00:00:12,020 --> 00:00:09,500  
hey everyone OPEC is back on the red

2  
00:00:15,110 --> 00:00:12,030  
Boyd server to see what's going on we

3  
00:00:17,630 --> 00:00:15,120  
head south the sea Bartertown is still

4  
00:00:21,109 --> 00:00:17,640  
there I'll be honest this is not a very

5  
00:00:23,900 --> 00:00:21,119  
exciting episode but at the same time I

6  
00:00:26,870 --> 00:00:23,910  
don't know the red Boyd server is very

7  
00:00:31,070 --> 00:00:26,880  
exciting at all I just try to enjoy and

8  
00:00:32,600 --> 00:00:31,080  
thanks for watching bye you probably

9  
00:00:36,020 --> 00:00:32,610  
haven't been on the server in like six

10  
00:00:41,180 --> 00:00:36,030  
months all right give your zombie map

11  
00:00:45,440 --> 00:00:41,190  
ready as well what a zero in on Muldrew

12  
00:00:47,150 --> 00:00:45,450  
I know Mulder well yeah you know what

13  
00:00:48,529 --> 00:00:47,160

you're right but it's been a while for

14

00:00:52,450 --> 00:00:48,539

me so as to want to take too many

15

00:00:55,610 --> 00:00:52,460

chances are going into enemy territory

16

00:00:57,889 --> 00:00:55,620

alright i'm clicking in already did the

17

00:01:05,000 --> 00:00:57,899

ex and you would take forever i just got

18

00:01:09,770 --> 00:01:05,010

in just probably be no loot in this

19

00:01:17,100 --> 00:01:09,780

[h\_\_h] server yeah just take this one

20

00:01:23,340 --> 00:01:21,210

that it is remembered grab some food

21

00:01:28,860 --> 00:01:23,350

whatever food you can just this house is

22

00:01:30,780 --> 00:01:28,870

completely looted yeah some water is

23

00:01:36,690 --> 00:01:30,790

still on that's good as soon as you get

24

00:01:38,310 --> 00:01:36,700

a bearing let me know I mean that you

25

00:01:41,969 --> 00:01:38,320

remember that house you get kept eating

26  
00:01:48,770 --> 00:01:41,979  
trapped in and dying as a Jan Brady yes

27  
00:01:54,710 --> 00:01:51,350  
there's nothing in his house I was

28  
00:01:56,359 --> 00:01:54,720  
raining too [h\_\_h] oh wait you start off

29  
00:01:58,039 --> 00:01:56,369  
with a water bottle and food in a

30  
00:02:01,039 --> 00:01:58,049  
bandage holy [h\_\_h] never mind we're good

31  
00:02:05,770 --> 00:02:01,049  
remediate Lee good on food okay uh and

32  
00:02:10,699 --> 00:02:05,780  
water I got some chips found a pulley I

33  
00:02:13,699 --> 00:02:10,709  
mean okay nothing's we need some rain

34  
00:02:16,190 --> 00:02:13,709  
coats yeah I find a garbage bag grab it

35  
00:02:22,630 --> 00:02:16,200  
we're gonna find it if you find any kind

36  
00:02:22,640 --> 00:02:27,360  
I'm trying to get a bearing on myself

37  
00:02:33,280 --> 00:02:31,420  
I'm at court moon medical okay i'm gonna

38  
00:02:35,440 --> 00:02:33,290

make a guess and say that you're north

39

00:02:37,690 --> 00:02:35,450

of me if there's anything in Long I see

40

00:02:42,490 --> 00:02:37,700

some skin humans over here that's always

41

00:02:44,710 --> 00:02:42,500

a good sign [h\_\_h] there's nothing at

42

00:02:49,059 --> 00:02:44,720

cortland I think we got to rob some

43

00:02:51,880 --> 00:02:49,069

people it's a possibility i'm at the

44

00:02:53,380 --> 00:02:51,890

food market I think I'm writedowns some

45

00:02:57,910 --> 00:02:53,390

of the food market I think I'm north of

46

00:03:11,860 --> 00:03:00,960

yeah I'm north of you I'm coming south

47

00:03:13,900 --> 00:03:11,870

are you get a plank zombie out here well

48

00:03:15,280 --> 00:03:13,910

this next in the zombie well take it

49

00:03:20,949 --> 00:03:15,290

I'll take your pill I've to keyboard

50

00:03:22,420 --> 00:03:20,959

yeah you're all i'm bored down take some

51  
00:03:30,130 --> 00:03:22,430  
pants but well that was nice that really

52  
00:03:31,509 --> 00:03:30,140  
solved that problem all right now we can

53  
00:03:33,100 --> 00:03:31,519  
start looking for some stuff economy I

54  
00:03:38,710 --> 00:03:33,110  
can kill zombies at least let's head

55  
00:03:41,949 --> 00:03:38,720  
south and we're gonna start getting cold

56  
00:03:48,100 --> 00:03:41,959  
so give a sweater on right oh yeah yeah

57  
