topics : *podcasting* | *missing 411* | *battleborn* | *the black hole*

vlog

1
00:00:00,000 --> 00:00:08,530
sure

2
00:00:15,259 --> 00:00:12,410
hey everybody i am back for another

3
00:00:18,920 --> 00:00:15,269
video blog i think i said i was going to

4
00:00:21,920 --> 00:00:18,930
start to try to do more of these I don't

5
00:00:25,880 --> 00:00:21,930
know exactly why I guess I just feel

6
00:00:29,480 --> 00:00:25,890
kind of like I want to give some

7
00:00:31,370 --> 00:00:29,490
additional content that is non podcast

8
00:00:33,890 --> 00:00:31,380
related because I repurpose a lot of

9
00:00:37,819 --> 00:00:33,900
stuff from the podcast on the YouTube

10
00:00:39,470 --> 00:00:37,829
channel and I don't know I guess I I

11
00:00:43,880 --> 00:00:39,480
don't want to feel like I cheat anybody

12
00:00:46,100 --> 00:00:43,890
with a just repurpose stuff so here I am

13
00:00:50,389 --> 00:00:46,110

back again to talk about some random

14

00:00:53,510 --> 00:00:50,399

[h__h] plus up the podcast goes away

15

00:00:55,549 --> 00:00:53,520

and no one wants to do the show with me

16

00:00:58,209 --> 00:00:55,559

anymore I'm gonna need an outlet and the

17

00:01:01,549 --> 00:00:58,219

outlet will be YouTube and doing vlogs

18

00:01:03,830 --> 00:01:01,559

most likely I'm able to do a two hour

19

00:01:10,490 --> 00:01:03,840

podcast by myself ranting and raving

20

00:01:15,380 --> 00:01:10,500

haha that'd be fun and interesting I am

21

00:01:19,340 --> 00:01:15,390

drinking um vodka he does vodka and

22

00:01:23,210 --> 00:01:19,350

unsweetened iced tea um this is actually

23

00:01:25,310 --> 00:01:23,220

my first drink in a couple days trying

24

00:01:30,289 --> 00:01:25,320

to lay off a little bit and taking it to

25

00:01:35,270 --> 00:01:30,299

the limit god damn so much we had a

26

00:01:37,730 --> 00:01:35,280

fairly successful 500th episode of the

27

00:01:39,859 --> 00:01:37,740

podcast that marks about 10 years for

28

00:01:42,649 --> 00:01:39,869

the our big mouth podcast I've been the

29

00:01:45,230 --> 00:01:42,659

only consistent member of the podcast in

30

00:02:00,710 --> 00:01:45,240

that length of time since i hosted

31

00:02:04,880 --> 00:02:03,110

guess what I was thinking about like

32

00:02:07,160 --> 00:02:04,890

when you reach episode five hundred or

33

00:02:09,080 --> 00:02:07,170

you do a show for ten years sometimes

34

00:02:11,290 --> 00:02:09,090

thinks mentally it can feel like you hit

35

00:02:14,690 --> 00:02:11,300

a wall looks like Oh what else can I do

36

00:02:16,280 --> 00:02:14,700

should I stop so I keep doing it um this

37

00:02:18,350 --> 00:02:16,290

is really not much more that we can we

38

00:02:20,750 --> 00:02:18,360

can do with the show that might stop it

39

00:02:22,310 --> 00:02:20,760

to show I enjoyed doing the podcast I

40

00:02:25,550 --> 00:02:22,320

think right now it's it's actually hit a

41

00:02:27,560 --> 00:02:25,560

stride it's got a good good solid amount

42

00:02:30,230 --> 00:02:27,570

of content we do conspiracy paranormal

43

00:02:32,870 --> 00:02:30,240

stuff and political stuff and I enjoy it

44

00:02:34,070 --> 00:02:32,880

all and there's a elements of humor and

45

00:02:35,540 --> 00:02:34,080

entertainment through thrown in

46

00:02:37,070 --> 00:02:35,550

throughout the entire podcast and I

47

00:02:39,650 --> 00:02:37,080

don't know if we will get to episode one

48

