Theories and Conjecture part II

Listeners call and write in with their theories and thoughts.

1
00:00:16,580 --> 00:00:14,330
yeah about to be honestly the house

2
00:00:18,740 --> 00:00:16,590
because I am producing too much content

3
00:00:20,630 --> 00:00:18,750
for this show and the YouTube channel

4
00:00:23,029 --> 00:00:20,640
want to thank everyone who subscribes to

5
00:00:26,150 --> 00:00:23,039
this podcast subscribes to the YouTube

6
00:00:28,279 --> 00:00:26,160
channel interacts with us and tells

7
00:00:30,740 --> 00:00:28,289
friends and family members about this

8
00:00:33,530 --> 00:00:30,750
terrific podcast that we do for you for

9
00:00:35,959 --> 00:00:33,540
free weekend week out

10
00:00:46,729 --> 00:00:35,969
I take no vacation and we doesn't want

11
00:00:49,970 --> 00:00:46,739
to thank James to this podcast please do

12
00:00:51,319 --> 00:00:49,980
so go to our big dumb mouth com there is

13
00:00:52,970 --> 00:00:51,329

a link at the bottom that if you want to

14

00:00:56,630 --> 00:00:52,980

make a PayPal donation or if you want to

15

00:00:58,220 --> 00:00:56,640

go to patreon there is a subscription

16

00:01:01,939 --> 00:00:58,230

model there's different levels I'm still

17

00:01:02,900 --> 00:01:01,949

working on getting a lot of those levels

18

00:01:06,620 --> 00:01:02,910

of donation together

19

00:01:08,359 --> 00:01:06,630

I'm just inundated with editing content

20

00:01:10,700 --> 00:01:08,369

for this show for the YouTube channel

21

00:01:12,980 --> 00:01:10,710

and last night instead of going out and

22

00:01:18,140 --> 00:01:12,990

getting drunk I started working on the

23

00:01:21,020 --> 00:01:18,150

missing four one one database you know

24

00:01:24,649 --> 00:01:21,030

trying to get a staging server together

25

00:01:26,330 --> 00:01:24,659

writing the front back end doing all

26

00:01:27,830 --> 00:01:26,340

this [h__h] and then figuring out what

27

00:01:29,719 --> 00:01:27,840

kind of what does this database gonna be

28

00:01:32,270 --> 00:01:29,729

for for missing 401 so I'm trying to

29

00:01:34,090 --> 00:01:32,280

integrate whatever data is going to be

30

00:01:38,450 --> 00:01:34,100

in this missing for one database

31

00:01:40,039 --> 00:01:38,460

displayed on Google Maps and as you zoom

32

00:01:43,160 --> 00:01:40,049

in it'll have different levels of

33

00:01:44,810 --> 00:01:43,170

information on each missing for one one

34

00:01:47,149 --> 00:01:44,820

case I'm trying to prototype it right

35

00:01:49,730 --> 00:01:47,159

now get it working and I'm in the very

36

00:01:51,740 --> 00:01:49,740

early stages but it's a very daunting

37

00:01:54,980 --> 00:01:51,750

task because there's so much information

38

00:01:57,020 --> 00:01:54,990

and there's even more I just don't have

39

00:01:58,780 --> 00:01:57,030

access to in a digital format so if you

40

00:02:06,490 --> 00:01:58,790

know David Politis

41

00:02:12,830 --> 00:02:10,119

yeah we're making a [h__\h] database

42

00:02:18,589 --> 00:02:12,840

Jesus Christ I'm a man

43

00:02:20,540 --> 00:02:18,599

he's a man write them again somebody my

44

00:02:23,330 --> 00:02:20,550

plan is to kind of get a working

45

00:02:25,490 --> 00:02:23,340

database up I'll put a few of these

46

00:02:29,030 --> 00:02:25,500

these cases in there I'll show them a

47

00:02:30,170 --> 00:02:29,040

working prototype model and say hey give

48

00:02:32,540 --> 00:02:30,180

me all your dad I'm gonna put this in

49

00:02:34,940 --> 00:02:32,550

there if you want to private that's fine

50

00:02:37,509 --> 00:02:34,950

I don't know legally what you can since

51
00:02:39,470 --> 00:02:37,519
these are Freedom of Information

52
00:02:40,520 --> 00:02:39,480
requests I don't know what you can I

53
00:02:43,190 --> 00:02:40,530
don't know if you can publicly display

54
00:02:45,590 --> 00:02:43,200
that or if it's just for your personal

55
00:02:47,539 --> 00:02:45,600
use I don't know how it works so we can

56
00:02:51,949 --> 00:02:47,549
make the database as private or as

57
00:02:54,410 --> 00:02:51,959
public as you'd like so let's let's

58
00:03:09,070 --> 00:02:54,420
actually get into the machine for one

59
00:03:18,410 --> 00:03:15,229
okay so last week about last week I put

60
00:03:21,009 --> 00:03:18,420
out a video on YouTube urging all of our

61
00:03:23,180 --> 00:03:21,019
subscribers and people that are really

62
00:03:25,190 --> 00:03:23,190
their fans but they're they take a

63
00:03:28,160 --> 00:03:25,200

genuine interest in the missing

64

00:03:31,039 --> 00:03:28,170

four-on-one phenomenon to contribute

65

00:03:33,080 --> 00:03:31,049

with their thoughts and theories and we

66

00:03:35,110 --> 00:03:33,090

will play them and read them on the air

67

00:03:37,190 --> 00:03:35,120

here put them out back on YouTube and

68

00:03:39,349 --> 00:03:37,200

create a discussion around that because

69

00:03:41,900 --> 00:03:39,359

a lot of the comments are missing four

70

00:03:44,599 --> 00:03:41,910

in one videos very spirited very

71

00:03:48,890 --> 00:03:44,609

opinionated people like to call some

72

00:03:51,759 --> 00:03:48,900

asses you guys don't know [h__h] wish you

73

00:03:55,580 --> 00:03:51,769

were dead gotten one or two of those

74

00:03:59,629 --> 00:03:55,590

we've also gotten a lot of people who

75

00:04:00,979 --> 00:03:59,639

are pretty good theories because I mean

76

00:04:03,559 --> 00:04:00,989

when it comes to missing four and one

77

00:04:05,840 --> 00:04:03,569

any theory that you spit out is almost

78

00:04:06,949 --> 00:04:05,850

as valid as the next person's because we

79

00:04:08,930 --> 00:04:06,959

don't know what's happening to these

80

00:04:13,490 --> 00:04:08,940

people that that go missing in national

81

00:04:15,740 --> 00:04:13,500

parks and now urban environments it's so

82

00:04:18,319 --> 00:04:15,750

open-ended and that's why it's such a

83

00:04:19,819 --> 00:04:18,329

compelling and interesting series that

84

00:04:22,640 --> 00:04:19,829

we've been doing on this show and will

85

00:04:23,620 --> 00:04:22,650

continue continue to cover it as long as

86

00:04:25,780 --> 00:04:23,630

we can

87

00:04:27,640 --> 00:04:25,790

and so with that call that I put out on

88

00:04:30,010 --> 00:04:27,650

