

Alien False Flag

AUSTRALIAN SKIES • PODESTA • ABDUCCION

1
00:00:10,009 --> 00:00:08,120
what was this in the chat today that

2
00:00:12,110 --> 00:00:10,019
came up where they were talking about if

3
00:00:13,850 --> 00:00:12,120
it comes up in your dream that it's

4
00:00:15,890 --> 00:00:13,860
possible that may have happened as far

5
00:00:19,939 --> 00:00:15,900
as alien abductions what is what is this

6
00:00:23,870 --> 00:00:19,949
about I've never heard this one so this

7
00:00:26,660 --> 00:00:23,880
kind of goes to that your memories

8
00:00:29,720 --> 00:00:26,670
process real life events so if you have

9
00:00:32,780 --> 00:00:29,730
a dream about aliens you might be

10
00:00:35,150 --> 00:00:32,790
processing real life events I'll

11
00:00:38,410 --> 00:00:35,160
parallel this to a documentary I

12
00:00:44,270 --> 00:00:38,420
recently saw called Australian skies

13
00:00:48,080 --> 00:00:44,280

Australians guys is about a guy who has

14

00:00:51,439 --> 00:00:48,090

photographed and witnessed up well over

15

00:00:53,840 --> 00:00:51,449

300 UFOs up and above his his house and

16

00:00:54,889 --> 00:00:53,850

wherever he goes so this film crew goes

17

00:00:58,340 --> 00:00:54,899

down there and interview this guy this

18

00:01:00,770 --> 00:00:58,350

guy has dreams about UFOs he has he has

19

00:01:02,660 --> 00:01:00,780

a feeling when UFOs are around him

20

00:01:04,070 --> 00:01:02,670

sometimes he's in a group of people he

21

00:01:06,740 --> 00:01:04,080

will see a UFO and take a picture of it

22

00:01:09,950 --> 00:01:06,750

and other people in the same group will

23

00:01:11,810 --> 00:01:09,960

not see this same UFO that he just

24

00:01:13,460 --> 00:01:11,820

captured on film and so he gets called

25

00:01:15,109 --> 00:01:13,470

out for it he seems that he just seems

26

00:01:16,850 --> 00:01:15,119

like a regular guy he doesn't want to be

27

00:01:18,820 --> 00:01:16,860

bothered with us but where to drink

28

00:01:21,679 --> 00:01:18,830

water dreams comp with it that's a

29

00:01:24,050 --> 00:01:21,689

dreams and UFOs is what it seems to be

30

00:01:27,560 --> 00:01:24,060

carried out throughout the the myth and

31

00:01:30,319 --> 00:01:27,570

lore of UFOs if you dream about UFOs you

32

00:01:34,270 --> 00:01:30,329

might be open to it or be opening

33

00:01:36,859 --> 00:01:34,280

yourself up to the UFOs and you might be

34

00:01:39,080 --> 00:01:36,869

dissin hypnotism hypnotic regression

35

00:01:41,300 --> 00:01:39,090

figure out if that's an actual dream or

36

00:01:45,230 --> 00:01:41,310

if it's your mind processing what

37

00:01:47,450 --> 00:01:45,240

happened in reality um because you know

38

00:01:49,520 --> 00:01:47,460

with every UFO missing time like a you

39

00:01:52,010 --> 00:01:49,530

hear about people they are abducted for

40

00:01:53,270 --> 00:01:52,020

five days that came back and during that

41

00:01:55,190 --> 00:01:53,280

five days they were they were going to

42

00:01:58,399 --> 00:01:55,200

have no memory because the aliens wiped

43

00:02:01,639 --> 00:01:58,409

out their memory but according to some

44

00:02:03,770 --> 00:02:01,649

theories your can't be completely wiped

45

00:02:06,289 --> 00:02:03,780

out of your memory so your your brain

46

00:02:07,969 --> 00:02:06,299

will put those memories into your dreams

47

00:02:10,070 --> 00:02:07,979

and that's where it gets processed hence

48

00:02:12,150 --> 00:02:10,080

you dream about UFOs maybe there's

49

00:02:14,550 --> 00:02:12,160

something more going on

50

00:02:16,980 --> 00:02:14,560

but in the case but in the case of this

51
00:02:20,340 --> 00:02:16,990
guy in the documentary on netflix called

52
00:02:24,210 --> 00:02:20,350
australian skies this guy is very

