

PROJECT

ZOMBOLD

The Battle
for Muldraugh

redboi
FACTION

[BANK]

1
00:00:09,259 --> 00:00:08,570
after our successful bomb testing in

2
00:00:11,660 --> 00:00:09,269
Dixie

3
00:00:14,330 --> 00:00:11,670
the Bank faction heads to Muldrow on a

4
00:00:16,160 --> 00:00:14,340
goodwill campaign we run into a lot of

5
00:00:17,810 --> 00:00:16,170
zombies and try to create a base in the

6
00:00:20,990 --> 00:00:17,820
middle of it all enjoy the episode

7
00:00:24,950 --> 00:00:21,000
subscribe and like talk to you later bye

8
00:00:29,179 --> 00:00:24,960
last night Kalan baby went on a bomb

9
00:00:31,700 --> 00:00:29,189
bombing spree on red boyd server and

10
00:00:32,840 --> 00:00:31,710
they said they want to be part of the

11
00:00:35,959 --> 00:00:32,850
event then he went there and killed

12
00:00:37,400 --> 00:00:35,969
everybody with bombs I don't I'm sure if

13
00:00:40,610 --> 00:00:37,410

I even killed anyone but I definitely

14

00:00:43,100 --> 00:00:40,620

caught some people on fire I think I was

15

00:00:44,360 --> 00:00:43,110

a look for a group of like four or five

16

00:00:45,799 --> 00:00:44,370

people standing around waiting for the

17

00:00:47,209 --> 00:00:45,809

event to fart start now I just put set

18

00:00:49,130 --> 00:00:47,219

timer and put a bomb at their feet and

19

00:00:51,430 --> 00:00:49,140

you're probably not a very well-liked

20

00:00:54,350 --> 00:00:51,440

person and server now no probably not

21

00:00:56,330 --> 00:00:54,360

but we did kill tactical me

22

00:00:58,520 --> 00:00:56,340

I put motion sensor bombs at his base

23

00:01:01,010 --> 00:00:58,530

one right behind his front door one out

24

00:01:03,380 --> 00:01:01,020

ins like this Hydra crap yard area well

25

00:01:07,039 --> 00:01:03,390

he killed us that's documented he was a

26

00:01:10,840 --> 00:01:07,049

he shot you in the back yeah when we

27

00:01:13,760 --> 00:01:10,850

were OPEC so hey he got his comeuppance

28

00:01:19,870 --> 00:01:13,770

I'm in Dixie he's not a happy camper

29

00:01:27,399 --> 00:01:22,120

I don't know where I should go I'm

30

00:01:32,670 --> 00:01:27,409

actually gonna head to Muldrow I gotta

31

00:01:36,039 --> 00:01:32,680

go make some goodwill because and try to

32

00:01:37,510 --> 00:01:36,049

trying to mend these fences that kalam

33

00:01:40,420 --> 00:01:37,520

baby who you're playing as Alan

34

00:01:44,469 --> 00:01:40,430

Greenspan I am cheating so al Dunlap

35

00:01:46,990 --> 00:01:44,479

chainsaw al dung okay well they're all

36

00:01:52,260 --> 00:01:47,000

your atrocities

37

00:02:02,950 --> 00:01:54,210

Shh

38

00:02:06,130 --> 00:02:02,960

get out of there chainsaw yeah we kind

39

00:02:09,490 --> 00:02:06,140

of throw a bomb at him no not yet it's

40

00:02:14,380 --> 00:02:09,500

too soon we may be able to bunch him up

41

00:02:17,470 --> 00:02:14,390

on the highway though oh there's tons of

42

00:02:21,229 --> 00:02:17,480

zombies over here at our house just

43

00:02:26,420 --> 00:02:22,940

all right we go

44

00:02:30,809 --> 00:02:26,430

I'll start burn him in how about that

45

00:02:37,680 --> 00:02:30,819

we're going live okay remember our

46

00:02:38,759 --> 00:02:37,690

escape is to the south um I'll have nine

47

00:03:02,090 --> 00:02:38,769

boxes of shotgun ammo

48

00:03:15,510 --> 00:03:04,350

to the south a little bit just a little

