no way I wish I saw watching a they go

57
00:03:20,850 --> 00:03:19,120
to the destruction that base is a wise

58
00:03:22,830 --> 00:03:20,860
even look at it yeah we can look at it

59
00:03:26,400 --> 00:03:22,840
somewhere is it here then I think it's

60
00:03:29,400 --> 00:03:26,410
up further it might be one up there's

61
00:03:32,789 --> 00:03:29,410
still a [h__h] huge or dare cuz I Iran

62
00:03:43,860 --> 00:03:32,799
bile it might be nice to wrap it up with

63
00:03:46,130 --> 00:03:43,870

that before during and after [h__h] my

64
00:03:53,920 --> 00:03:46,140
goddamn poncho on me let me double check

65
00:03:53,930 --> 00:04:01,910
so I finally

66
00:04:01,920 --> 00:04:06,440
oh yeah

67
00:04:06,450 --> 00:04:11,480
real wet

68
00:04:16,490 --> 00:04:13,910
damn be better getting out of the cold

69
00:04:20,000 --> 00:04:16,500
where the [h__h] is this place a little

70
00:04:28,350 --> 00:04:20,010
three it's just south of the farm

71
00:04:28,360 --> 00:04:34,279
oh yeah I remember

72
00:04:43,929 --> 00:04:39,709
oh [h__h] okay starting to get hairy runt

73
00:04:53,959 --> 00:04:43,939
do a little drive-by there's our house

74
00:05:03,719 --> 00:04:53,969
is that our house no oh we are gonna go

75
00:05:10,200 --> 00:05:08,939
oh [h__h] I see I'm with you that's not

76
00:05:16,980 --> 00:05:10,210
like it's not good when you go through a

77
00:05:21,550 --> 00:05:16,990
black bar oh [\h__\h] what do we do it it's

78
00:05:21,560 --> 00:05:25,190
Oh No

79
00:05:25,200 --> 00:05:33,600
oh no I can't go that way

80
00:05:50,990 --> 00:05:38,399
oh no man there's a lot of [\h__\h]

81
00:05:51,000 --> 00:06:01,010
damn they annihilated that place yep

82
00:06:07,040 --> 00:06:05,370
or something the good news is this

83
00:06:11,070 --> 00:06:07,050
shouldn't be hard for him to rebuild it

84
00:06:13,230 --> 00:06:11,080
there's just a lot of log walls I mean

85
00:06:14,880 --> 00:06:13,240
it's paint me ass but it's not beyond

86
00:06:17,820 --> 00:06:14,890
repair yeah but they can build off the

87
00:06:19,680 --> 00:06:17,830
ground so it'll be real quick yeah you

88
00:06:24,210 --> 00:06:19,690

just not even worried about log walls

89

00:06:25,770 --> 00:06:24,220

yeah see like you can like any other pic

90

00:06:35,490 --> 00:06:25,780

[h__h] up I'll give them their first I'll

91

00:06:41,790 --> 00:06:35,500

start them off nothing barely and now

92

00:06:45,210 --> 00:06:41,800

[h__h] I'll kill their first saw me [h__h]

93

00:06:51,860 --> 00:06:45,220

95

00:07:04,780 --> 00:07:14,679

96

00:07:24,009 --> 00:07:18,100

so are we man because I'm just coming in

97

00:07:27,939 --> 00:07:24,019

98

00:07:29,639 --> 00:07:27,949

piece of [h__h] give me somebody goes in

99

00:07:34,749 --> 00:07:29,649

one of these shacks I'm gonna [h__h]

100

00:07:38,679 --> 00:07:34,759

build a wall trap him in there you want

101
00:07:40,629 --> 00:07:38,689
some wood nah it's for your own safety

102
00:07:45,339 --> 00:07:40,639
cuz the obvious doesn't have a weapon if

103
00:08:00,180 --> 00:07:45,349
you stay guy right behind us me oh let

104
00:08:00,190 --> 00:08:21,780

105
00:08:21,790 --> 00:08:42,659
watch the 21 in the middle one

106
00:08:52,990 --> 00:08:45,790
go in the storage cabinet [h__h]