53
00:02:26,790 --> 00:02:24,220
interesting and this documentary it kind

54
00:02:30,660 --> 00:02:26,800
of started off about UFOs and then it

55
00:02:32,730 --> 00:02:30,670
goes into various other aspects of UFO

56
00:02:36,150 --> 00:02:32,740
phenomenon like men and black it goes

57
00:02:39,150 --> 00:02:36,160
into whether or not these are just

58
00:02:42,360 --> 00:02:39,160
natural these UFOs are just natural

59
00:02:43,590 --> 00:02:42,370
aerial phenomena like plasma balls that

60
00:02:45,540 --> 00:02:43,600
have been around earth for a very long

61
00:02:49,550 --> 00:02:45,550
time we just don't have a scientific way

62
00:02:52,230 --> 00:02:49,560
to explain them or if they're not

63
00:02:56,040 --> 00:02:52,240

technological advanced extraterrestrials

64

00:02:58,770 --> 00:02:56,050

but perhaps a type of energy being that

65

00:03:01,380 --> 00:02:58,780

we just don't acknowledge like you know

66

00:03:02,910 --> 00:03:01,390

how there's deep sea creatures we really

67

00:03:05,010 --> 00:03:02,920

haven't found or they're like some weird

68

00:03:07,860 --> 00:03:05,020

bizarre creature well these might be

69

00:03:09,870 --> 00:03:07,870

some high altitude energy creatures that

70

00:03:11,430 --> 00:03:09,880

might live up there whatever reason

71

00:03:13,640 --> 00:03:11,440

they're attracted this dude and this guy

72

00:03:16,080 --> 00:03:13,650

takes a lot of photographs of them

73

00:03:18,180 --> 00:03:16,090

interesting and so this documentary goat

74

00:03:20,730 --> 00:03:18,190

travels around Australia with this guy

75

00:03:23,940 --> 00:03:20,740

they manage to go out the hiking

76
00:03:27,330 --> 00:03:23,950
somewhere and they do capture some balls

77
00:03:30,990 --> 00:03:27,340
of light on on video and film they do

78
00:03:32,640 --> 00:03:31,000
comparisons with like what a drone looks

79
00:03:34,470 --> 00:03:32,650
like at a distance they got like drone

80
00:03:37,350 --> 00:03:34,480
copters and like kind of like this this

81
00:03:40,110 --> 00:03:37,360
looked like a like a UFO just look like

82
00:03:42,120 --> 00:03:40,120
can people be fooled by this they do

83
00:03:43,380 --> 00:03:42,130
those comparisons and they find like

84
00:03:46,199 --> 00:03:43,390
another person in Australia who has a

85
00:03:47,910 --> 00:03:46,209
very similar experience he feels as he

86
00:03:51,440 --> 00:03:47,920
has these feelings work you should go

87
00:03:53,820 --> 00:03:51,450
outside and he's able to capture the

88
00:03:56,010 --> 00:03:53,830

UFOs in the sky they could disappear and

89

00:03:58,340 --> 00:03:56,020

they sure enough almost like half a time

90

00:04:01,229 --> 00:03:58,350

like a helicopter will come by and

91

00:04:02,880 --> 00:04:01,239

sometimes there's reports of these

92

00:04:05,310 --> 00:04:02,890

helicopters flying over or these

93

00:04:08,460 --> 00:04:05,320

people's houses they and then there's

94

00:04:11,340 --> 00:04:08,470

these men and black aspect that these

95

00:04:13,680 --> 00:04:11,350

people get these UFO experiences are

96

00:04:15,000 --> 00:04:13,690

pros by people who claim to be in the

97

00:04:17,430 --> 00:04:15,010

government don't talk about this don't

98

00:04:19,320 --> 00:04:17,440

give talk to the UFO conference is shut

99

00:04:22,350 --> 00:04:19,330

up about this [h__\h] and everything will

100

00:04:24,900 --> 00:04:22,360

be fine there appears to be an element

101
00:04:25,590 --> 00:04:24,910
harassment and meanwhile the guy the

102
00:04:32,610 --> 00:04:25,600
subject

103
00:04:34,950 --> 00:04:32,620
strung skies appears to just not want to

104
00:04:37,260 --> 00:04:34,960
deal with it too much he he's a really

105
00:04:41,340 --> 00:04:37,270
good actor and he's making all this [h__\h]

