1
00:00:15,560 --> 00:00:08,360
I'm all scared anyways we'll do a few

2
00:00:19,400 --> 00:00:15,570
more headlines here como head speaking

3
00:00:22,750 --> 00:00:19,410
of aliens aliens in UFO warned abductee

4
00:00:25,939 --> 00:00:22,760
that asteroid will soon devastate earth

5
00:00:30,370 --> 00:00:25,949
earth earth they said that google earth

6
00:00:34,819 --> 00:00:30,380
or google our feelings i visited earth

7
00:00:36,410 --> 00:00:34,829
in the in a black flying saucer atlas

8
00:00:39,619 --> 00:00:36,420
lee abducted a man from puerto rico in

9
00:00:41,180 --> 00:00:39,629
1988 and revealed to him that much of

10
00:00:45,110 --> 00:00:41,190
the world would be wiped out in the

11
00:00:47,540 --> 00:00:45,120
catastrophic asteroid impact in the

12
00:00:50,510 --> 00:00:47,550
post-apocalyptic error the new world

13
00:00:54,049 --> 00:00:50,520

order government of the Antichrist will

14

00:00:57,410 --> 00:00:54,059

be inaugurated the ignominy was was that

15

00:00:59,930 --> 00:00:57,420

when's the new world order Antichrist

16

00:01:02,420 --> 00:00:59,940

government and I like putting the power

17

00:01:05,929 --> 00:01:02,430

we might get to that the abductee was

18

00:01:08,480 --> 00:01:05,939

able to snap a photograph of the UFO man

19

00:01:11,960 --> 00:01:08,490

by aliens that abducted him the

20

00:01:14,539 --> 00:01:11,970

photograph shows that the shows a USAF

21

00:01:17,840 --> 00:01:14,549

you know States Air Force jet trailing

22

00:01:19,880 --> 00:01:17,850

the UFO according to UFO researchers the

23

00:01:22,969 --> 00:01:19,890

photograph peruse that you if government

24

00:01:24,530 --> 00:01:22,979

was aware at the time that the earth was

25

00:01:27,289 --> 00:01:24,540

being visited by aliens from a distant

26

00:01:33,039 --> 00:01:27,299

planet duh the aliens revealed to the

27

00:01:35,630 --> 00:01:33,049

man named mr a rivera toro that an

28

00:01:39,469 --> 00:01:35,640

asteroid impact event would devastate

29

00:01:41,990 --> 00:01:39,479

the earth and the post-apocalyptic earth

30

00:01:44,630 --> 00:01:42,000

would be run by alien invaders whose

31

00:01:47,090 --> 00:01:44,640

one-world government will be

32

00:01:51,280 --> 00:01:47,100

headquartered on an artificial island in

33

00:01:55,039 --> 00:01:51,290

the middle of the dark dirty black see

34

00:01:57,980 --> 00:01:55,049

what dirty black dirty black see this

35

00:02:00,350 --> 00:01:57,990

video shows see is it on the island made

36

00:02:02,389 --> 00:02:00,360

of plastic I don't know it's in the

37

00:02:08,210 --> 00:02:02,399

Pacific Ocean this video show below

38

00:02:11,360 --> 00:02:08,220

shows a 1991 interview by Rivera um this

39

00:02:12,979 --> 00:02:11,370

goes on and on very interesting because

40

00:02:13,760 --> 00:02:12,989

I you want to say I encountered two

41

00:02:16,070 --> 00:02:13,770

small beans

42

00:02:17,150 --> 00:02:16,080

they didn't think that they I didn't

43

00:02:19,880 --> 00:02:17,160

think that they were men from outer

44

00:02:22,700 --> 00:02:19,890

space when he regained consciousness he

45

00:02:24,170 --> 00:02:22,710

thought himself still inside his old car

46

00:02:25,670 --> 00:02:24,180

where he had been ducked from in the

47

00:02:27,860 --> 00:02:25,680

place that looked like an underground

48

00:02:30,830 --> 00:02:27,870

parking lot with gray metallic looking

49

00:02:32,690 --> 00:02:30,840

walls had no doors or windows it looked

50

00:02:35,240 --> 00:02:32,700

he looked around for a negative sign but

51
00:02:39,500 --> 00:02:35,250
found none this is his account of being

52
00:02:43,670 --> 00:02:39,510
abducted hey see there's only sign of

53
00:02:44,930 --> 00:02:43,680
triangle and square bear bizarre i love

54
00:02:47,780 --> 00:02:44,940
these abduction stories because it goes

55
00:02:49,670 --> 00:02:47,790
into what they leave the story we read

56
00:02:51,550 --> 00:02:49,680
from the UFO Brahma I'm the guy getting

57
00:02:54,260 --> 00:02:51,560
abducted and being taken to Venus

