38

00:02:55,030 --> 00:02:51,440

adding some flags add fuel I think four

39

00:02:58,479 --> 00:02:55,040

planks will do it actually I had more

40

00:03:03,729 --> 00:02:58,489

planks that's two planks Oh firestarter

41

00:03:06,099 --> 00:03:03,739

43

00:03:16,150 --> 00:03:08,840

fire next see you got planks right there

44

00:03:18,250 --> 00:03:16,160

in front of anyone I think Cartman is

45

00:03:27,910 --> 00:03:18,260

burning to the ground oh there's a fire

46

00:03:29,710 --> 00:03:27,920

raging upstairs oh me oh no oh my yeah

47

00:03:37,599 --> 00:03:29,720

there's a fire upstairs too we [h__h] up

48

00:03:38,620 --> 00:03:37,609

real bad whoops oh em I'm pretty sure

49

00:03:42,300 --> 00:03:38,630

it's burning up stair if you come

50

00:03:46,059 --> 00:03:42,310

outside there see from outside he is oh

51
00:03:49,470 --> 00:03:46,069
boy that was successful that worked out

52
00:03:59,039 --> 00:03:51,360
all right I feel pretty good about that

53
00:04:03,180 --> 00:03:59,049
one you see him oh yeah yeah and only

54
00:04:05,820 --> 00:04:03,190
medium rare right now let go yeah like

55
00:04:08,280 --> 00:04:05,830

57
00:04:12,330 --> 00:04:10,239
fire starting on the top of this place

58
00:04:15,119 --> 00:04:12,340
on the roof wow wow this is this is a

59
00:04:20,659 --> 00:04:15,129
wild success and unexpected what do the

60
00:04:24,240 --> 00:04:20,669
inside looks like take a peek huh oh wow

61
00:04:25,980 --> 00:04:24,250
this fire jumped in unpredictable ways

62
00:04:28,529 --> 00:04:25,990
it's totally burning down the outside of

63
00:04:30,600 --> 00:04:28,539

the structure oh yeah oh man it's

64

00:04:33,840 --> 00:04:30,610

already on the outside yeah this is a

65

00:04:36,620 --> 00:04:33,850

good sign you know what I think was

66

00:04:38,879 --> 00:04:36,630

really inhibiting us was the the rain

67

00:04:47,550 --> 00:04:38,889

yeah what would you they place it like

68

00:04:52,050 --> 00:04:47,560

oh man look at the other place wow this

69

00:04:55,830 --> 00:04:52,060

is great Allah has blessed us with he

70

00:05:05,120 --> 00:04:55,840

would dry weather oh man that place is

71

00:05:09,839 --> 00:05:05,130

really going up how about back here yep

72

00:05:12,690 --> 00:05:09,849

00 cattle gunpowder's don't know if

73

00:05:18,000 --> 00:05:12,700

that's gonna do anything but get the

74

00:05:20,070 --> 00:05:18,010

chicken or fire yeah join might just

75

00:05:26,790 --> 00:05:20,080

have to kill this guy man I don't beat

76

00:05:42,400 --> 00:05:26,800

what's one if only I had boards you

77

00:06:11,000 --> 00:06:05,180

it's natural order of things Ricky an

78

00:06:33,560 --> 00:06:11,010

original kit still here nice fires not

79

00:06:43,340 --> 00:06:33,570

80

00:06:47,360 --> 00:06:43,350

second fire got any fuel to dump on that

81

00:07:03,970 --> 00:06:47,370

I don't know actually these broken plank

82

00:07:33,950 --> 00:07:06,530

tell me go kill three people make up a

83

00:07:46,610 --> 00:07:36,810

84

00:07:50,100 --> 00:07:46,620

now nice you can surprise closed door

85

00:08:00,840 --> 00:07:50,110

86

00:08:04,469 --> 00:08:00,850

it's pretty nice real nice he ran off no

87

00:08:13,159 --> 00:08:04,479

just down there Ricky Ricardo actually

88

00:08:19,110 --> 00:08:16,920

they're still cooking no spread

89

00:08:27,439 --> 00:08:19,120

90

00:08:39,269 --> 00:08:27,449

94

00:09:01,199 --> 00:08:58,959

I'm going PvP little Sam's a danger to

95

00:09:10,590 --> 00:09:01,209

our community in our way of life I'll

96

00:09:20,639 --> 00:09:17,639

I hear him in there wonder if he knows

97

00:09:36,600 --> 00:09:20,649

it downstairs is on fire you face us or

98

00:09:45,170 --> 00:09:36,610

99

00:10:05,340 --> 00:09:45,180

bastard you can make sure you didn't put

104

00:10:46,090 --> 00:10:42,890

out the fire yeah nope it's still going

105

00:10:49,180 --> 00:10:46,100

oh good listen there's a hard reset

106

00:10:51,910 --> 00:10:49,190

tomorrow man if he can happen what do

107

00:10:55,390 --> 00:10:51,920

you have on anything precious just

108

00:10:56,860 --> 00:10:55,400

medical supplies how they're coming in

109

00:10:58,660 --> 00:10:56,870

the zombies are coming in hey you want

110

00:11:07,660 --> 00:10:58,670

to start a fire and the zombies walk

111

00:11:20,860 --> 00:11:07,670

through it good yeah I new kid I could

112

00:11:25,390 --> 00:11:20,870

grab one never grab one just take out my

113

00:11:32,870 --> 00:11:27,110

careful they're coming in there towards

114

00:11:46,900 --> 00:11:32,880

you but you fall back behind me I'll

115

00:11:46,910 --> 00:11:51,330

get up with some flex my mother [h__h]

