RedBoid Server | [OPEC] Faction

New Recruits

1
00:00:11,660 --> 00:00:09,160
OPEC is back on redwood and it appears

2
00:00:15,049 --> 00:00:11,670
crossroads a trading community has

3
00:00:17,870 --> 00:00:15,059
fallen we investigate and at the same

4
00:00:20,630 --> 00:00:17,880
time try to defend our own northern fort

5
00:00:26,179 --> 00:00:20,640
thanks for watching and talking later

6
00:00:28,070 --> 00:00:26,189
bye and um okay so can someone can be

7
00:00:29,779 --> 00:00:28,080
run down of what just happened at fort

8
00:00:33,799 --> 00:00:29,789
jones because that was our meeting point

9
00:00:35,900 --> 00:00:33,809
so what happened [h__h] slough so we had

10
00:00:37,819 --> 00:00:35,910
we were there working in a couple of

11
00:00:40,250 --> 00:00:37,829
people Sarah and Gustav showed up and

12
00:00:42,229 --> 00:00:40,260
they started to loot our stuff and we

13
00:00:44,180 --> 00:00:42,239

asked them to leave and then we

14

00:00:46,819 --> 00:00:44,190

threatened them and then once they still

15

00:00:49,729 --> 00:00:46,829

refuse to leave we murdered them ha and

16

00:00:52,340 --> 00:00:49,739

then they came back in bras zombies of

17

00:00:56,389 --> 00:00:52,350

course there was also like there was

18

00:00:59,240 --> 00:00:56,399

also a guy named Martian who who was

19

00:01:01,099 --> 00:00:59,250

there as well I murdered him but uh he

20

00:01:03,920 --> 00:01:01,109

never came back so maybe we shouldn't

21

00:01:05,810 --> 00:01:03,930

have killed him but ty look I mean

22

00:01:06,920 --> 00:01:05,820

you're under a lot of stress and a lot

23

00:01:10,399 --> 00:01:06,930

of things are going on it's

24

00:01:13,370 --> 00:01:10,409

understandable very true very true

25

00:01:16,340 --> 00:01:13,380

favorite they were alluding our base so

26

00:01:20,450 --> 00:01:16,350

it is within rules to Kayla or kill them

27

00:01:23,570 --> 00:01:20,460

yeah absolutely um so I met the chin he

28

00:01:26,140 --> 00:01:23,580

just shot by the way look out yeah mark

29

00:01:31,190 --> 00:01:26,150

something long crazy yeah that guy yeah

30

00:01:38,359 --> 00:01:31,200

else your head last thing I'm at ten 880

31

00:01:40,550 --> 00:01:38,369

by 10 200 uh q come on bit south I'm not

32

00:01:42,469 --> 00:01:40,560

seeing [h__h] in this Shack in fact I'm a

33

00:01:45,800 --> 00:01:42,479

having trouble finding the shack I'm

34

00:01:49,580 --> 00:01:45,810

seeing like shelves everywhere that's

35

00:01:51,980 --> 00:01:49,590

exactly right there what it is check the

36

00:01:54,350 --> 00:01:51,990

ground all right no the oven y'all

37

00:01:57,139 --> 00:01:54,360

batters in the oven yes the most loyal

38

00:01:59,450 --> 00:01:57,149

I'm seeing somebody right hey there's no

39

00:02:02,899 --> 00:01:59,460

pack hey what's up what's that my

40

00:02:05,630 --> 00:02:02,909

rejoining the game's over here my pc

41

00:02:06,770 --> 00:02:05,640

actually crashed so that's cerning I'm

42

00:02:10,080 --> 00:02:06,780

not

43

00:02:13,050 --> 00:02:10,090

thank you in the bathroom there's a bag

44

00:02:14,550 --> 00:02:13,060

full of guns and ammo it's kind of hard

45

00:02:16,800 --> 00:02:14,560

to see if you don't have cat eyes or

46

00:02:19,680 --> 00:02:16,810

whatever yeah I don't see [h__h] because

47

00:02:23,280 --> 00:02:19,690

it's kind of blocked off um oh [h__h] okay

48

00:02:25,800 --> 00:02:23,290

let me get my lighter I see nine if

49

00:02:27,270 --> 00:02:25,810

anybody's near where Mark was I would

50

00:02:29,130 --> 00:02:27,280

evacuate the area because he shot

51
00:02:34,020 --> 00:02:29,140
another zombies are showing up there's

52
00:02:38,460 --> 00:02:34,030
an action here too okay um it's a [h__\h]

