

MISSING 411

The Voice Mail

1
00:00:04,430 --> 00:00:10,930
some place

2
00:00:18,609 --> 00:00:17,070
excuse me mr. David Politis Pilates I

3
00:00:20,440 --> 00:00:18,619
think's Politis

4
00:00:24,480 --> 00:00:20,450
David plot us of missing for one one

5
00:00:28,960 --> 00:00:24,490
mm-hmm he was on coast to coast am I

6
00:00:32,740 --> 00:00:28,970
believe last Wednesday for a good two

7
00:00:35,440 --> 00:00:32,750
hour interview and you know he talked

8
00:00:37,810 --> 00:00:35,450
about some new and intriguing cases and

9
00:00:41,319 --> 00:00:37,820
just give everyone a little update here

10
00:00:43,600 --> 00:00:41,329
so he did reach out to some remote

11
00:00:45,070 --> 00:00:43,610
viewers to see if they would look into

12
00:00:47,290 --> 00:00:45,080
some of the stuff but the remote viewers

13
00:00:49,480 --> 00:00:47,300

wanted to charge him an arm and a leg

14

00:00:50,860 --> 00:00:49,490

and they also wanted to charge the

15

00:00:52,690 --> 00:00:50,870

families because they he's just an

16

00:00:56,020 --> 00:00:52,700

investigative journalist at this point

17

00:01:00,090 --> 00:00:56,030

it applies so these remote viewers who

18

00:01:02,830 --> 00:01:00,100

would get coordinates and you like

19

00:01:04,689 --> 00:01:02,840

imagine I guess it's hard to explain

20

00:01:07,120 --> 00:01:04,699

what remote viewing actually is you're

21

00:01:09,069 --> 00:01:07,130

just visualizing the events and possibly

22

00:01:12,069 --> 00:01:09,079

the surrounding circumstances around a

23

00:01:14,020 --> 00:01:12,079

person or place or a thing and these

24

00:01:16,899 --> 00:01:14,030

remote viewers wanted to charge an arm

25

00:01:20,980 --> 00:01:16,909

and a leg so he hasn't gone down that

26

00:01:23,649 --> 00:01:20,990

route yet he is open to using psychics

27

00:01:27,700 --> 00:01:23,659

to uncover some of these missing four

28

00:01:31,200 --> 00:01:27,710

one one mysteries and he's done he's

29

00:01:33,700 --> 00:01:31,210

been delving a lot more into urban

30

00:01:37,419 --> 00:01:33,710

disappearances but the one thing I don't

31

00:01:40,270 --> 00:01:37,429

like about coast-to-coast am in general

32

00:01:42,609 --> 00:01:40,280

is that every hour they have to recap

33

00:01:44,169 --> 00:01:42,619

everything so for new listeners they

34

00:01:45,669 --> 00:01:44,179

have to get caught up to speed so they

35

00:01:48,270 --> 00:01:45,679

couldn't it didn't it didn't see that

36

00:01:51,160 --> 00:01:48,280

they could go too deep into anything

37

00:01:54,910 --> 00:01:51,170

because David was constantly happy

38

00:01:58,179 --> 00:01:54,920

having to reiterate everything that or

39

00:01:59,620 --> 00:01:58,189

one one is missing for one is a it was

40

00:02:03,519 --> 00:01:59,630

kind of tedious to listen to at times

41

00:02:05,469 --> 00:02:03,529

but he did bring up one thing that if if

42

00:02:07,989 --> 00:02:05,479

you're if you have a cell phone on on

43

00:02:09,910 --> 00:02:07,999

you you're less likely to be taken if

44

00:02:16,600 --> 00:02:09,920

you're armed you're less likely to be

45

00:02:18,880 --> 00:02:16,610

taken but there is a piece of audio of a

46

00:02:21,250 --> 00:02:18,890

person that was dropped off at a gas

47

00:02:22,600 --> 00:02:21,260

