

NEWS ATTACK

A run down of some interesting headlines

1
00:00:16,609 --> 00:00:09,230
right let's uh let's do some news news

2
00:00:19,400 --> 00:00:16,619
gets on all right the HTC vive headset

3
00:00:22,220 --> 00:00:19,410
the VR headset is now nearing a hundred

4
00:00:24,290 --> 00:00:22,230
thousand units in sale so that's pretty

5
00:00:25,849 --> 00:00:24,300
astounding how much does that run in per

6
00:00:30,679 --> 00:00:25,859
unit price about seven eight hundred

7
00:00:34,310 --> 00:00:30,689
bucks okay and yes up there but it's

8
00:00:36,049 --> 00:00:34,320
good it's a very good VR set you know

9
00:00:38,720 --> 00:00:36,059
they have the oculus rift which is

10
00:00:40,940 --> 00:00:38,730
Facebook back and I think even Microsoft

11
00:00:44,000 --> 00:00:40,950
has made some agreements with using the

12
00:00:46,100 --> 00:00:44,010
occupation the HTC is the competitor to

13
00:00:47,630 --> 00:00:46,110

that the but they and Microsoft has

14

00:00:49,220 --> 00:00:47,640

their own was the Microsoft they have

15

00:00:52,189 --> 00:00:49,230

they're all made a reality kind of thing

16

00:00:53,630 --> 00:00:52,199

going on which is not the strip VR if

17

00:00:54,740 --> 00:00:53,640

you look at like a wall we will put

18

00:00:57,049 --> 00:00:54,750

something on the wall I forget with us

19

00:00:59,900 --> 00:00:57,059

call but yeah that's listen works as

20

00:01:03,770 --> 00:00:59,910

well yeah every but everybody's got one

21

00:01:07,250 --> 00:01:03,780

Playstations got one coming yes uh it's

22

00:01:09,380 --> 00:01:07,260

all happening with me are I'm I totally

23

00:01:11,630 --> 00:01:09,390

on board yet with it oh yeah here's no

24

00:01:14,719 --> 00:01:11,640

headline here Obama administration joint

25

00:01:19,450 --> 00:01:14,729

effort with corporations to resettle

26

00:01:21,980 --> 00:01:19,460

refugees through the work visa program

27

00:01:23,929 --> 00:01:21,990

so we know there's a limit on the amount

28

00:01:25,399 --> 00:01:23,939

of refugees the US is able to take in

29

00:01:28,789 --> 00:01:25,409

but they can get around that number by

30

00:01:32,179 --> 00:01:28,799

having corporations import them as

31

00:01:36,890 --> 00:01:32,189

workers or through student visas that

32

00:01:39,440 --> 00:01:36,900

sounds great bring your butt BYOB bring

33

00:01:42,679 --> 00:01:39,450

your own bombs whatever though who must

34

00:01:46,490 --> 00:01:42,689

be added a group call I think I lost her

35

00:01:50,030 --> 00:01:46,500

I feel so hard i went to go hit unmute

36

00:01:52,249 --> 00:01:50,040

united hang up yep you got a buddy jack

37

00:01:54,870 --> 00:01:52,259

was jacking off while we were doing the

38

00:01:58,319 --> 00:01:54,880

show he had us on mute yes

39

00:02:00,899 --> 00:01:58,329

big bunch of skype fell today god damn

40

00:02:02,910 --> 00:02:00,909

it Jeff can you just wait it's only

41

00:02:05,910 --> 00:02:02,920

gonna be like another 20 minutes yeah

42

00:02:08,669 --> 00:02:05,920

most had to happen so I have a little

43

00:02:11,490 --> 00:02:08,679

audio of a representative opening

44

00:02:12,780 --> 00:02:11,500

statements about the FBI director in

45

00:02:14,940 --> 00:02:12,790

front of Congress you want to hear that

46

00:02:17,490 --> 00:02:14,950

real quick is like about a minute diet

47

00:02:21,600 --> 00:02:17,500

like this idea it's just a little little

48

00:02:24,390 --> 00:02:21,610

some yeah here we go I'm planning right

49

00:02:26,850 --> 00:02:24,400

now sounds like you're just standing

50

00:02:29,460 --> 00:02:26,860

there mystified and confused by the fact

51
00:02:33,630 --> 00:02:29,470
pattern that you laid out and the

52
00:02:37,740 --> 00:02:33,640
conclusions that you reached it seems

53
00:02:42,440 --> 00:02:37,750
that there are two standards and there's

54
00:02:46,259 --> 00:02:42,450
no consequence for these types of

55
00:02:50,640 --> 00:02:46,269
activities and dealing in a careless way

56
00:02:53,910 --> 00:02:50,650
with classified information it seems to

57
00:02:56,100 --> 00:02:53,920
a lot of us that the average Joe the

