19  
00:01:41,160 --> 00:01:36,359

49

00:03:42,580 --> 00:03:40,350

yeah we better get out of here real

50

00:03:48,140 --> 00:03:42,590

quick bullet they're streaming our

51  
00:03:50,330 --> 00:03:48,150  
neighborhoods coming after Harris yep

52  
00:04:00,020 --> 00:03:50,340  
and clean up to do the real Greg Brady

53  
00:04:02,000 --> 00:04:00,030  
is thirsty d bottle here got I'll take

54  
00:04:05,120 --> 00:04:02,010  
that there's an empty Bobby I can fill

55  
00:04:06,770 --> 00:04:05,130  
up can be able to find some water

56  
00:04:14,510 --> 00:04:06,780  
somewhere if I have to drink your urine

57  
00:04:16,940 --> 00:04:14,520  
i will i'll do it the water cooler over

58  
00:04:20,000 --> 00:04:16,950  
here not just pee in my mouth it's

59  
00:04:23,090 --> 00:04:20,010  
quicker it's quicker no no it's got

60  
00:04:28,600 --> 00:04:23,100  
electrolytes yeah this trailer yeah this

61  
00:04:43,040 --> 00:04:31,480  
somebody tried to uh protective taxi

62  
00:04:52,270 --> 00:04:44,809  
what does zombies trying busted or

63  
00:04:57,680 --> 00:04:54,980

well where's this go just build a jig

64

00:04:59,899 --> 00:04:57,690

seen this go to West Point you got me

65

00:05:05,270 --> 00:04:59,909

down to West Point South Muldrow valley

66

00:05:09,730 --> 00:05:05,280

station and pretty great well I suggest

67

00:05:15,619 --> 00:05:13,850

what do I do go to your like on ground

68

00:05:21,800 --> 00:05:15,629

inventory and right click on notices

69

00:05:23,360 --> 00:05:21,810

taxi oh then you can pick your location

70

00:05:27,140 --> 00:05:23,370

so i guess we're going to West Point the

71

00:05:30,459 --> 00:05:27,150

crab on ground inventory a checkerboard

72

00:05:35,540 --> 00:05:30,469

and then just right click on the stack

73

00:05:36,950 --> 00:05:35,550

I'm not sure you so think if you're

74

00:05:39,890 --> 00:05:36,960

picking up something off the ground yeah

75

00:05:42,170 --> 00:05:39,900

you're Liz menu you loot minus yeah oh

76

00:05:44,990 --> 00:05:42,180

it's just toy taxi no good look at the

77

00:05:48,350 --> 00:05:45,000

one that says taxi right click on that

78

00:05:51,140 --> 00:05:48,360

one okay taxi okay just click on where

79

00:05:55,459 --> 00:05:51,150

you want to go oh I see ah West Point

80

00:06:03,379 --> 00:05:55,469

sure let's go all right I'm going we do

81

00:06:07,370 --> 00:06:03,389

she's wonder all once fun oh [h\_\_h] yeah

82

00:06:23,850 --> 00:06:07,380

I'm not gonna make it time oh [h\_\_h] Greg

83

00:06:27,629 --> 00:06:25,649

take a little bit of time but I guess

84

00:06:29,010 --> 00:06:27,639

that's someone yeah if you're running

85

00:06:33,260 --> 00:06:29,020

from a horde this probably isn't the

86

00:06:35,070 --> 00:06:33,270

best option cleared out first or

87

00:06:40,020 --> 00:06:35,080

somebody sitting there with the sniper

88

00:06:49,980 --> 00:06:40,030

rifle all right Greg baby arrived here

89

00:06:52,469 --> 00:06:49,990

in West Point bombs right behind you we

90

00:07:00,129 --> 00:06:52,479

should let the people know that West

91

00:07:09,989 --> 00:07:05,379

oh [h\_\_h] there's a few zombies there

92

00:07:09,999 --> 00:07:15,369

[h\_\_h] is going live

93

00:07:27,140 --> 00:07:19,520

they're uber drivers yep is often an

94

