

# Battlefield 1

*thoughts & opinions*

1  
00:00:15,589 --> 00:00:09,110  
so let's roll into some video game news

2  
00:00:19,760 --> 00:00:15,599  
I want to move well you want a woman i

3  
00:00:21,769 --> 00:00:19,770  
do want to do i think both Joe and I

4  
00:00:24,140 --> 00:00:21,779  
have been planed the battlefield 1 beta

5  
00:00:26,060 --> 00:00:24,150  
he's planning on playstation 4 and

6  
00:00:27,800 --> 00:00:26,070  
playing xbox one and I've had nothing

7  
00:00:31,550 --> 00:00:27,810  
but a good experience with this game in

8  
00:00:33,200 --> 00:00:31,560  
fact I think you did to Joe in fact you

9  
00:00:34,729 --> 00:00:33,210  
called off podcast yesterday you wanted

10  
00:00:37,160 --> 00:00:34,739  
to move it to you tonight just so you

11  
00:00:41,270 --> 00:00:37,170  
could play the beta yes the last day you

12  
00:00:44,750 --> 00:00:41,280  
can't take it away i'm already sad so

13  
00:00:46,190 --> 00:00:44,760

sad it you know it does take place they

14

00:00:50,270 --> 00:00:46,200

call battlefield one but takes place

15

00:00:52,160 --> 00:00:50,280

during World War one and so you got yet

16

00:00:53,959 --> 00:00:52,170

horses you got tanks you got armored

17

00:00:57,799 --> 00:00:53,969

vehicles but it all has the world war

18

00:00:59,330 --> 00:00:57,809

one look and you know it should in large

19

00:01:01,939 --> 00:00:59,340

scale battle should be all just pretty

20

00:01:03,680 --> 00:01:01,949

much bolt-action rifles and in in things

21

00:01:05,960 --> 00:01:03,690

like that it may be some mustard gas

22

00:01:09,410 --> 00:01:05,970

here and there but in this version of

23

00:01:11,359 --> 00:01:09,420

World War one produced by dice there are

24

00:01:13,460 --> 00:01:11,369

automatic weapons there's just like

25

00:01:15,399 --> 00:01:13,470

machine guns there's experimental

26  
00:01:18,620 --> 00:01:15,409  
submachine guns they have a lot of the

27  
00:01:20,690 --> 00:01:18,630  
experimental in in the works kind of

28  
00:01:22,730 --> 00:01:20,700  
weaponry and it is nothing given to

29  
00:01:24,700 --> 00:01:22,740  
anybody wants to use them in this game I

30  
00:01:27,320 --> 00:01:24,710  
understand they have to compete with

31  
00:01:28,969 --> 00:01:27,330  
call of duty not to compete with those

32  
00:01:31,399 --> 00:01:28,979  
very fast shooters and this is the way

33  
00:01:33,620 --> 00:01:31,409  
they did it when they can't go I mean if

34  
00:01:35,810 --> 00:01:33,630  
you've already given us battlefield you

35  
00:01:37,730 --> 00:01:35,820  
know three and four with all these tanks

36  
00:01:40,460 --> 00:01:37,740  
and helicopters and I mean in

37  
00:01:42,260 --> 00:01:40,470  
battlefield 4 there's that Russian level

38  
00:01:46,639 --> 00:01:42,270

if you remember this thing with this the

39

00:01:48,830 --> 00:01:46,649

tank the hover tank hmm get in I think I

40

00:01:50,630 --> 00:01:48,840

remember yes and you could like shoot

41

00:01:53,230 --> 00:01:50,640

yourself out of these launchers and all

42

00:01:55,969 --> 00:01:53,240

that they had some really crazy stuff so

43

00:01:57,560 --> 00:01:55,979

that was my concern when they were like

44

00:01:59,600 --> 00:01:57,570

well we're gonna do world war one and

45

00:02:01,910 --> 00:01:59,610

now that I was like but how is that even

46

00:02:03,480 --> 00:02:01,920

gonna be fun when everything sucked so

47

00:02:05,130 --> 00:02:03,490

bad back then

48

00:02:07,590 --> 00:02:05,140

well they found a way to make a fun I

49

00:02:09,270 --> 00:02:07,600

found myself playing the conquest game

50

00:02:11,760 --> 00:02:09,280

mode I didn't I didn't wrap the rush

51  
00:02:15,240 --> 00:02:11,770  
game mode and I'm a huge battlefield fan

52  
00:02:18,180 --> 00:02:15,250  
i played been playing them since uh I