YouTube we did get the one or two

89

00:04:32,680 --> 00:04:30,020

voicemails thus far and one or two

90

00:04:37,600 --> 00:04:32,690

emails and let's go over them right now

91

00:04:42,120 --> 00:04:37,610

come on let's do this and I have a

92

00:04:43,450 --> 00:04:42,130

voicemail here the first one is from

93

00:04:51,400 --> 00:04:43,460

Russ

94

00:04:53,440 --> 00:04:51,410

wasn't the best and they'd broke up a

95

00:04:55,720 --> 00:04:53,450

little bit had to edit out some buzzes

96

00:04:58,600 --> 00:04:55,730

and clicks and I don't know if he's

97

00:04:59,890 --> 00:04:58,610

nervous or has Tourette's but it's about

98

00:05:02,530 --> 00:04:59,900

two minutes long we'll see how long

99

00:05:06,610 --> 00:05:02,540

what's that I said why not both yeah no

100

00:05:09,910 --> 00:05:06,620

he's a nervous dressy guy and we'll play

101
00:05:15,250 --> 00:05:09,920
as much as we can here we go hey Russ

102
00:05:16,240 --> 00:05:15,260
here a short time listener first-time

103
00:05:20,050 --> 00:05:16,250
caller

104
00:05:24,400 --> 00:05:20,060
I have a weird theory about the missing

105
00:05:30,820 --> 00:05:24,410
for 11 and I love the BDSM podcast and

106
00:05:32,650 --> 00:05:30,830
I'm not sure the BDSM podcast is podcast

107
00:05:40,090 --> 00:05:32,660
that sounds like a bondage podcast

108
00:05:50,380 --> 00:05:40,100
yeah bondage podcast yeah bondage

109
00:05:52,600 --> 00:05:50,390
missing four one one the western half

110
00:05:59,290 --> 00:05:52,610
the United States book yeah here's the

111
00:06:02,230 --> 00:05:59,300
the rest of this place know the part the

112
00:06:07,200 --> 00:06:02,240
government made a deal with these

113
00:06:09,550 --> 00:06:07,210

beatings inside of the National Park and

114

00:06:19,930 --> 00:06:09,560

so the government will turn the other

115

00:06:23,700 --> 00:06:19,940

way when big feet or whatever they feel

116

00:06:25,860 --> 00:06:23,710

people and they don't any report of

117

00:06:31,350 --> 00:06:25,870

disappearances

118

00:06:35,760 --> 00:06:31,360

so my theory is basically that that in

119

00:06:49,159 --> 00:06:35,770

the national parks the disappearances in

120

00:06:55,560 --> 00:06:53,219

landing craft lands in the water

121

00:06:59,190 --> 00:06:55,570

submerges itself completely in the water

122

00:07:01,200 --> 00:06:59,200

and then waits for some people to walk

123

00:07:03,960 --> 00:07:01,210

past and then there's maybe an outlier

124

00:07:09,840 --> 00:07:03,970

and the group of people that walk past

125

00:07:13,170 --> 00:07:09,850

and they take the outlier of that people

126

00:07:15,180 --> 00:07:13,180

so and then do whatever they want and

127

00:07:20,550 --> 00:07:15,190

then they're they're never seen again of

128

00:07:22,800 --> 00:07:20,560

course oh so I'll pause right there so

129

00:07:25,710 --> 00:07:22,810

his first theory is is that the

130

00:07:28,680 --> 00:07:25,720

government made a deal with whatever

131

00:07:32,070 --> 00:07:28,690

entity is taking these people from the

132

00:07:33,510 --> 00:07:32,080

national parks and I don't know what the

133

00:07:35,700 --> 00:07:33,520

government's getting out of it he didn't

134

00:07:37,469 --> 00:07:35,710

really speculate on that part but is

135

00:07:40,620 --> 00:07:37,479

this allowing you to happen and they're

136

00:07:42,629 --> 00:07:40,630

not really making any any public reports

137

00:07:45,300 --> 00:07:42,639

about these disappearances and whatever

138

00:07:47,460 --> 00:07:45,310

deal that is the only deal I know about

139

00:07:50,370 --> 00:07:47,470

this and the conspiracy realm is the the

140

00:07:53,400 --> 00:07:50,380

deal in theory that Eisenhower made with

141

00:07:56,670 --> 00:07:53,410

the aliens at wright-patterson Air Force

142

00:07:59,610 --> 00:07:56,680

Base back in the 50s when supposedly the

143

00:08:02,550 --> 00:07:59,620

aliens came down they struck up a deal

144

00:08:04,350 --> 00:08:02,560

in exchange for being able to abduct

145

00:08:06,330 --> 00:08:04,360

people the aliens would give the United

146

00:08:09,180 --> 00:08:06,340

States government access to alien

147

00:08:11,790 --> 00:08:09,190

technology that's the only kind of deal

148

00:08:18,420 --> 00:08:11,800

that I know of in the conspiracy round

149

00:08:22,080 --> 00:08:18,430

like this as for the the UFOs landing

150

00:08:24,870 --> 00:08:22,090

down in in lakes and possibly rivers and

151
00:08:28,409 --> 00:08:24,880
then waiting for people to walk past and

152
00:08:30,690 --> 00:08:28,419
then abduct them it seems kind of

153
00:08:33,089 --> 00:08:30,700
counterintuitive to the way I believe

154
00:08:34,529 --> 00:08:33,099
you have that no UFO technology would

155
00:08:36,060 --> 00:08:34,539
work I don't know how it works but I

156
00:08:38,010 --> 00:08:36,070
don't see why they thinking is abduct

157
00:08:39,480 --> 00:08:38,020
people and they have access to really

158
00:08:41,120 --> 00:08:39,490
mind-bending technology while

159
00:08:44,400 --> 00:08:41,130
would need to actually come down

160
00:08:46,740 --> 00:08:44,410
underneath the water to wait for people

161
00:08:48,090 --> 00:08:46,750
to walk walk past in close proximity to

162
00:08:52,410 --> 00:08:48,100
them I don't know

163
00:08:53,670 --> 00:08:52,420

possibly what the hell I don't know but

164

00:08:58,370 --> 00:08:53,680

it's just as bad as everybody else's

165

00:09:00,480 --> 00:08:58,380

idea out there let's say you climb baby

166

00:09:04,170 --> 00:09:00,490

it's interesting I know there's been a

167

00:09:06,450 --> 00:09:04,180

lot of UFO sightings different guess

168

00:09:09,300 --> 00:09:06,460

books and stuff theories of underwater

169

00:09:10,980 --> 00:09:09,310

UFO bases so I mean there's certainly an

170

00:09:13,470 --> 00:09:10,990

element to that there that I've seen

171

00:09:15,570 --> 00:09:13,480

before but in terms of the abductions

172

00:09:20,520 --> 00:09:15,580

that I mean that's why our people are

173

00:09:22,830 --> 00:09:20,530

going missing by water um interesting

174

00:09:25,380 --> 00:09:22,840

but like you said most abduction cases

175

00:09:28,590 --> 00:09:25,390

you see a UFO comes down for you in the

176

00:09:30,480 --> 00:09:28,600

