

Rendlesham Forest UFO

Alien or Time Traveler?

1
00:00:11,299 --> 00:00:08,030
in this podcast but we are talking about

2
00:00:13,009 --> 00:00:11,309
the Rendlesham forest UFO incident I've

3
00:00:15,259 --> 00:00:13,019
been drinking a little bit little tipsy

4
00:00:18,550 --> 00:00:15,269
but it's pretty good conversation and I

5
00:00:20,870 --> 00:00:18,560
think you'll enjoy thanks for listening

6
00:00:22,550 --> 00:00:20,880
start listening to those interesting

7
00:00:25,310 --> 00:00:22,560
there's a guy that's been going around

8
00:00:28,040 --> 00:00:25,320
and Exum ministry of the fence guy who

9
00:00:30,140 --> 00:00:28,050
has a book out about the Rendlesham

10
00:00:33,170 --> 00:00:30,150
forest UFO sightings which took place

11
00:00:36,920 --> 00:00:33,180
back in the 80s which was there is a

12
00:00:43,100 --> 00:00:36,930
supposed UFO that came down near a

13
00:00:46,869 --> 00:00:43,110

military base in England and this is it

14

00:00:53,689 --> 00:00:46,879

landed in the woods yes the base exactly

15

00:00:57,950 --> 00:00:53,699

Rendlesham forest um so this UFO lands

16

00:01:00,200 --> 00:00:57,960

down and the military sends out soldiers

17

00:01:03,349 --> 00:01:00,210

to scout it out see hey what's going on

18

00:01:05,960 --> 00:01:03,359

up there here's recorder here's a camera

19

00:01:09,080 --> 00:01:05,970

take pictures report back and there are

20

00:01:12,380 --> 00:01:09,090

out there and they came in contact light

21

00:01:15,050 --> 00:01:12,390

shine designed on them they got close to

22

00:01:17,359 --> 00:01:15,060

one of the soldiers supposedly touched

23

00:01:19,310 --> 00:01:17,369

the craft and had some kind of

24

00:01:23,270 --> 00:01:19,320

connection with this and will send a

25

00:01:25,969 --> 00:01:23,280

binary message the animals around there

26
00:01:28,249 --> 00:01:25,979
there's close to a farm the animals were

27
00:01:30,679 --> 00:01:28,259
very loud then they quieted down and

28
00:01:33,800 --> 00:01:30,689
then we're very loud again there's a

29
00:01:35,569 --> 00:01:33,810
very there's a lot of documentation that

30
00:01:39,590 --> 00:01:35,579
something actually happened there and

31
00:01:41,600 --> 00:01:39,600
there cannot deny their this guy who

32
00:01:43,880 --> 00:01:41,610
wrote this an ex-military of the fence

33
00:01:46,149 --> 00:01:43,890
guy a Ministry of Defence guy had to do

34
00:01:48,620 --> 00:01:46,159
a freedom freedom of information request

35
00:01:52,520 --> 00:01:48,630
to get the some of these documents

36
00:01:54,170 --> 00:01:52,530
released to the show that the military

37
00:01:55,760 --> 00:01:54,180
believed that there was an an event

38
00:02:01,910 --> 00:01:55,770

didn't called a UFO but something was

39

00:02:03,560 --> 00:02:01,920

investigated out there and so this is

40

00:02:06,080 --> 00:02:03,570

like the new Roswell because there's

41

00:02:08,300 --> 00:02:06,090

actually a little documentation Greeners

42

00:02:09,770 --> 00:02:08,310

new bodies but that happens so close to

43

