

# MOTHMAN

---

*An overview of the strange occurrences in Point Pleasant , WV*

1  
00:00:10,700 --> 00:00:08,270  
longer sudden may wish to monsters the

2  
00:00:12,919 --> 00:00:10,710  
week I think monsters of the week sounds

3  
00:00:16,609 --> 00:00:12,929  
like a good term to go Jeff are you

4  
00:00:19,330 --> 00:00:16,619  
ready for monsters the week yes okay are

5  
00:00:29,940 --> 00:00:19,340  
you ready for the segment is called

6  
00:00:36,570 --> 00:00:33,030  
you know I have my my roaring intro but

7  
00:00:38,820 --> 00:00:36,580  
I really want to do a classical one okay

8  
00:00:42,990 --> 00:00:38,830  
do whatever you want we need a monster

9  
00:00:44,700 --> 00:00:43,000  
teacher like like a Godzilla thing and

10  
00:00:48,710 --> 00:00:44,710  
let more from that I me something like

11  
00:00:54,870 --> 00:00:52,440  
hello I liked masters of the week what

12  
00:01:05,310 --> 00:00:54,880  
you're saying yeah I can I can do this

13  
00:01:08,130 --> 00:01:05,320

monster intro I can do you got a monster

14

00:01:13,920 --> 00:01:08,140

but well anyways this week we have

15

00:01:18,320 --> 00:01:13,930

Mothman Mothman or I have the file

16

00:01:21,690 --> 00:01:18,330

titled moth man randy savage okay

17

00:01:24,480 --> 00:01:21,700

Mothman nevermind this is the Mothman

18

00:01:26,850 --> 00:01:24,490

famous made him made famous I guess well

19

00:01:28,469 --> 00:01:26,860

the book I think came first mothman

20

00:01:30,330 --> 00:01:28,479

prophecies and but this was all based

21

00:01:35,490 --> 00:01:30,340

upon event that happened in Point

22

00:01:38,130 --> 00:01:35,500

Pleasant West Virginia nice sixties yeah

23

00:01:43,169 --> 00:01:38,140

what's virginie had to uh to cook yoga

24

00:01:47,639 --> 00:01:43,179

water so the initial sightings occurred

25

00:01:50,070 --> 00:01:47,649

from November 1915 [h\_\_h] that up to her

26  
00:01:55,279 --> 00:01:50,080  
fifteenth nineteen sixty-six to December

27  
00:01:57,719 --> 00:01:55,289  
15 1967 so the first sightings occurred

28  
00:01:58,650 --> 00:01:57,729  
actually from the monsters my American

29  
00:02:00,210 --> 00:01:58,660  
monster book they said the first

30  
00:02:02,400 --> 00:02:00,220  
sighting blade believed may have

31  
00:02:04,230 --> 00:02:02,410  
actually occurred in 1961 on West

32  
00:02:06,230 --> 00:02:04,240  
Virginia's route to it which is south

33  
00:02:09,150 --> 00:02:06,240  
the location south of Point Pleasant

34  
00:02:11,340 --> 00:02:09,160  
where the infamous incident with Mothman

35  
00:02:13,949 --> 00:02:11,350  
took place a father and daughter were

36  
00:02:16,199 --> 00:02:13,959  
driving down the road at night and they

37  
00:02:17,670 --> 00:02:16,209  
stopped because as they saw a large

38  
00:02:19,170 --> 00:02:17,680

figure in the middle of the road which

39

00:02:21,180 --> 00:02:19,180

we've been very common in all these

40

00:02:24,600 --> 00:02:21,190

monster stories didn't speed up and try

41

00:02:26,699 --> 00:02:24,610

to hit it no okay that's what I would

42

00:02:28,410 --> 00:02:26,709

have done but it's gone I mean what they

43

00:02:30,960 --> 00:02:28,420

see in the head lice is large humanoid

44

00:02:32,250 --> 00:02:30,970

with wings and the daughter didn't

45

00:02:34,350 --> 00:02:32,260

really need to stop the car at all

46

00:02:36,300 --> 00:02:34,360

because the creature took off with a

47

00:02:42,160 --> 00:02:36,310

wingspan these scratches as wide as the

48

00:02:45,200 --> 00:02:42,170

road and it just flew over their car now

49

00:02:48,290 --> 00:02:45,210

the next I guess sighting for the main