station just to pick up some food and

48

00:02:23,390 --> 00:02:22,610

some snacks and then he's going to walk

49

00:02:25,970 --> 00:02:23,400

home

50

00:02:29,770 --> 00:02:25,980

and on his welcome he dialed his wife

51
00:02:32,990 --> 00:02:29,780
got a voicemail and he disappeared right

52
00:02:37,130 --> 00:02:33,000
then there on the phone and his body was

53
00:02:41,210 --> 00:02:37,140
found six days later in a lake with a

54
00:02:44,690 --> 00:02:41,220
lot of GHB in his system she is at the

55
00:02:47,259 --> 00:02:44,700
that's the drug G as a date-rape drug

56
00:02:51,710 --> 00:02:47,269
it's naturally occurring in your body

57
00:02:53,330 --> 00:02:51,720
but he found a lot of it in his system

58
00:02:56,660 --> 00:02:53,340
and they're and they're finding a lot of

59
00:02:58,789 --> 00:02:56,670
it in other people's system too if he

60
00:03:00,860 --> 00:02:58,799
test for it in the autopsy I'll go I'll

61
00:03:05,119 --> 00:03:00,870
talk about that a little bit uh here's

62
00:03:07,430 --> 00:03:05,129
the actual voice mail that was that this

63
00:03:10,880 --> 00:03:07,440

person this disappeared person left

64

00:03:13,149 --> 00:03:10,890

it's a voicemail unlike anything you've

65

00:03:15,970 --> 00:03:13,159

ever heard before

66

00:03:22,789 --> 00:03:15,980

there are two minutes worth of noises

67

00:03:25,069 --> 00:03:22,799

bizarre was that very little actual

68

00:03:26,990 --> 00:03:25,079

talking authorities confirmed the

69

00:03:29,420 --> 00:03:27,000

disturbing middle of the night call came

70

00:03:32,210 --> 00:03:29,430

from Henry McCabe's cell phone it was

71

00:03:32,690 --> 00:03:32,220

Labor Day September 7th at 228 in the

72

00:03:35,360 --> 00:03:32,700

morning

73

00:03:38,120 --> 00:03:35,370

McCabe's worried wife heard the message

74

00:03:39,949 --> 00:03:38,130

his in my cell phone connected Minnesota

75

00:03:41,960 --> 00:03:39,959

community policing services is a

76

00:03:44,300 --> 00:03:41,970

nonprofit agency and acts as a

77

00:03:46,550 --> 00:03:44,310

go-between with police in the Liberian

78

00:03:48,680 --> 00:03:46,560

community the leader is trying to help

79

00:03:51,440 --> 00:03:48,690

the family make some sense of this

80

00:03:56,059 --> 00:03:51,450

recording happen the growls turn to high

81

00:04:00,379 --> 00:03:56,069

pitch movies Oh like he's moaning in

82

00:04:03,559 --> 00:04:00,389

pain like moaning in pain it's Richard

83

00:04:06,199 --> 00:04:03,569

grace suddenly stop there is silence

84

00:04:08,960 --> 00:04:06,209

then someone either Henry or another

85

00:04:13,369 --> 00:04:08,970

person says stop it I try to picture

86

00:04:17,420 --> 00:04:13,379

where he was what it might have been

87

00:04:19,320 --> 00:04:17,430

like what circumstances would have made

88

00:04:22,090 --> 00:04:19,330

him

89

00:04:24,250 --> 00:04:22,100
sound like that the voicemail is in

90

00:04:26,170 --> 00:04:24,260
stark contrast to other articulate

91

00:04:31,360 --> 00:04:26,180
recordings of McCabe's speaking at an

92

00:04:33,190 --> 00:04:31,370
event he's the state auditor the message

93

00:04:35,410 --> 00:04:33,200
is one piece of evidence Mounds View

94

00:04:38,080 --> 00:04:35,420
Police are reviewing the police chief

95