00:03:51,390 --> 00:03:48,110  
yeah I'm good although it is January do

58  
00:03:53,199 --> 00:03:51,400  
they have all over the ground shoes I

59  
00:04:01,740 --> 00:03:53,209  
think people are trying to fortify

60  
00:04:08,020 --> 00:04:01,750  
houses never run into a few small bases

61  
00:04:10,990 --> 00:04:08,030  
shoes TV dinner and cooked grab that bad

62  
00:04:15,580 --> 00:04:11,000  
boy let's take a look at some of these

63  
00:04:17,890 --> 00:04:15,590

houses we have to scavenge we might get

64

00:04:20,229 --> 00:04:17,900

lucky now we do have a little bit of

65

00:04:21,640 --> 00:04:20,239

food on us but that doesn't mean [h\_\_h] we

66

00:04:34,600 --> 00:04:21,650

can we can refill the water with a lot

67

00:04:37,570 --> 00:04:34,610

of damn it man all right said south

68

00:04:41,550 --> 00:04:37,580

we'll just do quick quick Lutz actually

69

00:04:46,779 --> 00:04:41,560

this tool shed yeah I could use a hammer

70

00:04:48,879 --> 00:04:46,789

if there's and it does anything there's

71

00:04:53,200 --> 00:04:48,889

nothing trailer park usually has stuff

72

00:04:54,879 --> 00:04:53,210

surprisingly good old trailer park guess

73

00:04:59,020 --> 00:04:54,889

most people were just too good to check

74

00:05:01,839 --> 00:04:59,030

out the trailer park anyone who is this

75

00:05:04,779 --> 00:05:01,849

the house of Ike it might be we check is

76

00:05:07,240 --> 00:05:04,789

the bathroom yeah yes is it is very cool

77

00:05:08,439 --> 00:05:07,250

was a cabin if you recall just a little

78

00:05:09,909 --> 00:05:08,449

further south of here and that's pretty

79

00:05:13,570 --> 00:05:09,919

close to the warehouse and the trailer

80

00:05:15,490 --> 00:05:13,580

park so and david icke is still logged

81

00:05:18,580 --> 00:05:15,500

off into this that bathroom to this day

82

00:05:20,550 --> 00:05:18,590

technically i found a notched wooden

83

00:05:25,480 --> 00:05:20,560

plank a sheet rope which is good to have

84

00:05:29,920 --> 00:05:25,490

bad concrete take the sheet rope got

85

00:05:32,559 --> 00:05:29,930

that advanced first aid firefighter

86

00:05:35,019 --> 00:05:32,569

jacket okay where that now be awesome

87

00:05:39,550 --> 00:05:35,029

haters rounds of ammo right here ak

88

00:05:42,640 --> 00:05:39,560

rounds take those yeah dirty diaper take

89

00:05:46,329 --> 00:05:42,650

it where's it at I'll take it it's over

90

00:05:50,170 --> 00:05:46,339

here yeah I want that stuff big poopy

91

00:05:53,650 --> 00:05:50,180

streak in it yep Saddam's really into

92

00:05:59,140 --> 00:05:55,960

let's spread out a little bit so we're

93

00:06:00,460 --> 00:05:59,150

not you know I should have taken 365

94

00:06:01,930 --> 00:06:00,470

tissues off a dead zombie and you

95

00:06:05,580 --> 00:06:01,940

started spreading them out spike the

96

00:06:08,410 --> 00:06:05,590

baseball bat what condition is it in

97

00:06:09,820 --> 00:06:08,420

pretty good you shouldn't yeah I grabbed

98

00:06:11,860 --> 00:06:09,830

it I'm gonna actually use that instead

99

00:06:14,640 --> 00:06:11,870

yeah it's better than whatever you are

100

00:06:17,170 --> 00:06:14,650

using probably okay [\h\_\_\h] crowbar dude

101  
00:06:22,600 --> 00:06:17,180  
and drop it crowbars of that great

102  
00:06:25,210 --> 00:06:22,610  
pretty good actually hold on to it only

103  
00:06:28,540 --> 00:06:25,220  
have a acts right now yeah I got some

104  
00:06:33,250 --> 00:06:28,550  
backup weapons for you also have an

105  
00:06:42,240 --> 00:06:33,260  
aluminum baseball bat I'm sorry had a

106  
00:06:46,780 --> 00:06:42,250  
tire iron not the not a crowbar ok I

107  
00:07:08,990 --> 00:06:52,210  
wonder who's the leader just walk in the

108  
00:07:26,360 --> 00:07:11,030  
I can't believe they built this fort for

109  
00:07:34,920 --> 00:07:31,830  
arch hiking bag looks like they have an

110  
00:07:41,580 --> 00:07:34,930  
entrance this is a visitor center with

111  
00:07:46,470 --> 00:07:44,520  
build up is that water good yeah I can't

112  
00:07:54,240 --> 00:07:46,480  
forget it [h\_\_\h] [h\_\_\h] kind of place is