53  
00:02:20,880 --> 00:02:18,190  
don't know this battlefield 1941 Jeff

54  
00:02:23,220 --> 00:02:20,890  
didn't you have that game Oh benefit

55  
00:02:25,470 --> 00:02:23,230  
1942 yes I get back in high school in

56  
00:02:27,809 --> 00:02:25,480  
the he 42 and then you know I finally

57  
00:02:30,600 --> 00:02:27,819  
went to 360 came out got the bad company

58  
00:02:32,280 --> 00:02:30,610  
bad company 2 and playing it I it's

59  
00:02:34,170 --> 00:02:32,290  
always been when it comes to the first

60  
00:02:37,289 --> 00:02:34,180  
person shooter and military shooter

61  
00:02:39,960 --> 00:02:37,299  
genre I spend Ivan favoring that over

62  
00:02:42,059 --> 00:02:39,970  
call of duty totally it's the oh it's

63  
00:02:44,699 --> 00:02:42,069

the only first person would call of duty

64

00:02:46,770 --> 00:02:44,709

came out in like two thousand six or

65

00:02:48,660 --> 00:02:46,780

whatever modern warfare was that game

66

00:02:50,550 --> 00:02:48,670

that got me to buy a system and I didn't

67

00:02:53,280 --> 00:02:50,560

even have it it was great it was

68

00:02:56,070 --> 00:02:53,290

fantastic but they haven't changed the

69

00:02:57,870 --> 00:02:56,080

game at all and battlefield has kind of

70

00:03:01,289 --> 00:02:57,880

not really changed their game that much

71

00:03:04,410 --> 00:03:01,299

either but the ability to get in

72

00:03:06,479 --> 00:03:04,420

vehicles and fly [h\_\_h] around and all

73

00:03:09,120 --> 00:03:06,489

this stuff I mean it's a complete

74

00:03:10,920 --> 00:03:09,130

differentiator from call of duty which

75

00:03:13,289 --> 00:03:10,930

is pretty much a forgettable franchise

76

00:03:17,190 --> 00:03:13,299

at this way scale of a battlefield is

77

00:03:18,960 --> 00:03:17,200

what keeps me on on this game and a fan

78

00:03:21,930 --> 00:03:18,970

of this franchise because it is huge

79

00:03:23,849 --> 00:03:21,940

you're playing 32 vs 32 you can get in

80

00:03:25,860 --> 00:03:23,859

vehicles you can really customize your

81

00:03:27,150 --> 00:03:25,870

character and the type of character you

82

00:03:30,060 --> 00:03:27,160

play with in your squad whether it's an

83

00:03:31,380 --> 00:03:30,070

engineer a medic or support you can if

84

00:03:33,330 --> 00:03:31,390

you want to play it just by yourself

85

00:03:35,880 --> 00:03:33,340

fine but it really helps when you work

86

00:03:38,849 --> 00:03:35,890

with your squad and as a team member you

87

00:03:41,340 --> 00:03:38,859

can achieve you know getting to the next

88

00:03:42,630 --> 00:03:41,350

goal or capturing a flag or a point it's

89

00:03:44,789 --> 00:03:42,640

a lot more challenging there's a lot

90

00:03:47,220 --> 00:03:44,799

more strategy involved with these

91

00:03:48,990 --> 00:03:47,230

military shooters battle in battle with

92

00:03:50,550 --> 00:03:49,000

battlefield then call duty where it's

93

00:03:53,819 --> 00:03:50,560

much more of an arcade who can score the

94

00:03:58,080 --> 00:03:53,829

most points yeah I'm gonna yeah it's

95

00:04:02,910 --> 00:03:58,090

it's the the scale is just it's it's

96

00:04:05,099 --> 00:04:02,920

very hard to kind of describe to anybody

97

00:04:08,099 --> 00:04:05,109

because you will have these 64 players

98

00:04:11,640 --> 00:04:08,109

all converging on one spot which makes

99

00:04:13,289 --> 00:04:11,650

for a very chaotic scene and so you do

100

00:04:15,810 --> 00:04:13,299

you kind of have strategize doing sneak

101  
00:04:17,160 --> 00:04:15,820  
do I come in guns a-blazing in this

102  
00:04:18,990 --> 00:04:17,170  
vehicle or

103  
00:04:20,820 --> 00:04:19,000  
you know it's just that but there are

104  
00:04:22,770 --> 00:04:20,830  
these epic moments that you get that I

105  
00:04:25,770 --> 00:04:22,780  
was getting already from just this this