49

00:03:28,890 --> 00:03:15,520

bit I gotta reload take some beta

50

00:03:28,900 --> 00:03:37,980

how many fall over

51
00:03:47,410 --> 00:03:40,390
we gotta get out of here we're gonna be

52
00:03:52,900 --> 00:03:47,420
torn I got to reload god damn it

53
00:03:56,490 --> 00:03:52,910
all right let's retreat this out along

54
00:04:05,800 --> 00:04:04,360
ya know may end a lot okay they're gonna

55
00:04:07,510 --> 00:04:05,810
all gonna go over there for a bit we

56
00:04:15,580 --> 00:04:07,520
this might give us a little bit of a

57
00:04:19,570 --> 00:04:15,590
break oh my god

58
00:04:31,950 --> 00:04:19,580
are you still with me yeah what say yeah

59
00:04:31,960 --> 00:04:40,680
okay

60
00:04:48,670 --> 00:04:45,340
God's wrath is not pleasant think we're

61
00:04:59,580 --> 00:04:48,680
safe for now yeah we made enough of a

62
00:04:59,590 --> 00:05:12,760
man let's clear him out

63
00:05:22,250 --> 00:05:19,520

we go through an aerosol bomb Adam tryna

64

00:05:36,170 --> 00:05:22,260

reload we gotta get a move I gotta

65

00:05:38,960 --> 00:05:36,180

unpack some ammo okay they're gonna come

66

00:05:39,380 --> 00:05:38,970

in from all over don't have my ammo

67

00:05:46,100 --> 00:05:39,390

ready

68

00:06:02,640 --> 00:05:46,110

I got a retreat south where the [h__h] is

69

00:06:09,300 --> 00:06:06,720

I'm just northwest of you all right yeah

70

00:06:14,410 --> 00:06:09,310

unload this box

71

00:06:19,170 --> 00:06:14,420

[h__h] man is a lot of zombies standstill

72

00:06:25,090 --> 00:06:19,180

to do this yeah I do

73

00:06:28,900 --> 00:06:25,100

there's some guys come over [h__h] should

74

00:06:44,320 --> 00:06:28,910

I bomb them no I'm just trying to unbox

75

00:06:59,860 --> 00:06:44,330

this goddamn where you at by the gas

76

00:07:02,470 --> 00:06:59,870

station right now yes I'm here too I

77

00:07:06,580 --> 00:07:02,480

don't see you I just for bread inside

78

00:07:11,100 --> 00:07:06,590

you're in the gas station okay yeah

79

00:07:16,410 --> 00:07:11,110

bunch of gasoline sexy night bad here

80

00:07:19,020 --> 00:07:16,420

it's pretty yes we fill our water I

81

00:07:25,530 --> 00:07:19,030

think I just took some of the last water

82

00:07:29,140 --> 00:07:27,610

now someone just chopped down all the

83

00:07:34,830 --> 00:07:29,150

trees okay alright good job

84

00:07:38,570 --> 00:07:34,840

what's up there's still some peas here

85

00:07:46,340 --> 00:07:38,580

something blocked off the police station

86

00:08:02,399 --> 00:07:46,350

I didn't realize someone made the police

87

00:08:10,209 --> 00:08:07,709

this is chaos all right

88

00:08:12,899 --> 00:08:10,219

they're coming in from all over now's

89

00:08:12,909 --> 00:08:21,140

like I super slow

90

00:08:53,090 --> 00:08:47,390

oh man run let's go let me reload

91

00:08:54,200 --> 00:08:53,100

goddamn all right his head just go back

92

00:08:56,690 --> 00:08:54,210

to Northman there's nothing around here

93

00:08:59,350 --> 00:08:56,700

we can't I can't do any good around here

94

00:09:01,280 --> 00:08:59,360

this Mulder is a should I feel it for

95

00:09:07,040 --> 00:09:01,290

sorry for any player having to spawn

96

00:09:10,340 --> 00:09:07,050

into this like me just now yes we can

97

00:09:14,110 --> 00:09:10,350

bomb people we're trying not to do that

98