113  
00:07:56,100 --> 00:07:54,250

this whether I'm why do we even dicker

114

00:07:57,630 --> 00:07:56,110

around it Mulder he came down here is

115

00:07:59,480 --> 00:07:57,640

like for baseball bats five aluminum

116

00:08:03,810 --> 00:07:59,490

baseball bat snacks handle I don't know

117

00:08:08,250 --> 00:08:03,820

coffins there's cars there's a full

118

00:08:09,930 --> 00:08:08,260

coffin here I take this um I think you

119

00:08:14,910 --> 00:08:09,940

can obviously you can move it because

120

00:08:45,980 --> 00:08:14,920

they moved it it is 20 pounds I'll take

121

00:08:54,310 --> 00:08:48,530

damn just pile them dead bodies over

122

00:08:54,320 --> 00:09:01,430

just I think they're AFK

123

00:09:01,440 --> 00:09:05,840

hello hey MZ

124

00:09:05,850 --> 00:09:47,460

we've come from the Middle East yeah

125

00:09:51,750 --> 00:09:50,400

I don't think this place again I got a

126

00:09:53,070 --> 00:09:51,760

huge overhaul and lots of people playing

127

00:10:00,920 --> 00:09:53,080

I'm not sure if a lot of people know

128

00:10:07,110 --> 00:10:04,980

tell them you saw us they'll remember so

129

00:10:11,370 --> 00:10:07,120

what tell me so I OPEC around they'll

130

00:10:15,120 --> 00:10:11,380

remember us you saw OPEC around what do

131

00:10:16,980 --> 00:10:15,130

you mean God neat uh you're still like

132

00:10:19,410 --> 00:10:16,990

that person just tell me so OPEC around

133

00:10:22,170 --> 00:10:19,420

I don't know that the faction around the

134

00:10:25,380 --> 00:10:22,180

area I am in OPEC what do you mean I saw

135

00:10:29,220 --> 00:10:25,390

him around I'm not tell them that person

136

00:10:35,250 --> 00:10:29,230

to tell them oh yeah I don't know what

137

00:10:36,360 --> 00:10:35,260

you mean type out what you mean I know

138

00:10:43,740 --> 00:10:36,370

how you couldn't get this out of our

139

00:11:06,770 --> 00:10:43,750

Zane I saw OPEC around I don't know what

140

00:11:11,660 --> 00:11:10,040

oh yeah you couldn't discern that now

141

00:11:14,540 --> 00:11:11,670

tell that person to tell whoever runs

142

00:11:34,210 --> 00:11:14,550

this place they saw OPEC here I didn't

143

00:11:56,050 --> 00:11:36,020

we're looking to start a new business

144

00:11:56,060 --> 00:12:07,260

to equal

147

00:13:07,060 --> 00:12:32,960

I'm say keep mention we don't want

148

00:13:10,030 --> 00:13:08,530

you should have done was built a

149

00:13:17,590 --> 00:13:10,040

carpenter and start sectioning off one

150

00:13:17,600 --> 00:13:25,100

151

00:13:25,110 --> 00:13:41,180

who's the mayor

152

00:14:07,850 --> 00:13:45,550

we want problems we do not want trouble

153

00:14:14,460 --> 00:14:09,960

now I think we should have backup to

154

00:14:17,549 --> 00:14:14,470

155

00:14:19,739 --> 00:14:17,559

216

00:22:20,800 --> 00:22:15,770

actually a set up base around Dixie it's

217

00:22:26,010 --> 00:22:20,810

like we used to yeah we know it you know

218

00:22:28,330 --> 00:22:26,020

it well problem is pvp up there but i

219

00:22:30,940 --> 00:22:28,340

220

00:22:35,050 --> 00:22:30,950

west point now they may look and we can

221

00:22:38,020 --> 00:22:35,060

debate that I don't about too much time

222

00:22:44,470 --> 00:22:38,030

into the server no it's fun to pop on

223

00:22:54,220 --> 00:22:44,480

and see what's going on this is mrs. the

224

00:22:54,230 --> 00:23:01,510

this is something else

225

00:23:10,870 --> 00:23:06,970

some kind of arena might be there

226

00:23:18,580 --> 00:23:10,880

Thunderdome it's pretty terrible if it

227

00:23:20,590 --> 00:23:18,590

230

00:23:55,750 --> 00:23:44,860

237

00:25:32,360 --> 00:25:08,290