00:02:11,420 --> 00:02:09,780

military bays and the military's

44

00:02:12,200 --> 00:02:11,430

involved and there's denial that then

45

00:02:16,670 --> 00:02:12,210

the

46

00:02:18,740 --> 00:02:16,680

no it was a meteor is it same thing with

47

00:02:22,700 --> 00:02:18,750

the Roswell oh no it was a UFO oh no it

48

00:02:24,290 --> 00:02:22,710

was a it was uh as it was a mother below

49

00:02:26,530 --> 00:02:24,300

weather balloon oh there was a secret

50

00:02:28,640 --> 00:02:26,540

project the same kind of like kind of

51
00:02:32,360 --> 00:02:28,650
backtracking that that we've seen I just

52
00:02:34,010 --> 00:02:32,370
think that very curious and have you

53
00:02:35,600 --> 00:02:34,020
have you guys heard about this what do

54
00:02:37,460 --> 00:02:35,610
you know about Reynold rimforest before

55
00:02:40,910 --> 00:02:37,470
before i continue on with with the story

56
00:02:43,070 --> 00:02:40,920
ever heard of it never know it's really

57
00:02:44,990 --> 00:02:43,080
i think what did they know is it not

58
00:02:46,760 --> 00:02:45,000
called like the uk's roswell cuz i know

59
00:02:48,470 --> 00:02:46,770
it's very well documented because

60
00:02:49,910 --> 00:02:48,480
there's there's log I think there's

61
00:02:51,650 --> 00:02:49,920
radio recorded message there's like

62
00:02:55,820 --> 00:02:51,660
actual reports about them not knowing

63
00:02:59,300 --> 00:02:55,830

what the [h__\h] it is some older can

64

00:03:00,770 --> 00:02:59,310

confirm seeing something I know it's

65

00:03:03,410 --> 00:03:00,780

more interesting cuz a lot there's a lot

66

00:03:04,940 --> 00:03:03,420

of well-documented in military

67

00:03:06,470 --> 00:03:04,950

encounters are unexplained I know

68

00:03:09,230 --> 00:03:06,480

there's an event that happened at a

69

00:03:11,120 --> 00:03:09,240

nuclear missile silo in Nebraska and I

70

00:03:13,250 --> 00:03:11,130

think in the 70s or the 80s weird object

71

00:03:15,590 --> 00:03:13,260

came by shut down all their controls for

72

00:03:18,740 --> 00:03:15,600

a few minutes that was close by and then

73

00:03:19,850 --> 00:03:18,750

left and they're about Ray's launching

74

00:03:24,200 --> 00:03:19,860

missiles because I thought of some kind

75

00:03:26,870 --> 00:03:24,210

of Soviet craft yeah and that's that

76

00:03:28,940 --> 00:03:26,880

that is one of the things that when

77

00:03:31,610 --> 00:03:28,950

these UFOs go to military bases they

78

00:03:33,920 --> 00:03:31,620

seem to be very interested in in nuclear

79

00:03:35,600 --> 00:03:33,930

installations and those nuclear

80

00:03:37,880 --> 00:03:35,610

installations are always on heightened

81

00:03:40,220 --> 00:03:37,890

alert for that reason like it was during

82

00:03:42,230 --> 00:03:40,230

the Cold War and so everyone's got an

83

00:03:45,020 --> 00:03:42,240

itchy trigger finger these UFOs come

84

00:03:46,580 --> 00:03:45,030

down and are very curious and shining

85

00:03:48,200 --> 00:03:46,590

one of the reports from the render from

86

00:03:51,560 --> 00:03:48,210