53
00:02:42,210 --> 00:02:38,470
compromiser no no I just need a float

54
00:02:45,780 --> 00:02:42,220
yeah yeah yeah it is Mike watch out yeah

55
00:02:48,030 --> 00:02:45,790
[h__\h] okay as you run out of their [h__\h]

56
00:02:51,270 --> 00:02:48,040
I'll come up there trying to lose the

57
00:02:54,059 --> 00:02:51,280
smart guy somebody yeah well these

58
00:03:00,569 --> 00:02:54,069
zombies came in out of nowhere I'm

59
00:03:04,740 --> 00:03:00,579
coming over two down oh [h__\h] there's a

60
00:03:07,050 --> 00:03:04,750
lot more than two yeah there is don't

61
00:03:10,460 --> 00:03:07,060
understand I using guns means you have

62
00:03:13,229 --> 00:03:10,470
more than two boxes Mark who's Mark

63
00:03:15,629 --> 00:03:13,239

Marcus just some random dude shoes the

64
00:03:21,270 --> 00:03:15,639
reason why the zombies are here god damn

65
00:03:25,960 --> 00:03:23,410
mr. on him in closer he knows we're

66
00:03:28,990 --> 00:03:25,970
gonna tell him to stop firing no kill

67
00:03:31,770 --> 00:03:29,000
him Marcus do it I don't know he's got a

68
00:03:34,270 --> 00:03:31,780
[h__\h] I think he's got the nation k

69
00:03:36,280 --> 00:03:34,280
not fine i just don't stop firing if he

70
00:03:38,560 --> 00:03:36,290
won't then he's just gonna follow if he

71
00:03:42,310 --> 00:03:38,570
continues to follow us I warned him once

72
00:03:43,630 --> 00:03:42,320
and then we'll have to kill him okay hey

73
00:03:47,230 --> 00:03:43,640
this dude keeps talking to us in a

74
00:03:49,540 --> 00:03:47,240
random language okay I think he knows

75
00:03:51,910 --> 00:03:49,550
that we're uh I didn't American i did

76

00:03:53,860 --> 00:03:51,920

not even get a chance to you get the

77

00:03:59,320 --> 00:03:53,870

point for [h__h] it I don't need it if I'm

78

00:04:00,820 --> 00:03:59,330

not armed great I think we get Mike if

79

00:04:02,470 --> 00:04:00,830

you want to get that gun we can hold

80

00:04:03,610 --> 00:04:02,480

them off for a while I don't I don't

81

00:04:05,560 --> 00:04:03,620

even know where that is it in the

82

00:04:08,020 --> 00:04:05,570

bathroom yeah it's in the hold on I'll

83

00:04:10,450 --> 00:04:08,030

get my lighter out again and you should

84

00:04:11,980 --> 00:04:10,460

be able to see it's in a bag a big

85

00:04:16,210 --> 00:04:11,990

hunting bag is there a zombie in here

86

00:04:22,870 --> 00:04:16,220

87

00:04:24,910 --> 00:04:22,880

kill this on ok I can teachers after I

88

00:04:28,870 --> 00:04:24,920

98

00:04:53,980 --> 00:04:52,370

99

00:04:56,980 --> 00:04:53,990

100

00:04:59,320 --> 00:04:56,990

grab the bag ok lock the door too

101
00:05:02,360 --> 00:04:59,330
there's one underneath the political

102
00:05:07,450 --> 00:05:04,920
I'm trying to grab his goddamn bag I

103
00:05:13,880 --> 00:05:11,900
god damn it mark okay I can't I cannot

104
00:05:16,670 --> 00:05:13,890
see [h__h] so it's hard for me to grab

105
00:05:20,150 --> 00:05:16,680
anything all right either kill marker

106
00:05:21,530 --> 00:05:20,160
leave okay kill ya tell him it make sure

107
00:05:23,660 --> 00:05:21,540
you tell them that you're gonna kill him

108
00:05:25,310 --> 00:05:23,670
before you do anything someone someone's

109
00:05:26,810 --> 00:05:25,320
got bit or something it was script me

110
00:05:29,330 --> 00:05:26,820