106
00:04:43,770 --> 00:04:41,350
up or he's just a guy who's reluctantly

107
00:04:45,630 --> 00:04:43,780
going along with it in his experiencing

108
00:04:47,790 --> 00:04:45,640
stuff that happens to buy better and

109
00:04:49,920 --> 00:04:47,800
better equipment to capture stuff and

110
00:04:53,190 --> 00:04:49,930
it's just trying to tell people what

111
00:04:55,620 --> 00:04:53,200
he's experiencing and it's bizarre I

112
00:04:58,290 --> 00:04:55,630
don't know which way I go with it but it

113
00:05:00,030 --> 00:04:58,300

does go into a little bit of Bigfoot

114

00:05:02,460 --> 00:05:00,040

sightings it goes into a little bit of

115

00:05:06,450 --> 00:05:02,470

Australian Yahweh kind of weird stuff

116

00:05:08,490 --> 00:05:06,460

and um I don't know I like it because it

117

00:05:11,610 --> 00:05:08,500

was from Australia a continent we really

118

00:05:12,870 --> 00:05:11,620

don't hear much from when it comes get a

119

00:05:14,460 --> 00:05:12,880

lot of the news we talked about his

120

00:05:16,200 --> 00:05:14,470

us-centric so when it came to like an

121

00:05:18,000 --> 00:05:16,210

Australian UFO documentary I was all on

122

00:05:20,990 --> 00:05:18,010

board there in perspective different

123

00:05:24,720 --> 00:05:21,000

different kind of people so absolutely

124

00:05:26,340 --> 00:05:24,730

it it was a captivating it could be done

125

00:05:28,140 --> 00:05:26,350

a little better but I think the

126

00:05:32,070 --> 00:05:28,150

information is there I don't think it's

127

00:05:35,790 --> 00:05:32,080

gonna sway you anyone either way because

128

00:05:37,500 --> 00:05:35,800

there's no hardcore footage I'm not

129

00:05:39,120 --> 00:05:37,510

gonna be swayed until I got a probe up

130

00:05:41,700 --> 00:05:39,130

my ass and there's an alien on the other

131

00:05:43,200 --> 00:05:41,710

end of it I know and that's the thing

132

00:05:44,480 --> 00:05:43,210

we're seeing balls of light that's all

133

00:05:47,700 --> 00:05:44,490

we're seeing her we're not seeing

134

00:05:50,040 --> 00:05:47,710

advanced technology bleep bloop come on

135

00:05:54,330 --> 00:05:50,050

I've got my legs spread I'm waiting for

136

00:06:00,810 --> 00:05:54,340

you be my intergalactic fire burner do

137

00:06:03,630 --> 00:06:00,820

it they're not mr. hands that's one of

138

00:06:07,440 --> 00:06:03,640

the things that we don't have in a lot

139

00:06:09,720 --> 00:06:07,450

of these UFO cases is we don't have

140

00:06:12,600 --> 00:06:09,730

definitive proof like that I have yet to

141

00:06:15,780 --> 00:06:12,610

see a clear-cut photo we step it's over

142

00:06:17,970 --> 00:06:15,790

and over again and that's okay dong we

143

00:06:21,390 --> 00:06:17,980

have emails we have stories we have

144

00:06:23,070 --> 00:06:21,400

reports and that is about it sometimes

145

00:06:25,320 --> 00:06:23,080

testimonies enough sometimes test

146

00:06:28,470 --> 00:06:25,330

eyewitness testimony is enough to kill

147

00:06:30,720 --> 00:06:28,480

somebody but it's not enough to convince

148

00:06:32,540 --> 00:06:30,730

somebody that there are aliens visiting

149

00:06:35,000 --> 00:06:32,550

the earth

150

00:06:37,190 --> 00:06:35,010

bizarre JFK thing is you got a lot of

151
00:06:38,690 --> 00:06:37,200
eyewitnesses but you know nobody's there

152
00:06:40,220 --> 00:06:38,700
how do you prove any of that [\h__\h] it's

153
00:06:42,200 --> 00:06:40,230
just crazy you get five people together

154
00:06:44,330 --> 00:06:42,210
and you blame one guy so you have that

155
00:06:47,180 --> 00:06:44,340
guy he raped and killed kids that is