106  
00:04:28,080 --> 00:04:25,780  
uh beta or whatever they call it yeah

107  
00:04:30,900 --> 00:04:28,090  
duh they had this beta and i think is a

108  
00:04:33,360 --> 00:04:30,910  
great pre preview for people i'm gonna

109  
00:04:35,160 --> 00:04:33,370  
I'm definitely by the game plan baby

110  
00:04:36,540 --> 00:04:35,170  
will too it's just unfortunate that

111  
00:04:38,700 --> 00:04:36,550  
we're on different systems we can't play

112  
00:04:42,300 --> 00:04:38,710  
together maybe if there's a listener out

113  
00:04:44,580 --> 00:04:42,310

there wants to buy Joe an xbox one nor

114

00:04:46,650 --> 00:04:44,590

by Mike and Jeff up ps4 yeah either

115

00:04:49,830 --> 00:04:46,660

works ps4 is going to come out with

116

00:04:52,320 --> 00:04:49,840

their 4k version right around the corner

117

00:04:54,810 --> 00:04:52,330

which I was super excited about i bought

118

00:04:57,080 --> 00:04:54,820

a 4k TV just salute I could get ready

119

00:04:59,580 --> 00:04:57,090

we're gonna do though it look better

120

00:05:01,200 --> 00:04:59,590

I'll tell you what I was telling I was

121

00:05:03,660 --> 00:05:01,210

explaining this to Eric cuz he was like

122

00:05:07,230 --> 00:05:03,670

why do you need oh did it up and so I

123

00:05:10,680 --> 00:05:07,240

was playing battlefield 4 on the ps3 and

124

00:05:13,260 --> 00:05:10,690

then the ps4 came out and I could

125

00:05:15,360 --> 00:05:13,270

remember playing the because we had the

126  
00:05:17,130 --> 00:05:15,370  
ps3 still hooked up in the bedroom and

127  
00:05:19,170 --> 00:05:17,140  
then i have the ps4 hooked up outside

128  
00:05:22,590 --> 00:05:19,180  
out in the living room and so i would

129  
00:05:24,450 --> 00:05:22,600  
play battlefield literally back-to-back

130  
00:05:27,060 --> 00:05:24,460  
on two separate systems sometimes I'd

131  
00:05:28,740 --> 00:05:27,070  
sit in bed and play and the the

132  
00:05:30,750 --> 00:05:28,750  
difference in frame rate the difference

133  
00:05:35,070 --> 00:05:30,760  
in graphic quality the difference in

134  
00:05:38,100 --> 00:05:35,080  
just everything was so your remarkable

135  
00:05:40,080 --> 00:05:38,110  
that I'm hoping I could be completely

136  
00:05:42,240 --> 00:05:40,090  
wrong about this but I'm hoping this 4k

137  
00:05:44,250 --> 00:05:42,250  
difference is gonna make especially when

138  
00:05:46,260 --> 00:05:44,260

you start designing games for 4k I'm

139

00:05:48,150 --> 00:05:46,270

really hope well the problem these these

140

00:05:51,060 --> 00:05:48,160

games are not gonna be in 4k it's

141

00:05:53,520 --> 00:05:51,070

impossible I have a great video graphics

142

00:05:55,440 --> 00:05:53,530

card and you could I can maybe play 4k

143

00:05:57,210 --> 00:05:55,450

at 30 frames per second but it'll look

144

00:05:59,040 --> 00:05:57,220

good you probably be able to get 60

145

00:06:02,490 --> 00:05:59,050

frames per second at a higher resolution

146

00:06:06,990 --> 00:06:02,500

but it won't be for k then it will go

147

00:06:10,440 --> 00:06:07,000

claim but it won't be in xbox one has a

148

00:06:13,290 --> 00:06:10,450

brand-new like a up like Xbox 1.5 it

149

00:06:16,140 --> 00:06:13,300

also has a 4k output and it's supposed

150

00:06:17,790 --> 00:06:16,150

to be the cheapest 4k player on the

151

00:06:20,250 --> 00:06:17,800

market you can buy in it also has the

152

00:06:22,020 --> 00:06:20,260

game system built into it so there's

153

00:06:23,310 --> 00:06:22,030

some some good things coming out and

154

00:06:24,760 --> 00:06:23,320

yeah they're definitely pushing the

155

00:06:27,850 --> 00:06:24,770

higher resolution

156

00:06:29,619 --> 00:06:27,860

monitors and TVs and games and it will

157

00:06:33,129 --> 00:06:29,629

look great it will look pretty [h\_\_\h]