00:04:40,660 --> 00:04:38,090
tells me even the FBI is analyzing the

96

00:04:42,490 --> 00:04:40,670
recording and voices for clues the chief

97

00:04:47,380 --> 00:04:42,500
says the investigation took deputies

98

00:04:49,000 --> 00:04:47,390
here on Tuesday to Rice Creek Park which

99

00:04:51,220 --> 00:04:49,010
borders New Brighton Mounds View and

100

00:04:53,680 --> 00:04:51,230
Fred Lee all areas where mccabe was

101
00:04:56,230 --> 00:04:53,690
reported seeing or a cellphone ping

102
00:05:02,440 --> 00:04:56,240
placed him Ramsey County water patrol

103
00:05:03,820 --> 00:05:02,450
searched but came up empty so it's kind

104
00:05:08,860 --> 00:05:03,830
of hard to make out some of the audio

105
00:05:11,280 --> 00:05:08,870
but it is kind of inhuman that's yeah

106
00:05:14,800 --> 00:05:11,290
that's like x-files [h__h] right there and

107
00:05:16,900 --> 00:05:14,810
so the the autopsies that have been done

108
00:05:20,980 --> 00:05:16,910
on these missing people and then their

109
00:05:24,970 --> 00:05:20,990
bodies found most autopsies don't they

110
00:05:26,850 --> 00:05:24,980
don't specifically tests for GHB because

111
00:05:29,230 --> 00:05:26,860
it is naturally occurring and it can be

112
00:05:32,320 --> 00:05:29,240
harder to test for is very specific

113
00:05:35,140 --> 00:05:32,330

tests but I think in in this case and

114

00:05:38,800 --> 00:05:35,150

some other cases they do find extremely

115

00:05:41,650 --> 00:05:38,810

high levels of GHB in people's system

116

00:05:45,250 --> 00:05:41,660

this is a date rape bait right date rape

117

00:05:47,620 --> 00:05:45,260

drug that kind of gives you paralysis

118

00:05:49,180 --> 00:05:47,630

your I think your mind is active you're

119

00:05:54,490 --> 00:05:49,190

aware of what's going on around you but

120

00:05:56,830 --> 00:05:54,500

you're unable to move so someone dumped

121

00:05:58,810 --> 00:05:56,840

a lot of GHB in some of these people and

122

00:06:01,120 --> 00:05:58,820

then they threw them in the lake they

123

00:06:04,840 --> 00:06:01,130

threw them in the river to drown while

124

00:06:06,610 --> 00:06:04,850

they're perfectly conscious and awake so

125

00:06:09,940 --> 00:06:06,620

makes it even though they're athletic

126
00:06:11,500 --> 00:06:09,950
and they take good care of themselves

127
00:06:13,180 --> 00:06:11,510
they're unable to swim hence why they

128
00:06:16,780 --> 00:06:13,190
drown um

129
00:06:20,710 --> 00:06:16,790
[h__\h] bizarre [h__\h] even more bizarre

130
00:06:25,060 --> 00:06:20,720
the FBI getting involved in this um when

131
00:06:27,490 --> 00:06:25,070
this is a local man missing um the FBI I

132
00:06:30,010 --> 00:06:27,500
don't think gets involved right away on

133
00:06:32,320 --> 00:06:30,020
cases like this so they're in here

134
00:06:34,330 --> 00:06:32,330
analyzing the audio

135
00:06:35,980 --> 00:06:34,340
oh that guy's story he was just going to

136
00:06:38,200 --> 00:06:35,990
pick up stuff from the store yeah

137
00:06:39,879 --> 00:06:38,210
so when where he could have possibly

138
00:06:43,629 --> 00:06:39,889

been drugs you'd ask me people put in a

139

00:06:47,649 --> 00:06:43,639

drink something like that or whatever

140

00:06:52,240 --> 00:06:47,659

entity is doing this is using GHB to to

141