58
00:02:58,190 --> 00:02:56,110
average American but they if they had

59
00:03:01,259 --> 00:02:58,200
done what you laid out in your statement

60
00:03:02,430 --> 00:03:01,269
that they'd be in handcuffs and they

61
00:03:05,280 --> 00:03:02,440
might be on their way to jail and they

62
00:03:09,180 --> 00:03:05,290
probably should yeah and I think there

63
00:03:10,979 --> 00:03:09,190

is a legitimate concern that there is a

64

00:03:13,080 --> 00:03:10,989

double standard there is and that's what

65

00:03:15,509 --> 00:03:13,090

he said yeah that's that's name isn't

66

00:03:19,170 --> 00:03:15,519

Clinton yeah that's kind of what the

67

00:03:23,250 --> 00:03:19,180

everyone its kind of saying yeah they'll

68

00:03:25,259 --> 00:03:23,260

even in yours are even who left wingers

69

00:03:27,120 --> 00:03:25,269

oh yeah the Bernie Bernie people they

70

00:03:29,430 --> 00:03:27,130

got lead in like this this is Bernie

71

00:03:32,250 --> 00:03:29,440

shot to get the nomination yeah right

72

00:03:34,080 --> 00:03:32,260

and that didn't happen I know it's

73

00:03:40,720 --> 00:03:34,090

almost like the whole system is set up

74

00:03:45,679 --> 00:03:44,539

it not is it not it's weird I still

75

00:03:49,220 --> 00:03:45,689

don't think Trump's gonna get elected

76

00:03:51,170 --> 00:03:49,230

but I you know I I mean if I mean the

77

00:03:54,410 --> 00:03:51,180

only thing that could happen is that

78

00:03:58,369 --> 00:03:54,420

they get Hillary elected and then all

79

00:04:00,470 --> 00:03:58,379

the Trump people are like well like the

80

00:04:04,190 --> 00:04:00,480

Bernie people who are like well how the

81

00:04:05,869 --> 00:04:04,200

hell did she actually win like they're

82

00:04:07,399 --> 00:04:05,879

just gonna steal it right in front of

83

00:04:09,379 --> 00:04:07,409

everybody because I feel like there's

84

00:04:13,819 --> 00:04:09,389

definitely more people who hate Hillary

85

00:04:15,949 --> 00:04:13,829

love Bernie and hate the system and will

86

00:04:19,219 --> 00:04:15,959

vote for Trump just to [h__h] it all over

87

00:04:21,229 --> 00:04:19,229

I hope so still see that I want to see

88

00:04:22,760 --> 00:04:21,239

that disruption I want to see that

89

00:04:25,999 --> 00:04:22,770

disruption but I think Hillary will

90

00:04:28,580 --> 00:04:26,009

still win I think I think so I think she

91

00:04:32,629 --> 00:04:28,590

will win it any in all costs that's what

92

00:04:34,010 --> 00:04:32,639

the Clintons do they they slide cheat

93

00:04:35,990 --> 00:04:34,020

and steal and claw her way to the top

94

00:04:37,939 --> 00:04:36,000

that's what their grad I mean remember

95

00:04:40,760 --> 00:04:37,949

what happened with a bill clinch tire he

96

00:04:43,159 --> 00:04:40,770

he made it through that yeah he a flat

97

00:04:46,520 --> 00:04:43,169

tire but he persevered and change that

98

00:04:50,600 --> 00:04:46,530

tire yeah there with a flat tire with

99

00:04:53,390 --> 00:04:50,610

the flat tire the monthly money mart

100

00:04:58,550 --> 00:04:53,400

blue you could feel the air go out of it

101
00:05:00,710 --> 00:04:58,560
yep exactly the bill persevered and got

102
00:05:03,640 --> 00:05:00,720
over that flat tire they go type so I

103
00:05:06,409 --> 00:05:03,650
got out and walked around a little

104
00:05:10,129 --> 00:05:06,419
that's for city that's right you did

105
00:05:13,730 --> 00:05:10,139
Bill use you didn't care yeah yeah 14th

106
00:05:16,460 --> 00:05:13,740
space what's that Joe's talking along

107
00:05:20,930 --> 00:05:16,470
14th a night street ok ok that's where

108
00:05:26,020 --> 00:05:20,940
you were ok I got whacked oh Jesus

109
00:05:28,879 --> 00:05:26,030
that's the separate day ya later on i

110
00:05:30,529 --> 00:05:28,889
gots more headlines here for you and I

111
00:05:32,629 --> 00:05:30,539
do respect the man for turning his life

112
00:05:38,540 --> 00:05:32,639
around the way he did in the face of

113
00:05:41,390 --> 00:05:38,550

adversity 90,000 secret CIA files on

114

00:05:44,899 --> 00:05:41,400

telepathy clairvoyance and MK ULTRA have

115

