00:00:41,750 --> 00:00:39,149
goddamn goat up here ok so stop acting

10
00:00:45,680 --> 00:00:41,760
like it's like not backing like there's

11
00:00:49,700 --> 00:00:45,690
someone up here that's gonna kill us now

12
00:00:54,410 --> 00:00:49,710
let's see here what's good for range an

13
00:00:55,880 --> 00:00:54,420

ak-47 what's your aiming oh just take

14

00:01:01,330 --> 00:00:55,890

like don't take anything that's like

15

00:01:08,070 --> 00:01:01,340

you're gonna die Rob die but Amy 0 I

16

00:01:12,910 --> 00:01:11,050

Brenton yep yeah we should have made

17

00:01:21,460 --> 00:01:12,920

seventies up there yep you got any 70

18

00:01:26,820 --> 00:01:21,470

and I'm gonna need em oh I don't see you

19

00:01:26,830 --> 00:01:48,830

well this is open there's no walls

20

00:01:48,840 --> 00:01:56,410

this will draw men

21

00:02:03,529 --> 00:01:59,929

not as a player out front oh yeah I see

22

00:02:09,979 --> 00:02:03,539

things on fire yeah that some sudden

23

00:02:14,470 --> 00:02:09,989

fire up their big fire big fire okay all

24

00:02:20,410 --> 00:02:16,449

oh yeah there's tons of flavor zombies

25

00:02:27,490 --> 00:02:20,420

coming towards you [\h__\h] oh [\h__\h] oh my

26
00:02:33,930 --> 00:02:27,500
god they're all on fire oh my god holy

27
00:02:33,940 --> 00:02:45,830
whoa [h__\h] burgers

28
00:02:45,840 --> 00:02:50,460
oh my god

29
00:02:50,470 --> 00:02:55,280
why

30
00:02:55,290 --> 00:03:08,020
hopefully this doesn't catch on

31
00:03:13,360 --> 00:03:11,080
it's a bit of a gamble being up here in

32
00:03:18,460 --> 00:03:13,370
a wood structure surrounded by flaming

33
00:03:22,970 --> 00:03:18,470
zombies keep me that bad oh it's pretty

34
00:03:28,430 --> 00:03:26,690
that keeps streaming in from the

35
00:03:31,460 --> 00:03:28,440
someone wonder if someone came in and

36
00:03:34,130 --> 00:03:31,470
put a noise generator in our fort no I

37
00:03:36,860 --> 00:03:34,140
think noise generator is my gun it could

38
00:03:39,949 --> 00:03:36,870

be but where the fire come from from the

39

00:03:43,339 --> 00:03:39,959

woods across the street it's almost

40

00:03:58,240 --> 00:03:43,349

trying to burn him alive and oh and we

41

00:04:08,980 --> 00:04:01,550

gasps patient skunk yeah I think we're

42

00:04:19,710 --> 00:04:15,520

oh [h__h] virus right up here okay it's

43

00:04:23,470 --> 00:04:19,720

not good um how I put it out need water

44

00:04:25,090 --> 00:04:23,480

I'll get it went away I don't know it's

45

00:04:29,860 --> 00:04:25,100

kind of here I think I can't it's tough

46

00:04:37,860 --> 00:04:29,870

to see if it's here or down below but it

47

00:04:37,870 --> 00:04:48,170

it's really tough to tell

48

00:04:58,700 --> 00:04:52,470

well then there might be some we may

49

00:04:58,710 --> 00:05:06,470

a small problem or bigger pro

50

00:05:06,480 --> 00:05:10,439

little fire

51
00:05:18,960 --> 00:05:12,510
just

52
00:05:23,360 --> 00:05:18,970
because I got a three she trip i can

53
00:05:26,899 --> 00:05:23,370
bring down in case we have to bail the

54
00:05:29,760 --> 00:05:26,909
roof of the gas station appears to be

55
00:05:35,559 --> 00:05:29,770
sporadically getting on fire yeah that's

56
00:05:51,220 --> 00:05:39,249
this whole thing will just blow over now

57
00:05:51,230 --> 00:05:58,060
huh fire pairs be spreading a little bit

58
00:06:06,740 --> 00:06:01,220
ya heard an explosion yeah I heard that

59
00:06:09,650 --> 00:06:06,750
too oh [h__\h] what was that there's a

60
00:06:12,880 --> 00:06:09,660
giant explosion right next to us and now

61
00:06:17,840 --> 00:06:12,890
barrels are on fire Oh God desert

62
00:06:31,030 --> 00:06:17,850
barrels aren't explosive that yard over

63
00:06:40,090 --> 00:06:34,150

come take a look man this guy going on

64

00:06:43,990 --> 00:06:40,100

and off oh yeah there's there's holes in

65

00:06:53,470 --> 00:06:48,700

let's go one up another barrels on fire

66

00:06:59,320 --> 00:06:53,480

oh man the fire spread out back real bad

67

00:07:11,879 --> 00:06:59,330

yeah that's a saying it's quite a bit of

68

00:07:23,429 --> 00:07:15,029

our base could survive yeah we good

69

00:07:38,019 --> 00:07:23,439

cause mischief I guess lighter I me

70

00:07:44,689 --> 00:07:41,989

they're coming in from all over now we

71

00:07:47,329 --> 00:07:44,699

gotta get the crossroads I think that's

72

00:07:49,609 --> 00:07:47,339

thoroughly covered in zombies mice on

73

00:08:00,510 --> 00:07:49,619

reddit it's probably full of people

74

00:08:12,210 --> 00:08:04,420

we got little else we can do we can take

75

00:08:20,909 --> 00:08:15,500

state-backed wig is then

76
00:08:25,950 --> 00:08:20,919

79
00:08:42,589 --> 00:08:31,030
going towards the east and trying to

80
00:08:42,599 --> 00:08:47,460
here's a guy

81
00:09:06,540 --> 00:08:51,030
