stored if I can store them I'm so good

115

00:11:59,000 --> 00:11:57,660

first bank transaction goddamn yay um we

116

00:12:06,139 --> 00:11:59,010

can run up and around there far enough

117

00:12:07,910 --> 00:12:06,149

away yeah there's a lot of zombies

118

00:12:11,500 --> 00:12:07,920

around here and my cough is that a girl

119

00:12:13,930 --> 00:12:11,510

lock and load I have nothing to lock in

124

00:12:28,120 --> 00:12:22,560

nothing to load you're just a simple day

125

00:12:33,639 --> 00:12:31,699

[h__\h] things are getting here no no oh my

126

00:12:38,780 --> 00:12:33,649

I'm coffee where'd you go nothing's

128

00:12:42,050 --> 00:12:40,920

right i'm not afraid hide him around so

129

00:12:43,400 --> 00:12:42,060

you stay away from the base and I'm a

130

00:12:44,960 --> 00:12:43,410

leper leave it will leave them this way

131

00:12:48,170 --> 00:12:44,970

lead him away from the base live to the

132

00:12:53,840 --> 00:12:48,180

highway do that we're gonna find my my

133

00:12:55,639 --> 00:12:53,850

my handkerchief it's gone it only has so

134

00:12:58,490 --> 00:12:55,649

many uses there's a hold there's like

135

00:13:03,330 --> 00:12:58,500

six boxes in the base more north side

136

00:13:14,950 --> 00:13:07,720

not being careful multi sections turned

137

00:13:24,880 --> 00:13:14,960

off so play it like it's on so that way

138

00:13:29,129 --> 00:13:24,890

you'd practice yeah bring him room this

139

00:13:35,369 --> 00:13:32,989

I'm a deed his chips to stay alive I

140

00:13:37,829 --> 00:13:35,379

have some food on me yeah we can replace

141

00:13:39,239 --> 00:13:37,839

it yeah yeah I'm happy just a distinct

142

00:13:44,039 --> 00:13:39,249

yeah I told him he'll get back what

143

00:13:46,829 --> 00:13:44,049

every deposit or equivalent so we'll

144

00:13:53,129 --> 00:13:46,839

come on back only at the rapper's TV

145

00:13:56,669 --> 00:13:53,139

dinners yeah we keep you pack food

146

00:14:01,640 --> 00:13:56,679

Daniel foods got to finish and it's

147

00:14:06,180 --> 00:14:03,510

alright it's a curve all of them that

148

00:14:08,220 --> 00:14:06,190

were north okay he's changed all doing a

149

00:14:13,230 --> 00:14:08,230

pretty good job of leading him to the to

150

00:14:18,510 --> 00:14:13,240

the west oh [h__h] it is still a lot

151
00:14:20,850 --> 00:14:18,520
around here yeah there are ton we were

152
00:14:28,040 --> 00:14:20,860
they came from all over ya head back

153
00:14:36,769 --> 00:14:30,600
this is nothing like it I try to get in

154
00:14:43,530 --> 00:14:40,890
they really like me I have to motion

155
00:14:47,130 --> 00:14:43,540

156
00:14:49,530 --> 00:14:47,140

157
00:14:51,960 --> 00:14:49,540

160
00:14:58,940 --> 00:14:56,230
a shame Beatles I mean that I'm in the

161
00:15:02,160 --> 00:14:58,950
base I just don't know where the UH the

162
00:15:04,920 --> 00:15:02,170
tissues are uh check the cans by the

163
00:15:05,700 --> 00:15:04,930

front it's in the North cabinet the ones

164

00:15:08,400 --> 00:15:05,710

that are on the north side of the

165

00:15:13,290 --> 00:15:08,410

building um it's in the shell just that

166

00:15:25,519 --> 00:15:13,300

Iran built into the should be like six

167

00:15:39,970 --> 00:15:35,449

and lots of mystery seeds okay I have it

168

00:15:44,989 --> 00:15:42,110

although I don't know why it made me

169

00:15:49,939 --> 00:15:44,999

have an extremely heavy load bike is

170

00:15:51,799 --> 00:15:49,949

carrying 99 maybe you're just enough to

171

00:15:54,410 --> 00:15:51,809

179

00:16:45,080 --> 00:16:38,250