00:05:46,790 --> 00:05:44,909

been published all right we don't have

116

00:05:50,120 --> 00:05:46,800

time to read all those O'Malley thousand

117

00:05:51,950 --> 00:05:50,130

right now not right now cyclists saved

118

00:05:53,119 --> 00:05:51,960

his penis after being struck by

119

00:05:55,249 --> 00:05:53,129

lightning

120

00:05:57,769 --> 00:05:55,259

I want it meant yeah let's go cover that

121

00:06:00,999 --> 00:05:57,779

one how did he had his penis save him

122

00:06:04,219 --> 00:06:01,009

from lightning yes 41 year old man from

123

00:06:06,409 --> 00:06:04,229

Croatia was struck by lightning but in a

124

00:06:11,389 --> 00:06:06,419

stroke of luck his penis miraculously

125

00:06:14,779 --> 00:06:11,399

earth him and saved his life ah this

126
00:06:17,719 --> 00:06:14,789
person was struck by lightning Wow was

127
00:06:20,570 --> 00:06:17,729
struck by lightning Wow but saved by his

128
00:06:25,100 --> 00:06:20,580
penis when the charge traveled through

129
00:06:28,879 --> 00:06:25,110
his earphones and into his junk skipping

130
00:06:31,369 --> 00:06:28,889
his chest in saving his life when found

131
00:06:34,429 --> 00:06:31,379
he was sitting in the rain and folks

132
00:06:35,929 --> 00:06:34,439
said that he was giving off steam the

133
00:06:38,839 --> 00:06:35,939
mail online reports that the medics

134
00:06:42,769 --> 00:06:38,849
branded him and branding it as a miracle

135
00:06:44,389 --> 00:06:42,779
and the charge missed his heart and went

136
00:06:47,480 --> 00:06:44,399
straight to his penis he was wearing

137
00:06:49,850 --> 00:06:47,490
thick rubber boots so the church could

138
00:06:51,949 --> 00:06:49,860

not exit through his feet under normal

139

00:06:53,689 --> 00:06:51,959

circumstances it would have but it exit

140

00:06:56,869 --> 00:06:53,699

through his pants he's got lightning

141

00:06:58,519 --> 00:06:56,879

dick yeah he must have blushed oberst a

142

00:07:01,339 --> 00:06:58,529

lot of blood vessel semen ability to

143

00:07:03,319 --> 00:07:01,349

boner yeah thankfully his penis earth

144

00:07:07,249 --> 00:07:03,329

him when the charge connected to his

145

00:07:10,790 --> 00:07:07,259

earphones hey time out yeah in in a

146

00:07:12,649 --> 00:07:10,800

comic book action movie this is the kind

147

00:07:15,169 --> 00:07:12,659

of thing that gets you special powers so

148

00:07:17,839 --> 00:07:15,179

suggests point yeah what if he doesn't

149

00:07:20,719 --> 00:07:17,849

get erect again what if he has like

150

00:07:22,759 --> 00:07:20,729

electro penis yeah like he battles uh

151
00:07:24,019 --> 00:07:22,769
super villains by whipping out his dick

152
00:07:26,509 --> 00:07:24,029
and shooting legging out of it right

153
00:07:29,839 --> 00:07:26,519
like what if he can just like jack off

154
00:07:32,480 --> 00:07:29,849
in in like murder folks like assassinate

155
00:07:35,779 --> 00:07:32,490
this guy is he's realized Cyclops yeah

156
00:07:38,659 --> 00:07:35,789
but with this dick yeah yeah yes that

157
00:07:40,249 --> 00:07:38,669
this whole suit is like arranged around

158
00:07:45,439 --> 00:07:40,259
his dick he's got like arrows on his

159
00:07:48,019 --> 00:07:45,449
chest pointing downwards everything and

160
00:07:55,259 --> 00:07:48,029
he will totally shoot you dead yet they

161
00:08:01,389 --> 00:07:59,019
fast jacks come holy [h__h] watch out he's

162
00:08:05,319 --> 00:08:01,399
a 1 stroker he's one of those guys just

163
00:08:07,209 --> 00:08:05,329

like Shh his digs always out yeah he's

164

00:08:08,679 --> 00:08:07,219

got it you can't I mean if you're and I

165

00:08:10,149 --> 00:08:08,689

166

00:08:14,129 --> 00:08:10,159

the sheave you gotta have that thing out

167

00:08:17,529 --> 00:08:14,139

and ready always ready to go absolutely

168

00:08:20,559 --> 00:08:17,539

this is a really gay podcast a little

169

00:08:26,469 --> 00:08:20,569

bit it's a little gay it's just a little

170

00:08:27,879 --> 00:08:26,479

bit yeah probably bill no we just we're

171

00:08:29,409 --> 00:08:27,889

talking about this is the exact

172

00:08:31,839 --> 00:08:29,419

