10
00:00:32,120 --> 00:00:30,539
Carol Brady's about to come back in well

11
00:00:36,590 --> 00:00:32,130
then I'm not sure the [h__h] I am just

12
00:00:42,080 --> 00:00:36,600

13
00:00:47,209 --> 00:00:42,090

[h__h] where the [h__h] am I describe

14

00:00:48,770 --> 00:00:47,219

your surroundings a housing plan in

15

00:00:52,520 --> 00:00:48,780

Bedford

16

00:01:01,220 --> 00:00:52,530

by a giant wooden fence it looks like

17

00:01:02,990 --> 00:01:01,230

ice around a church here when i log into

18

00:01:06,170 --> 00:01:03,000

care my mom actually i'm at the

19

00:01:09,740 --> 00:01:06,180

outskirts Medford's i see construction

20

00:01:13,760 --> 00:01:09,750

pieces of equipment here and water so

21

00:01:15,109 --> 00:01:13,770

i'm at the outskirts okay i don't know

22

00:01:16,280 --> 00:01:15,119

why you can't make armor in this game

23

00:01:17,810 --> 00:01:16,290

the first thing i would do in the zombie

24

00:01:20,270 --> 00:01:17,820

apocalypse would start making some

25

00:01:25,490 --> 00:01:20,280

protective [h__h] yeah go get some

26
00:01:31,040 --> 00:01:25,500
fungi know the sporting goods store new

27
00:01:52,760 --> 00:01:31,050

28
00:01:55,160 --> 00:01:52,770

30
00:02:06,859 --> 00:02:00,509
zombies yeah I'm gonna way [h__h] Zeds

31
00:02:10,219 --> 00:02:06,869
everywhere though this is a service

32
00:02:19,480 --> 00:02:10,229
punched full of [h__h] Nancy's let's

33
00:02:29,630 --> 00:02:26,780
damn I I see you I see that all the mess

34
00:02:31,430 --> 00:02:29,640
that you've created then you should be

35
00:02:35,600 --> 00:02:31,440
close to the police I'm yet its rim past

36
00:02:38,360 --> 00:02:35,610
it there's way more mess up notice I am

37
00:02:45,020 --> 00:02:38,370
yeah I'm taking a look at the the trail

38
00:02:58,340 --> 00:02:45,030

of bodies that Carol Brady is left it's

39
00:03:01,130 --> 00:02:58,350
quite impressive oh [\h__\h] oh [\h__\h] I just

40
00:03:03,410 --> 00:03:01,140
[\h__\h] come fire on the east I shot at

41
00:03:06,620 --> 00:03:03,420
you yeah this [\h__\h] Howard Stern lord of

42
00:03:08,510 --> 00:03:06,630
the angle anal ring toss my inner ring

43
00:03:10,730 --> 00:03:08,520
you know Frank toast got a little out of

44
00:03:12,860 --> 00:03:10,740
control yeah [\h__\h] sneaking up on me

45
00:03:27,770 --> 00:03:12,870
when I'm [\h__\h] find some goddamn

46
00:03:30,290 --> 00:03:27,780
zombies fair enough go get you a shotgun

47
00:03:38,240 --> 00:03:30,300
and some ammo I'm trying I gotta get

48
00:03:40,370 --> 00:03:38,250
down there oh [\h__\h] almost got bit any

49
00:03:47,540 --> 00:03:40,380
noise all right yeah you got to watch

50
00:03:51,830 --> 00:03:47,550
the outside so I can get my [\h__\h] nice

51
00:03:52,940 --> 00:03:51,840
[h__h] revelation that right now you

52
00:03:54,199 --> 00:03:52,950
don't need to draw them in here Jeff

53
00:03:57,280 --> 00:03:54,209
we're trying to draw them away from the

54
00:03:59,479 --> 00:03:57,290
police station get your stuff right now

55
00:04:06,350 --> 00:03:59,489
Jeff did you understand what I just said

56
00:04:19,400 --> 00:04:06,360
yes ok he's already in here Jeff goddamn

57
00:04:25,640 --> 00:04:19,410
it you close the front door Jesus Christ

58
00:04:27,920 --> 00:04:25,650
dude try to have much storage room left

59
00:04:29,719 --> 00:04:27,930
at all I have zero but will we take a

60
00:04:32,210 --> 00:04:29,729
look there might be a hand cart around

61
00:04:35,000 --> 00:04:32,220
military base if we go to the back of

62
00:04:37,390 --> 00:04:35,010
military base there's a warehouse that

63
00:04:41,930 --> 00:04:37,400

should have at the very least uh-oh

64

00:04:44,990 --> 00:04:41,940

anybody need a bag or uh I got a natural

65

00:05:04,219 --> 00:04:45,000

rucksack nice multicam one yeah I'm

66

00:05:12,480 --> 00:05:09,300

Jesus coming it was extreme prejudice

67

00:05:17,219 --> 00:05:12,490

then get ready to fight you some of that

68

00:05:27,600 --> 00:05:17,229

mo all right ready level up [h__h]

69

00:05:43,350 --> 00:05:29,339

somebody's been doing some killing up

70

00:05:49,409 --> 00:05:43,360

here suck on that [h__h] that's

71

00:05:51,179 --> 00:05:49,419

why I keep coming this way oh [h__h] you

72

00:06:05,610 --> 00:05:51,189

want to shoot some [h__h] zombies in a

73

00:06:07,110 --> 00:06:05,620

barrel yeah no nice little e they're

74

00:06:13,800 --> 00:06:07,120

trying to run to the exit to get to us

75

00:06:30,300 --> 00:06:13,810

oh here they come oh [h__h] don't fire

76

00:07:26,960 --> 00:06:40,150

BAM your Remington feels a little

77

00:07:34,080 --> 00:07:30,780

what the [h__\h] what I keep reloading but

78

00:08:03,260 --> 00:07:34,090

i'm only getting two shots are you real

79

00:08:21,990 --> 00:08:19,110

Yahweh hond kind by McGee no one gives a

80

00:08:33,050 --> 00:08:22,000

[h__\h] ty I know get yet we all have a lot

81

00:08:39,660 --> 00:08:35,880

I'm not a machine gun it's back to

82

00:08:42,200 --> 00:08:39,670

[h__\h] [h__\h] the other three shots and

83

00:09:07,920 --> 00:08:42,210

that's it with this goddamn Benelli I

84

00:09:09,690 --> 00:09:07,930

gotta reload [h__\h] watch out benelli

85

00:09:12,600 --> 00:09:09,700

shoots two rounds at a time does it

86

00:09:19,400 --> 00:09:12,610

really somebody tell ty how to [h__\h]

87

00:09:28,770 --> 00:09:19,410

loads behind us someone's howard stern

88

00:09:31,449 --> 00:09:28,780

yeah just like his tie oh if he fires

89

00:09:40,389 --> 00:09:31,459

Twitter kind of makes sense then

90

00:09:51,090 --> 00:09:40,399

this is a devastating weapon then hold

91

00:10:08,439 --> 00:09:51,100

92

00:10:21,990 --> 00:10:08,449