00:09:16,280 --> 00:09:14,120

you've your bloodlust is out of control

99

00:09:19,460 --> 00:09:16,290

it was kind of funny though yeah I'm

100

00:09:29,120 --> 00:09:19,470

sure it was I just thought there like

101
00:09:32,620 --> 00:09:29,130
I've no idea what's going on I got this

102
00:09:40,519 --> 00:09:32,630
bolt and some rounds oh my

103
00:09:45,440 --> 00:09:40,529
yo man Dixey we got to go back let's

104
00:09:55,200 --> 00:09:48,480
it might clear up up here I can drop a

105
00:09:55,470 --> 00:09:55,210
gun for you to killing all these guys an

106
00:10:05,400 --> 00:09:55,480
axe

107
00:10:16,590 --> 00:10:05,410
bomb there you go

108
00:10:24,110 --> 00:10:17,890
yeah

109
00:10:33,030 --> 00:10:29,639
all right behind you chainsaw switch to

110
00:10:39,059 --> 00:10:33,040
access just be somewhat stealthy trying

111
00:10:45,210 --> 00:10:39,069
to get back to Dixie although we are

112
00:10:48,250 --> 00:10:45,220
fairly close to the lumber you there's

113
00:10:52,150 --> 00:10:50,860

not that I'm aware of who you like yeah

114

00:10:56,830 --> 00:10:52,160

we're here let's go take a look at the

115

00:11:07,900 --> 00:10:56,840

lumberyard isn't there uh passage up

116

00:11:18,800 --> 00:11:12,199

yeah I think we can take this all right

117

00:11:26,269 --> 00:11:18,810

[h__\h] we're continuing north to the other

118

00:11:28,670 --> 00:11:26,279

warehouses okay yeah the 18-wheeler kind

119

00:11:39,290 --> 00:11:28,680

of trucks out in front of there's

120

00:11:48,310 --> 00:11:39,300

somebody man was max bugs you new mugs

121

00:11:54,710 --> 00:11:51,710

I'm not having any luck with any screws

122

00:11:56,689 --> 00:11:54,720

thus far I have only found one box the

123

00:12:02,000 --> 00:11:56,699

entire time I've played in the server so

124

00:12:05,030 --> 00:12:02,010

far we may have to check the warehouse

125

00:12:06,980 --> 00:12:05,040

actually in Muldrow oh it's not like it

126

00:12:08,059 --> 00:12:06,990

something we desperately need I know

127

00:12:11,840 --> 00:12:08,069

just something to keep an eye out for

128

00:12:19,030 --> 00:12:11,850

yeah it's a quest item yeah the holy

129

00:12:27,500 --> 00:12:22,220

we'll start with a low state box of

130

00:12:29,180 --> 00:12:27,510

screws yes okay is this the holy box of

131

00:12:37,730 --> 00:12:29,190

screws is this the screws that Jesus

132

00:12:42,710 --> 00:12:37,740

Carpenter yes they're pulled from the

133

00:12:44,090 --> 00:12:42,720

holy floorboards he walked he walked in

134

00:12:50,150 --> 00:12:44,100

this book that's how you got across that

135

00:12:52,190 --> 00:12:50,160

water just built a floor it's all making

136

00:12:58,820 --> 00:12:52,200

sense about the holy air freshener

137

00:12:59,180 --> 00:12:58,830

excellent jesus said let your car smell

138

00:13:33,820 --> 00:12:59,190

it

139

00:13:38,860 --> 00:13:36,070

yeah my seam bowling balls that used for

140

00:13:40,060 --> 00:13:38,870

anything I can use a bowling ball and

141

00:13:44,769 --> 00:13:40,070

there's some bowling pins you can find

142

00:13:46,030 --> 00:13:44,779

eventually hmm I wish you could throw

143

00:13:48,579 --> 00:13:46,040

more stuff on this game than you can

144

00:13:49,410 --> 00:13:48,589

yeah throwing rocks but they don't work

145

00:13:52,090 --> 00:13:49,420

very well

146