night 9 5 also more like their beam

177

00:09:32,310 --> 00:09:30,490

actually like abducted on the ground

178

00:09:34,920 --> 00:09:32,320

taken by something or in Gore being

179

00:09:36,990 --> 00:09:34,930

taken somewhere I've also heard the

180

00:09:40,290 --> 00:09:37,000

theory event of these people are put

181

00:09:42,180 --> 00:09:40,300

into water because that helps cover up

182

00:09:44,940 --> 00:09:42,190

whatever crime took place but then I

183

00:09:46,500 --> 00:09:44,950

heard the the counter-argument that when

184

00:09:48,000 --> 00:09:46,510

David plight isn't stalking that no

185

00:09:49,890 --> 00:09:48,010

actually uh putting the person to water

186

00:09:52,500 --> 00:09:49,900

actually does preserve the crime scene a

187

00:09:54,840 --> 00:09:52,510

lot better you can tell a lot more of

188

00:09:56,820 --> 00:09:54,850

what happened as opposed to if the

189

00:09:58,350 --> 00:09:56,830

person was just on land and then animals

190

00:10:00,150 --> 00:09:58,360

could tear at it or any other

191

00:10:03,450 --> 00:10:00,160

environmental factors at least in water

192

00:10:05,160 --> 00:10:03,460

you know what kind of toxins and things

193

00:10:07,890 --> 00:10:05,170

are in the water and you can probably do

194

00:10:10,110 --> 00:10:07,900

a lot more accurate tests on the body so

195

00:10:11,370 --> 00:10:10,120

I heard it's actually better to be

196

00:10:12,990 --> 00:10:11,380

placed in water when you're doing any

197

00:10:15,000 --> 00:10:13,000

kind of forensics as opposed to land

198

00:10:18,540 --> 00:10:15,010

according to some of the talks I heard

199

00:10:20,490 --> 00:10:18,550

don't know maybe that is late maybe

200

00:10:26,340 --> 00:10:20,500

they're just lazy and they just want to

201
00:10:29,730 --> 00:10:26,350
hear and they splash I don't know who

202
00:10:32,310 --> 00:10:29,740
knows yeah don't know I got another

203
00:10:35,490 --> 00:10:32,320
voicemail here and I'll play this for

204
00:10:37,740 --> 00:10:35,500
everybody ran amount now okay this is

205
00:10:40,410 --> 00:10:37,750
Josh Brooklyn Portland just like your

206
00:10:44,880 --> 00:10:40,420
the message about a not so much a Siri

207
00:10:47,970 --> 00:10:44,890
but I guess I guess that theory I you

208
00:10:52,199 --> 00:10:47,980
know from David's website I've ever

209
00:10:56,220 --> 00:10:52,209
gotten to but it seems to me this

210
00:10:59,970 --> 00:10:56,230
a lot of the people go missing have some

211
00:11:01,319 --> 00:10:59,980
kind of like church affiliation or an

212
00:11:02,609 --> 00:11:01,329
affiliation with like a church or

213
00:11:04,230 --> 00:11:02,619

they're out where the church grew by

214

00:11:05,819 --> 00:11:04,240

they're near something I have to do like

215

00:11:09,179 --> 00:11:05,829

some kind of a Christian or Catholic

216

00:11:11,189 --> 00:11:09,189

Roman Catholic face I don't maybe you

217

00:11:12,840 --> 00:11:11,199

can talk about it and maybe a little bit

218

00:11:16,049 --> 00:11:12,850

researching tonight see if he saw the

219

00:11:17,790 --> 00:11:16,059

same thing I did maybe is just who knows

220

00:11:19,619 --> 00:11:17,800

maybe I just saw something that isn't

221

00:11:30,869 --> 00:11:19,629

really there but yeah just my idea

222

00:11:32,999 --> 00:11:30,879

thanks guys I asked uh my lead

223

00:11:34,559 --> 00:11:33,009

researcher cloudy giving himself to look

224

00:11:38,009 --> 00:11:34,569

into this and he couldn't come up with

225

00:11:40,290 --> 00:11:38,019

any kind of religious connection to any

226

00:11:45,059 --> 00:11:40,300

of this and Geoffrey won't talk about

227

00:11:46,710 --> 00:11:45,069

that no he doesn't I think I think he's

228

00:11:48,689 --> 00:11:46,720

talking to the toilet right now yeah he

229

00:11:50,910 --> 00:11:48,699

just went away I think he's taking a

230

00:11:53,669 --> 00:11:50,920

[h__h] yeah he just left in the middle of

231

00:11:56,069 --> 00:11:53,679

the segment that he brought to the show

232

00:11:59,039 --> 00:11:56,079

for whatever reason what is so important

233

00:12:00,720 --> 00:11:59,049

he leaves an hour into the show for

234

00:12:01,530 --> 00:12:00,730

whatever reason I don't get a chance to

235

00:12:05,639 --> 00:12:01,540

leave like that

236

00:12:09,869 --> 00:12:05,649

I'll get that kind of privilege yeah I

237

00:12:11,879 --> 00:12:09,879

think that the clown baby looked into

238

00:12:13,889 --> 00:12:11,889

this and he couldn't find any kind of

239

00:12:16,710 --> 00:12:13,899

religious connection in any of the books

240

00:12:18,239 --> 00:12:16,720

that he has and he looked online a

241

00:12:20,460 --> 00:12:18,249

little bit to see if there's any kind of

242

00:12:22,350 --> 00:12:20,470

a religious connection with he's

243

00:12:23,549 --> 00:12:22,360

disappeared this disappearance is when

244

00:12:24,150 --> 00:12:23,559

it comes to the missing for one he

245

00:12:26,280 --> 00:12:24,160

didn't see anything

246

00:12:30,449 --> 00:12:26,290

do you like think I can think of is that

247

00:12:32,189 --> 00:12:30,459

you said the Lisa City disappearances

248

00:12:36,210 --> 00:12:32,199

and what you read they said it's usually

249

00:12:38,699 --> 00:12:36,220

a young male usually Caucasian of German

250

00:12:41,039 --> 00:12:38,709

ancestry so I mean I know there's a lot

251
00:12:43,139 --> 00:12:41,049
of Protestant Germans so you can look at

252
00:12:45,780 --> 00:12:43,149
it that light kind of whenever that's

253
00:12:51,539 --> 00:12:45,790
the main profile rough profile yeah a

254
00:12:53,340 --> 00:12:51,549
wasp white anglo-saxon Protestant but it

255
00:12:55,049 --> 00:12:53,350
didn't there's nothing I said indicated

256
00:12:58,439 --> 00:12:55,059
a specific church like seventh-day

257
00:13:04,600 --> 00:12:58,449
adventists or something yeah that's

258
00:13:13,960 --> 00:13:04,610
correct I do have two emails

259
00:13:17,160 --> 00:13:13,970
with theories like that

260
00:13:20,079 --> 00:13:17,170
there's actually a pretty totally good

261
00:13:22,600 --> 00:13:20,089
go crazy with these [\h__\h] silos people

262
00:13:36,210 --> 00:13:22,610
just congratulate yourself a little more

263
00:13:39,639 --> 00:13:36,220

why we've got a few more minutes [h__h]