50

00:02:50,560 --> 00:02:48,300

event we November 12 in 1966 or five men

51  
00:02:53,570 --> 00:02:50,570  
digging a grave in a cemetery near

52  
00:02:55,460 --> 00:02:53,580  
clendenon West Virginia which is east of

53  
00:02:56,660 --> 00:02:55,470  
Point Pleasant looks like maybe 30 40

54  
00:03:01,180 --> 00:02:56,670  
miles are they working or they just

55  
00:03:05,660 --> 00:03:01,190  
doing that for fun did not specify okay

56  
00:03:07,580 --> 00:03:05,670  
could we both working hard or hardly we

57  
00:03:09,650 --> 00:03:07,590  
didn't put any ways they claim to see a

58  
00:03:13,160 --> 00:03:09,660  
man-like figure fly low from the trees

59  
00:03:15,770 --> 00:03:13,170  
over their heads okay i guess the

60  
00:03:17,930 --> 00:03:15,780  
infamous first sighting in Point

61  
00:03:21,050 --> 00:03:17,940  
Pleasant West Virginia is there were two

62  
00:03:22,190 --> 00:03:21,060  
young couples out driving at night now

63  
00:03:23,620 --> 00:03:22,200

this was three days after the incident

64  
00:03:25,550 --> 00:03:23,630  
where the men were digging the grave and

65  
00:03:27,530 --> 00:03:25,560  
they were out dragging by the area

66  
00:03:29,240 --> 00:03:27,540  
called it the TNT bunker in Point

67  
00:03:33,100 --> 00:03:29,250  
Pleasant it was old world war 2

68  
00:03:35,510 --> 00:03:33,110  
munitions factory and what they saw

69  
00:03:36,860 --> 00:03:35,520  
towards off the side of the road and

70  
00:03:38,540 --> 00:03:36,870  
eventually took flight whether they put

71  
00:03:40,580 --> 00:03:38,550  
a large white creature with red eyes

72  
00:03:44,030 --> 00:03:40,590  
approximately the 10-foot wingspan and

73  
00:03:46,759 --> 00:03:44,040  
then said taller than a man now I say

74  
00:03:49,610 --> 00:03:46,769  
pretty much por tu turn drove sped off

75  
00:03:51,890 --> 00:03:49,620  
sir terrified the creature took flight

76

00:03:53,509 --> 00:03:51,900

and it was able to keep pace with their

77

00:03:56,300 --> 00:03:53,519

car and it kept emitting shrieking

78

00:03:58,000 --> 00:03:56,310

sounds and the two people do said it

79

00:04:00,229 --> 00:03:58,010

sounded some words like a huge mouse

80

00:04:04,120 --> 00:04:00,239

well that's not that much different than

81

00:04:06,350 --> 00:04:04,130

what we heard from man bad man bad and

82

00:04:08,270 --> 00:04:06,360

some of the Jersey Devil in order to

83

00:04:10,370 --> 00:04:08,280

describe it as red i think that one park

84

00:04:12,949 --> 00:04:10,380

ranger did it we're seeing on some

85

00:04:16,670 --> 00:04:12,959

correlations and in similarities with

86

00:04:19,880 --> 00:04:16,680

the stories here yes oh there's there's

87

00:04:20,900 --> 00:04:19,890

more so I mean these suits couples wrote

88

00:04:23,270 --> 00:04:20,910

the card drove of nearest police

89

00:04:27,200 --> 00:04:23,280

station it wasn't investigating because

90

00:04:28,930 --> 00:04:27,210

no one thought it was credible I mean go

91

00:04:32,870 --> 00:04:28,940

to the police tell me some monster yeah

92

00:04:35,090 --> 00:04:32,880

some giant flying man bat was shrieking

93

00:04:36,170 --> 00:04:35,100

and following her car knows yet it was

94

00:04:37,490 --> 00:04:36,180

follow us all the way to the police

95

00:04:41,480 --> 00:04:37,500

station so it's not outside right now

96

00:04:42,830 --> 00:04:41,490

yeah so soon after this TNT bunker

97

00:04:45,980 --> 00:04:42,840

incident the sightings in the area

98

00:04:47,930 --> 00:04:45,990

increased to volunteer firemen who cited

99

00:04:51,279 --> 00:04:47,940

it said it was large with birth but a

100

