somewhere with the log this may be in

10
00:00:46,550 --> 00:00:52,510
hard to say

11
00:00:57,130 --> 00:00:55,300
I'm near Cartman I'm in somebody's

12
00:01:03,730 --> 00:00:57,140
backyard pretty much a corpsman already

13
00:01:08,480 --> 00:01:05,950

none has a damn [\h__\h] spoon around

14

00:01:16,520 --> 00:01:12,370

I know how to get the [\h__\h] out of here I

15

00:01:21,840 --> 00:01:16,530

appear to be somewhat trapped or in a

16

00:01:21,850 --> 00:01:28,360

yeah I'm gonna run out of here

17

00:01:37,850 --> 00:01:36,530

who okay I am I think north of cortman I

18

00:01:41,359 --> 00:01:37,860

21

00:02:05,460 --> 00:02:00,059

there's a guy's adnan me right next to

22

00:02:05,470 --> 00:02:10,749

23

00:02:16,119 --> 00:02:13,240