forest incident is that they were

87

00:03:54,710 --> 00:03:51,570

shining as UFOs training a beam in a

88

00:03:57,260 --> 00:03:54,720

structure that could have held nuclear

89

00:04:00,020 --> 00:03:57,270

weapons they don't know if it was true

90

00:04:04,850 --> 00:04:00,030

but then remember that a Canadian

91

00:04:06,200 --> 00:04:04,860

military uh what would Minister I guess

92

00:04:08,960 --> 00:04:06,210

yeah he's an industry he was a minister

93

00:04:11,270 --> 00:04:08,970

defense over there too yeah and he's the

94

00:04:12,620 --> 00:04:11,280

guy said that the aliens like he says

95

00:04:15,200 --> 00:04:12,630

that there's like five different races

96

00:04:16,940 --> 00:04:15,210

and he also says that uh they they're

97

00:04:18,620 --> 00:04:16,950

very concerned about the fact that we

98

00:04:20,030 --> 00:04:18,630

have nuclear weapons and they're worried

99

00:04:21,320 --> 00:04:20,040

about what we're gonna do with them so

100

00:04:24,100 --> 00:04:21,330

that would check out with what that guy

101
00:04:24,100 --> 00:04:24,110
says yeah

102
00:04:32,649 --> 00:04:28,600
so when they one of these soldiers went

103
00:04:34,929 --> 00:04:32,659
out and we're scouting out this UFO they

104
00:04:36,909 --> 00:04:34,939
were in a daze there's like fog on the

105
00:04:38,649 --> 00:04:36,919
ground they did others audio recording

106
00:04:40,959 --> 00:04:38,659
this uh that you can listen to online

107
00:04:43,990 --> 00:04:40,969
and they were when they came back to the

108
00:04:45,969 --> 00:04:44,000
base they were given sodium pentathol

109
00:04:47,920 --> 00:04:45,979
like the truth serum drug they're

110
00:04:52,779 --> 00:04:47,930
interrogating for a long time one of the

111
00:04:54,730 --> 00:04:52,789
guys was was it targeting further

112
00:04:57,760 --> 00:04:54,740
because he said he came in contact with

113
00:04:59,589 --> 00:04:57,770

this craft and was mentally he said he

114

00:05:01,869 --> 00:04:59,599

was mentally given a message of binary

115

00:05:06,390 --> 00:05:01,879

code and he wrote down this binary code

116

00:05:13,240 --> 00:05:06,400

oh yeah for this one and the binary code

117

00:05:18,369 --> 00:05:13,250

has been translated as such exploration

118

00:05:24,279 --> 00:05:18,379

of humanity and then it goes unclear 8

119

00:05:28,320 --> 00:05:24,289

100 or 8 80 100 continuous for planetary

120

00:05:32,379 --> 00:05:28,330

advance fourth coordinate continuous

121

00:05:34,809 --> 00:05:32,389

before then it gives a lot latitude

122

00:05:41,740 --> 00:05:34,819

longitude and everything else origin

123

00:05:45,089 --> 00:05:41,750

origin year 8100 so one of the proposed

124

00:05:50,339 --> 00:05:45,099

theories is that this Rendlesham forest

125

00:05:55,570 --> 00:05:50,349

UFO is actually possibly a time machine

126
00:05:58,990 --> 00:05:55,580
sent from the Year 8100 sent back just

127
00:06:01,510 --> 00:05:59,000
to do some research sounds far [h__h]

128
00:06:03,909 --> 00:06:01,520
fetched totally sounds really [h__h]

