FACTION | [BANK]

1  
00:00:10,910 --> 00:00:08,210  
decided to start fresh as a brand new

2  
00:00:12,919 --> 00:00:10,920  
faction called Bank we have a fairly

3  
00:00:15,410 --> 00:00:12,929  
simple mission to help people safeguard

4  
00:00:17,510 --> 00:00:15,420  
their items we start off in Phoenix and

5  
00:00:20,000 --> 00:00:17,520  
then we jump to Dixie for a little bomb

6  
00:00:24,170 --> 00:00:20,010  
testing enjoy the episode and I will

7  
00:00:27,439 --> 00:00:24,180  
talk to you later bye I'm in Alan

8  
00:00:28,939 --> 00:00:27,449  
Greenspan is in mmm I'm not sure if I

9  
00:00:30,439 --> 00:00:28,949  
can get down without jasmine dropping as

10  
00:00:32,030 --> 00:00:30,449  
she drew by of course she trips on me

11  
00:00:35,630 --> 00:00:32,040  
but I don't think that's enough I don't

12  
00:00:38,060 --> 00:00:35,640  
even know where where the the bank is at

13  
00:00:39,740 --> 00:00:38,070

are we using the bank as our base yeah

14

00:00:41,780 --> 00:00:39,750

okay any of the little storage place

15

00:00:42,910 --> 00:00:41,790

that's close but can you give me the

16

00:00:52,090 --> 00:00:42,920

coordinates

17

00:01:09,050 --> 00:00:52,100

yeah I'm at X it's 11 5 1 4 and y 111 84

18

00:01:11,330 --> 00:01:09,060

and that's the bank yeah keyboards

19

00:01:16,070 --> 00:01:11,340

insanely loud what's going on over there

20

00:01:22,820 --> 00:01:16,080

I can't tame your keyboard I can't turn

21

00:01:28,110 --> 00:01:26,040

and I haven't cheesy input settings

22

00:01:37,100 --> 00:01:28,120

phenomenologist it's extremely loud for

23

00:01:52,320 --> 00:01:47,730

have you run into him no Tom it back I'm

24

00:01:55,770 --> 00:01:52,330

here meta knocks back I wish you could

25

00:01:57,510 --> 00:01:55,780

throw some [h\_\_\h] down yeah that's alright

26

00:02:09,790 --> 00:01:57,520

I know where it's at now that's the most

27

00:02:22,810 --> 00:02:12,190

I might go down the street a little bit

28

00:02:25,000 --> 00:02:22,820

and take a look around yeah please stop

29

00:02:28,630 --> 00:02:25,010

typing it since I'm talking to her it's

30

00:02:32,470 --> 00:02:28,640

rattling my head she can call in can she

31

00:02:34,540 --> 00:02:32,480

call him to Skype I can't turn you down

32

00:02:35,320 --> 00:02:34,550

yes I turn you down then I'll turn down

33

00:02:42,220 --> 00:02:35,330

your voice

34

00:03:07,690 --> 00:02:42,230

I'll just messenger yeah yeah there's a

35

00:03:10,430 --> 00:03:10,040

we're trying to get these zombies out of

36

00:03:13,040 --> 00:03:10,440

here

37

00:03:16,730 --> 00:03:13,050

they're not gonna leave no Ruby in them

38

00:03:21,020 --> 00:03:16,740

are shooting downstairs thought they

39

00:03:22,700 --> 00:03:21,030

were maybe they were they they're still

40

00:03:25,490 --> 00:03:22,710

being drawn in and there's nothing I can

41

00:03:27,350 --> 00:03:25,500

do i I tried to fire and lead them away

42

00:03:31,030 --> 00:03:27,360

but they're using shotguns was

43

00:03:34,490 --> 00:03:31,040

overpowers my 38 which I had yeah I

44

00:03:38,120 --> 00:03:34,500

don't have any more she trips on me I I

45

00:03:40,430 --> 00:03:38,130

do I'm not sure where the sheet rope

46

00:03:41,870 --> 00:03:40,440

would come into play it's I'm gonna drop

47

00:03:44,060 --> 00:03:41,880

it right now right out front up here and

48

00:03:47,420 --> 00:03:44,070

get some supplies on the left side of

49

00:03:50,930 --> 00:03:47,430

the front entrance I gotta get all these

50

00:03:52,220 --> 00:03:50,940

guys away a little bit as soon as you

51  
00:03:56,480 --> 00:03:52,230  
come up I'm gonna pull it though so I

52  
00:03:59,780 --> 00:03:56,490  
can't take it yeah yeah stupid zombies

53  
00:04:04,800 --> 00:04:02,250  
so the place where it's barricaded right

54  