116

00:11:51,340 --> 00:12:15,840

I'll look her fuel raised on fire

117

00:12:29,560 --> 00:12:27,460

they're streaming in America planks come

118

00:12:31,810 --> 00:12:29,570

again you bastards

119

00:12:35,530 --> 00:12:31,820

we've been working fires look and feel

120

00:12:39,790 --> 00:12:35,540

I'm sure I'm trying to I mean it's out

121

00:12:46,420 --> 00:12:39,800

[h__h] not your chance and uses they're

122

00:12:48,790 --> 00:12:46,430

coming after you bad news is amount of

123

00:13:02,040 --> 00:12:48,800

bullets might have to go to the police

124

00:13:12,160 --> 00:13:02,050

station oh actually it isn't both left

125

00:13:22,780 --> 00:13:12,170

up what's this no right some zombies are

126
00:13:22,790 --> 00:13:38,100
how nice there we go that's what we want

127
00:14:29,390 --> 00:14:02,950
that's what we're looking for it's nice

128
00:14:29,400 --> 00:14:47,270
nology try to bring into the forest Oh

129
00:14:59,610 --> 00:14:54,060
yet spreadin oh yeah it's great up

130
00:15:04,860 --> 00:14:59,620
through here it's really the cash and

131
00:15:12,060 --> 00:15:04,870
[h__h] on fire at least are they still on

132
00:15:16,699 --> 00:15:12,070
fire oh yeah yeah that's really nice

133
00:15:26,850 --> 00:15:25,949
I'm really happy with that no and

134
00:15:29,879 --> 00:15:26,860
they're going right through the fire

135
00:15:32,189 --> 00:15:29,889
again that's just fantastic no we could

136
00:15:33,480 --> 00:15:32,199
do is if we got enough of them light

137
00:15:35,160 --> 00:15:33,490
them on fire through a fire like that

138
00:15:36,540 --> 00:15:35,170

and then just having cheats was going to

139

00:15:38,280 --> 00:15:36,550

a house and was leave out the back and

140

00:15:40,829 --> 00:15:38,290

then walk through it that's what we

141

00:15:44,280 --> 00:15:40,839

should do heirloom down here already on

142

00:15:50,970 --> 00:15:44,290

fire moving done this how sweet the

143

00:15:51,989 --> 00:15:50,980

Louis that's already you stick him in

144

00:16:05,520 --> 00:15:51,999

the carbon medical go out the back

145

00:16:11,740 --> 00:16:08,920

who might not be the best idea go in

146

00:16:18,190 --> 00:16:11,750

there oh yeah it's raging fire hose a

147

00:16:42,240 --> 00:16:18,200

bad can't going back take a look oh yeah

148

00:16:52,190 --> 00:16:47,290

got sick of them behind it signed us got

149

00:17:05,650 --> 00:16:55,460

there's two yep and rain these are all

150

00:17:10,120 --> 00:17:05,660

the og alts aren't they yep they got you

151

00:17:12,380 --> 00:17:10,130

yeah real fast I died like in a second

152

00:17:14,390 --> 00:17:12,390

Wow cuz I thought you're firing for a

153

00:17:16,430 --> 00:17:14,400

while I did I flourish for a long ass

154

00:17:23,860 --> 00:17:16,440

time but seems rien popped up Iran try

155

00:17:26,660 --> 00:17:23,870

and go but uh so they couldn't even use

156

00:17:28,310 --> 00:17:26,670

their hurt any of OG people there who's

157

00:17:32,800 --> 00:17:28,320

this rain his new GL and there are some

158

00:17:35,900 --> 00:17:32,810

Rangers the Crimson gone [h__h] yep

159

00:17:40,910 --> 00:17:35,910

where's worse the og war what happened

160

00:17:48,260 --> 00:17:40,920

to the og war I just want to be gay

161

00:17:53,240 --> 00:17:51,560

I had to hit that blunt person from I

162

00:17:58,670 --> 00:17:53,250

opened I don't know that must have shot

163

00:18:00,500 --> 00:17:58,680

like 17 times Adam uh yeah that's it we

164

00:18:03,070 --> 00:18:00,510

went out in a blaze of glory that's a

165

00:18:05,090 --> 00:18:03,080

very every thing we wanted to happen

166

00:18:07,490 --> 00:18:05,100

everything's well the fires are still

167

00:18:09,500 --> 00:18:07,500

raging at least yeah I Konecki I'm still

168

00:18:15,770 --> 00:18:09,510

my corpse that still spreading out I'm

169

00:18:25,779 --> 00:18:15,780

till my corpse two-brains surveying the

170

00:18:42,210 --> 00:18:28,690

and I hear the firestore ranging raging

171

00:18:47,310 --> 00:18:44,190

all right I think that's it for us we

172

00:18:50,610 --> 00:18:47,320

want that up pretty nice and neat yeah

173

00:18:53,490 --> 00:18:50,620

buzz good can go yep fire out you a demo

174

00:18:55,169 --> 00:18:53,500

and then uh ran out of ammo made his

175

00:19:00,899 --> 00:18:55,179

Ombey fire burned down about lunch bunch

176

00:19:03,419 --> 00:19:00,909

of houses and that was that you bet I

177

00:19:04,919 --> 00:19:03,429

didn't have a beef with rain um you

178

00:19:08,669 --> 00:19:04,929

betting on the OG members decided to

179

00:19:13,549 --> 00:19:08,679

show up yeah this Rangers of the Crimson

180