158

00:06:36,520 --> 00:06:33,139

good in the next couple years ya know my

159

00:06:38,080 --> 00:06:36,530

my one my issues come up for most of

160

00:06:39,850 --> 00:06:38,090

these video games coming out especially

161

00:06:41,320 --> 00:06:39,860

knocked over look me in October yeah

162

00:06:44,050 --> 00:06:41,330

battlefield one coming out was just 60

163

00:06:46,119 --> 00:06:44,060

bucks call duty comes out in like

164

00:06:49,659 --> 00:06:46,129

November first with the 60 bucks and

165

00:06:52,570 --> 00:06:49,669

then in knocked in October October 28th

166

00:06:54,520 --> 00:06:52,580

titanfall 2 is supposed to be released

167

00:06:56,219 --> 00:06:54,530

another big shooter they had a tech test

168

00:06:58,420 --> 00:06:56,229

that I complained about on my video blog

169

00:07:01,420 --> 00:06:58,430

it's like these guys are smart if

170

00:07:04,719 --> 00:07:01,430

titanfall these people are smart and

171

00:07:07,899 --> 00:07:04,729

these are some older developers and game

172

00:07:10,960 --> 00:07:07,909

designers from from the call duty of

173

00:07:12,730 --> 00:07:10,970

modern warefare modern warfare 2 and

174

00:07:14,950 --> 00:07:12,740

that franchise they started titanfall

175

00:07:17,740 --> 00:07:14,960

they're smart they released titanfall 2

176  
00:07:19,600 --> 00:07:17,750  
in February when they wouldn't have to

177  
00:07:21,189 --> 00:07:19,610  
compete with call of duty when they

178  
00:07:22,869 --> 00:07:21,199  
don't have to compete with with

179  
00:07:24,339 --> 00:07:22,879  
battlefield 1 and the host of other

180  
00:07:27,610 --> 00:07:24,349  
games that are coming out in October

181  
00:07:28,959 --> 00:07:27,620  
like Gears of War mafia 3 of it titan

182  
00:07:31,300 --> 00:07:28,969  
falls that have proven franchise it's

183  
00:07:32,830 --> 00:07:31,310  
not a proven series yet yeah and

184  
00:07:34,149 --> 00:07:32,840  
considers getting is gotten [h\_\_h] on a

185  
00:07:35,709 --> 00:07:34,159  
nice [h\_\_h] on it and a lot of other

186  
00:07:38,020 --> 00:07:35,719  
people [h\_\_h] on in the dirt his tech test

187  
00:07:39,700 --> 00:07:38,030  
the original never had a campaign just

188  
00:07:40,990 --> 00:07:39,710

an online game that's right and now

189

00:07:45,159 --> 00:07:41,000

they're trying to introduce a campaign

190

00:07:46,659 --> 00:07:45,169

is an unproven series releases don't try

191

00:07:49,209 --> 00:07:46,669

to compete with these big bigger

192

00:07:50,800 --> 00:07:49,219

franchises that are proven yeah spend a

193

00:07:52,959 --> 00:07:50,810

little more time on the levels and the

194

00:07:55,149 --> 00:07:52,969

gameplay and release it at a time where

195

00:07:56,680 --> 00:07:55,159

you know you can be the game that

196

00:08:00,070 --> 00:07:56,690

everybody wants the same thing happened

197

00:08:02,589 --> 00:08:00,080

with battleborn versus overwatch

198

00:08:04,480 --> 00:08:02,599

overwatch their boots the sun i think

199

00:08:06,339 --> 00:08:04,490

this was part of your yeah it's the same

200

00:08:08,200 --> 00:08:06,349

thing happened like both are great games

201  
00:08:10,629 --> 00:08:08,210  
they just shouldn't have to compete with

202  
00:08:13,089 --> 00:08:10,639  
learned one another overwatch had a lot

203  
00:08:17,920 --> 00:08:13,099  
more marketing behind it the game I mean

204  
00:08:19,180 --> 00:08:17,930  
not that you know titanfall uh or or is

205  
00:08:20,860 --> 00:08:19,190  
that what it's called titanfall that's

206  
00:08:23,980 --> 00:08:20,870  
the call of duty people yeah but I can

207  
00:08:26,260 --> 00:08:23,990  
fall to yeah titanfall 2 I mean it's

208  
00:08:28,959 --> 00:08:26,270  
pretty dissimilar from battlefield and

209  
00:08:30,339 --> 00:08:28,969  
call of duty it's that as more as more

210  
00:08:32,409 --> 00:08:30,349  
in line with call duty than battlefield

211  
00:08:34,600 --> 00:08:32,419  
I hate that advanced warfare [h\_\_h] really