264

00:13:51,999 --> 00:13:39,649

I created some new song clips for this

265

00:14:02,590 --> 00:13:52,009

very show take a listen to this comedy

266

00:14:04,509 --> 00:14:02,600

cops when we're treading on very thin

267

00:14:07,749 --> 00:14:04,519

ice with some bad jokes which we often

268

00:14:14,559 --> 00:14:07,759

do during the podcast sure last one kind

269

00:14:16,030 --> 00:14:14,569

of sound more like a robbery I don't the

270

00:14:19,030 --> 00:14:16,040

cops charge in and say everyone to get

271

00:14:20,409 --> 00:14:19,040

down I think that's more of a laughter

272

00:14:25,419 --> 00:14:20,419

larceny or something like that I don't

273

00:14:27,850 --> 00:14:25,429

know it's very fun to do these clips on

274

00:14:31,150 --> 00:14:27,860

this show it's stupid and least it

275

00:14:34,539 --> 00:14:31,160

entertains me so we have a couple emails

276

00:14:39,609 --> 00:14:34,549

Joe and I'm gonna ask you to help me

277

00:14:41,350 --> 00:14:39,619

read this one from Josh all right yeah I

278

00:14:42,159 --> 00:14:41,360

know that I know the email that you're

279

00:14:45,220 --> 00:14:42,169

talking about

280

00:14:53,769 --> 00:14:45,230

it's very lengthy it is very lengthy

281

00:14:59,499 --> 00:14:53,779

this is Josh lamb lowercase no came with

282

00:15:02,739 --> 00:14:59,509

email or do you just want to go through

283

00:15:05,829 --> 00:15:02,749

the let's try to read through as much as

284

00:15:07,329 --> 00:15:05,839

he wrote a very lengthy email and I

285

00:15:09,489 --> 00:15:07,339

don't know how much you know if you're

286

00:15:12,759 --> 00:15:09,499

new to show I'll say I'm horrible at

287

00:15:16,510 --> 00:15:12,769

reading things and talking in general so

288

00:15:18,460 --> 00:15:16,520

I tend to you're the you you are the

289

00:15:21,130 --> 00:15:18,470

master like you are great you have a

290

00:15:23,110 --> 00:15:21,140

great radio voice you have a good you

291

00:15:25,600 --> 00:15:23,120

know mic point three the whole thing

292

00:15:28,750 --> 00:15:25,610

like that whole thing works reading is

293

00:15:31,690 --> 00:15:28,760

not your forte though no no no I'm not

294

00:15:32,830 --> 00:15:31,700

I'm not a good reader but I'm gonna try

295

00:15:35,890 --> 00:15:32,840

I do

296

00:15:36,160 --> 00:15:35,900

aspire to be a good reader one day all

297

00:15:40,360 --> 00:15:36,170

right

298

00:15:42,430 --> 00:15:40,370

and I'll try so here we go let me limit

299

00:15:47,170 --> 00:15:42,440

let me let me go ahead and I'll help you

300

00:15:49,780 --> 00:15:47,180

out okay stop me where you need the

301
00:15:52,630 --> 00:15:49,790
arrow BDM videos I am so happy to have

302
00:15:54,790 --> 00:15:52,640
found your YouTube channel I enjoy your

303
00:15:56,830 --> 00:15:54,800
opinions and humor I am i follow the

304
00:15:59,050 --> 00:15:56,840
missing 401 1 and I have a theory that's

305
00:16:00,990 --> 00:15:59,060
different than most but is broad enough

306
00:16:04,480 --> 00:16:01,000
to explain who is doing this

307
00:16:07,450 --> 00:16:04,490
what is a breakaway civilization a

308
00:16:10,660 --> 00:16:07,460
breakaway civilization is a term Richard

309
00:16:13,360 --> 00:16:10,670
Dolan coin to speak of a civilization

310
00:16:15,220 --> 00:16:13,370
native to earth who's become so

311
00:16:18,640 --> 00:16:15,230
technologically advanced that they are

312
00:16:21,640 --> 00:16:18,650
that they were able to follow their own

313
00:16:24,130 --> 00:16:21,650

path rather than staying at the mercy of

314

00:16:27,250 --> 00:16:24,140

the corrupt governments that have ruled

315

00:16:28,660 --> 00:16:27,260

the world since the dawn of time for

316

00:16:31,450 --> 00:16:28,670

some quick information on the breakaway

317

00:16:33,610 --> 00:16:31,460

civilization here's the rack lecture

318

00:16:36,250 --> 00:16:33,620

from Richard Dolan on the term he coined

319

00:16:39,700 --> 00:16:36,260

and there's a link to YouTube video it's

320

00:16:41,830 --> 00:16:39,710

not that it's long so covering that

321

00:16:43,750 --> 00:16:41,840

what's that the video is an hour and 30

322

00:16:46,300 --> 00:16:43,760

minutes long gonna be covering that ok

323

00:16:47,950 --> 00:16:46,310

yeah not another time is there any

324

00:16:50,050 --> 00:16:47,960

historical evidence that a breakaway

325

00:16:52,210 --> 00:16:50,060

civilization ever existed on earth yes

326

00:16:54,700 --> 00:16:52,220

the megaliths around the world you may

327

00:16:57,760 --> 00:16:54,710

ask how can we connect all these

328

00:16:59,530 --> 00:16:57,770

megaliths connect together I propose

329

00:17:02,050 --> 00:16:59,540

through the graves of the people that

330

00:17:05,079 --> 00:17:02,060

built them for evidence on a common

331

00:17:07,990 --> 00:17:05,089

occurrences of the same race of people

332

00:17:09,610 --> 00:17:08,000

building the megaliths please watch this

333

00:17:13,329 --> 00:17:09,620

video and there's a link to another

334

00:17:14,740 --> 00:17:13,339

YouTube video we're gonna read this

335

00:17:15,910 --> 00:17:14,750

whole thing ok there's another link to a

336

00:17:17,230 --> 00:17:15,920

video and he gives them that link to a

337

00:17:20,230 --> 00:17:17,240

video there's not much really here to

338

00:17:21,760 --> 00:17:20,240

talk about Wow ok so let's get to the

339

00:17:23,560 --> 00:17:21,770

meat of it as he links to another video

340

00:17:28,300 --> 00:17:23,570

in the LAT and the next paragraph let's