getting scratched time I'd grabbed a bag

111
00:05:31,550 --> 00:05:29,340
but I'm severely over wait I'm gum goes

112
00:05:33,560 --> 00:05:31,560
down do you guys know where you died

113
00:05:37,610 --> 00:05:33,570

were you inside or outside all right

114

00:05:40,790 --> 00:05:37,620

outside sunshine I see somebody filled

115

00:05:42,680 --> 00:05:40,800

one of these with a loot one of these

116

00:05:45,080 --> 00:05:42,690

has gotten a little lootenant yes oh

117

00:05:46,970 --> 00:05:45,090

just take her buddies and oh yeah i'm

118

00:05:48,200 --> 00:05:46,980

trying to find them I can't find there's

119

00:05:50,900 --> 00:05:48,210

so many corpses cuz he just keeps

120

00:05:54,290 --> 00:05:50,910

shooting is she still around there as he

121

00:05:56,330 --> 00:05:54,300

still firing me yeah Shh I'm here tryna

122

00:05:57,710 --> 00:05:56,340

find their boxer you know he's

123

00:05:59,480 --> 00:05:57,720

eventually gonna get run over he's run

124

00:06:03,380 --> 00:05:59,490

away just tell him that he's thought I

125

00:06:06,680 --> 00:06:03,390

did I told him yeah Arnie multi-city an

126
00:06:09,110 --> 00:06:06,690
extreme amount of ammo he's wasted so

127
00:06:12,230 --> 00:06:09,120
either he is an admin supported or he is

128
00:06:14,120 --> 00:06:12,240
a very experienced player he's probably

129
00:06:17,360 --> 00:06:14,130
been sitting on the police station like

130
00:06:18,950 --> 00:06:17,370
problem clockwork probably has thousands

131
00:06:20,960 --> 00:06:18,960
and thousands of rounds all right I'm

132
00:06:22,820 --> 00:06:20,970
down your crossroads might as well try

133
00:06:24,290 --> 00:06:22,830
to be friendly with him that all right I

134
00:06:26,180 --> 00:06:24,300
just you in telling where the goddamn

135
00:06:28,520 --> 00:06:26,190
gun stores that I'm ready I'm Angeles

136
00:06:30,440 --> 00:06:28,530
well split up and see if you can find it

137
00:06:33,770 --> 00:06:30,450
um it's probably on the second floor I

138
00:06:36,320 --> 00:06:33,780

would think Jamie Saddam can't see

139

00:06:37,550 --> 00:06:36,330

doesn't have as glasses on put your

140

00:06:41,330 --> 00:06:37,560

glasses on he's having a tough time

141

00:06:44,060 --> 00:06:41,340

getting in there I don't think I've ever

142

00:06:46,780 --> 00:06:44,070

seen a clan get without that fast boys

143

00:06:50,480 --> 00:06:46,790

being honest well it was only two thanks

144

00:06:55,250 --> 00:06:50,490

that's great we do a lot of persons he

145

00:06:57,230 --> 00:06:55,260

do a lot of person died yet and that was

146

00:07:01,640 --> 00:06:57,240

Desert Storm all over again game not

147

00:07:05,730 --> 00:07:03,900

I'm spawning then no that's more like

148

00:07:14,090 --> 00:07:05,740

[h__h] Omaha Beach you guys getting

149

00:07:16,380 --> 00:07:14,100

mowed down yeah god damn Nazis okay okay

150

00:07:20,490 --> 00:07:16,390

Saddam is running around like a goddamn

151

00:07:22,050 --> 00:07:20,500

fool yes so might this is like a large

152

00:07:23,580 --> 00:07:22,060

abandoned city this is worse there's no

153

00:07:28,010 --> 00:07:23,590

zombies but there's no one here it does

154

00:07:32,160 --> 00:07:30,510

it's definitely not abandoned I just

155

00:07:35,460 --> 00:07:32,170

don't think that that many people what