00:02:42,550 --> 00:02:39,660

thousand but well I guess that'll be ten

49

00:02:45,620 --> 00:02:42,560

years now but we will certainly try

50

00:02:48,230 --> 00:02:45,630

episode 4 99 on the other hand was like

51
00:02:51,949 --> 00:02:48,240
our first video podcast I don't know

52
00:02:56,720 --> 00:02:51,959
we'll be doing more of those but it was

53
00:02:58,040 --> 00:02:56,730
an interesting kind of experiment it's

54
00:02:59,720 --> 00:02:58,050
not something that I look forward to

55
00:03:02,360 --> 00:02:59,730
doing editing video and putting it out

56
00:03:03,590 --> 00:03:02,370
there and render it down I'm not sure

57
00:03:06,500 --> 00:03:03,600
how many people actually watched it

58
00:03:08,509 --> 00:03:06,510
probably not worth it for for us in the

59
00:03:10,640 --> 00:03:08,519
long run unless this channel gets way

60
00:03:12,920 --> 00:03:10,650
more subscribers and they absolutely

61
00:03:15,530 --> 00:03:12,930
demand more video podcast I don't think

62
00:03:18,500 --> 00:03:15,540
that's going to happen very often

63
00:03:20,120 --> 00:03:18,510

although we might do live shows we did

64

00:03:23,270 --> 00:03:20,130

get some phone calls throughout the

65

00:03:25,400 --> 00:03:23,280

episode five hundred and the phone

66

00:03:28,280 --> 00:03:25,410

callers weren't [h__h] they were actually

67

00:03:30,289 --> 00:03:28,290

pretty good we got three of them they

68

00:03:32,180 --> 00:03:30,299

had questions they contributed to the

69

00:03:35,320 --> 00:03:32,190

show they were prompt they knew when to

70

00:03:38,030 --> 00:03:35,330

shut up that actually kind of maybe

71

00:03:40,520 --> 00:03:38,040

reinvigorated me to doing live shows

72

00:03:42,710 --> 00:03:40,530

where the caller's actually had

73

00:03:45,770 --> 00:03:42,720

something to say they know the show and

74

00:03:48,289 --> 00:03:45,780

they just didn't call up and go and in

75

00:03:51,470 --> 00:03:48,299

like I do a sound bite or do this they

76

00:03:55,940 --> 00:03:51,480

they contributed and for that I'm very

77

00:03:58,009 --> 00:03:55,950

thankful to each and every one of the

78

00:04:00,740 --> 00:03:58,019

podcast subscribers and listeners and

79

00:04:03,940 --> 00:04:00,750

people who write in tweets Facebook all

80

00:04:07,729 --> 00:04:03,950

that crap it's [h__\h] awesome um I

81

00:04:11,020 --> 00:04:07,739

really never thought that we would have

82

00:04:14,059 --> 00:04:11,030

any audience let alone anything over 50

83

00:04:16,490 --> 00:04:14,069

but the 10 years letter kids

84

00:04:19,749 --> 00:04:16,500

after 10 years of podcasting you two can

85

00:04:27,170 --> 00:04:19,759

get up to two thousand downloads a week

86

00:04:29,090 --> 00:04:27,180

after ten years that's right now some

87

00:04:31,909 --> 00:04:29,100

more topics I am they want to touch on

88

00:04:33,710 --> 00:04:31,919

so one of the running things that we

89

00:04:38,150 --> 00:04:33,720

have been talking about on the podcast

90

00:04:41,029 --> 00:04:38,160

has been the missing or 11 subject

91

00:04:45,170 --> 00:04:41,039

that's where people who go out in the

92

00:04:46,760 --> 00:04:45,180

National Forest they sometimes you know

93

00:04:49,249 --> 00:04:46,770

though this up and disappear they can be

94

00:04:50,689 --> 00:04:49,259

within you know a couple feet of another

95

00:04:53,600 --> 00:04:50,699

family member they'll turn around and

96