00:13:56,290 --> 00:13:52,100

bowling ball is 14 pounds I can't carry

147

00:13:59,949 --> 00:13:56,300

that I'm gonna try I'm gonna take it out

148

00:14:01,750 --> 00:13:59,959

I'm gonna try to take it now want this

149

00:14:09,690 --> 00:14:01,760

bowling ball oh [h__h] now I have

150

00:14:13,770 --> 00:14:11,460

there are lots of bowling balls don't

151
00:14:19,740 --> 00:14:13,780
worry you'll find one closer to home all

152
00:14:20,220 --> 00:14:19,750
right then all I can play with play with

153
00:14:21,750 --> 00:14:20,230
your balls

154
00:14:27,860 --> 00:14:21,760
it says play with bowling balls I'm

155
00:14:30,000 --> 00:14:27,870
gonna do it Titans make you happy yeah

156
00:14:36,080 --> 00:14:30,010
something happened I don't know what it

157
00:14:41,540 --> 00:14:36,090
did I guess it is alleviated my boredom

158
00:14:47,070 --> 00:14:43,830
it's 14 pounds I mean I mean you can

159
00:14:50,160 --> 00:14:47,080
find a magazine do the same thing true

160
00:14:52,310 --> 00:14:50,170
but how see a magazine in here will come

161
00:14:54,330 --> 00:14:52,320
up front pick up that bowling ball and I

162
00:14:56,280 --> 00:14:54,340
don't know what you do with it there's

163
00:14:58,230 --> 00:14:56,290

no pins I mean I guess you just bounce

164

00:15:01,200 --> 00:14:58,240

on the ground that's pretty funny roll

165

00:15:02,430 --> 00:15:01,210

it around real fast yeah because it's

166

00:15:11,430 --> 00:15:02,440

the zombie apocalypse you do anything

167

00:15:13,530 --> 00:15:11,440

for entertainment Jin jelly is dead man

168

00:15:18,020 --> 00:15:13,540

lot of people are dying Jin jelly is

169

00:15:21,660 --> 00:15:18,030

dead bellick is dead oh my god

170

00:15:25,980 --> 00:15:21,670

is your - he's dead i must been all in

171

00:15:28,170 --> 00:15:25,990

the same kind of area I think he went

172

00:15:29,760 --> 00:15:28,180

into a well placed bomb so who is sort

173

00:15:34,350 --> 00:15:29,770

and what is the international consortium

174

00:15:38,580 --> 00:15:34,360

of a businessman

175

00:15:41,010 --> 00:15:38,590

zort is the zombie outbreak research

176

00:15:42,990 --> 00:15:41,020

team or spree Connor I have no idea they

177

00:15:47,130 --> 00:15:43,000

basically go around killing zombies

178

00:15:48,840 --> 00:15:47,140

alone who resort ok Oh asked my mom aunt

179

00:15:51,150 --> 00:15:48,850

yeah I'm asking that I put it in chat -

180

00:15:52,890 --> 00:15:51,160

I want to see your response normally if

181

00:15:55,410 --> 00:15:52,900

someone responds they might be

182

00:15:57,860 --> 00:15:55,420

associated with sort war I've read the

183

00:16:01,910 --> 00:15:57,870

read Boyd yeah

184

00:16:06,170 --> 00:16:01,920

I don't ask what is ort ask who is Oh

185

00:16:12,020 --> 00:16:06,180

okay sobs is ins or until my person I

186

00:16:23,650 --> 00:16:14,720

I I know what it is I want to know who

187

00:16:27,350 --> 00:16:23,660

is subs sir that bowling ball is Matt's

188

00:16:29,840 --> 00:16:27,360

14 pounds you can't I mean there's no

189

00:16:36,800 --> 00:16:29,850

point to this climb baby drop all your

190

00:16:38,300 --> 00:16:36,810

stuff and big of that bull roll it down

191

00:16:40,310 --> 00:16:38,310

the street I might be able to fit in my

192

00:16:43,760 --> 00:16:40,320

Bach infinite my backpack is 14 [h__h]

