you what's the [h__h]

207
00:13:17,170 --> 00:13:08,839
expert combat better near that would be

208
00:13:22,600 --> 00:13:17,180
me God knows he's hot behind you I'm

209
00:13:24,340 --> 00:13:22,610
coming up the support oh wow a lot of

210
00:13:41,999 --> 00:13:24,350
[h__h] I wouldn't recommend taking this

211
00:13:50,410 --> 00:13:46,269
take him down you [h__h] I mean where

212
00:13:51,850 --> 00:13:50,420
do you weigh ting for my moment yeah I

213
00:13:59,699 --> 00:13:51,860

was swinging at him and then [\h__\h]

214

00:14:04,780 --> 00:13:59,709

clown baby got my way Jesus Christ oh

215

00:14:07,540 --> 00:14:04,790

[\h__\h] damn oh wow we got to get out of

216

00:14:10,540 --> 00:14:07,550

here down the street awesome zombies

217

00:14:17,800 --> 00:14:10,550

holy [\h__\h] down the street too weak we

218

00:14:20,139 --> 00:14:17,810

gotta go how many automatic weapons is

219

00:14:21,730 --> 00:14:20,149

not going to work no this is gonna be

220

00:14:28,660 --> 00:14:21,740

bad we might be able to lead away to the

221

00:14:47,510 --> 00:14:28,670

way to way from the base for them yeah

222

00:14:56,730 --> 00:14:51,590

holy [\h__\h] a lot more than we thought

223

00:15:01,980 --> 00:14:56,740

yeah there are a lot of cords running

224

00:15:05,310 --> 00:15:01,990

around yeah oh [\h__\h] careful behind us

225

00:15:08,250 --> 00:15:05,320

the guns you to south to the south I'm

226

00:15:13,680 --> 00:15:08,260

right next to this guy 33 into the south

227

00:15:15,080 --> 00:15:13,690

we got the convergence of zombies 2

228

00:15:17,700 --> 00:15:15,090

different zombie hordes come together

229

00:15:22,080 --> 00:15:17,710

one from the Northeast one from the

230

00:15:24,480 --> 00:15:22,090

south or north west and south [h__h] were

231

00:15:35,680 --> 00:15:24,490

coming down they're coming from all we

232

00:15:38,590 --> 00:15:37,450

I think the server recognize there are

233

00:15:41,590 --> 00:15:38,600

too many people hanging out together

234

00:15:49,550 --> 00:15:41,600

name or the admins put it in chumming it

235

00:16:05,630 --> 00:15:55,570

I guess we leave them down this way yeah

236

00:16:08,810 --> 00:16:07,340

we could pull them south I don't want to

237

00:16:10,700 --> 00:16:08,820

I don't want to bring them anywhere

238

00:16:14,240 --> 00:16:10,710

close to where we would even consider

239

00:16:19,400 --> 00:16:14,250

going into the woods and they're coming

240

00:16:22,010 --> 00:16:19,410

from all over what's that South come

241

00:16:30,200 --> 00:16:22,020

with me I'm gonna for Jen's get for

242

00:16:34,430 --> 00:16:30,210

Jones [h__h] whoa okay we got we have your

243

00:16:36,500 --> 00:16:34,440

hotel we gotta do it man mmm we gotta go

244

00:16:42,770 --> 00:16:36,510

we have to go around way too hot we

245

00:16:44,450 --> 00:16:42,780

can't go north this is high here like

246

00:16:47,660 --> 00:16:44,460

geez that's trailer doesn't look too bad

247

00:16:52,010 --> 00:16:47,670

yeah this tray looks great he'll never

248

00:16:54,170 --> 00:16:52,020

get in here I'll just pull the [h__h] out

249

00:16:57,970 --> 00:16:54,180

of them south yeah let's just keep

250

00:16:59,870 --> 00:16:57,980

pulling south we can do this block

251
00:17:05,390 --> 00:16:59,880
actually coming through the woods right

252
00:17:08,180 --> 00:17:05,400
here yep oh nevermind oh boy oh [\h__\h] out

253
00:17:13,579 --> 00:17:08,190
the southeast that's towards railroad

254
00:17:16,610 --> 00:17:13,589
tracks yes you gotta go though [\h__\h] it's

255
00:17:19,730 --> 00:17:16,620
a we can't we have to there's no other

256
00:17:24,770 --> 00:17:19,740
way there's something here yep there's a

257
00:17:26,840 --> 00:17:24,780
break in the woods oh it's a UH near the

258
00:17:39,510 --> 00:17:26,850
rail yard yep we're had to go ahead with

259
00:17:39,520 --> 00:17:48,630
goddamn

260
00:17:56,980 --> 00:17:55,270
well that was [\h__\h] mess I think we

261
00:18:00,720 --> 00:17:56,990
pulled him away from their base I think

262
00:18:03,160 --> 00:18:00,730
I pull this [\h__\h] ton south well I'm baby

263
00:18:06,250 --> 00:18:03,170

capped off a few shots and I think a

264

00:18:09,760 --> 00:18:06,260

drum at least to the southeast a little

265

00:18:10,690 --> 00:18:09,770

bit but there's a lot around there

266

00:18:22,200 --> 00:18:10,700

they're going to be in some real trouble

267

00:18:27,460 --> 00:18:24,160

hmm

268

00:18:31,820 --> 00:18:27,470

mmm where you boys at the tracks

269

00:18:36,950 --> 00:18:31,830

railroad tracks um abandon way for

270

00:18:45,560 --> 00:18:36,960

ourselves I'm next on going north the

271

00:18:48,110 --> 00:18:45,570

path next to the guerrilla tracks right

272

00:18:52,040 --> 00:18:48,120

to decide what we're going to do we go

273

00:18:56,090 --> 00:18:52,050

through the woods here no where to mole

274

00:19:00,140 --> 00:18:56,100

we gotta get in moulder somehow I'll get

275

00:19:02,750 --> 00:19:00,150

back at the tracks okay I'd rather not

276

00:19:04,520 --> 00:19:02,760

leave the city and be surrounded by

277

00:19:06,020 --> 00:19:04,530

woods on both sides that's not a good

278

00:19:15,140 --> 00:19:06,030

idea actually we can go through a

279

00:19:21,170 --> 00:19:15,150

through here yeah power to the the be

280

00:19:21,180 --> 00:19:26,430

Oh

281

00:19:41,340 --> 00:19:28,630

hey right let's get your breath for a

282

00:19:56,159 --> 00:19:45,480

we're closed court medical I believe

283

00:20:00,119 --> 00:19:57,769

yeah you want to head there real quick

284

00:20:01,739 --> 00:20:00,129

yeah well long enough to log off cuz I

285

00:20:04,409 --> 00:20:01,749

go piss and make some food before we get

286

00:20:06,239 --> 00:20:04,419

in the podcast I agree yeah so let's log

287

00:20:12,109 --> 00:20:06,249

off in Corbin least we know we're at SAT

288

00:20:22,440 --> 00:20:14,669

does the puppini opps sorry let's hit

289

00:20:26,509 --> 00:20:22,450

the [h__\h] yeah it's over here all

290

00:20:31,229 --> 00:20:26,519

right shut that door take off your pants

291

00:20:37,009 --> 00:20:31,239

mm-hmm oh sorry Oh water still works