00:04:56,180 --> 00:04:53,610

they're gone sometimes kids sometimes

97

00:05:00,710 --> 00:04:56,190

it's elderly people there's really no

98

00:05:03,560 --> 00:05:00,720

clear cut up description other than some

99

00:05:06,920 --> 00:05:03,570

time if you're if you wear really bright

100

00:05:08,300 --> 00:05:06,930

clothing you're more apt to be taken so

101
00:05:10,520 --> 00:05:08,310
we've been covering a lot of those

102
00:05:12,740 --> 00:05:10,530
stories and by the way there's a new

103
00:05:15,170 --> 00:05:12,750
book out David Politis has a new book

104
00:05:18,649 --> 00:05:15,180
out called hunters about hunters who go

105
00:05:21,379 --> 00:05:18,659
missing me the woods and we have been

106
00:05:25,730 --> 00:05:21,389
covering some of the more paranormal

107
00:05:28,430 --> 00:05:25,740
aspects of it and theorizing and she

108
00:05:30,680 --> 00:05:28,440
talking basically about what possibly

109
00:05:32,749 --> 00:05:30,690
could be going on with this and I've

110
00:05:34,760 --> 00:05:32,759
been trying to contact a remote viewer

111
00:05:36,110 --> 00:05:34,770
I've been putting it out there that we

112
00:05:39,260 --> 00:05:36,120
would love to have a remote viewer come

113
00:05:41,930 --> 00:05:39,270

on and do some remote viewing sessions

114

00:05:45,379 --> 00:05:41,940

on people who have disappeared in the

115

00:05:48,320 --> 00:05:45,389

missing for one way meaning that the bay

116

00:05:51,499 --> 00:05:48,330

they've disappeared and then their body

117

00:05:53,300 --> 00:05:51,509

is a found where a search party has

118

00:05:55,370 --> 00:05:53,310

already looked we want we want a remote

119

00:05:59,089 --> 00:05:55,380

viewer to take a look at some of these

120

00:06:02,089 --> 00:05:59,099

instances and sure enough you know we do

121

00:06:05,930 --> 00:06:02,099

a video got a you know a couple thousand

122

00:06:07,310 --> 00:06:05,940

hits and remote viewer chimed in on one

123

00:06:10,360 --> 00:06:07,320

of our YouTube videos and I've been in

124

00:06:12,860 --> 00:06:10,370

contact with this person for about I

125

00:06:14,870 --> 00:06:12,870

would say almost two months now back and

126

00:06:18,350 --> 00:06:14,880

forth trying to I've been trying to coax

127

00:06:20,540 --> 00:06:18,360

this person to come on the the podcast

128

00:06:22,610 --> 00:06:20,550

share the thoughts what this could be

129

00:06:24,620 --> 00:06:22,620

did they do any remote viewing sessions

130

00:06:27,220 --> 00:06:24,630

on this and there's been several times

131

00:06:30,190 --> 00:06:27,230

where they had committed and then they

132

00:06:33,160 --> 00:06:30,200

a backed out committed backed out a lot

133

00:06:35,350 --> 00:06:33,170

of a lot of email tag and so we're

134

00:06:38,080 --> 00:06:35,360

finally at a point where they say be no

135

00:06:39,970 --> 00:06:38,090

longer want to come on the air because

136

00:06:42,640 --> 00:06:39,980

they have a very recognizable voice in

137

00:06:46,150 --> 00:06:42,650

the fear that that might put their

138

00:06:49,150 --> 00:06:46,160

family in danger I don't know what that

139

00:06:52,930 --> 00:06:49,160

means I am on the air I'm not going to

140

00:06:55,240 --> 00:06:52,940

put anybody in danger we're trying to do

141

00:06:57,790 --> 00:06:55,250

a somewhat fun and entertaining show

142

00:07:01,870 --> 00:06:57,800

about a serious subject matter like

143