212  
00:08:36,190 --> 00:08:34,610  
like the super booster jump packs and

213  
00:08:37,990 --> 00:08:36,200

jumping around hanging off walls and

214

00:08:41,199 --> 00:08:38,000

that's so dumb for sure that's all

215

00:08:43,509 --> 00:08:41,209

titanfall is yeah whatever what they're

216

00:08:45,220 --> 00:08:43,519

banking on maybe they're banking on look

217

00:08:47,380 --> 00:08:45,230

we know there's battlefield people we

218

00:08:49,540 --> 00:08:47,390

know there's call of duty people maybe

219

00:08:51,550 --> 00:08:49,550

the people I'm one of these people who I

220

00:08:53,170 --> 00:08:51,560

would buy every call of duty just

221

00:08:55,810 --> 00:08:53,180

because it's like what if this is a good

222

00:08:57,550 --> 00:08:55,820

one cuz call of duty black ops 2 is

223

00:09:00,340 --> 00:08:57,560

actually really good multiplayer and

224

00:09:01,840 --> 00:09:00,350

zombies bowl so I would just kind of buy

225

00:09:04,150 --> 00:09:01,850

them and try them and then every time

226

00:09:06,880 --> 00:09:04,160

I'm just like this is terrible I don't

227

00:09:09,160 --> 00:09:06,890

parable I don't [\h\_\_\h] on call duty I

228

00:09:10,900 --> 00:09:09,170

actually like the plan I just would only

229

00:09:12,670 --> 00:09:10,910

spell I only like to spend 30 bucks on

230

00:09:14,590 --> 00:09:12,680

they're fun they're nice stash shooters

231

00:09:17,440 --> 00:09:14,600

and a lot of my friends play my I don't

232

00:09:19,900 --> 00:09:17,450

I don't mind playing but then if I want

233

00:09:22,480 --> 00:09:19,910

longer more intense games I go with a

234

00:09:26,139 --> 00:09:22,490

call duty or I go with battlefield now

235

00:09:30,970 --> 00:09:26,149

and if I really want something strategic

236

00:09:33,009 --> 00:09:30,980

it's gotta be rainbow six yes I mean

237

00:09:35,319 --> 00:09:33,019

rainbow six is really taking the the

238

00:09:38,259 --> 00:09:35,329

first person shooter to hold next level

239

00:09:39,579 --> 00:09:38,269

one man they're perfecting it i'm glad

240

00:09:41,170 --> 00:09:39,589

they're sticking i'm glad to devs are

241

00:09:43,210 --> 00:09:41,180

sticking with it it's still a good game

242

00:09:44,380 --> 00:09:43,220

i saw hop on a play yeah they just

243

00:09:46,060 --> 00:09:44,390

released the new season they're gonna

244

00:09:48,340 --> 00:09:46,070

release another season we talked about

245

00:09:49,389 --> 00:09:48,350

that you said the game's almost a year

246

00:09:50,949 --> 00:09:49,399

old at this point they're still

247

00:09:51,910 --> 00:09:50,959

supporting it which is great well

248

00:09:53,350 --> 00:09:51,920

they're supporting it and they're

249

00:09:54,850 --> 00:09:53,360

supporting it in a way that all these

250

00:09:56,740 --> 00:09:54,860

other companies should really learn from

251  
00:09:58,480 --> 00:09:56,750  
which is and I think overwatch is doing

252  
00:10:00,189 --> 00:09:58,490  
this to where it's like okay you bought

253  
00:10:02,560 --> 00:10:00,199  
the game we're just going to release new

254  
00:10:04,420 --> 00:10:02,570  
content as it comes instead of charging

255  
00:10:06,699 --> 00:10:04,430  
you twenty nine dollars or whatever it

256  
00:10:07,990 --> 00:10:06,709  
is hey we got a few new maps do you want

257  
00:10:10,930 --> 00:10:08,000  
to throw some money at us it's like

258  
00:10:13,060 --> 00:10:10,940  
people are starting to go this is awful

259  
00:10:15,300 --> 00:10:13,070  
and I think the companies are starting

260  
00:10:17,500 --> 00:10:15,310  
