25

00:02:13,430 --> 00:02:11,050

there's really not much going on here

26

00:02:15,960 --> 00:02:13,440

but there's another base follow me

27

00:02:27,350 --> 00:02:15,970

28

00:02:37,100 --> 00:02:30,720

due to automatic weapons will just make

94

00:11:14,810 --> 00:11:12,210

a declaration we're gonna be at a bank

95

00:11:18,680 --> 00:11:14,820

I'm just trying to get people to come in

96

00:11:21,380 --> 00:11:18,690

very good students who say we're taking

97

00:11:22,910 --> 00:11:21,390

over knocks bank in muldrow it's our

98

00:11:24,530 --> 00:11:22,920

territory you better not come around or

99

00:11:27,290 --> 00:11:24,540

I'll just declare war on everybody yeah

100

00:11:29,120 --> 00:11:27,300

exactly and then we it'll be like Waco

101
00:11:31,730 --> 00:11:29,130
it'll be all Clairborne everybody then

102
00:11:34,310 --> 00:11:31,740
it's legal to kill people because we

103
00:11:36,620 --> 00:11:34,320
have we have yes right set successful at

104
00:11:46,550 --> 00:11:36,630
the other douchebags in the server there

105
00:11:48,590 --> 00:11:46,560
oh we have beefs ring come on Rob you

106
00:11:56,790 --> 00:11:48,600
yeah I'm not gonna say what it is but uh

107
00:12:04,750 --> 00:11:58,960
man there's a lot of zombies in these

108
00:12:07,810 --> 00:12:04,760
woods yeah there are pretty far south

109
00:12:14,620 --> 00:12:07,820
are we I think we're almost this is

110
00:12:15,970 --> 00:12:14,630
suppose crossroads right here someone's

111
00:12:30,579 --> 00:12:15,980
tower is gonna get [h__h] up by our

112
00:12:35,629 --> 00:12:32,870
come here how many zombies we have

113
00:12:39,220 --> 00:12:35,639

following us at this point probably

114

00:12:47,490 --> 00:12:39,230

around 100 let's take a look

115

00:12:47,500 --> 00:13:00,830

man here's a mini me

116

00:13:00,840 --> 00:13:09,070

you've attracted a lot

117

00:13:19,840 --> 00:13:14,820

tactical

118

00:13:25,230 --> 00:13:19,850

that he's very unsubtle and his name

119

00:13:38,440 --> 00:13:27,990

oh oh no remember his base isn't too far

120

00:13:45,670 --> 00:13:42,790

oh this is not gonna be good for them no

121

00:13:52,670 --> 00:13:45,680

I just want to make sure this is bobby's

122

00:13:57,560 --> 00:13:55,480

it's like a very nice thing to destroy

123

00:14:07,190 --> 00:13:57,570

we got to go through one of these alleys

124

00:14:35,000 --> 00:14:10,680

to Darrell they're all flooding in that

125

00:14:45,500 --> 00:14:38,060

yep I'm gonna go back out front and see

126

00:14:45,510 --> 00:14:54,190

see who arrived to the party

127

00:15:06,320 --> 00:15:03,290

everyone who's at the party every zombie

128

00:15:10,910 --> 00:15:06,330

that was fast I don't know looks like we

129

00:15:18,070 --> 00:15:10,920

it feels like we could have more crack

130

00:15:18,080 --> 00:15:25,769

[h__\h]

131

00:15:30,090 --> 00:15:28,230

oh my god you're so many around the

132

00:15:33,809 --> 00:15:30,100

other side oh [h__\h] she she she you know

133

00:15:35,790 --> 00:15:33,819

was getting on the other side the north

134

00:15:37,619 --> 00:15:35,800

building on the other side of the

135

00:15:45,439 --> 00:15:37,629

building there are about a hundred of

136

00:15:54,550 --> 00:15:45,449

them oh that's where they all hurt no II

137

00:16:00,610 --> 00:15:58,090

yeah okay where you at I'm gonna go a