341

00:17:29,150 --> 00:17:28,310

skip the decks like it or not this is

342

00:17:31,490 --> 00:17:29,160

the group

343

00:17:33,890 --> 00:17:31,500

and five will refer to as the Fallen

344

00:17:36,200 --> 00:17:33,900

Angels they're also the Greek gods

345

00:17:40,100 --> 00:17:36,210

Sumerian gods Egyptian gods or whoever

346

00:17:43,430 --> 00:17:40,110

if you are not ready to admit that a

347

00:17:46,550 --> 00:17:43,440

different race of bipedal human-like

348

00:17:49,730 --> 00:17:46,560

people lived next to mankind and

349

00:17:53,000 --> 00:17:49,740

technologically outshined them then you

350

00:17:55,550 --> 00:17:53,010

need to research the subjects there were

351

00:18:03,310 --> 00:17:55,560

more bipedal Apes beside humans

352

00:18:06,100 --> 00:18:03,320

Neanderthals and Giganta dippers

353

00:18:08,660 --> 00:18:06,110

Gigantopithecus

354

00:18:10,430 --> 00:18:08,670

while many of the early religions

355

00:18:13,690 --> 00:18:10,440

describe these people as falling from

356

00:18:17,270 --> 00:18:13,700

grace or coming here from another world

357

00:18:21,680 --> 00:18:17,280

where did that go I've lost all my

358

00:18:23,720 --> 00:18:21,690

screen oh oh and I'm not so sure I'm not

359

00:18:26,360 --> 00:18:23,730

sure that they were weren't native to

360

00:18:28,310 --> 00:18:26,370

earth obviously this group is the group

361

00:18:30,710 --> 00:18:28,320

that is really at the top of the food

362

00:18:32,660 --> 00:18:30,720

chain I'm not so sure that these people

363

00:18:34,640 --> 00:18:32,670

weren't just a much more advanced than

364

00:18:36,800 --> 00:18:34,650

mankind that legends grew out of their

365

00:18:39,830 --> 00:18:36,810

advanced civilizations where are they

366

00:18:41,900 --> 00:18:39,840

now they are still here this accounts

367

00:18:43,520 --> 00:18:41,910

for some of the UFO sightings most of

368

00:18:45,320 --> 00:18:43,530

the credible sightings are black ops

369

00:18:48,230 --> 00:18:45,330

programs and hominids who have been

370

00:18:50,480 --> 00:18:48,240

running the world and they are

371

00:18:52,040 --> 00:18:50,490

underground above-ground colonizing the

372

00:18:53,960 --> 00:18:52,050

galaxy and living in another dimensions

373

00:18:55,610 --> 00:18:53,970

so he goes on he's been down here he

374

00:18:57,980 --> 00:18:55,620

says so how does a breakaway

375

00:19:00,890 --> 00:18:57,990

civilization fit into missing four oh

376

00:19:03,560 --> 00:19:00,900

and one well we know people have been

377

00:19:05,780 --> 00:19:03,570

going missing for centuries well the

378

00:19:08,420 --> 00:19:05,790

truth is that people have been going

379

00:19:11,270 --> 00:19:08,430

missing for a millennia and it is mostly

380

00:19:14,540 --> 00:19:11,280

all due to the breakaway civilization

381

00:19:16,490 --> 00:19:14,550

the Bible said that these people saw the

382

00:19:21,110 --> 00:19:16,500

Bible said that these people saw our

383

00:19:24,370 --> 00:19:21,120

women and found the this is when it's

384

00:19:26,780 --> 00:19:24,380

written like this it [h__h] up my head

385

00:19:29,900 --> 00:19:26,790

you think oh can you interpret that Joe

386

00:19:32,930 --> 00:19:29,910

what is he saying make sure I'm at III

387

00:19:37,700 --> 00:19:32,940

think he's saying do you see why weren't

388

00:19:40,190 --> 00:19:37,710

where I left off no because I thought

389

00:19:42,019 --> 00:19:40,200

Jeff was making it all okay so he's

390

00:19:44,479 --> 00:19:42,029

saying that but

391

00:19:46,639 --> 00:19:44,489

what the Bible said that these people

392

00:19:48,589 --> 00:19:46,649

saw our women and found them in

393

00:19:50,180 --> 00:19:48,599

resistible and new entities so the the

394

00:19:52,879 --> 00:19:50,190

nella femme is what he's saying the no

395

00:19:55,249 --> 00:19:52,889

FMR we referred to now as the Giants

396

00:19:57,080 --> 00:19:55,259

faerie sasquatch dog men new jersey

397

00:19:59,719 --> 00:19:57,090

devil etc seeing cryptids are then della

398

00:20:04,060 --> 00:19:59,729

femme that seemed to be a genetic

399

00:20:08,539 --> 00:20:04,070

experiments and Neff Liam are Nephilim

400

00:20:10,909 --> 00:20:08,549

Nephilim rather yeah some of these

401
00:20:14,119 --> 00:20:10,919
people have been taken away or stricken

402
00:20:15,680 --> 00:20:14,129
with handicap so I propose that the poor

403
00:20:17,389 --> 00:20:15,690
handicapped hostages are undergoing

404
00:20:18,950 --> 00:20:17,399
genetic experimentations I guess the

405
00:20:21,049 --> 00:20:18,960
people being taken away missing for one

406
00:20:23,690 --> 00:20:21,059
to correct the handicaps that they have

407
00:20:25,159 --> 00:20:23,700
and are considered throwaway people that

408
00:20:27,609 --> 00:20:25,169
are prime candidates for breakaway

409
00:20:29,450 --> 00:20:27,619
civilizations and God knows what to

410
00:20:32,060 --> 00:20:29,460
experimenting on the handicapped like

411
00:20:34,099 --> 00:20:32,070
the Germans and our government who is

412
00:20:38,269 --> 00:20:34,109
now aiding in the breakaway civilization

413
00:20:40,310 --> 00:20:38,279

for technology so it appears of the

414

00:20:42,079 --> 00:20:40,320

breakaway civilization and is is taking

415

00:20:44,869 --> 00:20:42,089

people on the surface to do some kind of

416

00:20:51,019 --> 00:20:44,879

experimentation or testing on or god

417

00:20:54,919 --> 00:20:51,029

knows what yeah yeah I you know I it's a

418

00:20:59,389 --> 00:20:54,929