to change which is potentially why

261  
00:10:18,970 --> 00:10:17,510  
titanfall is coming out when it is

262  
00:10:21,790 --> 00:10:18,980  
because they're counting on the fact

263  
00:10:22,990 --> 00:10:21,800

that call of duty people are over it and

264

00:10:24,670 --> 00:10:23,000

battlefield people are pretty much

265

00:10:26,500 --> 00:10:24,680

battlefield people there is sort of an

266

00:10:28,900 --> 00:10:26,510

people play everything but you do kind

267

00:10:30,310 --> 00:10:28,910

of get that Pepsi coke thing they're

268

00:10:33,160 --> 00:10:30,320

hoping and they're hoping to get those

269

00:10:34,930 --> 00:10:33,170

christmas sales as well i don't think

270

00:10:37,210 --> 00:10:34,940

that's gonna happen I honestly I don't

271

00:10:39,040 --> 00:10:37,220

think it's it's gonna if they release if

272

00:10:40,900 --> 00:10:39,050

titanfall releases in october i think

273

00:10:42,910 --> 00:10:40,910

it's going to be a big flop not not as

274

00:10:46,180 --> 00:10:42,920

big as flop as as

275

00:10:47,740 --> 00:10:46,190

born but they kick you I think you're

276  
00:10:49,000 --> 00:10:47,750  
right Joe that somebody's companies are

277  
00:10:51,579 --> 00:10:49,010  
doing the right thing by releasing

278  
00:10:53,199 --> 00:10:51,589  
content for free over watches doing it

279  
00:10:56,319 --> 00:10:53,209  
but course blizzards behind us so they

280  
00:10:58,540 --> 00:10:56,329  
can afford to do it and I think that was

281  
00:11:00,939 --> 00:10:58,550  
that Activision can't afford it I know

282  
00:11:03,250 --> 00:11:00,949  
they can but I think blizzard is much

283  
00:11:05,889 --> 00:11:03,260  
more hands-on than Activision is with

284  
00:11:08,079 --> 00:11:05,899  
their development of their games um but

285  
00:11:10,360 --> 00:11:08,089  
this crap while what are they gonna put

286  
00:11:12,819 --> 00:11:10,370  
down that sad just released a new they

287  
00:11:15,490 --> 00:11:12,829  
just released a new bomb engine for ya

288  
00:11:18,610 --> 00:11:15,500

on the same old engine I think so it's

289

00:11:20,079 --> 00:11:18,620

not what what sorry sacks of [h\_\_h] are

290

00:11:22,030 --> 00:11:20,089

still playing that thing after mrs. i

291

00:11:24,310 --> 00:11:22,040

think there's Pandaria because 10

292

00:11:26,769 --> 00:11:24,320

million sorry sack of [h\_\_h] go to it it

293

00:11:28,840 --> 00:11:26,779

crazy we actually know one of our uh

294

00:11:30,310 --> 00:11:28,850

right still the burning crusade and

295

00:11:32,139 --> 00:11:30,320

played through most of that and I just I

296

00:11:33,970 --> 00:11:32,149

was just was in college for my like

297

00:11:36,819 --> 00:11:33,980

freshman year Mike I'm better things to

298

00:11:39,189 --> 00:11:36,829

do but yeah it's a commitment I've heard

299

00:11:41,500 --> 00:11:39,199

because we literally know somebody who

300

00:11:45,639 --> 00:11:41,510

divorced his wife because she couldn't

301  
00:11:48,460 --> 00:11:45,649  
stop playing World of Warcraft wow crazy

302  
00:11:50,550 --> 00:11:48,470  
I Keaton literally filed for divorce

303  
00:11:53,319 --> 00:11:50,560  
because it's like it's either you or

304  
00:12:00,420 --> 00:11:53,329  
it's either me or Warcraft and she chose

305  
00:12:07,829 --> 00:12:05,460  
Wow um that's not an error he has

306  
00:12:10,290 --> 00:12:07,839  
Linda's larger pattern bears it's

307  
00:12:13,170 --> 00:12:10,300  
unfortunate but I'll tell you what

308  
00:12:15,240 --> 00:12:13,180  
battlefield one holy [h\_\_\h] I'm so excited