156

00:07:37,770 --> 00:07:35,470

we're on right now hmm crime scene you'd

157

00:07:39,930 --> 00:07:37,780

be more active slightly later in the

158

00:07:41,940 --> 00:07:39,940

evening it must be my internet

159

00:07:43,650 --> 00:07:41,950

connection let me restart Maya oh no

160

00:07:45,570 --> 00:07:43,660

that sounds like a air-conditioned nice

161

00:07:47,400 --> 00:07:45,580

sounds like background eyes whatever we

162

00:07:49,470 --> 00:07:47,410

can deal with it nothing kill well the

163

00:07:52,380 --> 00:07:49,480

weird thing is if you guys didn't notice

164

00:07:55,470 --> 00:07:52,390

it then or before I did I didn't say

165

00:07:57,600 --> 00:07:55,480

anything okay is there anything i can

166

00:08:02,410 --> 00:07:57,610

post [h__\h] to stare don't like out I

167

00:08:05,950 --> 00:08:02,420

think that's all right mr. rope upstairs

168

00:08:07,060 --> 00:08:05,960

no there's not [h__\h] um I'm gonna cross

169

00:08:09,250 --> 00:08:07,070

street and see if I can find a chair

170

00:08:13,090 --> 00:08:09,260

arrest it is a cheering hear anyone in

171

00:08:15,490 --> 00:08:13,100

the top floor cheerin cortman okay wait

172

00:08:17,610 --> 00:08:15,500

do you have saws & hammers I can build

173

00:08:20,500 --> 00:08:17,620

us up there uh yeah I us all I think

174

00:08:23,740 --> 00:08:20,510

nice yeah we're going up yeah I built

175

00:08:25,380 --> 00:08:23,750

I'm arrest real quick a lot of stuff do

176

00:08:32,110 --> 00:08:25,390

you assault where hammer or both

177

00:08:39,250 --> 00:08:38,380

Oh scare me that background noise pretty

178

00:08:41,990 --> 00:08:39,260

obvious I dropped it on the ground

179

00:08:50,960 --> 00:08:47,000

181

00:09:09,630 --> 00:08:54,810

is everyone mobile yes for cop spotted

182

00:09:12,900 --> 00:09:11,250

it would be nice to have the second

183

00:09:18,750 --> 00:09:12,910

floor court rinse is a backup place to

184

00:09:23,120 --> 00:09:18,760

go to make it happen a lot of for Jones

185

00:09:26,430 --> 00:09:23,130

as bad as everyone says it is then it's

186

00:09:34,980 --> 00:09:26,440

we lost a lot of people trying to hold

187

00:09:41,040 --> 00:09:34,990

that for it RM hang up to cortland stuff

188

00:09:43,730 --> 00:09:41,050

195

00:10:23,090 --> 00:10:19,710

does that sound any better can you guys

196

00:10:25,620 --> 00:10:23,100

hear a bunch of background noise yeah

197

00:10:29,820 --> 00:10:25,630

198

00:10:32,880 --> 00:10:29,830

199

00:10:34,500 --> 00:10:32,890

Western capitalist shake uh any you guys

200

00:10:38,579 --> 00:10:34,510

201
00:10:44,280 --> 00:10:38,589
I had ten boxes on my dead body I'm not

202
00:10:48,329 --> 00:10:44,290
sure someone got it uh oh god that'd be

203
00:10:50,400 --> 00:10:48,339
ashamed to lose that uh we could always

204
00:10:51,780 --> 00:10:50,410
try putting over here oh so we can

205
00:10:53,190 --> 00:10:51,790
always just say [h__h] Portman and go find

206
00:10:54,269 --> 00:10:53,200

wasting time here let's go it's been a

211
00:11:05,639 --> 00:11:03,820
long list hopefully the planks will be

212
00:11:07,079 --> 00:11:05,649
here if we have to come back damn sure

213
00:11:12,720 --> 00:11:07,089

there's a lot that's a lot of weight to

214

00:11:18,480 --> 00:11:12,730