00:04:53,210 --> 00:04:51,289

large bird bird like thing the red eyes

101  
00:04:55,399 --> 00:04:53,220  
construction contractor told the local

102  
00:04:57,469 --> 00:04:55,409  
sheriff when he aimed a flashlight

103  
00:04:59,299 --> 00:04:57,479  
preacher in nearby field by his house it

104  
00:05:02,089 --> 00:04:59,309  
glowed its eyes glowed like a bicycle

105  
00:05:04,339 --> 00:05:02,099  
reflector and he also blamed and told

106  
00:05:06,409 --> 00:05:04,349  
this creature until the officers had

107  
00:05:08,290 --> 00:05:06,419  
made buzzing noise it caused buzzing

108  
00:05:10,969 --> 00:05:08,300  
noises to be emitted from his TV set and

109  
00:05:12,889 --> 00:05:10,979  
also his Jews dog a German Shepherd had

110  
00:05:15,859 --> 00:05:12,899  
disappeared while the creature had been

111  
00:05:18,169 --> 00:05:15,869  
sighted around the area ok also Falls

112  
00:05:20,389 --> 00:05:18,179  
kind of in line with that these

113  
00:05:23,659 --> 00:05:20,399

creatures can manipulate or impact the

114

00:05:25,879 --> 00:05:23,669

electromagnetic spectrum and that these

115

00:05:29,199 --> 00:05:25,889

creatures terrorize local neighborhoods

116

00:05:31,729 --> 00:05:29,209

and dogs and animals and small children

117

00:05:34,069 --> 00:05:31,739

good man today as well yeah goat man

118

00:05:36,729 --> 00:05:34,079

love to terrorize small children because

119

00:05:39,999 --> 00:05:36,739

that's what was on his tax form right

120

00:05:44,209 --> 00:05:40,009

after he got hips and other wages

121

00:05:47,089 --> 00:05:44,219

written so um public officials and

122

00:05:48,409 --> 00:05:47,099

wildlife experts but he started to give

123

00:05:50,869 --> 00:05:48,419

explanations to the occurrence as a

124

00:05:53,029 --> 00:05:50,879

horse I injured being reported it may

125

00:05:55,189 --> 00:05:53,039

just explained it was a large birds like

126

00:05:56,569 --> 00:05:55,199

herons or cranes flying over her cept

127

00:05:59,779 --> 00:05:56,579

maybe getting migrant migratory birds

128

00:06:01,459 --> 00:05:59,789

off their normal migration routes so now

129

00:06:03,169 --> 00:06:01,469

the I guess infamous incident took place

130

00:06:05,299 --> 00:06:03,179

in December fifteenth nineteen sixty

131

00:06:06,649 --> 00:06:05,309

seven the silver bridge in Point

132

00:06:09,669 --> 00:06:06,659

Pleasant collapse into the Ohio River

133

00:06:11,600 --> 00:06:09,679

killing 46 people in the damn um

134

00:06:13,939 --> 00:06:11,610

happened during rush hour which made an

135

00:06:17,329 --> 00:06:13,949

extra worse and it was december they

136

00:06:19,339 --> 00:06:17,339

fell into an ice cold river so off man

137

00:06:21,109 --> 00:06:19,349

son of a [h\_\_h] many people reported

138

00:06:23,239 --> 00:06:21,119

sighting Mothman prior to or during the

139

00:06:28,850 --> 00:06:23,249

event man he didn't blame for everything

140

00:06:33,889 --> 00:06:28,860

I know thanks Mothman Mothman to Prison

141

00:06:35,449 --> 00:06:33,899

Pipeline so I don't have anybody seen

142

00:06:38,359 --> 00:06:35,459

the actual mom Mothman movie with

143

00:06:40,729 --> 00:06:38,369

Richard Gere but that uh that bridge

144

00:06:42,769 --> 00:06:40,739

action it is in the movie yeah it is

145

00:06:46,219 --> 00:06:42,779

that's pretty it's kind of cheesy movie

146

00:06:48,139 --> 00:06:46,229

yeah didn't you say the D went down to

147

00:06:49,699 --> 00:06:48,149

the Mothman festival that happens in

148

00:06:51,379 --> 00:06:49,709

point pleasant because Point Pleasant is

149

00:06:53,809 --> 00:06:51,389

literally on the other side of the river

