86

00:08:21,879 --> 00:08:18,800

it go the police station there are a lot

87

00:08:23,350 --> 00:08:21,889

of zombies around there Jeff the outside

88

00:08:25,240 --> 00:08:23,360

there might have been around 10 to 15

89

00:08:27,670 --> 00:08:25,250

but I kind of ran him around and ran

90

00:08:30,459 --> 00:08:27,680

inside there my boss huh I can hear some

91

00:08:32,709 --> 00:08:30,469

pounding and some zombie sounds but I'm

92

00:08:38,800 --> 00:08:32,719

here okay all right I'm in the storage

93

00:08:50,970 --> 00:08:38,810

area lacking [h\_\_h] wow that lag almost

94

00:09:14,139 --> 00:08:53,439

let me try to get in there this is on be

95

00:09:18,460 --> 00:09:14,149

blocking the [h\_\_h] door way I don't

96

00:09:19,720 --> 00:09:18,470

know why but Jan braised black she's

97

00:09:24,249 --> 00:09:19,730

just trying to fit in I guess train

98

00:09:26,860 --> 00:09:24,259

she's trying to be cool man she's in

99

00:09:32,490 --> 00:09:26,870

blackface all right hello Carol Jan all

100

00:09:37,829 --> 00:09:32,500

right what's up like everything I can

101  
00:09:44,949 --> 00:09:37,839  
tons of [h\_\_h] we've got grab grab that 45

102  
00:09:47,590 --> 00:09:44,959  
GOP more canisters a 9-millimeter I I

103  
00:09:50,319 --> 00:09:47,600  
gotta get more buckshot mr. of

104  
00:09:57,129 --> 00:09:50,329  
nine-millimeter some boxes and I got the

105  
00:10:04,730 --> 00:09:57,139  
NATO 556 [h\_\_h] zombie in here that one's

106  
00:10:25,790 --> 00:10:23,150  
drag drag him outside I'm gonna check

107  
00:10:38,260 --> 00:10:25,800  
the warehouse for a dolly yeah might be

108  
00:10:41,900 --> 00:10:38,270  
a good idea [h\_\_h] lagging Wow not me

109  
00:10:44,420 --> 00:10:41,910  
actually it's not it's not lagging is

110  
00:10:47,840 --> 00:10:44,430  
computer my computer stalling i guess i

111  
00:10:52,940 --> 00:10:47,850  
should say stuttering the beach close

112  
00:11:01,440 --> 00:10:52,950  
out of zombieland log back in yeah we

113  
00:11:14,980 --> 00:11:06,100

Jane would hurry the [h\_\_\h] up hey died

114

00:11:16,660 --> 00:11:14,990

several times so when you talk to

115

00:11:21,130 --> 00:11:16,670

strangers you should always have you got

116

00:11:23,680 --> 00:11:21,140

out well I uh talked to him retreated a

117

00:11:27,690 --> 00:11:23,690

little bit to a house got my gun out

118

00:11:34,210 --> 00:11:33,010

[h\_\_\h] okay I might have to log out in a

119

00:11:39,519 --> 00:11:34,220

house right now because my computer

120

00:11:44,769 --> 00:11:39,529

stuttering I'm hoping I can make it back

121

00:12:03,400 --> 00:11:44,779

to base but i think i could be i

122

00:12:08,360 --> 00:12:06,710

not to restart my computer you have to

123

00:12:10,580 --> 00:12:08,370

restart the computer now I should

124

00:12:12,380 --> 00:12:10,590

anyways it's been on all right if you

125

00:12:14,780 --> 00:12:12,390

can make it to base yeah just you can

126

00:12:20,720 --> 00:12:14,790

just do a reset their take a break and

127

00:12:24,620 --> 00:12:20,730

then come back word knock on what we

128

00:12:26,600 --> 00:12:24,630

should be okay really pissed off some

129

00:12:27,770 --> 00:12:26,610

new because you ran around him I mean I

130

00:12:29,660 --> 00:12:27,780

really never fully interested that you

131

00:12:31,700 --> 00:12:29,670

were sprinting and that's um how was the

132

00:12:34,940 --> 00:12:31,710

reason the zombie bit him not because it

133

00:12:37,280 --> 00:12:34,950

was a zombie guy was so whiny and then

134

00:12:40,250 --> 00:12:37,290

there was a Smoltz but she must got the

135

00:12:42,860 --> 00:12:40,260

business end of the shotgun I yay

136

00:12:45,200 --> 00:12:42,870

probably probably did anticipate to

137

00:12:48,260 --> 00:12:45,210

other Brady's coming to my rescue no no

138

00:12:50,390 --> 00:12:48,270

that's probably he encountered me at

139

00:12:51,890 --> 00:12:50,400

first nice shot popped off three Adam

140

00:12:53,300 --> 00:12:51,900

and then you were then I retreated into

141

00:12:56,000 --> 00:12:53,310

the woods he said he had a much faster

142

00:12:59,510 --> 00:12:56,010

gun then he must have ran right towards

143

00:13:01,490 --> 00:12:59,520

JB where to his second or third surprise

144

00:13:02,810 --> 00:13:01,500

he ran to another Brady who had another

145

00:13:05,570 --> 00:13:02,820

shotgun who shot him right in the face

146

00:13:07,790 --> 00:13:05,580

oh [h\_\_h] I'm slowing up big time I might

147

00:13:12,020 --> 00:13:07,800

have to UM oh no you're probably just

148

00:13:13,930 --> 00:13:12,030

burn out uh I'm getting exhausted you

149

00:13:15,920 --> 00:13:13,940

didn't make Jay an athletic night yes

150

00:13:19,340 --> 00:13:15,930

she's just been running around like a

151

00:13:22,310 --> 00:13:19,350

fool that's right you did run to me I

152

00:13:31,760 --> 00:13:22,320

had been waiting in the down this way