156
00:06:49,280 --> 00:06:47,190
enough probably if you have your body to

157
00:06:52,670 --> 00:06:49,290
convict somebody and have them sent to

158
00:06:56,180 --> 00:06:52,680
the gas chamber but if I people together

159
00:06:58,310 --> 00:06:56,190
say they yeah we saw what appears to be

160
00:07:02,600 --> 00:06:58,320
aerial phenomenon and we are abducted

161
00:07:05,450 --> 00:07:02,610
and we have five hours we don't remember

162
00:07:08,260 --> 00:07:05,460
people think you're crazy if you listen

163
00:07:10,700 --> 00:07:08,270

a group of people that has happened um

164

00:07:13,100 --> 00:07:10,710

you don't believe that this is said it

165

00:07:14,870 --> 00:07:13,110

is so far out there good prank for the

166

00:07:17,150 --> 00:07:14,880

show is to just get a bunch of the

167

00:07:19,640 --> 00:07:17,160

listeners together and we all accused

168

00:07:26,570 --> 00:07:19,650

the same person of rape and just see

169

00:07:42,900 --> 00:07:29,909

it's a Fonzie with the the honk you're

170

00:07:54,260 --> 00:07:42,910

in danger hawk god I'm being abducted by

171

00:07:54,270 --> 00:08:06,890

need help I'm in danger no it's this

172

00:08:14,070 --> 00:08:11,700

okay thanks yeah I think I did my you I

173

00:08:16,320 --> 00:08:14,080

haven't like a whole I went into that I

174

00:08:18,089 --> 00:08:16,330

have a whole nother UFO segment but we

175

00:08:19,830 --> 00:08:18,099

want to do that right now now you gotta

176

00:08:22,080 --> 00:08:19,840

do it now you might have with this is

177

00:08:24,960 --> 00:08:22,090

all over the map now it's just as I so I

178

00:08:28,200 --> 00:08:24,970

it's everywhere its just oh thing all

179

00:08:34,600 --> 00:08:28,210

right I'll go into some more UFO stuff

180

00:08:40,630 --> 00:08:37,120

no these are clean uh I changed my

181

00:08:41,829 --> 00:08:40,640

clothes every day will you say joe said

182

00:08:43,750 --> 00:08:41,839

that wasn't sure that was your lead-in

183

00:08:45,790 --> 00:08:43,760

that was your that was a gateway I did

184

00:08:47,740 --> 00:08:45,800

my Hilary p that was my only thing that

185

00:08:49,600 --> 00:08:47,750

was my only article is that uh you know

186

00:08:51,970 --> 00:08:49,610

the Podesta group thing is just it's

187

00:08:54,220 --> 00:08:51,980

just bonkers with this guy that's

188

00:08:56,620 --> 00:08:54,230

Hillary's top advisor he has an email

189

00:08:58,389 --> 00:08:56,630

from her from somebody else who's

190

00:08:59,380 --> 00:08:58,399

wearing it's like the only reason why I

191

00:09:00,759 --> 00:08:59,390

think she's going to win is because

192

00:09:02,650 --> 00:09:00,769

you're with her because sometimes her

193

00:09:04,630 --> 00:09:02,660

judgments pretty bad that was another

194

00:09:07,180 --> 00:09:04,640

one of the leaks talking to John Podesta

195

00:09:09,100 --> 00:09:07,190

and and and that was I mean that's the

196

00:09:12,280 --> 00:09:09,110

kind of stuff that tickles my interest

197

00:09:15,790 --> 00:09:12,290

right now and I'm Podesta is a big UFO

198

00:09:20,410 --> 00:09:15,800

guy John Podesta is a huge UFO guy and

199

00:09:23,740 --> 00:09:20,420

it's one of the reasons why I hope that

200

00:09:26,769 --> 00:09:23,750

he's in power he is so about UFO

201
00:09:29,650 --> 00:09:26,779
disclosure is on Borrás he's like me and

202
00:09:32,019 --> 00:09:29,660
I wish I'd meet him and um and maybe

203
00:09:34,690 --> 00:09:32,029
he's used in Hillary for his own means

204
00:09:36,430 --> 00:09:34,700
maybe he's using Hillary and being her

205
00:09:38,380 --> 00:09:36,440