00:07:03,610 --> 00:07:01,880

missing 411 I don't know what this

144

00:07:08,530 --> 00:07:03,620

person means about putting their family

145

00:07:11,280 --> 00:07:08,540

in danger what this person may know but

146

00:07:13,360 --> 00:07:11,290

they offered a compromise or an

147

00:07:15,970 --> 00:07:13,370

alternative to coming on the show which

148

00:07:20,230 --> 00:07:15,980

is 20 questions I don't know if that's

149

00:07:22,360 --> 00:07:20,240

good I don't want to like hear us read

150

00:07:25,300 --> 00:07:22,370

20 questions from a remote viewer I

151
00:07:27,790 --> 00:07:25,310
prefer to talk to a person on air I

152
00:07:30,640 --> 00:07:27,800
think that that's it art bell gets

153
00:07:32,820 --> 00:07:30,650
people used to doors nori does why can't

154
00:07:34,990 --> 00:07:32,830
we talk to remote viewer I have no idea

155
00:07:37,660 --> 00:07:35,000
so I'm putting it out if you know a

156
00:07:40,300 --> 00:07:37,670
remote viewer I haven't get a hold of

157
00:07:42,550 --> 00:07:40,310
all us me Mike our big dumb out go to

158
00:07:46,210 --> 00:07:42,560
our big dumb mouth constitutes an email

159
00:07:48,460 --> 00:07:46,220
and let's talk let's talk about missing

160
00:07:50,530 --> 00:07:48,470
for one let's talk about UFOs let's talk

161
00:07:52,540 --> 00:07:50,540
about anything we weren't happy to

162
00:07:54,880 --> 00:07:52,550
promote your business or if you have a

163
00:07:57,610 --> 00:07:54,890

website sure we can get out there and

164

00:07:59,290 --> 00:07:57,620

you know if it's about missing for one

165

00:08:02,380 --> 00:07:59,300

it'll definitely get a couple thousand

166

00:08:04,960 --> 00:08:02,390

ants people love this [h__h] that's where

167

00:08:07,510 --> 00:08:04,970

on that very very frustrating because

168

00:08:09,040 --> 00:08:07,520

when I was you know reading through the

169

00:08:11,680 --> 00:08:09,050

comments that's all a remote viewer

170

00:08:16,090 --> 00:08:11,690

contact them get got excited some great

171

00:08:32,140 --> 00:08:16,100

content but no nothing happened big

172

00:08:41,060 --> 00:08:36,230

tekken a brand new haircut okay I look

173

00:08:45,080 --> 00:08:41,070

like a dweeb yes I had long hair grows

174

00:08:48,380 --> 00:08:45,090

very long um for me it was like down to

175

00:08:51,530 --> 00:08:48,390

here and I to me I looked I looked

176

00:08:53,360 --> 00:08:51,540

homeless and I work in an office so I

177

00:08:56,300 --> 00:08:53,370

looked homeless and I was like I can't I

178

00:08:59,690 --> 00:08:56,310

can't can't be keep going on this way

179

00:09:01,880 --> 00:08:59,700

destroying my my my head is destroying

180

00:09:03,800 --> 00:09:01,890

my life I look homeless cuz I had to get

181

00:09:10,130 --> 00:09:03,810

a haircut now I look like a dweeb or a

182

00:09:15,100 --> 00:09:10,140

nerd or a dork it's just this is what it

183

00:09:17,780 --> 00:09:15,110

is Oh anyways what I wanted to tell you

184

00:09:21,560 --> 00:09:17,790

I've been playing a game called battle

185

00:09:24,830 --> 00:09:21,570

born it is the most recent game put out

186

00:09:29,390 --> 00:09:24,840

by 2k the same people who put out

187

00:09:31,280 --> 00:09:29,400

borderlands and they put out I put out

188

00:09:33,250 --> 00:09:31,290

some pretty cool stuff at berlin's i

189

00:09:35,780 --> 00:09:33,260

think is there the biggest franchise and

190

00:09:39,380 --> 00:09:35,790

