

# Project **ZOMBOD**

RedBoid Server | [OPEC] Faction

# Free Failing

1  
00:00:11,509 --> 00:00:08,330  
hey everyone welcome back to another

2  
00:00:14,570 --> 00:00:11,519  
episode of project zomboid on the red

3  
00:00:17,420 --> 00:00:14,580  
Boyd server this is the last episode

4  
00:00:19,880 --> 00:00:17,430  
that the OPEC faction will be doing

5  
00:00:21,380 --> 00:00:19,890  
there has been a server reset and they

6  
00:00:25,580 --> 00:00:21,390  
have wiped out all the characters so

7  
00:00:28,279 --> 00:00:25,590  
this is OPEX last hurrah and it's a Miss

8  
00:00:31,099 --> 00:00:28,289  
a bit of a failure as you'll see thanks

9  
00:00:40,040 --> 00:00:31,109  
for watching subscribing liking all that

10  
00:00:44,550 --> 00:00:42,510  
sort of self that's a stop on your end

11  
00:00:49,770 --> 00:00:44,560  
or mind it's not coming out of my

12  
00:00:51,030 --> 00:00:49,780  
computer okay it's luck there a lot

13  
00:00:54,200 --> 00:00:51,040

around me I might have to get out of

14

00:00:56,370 --> 00:00:54,210

here and draw them away from this place

15

00:00:58,590 --> 00:00:56,380

okay I'm have to do that for you if you

16

00:01:01,710 --> 00:00:58,600

want to get your ammo I'm good on him oh

17

00:01:04,020 --> 00:01:01,720

you are good on gun I mean I put came

18

00:01:10,350 --> 00:01:04,030

into gmod salam okay take good food

19

00:01:15,890 --> 00:01:10,360

before you ask me for food where you

20

00:01:21,740 --> 00:01:15,900

were yeah I got to hear that compromised

21

00:01:24,150 --> 00:01:21,750

how many zombies could there be a lot

22

00:01:29,340 --> 00:01:24,160

I'm scratched and bitten at the door

23

00:01:33,910 --> 00:01:29,350

[h\_\_h] just go through I did scratch bit

24

00:01:53,160 --> 00:01:36,249

just uh run far enough in the wood to be

25

00:01:59,399 --> 00:01:54,929

Jeff you can take off your headphones

26

00:02:00,929 --> 00:01:59,409

okay well what you get a break yeah you

27

00:02:08,609 --> 00:02:00,939

don't need to have mon all right this is

28

00:02:09,870 --> 00:02:08,619

the sun.star us go behind it see look

29

00:02:18,030 --> 00:02:09,880

there's some rope ladders coming out of

30

00:02:23,300 --> 00:02:19,229

one of us should get out there

31

00:02:33,030 --> 00:02:27,840

in a bit of a fire go ahead and go for

32

00:02:34,560 --> 00:02:33,040

go for it opposed South something

33

00:02:40,830 --> 00:02:34,570

[h\_\_\h] got me when I was climbing up

34

00:02:47,010 --> 00:02:40,840

scratch I was climbing I heard that he

35

00:02:55,500 --> 00:02:51,510

you check out the extent of the fire it

36

00:02:58,140 --> 00:02:55,510

mostly burned out now I got like a third

37

00:03:01,890 --> 00:02:58,150

of this floor not all of our chemical

38

00:03:04,500 --> 00:03:01,900

stockpile detonated though okay across

39

00:03:09,870 --> 00:03:04,510

the way you see bill just run back and

40

00:03:12,040 --> 00:03:09,880

hop on I say kind of like being across

41

00:03:16,540 --> 00:03:12,050

the way

42

00:03:18,730 --> 00:03:16,550

I'm up on top of the I'm on a second

43

00:03:23,110 --> 00:03:18,740

floor I'm safe a client climb the rope

44

00:03:26,590 --> 00:03:23,120

ladder I'm directly south at you up on

45

00:03:37,860 --> 00:03:29,740

how's it look up there fine just a

46

00:03:48,680 --> 00:03:40,920

oh I know what I need to get a lighter

47

00:03:48,690 --> 00:03:56,120

they don't breathe into the microphone

48

00:03:56,130 --> 00:04:01,280

matches there's two lives right here

49

00:04:01,290 --> 00:04:08,170

I'll grab the matches too

50

00:04:08,180 --> 00:04:23,400

and I grabbed a campfire kit

51  
00:04:28,890 --> 00:04:25,650  
holy [\h\_\_\h] wires everything unexpanded

52  
00:04:30,480 --> 00:04:28,900  
inventories I can see oh [\h\_\_\h] someone

53  
00:04:33,830 --> 00:04:30,490  
just came up here and killed me [\h\_\_\h]