58
00:02:56,240 --> 00:02:54,270
descriptions it's way better I've had

59
00:02:58,370 --> 00:02:56,250
time to rub to pre-read this to find all

60
00:03:01,940 --> 00:02:58,380
the good the good points let's give it

61
00:03:05,990 --> 00:03:01,950
let's just do it I'm moving on some

62
00:03:07,970 --> 00:03:06,000
other head lunch no raw dog not wrong I

63
00:03:09,950 --> 00:03:07,980

don't feel comfy I'm just casually

64

00:03:12,400 --> 00:03:09,960

looking through it I don't that sounds

65

00:03:17,480 --> 00:03:12,410

pretty interesting I think it's BS but

66

00:03:19,520 --> 00:03:17,490

okay well I'll say this okay I'll read

67

00:03:22,070 --> 00:03:19,530

this I'll read this portion of the UFO

68

00:03:24,740 --> 00:03:22,080

story that I've just talked about so

69

00:03:27,470 --> 00:03:24,750

after he gets abducted moments later a

70

00:03:30,110 --> 00:03:27,480

man in black entered the room there's a

71

00:03:31,699 --> 00:03:30,120

company by this is dick it was I don't

72

00:03:34,100 --> 00:03:31,709

know he didn't he didn't even look at

73

00:03:36,440 --> 00:03:34,110

the crotch area here's a company by two

74

00:03:38,150 --> 00:03:36,450

small creatures that abducted him the

75

00:03:40,520 --> 00:03:38,160

small creature stood like bodyguards

76

00:03:42,560 --> 00:03:40,530

went to left and the other to the right

77

00:03:46,400 --> 00:03:42,570

of the man dressed in a black shirt

78

00:03:48,290 --> 00:03:46,410

pants and shoes ok mm-hmm he the man a

79

00:03:50,090 --> 00:03:48,300

black claimed to be from a distant

80

00:03:53,300 --> 00:03:50,100

planet Rivera said he was dressed in

81

00:03:57,470 --> 00:03:53,310

black he had dark skin but he was not a

82

00:04:00,710 --> 00:03:57,480

negro oh my god come on well he cleared

83

00:04:02,150 --> 00:04:00,720

that up at least yeah he had a long he

84

00:04:05,090 --> 00:04:02,160

had long black hair down to his

85

00:04:07,430 --> 00:04:05,100

shoulders and he spoke he spoke to us

86

00:04:10,610 --> 00:04:07,440

with his mouth nope no telepathic

87

00:04:13,610 --> 00:04:10,620

speaking the dark-skinned man about five

88

00:04:16,190 --> 00:04:13,620

feet tall 7 inches address the group of

89

00:04:18,199 --> 00:04:16,200

frightened of the abductees and flawless

90

00:04:19,789 --> 00:04:18,209

Spanish revealing that although he

91

00:04:21,800 --> 00:04:19,799

looked human he was really an alien

92

00:04:25,280 --> 00:04:21,810

being from a distant planet in an alien

93

00:04:27,320 --> 00:04:25,290

star system the beam then proceeded to

94

00:04:29,270 --> 00:04:27,330

show us show us of the

95

00:04:32,480 --> 00:04:29,280

these a series of realistic holographic

96

00:04:35,480 --> 00:04:32,490

projection projections the first

97

00:04:37,189 --> 00:04:35,490

projection took them to took them on a

98

00:04:40,520 --> 00:04:37,199

space journey to the alien's home planet

99

00:04:43,010 --> 00:04:40,530

where they saw aliens in people of their

100

00:04:44,179 --> 00:04:43,020

home and where they live second

101
00:04:47,390 --> 00:04:44,189
projection showed a catastrophic

102
00:04:49,129 --> 00:04:47,400
apocalyptic event that would happen in

103
00:04:52,520 --> 00:04:49,139
the near future he showed a massive

104
00:04:54,379 --> 00:04:52,530
asteroid hurling towards the Heartland

105
00:04:58,670 --> 00:04:54,389
through space and impacting on earth

106
00:05:01,249 --> 00:04:58,680
near the Caribbean Sea um the impact

107
00:05:03,290 --> 00:05:01,259
devastated large large swathes of the

108
00:05:04,820 --> 00:05:03,300
earth how did you guys know that the ely

109
00:05:06,439 --> 00:05:04,830
wasn't showing them projections of what

110
00:05:09,110 --> 00:05:06,449
happened on their home planet not what

111
00:05:12,499 --> 00:05:09,120
was the future earth or another

112
00:05:14,779 --> 00:05:12,509
dimension yeah I don't get it different

113
00:05:16,670 --> 00:05:14,789

timeline the third projection revealed

114

00:05:19,519 --> 00:05:16,680