you know borderline cesspit thats a kart

191

00:09:41,300 --> 00:09:39,390

it's a kinda like cel-shaded it's kind

192

00:09:46,610 --> 00:09:41,310

of cartooning very good humor and they

193

00:09:49,310 --> 00:09:46,620

put out this pretty big MOBA dota kind

194

00:09:50,870 --> 00:09:49,320

of game where it's an online game online

195

00:09:53,270 --> 00:09:50,880

multiplayer game you go against each

196

00:09:55,220 --> 00:09:53,280

other called battle born and they l

197

00:09:57,500 --> 00:09:55,230

think they threw a [h__\h] ton of money out

198

00:10:00,440 --> 00:09:57,510

very big budget and they release at the

199

00:10:02,930 --> 00:10:00,450

same time as overwatch esteem recently

200

00:10:04,970 --> 00:10:02,940

had I think has a deal you can buy it

201
00:10:07,690 --> 00:10:04,980
for thirty bucks xbox has viewing by

202
00:10:13,030 --> 00:10:07,700
four thirty bucks I got my version of

203
00:10:16,460 --> 00:10:13,040
battle born for fourteen dollars on

204
00:10:20,660 --> 00:10:16,470
humblebundle calm and it's very fun it's

205
00:10:22,040 --> 00:10:20,670
a very cool game you could do how if you

206
00:10:24,650 --> 00:10:22,050
do single you can't do a single player

207
00:10:27,680 --> 00:10:24,660
campaign but everything is meant for

208
00:10:29,720 --> 00:10:27,690
co-op you can choose like one of like 22

209
00:10:33,110 --> 00:10:29,730
characters you go through a very

210
00:10:35,030 --> 00:10:33,120
Borderlands esque story and you got to

211
00:10:37,520 --> 00:10:35,040
stop some kind of evil and then when you

212
00:10:39,710 --> 00:10:37,530
go online it really kind of turns into a

213
00:10:42,890 --> 00:10:39,720

like a first-person League of Legends

214

00:10:44,690 --> 00:10:42,900

and you have like I think 5vs5 you have

215

00:10:45,710 --> 00:10:44,700

a little minions you get the guard to

216

00:10:49,670 --> 00:10:45,720

get to

217

00:10:50,809 --> 00:10:49,680

um the opponents I get goal or worked

218

00:10:52,699 --> 00:10:50,819

hour or something like that you get it

219

00:10:54,619 --> 00:10:52,709

you know you know watch them march along

220

00:10:57,619 --> 00:10:54,629

and get ensure that they that they get

221

00:10:59,300 --> 00:10:57,629

there for of fourteen dollars that's a

222

00:11:01,129 --> 00:10:59,310

steal i think even for thirty dollars is

223

00:11:03,650 --> 00:11:01,139

probably worth it if you're tired of

224

00:11:06,410 --> 00:11:03,660

overwatch and i have i bought overwatch

225

00:11:07,970 --> 00:11:06,420

if you're tired of overwatch i would say

226

00:11:09,740 --> 00:11:07,980

battleborn is a pretty good alternative

227

00:11:12,439 --> 00:11:09,750

for you you just need to take a break

228

00:11:15,559 --> 00:11:12,449

it's a great alternative in it's very

229

00:11:17,840 --> 00:11:15,569

well made and it really sucks that it

230

00:11:21,110 --> 00:11:17,850

didn't get enough attention because it

231

00:11:23,540 --> 00:11:21,120

was just so over shattered shadowed by

232

00:11:26,809 --> 00:11:23,550

uh by overwatch which was produced by

233

00:11:29,600 --> 00:11:26,819

blizzard I don't know why to UK and I

234

00:11:33,650 --> 00:11:29,610

think gearbox decided to go head-to-head

235

00:11:34,970 --> 00:11:33,660

with blizzard and over watch it makes no

236

00:11:38,210 --> 00:11:34,980

business sense they could have released

237

00:11:39,949 --> 00:11:38,220