00:06:53,559 --> 00:06:52,250

make the person uh more malleable so I

142

00:06:57,240 --> 00:06:53,569

think is drag them do whatever they want

143

00:06:59,469 --> 00:06:57,250

with you so maybe is not necessarily

144

00:07:01,029 --> 00:06:59,479

being drugged in the traditional sense

145

00:07:03,369 --> 00:07:01,039

like it's being dropped in your drink

146

00:07:05,770 --> 00:07:03,379

but maybe it's administered very quickly

147

00:07:07,990 --> 00:07:05,780

through an injection in some way yeah

148

00:07:10,540 --> 00:07:08,000

like a blow dart er yeah because to

149

00:07:11,980 --> 00:07:10,550

Jeff's point it's that I thought it had

150

00:07:14,680 --> 00:07:11,990

to be ingested but yeah maybe you can

151
00:07:15,969 --> 00:07:14,690
shoot it into them somehow and we have

152
00:07:18,640 --> 00:07:15,979
to take into account that some some

153
00:07:22,899 --> 00:07:18,650
people that go missing in these 401

154
00:07:25,420 --> 00:07:22,909
cases disappear literally within feet of

155
00:07:27,369 --> 00:07:25,430
other people out of the blue the kids

156
00:07:28,959 --> 00:07:27,379
that just will guy turns around the kids

157
00:07:30,939 --> 00:07:28,969
no longer on the sandbank they're just

158
00:07:33,399 --> 00:07:30,949
gone like they fell through some kind of

159
00:07:35,409 --> 00:07:33,409
hole and then they reemerge have in

160
00:07:38,830 --> 00:07:35,419
these areas that have been searched over

161
00:07:41,709 --> 00:07:38,840
and over again and a lot of these cases

162
00:07:43,450 --> 00:07:41,719
according to David that the autopsy

163
00:07:47,680 --> 00:07:43,460

doesn't test for GHB so this is a

164

00:07:51,129 --> 00:07:47,690

relatively new thing that he's working

165

00:07:52,930 --> 00:07:51,139

on and a lot of these corners aren't in

166

00:07:54,809 --> 00:07:52,940

medical examiner's don't really want to

167

00:07:57,550 --> 00:07:54,819

get involved with this kind of stuff no

168

00:07:59,649 --> 00:07:57,560

it's not paying attention to it at all

169

00:08:00,969 --> 00:07:59,659

if there's any connection to anything at

170

00:08:03,279 --> 00:08:00,979

all they're just like oh this is weird

171

00:08:03,760 --> 00:08:03,289

they don't know the person drowned case

172

00:08:06,700 --> 00:08:03,770

closed

173

00:08:09,309 --> 00:08:06,710

that's it he probably got drunk fell in

174

00:08:12,519 --> 00:08:09,319

the water it got hypothermia or he

175

00:08:13,869 --> 00:08:12,529

drowned and that's that's one of the

176

00:08:16,959 --> 00:08:13,879

things that says though that like a lot

177

00:08:18,909 --> 00:08:16,969

of the the explained will to explain the

178

00:08:21,490 --> 00:08:18,919

way a lot of these deaths like oh now

179

00:08:23,920 --> 00:08:21,500

the woods that help a thermia or they

180

00:08:25,809 --> 00:08:23,930

drown kind of like these natural kind of

181

00:08:28,330 --> 00:08:25,819

things but you would freeze to death if

182

00:08:29,559 --> 00:08:28,340

you have a lot of GHB in your system and

183

00:08:31,809 --> 00:08:29,569

you couldn't [h__\h] move

184

00:08:33,519 --> 00:08:31,819

to keep yourself warm you would drown if

185

00:08:35,469 --> 00:08:33,529

you had a lot of GSB sit in your system

186

00:08:39,909 --> 00:08:35,479