54  
00:04:37,980 --> 00:04:33,840  
really yeah who is it tactical me

55  
00:04:39,750 --> 00:04:37,990  
tactical me yeah he's up there okay that

56  
00:04:43,940 --> 00:04:39,760  
was so [\h\_\_\h] lame I didn't see him up

57  
00:04:48,740 --> 00:04:47,090  
well he's got a lot of is he on third

58  
00:04:53,360 --> 00:04:48,750  
floor second store he's up on the very

59  
00:04:56,240 --> 00:04:53,370  
top floor okay that means he can see me

60  
00:05:07,420 --> 00:04:56,250  
no he can't is like one window and it's

61  
00:05:15,140 --> 00:05:12,830  
come away from to come out if he does

62  
00:05:15,980 --> 00:05:15,150  
you're using a shotgun yeah you're not

63  
00:05:23,450 --> 00:05:15,990

gonna be able to hit him from any

64

00:05:27,050 --> 00:05:23,460

distance at all yeah it's not the best

65

00:05:31,090 --> 00:05:27,060

but it's all I got you're not going to

66

00:05:31,100 --> 00:05:41,840

he's coming out

67

00:05:41,850 --> 00:06:01,640

ran out ran to the north

68

00:06:25,910 --> 00:06:04,999

it came out the lighters our soul her up

69

00:06:34,370 --> 00:06:29,040

[h\_\_\h] the server oh my god neutralizing

70

00:06:34,380 --> 00:06:46,630

kill him yeah you know what

71

00:06:46,640 --> 00:06:57,260

well if he sees me or not

72

00:06:57,270 --> 00:07:14,980

yeah I think he's ripple on me

73

00:07:14,990 --> 00:07:30,119

somebody's eating some food down there

74

00:07:30,129 --> 00:07:51,980

areas

75

00:07:51,990 --> 00:07:57,870

not sure where he went

76

00:07:57,880 --> 00:08:20,870

he's on he's a is in the hotel somewhere

77

00:08:25,560 --> 00:08:23,130

it's going to the stash in the woods

78

00:08:27,300 --> 00:08:25,570

okay there's no sense in going back to

79

00:08:51,490 --> 00:08:27,310

that basis tons of people around it yeah

80

00:09:06,500 --> 00:08:54,050

where's the rest of our goddamn faction

81

00:09:06,510 --> 00:09:17,810

damn you open up on me

82

00:09:22,520 --> 00:09:20,240

I'm how you open up on me critical

83

00:09:28,670 --> 00:09:22,530

damage [h\_\_h] you were you seen him by a

84

00:09:34,670 --> 00:09:28,680

window or anything he saw me sayin he

85

00:09:41,689 --> 00:09:34,680

got me but I don't know how I shot it

86

00:09:41,699 --> 00:10:14,640

5 damn times

87

00:10:36,359 --> 00:10:19,360

you killed him I did okay good I guess I

88

00:10:40,299 --> 00:10:38,739

just for Jones still in disrepair

89  
00:10:42,159 --> 00:10:40,309  
because Russians had to come [h\_\_h] rob

90  
00:10:58,030 --> 00:10:42,169  
us when we were building it they kept

91  
00:10:58,040 --> 00:11:05,010  
climb I'm up it I'm inside

92  
00:11:09,830 --> 00:11:08,430  
I remove this she wrote actually if I

93  
00:11:16,280 --> 00:11:09,840  
die you're not gonna have a way up here

94  
00:11:36,680 --> 00:11:20,190  
what's your health at one-fourth put it

95  
00:11:40,460 --> 00:11:38,840  
what a [h\_\_h] I put it back down I just

96  
00:11:44,480 --> 00:11:40,470  
took it how do I put it back down new

97  
00:11:48,170 --> 00:11:44,490  
nail hasn't been your main inventory