107
00:08:54,490 --> 00:08:53,000
so I can hear you guys go anyone hey

108
00:09:19,720 --> 00:08:54,500
guys you want in that one right in front

109
00:09:46,420 --> 00:09:19,730

110
00:10:08,600 --> 00:09:48,860
he's not talking whiteley I don't know

111
00:10:25,370 --> 00:10:08,610
why they're not talking all right let's

112
00:10:35,820 --> 00:10:32,670
[h__h] i think i'm going to have get some

113
00:10:39,000 --> 00:10:35,830

supplies after butt naked heels and we

114

00:10:43,620 --> 00:10:39,010

need to build a opec embassy somewhere

115

00:10:45,840 --> 00:10:43,630

in the heart of Mulder I I agree we need

116

00:10:49,949 --> 00:10:45,850

to have some sort of embassy there's no

117

00:10:51,480 --> 00:10:49,959

one really to stop us yeah we'll

118

00:10:53,940 --> 00:10:51,490

announce it that we're pretty an embassy

119

00:10:56,370 --> 00:10:53,950

and no one's gonna do anything about it

120

00:10:59,009 --> 00:10:56,380

oh gee is that totally out of the game I

121

00:11:07,410 --> 00:10:59,019

don't know where they are we're running

122

00:11:11,900 --> 00:11:07,420

things for running mole this letter

123

00:11:24,590 --> 00:11:11,910

isn't helping either and holy [h__h] dude

124

00:11:28,710 --> 00:11:24,600

whoa you fire off a shot yeah by kate's

125

00:11:44,240 --> 00:11:28,720

okay I had to go to her now because I'm

126

00:11:44,250 --> 00:11:49,129

I got to go up and around

127

00:11:56,660 --> 00:11:51,199

aren't they read button rebuilding by

128

00:12:00,970 --> 00:11:56,670

kate's well I mean this is such of them

129

00:12:12,789 --> 00:12:00,980

oh I found it I found an interesting

130

00:12:15,829 --> 00:12:12,799

building my pile of crepes damn it

131

00:12:17,509 --> 00:12:15,839

zombies round here to trying to figure

132

00:12:38,319 --> 00:12:17,519

out what which is the best way to go

133

00:13:03,359 --> 00:12:42,819

what the Oh get past them works for the

134

00:13:07,150 --> 00:13:05,679

this could be our first settlers if you

135

00:13:10,530 --> 00:13:07,160

can go there they're in there trying to

136

00:13:16,509 --> 00:13:10,540

rebuild you can tell them about the plan

137

00:13:20,049 --> 00:13:16,519

and they can come build down here okay

138

00:13:27,759 --> 00:13:20,059

dropping Kate's yeah but case is swarmed

139

00:13:29,739 --> 00:13:27,769

right now this place was swarmed I just

140

00:13:31,090 --> 00:13:29,749

pulled them all up towards Kate to the

141

00:13:33,759 --> 00:13:31,100

south they're still creeping and

142

00:13:36,039 --> 00:13:33,769

crawling yeah that's fine I'll deal with

143

00:13:38,889 --> 00:13:36,049

them when I got to deal with them wait

144

00:13:44,139 --> 00:13:38,899

watch it watch it yeah [h__h] and behind

145

00:13:46,090 --> 00:13:44,149

us too there's like 12 behind us [h__h] my

146

00:13:50,439 --> 00:13:46,100

game just [h__h] like that god damn it

147

00:13:51,819 --> 00:13:50,449

come on we can keep pulling them they're

148

00:13:56,160 --> 00:13:51,829

they're gonna keep coming we got it we

149

00:14:00,620 --> 00:13:58,920

there's Dagny ok I got it I have no

150

00:14:04,249 --> 00:14:00,630

choice have to run for it up there I

151

00:14:25,999 --> 00:14:19,669

oh my god holy [\h__\h] oh no no I'm

152

00:14:29,659 --> 00:14:26,009

freezing up just keep running holy [\h__\h]

153

00:14:40,249 --> 00:14:29,669

I see somebody he said he's up [\h__\h]

154

00:14:46,280 --> 00:14:42,590

I'm gonna switch it with my shotgun real

155

00:14:50,659 --> 00:14:46,290

fast fire shot up here and then I'm

156

00:15:16,759 --> 00:14:50,669

gonna book it all right X we go a little

157

00:15:26,809 --> 00:15:16,769

further north yeah they oh [\h__\h] oh my

158

00:15:32,449 --> 00:15:26,819

god the guy said what the [\h__\h] look he

159

00:15:42,939 --> 00:15:32,459

doesn't know we're building he doesn't

160

00:15:45,199 --> 00:15:42,949

understand dude this is a great idea but

161

00:15:46,789 --> 00:15:45,209

may not be a little bit tonight with all

162

00:15:48,859 --> 00:15:46,799

these goddamn zombies we're gonna need

163

00:15:52,179 --> 00:15:48,869

more people and it's gonna have to be

164

00:16:01,340 --> 00:15:52,189

coordinated effort this is too many

165

00:16:02,809 --> 00:16:01,350

they'll spread out oh my god I need a

166

00:16:04,569 --> 00:16:02,819

[h__h] radio or a noise maker or

167

00:16:08,949 --> 00:16:04,579

something yeah

168

00:16:11,769 --> 00:16:08,959

hey Kate's and bald Bali's out of

169

00:16:15,429 --> 00:16:11,779

[h__h] control and out of control

170

00:16:17,769 --> 00:16:15,439

mm-hmm I want to go up there and see it

171

00:16:23,049 --> 00:16:17,779

again it's just so insane where are you

172

00:16:25,170 --> 00:16:23,059

to the southwest behind a house its kind

173

00:16:33,370 --> 00:16:25,180

of showing out

174

00:16:39,440 --> 00:16:36,020

still inside the the embassy compound

175

00:16:41,210 --> 00:16:39,450

area i'm at kate's watching their

176

00:16:56,840 --> 00:16:41,220

[h__h] wall just get eaten all right I

177

00:17:14,270 --> 00:16:56,850

180

00:17:27,559 --> 00:17:40,600

this is unsustainable

181

00:17:48,980 --> 00:17:43,669

Shh but naked you moving yeah barely

182

00:17:51,500 --> 00:17:48,990

okay need to retreat hmm I don't want to

183

00:18:00,549 --> 00:17:51,510

draw any further north you know I'm

184