and you couldn't you couldn't swim it

187

00:08:42,399 --> 00:08:39,919

sounds like this GHB is being used as

188

00:08:43,989 --> 00:08:42,409

a cover-up method to kill to kill people

189

00:08:47,259 --> 00:08:43,999

and do whatever they want to do with

190

00:08:49,359 --> 00:08:47,269

them I don't know it's uh it's I

191

00:08:53,319 --> 00:08:49,369

pictured some like some random crazy

192

00:08:56,979 --> 00:08:53,329

dude has some wild animal or you know

193

00:08:59,619 --> 00:08:56,989

that some deformed thing like sick some

194

00:09:02,079 --> 00:08:59,629

like who said stop because the one it

195

00:09:07,419 --> 00:09:02,089

said stop at the end and why who's e2z

196

00:09:10,929 --> 00:09:07,429

tell him to stop yeah um it doesn't

197

00:09:13,179 --> 00:09:10,939

alone this was kind of when I heard the

198

00:09:16,979 --> 00:09:13,189

GHB like it being used as a drug to

199

00:09:21,039 --> 00:09:16,989

pacify people it kind of reminded me of

200

00:09:22,960 --> 00:09:21,049

how the aliens in the movie signs had

201
00:09:25,090 --> 00:09:22,970
that little thing on the wrist that they

202
00:09:26,710 --> 00:09:25,100
have shot that mist into you

203
00:09:30,639 --> 00:09:26,720
yeah shot the mist into somebody to

204
00:09:32,289 --> 00:09:30,649
pacify them and/or kill them and but

205
00:09:33,970 --> 00:09:32,299
that was naturally occurring in their

206
00:09:37,720 --> 00:09:33,980
system like this is some kind of like

207
00:09:43,960 --> 00:09:37,730
them it's a it's a venom that some weird

208
00:09:45,970 --> 00:09:43,970
creature uses to to to to flick upon

209
00:09:48,129 --> 00:09:45,980
their victims but there's no teeth marks

210
00:09:50,829 --> 00:09:48,139
really on these people they drowned so

211
00:09:53,049 --> 00:09:50,839
what's the benefit the other killing are

212
00:09:55,840 --> 00:09:53,059
they being killed for pleasure or for

213
00:09:58,600 --> 00:09:55,850

hunter for sport or for some kind of

214

00:10:01,359 --> 00:09:58,610

experimentation you know what I'm

215

00:10:04,389 --> 00:10:01,369

thinking now about how we had our serial

216

00:10:06,159 --> 00:10:04,399

killer thing for a while you know the

217

00:10:07,900 --> 00:10:06,169

aliens thing at the beginning of the

218

00:10:11,189 --> 00:10:07,910

20th century the serial killer thing

219

00:10:14,350 --> 00:10:11,199

through like what 60 70s 80s and then

220

00:10:17,769 --> 00:10:14,360

what we ended up with what I get school

221

00:10:19,030 --> 00:10:17,779

shootings I think became the thing like

222

00:10:21,939 --> 00:10:19,040

do you think this has become a bigger

223

00:10:24,249 --> 00:10:21,949

trend like mysterious deaths they're not

224

00:10:25,749 --> 00:10:24,259

well it could be if the media hype

225

00:10:28,289 --> 00:10:25,759

didn't they're not they're not they're

226

00:10:31,629 --> 00:10:28,299

not connecting the dots like David is

227

00:10:32,979 --> 00:10:31,639

yeah the FBI is getting involved to

228

00:10:35,409 --> 00:10:32,989

keeping it on the down-low if you

229

00:10:37,269 --> 00:10:35,419

remember we talked about how some of the

230

00:10:38,559 --> 00:10:37,279

investigators some FBI investigators get

231

00:10:40,929 --> 00:10:38,569

the press they didn't follow in the [h__h]