309  
00:12:17,790 --> 00:12:15,250  
to see what other levels because I mean

310  
00:12:19,199 --> 00:12:17,800  
they had us in the Sinai desert I didn't

311  
00:12:21,750 --> 00:12:19,209  
know a whole lot about I don't even know

312  
00:12:23,970 --> 00:12:21,760  
where the [h\_\_\h] it is but the Sinai

313  
00:12:24,960 --> 00:12:23,980

Peninsula tonight but in co I've heard

314

00:12:28,130 --> 00:12:24,970

of that but I don't even know where the

315

00:12:32,790 --> 00:12:28,140

Sinai Peninsula anyway it's in Florida

316

00:12:34,560 --> 00:12:32,800

it looked like it there's lost me but

317

00:12:36,750 --> 00:12:34,570

having it was just what are the other

318

00:12:38,400 --> 00:12:36,760

levels gonna be and how epic is that

319

00:12:40,410 --> 00:12:38,410

gonna be when you cuz like all those

320

00:12:42,540 --> 00:12:40,420

environments were just so expertly

321

00:12:44,430 --> 00:12:42,550

crafted no electricity so it's all like

322

00:12:45,660 --> 00:12:44,440

you know you're out in the desert and

323

00:12:47,100 --> 00:12:45,670

you're looking at the way these people

324

00:12:49,139 --> 00:12:47,110

live I don't know how factually accurate

325

00:12:51,510 --> 00:12:49,149

it was but going in all the buildings

326

00:12:54,480 --> 00:12:51,520

and being in all the different vehicles

327

00:12:56,400 --> 00:12:54,490

I was just fascinated by the level of

328

00:12:58,320 --> 00:12:56,410

detail that they put into this game dice

329

00:13:00,000 --> 00:12:58,330

does a good job with their research I

330

00:13:02,400 --> 00:13:00,010

think there's spot on with their

331

00:13:05,550 --> 00:13:02,410

environments they they do an immaculate

332

00:13:07,949 --> 00:13:05,560

job with their level craft and just

333

00:13:09,480 --> 00:13:07,959

honing the overall look and technology

334

00:13:11,850 --> 00:13:09,490

and feel of the situation I have a feel

335

00:13:14,490 --> 00:13:11,860

that I have a feeling that is it's when

336

00:13:16,290 --> 00:13:14,500

you walk into like a German city it's

337

00:13:18,420 --> 00:13:16,300

gonna bets going to be authentic the

338

00:13:20,970 --> 00:13:18,430

decor everything I think it's going to

339

00:13:24,000 --> 00:13:20,980

be spot-on yeah they did the you can

340

00:13:27,320 --> 00:13:24,010

actually google images for battlefield

341

00:13:29,579 --> 00:13:27,330

levels versus the real thing and they

342

00:13:31,470 --> 00:13:29,589

from the current stuff you know from

343

00:13:33,390 --> 00:13:31,480

battlefield 3 & 4 you can go out and see

344

00:13:35,280 --> 00:13:33,400

these images of these locations and

345

00:13:37,590 --> 00:13:35,290

you're like yeah holy [\h\_\_\h] that's

346

00:13:39,900 --> 00:13:37,600

basically what you're playing in literal

347

00:13:42,240 --> 00:13:39,910

physical spaces that exists and it's

348

00:13:44,010 --> 00:13:42,250

that to me just I don't know why it's as

349

00:13:46,110 --> 00:13:44,020

interesting as it is but it is

350

00:13:47,790 --> 00:13:46,120

especially when they nail it like when

351

00:13:48,690 --> 00:13:47,800

you're in the offices and battlefield 4

352

00:13:50,640 --> 00:13:48,700

and you're like yeah that's kind of what

353

00:13:54,329 --> 00:13:50,650

an office looks like to me that's more

354

00:13:58,319 --> 00:13:54,339

that's more along the line of what the

355

00:14:02,069 --> 00:13:58,329

merging of computer and in art like that

356

00:14:04,960 --> 00:14:02,079

replication of reality and even allowing

357

00:14:07,449 --> 00:14:04,970

the user player to time travel a little

358

00:14:08,920 --> 00:14:07,459

yeah I know it's a shooting game and

359

00:14:10,629 --> 00:14:08,930

there's a lot of violence but it's a

360

00:14:12,280 --> 00:14:10,639

time travel kind of thing it does give

361

00:14:14,199 --> 00:14:12,290

you a sense of history I think a lot of

362

00:14:16,660 --> 00:14:14,209

fans of battlefield one might go back

363

00:14:18,850 --> 00:14:16,670

and actually research World War wanted

364

00:14:21,819 --> 00:14:18,860

what happened why these these sides are

365

00:14:24,280 --> 00:14:21,829

a conflict how she's hi um pretty fun

366

00:14:26,139 --> 00:14:24,290

too yeah what's that clown baby now they

367

00:14:27,790 --> 00:14:26,149

didn't use those guns yeah well yeah the

368

00:14:30,069 --> 00:14:27,800

concert I don't have a proper map

369

00:14:31,210 --> 00:14:30,079

everyone being a trench in one side

370

00:14:32,860 --> 00:14:31,220

around the other one and all their

371

00:14:34,780 --> 00:14:32,870

players are just didn't mowed down yeah

372

00:14:36,850 --> 00:14:34,790

yeah there are I think there are some

373

00:14:38,170 --> 00:14:36,860

battle or some World War one games out

374

00:14:39,490 --> 00:14:38,180

there that are much more factually in

375

00:14:41,650 --> 00:14:39,500

technologically accurate you rest

376

00:14:44,290 --> 00:14:41,660

chemical rounds in a Jew you can use

377

00:14:46,389 --> 00:14:44,300

mustard gas around high school there's

378

00:14:48,160 --> 00:14:46,399

nurse gas creates I know that oh no I

379

00:14:51,569 --> 00:14:48,170

get mustard artillery shells I found

380

00:14:53,800 --> 00:14:51,579

when I was trying to switch to my

381