193

00:16:45,230 --> 00:16:43,770

pounds it's like it's almost like the

194

00:16:48,860 --> 00:16:45,240

holy bowling ball because it's so

195

00:16:51,290 --> 00:16:48,870

useless but it can alleviate boredom

196

00:16:53,270 --> 00:16:51,300

it's something something to behold

197

00:16:56,030 --> 00:16:53,280

I'm gonna turn it I'm gonna grab it I

198

00:16:59,060 --> 00:16:56,040

got it you got enough no but we put my

199

00:17:01,130 --> 00:16:59,070

backpack back to the base for us I'm

200

00:17:05,840 --> 00:17:01,140

gonna I'm gonna grab it I get I have an

201
00:17:09,020 --> 00:17:05,850
extremely heavy load is this gonna hurt

202
00:17:12,319 --> 00:17:09,030
me overtime neuroses threaten back

203
00:17:19,850 --> 00:17:12,329
injury won't actually give you a back

204
00:17:24,350 --> 00:17:19,860
injury yet that made it pretty far I'm

205
00:17:38,150 --> 00:17:24,360
gonna grab it again this is like Jesus

206
00:17:39,770 --> 00:17:38,160
carrying the cross if push comes to

207
00:17:42,560 --> 00:17:39,780
shove I can I can drop the dirty diaper

208
00:17:45,310 --> 00:17:42,570
and carrying him the minstrel pad but

209
00:17:49,380 --> 00:17:45,320
I'm stealing those for special occasions

210
00:17:53,800 --> 00:17:51,910
what's the one has hamster poop on them

211
00:17:55,660 --> 00:17:53,810
on their dead corpse take it I need that

212
00:17:57,610 --> 00:17:55,670
yeah we could tell they Jam sterzin like

213
00:17:59,320 --> 00:17:57,620

these hamster wheels and [\h__\h] seriously

214

00:18:01,150 --> 00:17:59,330

grab that I wanted it I have dirty

215

00:18:05,560 --> 00:18:01,160

diapers in dirty Mistral pads that's

216

00:18:08,620 --> 00:18:05,570

what I that's what I'm India and please

217

00:18:11,890 --> 00:18:08,630

hamster poop this is nice this is

218

00:18:23,260 --> 00:18:11,900

actually this is a perfect place to open

219

00:18:35,260 --> 00:18:23,270

a first branch for the bank I'm gonna

220

00:18:37,300 --> 00:18:35,270

mess it then remove this corpse this is

221

00:18:41,260 --> 00:18:37,310

the chapel not necessarily not

222

00:18:43,420 --> 00:18:41,270

necessarily the large Church what did

223

00:18:50,100 --> 00:18:43,430

you want to get to that this is fine

224

00:18:59,110 --> 00:18:56,890

build some fortifications this is the

225

00:19:00,640 --> 00:18:59,120

problem with the with with being a bank

226

00:19:03,100 --> 00:19:00,650

is it yet we're about robbers you got to

227

00:19:05,500 --> 00:19:03,110

worry about genuine customers how can

228

00:19:07,570 --> 00:19:05,510

you tell the difference between two it

229

00:19:23,060 --> 00:19:07,580

is customer service and that's where we

230

00:19:28,490 --> 00:19:25,790

mmm hobbies have taken an interest in

231

00:19:36,560 --> 00:19:28,500

our location though it's right there

232

00:19:43,730 --> 00:19:36,570

three of us yeah though one came inside

233

00:19:45,830 --> 00:19:43,740

a good thing is anybody who's determined

234

00:19:48,800 --> 00:19:45,840

to deposit something that they don't

235

00:19:53,840 --> 00:19:48,810

want on their person will be good enough

236

00:19:57,380 --> 00:19:53,850

to dispatch wrong as a zombie he's just

237

00:19:59,530 --> 00:19:57,390

going away long walk with any he's just

238

00:20:02,960 --> 00:19:59,540

doing his own thing alone

239

00:20:16,850 --> 00:20:02,970

it's a Russian key chain not yet hmm

240

00:20:39,519 --> 00:20:18,830

we're trying to attract business yes

241

00:20:42,649 --> 00:20:41,599

search here and there that I can sit up

242

00:21:02,100 --> 00:20:42,659

I think so yeah

243

00:21:02,110 --> 00:21:09,650

we can sleep in pews nice