very bold speculation from what I can

419

00:21:01,879 --> 00:20:59,399

tell it has a lot to it and like rooted

420

00:21:04,369 --> 00:21:01,889

in its core so I don't discount the

421

00:21:06,229 --> 00:21:04,379

breakaway civilization theory in general

422

00:21:08,899 --> 00:21:06,239

know if it applies to missing for one

423

00:21:12,739 --> 00:21:08,909

but why not but a so hypothetically that

424

00:21:15,379 --> 00:21:12,749

if there is you know recovered saucer

425

00:21:16,669 --> 00:21:15,389

technology and there was you know a

426
00:21:19,190 --> 00:21:16,679
couple corporations farmed out to

427
00:21:21,109 --> 00:21:19,200
research this stuff and build technology

428
00:21:23,029 --> 00:21:21,119
with it if you get some really cool

429
00:21:23,329 --> 00:21:23,039
stuff are you really gonna want to give

430
00:21:25,039 --> 00:21:23,339
it away

431
00:21:29,479 --> 00:21:25,049
and are you just gonna want to use it

432
00:21:31,700 --> 00:21:29,489
for yourself for yourself and travel

433
00:21:34,070 --> 00:21:31,710
universe or is I can definitely see that

434
00:21:36,739 --> 00:21:34,080
but at what point do you totally lose

435
00:21:38,690 --> 00:21:36,749
touch with your humanity and start

436
00:21:42,139 --> 00:21:38,700
kidnapping and executing people by the

437
00:21:44,629 --> 00:21:42,149
hundreds of thousands it's that's that

438
00:21:47,899 --> 00:21:44,639

kind of evilness is hard for me to wrap

439

00:21:49,249 --> 00:21:47,909

my head around that's that's what I kind

440

00:21:54,080 --> 00:21:49,259

of and I understand he's trying to

441

00:21:58,130 --> 00:21:54,090

intertwine Bible stuff and

442

00:22:02,060 --> 00:21:58,140

aliens stuffy's the Nephilim the fallen

443

00:22:05,060 --> 00:22:02,070

angels wrapped up into modern-day UFOs

444

00:22:08,200 --> 00:22:05,070

and technology and split of two

445

00:22:12,560 --> 00:22:08,210

different technologically separated

446

00:22:14,750 --> 00:22:12,570

human species all into missing for one

447

00:22:18,740 --> 00:22:14,760

but just for experimentation purposes

448

00:22:20,779 --> 00:22:18,750

that seems a little it seems like

449

00:22:23,269 --> 00:22:20,789

there's if they have that much that much

450

00:22:24,860 --> 00:22:23,279

technology and they've been doing this

451
00:22:27,200 --> 00:22:24,870
for so long

452
00:22:30,830 --> 00:22:27,210
haven't they gotten enough DNA at this

453
00:22:32,360 --> 00:22:30,840
point I don't know one would think you

454
00:22:36,350 --> 00:22:32,370
would say yeah I mean they've been doing

455
00:22:38,779 --> 00:22:36,360
it for thousands of years they have

456
00:22:42,110 --> 00:22:38,789
enough DNA now I did see a movie

457
00:22:44,210 --> 00:22:42,120
recently maybe they you know got

458
00:22:47,950 --> 00:22:44,220
constant replenishment yeah I saw a

459
00:22:50,539 --> 00:22:47,960
movie recently called Jupiter ascending

460
00:22:53,299 --> 00:22:50,549
it's a science fiction movie that came

461
00:22:55,580 --> 00:22:53,309
out I think last year has a some

462
00:22:57,680 --> 00:22:55,590
big-name Hollywood stars who escaped me

463
00:23:03,250 --> 00:22:57,690

at this point that that cute little girl

464

00:23:09,230 --> 00:23:03,260

from that 70 show the dark heroine

465

00:23:13,190 --> 00:23:09,240

Billie Clinton that's right and they had

466

00:23:15,980 --> 00:23:13,200

they they wrestle with something similar

467

00:23:20,180 --> 00:23:15,990

of a breakaway civilization and that

468

00:23:21,830 --> 00:23:20,190

there's a giant a giant the world out

469

00:23:23,960 --> 00:23:21,840

there like let's say an internet or

470

00:23:26,029 --> 00:23:23,970

intergalactic government and the harvest

471

00:23:29,690 --> 00:23:26,039

planets they have to wait until each

472

00:23:31,340 --> 00:23:29,700

planet gets to a certain population

473

00:23:34,190 --> 00:23:31,350

level at which point they can start

474

00:23:35,810 --> 00:23:34,200

farming those species so once the humans

475

00:23:37,700 --> 00:23:35,820

reach these six billion mark then they

476

00:23:40,159 --> 00:23:37,710

can start abducting people and using

477

00:23:42,100 --> 00:23:40,169

those people for genetic research and

478

00:23:44,840 --> 00:23:42,110

experimentation and they use those

479

00:23:48,049 --> 00:23:44,850

researches or use those people they

480

00:23:51,560 --> 00:23:48,059

abduct to create pharmaceutical products

481

00:23:55,399 --> 00:23:51,570

to use as life extension technologies

482

00:23:58,340 --> 00:23:55,409

for the the intergalactic rulers say

483

00:24:01,639 --> 00:23:58,350

they farm humans to make products so

484

00:24:04,100 --> 00:24:01,649

they can live longer that's that's the

485

00:24:07,039 --> 00:24:04,110

the message in that movie a sci-fi movie

486

00:24:07,880 --> 00:24:07,049

which I kind of liked kind of explained

487

00:24:10,340 --> 00:24:07,890

some UFO

488

00:24:11,420 --> 00:24:10,350

actions and why people go missing but in

489

00:24:13,460 --> 00:24:11,430

missing four-on-one

490

00:24:15,890 --> 00:24:13,470

you know sometimes they find the body

491

00:24:19,070 --> 00:24:15,900

and sometimes they don't it's not it's

492

00:24:22,520 --> 00:24:19,080

not uniform in the bodies they do find

493

00:24:24,320 --> 00:24:22,530

they they come back with the very few

494

00:24:26,960 --> 00:24:24,330

marks on them it's not like any incision

495

00:24:29,690 --> 00:24:26,970

marks or or marks that you would

496

00:24:32,540 --> 00:24:29,700

