5
00:00:29,029 --> 00:00:26,880
part was a game called rust which we're

6
00:00:32,709 --> 00:00:29,039

7
00:00:36,319 --> 00:00:32,719
head on over and play total war Napoleon

8
00:00:40,069 --> 00:00:36,329
this is more of a strategic game pitting

9
00:00:44,540 --> 00:00:40,079
one man versus one man using your mind

10
00:00:46,940 --> 00:00:44,550

11
00:00:56,910 --> 00:00:46,950

00:28:09,960 --> 00:28:14,409

it looks like you're gonna win this one

226

00:28:14,419 --> 00:28:18,810

00:29:50,670 --> 00:29:47,980

a pretty good showing for the

244

00:29:54,470 --> 00:29:50,680

considering the new circumstance i had

245

00:29:56,910 --> 00:29:54,480

to assault you on top of a cliff yeah I

246

00:30:01,410 --> 00:29:56,920