150

00:06:56,059 --> 00:06:53,819

from Ohio yeah she went down there and

151

00:06:58,759 --> 00:06:56,069

is now filled with the street fair food

152

00:07:00,229 --> 00:06:58,769

in trinkets just trinkets and street

153

00:07:03,229 --> 00:07:00,239

fair foods and taking everybody carnies

154

00:07:05,569 --> 00:07:03,239

and every every street fair that you go

155

00:07:08,790 --> 00:07:05,579

to basic lease here in Ohio you will see

156

00:07:10,559 --> 00:07:08,800

uh like a Native American

157

00:07:12,180 --> 00:07:10,569

lieut band they have like it's like

158

00:07:15,029 --> 00:07:12,190

Native American living world music with

159

00:07:19,920 --> 00:07:15,039

Lutz yeah yeah proven flute bit yeah

160

00:07:21,899 --> 00:07:19,930

exactly perfume new pants yes I just

161

00:07:23,969 --> 00:07:21,909

think you know Point Pleasant the only

162

00:07:26,820 --> 00:07:23,979

reason you go to Point Pleasant is maybe

163

00:07:29,249 --> 00:07:26,830

for the Mothman festival there's not a

164

00:07:30,899 --> 00:07:29,259

lot down there is like some speaker I

165

00:07:35,309 --> 00:07:30,909

get that TNT Factory been talking about

166

00:07:36,719 --> 00:07:35,319

TNT Factory Finn oh yeah well what isn't

167

00:07:39,240 --> 00:07:36,729

one of the theories about the Mothman

168

00:07:41,339 --> 00:07:39,250

that the TNT Factory chemicals actually

169

00:07:46,559 --> 00:07:41,349

are floating around the air making

170

00:07:48,089 --> 00:07:46,569

people hallucinate found on news early

171

00:07:55,709 --> 00:07:48,099

go you know play soccer with an old of

172

00:07:57,350 --> 00:07:55,719

artillery shell so after after the

173

00:07:59,909 --> 00:07:57,360

bridge incident investigators

174

00:08:01,649 --> 00:07:59,919

investigator and author john keel took

175

00:08:03,480 --> 00:08:01,659

interest in to the sightings of the in

176  
00:08:04,559 --> 00:08:03,490  
the bridge collapse event and he wrote a

177  
00:08:05,969 --> 00:08:04,569  
number of articles for different

178  
00:08:08,659 --> 00:08:05,979  
publications they usually infringed

179  
00:08:11,550 --> 00:08:08,669  
publications or what we call them jeans

180  
00:08:15,570 --> 00:08:11,560  
about the event now moth man's on the

181  
00:08:17,189 --> 00:08:15,580  
[h\_\_h] list yet neal had pointed it that

182  
00:08:18,839 --> 00:08:17,199  
UFO activity in the area not in the area

183  
00:08:20,459 --> 00:08:18,849  
and the rest of the ohio rally had been

184  
00:08:22,740 --> 00:08:20,469  
high during the times the Mothman

185  
00:08:25,649 --> 00:08:22,750  
sightings in kiel describes these

186  
00:08:27,480 --> 00:08:25,659  
regions of large UFO activity as window

187  
00:08:29,760 --> 00:08:27,490  
areas i believe i had this brought up

188  
00:08:33,029 --> 00:08:29,770

and that secret cipher of the UFO not

189

00:08:34,380 --> 00:08:33,039

swear you can predict mass UFO sightings

190

00:08:36,000 --> 00:08:34,390

and the other day almost i'm not sure if

191

00:08:36,959 --> 00:08:36,010

you refer when do various but there's

192

00:08:39,120 --> 00:08:36,969

something similar i read in that book

193

00:08:40,740 --> 00:08:39,130

where UFOs just kind of don't show up

194

00:08:42,180 --> 00:08:40,750

all once they usually just there's a

195

00:08:45,840 --> 00:08:42,190

string of sightings of them when they

196

00:08:48,650 --> 00:08:45,850

knew it yeah you know that the the guy

197

00:08:51,569 --> 00:08:48,660

that were at the you know UFO knots book

198

00:08:53,160 --> 00:08:51,579

i think he was friends with john keel

199

00:08:55,139 --> 00:08:53,170