00:07:28,760 --> 00:07:27,150

actor pissed Greg Brady just did it

95

00:07:33,980 --> 00:07:28,770

behind the back swing which was totally

96

00:07:40,659 --> 00:07:33,990

awesome I'm gonna both silencers I got a

97

00:07:54,170 --> 00:07:44,800

that's your brother that's not me now I

98

00:07:55,760 --> 00:07:54,180

got a silenced shotgun that's awesome if

99

00:08:12,140 --> 00:07:55,770

you guys are using shotguns i'm gonna

100

00:08:31,279 --> 00:08:12,150

use shotgun god this is a bad place to

101

00:08:31,289 --> 00:08:48,340

taxi battle

102

00:09:00,050 --> 00:08:57,200

get out of here we got to get out here

103

00:09:06,830 --> 00:09:00,060

you go to Seinfeld's houses let's go

104

00:09:08,630 --> 00:09:06,840

Seinfeld tough break all right well

105

00:09:10,250 --> 00:09:08,640

maybe we should go check out either go

106

00:09:11,900 --> 00:09:10,260

look for a silencer at the police

107

00:09:14,720 --> 00:09:11,910

station or I go to the hardware store

108

00:09:15,830 --> 00:09:14,730

pick up a web supplies we need but we

109

00:09:19,280 --> 00:09:15,840

probably don't need too many supplies

110

00:09:21,320 --> 00:09:19,290

we're pretty good however the

111

00:09:29,860 --> 00:09:21,330

Playstations literally right there get

112

00:09:29,870 --> 00:09:40,780

cool going in hold I'm coming out okay

113

00:09:55,660 --> 00:09:52,760

look for better shotgun zombies are

114

00:09:58,610 --> 00:09:55,670

dropping a lot of vanilla stuff now true

115

00:10:15,680 --> 00:09:58,620

this guy's got 44 Magnum around since

116

00:10:27,170 --> 00:10:15,690

Adam a red hawk and a lot of weapons on

117

00:10:29,570 --> 00:10:27,180

the floor [h\_\_h] took all the weapons dump

118

00:10:33,170 --> 00:10:29,580

them on the floor out front yeah thanks

119

00:10:42,160 --> 00:10:33,180

I guess probably trying to get it to

120

00:10:47,840 --> 00:10:45,980

and it no auto shotguns ray Brady's

121

00:11:00,750 --> 00:10:47,850

taking a [h\_\_h] right here in the gun

122

00:11:00,760 --> 00:11:12,420

where it is on the floor my giant slug

123

00:11:18,280 --> 00:11:15,940

ever underestimate Brady's bowel

124

00:11:19,810 --> 00:11:18,290

movements yes wait a lot of chips at

125

00:11:26,410 --> 00:11:19,820

some birdseed in the hot sauce really

126  
00:11:32,890 --> 00:11:26,420  
went through Bernsen hot sauce would be

127  
00:11:34,780 --> 00:11:32,900  
ready the awful like still over there

128  
00:11:37,180 --> 00:11:34,790  
I'm right here now they're your arcade

129  
00:11:42,280 --> 00:11:37,190  
good something a man found us but they

130  
00:11:47,560 --> 00:11:42,290  
ran away mm-hmm turquoise blue turquoise

131  
00:11:55,120 --> 00:11:47,570

132  
00:11:56,980 --> 00:11:55,130

133  
00:12:01,240 --> 00:11:56,990  
a rifle free to start fightin people

134  
00:12:12,910 --> 00:12:01,250  
probably have a [h\_\_h] I have a [h\_\_h] ton

135  
00:12:34,920 --> 00:12:14,680  
it's got to lose himself around on my

136  
00:12:39,730 --> 00:12:37,060  
we could take it over to a geezer could

137  
00:12:42,040 --> 00:12:39,740  
turn this into our branch davidian yeah

138  
00:12:44,950 --> 00:12:42,050

be fine have a standoff with the people

139

00:12:47,230 --> 00:12:44,960

that's what that is you know just south

140

00:12:50,200 --> 00:12:47,240