conversation anybody have when they

173

00:08:36,159 --> 00:08:31,849

heard that story yeah his dick crowded

174

00:08:38,649 --> 00:08:36,169

dying it saved them saved him from near

175

00:08:41,079 --> 00:08:38,659

death now here's another headline here a

176

00:08:44,670 --> 00:08:41,089

court okies trial for girl who texted

177

00:08:48,460 --> 00:08:44,680

boyfriend urging him to commit suicide

178

00:08:50,110 --> 00:08:48,470

do it [h__\h] kill yourself Brazilian

183

00:09:07,509 --> 00:09:03,230

soldiers being our patron rio olympic

184

00:09:10,150 --> 00:09:07,519

venues amid rising crime or the olympics

185

00:09:11,920 --> 00:09:10,160

in brazil gonna be a real [h__\h] show the

186

00:09:13,179 --> 00:09:11,930

other could be disaster they don't have

187

00:09:15,730 --> 00:09:13,189

a lot of money they already in dead

188

00:09:18,249 --> 00:09:15,740

there's the Zika virus there is a crime

189

00:09:21,040 --> 00:09:18,259

wave shits shit's going down well this

190

00:09:22,689 --> 00:09:21,050

shit's not complete yet yeah this venues

191

00:09:26,110 --> 00:09:22,699

that aren't completely like literally

192

00:09:28,329 --> 00:09:26,120

start next month I think they need a two

193

00:09:30,999 --> 00:09:28,339

hundred million dollars to complete I

194

00:09:32,650 --> 00:09:31,009

got that on me yeah I got that I'll

195

00:09:34,509 --> 00:09:32,660

swing you some change start a GoFundMe

196

00:09:36,100 --> 00:09:34,519

so this a [h__h] one here and read

197

00:09:38,619 --> 00:09:36,110

earlier I saw the headline in New Jersey

198

00:09:40,509 --> 00:09:38,629

New Jersey he forces a mom the pace on

199

00:09:42,400 --> 00:09:40,519

the student loan debt saying his murders

200

00:09:46,150 --> 00:09:42,410

not meeting the threshold for loan

201
00:09:48,910 --> 00:09:46,160
forgiveness yes and she wasn't even a

202
00:09:52,090 --> 00:09:48,920
cosigner to that loan she's his next of

203
00:09:54,059 --> 00:09:52,100
kin and so when her son died and he had

204
00:09:56,619 --> 00:09:54,069
student loans it goes right onto you

205
00:10:00,660 --> 00:09:56,629
what a bunch of [\\h__\\h] Ellen pay him a

206
00:10:05,170 --> 00:10:02,949
here's a headline here shoppers throw

207
00:10:09,190 --> 00:10:05,180
cans and use baseball bats in

208
00:10:12,820 --> 00:10:09,200
Walmart melee I mean about 30 people and

209
00:10:16,930 --> 00:10:12,830
I'm a Walmart brawl it's to get old

210
00:10:19,900 --> 00:10:16,940
Kentucky smooth yet have I hear mark

211
00:10:21,880 --> 00:10:19,910
zuckerberg zuckerberg is building a wall

212
00:10:23,500 --> 00:10:21,890
around his Hawaiian estate about a

213
00:10:25,690 --> 00:10:23,510

six-foot walls building around his

214

00:10:27,280 --> 00:10:25,700

[h__\h] estate he said our country

215

00:10:31,000 --> 00:10:27,290

doesn't need walls reporters I forgot

216

00:10:33,190 --> 00:10:31,010

yeah you're right oops but apparently

217

00:10:36,550 --> 00:10:33,200

it's pissing off his neighbors in Hawaii

218

00:10:38,860 --> 00:10:36,560

Eliza so he needs a wall but and he's a

219

00:10:41,800 --> 00:10:38,870

person but I guess our country doesn't

220

00:10:43,840 --> 00:10:41,810

need a wall well and if you see the

221

00:10:47,950 --> 00:10:43,850

pictures i've read this article it's

222

00:10:52,360 --> 00:10:47,960

been around the pictures do the most

223

00:10:54,990 --> 00:10:52,370

damage to this because it was by what

224

00:10:58,960 --> 00:10:55,000

neighbors describe a an untouched

225

00:11:01,510 --> 00:10:58,970

coastline with just like nobody cared

226

00:11:04,600 --> 00:11:01,520

like you just run amok and just go see

227

00:11:08,020 --> 00:11:04,610

stuff because nobody cared it was it was

228

00:11:09,880 --> 00:11:08,030

like beautiful and then mark officially

229

00:11:11,710 --> 00:11:09,890

bought this land that people normally

230

00:11:15,010 --> 00:11:11,720

were just like oh yeah they're out on

231

00:11:16,600 --> 00:11:15,020

our property no mark says we gotta build

232

00:11:18,610 --> 00:11:16,610

a fence and we don't want you on our

233