campaign manager and said look I'll use

206
00:09:40,840 --> 00:09:38,390
her like everyone else's so I can get

207
00:09:43,060 --> 00:09:40,850
UFO disclosure out there I don't I can't

208
00:09:44,740 --> 00:09:43,070
verify any of the headlines that I'm

209
00:09:46,720 --> 00:09:44,750
reading but this is only what I find

210
00:09:49,449 --> 00:09:46,730
this headline is leaked document

211
00:09:54,100 --> 00:09:49,459
recommends false flag alien invasion to

212
00:09:58,980 --> 00:09:54,110
save Clinton's campaign yeah this is

213
00:10:04,000 --> 00:09:58,990

coming from EXO politics Exopolitics org

214

00:10:06,189 --> 00:10:04,010

hmm it's not dot angel fire no not nice

215

00:10:09,730 --> 00:10:06,199

not to use Nat Geo cities this is that

216

00:10:13,150 --> 00:10:09,740

org this is a big this big league o our

217

00:10:14,949 --> 00:10:13,160

document released by the Benson strategy

218

00:10:16,269 --> 00:10:14,959

group on behalf of the Clinton

219

00:10:17,860 --> 00:10:16,279

Foundation reveals that Hillary

220

00:10:20,380 --> 00:10:17,870

Clinton's presidential campaign is in

221

00:10:22,389 --> 00:10:20,390

dire straits due to mistrust over

222

00:10:26,170 --> 00:10:22,399

mainstream media coverage in polling

223

00:10:29,050 --> 00:10:26,180

doctor the document analyzes a number of

224

00:10:31,300 --> 00:10:29,060

salvaged scenarios and recommends one

225

00:10:33,670 --> 00:10:31,310

called fire sign which a false flag

226
00:10:35,889 --> 00:10:33,680
extraterrestrial invasion using advanced

227
00:10:39,850 --> 00:10:35,899
holographic technology will be

228
00:10:41,380 --> 00:10:39,860
implemented to save her campaign I have

229
00:10:44,889 --> 00:10:41,390
the other link here it goes over some

230
00:10:46,210 --> 00:10:44,899
other proposed scenarios the safer

231
00:10:49,870 --> 00:10:46,220
campaign one is red

232
00:10:52,450 --> 00:10:49,880
on support is a it goes in it has some

233
00:10:55,840 --> 00:10:52,460
notes and what it is so the operational

234
00:10:59,470 --> 00:10:55,850
snare is like Red Dawn cobalt rain bo

235
00:11:01,920 --> 00:10:59,480
riots Zeke apocalypse all that kind of

236
00:11:05,110 --> 00:11:01,930
stuff so i think that like

237
00:11:08,740 --> 00:11:05,120
misinformation is always carried in a

238
00:11:11,440 --> 00:11:08,750

basket of clothes two truths i have to

239

00:11:14,530 --> 00:11:11,450

agree with that is that with these

240

00:11:16,660 --> 00:11:14,540

wikileaks on one side or another the

241

00:11:18,790 --> 00:11:16,670

plate they're really playing off one

242

00:11:21,760 --> 00:11:18,800

side or another here with the wikileaks

243

00:11:24,220 --> 00:11:21,770

and which we don't even know if it's

244

00:11:26,680 --> 00:11:24,230

compromising this point probably is no

245

00:11:31,750 --> 00:11:26,690

seen hide or hair of julian assange

246

00:11:33,160 --> 00:11:31,760

wasn't 56 days 10 days i think um so we

247

00:11:36,880 --> 00:11:33,170

have to take everything with a grain of

248

00:11:38,650 --> 00:11:36,890

salt and be aware Snowden stuff came out

249

00:11:40,300 --> 00:11:38,660

they were all talking about well so we

250

00:11:42,340 --> 00:11:40,310

even talked about the show like Snowden

251
00:11:44,620 --> 00:11:42,350
confirms the existence of whatever a

252
00:11:46,390 --> 00:11:44,630
base on Mars or something we talked

253
00:11:50,050 --> 00:11:46,400
about you remember all that oh

254
00:11:52,780 --> 00:11:50,060
absolutely yeah yeah at the guy you they

255
00:11:55,930 --> 00:11:52,790
throw in like you said like enough [h__h]