129
00:06:06,820 --> 00:06:03,919
far-fetched well what did the longitude

130
00:06:10,959 --> 00:06:06,830
latitude coordinates shield it yielded a

131
00:06:13,360 --> 00:06:10,969
place somewhere in England a place not

132
00:06:15,790 --> 00:06:13,370
that far away from where the actual base

133
00:06:18,369 --> 00:06:15,800
was and wouldn't it make more sense that

134
00:06:21,189 --> 00:06:18,379
the year for whatever species of alien

135
00:06:22,600 --> 00:06:21,199
this is is current year for them and

136
00:06:24,850 --> 00:06:22,610
they don't care about whatever year it

137
00:06:26,619 --> 00:06:24,860
is for us it's also very good but I

138
00:06:28,899 --> 00:06:26,629

could do before common error before

139

00:06:33,249 --> 00:06:28,909

Christ in the Common Era yeah so it

140

00:06:35,040 --> 00:06:33,259

might be 8104 them make so the longitude

141

00:06:41,100 --> 00:06:35,050

and latitude was in

142

00:06:42,839 --> 00:06:41,110

southern England and it's just it's

143

00:06:45,390 --> 00:06:42,849

bizarre because we constantly think

144

00:06:48,180 --> 00:06:45,400

about UFOs being from another planets

145

00:06:49,800 --> 00:06:48,190

and even possibly another dimension very

146

00:06:52,170 --> 00:06:49,810

rarely do we consider the possibility

147

00:06:55,020 --> 00:06:52,180

that these could be ourselves from

148

00:06:58,080 --> 00:06:55,030

another time coming back in and visiting

149

00:06:59,969 --> 00:06:58,090

yeah I love that idea that's uh wasn't

150

00:07:02,129 --> 00:06:59,979

sphere wasn't that kind of the basis for

151
00:07:05,700 --> 00:07:02,139
spear yeah the movie spear with uh with

152
00:07:07,950 --> 00:07:05,710
because the one doesn't often I yeah cuz

153
00:07:11,520 --> 00:07:07,960
I believe it was the end they just this

154
00:07:13,439 --> 00:07:11,530
they decided it was the the spacecraft

155
00:07:17,339 --> 00:07:13,449
had been there since the 1700 i came i

156
00:07:18,809 --> 00:07:17,349
wrote about this it was long yeah well i

157
00:07:20,700 --> 00:07:18,819
think the plot of a movie like in the

158
00:07:22,709 --> 00:07:20,710
year twenty to fifty a spacecraft went

159
00:07:25,170 --> 00:07:22,719
out got a sphere with your time portal

160
00:07:27,510 --> 00:07:25,180
came back they found it in 1990s and

161
00:07:29,969 --> 00:07:27,520
they realized it was there for a very

162
00:07:32,249 --> 00:07:29,979
long time and at the enemy this the

163
00:07:37,110 --> 00:07:32,259

sphere got on anyways to continue the

164

00:07:39,269 --> 00:07:37,120

time loop so good that's here good times

165

00:07:40,890 --> 00:07:39,279

by this sought this Rendlesham forest of

166

00:07:43,019 --> 00:07:40,900

is pretty good and the guy i think is

167

00:07:45,719 --> 00:07:43,029

his name is nick pope just put out a

168

00:07:47,580 --> 00:07:45,729

book on to and it's very very

169

00:07:49,230 --> 00:07:47,590

interesting stuff here's the thing we're

170

00:07:51,659 --> 00:07:49,240

not we don't get any work these UFOs up

171

00:07:54,809 --> 00:07:51,669

because the government's continually put

172

00:07:56,850 --> 00:07:54,819

out this information about it the public

173

00:07:59,330 --> 00:07:56,860

and like move on and some researchers

174

00:08:01,019 --> 00:07:59,340

pushback is here's some genuine

175

00:08:03,830 --> 00:08:01,029

interesting events that have happened

176
00:08:06,839 --> 00:08:03,840
and then the government's push back and

177
00:08:09,570 --> 00:08:06,849
say no that's all [h__h] we're Mirage

178
00:08:10,890 --> 00:08:09,580
men were giving you this information and

179
00:08:14,790 --> 00:08:10,900
then we push back here some real stuff

180
00:08:17,369 --> 00:08:14,800
so even with the the moon uh UFOs we

181
00:08:19,800 --> 00:08:17,379
talked about a few episodes ago like are

182