00:11:22,680 --> 00:11:18,620

property because this is our view now

234

00:11:26,200 --> 00:11:22,690

and it has completely destroyed a

235

00:11:29,710 --> 00:11:26,210

coastline view in hawaii for people in a

236

00:11:32,770 --> 00:11:29,720

community that kind of have dependent

237

00:11:34,480 --> 00:11:32,780

like they've lived in that area because

238

00:11:37,030 --> 00:11:34,490

they loved it and then this guy builds

239

00:11:39,460 --> 00:11:37,040

this giant wall but he's Mark Zuckerberg

240

00:11:41,410 --> 00:11:39,470

so you know I wanted off just like it

241

00:11:44,020 --> 00:11:41,420

stand on the shore and jerk off into the

242

00:11:46,750 --> 00:11:44,030

ocean I like that I mean as we do as a

243

00:11:48,820 --> 00:11:46,760

billionaire you and he might as well

244

00:11:50,740 --> 00:11:48,830

nobody's gonna nobody's gonna rest him

245

00:11:54,100 --> 00:11:50,750

you can just in the cops will be like

246

00:11:55,480 --> 00:11:54,110

wow dude you've got a great show I said

247

00:11:57,840 --> 00:11:55,490

I don't mind I'm doing this I just don't

248

00:12:00,070 --> 00:11:57,850

like the hypocrisy I don't like that uh

249

00:12:02,470 --> 00:12:00,080

we can believe whatever you want about

250

00:12:05,350 --> 00:12:02,480

Facebook yeah i think that they secure

251
00:12:08,860 --> 00:12:05,360
eight uh the news feeds for people to

252
00:12:11,050 --> 00:12:08,870
make it more uh guess left-leaning i

253
00:12:13,450 --> 00:12:11,060
mean when he called left is more social

254
00:12:15,640 --> 00:12:13,460
justice friendly as opposed to the right

255
00:12:18,250 --> 00:12:15,650
articles of the the conservative

256
00:12:18,970 --> 00:12:18,260
articles he says he has no control over

257
00:12:23,560 --> 00:12:18,980
the algorithm

258
00:12:25,960 --> 00:12:23,570
delivery I just a he's a [h__h]

259
00:12:28,569 --> 00:12:25,970
hypocrite he's a complete hit-girl

260
00:12:31,480 --> 00:12:28,579
lefties are hypocrites because it's like

261
00:12:34,569 --> 00:12:31,490
they they love multiculturalism but like

262
00:12:37,090 --> 00:12:34,579
angle Merkel like do you think she lives

263
00:12:41,319 --> 00:12:37,100

in a community where there are you know

264

00:12:49,689 --> 00:12:41,329

a hundred Somalis that live in the next

265

00:13:01,240 --> 00:12:49,699

building down now oh no thanks no no yes

266

00:13:04,170 --> 00:13:01,250

no yes no okay no no no what what all

267

00:13:06,939 --> 00:13:04,180

right go go what a another headline here

268

00:13:09,430 --> 00:13:06,949

no longer conspiracy the CIA director

269

00:13:11,050 --> 00:13:09,440

admits plans for aerosol spraying we're

270

00:13:13,329 --> 00:13:11,060

have to cover this much in a much longer

271

00:13:15,280 --> 00:13:13,339

format on the next next the pocket an

272

00:13:17,650 --> 00:13:15,290

episode in do some research into this I

273

00:13:19,600 --> 00:13:17,660

I saw this I love this let's do this

274

00:13:22,600 --> 00:13:19,610

yeah next episode we're going all

275

00:13:24,370 --> 00:13:22,610

chemtrails damn trash we're gonna spray

276

00:13:27,550 --> 00:13:24,380

the [h__\h] out of you all chemtrails all

277

00:13:29,470 --> 00:13:27,560

the time look into the Tavistock

278

00:13:33,100 --> 00:13:29,480

Institute owned by George Soros it's

279

00:13:39,009 --> 00:13:33,110

apparently the big goon oh yeah no no

280

00:13:42,009 --> 00:13:39,019

yeah yeah I'm all right going down to

281

00:13:43,809 --> 00:13:42,019

some more headlines here Saudi King vows

282

00:13:45,340 --> 00:13:43,819

and iron fist against attackers

283

00:13:48,490 --> 00:13:45,350

apparently Saudi Arabia has been the

284

00:13:50,230 --> 00:13:48,500

victim of some terrorist attacks some

285

00:13:52,300 --> 00:13:50,240

suicide bombers and they're vowing

286

00:13:54,550 --> 00:13:52,310

revenge and an iron fist which is kind

287

00:13:56,410 --> 00:13:54,560

of unusual this might be a shot across

288

00:14:00,280 --> 00:13:56,420

the bow for Saudi Arabia if they don't

289

00:14:02,259 --> 00:14:00,290

get in line that's wondering like [h__h]