256
00:11:57,400 --> 00:11:55,940
so it makes it seem all fake even though

257
00:11:59,590 --> 00:11:57,410
there's some truth in there and that's

258
00:12:01,330 --> 00:11:59,600
what this information works they throw

259
00:12:03,370 --> 00:12:01,340
in some truth bits were thrown some fake

260
00:12:06,190 --> 00:12:03,380
and since you pick up the fake it's all

261
00:12:07,930 --> 00:12:06,200
false well the Mirage men was probably

262
00:12:10,540 --> 00:12:07,940
one of the best movies for this because

263
00:12:13,210 --> 00:12:10,550

even if the Mirage men is fake you can

264

00:12:16,300 --> 00:12:13,220

kind of see how like oh god I don't even

265

00:12:18,850 --> 00:12:16,310

know what to believe now and I think

266

00:12:20,680 --> 00:12:18,860

that's the point of all these conspiracy

267

00:12:22,360 --> 00:12:20,690

theories is like you don't know what to

268

00:12:24,670 --> 00:12:22,370

believe I've often said that I don't

269

00:12:26,380 --> 00:12:24,680

know that believe it presents so much

270

00:12:28,780 --> 00:12:26,390

information you read you read so many

271

00:12:33,100 --> 00:12:28,790

conflict and reports with with what i

272

00:12:36,070 --> 00:12:33,110

read a couple of sigep isono the US

273

00:12:39,180 --> 00:12:36,080

secret space programs solar warden the

274

00:12:43,330 --> 00:12:39,190

intergalactic corporation conglomerate

275

00:12:47,200 --> 00:12:43,340

slaves how much is that true how much is

276

00:12:52,480 --> 00:12:47,210

fake me five percent true Oi who knows

277

00:12:54,820 --> 00:12:52,490

um I think I would do myself a

278

00:12:56,770 --> 00:12:54,830

disservice if I didn't talk about it and

279

00:12:59,560 --> 00:12:56,780

because it's one it's interesting

280

00:12:59,960 --> 00:12:59,570

subject matter and two I like the topic

281

00:13:02,540 --> 00:12:59,970

avail

282

00:13:06,379 --> 00:13:02,550

and I think it falls it falls right in

283

00:13:08,150 --> 00:13:06,389

line with it um you we've all seen have

284

00:13:11,749 --> 00:13:08,160

you seen a movie fire in the sky of

285

00:13:16,129 --> 00:13:11,759

course yeah it was a mainstay in the 90s

286

00:13:18,499 --> 00:13:16,139

I loved x-files I love XCOM yeah oh yes

287

00:13:20,840 --> 00:13:18,509

even the other than the new XCOM get I

288

00:13:22,819 --> 00:13:20,850

didn't play the sequel from the last one

289

00:13:24,679 --> 00:13:22,829

which is looks good I mean but I did

290

00:13:26,090 --> 00:13:24,689

play the other ex-con that was new and I

291

00:13:29,629 --> 00:13:26,100

thought it was excellent I had a great

292

00:13:31,429 --> 00:13:29,639

time with it I love aliens that people

293

00:13:34,970 --> 00:13:31,439

constantly indulge in fake [h__\h] that

294

00:13:38,119 --> 00:13:34,980

turns out to be true um science fiction

295

00:13:40,970 --> 00:13:38,129

works up science fiction one when it's

296

00:13:42,139 --> 00:13:40,980

original written is fake as [h__\h] but then

297

00:13:44,090 --> 00:13:42,149

sometimes it turns out to be true

298

00:13:47,480 --> 00:13:44,100

because that's the way that's the way it

299

00:13:49,639 --> 00:13:47,490

works when it comes with this UFO stuff

300

00:13:51,920 --> 00:13:49,649

it might work out this way I don't know

301
00:13:54,139 --> 00:13:51,930
I'd rather be prepared for multiple

302
00:13:57,319 --> 00:13:54,149
different scenarios then be blindsided

303
00:13:59,360 --> 00:13:57,329
and not consider any I'd rather consider

304
00:14:02,300 --> 00:13:59,370
as many as I can as many different

305
00:14:04,090 --> 00:14:02,310
scenarios as I can rather than may be

306
00:14:07,189 --> 00:14:04,100
blindsided we've often talked about

307
00:14:08,629 --> 00:14:07,199
Project Blue Beam and you know if there

308
00:14:10,579 --> 00:14:08,639
is an alien false like didn't

309
00:14:13,040 --> 00:14:10,589
Oppenheimer say didn't Oppenheimer's

310
00:14:16,189 --> 00:14:13,050
understudy say was that Jeff can you

311