and i listened to this interview and he

200

00:09:02,160 --> 00:08:55,149

said that John keel was kind of a

201  
00:09:04,740 --> 00:09:02,170  
prankster well um so it's a little bit

202  
00:09:09,380 --> 00:09:04,750  
of digging so in just bringing this up

203  
00:09:12,509 --> 00:09:09,390  
so 1909 such a UFO called area UFO

204  
00:09:13,980 --> 00:09:12,519  
window-curtain whales in the UK and also

205  
00:09:17,810 --> 00:09:13,990  
in New England in the United States and

206  
00:09:20,519 --> 00:09:17,820  
residents all spot a cigar like aircraft

207  
00:09:21,929 --> 00:09:20,529  
what happened in the winter of 1909 the

208  
00:09:23,609 --> 00:09:21,939  
Jersey Devil first

209  
00:09:25,549 --> 00:09:23,619  
about a mess no more sightings that we

210  
00:09:29,909 --> 00:09:25,559  
use it seemed that on a second who's

211  
00:09:31,799 --> 00:09:29,919  
this who's texting over there Joe Joe

212  
00:09:34,739 --> 00:09:31,809  
you getting some messages yes it's like

213  
00:09:36,869 --> 00:09:34,749

putting punkin drinkin kingdom maybe you

214

00:09:39,809 --> 00:09:36,879

should go turn the Preferences off on

215

00:09:41,729 --> 00:09:39,819

that yeah I don't have it thank somebody

216

00:09:43,919 --> 00:09:41,739

I don't hear any sounds you say from

217

00:09:46,559 --> 00:09:43,929

here that often hearing text messages

218

00:09:48,419 --> 00:09:46,569

over and over again yeah yeah certain

219

00:09:50,069 --> 00:09:48,429

was not coming through the recording so

220

00:09:51,659 --> 00:09:50,079

you're gonna have to check the recording

221

00:09:53,909 --> 00:09:51,669

because I don't think you're gonna hear

222

00:09:55,589 --> 00:09:53,919

it we we can know it'll come to the

223

00:09:58,079 --> 00:09:55,599

recording we can hear it over here which

224

00:10:00,839 --> 00:09:58,089

means on the recording yeah but turn off

225

00:10:03,539 --> 00:10:00,849

your text notifications it's not uh I'm

226

00:10:05,099 --> 00:10:03,549

not getting texted oh it's like if

227

00:10:07,379 --> 00:10:05,109

you're if you're if you're texting with

228

00:10:11,879 --> 00:10:07,389

somebody on skype or anything it's

229

00:10:14,099 --> 00:10:11,889

coming through over here oh yeah um I

230

00:10:17,909 --> 00:10:14,109

turned my preferences off so that it

231

00:10:19,739 --> 00:10:17,919

didn't come through on my mocs was part

232

00:10:22,589 --> 00:10:19,749

of our group and he's still in on the

233

00:10:26,219 --> 00:10:22,599

the the text okay you have to go through

234

00:10:28,109 --> 00:10:26,229

your notifications and choose which

235

00:10:29,669 --> 00:10:28,119

events and I don't want to do a skype

236

00:10:33,029 --> 00:10:29,679

lesson right now but you can turn this

237

00:10:34,679 --> 00:10:33,039

off all my my I am messages off because

238

00:10:37,679 --> 00:10:34,689

we're constantly learning during the show

239

00:10:38,849 --> 00:10:37,689

oh ok i will all try to do that and I

240

00:10:42,509 --> 00:10:38,859

didn't know it was me I'll try to do

241

00:10:44,819 --> 00:10:42,519

that yeah you looked at up so listen to

242

00:10:47,339 --> 00:10:44,829

you I'm sorry these wave of sightings in

243

00:10:50,429 --> 00:10:47,349

the whales in the UK in a wheels the UK

244

00:10:51,960 --> 00:10:50,439

and New England the curtain 1909 ones in

245

00:10:53,479 --> 00:10:51,970

Wales and of all new direction the

246

00:10:55,619 --> 00:10:53,489

winter when the jersey devils a rampage

247

00:10:58,289 --> 00:10:55,629

falls around the approximate timeline

248

00:11:00,989 --> 00:10:58,299

for these sightings now also I noticed

249