290

00:14:04,960 --> 00:14:02,269

support that kind of thing so who is

291

00:14:07,740 --> 00:14:04,970

bombing Saudi Arabia like who would do

292

00:14:11,470 --> 00:14:07,750

this who's claiming responsibility

293

00:14:13,329 --> 00:14:11,480

tiger-man King has vowed that his

294

00:14:15,340 --> 00:14:13,339

government will strike with an iron fist

295

00:14:17,379 --> 00:14:15,350

the day after a series of bombings in

296

00:14:19,120 --> 00:14:17,389

his country or security guards were

297

00:14:23,319 --> 00:14:19,130

killed on Monday I'll sign the Prophet

298

00:14:25,509 --> 00:14:23,329

prophet's mosque in Medina Islam's

299

00:14:27,550 --> 00:14:25,519

second holiest sites I'm trying to

300

00:14:30,400 --> 00:14:27,560

figure out who actually claimed

301
00:14:35,949 --> 00:14:33,129
was it your mom it wasn't my mom no she

302
00:14:38,980 --> 00:14:35,959
wasn't responsible no not this time no

303
00:14:40,840 --> 00:14:38,990
but she isn't known terrorist who does

304
00:14:44,980 --> 00:14:40,850
suicide bomb she actually responsible

305
00:14:46,030 --> 00:14:44,990
for 38 suicide bombings she's a [h__h] she

306
00:14:50,280 --> 00:14:46,040
keeps killing herself over and over

307
00:14:54,280 --> 00:14:50,290
again she's way better than cats yeah um

308
00:14:56,530 --> 00:14:54,290
I'm trying to see who's taking

309
00:15:00,429 --> 00:14:56,540
responsibility for this a many observers

310
00:15:02,470 --> 00:15:00,439
suspect the Islamic state of being

311
00:15:04,389 --> 00:15:02,480
behind these bombings but that doesn't

312
00:15:08,139 --> 00:15:04,399
make any sense because Saudi Arabia

313
00:15:09,790 --> 00:15:08,149

funds the Islamic stake state so well

314

00:15:12,670 --> 00:15:09,800

that is not officially not officially

315

00:15:15,730 --> 00:15:12,680

but you know back channels so I can only

316

00:15:19,030 --> 00:15:15,740

conclude that this is a message sent to

317

00:15:23,559 --> 00:15:19,040

Saudi Arabia that hey you think that

318

00:15:29,590 --> 00:15:23,569

revolution uh in in in Libya can't

319

00:15:30,730 --> 00:15:29,600

happen here again I I want to find out

320

00:15:34,119 --> 00:15:30,740

who's behind us awful-looking this

321

00:15:39,490 --> 00:15:34,129

little bit more it's probably mom it's

322

00:15:42,759 --> 00:15:39,500

not my mom-jo sorry Santa supporters

323

00:15:46,030 --> 00:15:42,769

meltdown over FBI's decision on Clinton

324

00:15:48,999 --> 00:15:46,040

is a video of that but how much of a

325

00:15:54,879 --> 00:15:49,009

meltdown it is I have a good standards

326

00:15:57,490 --> 00:15:54,889

about them yeah you keep your keep you

327

00:15:59,710 --> 00:15:57,500

thing going i have a girl crying about

328

00:16:02,290 --> 00:15:59,720

Sanders nothing friend I have video of a

329

00:16:05,350 --> 00:16:02,300

woman who used a baby to be boyfriend I

330

00:16:08,290 --> 00:16:05,360

like this okay way better source well

331

00:16:11,170 --> 00:16:08,300

yeah it is I kind of like that here is a

332

00:16:14,559 --> 00:16:11,180

video of just your baby and beat a

333

00:16:16,809 --> 00:16:14,569

boyfriend okay the mom accused of using

334

00:16:18,939 --> 00:16:16,819

her infant as a weapon to attack her

335

00:16:21,069 --> 00:16:18,949

boyfriend is speaking out tonight yeah

336

00:16:23,319 --> 00:16:21,079

eighteen-year-old Tatiana allantoin owe

337

00:16:25,809 --> 00:16:23,329

you 6 reporter erik sandoval by phone

338

00:16:28,329 --> 00:16:25,819

just a short time ago she denied the

339

00:16:30,910 --> 00:16:28,339

accusation she used her baby to hit her

340

00:16:33,369 --> 00:16:30,920

boyfriend what do you have to say to

341

00:16:37,500 --> 00:16:33,379

those people who claim that they saw you

342

00:16:42,330 --> 00:16:39,240

they claim that I used the weapon one

343

00:16:44,640 --> 00:16:42,340

for the baby jerod his father in the eye

344

00:16:47,100 --> 00:16:44,650

who were there personally wha have been

345

00:16:49,590 --> 00:16:47,110

standing right there told the cops that

346

00:16:52,950 --> 00:16:49,600

I did not and they told me can see us

347

00:16:55,050 --> 00:16:52,960

that awesome totally did yeah now Alan

348

00:16:56,820 --> 00:16:55,060

told new sick she got into an argument

349

00:16:59,010 --> 00:16:56,830

with the baby's dad on daytona beach

350

00:17:01,470 --> 00:16:59,020

near the ocean walk resort this happened

351
00:17:03,990 --> 00:17:01,480
yesterday witnesses called 911 saying

352
00:17:06,750 --> 00:17:04,000
