12  
00:02:29,690 --> 00:02:26,850  
go into the room that has all the

13  
00:02:31,190 --> 00:02:29,700

weapons there is a bomb there well I

14

00:02:35,450 --> 00:02:31,200

know that but we're going to tumblr at

15

00:02:37,400 --> 00:02:35,460

the police station in mall definitely in

16

00:02:52,190 --> 00:02:37,410

the Amber Room all the guns will be

17

00:02:55,360 --> 00:02:52,200

right there yes hold on Jeff goddamn it

18

00:02:59,630 --> 00:02:55,370

where'd you go dude I just got three bit

19

00:03:00,890 --> 00:02:59,640

yeah some vacations out on I need you i

20

00:03:02,600 --> 00:03:00,900

need what I'm typing I need you to

21

00:03:07,100 --> 00:03:02,610

distract a zombie I didn't know you were

22

00:03:11,750 --> 00:03:07,110

typing keep going I gotta apply this

23

00:03:20,180 --> 00:03:11,760

bandage got bleeding okay I should be

24

00:03:22,250 --> 00:03:20,190

fine right here that work that mine that

25

00:03:24,800 --> 00:03:22,260

I'm just yelling up the Russians called

26  
00:03:30,130 --> 00:03:24,810  
him caught him my [h\_\_\h] okay good check

27  
00:03:34,640 --> 00:03:32,540  
being an admin is too much and what that

28  
00:03:37,850 --> 00:03:34,650  
means it's by a some others end him

29  
00:03:46,310 --> 00:03:37,860  
Edmund name was and he responded with

30  
00:03:49,220 --> 00:03:46,320  
that so dirty mental pads yeah I think

31  
00:03:50,930 --> 00:03:49,230  
they took out this is where they took

32  
00:03:55,630 --> 00:03:50,940  
out the stairs here no the stairs right

33  
00:04:00,540 --> 00:03:58,120  
I must have freaked out and thought the

34  
00:04:04,350 --> 00:04:00,550  
stairs weren't there and then you I

35  
00:04:08,559 --> 00:04:04,360  
don't know i made a sheet rope anyway so

36  
00:04:12,220 --> 00:04:08,569  
yeah Gary Greenspan panic yep poor poor

37  
00:04:20,620 --> 00:04:12,230  
vision these Russians are annoying yeah

38  
00:04:32,710 --> 00:04:20,630

well what's this right here what are

39

00:04:35,080 --> 00:04:32,720

these things all cotton swabs okay if

40

00:04:39,780 --> 00:04:35,090

Sifu knows that there's two things he's

41

00:04:42,280 --> 00:04:39,790

an admin or he's close to us in muldrow

42

00:04:47,260 --> 00:04:42,290

maybe close to us how could he see you

43

00:04:50,650 --> 00:04:47,270

put on a bomb then neither by bomb

44

00:04:56,590 --> 00:04:50,660

malfunctioned I said it too had a five

45

00:04:58,570 --> 00:04:56,600

second trigger so what was it was it a

46

00:04:59,860 --> 00:04:58,580

smoke bomb or was it oh no it's a pipe

47

00:05:05,670 --> 00:04:59,870

I'm it's gonna blow your [h\_\_h] face

48

00:05:12,250 --> 00:05:07,780

I'm thinking there and there's a lot of

49

00:05:20,130 --> 00:05:12,260

stuff in here I'm a crappy [h\_\_h] but

50

00:05:20,140 --> 00:05:30,110

damn open up this door

51  
00:05:43,310 --> 00:05:39,710  
if I i put my chalk on what weapon are

52  
00:05:44,540 --> 00:05:43,320  
you using your a Beretta right now if I

53  
00:05:50,540 --> 00:05:44,550  
want to drop this shield i can switch

54  
00:05:53,990 --> 00:05:50,550  
over to the Ruger mini-14 make it leave

55  
00:06:05,689 --> 00:05:54,000  
it on like a fairly heavy load but I'm

56  
00:06:07,370 --> 00:06:05,699  
okay isn't there let's check it out look

57  
00:06:11,629 --> 00:06:07,380  
what's your [h\_\_h] at walk they'll off

58  
00:06:20,800 --> 00:06:11,639  
the entire area that's something we

59  
00:06:22,969 --> 00:06:20,810  
would do yeah pretty much this is a

60  
00:06:26,210 --> 00:06:22,979  
pretty impressive they have almost like

61  
00:06:28,040 --> 00:06:26,220  
a a city block here yeah they have a

62  
00:06:34,450 --> 00:06:28,050  
natural fence over here that responses a

63  
00:06:43,060 --> 00:06:38,719

got an axe just cover me alright that's

64

00:07:22,070 --> 00:07:10,790

80

00:08:33,740 --> 00:08:28,470