98  
00:11:50,570 --> 00:11:48,180  
right click and add sheet rope [h\_\_h] I

99  
00:12:00,750 --> 00:11:50,580  
Nina now there's nails all over the

100  
00:12:25,980 --> 00:12:02,889  
of course there's a zombie in every

101

00:12:31,710 --> 00:12:29,790

I don't see any [h\_\_h] nails me nail

102

00:12:46,040 --> 00:12:31,720

container they're [h\_\_h] got a nail

103

00:12:46,050 --> 00:13:07,150

okay it's back down

104

00:13:24,790 --> 00:13:10,220

well these things come from I guess all

105

00:13:42,310 --> 00:13:39,260

yeah I'm just gonna pull them away now

106

00:13:45,620 --> 00:13:42,320

all zombies this way are you at the up I

107

00:13:50,780 --> 00:13:45,630

was and just put them all away yeah I'm

108

00:13:53,120 --> 00:13:50,790

up on the top floor I get up some food

109

00:13:58,750 --> 00:13:53,130

me I might be able to live just freed up

110

00:14:03,230 --> 00:13:58,760

there someone's shooting now I'm not

111

00:14:06,740 --> 00:14:03,240

muttered something they found something

112

00:14:13,190 --> 00:14:06,750

down there they certainly did your

113

00:14:18,160 --> 00:14:13,200

freaking out there hold hoarding up down

114

00:14:18,170 --> 00:14:22,600

damn

115

00:14:40,530 --> 00:14:27,439

Wow another coming back this way I don't

116

00:14:57,220 --> 00:14:42,940

it's more mint candy damn it why are you

117

00:15:04,460 --> 00:15:00,350

make sure only one window is open the

118

00:15:11,600 --> 00:15:04,470

game theme of pvp on my way there

119

00:15:17,810 --> 00:15:11,610

chasing someone out there I kind of like

120

00:15:26,400 --> 00:15:17,820

being a [h\_\_\h] Nancy all right i got the

121

00:15:34,980 --> 00:15:29,950

you drag him all the way that's what I'm

122

00:15:44,920 --> 00:15:34,990

assuming he was doing whether there is

123

00:15:53,670 --> 00:15:44,930

Trevor Lewis his PPP is not on TV fees

124

00:15:53,680 --> 00:16:09,100

it's okay hey yeah i saw you

125

00:16:19,610 --> 00:16:11,660

and Brock he's out he's out there's the

126

00:16:26,769 --> 00:16:19,620

north ok I'll clear down this tomate

127

00:16:29,800 --> 00:16:26,779

line there we go out of the sheer oh

128

00:16:34,990 --> 00:16:29,810

[h\_\_h] i fell through to the bottom oh no

129

00:16:38,660 --> 00:16:35,000

there's a [h\_\_h] hole in the floor no

130

00:16:46,160 --> 00:16:38,670

I'm getting away slowly though I gotta

131

00:16:53,560 --> 00:16:46,170

put the sheet Rob down but there's a lot

132

00:16:53,570 --> 00:17:05,720

[h\_\_h] Roger to patch up the floor

133

00:17:17,699 --> 00:17:09,710

yeah there's a lot you break your leg I

134

00:17:30,850 --> 00:17:17,709

think so fracture yeah [h\_\_h] that's so

135

00:17:40,270 --> 00:17:33,520

now they're being pulled south yeah it's

136

00:17:42,460 --> 00:17:40,280

coming after me and you have to stop the

137

00:18:00,310 --> 00:17:42,470

bandage okay well my life I mean

138

00:18:11,159 --> 00:18:00,320

anything oh no no no oh no yeah I see it

139

00:18:19,030 --> 00:18:16,870

all right oh no well we should I go to