00:08:21,450 --> 00:08:19,810
we we get nowhere that because i just

183
00:08:24,089 --> 00:08:21,460
heard like the other day they're playing

184
00:08:25,230 --> 00:08:24,099
on colonizing and monetizing the moon in

185
00:08:26,670 --> 00:08:25,240
some way so we're gonna show up there

186
00:08:30,990 --> 00:08:26,680
and there's a bunch of moon babies up

187
00:08:32,969 --> 00:08:31,000
there like it's all crazy and i don't i

188
00:08:35,370 --> 00:08:32,979

don't know what i'm looking for as a

189

00:08:38,759 --> 00:08:35,380

person who wants us to be am I looking

190

00:08:40,380 --> 00:08:38,769

for the government to basically say yes

191

00:08:42,810 --> 00:08:40,390

UFOs are real I don't think we're ever

192

00:08:47,010 --> 00:08:42,820

and we're ever gonna go down that road

193

00:08:48,140 --> 00:08:47,020

and Liz ever gonna happen email I'd like

194

00:08:49,520 --> 00:08:48,150

to see it

195

00:08:50,570 --> 00:08:49,530

I don't think I don't think the

196

00:08:55,070 --> 00:08:50,580

government's ever gonna really

197

00:08:56,780 --> 00:08:55,080

acknowledge UFOs aliens are real only as

198

00:08:59,420 --> 00:08:56,790

I record yet like I mean at what a

199

00:09:01,430 --> 00:08:59,430

certain point it's like worth it to pray

200

00:09:04,730 --> 00:09:01,440

more towards the aliens than it is to

201

00:09:08,720 --> 00:09:04,740

Jesus or God I don't pray that much

202

00:09:11,570 --> 00:09:08,730

anyways so either way every I was pray

203

00:09:14,120 --> 00:09:11,580

to the aliens that's what I mean is like

204

00:09:16,790 --> 00:09:14,130

if you need some a higher force to like

205

00:09:19,160 --> 00:09:16,800

stop what's going on in this world and

206

00:09:21,770 --> 00:09:19,170

all the madness and the craziness I have

207

00:09:25,730 --> 00:09:21,780

more faith that aliens can do it then or

208

00:09:28,400 --> 00:09:25,740

even Putin and then very pompous let's

209

00:09:32,200 --> 00:09:28,410

pray to Putin let's pray to Putin I

210

00:09:35,060 --> 00:09:32,210

guess my genuine lad who hardened Russia

211

00:09:36,950 --> 00:09:35,070

my genuine interest in this is I don't

212

00:09:38,780 --> 00:09:36,960

need a vodka I don't want to say i don't

213

00:09:42,560 --> 00:09:38,790

i don't want to stop what's going on I

214

00:09:44,810 --> 00:09:42,570

simply want to be in Star Trek that's

215

00:09:47,240 --> 00:09:44,820

what I want I want I want to go travel

216

00:09:49,190 --> 00:09:47,250

the Stars I want I want to be I want to

217

00:09:50,900 --> 00:09:49,200

be Spock I want to be lieutenant

218

00:09:52,520 --> 00:09:50,910

lieutenant commander data I want it I

219

00:09:54,320 --> 00:09:52,530

want to travel the [h__h] stars that's

220

00:09:56,210 --> 00:09:54,330

yeah when I watch next generation when I

221

00:09:57,800 --> 00:09:56,220

was a kid man I just was like ah man i'm

222

00:09:59,750 --> 00:09:57,810

sure in my lifetime will be doing this

223

00:10:01,400 --> 00:09:59,760

[h__h] that's gonna be awesome yeah and

224

00:10:03,350 --> 00:10:01,410

now the older I get I'm like what are

225

00:10:05,210 --> 00:10:03,360

you [h__h] do and you're still killing

226

00:10:07,850 --> 00:10:05,220

each other build some space ships

227

00:10:11,720 --> 00:10:07,860

goddamn it look we built these drones to

228

00:10:15,350 --> 00:10:11,730

blow up Arif yeah exactly I thought you

229

00:10:17,480 --> 00:10:15,360

should sign up for this uh day why we

230

00:10:19,190 --> 00:10:17,490

should build clouds on Venus or cloud

231

00:10:20,990 --> 00:10:19,200

cities on Venus yeah we talked about

232

00:10:23,060 --> 00:10:21,000

that I think I think we did a few

233

00:10:25,870 --> 00:10:23,070

episodes ago that their turn to a

234

00:10:30,350 --> 00:10:25,880

proposal to build sustainable

235