the emergence of the one world

115

00:05:21,019 --> 00:05:19,529

government the new world order after the

116

00:05:22,969 --> 00:05:21,029

asteroids impact the one world

117

00:05:25,580 --> 00:05:22,979

government was led by Hillary Clinton

118

00:05:29,029 --> 00:05:25,590

well we'll be run by the anti-graft an

119

00:05:31,279 --> 00:05:29,039

antichrist alien and headquarters uh

120

00:05:34,939 --> 00:05:31,289

would be on an artificial island to

121

00:05:36,830 --> 00:05:34,949

island by the dirty black sea Rivera

122

00:05:41,839 --> 00:05:36,840

sets oh there go the most interesting

123

00:05:43,999 --> 00:05:41,849

stuff yeah sounds kind of into

124

00:05:46,360 --> 00:05:44,009

me not a lot of like descriptions of the

125

00:05:53,510 --> 00:05:46,370

aliens of the bodyguards are not enough

126
00:05:55,219 --> 00:05:53,520
to say yes you were abducted okay here's

127
00:05:57,200 --> 00:05:55,229
a headline here Charlotte Charlotte

128
00:05:59,300 --> 00:05:57,210
officials to rioters anyone caught

129
00:06:02,869 --> 00:05:59,310
looting while their welfare revoked is

130
00:06:04,670 --> 00:06:02,879
that true can they do that what if you

131
00:06:07,879 --> 00:06:04,680
have no welfare and you're just like I

132
00:06:11,839 --> 00:06:07,889
want to lose them I would go down I'd be

133
00:06:13,850 --> 00:06:11,849
like I'm luton headline here Syrian

134
00:06:17,119 --> 00:06:13,860
politician World War 3 has begun and

135
00:06:21,610 --> 00:06:17,129
it's being fought in Syria okay okay all

136
00:06:26,089 --> 00:06:21,620
right news flash i'm with you were there

137
00:06:28,579 --> 00:06:26,099
um twitter group suspends woman's rights

138
00:06:32,089 --> 00:06:28,589

group after criticizing saudi arabia

139

00:06:34,879 --> 00:06:32,099

okay well the one Saudi prince but i

140

00:06:37,100 --> 00:06:34,889

think a five percent sure twitter so

141

00:06:38,970 --> 00:06:37,110

that makes sense that is true who cares

142

00:06:43,710 --> 00:06:38,980

the Internet's dead

143

00:06:47,010 --> 00:06:43,720

guys the government is involved

144

00:06:50,370 --> 00:06:47,020

in the freedom in full of information

145

00:06:52,590 --> 00:06:50,380

the internet is dead why do you think is

146

00:06:55,980 --> 00:06:52,600

dead we should be start we should just

147

00:06:57,690 --> 00:06:55,990

start publishing scenes right now why

148

00:07:01,350 --> 00:06:57,700

are we even doing this podcast I don't

149

00:07:03,330 --> 00:07:01,360

know what is all this stuff is all this

150

00:07:06,150 --> 00:07:03,340

152
00:07:15,480 --> 00:07:09,760
that one real quick yeah we can end with

153
00:07:18,600 --> 00:07:15,490
that one early in 2005 in April 333 m 3

154
00:07:20,220 --> 00:07:18,610

156
00:07:25,470 --> 00:07:22,660
slapped it away that's foot from MUFON

157
00:07:29,400 --> 00:07:25,480
said no that's all description that

158
00:07:31,290 --> 00:07:29,410
accompanied the sketch apparently we've

159
00:07:32,880 --> 00:07:31,300
made number of reports to move funny you

160
00:07:35,370 --> 00:07:32,890
go around similar sightings and have

161
00:07:37,800 --> 00:07:35,380
seen same UFO in different parts of the

162
00:07:41,370 --> 00:07:37,810
sky Friday taking number of photos my

163
00:07:42,990 --> 00:07:41,380

iphone the round UFO again I keep inside

164

165

00:07:47,430 --> 00:07:45,190

glowing human shape sitting around on

166

00:07:51,600 --> 00:07:47,440

the ground in the bottom left of two of

167

00:07:53,640 --> 00:07:51,610

170

00:08:04,560 --> 00:07:59,530

insectoids are like pretty indifferent

171

00:08:06,270 --> 00:08:04,570

to us as humans guys clowns reportedly

172

00:08:09,060 --> 00:08:06,280

178

00:08:21,240 --> 00:08:19,630

want to know is the threat is that a

179

00:08:27,840 --> 00:08:21,250

180

00:08:29,400 --> 00:08:27,850

no puffs being the little boy Rena ran

181

00:08:31,830 --> 00:08:29,410

00:08:39,780 --> 00:08:35,200

something in the woods solace it's just

184

00:08:42,360 --> 00:08:39,790

horrible said a twelve-year-old Breanna