00:04:09,680 --> 00:04:04,810  
by where the rope is it's a hole so

55  
00:04:14,339 --> 00:04:09,690  
don't fall through yes I figured that I

56  
00:04:15,960 --> 00:04:14,349  
might not have not perfect if you gonna

57  
00:04:28,040 --> 00:04:15,970  
get scratched by a zombie you'd scratch

58  
00:04:29,689 --> 00:04:28,050  
by a zombie yeah there's a poem

59  
00:04:30,860 --> 00:04:29,699  
just a little I just need a little bit

60  
00:04:33,920 --> 00:04:30,870  
there's too many standing near the

61  
00:04:35,180 --> 00:04:33,930  
entrance if any one of them try to come

62  
00:04:40,879 --> 00:04:35,190  
up here I'm gonna murder them as soon as

63  
00:04:42,559 --> 00:04:40,889

they do yeah that's fine they're really

64

00:04:47,089 --> 00:04:42,569

they're really mucking up the works for

65

00:04:51,290 --> 00:04:47,099

us mm-hmm they've been in uh in town all

66

00:04:56,089 --> 00:04:51,300

day and I've scoured this town there's

67

00:04:58,879 --> 00:04:56,099

new cement trust me so they're probably

68

00:05:00,230 --> 00:04:58,889

griefing us at this point no they're

69

00:05:01,459 --> 00:05:00,240

really they really are looking for

70

00:05:02,959 --> 00:05:01,469

cement they just worked their way down

71

00:05:08,180 --> 00:05:02,969

this far they just been shooting the

72

00:05:09,860 --> 00:05:08,190

whole time town like I was up there

73

00:05:12,230 --> 00:05:09,870

there were hundreds of bodies and there

74

00:05:14,990 --> 00:05:12,240

were like three groups up there scouting

75

00:05:16,850 --> 00:05:15,000

for stuff all the respawns broken in all

76

00:05:20,689 --> 00:05:16,860

of the cities except from West Point

77

00:05:22,820 --> 00:05:20,699

Muldrow oh geez that's a disaster

78

00:05:24,469 --> 00:05:22,830

because nothing response in West one cuz

79

00:05:26,559 --> 00:05:24,479

everyone's always there never a stipend

80

00:05:29,290 --> 00:05:26,569

Mulder oh I know

81

00:05:39,140 --> 00:05:29,300

let me see if I can get up there now

82

00:05:48,800 --> 00:05:44,210

ll there we go okay you seen chatty Alan

83

00:05:51,560 --> 00:05:48,810

Greenspan yelling hey yeah how good you

84

00:05:53,900 --> 00:05:51,570

made him bald yeah yeah yeah Alan it's

85

00:05:56,180 --> 00:05:53,910

fine up here thank God yeah I'm gonna do

86

00:05:58,310 --> 00:05:56,190

the garden and stuff done here so we can

87

00:06:00,080 --> 00:05:58,320

start producing food actually up one

88

00:06:08,900 --> 00:06:00,090

it's probably a good idea uh-huh here I

89

00:06:10,760 --> 00:06:08,910

got grab an axe thank you have you

90

00:06:13,460 --> 00:06:10,770

showed him the stash no not yet

91

00:06:16,820 --> 00:06:13,470

okay and uh would have been helpful for

92

00:06:19,670 --> 00:06:16,830

those oh I can't beards here there are

93

00:06:21,680 --> 00:06:19,680

Russians Pete beards here

94

00:06:23,360 --> 00:06:21,690

yeah that's who's been elude that's

95

00:06:26,900 --> 00:06:23,370

who's shooting and looting how'd they

96

00:06:28,460 --> 00:06:26,910

get up there we did know she troop wait

97

00:06:30,890 --> 00:06:28,470

they're upstairs yeah on the third floor

98

00:06:33,050 --> 00:06:30,900

they must built a they just popped up

99

00:06:34,909 --> 00:06:33,060

yeah they build something take the Rope

100

00:06:40,430 --> 00:06:34,919

up yeah I'm coming down here take the

101  
00:06:41,689 --> 00:06:40,440  
Rope up Jeff okay yeah it's up okay yeah

102  
00:06:43,370 --> 00:06:41,699  
they built something to get up there

103  
00:06:45,700 --> 00:06:43,380  
that is I've knocked out all the stairs

104  
00:06:48,320 --> 00:06:45,710  
yeah they must have built something to

105  
00:06:51,980 --> 00:06:48,330  
probably lead yep they built stairs up

106  
00:06:53,750 --> 00:06:51,990  
here [h\_\_h] that means lobbies can get up