associate with any kind of probing or or

497

00:24:34,160 --> 00:24:32,550

surgery they come back and the either

498

00:24:36,860 --> 00:24:34,170

declare them Haley died of hypothermia

499

00:24:39,920 --> 00:24:36,870

or they died of drowning and sometimes

500

00:24:41,840 --> 00:24:39,930

they have raised level of GH being at

501
00:24:43,520 --> 00:24:41,850
the time or many of the times they don't

502
00:24:45,770 --> 00:24:43,530
mean tests for it they just they want

503
00:24:48,200 --> 00:24:45,780
these cases out of their hair they don't

504
00:24:50,120 --> 00:24:48,210
want to have to worry about potential

505
00:24:54,860 --> 00:24:50,130
foul play being involved with these

506
00:24:58,610 --> 00:24:54,870
people so because I say my conclusion is

507
00:25:00,440 --> 00:24:58,620
that the people are going missing the

508
00:25:02,870 --> 00:25:00,450
people that are going missing is due to

509
00:25:04,430 --> 00:25:02,880
two groups our own government who is

510
00:25:07,400 --> 00:25:04,440
probably taking most of the people

511
00:25:10,460 --> 00:25:07,410
presently and a group of humans used to

512
00:25:13,250 --> 00:25:10,470
be called the gods what is the criteria

513
00:25:15,560 --> 00:25:13,260

to be taken it could be as little as one

514

00:25:18,350 --> 00:25:15,570

skill or certain genetic traits it's

515

00:25:21,230 --> 00:25:18,360

probably depends on what either of the

516

00:25:22,970 --> 00:25:21,240

two groups are in the market for all

517

00:25:27,760 --> 00:25:22,980

right well thank you very much I

518

00:25:30,380 --> 00:25:27,770

appreciate the the email very dense and

519

00:25:32,330 --> 00:25:30,390

I'll see if I can collate all the links

520

00:25:34,040 --> 00:25:32,340

and put that in the show description and

521

00:25:35,840 --> 00:25:34,050

definitely the youtube description if

522

00:25:38,540 --> 00:25:35,850

you want to check out all the different

523

00:25:41,480 --> 00:25:38,550

links that he provided he's obviously

524

00:25:43,310 --> 00:25:41,490

thought about this for a long time he

525

00:25:46,640 --> 00:25:43,320

didn't mentioned by peels other than

526

00:25:49,250 --> 00:25:46,650

humans and Gigantopithecus we cover this

527

00:25:51,980 --> 00:25:49,260

up what year to go two years ago Jim

528

00:25:54,890 --> 00:25:51,990

Vieira's TED talk is TEDx about the

529

00:25:59,030 --> 00:25:54,900

mound builders a very good watch the

530

00:26:02,150 --> 00:25:59,040

mound builders covers the a sub parallel

531

00:26:03,980 --> 00:26:02,160

species that were eight to ten feet tall

532

00:26:05,750 --> 00:26:03,990

that there's apparently skeletal

533

00:26:08,150 --> 00:26:05,760

evidence of in the Native American

534

00:26:10,850 --> 00:26:08,160

tribes in North America so check that

535

00:26:13,520 --> 00:26:10,860

out did you still have that video the

536

00:26:15,800 --> 00:26:13,530

mound builders yeah I think so you have

537

00:26:18,420 --> 00:26:15,810

it is it on YouTube anywhere we should

538

00:26:19,470 --> 00:26:18,430

be I keep taking it down

539

00:26:21,990 --> 00:26:19,480

thinking I'm thinking we should probably

540

00:26:24,900 --> 00:26:22,000

host you somewhere if we don't get you

541

00:26:26,910 --> 00:26:24,910

know called out for words that was

542

00:26:28,200 --> 00:26:26,920

definitely one of my favorite videos of

543

00:26:30,480 --> 00:26:28,210

all time because that's one of these

544

00:26:31,860 --> 00:26:30,490

guys who's like I don't I don't see it

545

00:26:34,740 --> 00:26:31,870

it might be honest I think it's in an

546

00:26:38,430 --> 00:26:34,750

external drive yeah this one's these

547

00:26:40,800 --> 00:26:38,440

guys he's just he's a Mason he he does

548

00:26:42,210 --> 00:26:40,810

architecture and he's like researching

549

00:26:44,910 --> 00:26:42,220

this stuff and he's like looking at all

550

00:26:47,580 --> 00:26:44,920

the records in the newspaper holy cow

551

00:26:50,070 --> 00:26:47,590

there's a lot of cover-up of all these

552

00:26:52,920 --> 00:26:50,080

giants that used to apparently inhabit

553

00:26:54,300 --> 00:26:52,930

the North American Plains I think the

554

00:26:56,460 --> 00:26:54,310

reason how he discovered us cuz he

555

00:26:58,260 --> 00:26:56,470

looked at some things they call colonial

556

00:26:59,960 --> 00:26:58,270

root cellars and he said there's this

557

00:27:02,880 --> 00:26:59,970

this was impossible to do at that time

558

00:27:05,160 --> 00:27:02,890

very yeah sixteen seventeen hundreds and

559

00:27:08,100 --> 00:27:05,170

and they're all over the world and they

560

00:27:15,270 --> 00:27:08,110

all have a window that lines up with the

561

00:27:17,550 --> 00:27:15,280

Sun on so it's like yeah you could call

562

00:27:19,550 --> 00:27:17,560

it a fruit cellar or a cellar or

563

00:27:21,930 --> 00:27:19,560

whatever but like no I mean there are

564

00:27:25,290 --> 00:27:21,940

there's a very intricate architecture

565

00:27:28,260 --> 00:27:25,300

going on here and then there's all the

566

00:27:32,490 --> 00:27:28,270

stories in the newspaper of these giants

567

00:27:35,520 --> 00:27:32,500

who the Smithsonian apparently knows

568

00:27:37,440 --> 00:27:35,530

nothing about even though the newspaper

569

00:27:40,410 --> 00:27:37,450

says oh that bones were given to the

570

00:27:44,060 --> 00:27:40,420

Smithsonian apparently there's some sort

571

00:27:46,800 --> 00:27:44,070

of government cover-up of history

572