the two months later and need a lot more

238

00:11:41,509 --> 00:11:39,959

money or even three months later like

239

00:11:43,910 --> 00:11:41,519

right now it's probably perfect time I

240

00:11:45,980 --> 00:11:43,920

think people are a little bit maybe

241

00:11:47,660 --> 00:11:45,990

they're the excitement of overwatch

242

00:11:49,160 --> 00:11:47,670

maybe has worn off a little bit i'm not

243

00:11:51,470 --> 00:11:49,170

saying overwatch is not a good game it's

244

00:11:54,559 --> 00:11:51,480

a really good game i enjoy playing it i

245

00:11:57,439 --> 00:11:54,569

think the excitement may have worn off a

246

00:11:59,990 --> 00:11:57,449

little bit and why not at this point

247

00:12:02,389 --> 00:12:00,000

release battleborn you make a lot more

248

00:12:04,460 --> 00:12:02,399

money everyone's happy but no for

249

00:12:06,319 --> 00:12:04,470

whatever reason probably has to do with

250

00:12:08,240 --> 00:12:06,329

some kind of corporations like second

251
00:12:10,519 --> 00:12:08,250
quarter Marines they want to get it out

252
00:12:13,129 --> 00:12:10,529
there and it kind of fell flat a little

253
00:12:16,249 --> 00:12:13,139
bit i don't know i looked online I tried

254
00:12:18,590 --> 00:12:16,259
to find out how much money they spent

255
00:12:21,799 --> 00:12:18,600
making this game i heard it was a huge

256
00:12:23,809 --> 00:12:21,809
budget and it I heard like 2k I think

257
00:12:26,090 --> 00:12:23,819
gearbox spent the most money ever

258
00:12:28,730 --> 00:12:26,100
developing this game as opposed to you

259
00:12:32,509 --> 00:12:28,740
know versus what they spent with the the

260
00:12:34,910 --> 00:12:32,519
borderland series it's unfortunate go

261
00:12:36,499 --> 00:12:34,920
pick it up um it's definitely worth your

262
00:12:38,480 --> 00:12:36,509
time and if you're online and you want

263
00:12:45,519 --> 00:12:38,490

something to play with let me know I'll

264

00:12:45,529 --> 00:12:54,490

okay one last little thing to talk about

265

00:13:00,829 --> 00:12:58,460

hey john-boy more things gonna happen

266

00:13:04,269 --> 00:13:00,839

there so the last thing I want to talk

267

00:13:09,290 --> 00:13:04,279

about is the movie the black hole I

268

00:13:13,880 --> 00:13:09,300

believe the black hole came out in 1978

269

00:13:16,699 --> 00:13:13,890

or 79 and this was a Disney movie a very

270

00:13:20,660 --> 00:13:16,709

kind of like dark science fiction Disney

271

00:13:22,579 --> 00:13:20,670

movie where you had these Barry like

272

00:13:24,350 --> 00:13:22,589

that this is all like a you know they'd

273

00:13:25,880 --> 00:13:24,360

this is right around the time when like

274

00:13:28,509 --> 00:13:25,890

right after when Star Wars the original

275

00:13:33,230 --> 00:13:28,519

Star Wars came out and right before of

276

00:13:35,180 --> 00:13:33,240

the Empire Strikes Back and no Hollywood

277

00:13:37,040 --> 00:13:35,190

was like holy [h__h] science fiction's in

278

00:13:40,759 --> 00:13:37,050

[h__h] put out a science fiction movie

279

00:13:43,400 --> 00:13:40,769

now and so I think Disney was like all

280

00:13:45,230 --> 00:13:43,410

in with the black hole may put it out is

281

00:13:46,550 --> 00:13:45,240

it's a darker movie it's actually kind

282

00:13:51,650 --> 00:13:46,560

of scary I've never seen it when I was

283

00:13:52,790 --> 00:13:51,660

brought up and the robot villain I'm not

284

00:13:54,710 --> 00:13:52,800