00:14:55,840 --> 00:14:53,810

anti-tank grenades cuz i would run his

382

00:14:57,610 --> 00:14:55,850

engineer i found while I was running

383

00:14:59,499 --> 00:14:57,620

around with this thing I'd push the

384

00:15:01,300 --> 00:14:59,509

button to do it and then it would switch

385

00:15:03,460 --> 00:15:01,310

to the gas mask and then I'd push the

386

00:15:05,350 --> 00:15:03,470

button again and then it would switch to

387

00:15:07,090 --> 00:15:05,360

a different guy I was like what is this

388

00:15:09,280 --> 00:15:07,100

and it was always when I was right next

389

00:15:12,340 --> 00:15:09,290

to a tank like if I wanted to switch to

390

00:15:15,100 --> 00:15:12,350

the anti-tank grenades at any other

391

00:15:16,749 --> 00:15:15,110

point though I know tanks didn't really

392

00:15:18,999 --> 00:15:16,759

show up until late nineteen seventeen

393

00:15:22,629 --> 00:15:19,009

the tanks in this game look awesome they

394

00:15:24,309 --> 00:15:22,639

look so old giant and slow they didn't

395

00:15:27,100 --> 00:15:24,319

show up totally in a bit more Elmo's so

396

00:15:28,689 --> 00:15:27,110

I don't they're great you will let you

397

00:15:31,329 --> 00:15:28,699

guys just made more of it just so it

398

00:15:32,799 --> 00:15:31,339

could be more yes fun again you can't

399

00:15:34,449 --> 00:15:32,809

take this [h\_\_h] away from people who have

400

00:15:35,559 --> 00:15:34,459

already been playing in tanks and

401  
00:15:37,299 --> 00:15:35,569  
helicopters forever which I was

402  
00:15:39,369 --> 00:15:37,309  
surprised they took out you could you

403  
00:15:41,410 --> 00:15:39,379  
just make him suffer they wouldn't sell

404  
00:15:44,530 --> 00:15:41,420  
the idea they wouldn't sell copies he

405  
00:15:48,340 --> 00:15:44,540  
would hate game yeah yeah if I was

406  
00:15:51,460 --> 00:15:48,350  
fourteen year olds I did find there were

407  
00:15:54,970 --> 00:15:51,470  
definitely the 14 year olds who were

408  
00:15:57,189 --> 00:15:54,980  
like they'd like by the end of the beta

409  
00:15:59,619 --> 00:15:57,199  
they had figured out where the corner of

410  
00:16:01,900 --> 00:15:59,629  
the map was the best corner of the map

411  
00:16:04,240 --> 00:16:01,910  
that you could go and literally face no

412  
00:16:05,920 --> 00:16:04,250  
enemies and just snipe and get potential

413  
00:16:07,900 --> 00:16:05,930

kills so they would literally be on the

414

00:16:10,449 --> 00:16:07,910

edge of the map didn't take them but to

415

00:16:12,220 --> 00:16:10,459

you know what day or two to figure these

416

00:16:14,379 --> 00:16:12,230

places out where was like the cheesiest

417

00:16:16,030 --> 00:16:14,389

cheap place for a sniper to just hang

418

00:16:18,730 --> 00:16:16,040

out and do nothing

419

00:16:20,590 --> 00:16:18,740

you should go team kill him yeah I do

420

00:16:22,900 --> 00:16:20,600

try to do that kind of stuff this is it

421

00:16:25,420 --> 00:16:22,910

like to me that stuff always is like the

422

00:16:27,610 --> 00:16:25,430

weirdest thing how's that fun it's like

423

00:16:29,800 --> 00:16:27,620

yeah I'm gonna go play this video game

424

00:16:32,710 --> 00:16:29,810

where I can ride around and biplanes in

425

00:16:34,569 --> 00:16:32,720

tank train for all [h\_\_\h] things you

426

00:16:37,240 --> 00:16:34,579

have it tank train like a train on

427

00:16:39,999 --> 00:16:37,250

tracks it's a tank you've got all kinds

428

00:16:42,430 --> 00:16:40,009

of old vehicles jeeps this kind of [h\_\_h]

429

00:16:44,980 --> 00:16:42,440

and I'm gonna go to the corner of the

430

00:16:48,400 --> 00:16:44,990

map and lay down it's gotta get your

431

00:16:49,870 --> 00:16:48,410

kill death ratio up there pal it's gonna

432

00:16:51,340 --> 00:16:49,880

be on your tombstone when you die your

433

00:16:53,920 --> 00:16:51,350

k/d ratio goes right there on the

434

00:16:56,499 --> 00:16:53,930

tombstone it's very important definitely

435

00:16:58,600 --> 00:16:56,509

don't want to have a one percenter

436

00:17:00,550 --> 00:16:58,610

blower you want it to be 1.2 or

437

00:17:03,129 --> 00:17:00,560

something well I'm gonna buy it wasn't

438

00:17:04,590 --> 00:17:03,139

spawn camping piece of [\h\_\_\h] who does who

439

00:17:10,059 --> 00:17:04,600

also hit on the edge of the map snipe

440

00:17:12,220 --> 00:17:10,069

yeah it was that Jeff Little Billy a

441

00:17:16,210 --> 00:17:12,230

little bit regimens tombstones oh yes

442

00:17:20,309 --> 00:17:16,220

haha yes Little Billy this is on camping

443

00:17:23,049 --> 00:17:20,319

[\h\_\_\h] katey rich it was 6.4 haha

444

00:17:26,319 --> 00:17:23,059

alright uh I got a little bounce back

445

00:17:29,590 --> 00:17:26,329

going on I can't shirt off my outbound

446

00:17:31,360 --> 00:17:29,600

yeah something going on um let's get

447

00:17:34,630 --> 00:17:31,370

into some other stuff I'll be done with

448

00:17:36,190 --> 00:17:34,640

the video games yeah I guess though I

449

00:17:37,570 --> 00:17:36,200

haven't mean we're playing Mountain

450

00:17:42,430 --> 00:17:37,580

blade i'm down to play those weekend

451

00:17:44,740 --> 00:17:42,440

mountain blade we're sending help

452

00:17:46,270 --> 00:17:44,750

immediately mrs. Fletcher not sure Joe