00:10:32,390 --> 00:10:30,360

high-altitude cities on Venus this isn't

236

00:10:36,680 --> 00:10:32,400

famous like really close to the Sun oh

237

00:10:38,990 --> 00:10:36,690

why don't you shut up yeah I just feel

238

00:10:40,880 --> 00:10:39,000

like it would be hot as [h__h] I don't

239

00:10:43,940 --> 00:10:40,890

know and I think that mysterious mostly

240

00:10:46,670 --> 00:10:43,950

hydrogen it's a it's mostly carbon

241

00:10:48,440 --> 00:10:46,680

dioxide Willie unbored I think we'll all

242

00:10:51,580 --> 00:10:48,450

be fine Billy Dee Williams is flying

243

00:10:54,140 --> 00:10:51,590

around the cloud car for colt 45 yeah

244

00:10:56,270 --> 00:10:54,150

i'm i think be fine as long as he's on

245

00:10:58,850 --> 00:10:56,280

board oversees commercials for colt 45

246

00:10:59,780 --> 00:10:58,860

oh yeah i used a poster with him on it

247

00:11:02,400 --> 00:10:59,790

was

248

00:11:06,180 --> 00:11:02,410

cool Jesus did you talk about the

249

00:11:07,830 --> 00:11:06,190

dolphin yeah I don't know if I touched

250

00:11:09,390 --> 00:11:07,840

on Dolph we talked about so many dollars

251

00:11:12,720 --> 00:11:09,400

dolphin I just want to say one thing

252

00:11:16,170 --> 00:11:12,730

about praying aliens sure no for praying

253

00:11:18,180 --> 00:11:16,180

but I told few of my friends if if I was

254

00:11:19,770 --> 00:11:18,190

to buy the theory of intelligent design

255

00:11:21,210 --> 00:11:19,780

and I would buy it if you were

256

00:11:24,210 --> 00:11:21,220

suggesting that aliens design life on

257

00:11:25,800 --> 00:11:24,220

Earth yeah that would be something w

258

00:11:27,480 --> 00:11:25,810

something I could get behind that's good

259

00:11:30,150 --> 00:11:27,490

I mean that's mean that's an ancient

260

00:11:31,500 --> 00:11:30,160

astronaut theory which I mean I don't

261

00:11:35,460 --> 00:11:31,510

know which way to go it's an interesting

262

00:11:37,230 --> 00:11:35,470

idea I'm the lines up with the

263

00:11:39,180 --> 00:11:37,240

watchmakers theory to which a lot of

264

00:11:40,740 --> 00:11:39,190

sort of Catholics and other religions

265

00:11:43,800 --> 00:11:40,750

kind of believe when they stop believing

266

00:11:46,290 --> 00:11:43,810

God somebody set it up and wound it all

267

00:11:48,180 --> 00:11:46,300

up and then let it go yeah I'm looking

268

00:11:49,560 --> 00:11:48,190

with all that stuff I mean look I don't

269

00:11:51,390 --> 00:11:49,570

really care i just want to be in Star

270

00:11:54,090 --> 00:11:51,400

Trek I want to be I want to be kept

271

00:11:56,550 --> 00:11:54,100

Picard I want to be Riker whatever gets

272

00:11:58,860 --> 00:11:56,560

me there quicker awesome you just want

273

00:12:02,040 --> 00:11:58,870

to bang Holograms in the holodeck yes

274

00:12:03,720 --> 00:12:02,050

they have friction maybe they have you

275

00:12:05,820 --> 00:12:03,730

know you guys have that debate and aunt

276

00:12:08,940 --> 00:12:05,830

best friend you forgot that the

277

00:12:10,680 --> 00:12:08,950

Holograms they have force fields that's

278

00:12:13,020 --> 00:12:10,690

what makes them dangerous in during the

279

00:12:15,350 --> 00:12:13,030

Safety's off exactly a butt is gonna be

280

00:12:18,030 --> 00:12:15,360

the force field for the wall inside

281

00:12:20,250 --> 00:12:18,040

whatever you're banging I guess so I

282

00:12:22,860 --> 00:12:20,260

don't know what you're into Mike oh yes

283

00:12:26,040 --> 00:12:22,870

I'm into everything Cardassian I'm in

284

00:12:29,070 --> 00:12:26,050

285

Calrissian his ears and the Frankie's

286

00:12:32,820 --> 00:12:31,210

and their folds what was it we're

287

00:12:39,270 --> 00:12:32,830

banging like the foot like the foot

288

00:12:40,920 --> 00:12:39,280

[h__h] yeah it was a bojangles ankle yeah