232

00:10:43,809 --> 00:10:40,939

for years they if any of them know the

233

00:10:46,239 --> 00:10:43,819

real answer they're not telling the park

234

00:10:47,379 --> 00:10:46,249

service's are pretty quiet about this

235

00:10:50,139 --> 00:10:47,389

[h__h] they don't want this to get out

236

00:10:52,290 --> 00:10:50,149

this is happening all over the world too

237

00:10:57,560 --> 00:10:52,300

this is not just America it's all

238

00:11:00,270 --> 00:10:57,570

the world people are are contacting uh

239

00:11:02,130 --> 00:11:00,280

David from missing foreign one to report

240

00:11:04,170 --> 00:11:02,140

that their loved ones have gone missing

241

00:11:07,350 --> 00:11:04,180

and he you know he says like maybe

242

00:11:09,660 --> 00:11:07,360

seventy percent of time yet exist it's

243

00:11:11,970 --> 00:11:09,670

explainable this [h__\h] is explainable

244

00:11:13,560 --> 00:11:11,980

there's nothing out of the Orient out of

245

00:11:15,480 --> 00:11:13,570

the ordinary about it

246

00:11:17,070 --> 00:11:15,490

but then he has to delve into some of

247

00:11:20,460 --> 00:11:17,080

these more curious cases and these these

248

00:11:24,180 --> 00:11:20,470

very abnormal cases are enough to pique

249

00:11:26,760 --> 00:11:24,190

the interests them and say this is crazy

250

00:11:28,440 --> 00:11:26,770

paranormal this shouldn't happen why

251

00:11:31,200 --> 00:11:28,450

isn't this getting enough attention it's

252

00:11:34,110 --> 00:11:31,210

not and then you have these voicemails

253

00:11:36,480 --> 00:11:34,120

like this which even fuels the fire of

254

00:11:39,390 --> 00:11:36,490

is this some kind of weird cryptid some

255

00:11:42,420 --> 00:11:39,400

bizarre experiment turn loose on the

256

00:11:45,180 --> 00:11:42,430

world is it Bigfoot is it aliens

257

00:11:46,950 --> 00:11:45,190

you want it to be Bigfoot so bad I want

258

00:11:50,430 --> 00:11:46,960

to be a nilly Bigfoot you know at this

259

00:11:52,230 --> 00:11:50,440

point but perfect but I looked up the

260

00:11:55,410 --> 00:11:52,240

classroom room you remote viewing I

261

00:11:58,530 --> 00:11:55,420

found this uh mcmoneagle Intel intuitive

262

00:12:00,630 --> 00:11:58,540

intelligence applications two hundred

263

00:12:03,750 --> 00:12:00,640

two hundred dollars an hour okay

264

00:12:06,870 --> 00:12:03,760

\$1,500 \$1,500 a day plus expenses

265

00:12:10,080 --> 00:12:06,880

it's not bad and looks like you know

266

00:12:11,670 --> 00:12:10,090

typically to one to one and a half hours

267

00:12:13,800 --> 00:12:11,680

to answer three questions or set up time

268

00:12:17,490 --> 00:12:13,810

remote viewing report generation or

269

00:12:20,340 --> 00:12:17,500

whatever that is I think we could do a

270

00:12:22,290 --> 00:12:20,350

Kickstarter on that a GoFundMe I think

271

00:12:24,120 --> 00:12:22,300

that missing for one is popular enough

272

00:12:27,840 --> 00:12:24,130

that we could generate that kind of

273

00:12:31,530 --> 00:12:27,850

money and pick out a case and ask some

274

00:12:33,690 --> 00:12:31,540

questions yeah or let mold let Politis

275

00:12:35,850 --> 00:12:33,700

do it yeah I mean I reached out to

276

00:12:37,680 --> 00:12:35,860

Politis I said hey do you have a

277

00:12:41,400 --> 00:12:37,690

database you have Excel spreadsheets

278

00:12:46,050 --> 00:12:41,410

that we could take a look at here's my

279

00:12:48,120 --> 00:12:46,060

resume I think if we ran some of these

280

00:12:50,540 --> 00:12:48,130

numbers we could probably glean some new

281

00:12:53,460 --> 00:12:50,550

information or additional patterns by

282

00:12:55,680 --> 00:12:53,470

using like / like predictive analytics

