4
00:00:20,990 --> 00:00:19,230
awful at combat I suck I can't reload I

5
00:00:26,599 --> 00:00:21,000
don't know anything enjoy the episode

6
00:00:30,349 --> 00:00:26,609
like subscribe doc you later bye [\h__\h] we

7
00:00:33,130 --> 00:00:30,359
need food yeah I have this box Emery's

8
00:00:36,470 --> 00:00:33,140
and the stash in the woods by the shack

9
00:00:40,310 --> 00:00:36,480
just one box well I mean there's like 20

10
00:00:43,610 --> 00:00:40,320
in ok ok I box okay like a pallet no not

11
00:00:45,260 --> 00:00:43,620
quite so Powell uses like five or 10 I

12
00:00:47,540 --> 00:00:45,270
tell you what I think you should be the

13
00:00:49,940 --> 00:00:47,550

only one that knows that location can

14

00:00:52,549 --> 00:00:49,950

you go ahead and bring a few back or us

15

00:00:54,650 --> 00:00:52,559

I think we should be we should actually

16

00:00:56,420 --> 00:00:54,660

uh we have nice group here make our way

17

00:00:59,150 --> 00:00:56,430

out to the Construction Yard and see if

18

00:01:02,750 --> 00:00:59,160

we can get any seeds or anything yeah

19

00:01:04,160 --> 00:01:02,760

I'm draw out some stuff hopefully when I

20

00:01:06,700 --> 00:01:04,170

was remaking even-odd slim irony right

21

00:01:10,010 --> 00:01:06,710

on to some Russians I'm sure they're

22

00:01:11,510 --> 00:01:10,020

ready to murder probably they ran after

23

00:01:16,990 --> 00:01:11,520

me but I brandished a handgun on the

24

00:01:19,969 --> 00:01:17,000

neck backed off yeah well we need to uh

25

00:01:21,859 --> 00:01:19,979

meet at the gas station so we are

26

00:01:23,210 --> 00:01:21,869

playing I think to go up to the

27

00:01:25,670 --> 00:01:23,220

Construction Yard and see if we can get

28

00:01:29,539 --> 00:01:25,680

any seeds equipment whatever we're never

29

00:01:32,660 --> 00:01:29,549

start growing food yeah I got the big

30

00:01:33,770 --> 00:01:32,670

inear books good I can drop down the

31

00:01:35,330 --> 00:01:33,780

rope if you guys want to get it to the

32

00:01:37,069 --> 00:01:35,340

gas station to sift around through what

33

00:01:39,260 --> 00:01:37,079

I have so far oh you already on the roof

34

00:01:40,999 --> 00:01:39,270

every time I've played on the project

35

00:01:43,190 --> 00:01:41,009

zomboid server on that void of police

36

00:01:47,420 --> 00:01:43,200

guy I basis absolutely destroyed our

37

00:01:51,800 --> 00:01:47,430

Emma the server Sunni Sonam is getting

38

00:01:54,319 --> 00:01:51,810

very hungry sudan sudan yeah there's

39

00:01:56,240 --> 00:01:54,329

some food at the fossil okay I don't

40

00:01:59,420 --> 00:01:56,250

know where fossil oil is that it's in

41

00:02:01,219 --> 00:01:59,430

the highway chillin yes I read by sun

42

00:02:04,190 --> 00:02:01,229

star hotel I believe ok let's go up

43

00:02:07,999 --> 00:02:04,200

44

00:02:12,280 --> 00:02:08,009

45

00:02:14,179 --> 00:02:12,290

47

00:02:17,449 --> 00:02:15,360

you're going to gas to go but we're

48

00:02:22,429 --> 00:02:17,459

52
00:02:33,110 --> 00:02:28,920
female obviously has to be killed by own

53
00:02:35,479 --> 00:02:33,120
back traditionally yes maybe I'm not

54
00:02:39,289 --> 00:02:35,489
dropping this off after all absolutely

55
00:02:42,770 --> 00:02:39,299

64

00:03:19,390 --> 00:03:17,720

65

00:03:22,090 --> 00:03:19,400

[h__h] hell no way I can deal with this

66

00:03:25,809 --> 00:03:22,100

[h__h] I found him yeah you know us yeah

67

00:03:27,309 --> 00:03:25,819

yeah yeah um should we just run past him

68

00:03:34,750 --> 00:03:27,319

while the saw up there I'm looking with

69

00:03:38,110 --> 00:03:34,760

them yeah I want to see how these guys