00:14:17,780 --> 00:14:16,199
correct me if I'm wrong that we will do

312
00:14:20,119 --> 00:14:17,790
a space race then we'll fight terrorism

313
00:14:22,759 --> 00:14:20,129

and then the last one we will be at war

314

00:14:24,799 --> 00:14:22,769

with the aliens that was roads than

315

00:14:26,829 --> 00:14:24,809

brawn von Braun goes down brawn you're

316

00:14:32,240 --> 00:14:26,839

right von Braun Oppenheimer's understudy

317

00:14:34,429 --> 00:14:32,250

no understudy underling Wernher von

318

00:14:36,470 --> 00:14:34,439

Braun and it was an assistant to him who

319

00:14:40,189 --> 00:14:36,480

is this hearsay but it's still

320

00:14:44,360 --> 00:14:40,199

interesting yeah that's why I think with

321

00:14:46,519 --> 00:14:44,370

a grain of salt but I want it so bad i

322

00:14:48,590 --> 00:14:46,529

want the aliens just come down just like

323

00:14:50,329 --> 00:14:48,600

save us from these [h__h] but i could

324

00:14:52,850 --> 00:14:50,339

see the whole Star Trek thing coming in

325

00:14:54,259 --> 00:14:52,860

where it's like yeah but you guys gotta

326

00:14:57,980 --> 00:14:54,269

need it you're gonna need to save

327

00:14:59,929 --> 00:14:57,990

yourselves from yourselves before we

328

00:15:01,819 --> 00:14:59,939

save you from yourselves otherwise we

329

00:15:04,220 --> 00:15:01,829

don't know if we can trust you to be

330

00:15:06,350 --> 00:15:04,230

with us who have learned to master how

331

00:15:08,299 --> 00:15:06,360

to travel from one galaxy to another I

332

00:15:10,100 --> 00:15:08,309

could totally see that rationale that's

333

00:15:13,269 --> 00:15:10,110

like the adult who's you know or the

334

00:15:15,999 --> 00:15:13,279

teenager was like well if you can't stop

335

00:15:18,879 --> 00:15:16,009

crashing the car you know or killing

336

00:15:20,679 --> 00:15:18,889

your friends on the way to school we're

337

00:15:23,350 --> 00:15:20,689

not gonna let you drive around anymore

338

00:15:26,290 --> 00:15:23,360

like we have huge problems with huge

339

00:15:27,970 --> 00:15:26,300

problems it's disastrous here on earth

340

00:15:31,989 --> 00:15:27,980

well let's think about in this scenario

341

00:15:34,480 --> 00:15:31,999

let's pretend the aliens are people with

342

00:15:37,269 --> 00:15:34,490

really good jobs and us humans or

343

00:15:39,579 --> 00:15:37,279

homeless people on the street and we're

344

00:15:42,100 --> 00:15:39,589

asking them can we come work in your IT

345

00:15:45,819 --> 00:15:42,110

department we're asking so we're asking

346

00:15:50,860 --> 00:15:45,829

hey got any money got a funny thing

347

00:15:54,009 --> 00:15:50,870

gimme a sec yeah ayleid dick he'll do it

348

00:15:55,780 --> 00:15:54,019

talk to ya this rock give me space crack

349

00:15:57,400 --> 00:15:55,790

how often Joe when you walk down the

350

00:16:01,569 --> 00:15:57,410

street do you give something to the

351
00:16:04,829 --> 00:16:01,579
homeless uh yeah it really depends on

352
00:16:07,749 --> 00:16:04,839
the day and how I feel exactly exactly

353
00:16:09,340 --> 00:16:07,759
but I don't have I don't have a hardcore

354
00:16:11,439 --> 00:16:09,350
policy but if you're lying to me I

355
00:16:14,439 --> 00:16:11,449
definitely don't give you money let's

356
00:16:17,139 --> 00:16:14,449
say one of these alien businessmen

357
00:16:19,900 --> 00:16:17,149
happen to get really drunk and they fall

358
00:16:22,629 --> 00:16:19,910
down do you think as homeless humans

359
00:16:26,499 --> 00:16:22,639
would get back their wallet or do you

360
00:16:28,389 --> 00:16:26,509
think we'd take it ah good point we

361
00:16:30,429 --> 00:16:28,399
probably take it like oh my god I've got

362
00:16:32,530 --> 00:16:30,439
an alien wallet was a gift some money

363
00:16:34,629 --> 00:16:32,540

exact I think that's what would happen I

364

00:16:37,960 --> 00:16:34,639

think this is how I view us as stupid

365

00:16:39,790 --> 00:16:37,970

homeless people and we just can't get

366