00:11:03,960 --> 00:11:00,999

in the monster book the man-bat did some

250

00:11:05,219 --> 00:11:03,970

more things in Wisconsin reports uh I'm

251  
00:11:06,659 --> 00:11:05,229  
sorry I've known lights in this guy the

252  
00:11:09,119 --> 00:11:06,669  
time decided in the mid to late two

253  
00:11:11,929 --> 00:11:09,129  
thousand so you can kind of connect

254  
00:11:14,460 --> 00:11:11,939  
these kind of beautiful window areas to

255  
00:11:16,109 --> 00:11:14,470  
paranormal activity Erzebet of cryptid

256  
00:11:18,119 --> 00:11:16,119  
creature is being spotted as well a

257  
00:11:24,269 --> 00:11:18,129  
shape-shifting multi-dimensional

258  
00:11:28,049 --> 00:11:24,279  
prankster yes I mean like there's been a

259  
00:11:31,529 --> 00:11:28,059  
lot of I guess uh there's a UFO Bigfoot

260  
00:11:33,499 --> 00:11:31,539  
overlap that's hey I guess I feel like

261  
00:11:35,730 --> 00:11:33,509  
Bigfoot's though he's a separate thing

262  
00:11:39,360 --> 00:11:35,740  
yes like the jersey

263  
00:11:41,700 --> 00:11:39,370

devil the Mothman man-bat they ought man

264

00:11:43,950 --> 00:11:41,710

goat man they have kind of these similar

265

00:11:48,420 --> 00:11:43,960

earmarks I was thinking the same thing

266

00:11:50,190 --> 00:11:48,430

and Sasquatch Bigfoot swamp ape they

267

00:11:52,620 --> 00:11:50,200

kind of got their own thing going on i

268

00:11:54,630 --> 00:11:52,630

tol agree because with with the goat man

269

00:11:57,240 --> 00:11:54,640

there's even reports that he kid he eat

270

00:11:59,190 --> 00:11:57,250

lets out large amounts of sound and

271

00:12:01,920 --> 00:11:59,200

disturbs I think the electromagnetic

272

00:12:03,150 --> 00:12:01,930

spectrum man-bat definitely does that

273

00:12:05,520 --> 00:12:03,160

you can definitely confuse that with

274

00:12:08,670 --> 00:12:05,530

Mothman Jersey Devil the same thing

275

00:12:11,490 --> 00:12:08,680

Sasquatch Bigfoot is in its own realm ya

276  
00:12:14,760 --> 00:12:11,500  
know people haven't said amen you see a

277  
00:12:16,050 --> 00:12:14,770  
Bigfoot it just flew away yeah Bigfoot's

278  
00:12:17,820 --> 00:12:16,060  
like he's on the ground he's

279  
00:12:20,730 --> 00:12:17,830  
disappearing in the things he's got

280  
00:12:23,130 --> 00:12:20,740  
camouflage throw rocks are thrown rocks

281  
00:12:25,650 --> 00:12:23,140  
he smells bad as running around like

282  
00:12:31,110 --> 00:12:25,660  
banging old ladies in their weed fields

283  
00:12:32,880 --> 00:12:31,120  
yeah exactly driving cars down the

284  
00:12:35,880 --> 00:12:32,890  
street sometimes for fun we don't know

285  
00:12:37,080 --> 00:12:35,890  
about that but okay this led me to

286  
00:12:38,730 --> 00:12:37,090  
another there's a kind of another

287  
00:12:40,380 --> 00:12:38,740  
explanation read in the book that we

288  
00:12:42,300 --> 00:12:40,390

thought perhaps this would be owls and

289

00:12:44,910 --> 00:12:42,310

investigator named Mark Hall suggested

290

00:12:46,950 --> 00:12:44,920

that a Mothman sightings were an unknown

291

00:12:50,240 --> 00:12:46,960

and thought to be extinct species of

292

00:12:55,860 --> 00:12:50,250

giant he suggested that it was a lasting

293

00:12:58,080 --> 00:12:55,870

specimen of the or NIMH meg dominicks

294

00:13:00,000 --> 00:12:58,090

odor I it's Latin for whatever the hell

295

00:13:01,740 --> 00:13:00,010

this giant eel was which lived in Cuba

296

00:13:04,350 --> 00:13:01,750

he said about his recent is 10,000 years

297

00:13:06,210 --> 00:13:04,360

ago but big hole in his theory is that

298

00:13:07,800 --> 00:13:06,220