107  
00:06:56,820 --> 00:06:53,760  
here too it's alright I'll knock him out

108  
00:06:59,520 --> 00:06:56,830  
I have got a sledge alright

109  
00:07:01,409 --> 00:06:59,530  
see what he wants I need help let me

110  
00:07:02,790 --> 00:07:01,419  
know you know we can do stop shooting no

111  
00:07:05,999 --> 00:07:02,800  
don't drop the rope I'm just gonna kill

112  
00:07:11,969 --> 00:07:06,009  
myself ready to watch oh okay well good

113  
00:07:13,790 --> 00:07:11,979

luck be careful oh [h\_\_\h] why you just ow

114

00:07:17,850 --> 00:07:13,800

holy [h\_\_\h] I just watched that happen

115

00:07:19,020 --> 00:07:17,860

yeah there you are I see yeah yeah I've

116

00:07:21,059 --> 00:07:19,030

fallen from that height you pretty much

117

00:07:26,070 --> 00:07:21,069

you die instantly yeah it's like I just

118

00:07:32,700 --> 00:07:26,080

go forever pretty tame and now they're

119

00:07:33,809 --> 00:07:32,710

just I was the character you killed they

120

00:07:41,300 --> 00:07:33,819

have any medical skill

121

00:07:47,670 --> 00:07:44,790

doesn't matter dead about the wind over

122

00:07:50,969 --> 00:07:47,680

there dude this is insane

123

00:07:54,089 --> 00:07:50,979

Alan Greenspan's do you need a weapon he

124

00:07:58,830 --> 00:07:54,099

has a baseball bat his axe Brooke told

125

00:08:01,950 --> 00:07:58,840

me to bring you down one real quick this

126

00:08:05,209 --> 00:08:01,960

could be unsustainable I get fresh acts

127

00:08:08,159 --> 00:08:05,219

I can bring down I'll be a second [h\_\_h]

128

00:08:18,619 --> 00:08:08,169

don't come down this is unsustainable

129

00:08:18,629 --> 00:08:32,550

ax is right here by the sheet room

130

00:08:37,990 --> 00:08:36,460

it'll help you out a little bit if you

131

00:08:40,690 --> 00:08:38,000

want to tag me in now you can come up

132

00:08:49,410 --> 00:08:40,700

here if you don't well I'm gonna some

133

00:08:56,190 --> 00:08:52,620

[h\_\_h] I can't grab it there's too many

134

00:09:04,320 --> 00:09:01,140

I can't grab it don't come down

135

00:09:07,760 --> 00:09:04,330

there's no point I'm not doing anything

136

00:09:12,300 --> 00:09:07,770

right now our base has been attacked by

137

00:09:14,910 --> 00:09:12,310

Ruby Soho beard it's the family and

138

00:09:17,040 --> 00:09:14,920

pizza salt it's the holy [h\_\_h]

139

00:09:18,450 --> 00:09:17,050

and pizzas all attack this so there's

140

00:09:21,960 --> 00:09:18,460

zombies back on the second floor again

141

00:09:25,680 --> 00:09:21,970

after I wiped them all out so there's

142

00:09:26,670 --> 00:09:25,690

zombies everywhere I don't know how they

143

00:09:29,670 --> 00:09:26,680

got up I don't know

144

00:09:31,050 --> 00:09:29,680

they built stairs again yeah I watched

145

00:09:35,750 --> 00:09:31,060

him do it I was sitting there and the

146

00:09:40,879 --> 00:09:38,329

you drop down to a gunfight with beard I

147

00:09:43,370 --> 00:09:40,889

lost because he guy was I had a pistol

148

00:09:49,430 --> 00:09:43,380

and he had a I think an AR or something

149

00:10:00,890 --> 00:09:53,570

yeah Alan Greenspan's back to clearing

150

00:10:07,460 --> 00:10:05,269

bass holes great do they they say

151

00:10:09,260 --> 00:10:07,470

anything chat about it oh they were

152

00:10:13,670 --> 00:10:09,270

yeah they basically said in chat that uh

153

00:10:16,519 --> 00:10:15,500

yeah they're free of them if they wanted

154

00:10:17,420 --> 00:10:16,529

to steal everything there's nothing that

155

00:10:18,620 --> 00:10:17,430

could have done I could have turned the

156

00:10:21,740 --> 00:10:18,630

PvP and it all would've immediately

157

00:10:23,180 --> 00:10:21,750

shopping yeah so that's why I told him

158

00:10:25,190 --> 00:10:23,190

if they you know I'm gonna open fire

159

00:10:27,760 --> 00:10:25,200

because they destroyed our base I'm

160

00:10:38,580 --> 00:10:27,770

gonna say that pretty much I mean it's

161

00:10:47,910 --> 00:10:43,590

Cicero must be one of them yeah it is me

162

00:10:51,900 --> 00:10:47,920

it's Ruby we just wanted to visit but

163

00:10:53,790 --> 00:10:51,910

you wouldn't let us in so yeah yeah it's

164

00:10:58,590 --> 00:10:53,800

called breaking he wanted to rob us they

165

00:11:00,510 --> 00:10:58,600

told us they were robbing us so they can

166

00:11:05,480 --> 00:11:00,520

say what they want they invaded our base

167

00:11:08,730 --> 00:11:07,260

asking if they'd like all the loot that

168

00:11:17,870 --> 00:11:08,740

they got after they built stairs all the

169

00:11:24,199 --> 00:11:19,610

a good banker knows how to protect his

170

00:11:24,209 --> 00:11:30,020

you see it had no intentions of Robbie

171

00:11:39,480 --> 00:11:32,220

these fruit have said in chat the paper

172

00:11:48,380 --> 00:11:39,490

glowing tip we don't want to hurt you

173

00:11:55,870 --> 00:11:50,840

actually essentially said exactly what

174

00:11:55,880 --> 00:12:08,269

broke the walk is not okay

175

00:12:08,279 --> 00:12:14,210

all right

176

00:12:21,870 --> 00:12:17,129

any luck with that the backpack I'm

177