283

00:12:56,850 --> 00:12:55,690

some you know some programming

284

00:12:59,940 --> 00:12:56,860

techniques that I picked up along the

285

00:13:01,620 --> 00:12:59,950

way and he never got back to me I don't

286

00:13:04,380 --> 00:13:01,630

know if he's legally allowed to share

287

00:13:05,730 --> 00:13:04,390

the data he has gotten from Park

288

00:13:07,769 --> 00:13:05,740

Service's but

289

00:13:09,269 --> 00:13:07,779

it'd be great if he did a lot of stuff

290

00:13:11,400 --> 00:13:09,279

that he got was Freedom of Information

291

00:13:12,870 --> 00:13:11,410

Act so I think that should be fine to

292

00:13:17,610 --> 00:13:12,880

share as far as I know I just want a

293

00:13:19,880 --> 00:13:17,620

data mine it and find keywords fine use

294

00:13:22,860 --> 00:13:19,890

the geolocation use the date you like

295

00:13:24,750 --> 00:13:22,870

use this kind of use programming to find

296

00:13:27,930 --> 00:13:24,760

additional patterns that mean you're

297

00:13:29,579 --> 00:13:27,940

obviously I true what's that gonna be a

298

00:13:32,550 --> 00:13:29,589

lot of data entry to get a lot of paper

299

00:13:34,500 --> 00:13:32,560

reports what I'm like a data entry it I

300

00:13:36,120 --> 00:13:34,510

mean that's why I was hoping I was

301
00:13:38,130 --> 00:13:36,130
hoping you'd have a database or at least

302
00:13:40,710 --> 00:13:38,140
Excel spreadsheets no luck

303
00:13:42,120 --> 00:13:40,720
he's got back me yet mmm doesn't got

304
00:13:42,690 --> 00:13:42,130
back the night Ripper bout doing some

305
00:13:45,269 --> 00:13:42,700
programming

306
00:13:46,050 --> 00:13:45,279
yeah well night Ripper maybe it's no man

307
00:13:48,449 --> 00:13:46,060
should reach out

308
00:13:50,550 --> 00:13:48,459
yeah the snowman a want to see my carrot

309
00:13:52,860 --> 00:13:50,560
hey I'm going to woods I'm good tracking

310
00:13:58,199 --> 00:13:52,870
[h__\h] yeah that guy Minneapolis he's got

311
00:14:04,290 --> 00:13:58,209
taking up my snowman yeah yeah let's see

312
00:14:08,389 --> 00:14:04,300
my carrot ah let's do some more strange

313
00:14:12,390 --> 00:14:08,399

[h__h] that wasn't strange enough for you

314

00:14:13,829 --> 00:14:12,400

good yeah I like that I like them

315

00:14:15,570 --> 00:14:13,839

missing for one one stuff I think

316

00:14:17,460 --> 00:14:15,580

probably the most out of all the

317

00:14:21,390 --> 00:14:17,470

supernatural stuff we do I like it too

318

00:14:24,050 --> 00:14:21,400

because it's there's no theory behind it

319

00:14:26,610 --> 00:14:24,060

really it's so open to interpretation

320

00:14:29,670 --> 00:14:26,620

any theory is just as valid as another

321

00:14:31,800 --> 00:14:29,680

person's yeah it's so bizarre especially

322

00:14:36,870 --> 00:14:31,810

if the FBI involved you have special

323

00:14:39,210 --> 00:14:36,880

forces you have local police you have an

324

00:14:40,350 --> 00:14:39,220

ex-detective it makes for a great movie

325

00:14:41,579 --> 00:14:40,360

and they're making it they're making a

326

00:14:42,600 --> 00:14:41,589

movie out of this I don't know how

327

00:14:45,329 --> 00:14:42,610

they're gonna make I don't know if it's

328

00:14:46,290 --> 00:14:45,339

going to be more of a documentary or III

329

00:14:48,240 --> 00:14:46,300

don't know if it's gonna be a

330

00:14:51,300 --> 00:14:48,250

fictionalized fictionalized accounts of

331

00:14:54,420 --> 00:14:51,310

the of these missing people I don't know

332

00:14:58,910 --> 00:14:54,430

but it's it works and he says it's

333

00:15:02,130 --> 00:14:58,920

coming out here's a headline here um

334

00:15:06,510 --> 00:15:02,140

sticking on the strange stuff dead pilot