70

00:03:40,180 --> 00:03:38,120

react to this situation us just staring

71

00:03:42,670 --> 00:03:40,190

at them yes I can throw a pipe bomb Adam

72

00:03:44,020 --> 00:03:42,680

wait do I need a lighter like I don't

73

00:03:46,240 --> 00:03:44,030

know exactly how it works but you

74

00:03:48,400 --> 00:03:46,250

definitely have PvP on 25 do any

75

00:03:50,470 --> 00:03:48,410

anything and they probably have a case

76
00:03:53,170 --> 00:03:50,480
oh yeah we the [h__\h] that would drone in

77
00:03:55,949 --> 00:03:53,180
a massive amount comes Andre I just got

78
00:03:59,110 --> 00:03:55,959
randomly scratch those nor ear zombies

79
00:04:03,060 --> 00:03:59,120
yeah yes like rashes well good thing

80
00:04:07,780 --> 00:04:03,070
infections not on you should be fine um

81
00:04:15,039 --> 00:04:07,790
Bato uh what is colo and Russian I

82
00:04:18,340 --> 00:04:15,049
forget you say oh god its type in sukkah

83
00:04:24,420 --> 00:04:18,350
and leaving me [h__\h] he's got his gun

84
00:04:31,090 --> 00:04:27,159
I'm not gonna bother talking to that

85
00:04:33,310 --> 00:04:31,100
[h__\h] maybe I can just say something

86
00:04:40,090 --> 00:04:33,320
like Vladimir Putin is a pitcher you say

87
00:04:44,170 --> 00:04:40,100
Putin see good number one and just a

88
00:04:50,920 --> 00:04:44,180

Canadian 15 oh [ʰ__\h] off it's gonna be

89

00:04:53,590 --> 00:04:50,930

drawn in a lot of zombies now you guys

90

00:04:57,000 --> 00:04:53,600

are Nora I'd be easy these are the dudes

91

00:04:59,830 --> 00:04:57,010

who uh [ʰ__\h] took that horde to uh

92

00:05:02,860 --> 00:04:59,840

yeah Malcolm do it again that's fine not

93

00:05:15,610 --> 00:05:12,470

medic nomadic up by on that road right

94

00:05:18,290 --> 00:05:15,620

here is where we need to go bruh that

95

00:05:25,190 --> 00:05:18,300

four-way intersection right by false oil

96

00:05:27,500 --> 00:05:25,200

yeah he's okay slowly making my way

97

00:05:29,410 --> 00:05:27,510

north as game looks clearly it's

98

00:05:31,910 --> 00:05:29,420

starting to feel like some kind of the

99

00:05:33,470 --> 00:05:31,920

section by section game right now these

100

00:05:38,330 --> 00:05:33,480

Russians don't appear to be a problem

101
00:05:44,290 --> 00:05:38,340
for us right now so there's fresh acts

102
00:05:49,430 --> 00:05:46,790
monday but where are you come on baby

103
00:05:52,160 --> 00:05:49,440
I'm at the cross right let's head down

104
00:05:55,280 --> 00:05:52,170
let's go to construct layer now to make

105
00:05:58,790 --> 00:05:55,290
a break for it I'll catch up with you in

106
00:06:00,260 --> 00:05:58,800
just a minute those Russian seems to be

107
00:06:02,030 --> 00:06:00,270
drawn the zombie south I think they're

108
00:06:04,010 --> 00:06:02,040
going but I who knows I think they're

109
00:06:05,740 --> 00:06:04,020
firing guns I couldn't tell but they're

110
00:06:10,070 --> 00:06:05,750
heading to zombie south on the highway

111
00:06:12,170 --> 00:06:10,080
yeah yeah you're gonna Forge you you're

112
00:06:15,320 --> 00:06:12,180
gonna run to a little difficulty maybe

113
00:06:17,300 --> 00:06:15,330

had a block of east and continue i do

114

00:06:20,780 --> 00:06:17,310

i'm just stuck by the i was nearly

115

00:06:23,690 --> 00:06:20,790

nothing can do plot the game bust

116

00:06:26,110 --> 00:06:23,700

species just unbearable it's very easy

117

00:06:31,370 --> 00:06:26,120

to find you some fresh kills right here

118

00:06:33,680 --> 00:06:31,380

yeah yeah they are uh and this looks

119

00:06:36,230 --> 00:06:33,690

like has been done by a gun are you guys

120

00:06:39,080 --> 00:06:36,240