according to the fossilized remains they

299

00:13:09,450 --> 00:13:07,810

found the bird it could only fly short

300

00:13:12,090 --> 00:13:09,460

distances like modern-day were out

301  
00:13:16,920 --> 00:13:12,100  
turkeys tonga we call them the hakama

302  
00:13:19,590 --> 00:13:16,930  
chungas yes vote on God and other

303  
00:13:21,030 --> 00:13:19,600  
explanations suggested escape Eurasian

304  
00:13:22,200 --> 00:13:21,040  
Eagle Owls which they're mean they're

305  
00:13:24,600 --> 00:13:22,210  
big birds but they're none of these are

306  
00:13:27,930 --> 00:13:24,610  
as large as well Mothman was described

307  
00:13:29,670 --> 00:13:27,940  
as poor man that kind of [h\_\_\h] man bad or

308  
00:13:32,520 --> 00:13:29,680  
the Jersey Devil man-bat was like a

309  
00:13:34,890 --> 00:13:32,530  
300-pound man with bat wings flying over

310  
00:13:36,540 --> 00:13:34,900  
the brooklyn beach how do you want to

311  
00:13:38,580 --> 00:13:36,550  
honey want to wrap up the Mothman do us

312  
00:13:41,550 --> 00:13:38,590  
more [h\_\_\h] I can just wrap it up here in

313  
00:13:42,960 --> 00:13:41,560

a second okay said you obviously know

314

00:13:45,720 --> 00:13:42,970

these exponentially match up with the

315

00:13:47,460 --> 00:13:45,730

Mothman too well but um taken to what

316

00:13:49,199 --> 00:13:47,470

happens we listen to account you see

317

00:13:51,749 --> 00:13:49,209

what happens with contactees an abductee

318

00:13:53,400 --> 00:13:51,759

it's the reporters the sea owls or a low

319

00:13:55,319 --> 00:13:53,410

like beans prior to or during their

320

00:13:57,809 --> 00:13:55,329

abduction which I've heard this a lot on

321

00:13:59,309 --> 00:13:57,819

other shows where people would see AI's

322

00:14:00,900 --> 00:13:59,319

a kind of flying outside their cars

323

00:14:03,720 --> 00:14:00,910

looking in at them seeing them in their

324

00:14:05,069 --> 00:14:03,730

yard where I kind of guesses you don't

325

00:14:06,259 --> 00:14:05,079

know what you're looking at but it's

326

00:14:08,549 --> 00:14:06,269

what your brain tries to rationalize

327

00:14:09,809 --> 00:14:08,559

what you're looking at as and lots of

328

00:14:12,629 --> 00:14:09,819

people I guess see Alison are actually

329

00:14:13,769 --> 00:14:12,639

seen a different entity yeah there's a

330

00:14:17,160 --> 00:14:13,779

lot of people that believe that that

331

00:14:18,980 --> 00:14:17,170

might be a screen memory like something

332

00:14:21,449 --> 00:14:18,990

that something puts into your mind

333

00:14:23,220 --> 00:14:21,459

psychologically to cover up whatever

334

00:14:25,410 --> 00:14:23,230

happened to you how's our creepy in

335

00:14:27,540 --> 00:14:25,420

general yeah they are kind of weird

336

00:14:29,429 --> 00:14:27,550

mount a hoot and they just comes the

337

00:14:32,850 --> 00:14:29,439

slaughter just rodents they're always

338

00:14:37,290 --> 00:14:32,860

eat my lollipop not too bad joke joke

339

00:14:41,989 --> 00:14:37,300

joke joke joke joke jam hsiao it's not

340

00:14:45,780 --> 00:14:44,369

those a shorter monster the week that's

341

00:14:48,269 --> 00:14:45,790

all i have for Mothman I could have done

342

00:14:49,919 --> 00:14:48,279

more about ma well I like it the short

343

00:14:51,900 --> 00:14:49,929

and sweet to the point definitely links

344

00:14:55,530 --> 00:14:51,910

up to the goatman man that stuff that we

345

00:14:58,079 --> 00:14:55,540

that we have I enjoyed it let's take

346

00:14:59,400 --> 00:14:58,089

this opportunity to freshen up our

347

00:15:01,019 --> 00:14:59,410

drinks use the bathroom have a cigarette