00:16:43,389 --> 00:16:39,800

our [h__\h] together we're psychic or

367

00:16:45,850 --> 00:16:43,399

psycho we have mental diseases immature

368

00:16:49,150 --> 00:16:45,860

immature constantly fighting over rotgut

369

00:16:51,939 --> 00:16:49,160

and weird rhett like retin like alcohol

370

00:16:54,309 --> 00:16:51,949

and stupid [h__\h] all the time we poop

371

00:16:57,160 --> 00:16:54,319

behind dumpsters yeah show little kids

372

00:16:58,780 --> 00:16:57,170

are carrots absolutely I'll let's do is

373

00:17:00,639 --> 00:16:58,790

point out the worst aspects of humanity

374

00:17:03,850 --> 00:17:00,649

is like look there's people over here

375

00:17:06,340 --> 00:17:03,860

piston dumpsters people this is a trash

376

00:17:08,710 --> 00:17:06,350

fire of a planet their stock market is

377

00:17:10,809 --> 00:17:08,720

completely crazy what do you mean what

378

00:17:12,909 --> 00:17:10,819

are the what does this stuff mean yeah

379

00:17:18,340 --> 00:17:12,919

what is all this what is all this stuff

380

00:17:20,620 --> 00:17:18,350

what is all this stuff yeah they don't

381

00:17:23,319 --> 00:17:20,630

hey how the aliens while you involved

382

00:17:25,529 --> 00:17:23,329

with us at all oh no we're too stupid I

383

00:17:29,249 --> 00:17:25,539

think that they probably originally did

384

00:17:31,320 --> 00:17:29,259

it probably was some secret agreement me

385

00:17:33,060 --> 00:17:31,330

back in the 50s and then I realized holy

386

00:17:36,899 --> 00:17:33,070

[h__\h] we just talked to a bunch of

387

00:17:40,590 --> 00:17:36,909

homeless guys it's like when you wake up

388

00:17:42,930 --> 00:17:40,600

after sleeping with some fog Oh drunk or

389

00:17:45,690 --> 00:17:42,940

you know whatever it's what happened you

390

00:17:47,190 --> 00:17:45,700

know a few years ago not again I talked

391

00:17:49,919 --> 00:17:47,200

about taking a homeless guy hung with me

392

00:17:53,609 --> 00:17:49,929

because I felt sorry for him and then I

393

00:17:55,229 --> 00:17:53,619

took home Duane yeah this homeless guy

394

00:17:57,509 --> 00:17:55,239

I'm out on the street and I was like I

395

00:17:59,700 --> 00:17:57,519

was like holy [h__h] i invited a homeless

396

00:18:01,950 --> 00:17:59,710

guy in my house this is this has got to

397

00:18:03,509 --> 00:18:01,960

end you thought you were being nice I

398

00:18:08,989 --> 00:18:03,519

thought I was being nice I thought I was

399

00:18:13,019 --> 00:18:08,999

entering into a respectful agreement and

400

00:18:14,549 --> 00:18:13,029

it wasn't the with any agreement you

401

00:18:16,589 --> 00:18:14,559

think is respectful i think one party

402

00:18:18,509 --> 00:18:16,599

always tries to take advantage of the

403

00:18:20,339 --> 00:18:18,519

other because if it's not on equal

404

00:18:22,200 --> 00:18:20,349

footing and certainly agreement between

405

00:18:26,219 --> 00:18:22,210

aliens and humans is never going to be

406

00:18:27,599 --> 00:18:26,229

on equal footing and I think the one

407

00:18:29,940 --> 00:18:27,609

party is always going to try and take

408

00:18:31,879 --> 00:18:29,950

advantage of the other what happens I

409

00:18:35,099 --> 00:18:31,889

don't know what kind of international

410

00:18:38,369 --> 00:18:35,109

intergalactic arbitration agreements can

411

00:18:42,149 --> 00:18:38,379

be queen lobby to if the deals Boston

412

00:18:45,089 --> 00:18:42,159

what do you do I don't go to war is

413

00:18:47,190 --> 00:18:45,099

there Judge Judy on Mars I don't know I

414

00:18:56,700 --> 00:18:47,200

hope so I don't know what you're talking

415

00:18:58,289 --> 00:18:56,710

about exactly we're gonna go on to some

416

00:19:01,349 --> 00:18:58,299

other news i'm done talking about aliens

417

00:19:03,239 --> 00:19:01,359

for a while about that as long as we

418

00:19:05,129 --> 00:19:03,249

could just build a wall and keep them

419

00:19:07,349 --> 00:19:05,139

out of our country I'm hot I'm fine with