she hit him with their six-month-old

353
00:17:09,319 --> 00:17:06,760
child before throwing the baby into the

354
00:17:14,400 --> 00:17:09,329
sand wow she arguing with the meal first

355
00:17:17,730 --> 00:17:14,410
yeah and she threw the baby Adam she

356
00:17:19,319 --> 00:17:17,740
took my baby by like your body and he

357
00:17:23,189 --> 00:17:19,329
hit the baby against the man and his

358
00:17:25,170 --> 00:17:23,199
through the baby down ah now Alan says

359
00:17:27,750 --> 00:17:25,180
the baby's father was holding the child

360
00:17:30,300 --> 00:17:27,760
when she tried to hit him back after he

361
00:17:32,010 --> 00:17:30,310
assaulted her she says he dropped the

362
00:17:34,700 --> 00:17:32,020
baby in the sand we've learned she is

363
00:17:38,700 --> 00:17:34,710

bonding out of jail hey what happened

364

00:17:42,410 --> 00:17:38,710

okay so first of all I think we need to

365

00:17:44,940 --> 00:17:42,420

ban babies yes they're dangerous weapons

366

00:17:46,320 --> 00:17:44,950

dangerous or you gotta get registered

367

00:17:48,300 --> 00:17:46,330

you need a background check before you

368

00:17:49,620 --> 00:17:48,310

have Academy maybe she get through it in

369

00:17:52,560 --> 00:17:49,630

a garbage can I mean throw it in the

370

00:17:54,360 --> 00:17:52,570

sand some can step on it yeah look if

371

00:17:55,920 --> 00:17:54,370

you throw in the sand someone some kids

372

00:17:58,560 --> 00:17:55,930

gonna come along and find that baby and

373

00:17:59,880 --> 00:17:58,570

use it themselves yeah and though just

374

00:18:01,410 --> 00:17:59,890

what are they gonna do they're gonna

375

00:18:03,570 --> 00:18:01,420

they're gonna start beating people up

376

00:18:07,170 --> 00:18:03,580

with this baby and on your side throwing

377

00:18:09,210 --> 00:18:07,180

it like a grenade yeah yeah next thing

378

00:18:11,130 --> 00:18:09,220

you know someone's gonna walk into a gay

379

00:18:13,470 --> 00:18:11,140

nightclub and hit people with babies

380

00:18:15,360 --> 00:18:13,480

yeah that's exactly what they're going

381

00:18:17,580 --> 00:18:15,370

to do are you gonna go into an

382

00:18:19,950 --> 00:18:17,590

elementary school with a handful of

383

00:18:21,720 --> 00:18:19,960

babies they're just gonna do like this

384

00:18:23,490 --> 00:18:21,730

tornado move where they just spin around

385

00:18:27,390 --> 00:18:23,500

and this movie ape just hit with

386

00:18:32,430 --> 00:18:27,400

toddlers in the back baby baby yeah yeah

387

00:18:35,100 --> 00:18:32,440

baby I'm baby violence here's another

388

00:18:38,000 --> 00:18:35,110

headline here uh suspect found in bed

389

00:18:40,620 --> 00:18:38,010

with mannequin stolen from hustler store

390

00:18:43,530 --> 00:18:40,630

okay who hasn't been caught doing that

391

00:18:47,010 --> 00:18:43,540

mom she's fairly common get the hottest

392

00:18:48,840 --> 00:18:47,020

ones man sues yet again for a chance to

393

00:18:52,260 --> 00:18:48,850

marry his computer

394

00:18:56,130 --> 00:18:52,270

nice must love that is his personal

395

00:18:59,640 --> 00:18:56,140

jacking computer yes let me get windows

396

00:19:04,640 --> 00:18:59,650

95 on yeah I got a plug-in for your

397

00:19:09,720 --> 00:19:07,020

Canada city under fire for shooting down

398

00:19:13,770 --> 00:19:09,730

kids lemonade stand over a lack of work

399

00:19:16,110 --> 00:19:13,780

permit geez I read this article they

400

00:19:18,120 --> 00:19:16,120

wanted the the one of these kids to have

401
00:19:21,840 --> 00:19:18,130
a work permit to set up a lemonade stand

402
00:19:25,290 --> 00:19:21,850
and so they have a license and it's like

403
00:19:29,400 --> 00:19:25,300
oh like yet to give your exact zoning

404
00:19:30,780 --> 00:19:29,410
specifications and it's like a 48-page

405
00:19:34,680 --> 00:19:30,790
document that these kids have to fill

406
00:19:37,410 --> 00:19:34,690
out I think the only thing I want to

407
00:19:40,200 --> 00:19:37,420
point out is there this is it is it

408
00:19:43,530 --> 00:19:40,210
there what they're white yeah they are

409
00:19:45,330 --> 00:19:43,540
there a little way yeah so there is and

410
00:19:46,830 --> 00:19:45,340
the only reason why they're not dead is

411
00:19:48,690 --> 00:19:46,840
because they're white privilege because

412
00:19:50,580 --> 00:19:48,700
if they were black kids in a black

413
00:19:52,260 --> 00:19:50,590

neighborhood they'd be convicted on

414

00:19:56,430 --> 00:19:52,270

cocaine charges and shot in the head