even sure if it's the villain but the

285

00:13:57,560 --> 00:13:54,720

robot kind of bad guy kind of plays the

286

00:14:02,060 --> 00:13:57,570

part of what boba fett play is kind of a

287

00:14:06,260 --> 00:14:02,070

silent badass Maximilian all red robot

288

00:14:07,960 --> 00:14:06,270

with these weird blender like like four

289

00:14:12,139 --> 00:14:07,970

arms that will just tear people apart

290

00:14:13,760 --> 00:14:12,149

horrific absolutely scary under special

291

00:14:15,440 --> 00:14:13,770

effects the special effects in the movie

292

00:14:17,510 --> 00:14:15,450

are are great because this all really

293

00:14:19,970 --> 00:14:17,520

built these these these animatronics and

294

00:14:21,920 --> 00:14:19,980

they look like they really exist in in

295

00:14:24,170 --> 00:14:21,930

this space that they're occupying very

296

00:14:26,019 --> 00:14:24,180

interesting kind of movie it's I don't

297

00:14:28,340 --> 00:14:26,029

know how why Disney put this out its

298

00:14:30,110 --> 00:14:28,350

exact same or of an adult movie from

299

00:14:32,000 --> 00:14:30,120

what I can tell has like some QC robots

300

00:14:33,800 --> 00:14:32,010

you can tell when they're building some

301
00:14:37,370 --> 00:14:33,810
of the robots like God's [\h__\h] make it

302
00:14:39,110 --> 00:14:37,380
look like CP ER c-3po and a mix of RTD

303
00:14:43,519 --> 00:14:39,120
to get it out there kids are gonna love

304
00:14:44,840 --> 00:14:43,529
it but it's scary holy [\h__\h] but you can

305
00:14:46,939 --> 00:14:44,850
right thing couldn't uh I don't think

306
00:14:49,069 --> 00:14:46,949
it's not on netflix it's not on Amazon

307
00:14:50,750 --> 00:14:49,079
because it's a Disney movie I don't

308
00:14:53,569 --> 00:14:50,760
think Disney likes to share their movies

309
00:14:56,590 --> 00:14:53,579
too much but I think you can buy it on

310
00:14:59,710 --> 00:14:56,600
Amazon if you just buy like the digital

311
00:15:02,079 --> 00:14:59,720
version of it do it very very creepy and

312
00:15:04,329 --> 00:15:02,089
scary i don't like I guess you probably

313
00:15:06,819 --> 00:15:04,339

could show a kid now if they're over the

314

00:15:08,800 --> 00:15:06,829

age of five I guess you should I guess

315

00:15:11,439 --> 00:15:08,810

yeah you can it's not that scary

316

00:15:13,689 --> 00:15:11,449

compared to anything that's out now no

317

00:15:16,809 --> 00:15:13,699

ya go share share with the kids show

318

00:15:19,780 --> 00:15:16,819

your family it uh I don't know how well

319

00:15:23,290 --> 00:15:19,790

it did I don't know if it made its money

320

00:15:25,660 --> 00:15:23,300

back breath for some reason I seem to be

321

00:15:28,629 --> 00:15:25,670

overly concerned with corporations

322

00:15:32,100 --> 00:15:28,639

budgets are they gonna be okay are they

323

00:15:35,559 --> 00:15:32,110

gonna make their money back I'm scared

324

00:15:38,680 --> 00:15:35,569

all right well maybe that this is why I

325

00:15:41,620 --> 00:15:38,690

don't do many vlogs because I this kind

326

00:15:43,180 --> 00:15:41,630

of pontificating in yak all right well

327

00:15:45,100 --> 00:15:43,190

thank you very much for watching us if

328

00:15:47,920 --> 00:15:45,110

you made it to the end I probably not

329

00:15:49,960 --> 00:15:47,930

i'm sure everyone went quick don't watch

330

00:15:56,110 --> 00:15:49,970

any more of this [h__h] here enough he