00:27:48,360 --> 00:27:46,810

according to this guy and everything you

573

00:27:51,630 --> 00:27:48,370

kind of read the more you dig into these

574

00:27:53,120 --> 00:27:51,640

these alternate histories the more

575

00:27:55,140 --> 00:27:53,130

you're inclined to believe them because

576

00:27:58,140 --> 00:27:55,150

we all know that [h__h] governments

577

00:28:00,240 --> 00:27:58,150

line at this point their line about a

578

00:28:02,370 --> 00:28:00,250

lot of stuff they probably lying about

579

00:28:04,020 --> 00:28:02,380

the UFO phenomenon they're definitely

580

00:28:05,970 --> 00:28:04,030

covering up not being very

581

00:28:09,840 --> 00:28:05,980

straightforward with the missing 4:01

582

00:28:13,110 --> 00:28:09,850

stuff there's evidence of this gigantic

583

00:28:15,720 --> 00:28:13,120

race of beings that that probably you

584

00:28:17,580 --> 00:28:15,730

know inhabited some portion of the North

585

00:28:18,690 --> 00:28:17,590

America's and probably other parts of

586

00:28:21,330 --> 00:28:18,700

the world and then you have the Bible

587

00:28:23,670 --> 00:28:21,340

stories of David and Goliath well it was

588

00:28:25,140 --> 00:28:23,680

gladly a [h__\h] giant probably at this

589

00:28:30,390 --> 00:28:25,150

point if you're if you're taking a base

590

00:28:32,650 --> 00:28:30,400

value well in that big the the the dude

591

00:28:35,110 --> 00:28:32,660

what was his name

592

00:28:37,270 --> 00:28:35,120

mound builders I wish I could remember

593

00:28:43,090 --> 00:28:37,280

his name but he let it back to Daniel

594

00:28:45,610 --> 00:28:43,100

Pulido Viera Jim Vieira yeah Jim Vieira

595

00:28:48,160 --> 00:28:45,620

and he he traced it all the way back to

596

00:28:51,640 --> 00:28:48,170

what he thought was actual evidence that

597

00:28:54,010 --> 00:28:51,650

Atlantis was a real place which was the

598

00:28:55,480 --> 00:28:54,020

first bit of evidence that I've ever

599

00:28:58,450 --> 00:28:55,490

seen in my life and you guys know I'm

600

00:29:00,460 --> 00:28:58,460

not a Bigfoot guy I am NOT a UFO guy I'm

601
00:29:02,680 --> 00:29:00,470
very very skeptical when it comes to

602
00:29:04,750 --> 00:29:02,690
this stuff but I had never heard any

603
00:29:07,330 --> 00:29:04,760
more compelling evidence than what he

604
00:29:09,400 --> 00:29:07,340
presented as far as what could

605
00:29:12,010 --> 00:29:09,410
potentially have led to the actual

606
00:29:14,400 --> 00:29:12,020
civilization of Atlantis it was very

607
00:29:19,600 --> 00:29:14,410
compelling this makes me think I mean

608
00:29:21,910 --> 00:29:19,610
this history of earth is so it's

609
00:29:25,600 --> 00:29:21,920
documented but it's also it's all

610
00:29:27,340 --> 00:29:25,610
wrapped up in fables and in in legends

611
00:29:29,890 --> 00:29:27,350
and so if you have an Atlantis you

612
00:29:32,110 --> 00:29:29,900
believe in that or or UFOs maybe the

613
00:29:34,350 --> 00:29:32,120

missing for one thing maybe people are

614

00:29:36,700 --> 00:29:34,360

being taken by some deal that was made

615

00:29:38,140 --> 00:29:36,710

thousands of years ago and we're locked

616

00:29:41,770 --> 00:29:38,150

into this contract that we know nothing

617

00:29:44,920 --> 00:29:41,780

about who knows

618

00:29:46,540 --> 00:29:44,930

we're gonna continue I do have one more

619

00:29:47,880 --> 00:29:46,550

email I'm not gonna read it at this

620

00:29:50,230 --> 00:29:47,890

point

621

00:29:52,270 --> 00:29:50,240

because I'm running out of steam people

622

00:29:55,810 --> 00:29:52,280

I'm meeting I'm getting very worked up

623

00:29:58,630 --> 00:29:55,820

over here very agitated getting very

624

00:30:01,960 --> 00:29:58,640

agitated I'm just running out of steam I

625

00:30:03,730 --> 00:30:01,970

got a place to move or watch that's it's

626

00:30:05,290 --> 00:30:03,740

very hot for whatever reason I have air

627

00:30:07,300 --> 00:30:05,300

conditioning in this [h__h] place and

628

00:30:09,910 --> 00:30:07,310

it's not getting up my [h__h] studio

629

00:30:11,590 --> 00:30:09,920

command center alpha one here you do

630

00:30:12,970 --> 00:30:11,600

also have like a giant array running

631

00:30:14,860 --> 00:30:12,980

probably making a hot ass business yeah

632

00:30:17,800 --> 00:30:14,870

I'm running numerous computers it is

633

00:30:21,010 --> 00:30:17,810

very hot in command center of a1 I am

634

00:30:22,690 --> 00:30:21,020

surrounded by monitors and sound

635

00:30:27,010 --> 00:30:22,700

equipment and I know I'm coming off

636

00:30:27,790 --> 00:30:27,020

angry and agitated but I apologize me

637

00:30:33,880 --> 00:30:27,800

I'm not yelling at you

638

00:30:35,470 --> 00:30:33,890

I'm yelling at myself now where'd you

639

00:30:37,450 --> 00:30:35,480

say you guys wanna get out of here I

640

00:30:39,100 --> 00:30:37,460

just want to cover one story real quick

641

00:30:40,360 --> 00:30:39,110

we'll get that email I guess later in

642

00:30:43,840 --> 00:30:40,370

the week when we do rather show yeah I

643

00:30:45,070 --> 00:30:43,850

mean at the YouTube video gets out there

644

00:30:45,460 --> 00:30:45,080

and more and more people call in with

645

00:30:46,990 --> 00:30:45,470

audition

646

00:30:48,549 --> 00:30:47,000

voicemails and in there ideas and

647

00:30:53,549 --> 00:30:48,559

theories about missing for one I'll

648

00:30:58,720 --> 00:30:57,130

sounds good so I got one it's more of a

649

00:31:01,659 --> 00:30:58,730

humorous one so we can leave it off I