415

00:19:59,130 --> 00:19:56,440

that maybe I don't know I'm just making

416

00:20:01,950 --> 00:19:59,140

stuff up in a bar yeah it'll appeal to

417

00:20:06,570 --> 00:20:01,960

somebody the asian minute is concerned

418

00:20:10,410 --> 00:20:06,580

about the Kim jong-un's wait this it

419

00:20:12,720 --> 00:20:10,420

looks like that the Korean leader is

420

00:20:15,090 --> 00:20:12,730

putting on a lot of weight on is putting

421

00:20:16,800 --> 00:20:15,100

on weight apparently quite a lot of it

422

00:20:18,600 --> 00:20:16,810

maybe you've noticed the North Korean

423

00:20:21,510 --> 00:20:18,610

leader looks a little chunkier than he

424

00:20:23,370 --> 00:20:21,520

used to how dare you that's sad pay

425

00:20:27,650 --> 00:20:23,380

attention to those explosions shaming

426
00:20:30,150 --> 00:20:27,660
they are fat shaming this dictator yeah

427
00:20:32,580 --> 00:20:30,160
he's got white privilege though

428
00:20:34,590 --> 00:20:32,590
television south korea's national

429
00:20:36,720 --> 00:20:34,600
intelligence service pays close

430
00:20:38,310 --> 00:20:36,730
attention and told the parliaments

431
00:20:41,430 --> 00:20:38,320
Intelligence Committee on friday that

432
00:20:44,490 --> 00:20:41,440
Kim has packed on nearly 90 pounds over

433
00:20:48,570 --> 00:20:44,500
the last four years God dang these guys

434
00:20:51,060 --> 00:20:48,580
can eat dude wat nothing good deals

435
00:20:53,400 --> 00:20:51,070
meeting binging and just drinking and

436
00:20:56,190 --> 00:20:53,410
just like I don't know but funneling

437
00:20:59,490 --> 00:20:56,200
custard or something yeah but [\h__\h]

438
00:21:02,610 --> 00:20:59,500

custard he but chugs cakes and pies from

439

00:21:05,910 --> 00:21:02,620

dennys and washes the down was like

440

00:21:07,320 --> 00:21:05,920

but funnels a few dark beers he's

441

00:21:11,220 --> 00:21:07,330

closely but bundles he doesn't eat

442

00:21:13,500 --> 00:21:11,230

anymore yeah very very big big but

443

00:21:17,250 --> 00:21:13,510

filing period let's just kick the food

444

00:21:20,580 --> 00:21:17,260

in my ass this kick it up early tips the

445

00:21:22,080 --> 00:21:20,590

scales at a little under 300 pounds the

446

00:21:23,970 --> 00:21:22,090

spies are involved in this weight

447

00:21:26,250 --> 00:21:23,980

watching because of the potential health

448

00:21:27,960 --> 00:21:26,260

effects the chair of the Intelligence

449

00:21:30,870 --> 00:21:27,970

Committee says Kim is suffering from

450

00:21:33,930 --> 00:21:30,880

insomnia and some unidentified diseases

451
00:21:35,610 --> 00:21:33,940
associated with obesity so he just gets

452
00:21:40,049 --> 00:21:35,620
up in the middle night and scars eating

453
00:21:41,880 --> 00:21:40,059
that season sounding NSE egg yeah he

454
00:21:44,190 --> 00:21:41,890
adds the North Korean leaders under a

455
00:21:47,870 --> 00:21:44,200
lot of stress because of fears about his

456
00:21:51,390 --> 00:21:47,880
safety they call him night cookie cookie

457
00:21:53,730 --> 00:21:51,400
this fear this vigilante of North Korea

458
00:21:55,770 --> 00:21:53,740
he's also a dictator by day night cookie

459
00:21:59,310 --> 00:21:55,780
by night I wanted that to the command

460
00:22:02,280 --> 00:21:59,320
gamer name hey cookie so good it sounds

461
00:22:04,860 --> 00:22:02,290
violent yet like passive yeah eating an

462
00:22:07,290 --> 00:22:04,870
extensive drinking earlier last week

463
00:22:09,360 --> 00:22:07,300

north korean television surprisingly

464

00:22:11,370 --> 00:22:09,370

showed a quick shot of kim sleeping

465

00:22:14,130 --> 00:22:11,380

during a meeting of the Supreme People's

466

00:22:15,960 --> 00:22:14,140

Assembly he's a dyad night cook you had

467

00:22:19,200 --> 00:22:15,970

468

00:22:21,919 --> 00:22:19,210

eating cookies not cooking it up I know

469

00:22:25,169 --> 00:22:21,929

471

00:22:29,610 --> 00:22:27,610

events can be dangerous in North Korea

472

00:22:31,890 --> 00:22:29,620

unless your title was something like

473

00:22:33,630 --> 00:22:31,900

dear respected comrade and supreme

474

00:22:35,970 --> 00:22:33,640

commander of the Korean People's Army

475

00:22:38,160 --> 00:22:35,980

South Korea's National Intelligence

476

00:22:40,169 --> 00:22:38,170

Service says a senior military official

477

00:22:43,140 --> 00:22:40,179

fell asleep in a military rally last

478

00:22:46,799 --> 00:22:43,150

year near Pyongyang and dear respected

479

00:22:48,540 --> 00:22:46,809

480
