68

00:09:10,830 --> 00:08:55,850

00:09:36,549 --> 00:09:16,500

I'm run big you guys are singing well

70

00:09:45,559 --> 00:09:41,029

he got snipers overlooking he we

71

00:09:49,309 --> 00:09:45,569

captured it they got snipers and they're

72

00:09:57,500 --> 00:09:49,319

ringing down houses and they really want

73

00:09:57,510 --> 00:10:06,889

I'm mapping into playing with day

74

00:10:14,110 --> 00:10:09,559

get the right idea but I'm the [h\_\_\h] out

75

00:10:20,260 --> 00:10:18,640

in between E and F on the hill we bomb

76

00:10:24,319 --> 00:10:20,270

that hill we'll probably get a few

77

00:10:24,329 --> 00:10:29,019

yeah there's three of them right there

78

00:10:29,029 --> 00:10:37,689

yeah

79

00:10:37,699 --> 00:10:42,269

got some punch

80

00:10:42,279 --> 00:11:04,220

[h\_\_\h]

81

00:11:04,230 --> 00:11:19,430

I think you look like you taste it

82

00:11:26,150 --> 00:11:21,830

we may have aircraft coming in behind

83

00:11:28,040 --> 00:11:26,160

his big daddy I have to keep repairing

84

00:11:32,360 --> 00:11:28,050

yeah I know I just want something good I

85

00:11:44,530 --> 00:11:32,370

know it's not your fault I feel like I'm

86

00:11:50,500 --> 00:11:46,390

[h\_\_\h]

88

00:12:01,810 --> 00:11:56,030

little bit the hell is it coming from we

89

00:12:07,300 --> 00:12:04,120

trying to get his ass over is out so

90

00:12:16,860 --> 00:12:07,310

yeah we got a guy right behind his much

91

00:12:16,870 --> 00:12:24,670

he should repair to the [h\_\_h] man

92

00:12:24,680 --> 00:12:44,540

it's like my bullets aren't hitting

93

00:12:44,550 --> 00:12:53,380

battle of the Gunners

94

00:12:53,390 --> 00:13:02,520

95

00:13:02,530 --> 00:13:15,120

96

00:13:15,130 --> 00:13:20,070

97

00:13:20,080 --> 00:13:33,030

prep shouldn't be my wing

98

00:13:40,150 --> 00:13:36,460

dropping out

102  
00:14:11,509 --> 00:14:09,439  
[h\_\_h] is a tank down here I think I'm

103  
00:14:34,920 --> 00:14:11,519  
getting shot by a that's near beasts

104  
00:14:48,660 --> 00:14:43,740  
[h\_\_h] yeah man down be or where there in

105  
00:14:55,910 --> 00:14:48,670  
between a and B and there's some guys

106  
00:15:00,389 --> 00:14:55,920  
within beast though so it's an IR undie

107

00:15:30,950 --> 00:15:36,920  
[h\_\_h]

112  
00:15:36,930 --> 00:15:46,280  
stay alive as barney as

113

121

00:17:10,320 --> 00:16:58,269

I think he made it now [h\_\_\h] yeah come

122

00:17:10,330 --> 00:17:21,610

now I need on top there we go we got a

179

00:24:30,909 --> 00:24:25,940

lot of people streaming into F those

180

00:24:35,490 --> 00:24:30,919

guys are here we gotta we have lost

181

00:24:50,409 --> 00:24:37,440

want to move in with the tanker just sit

182

00:24:50,419 --> 00:24:59,110

there we got up

183

00:25:06,940 --> 00:25:03,730

we have two things enough yep we have 3

184

00:25:12,040 --> 00:25:06,950

hippies right now yeah Jesus there's one

185

00:25:14,440 --> 00:25:12,050

they got one don t okay that d he's

186

00:25:19,660 --> 00:25:14,450

looking at d right now all right light

187

00:25:24,200 --> 00:25:19,670

tank or landship I can't tell as far as

188

00:25:30,710 --> 00:25:26,630

I could you call it the about-face yeah

189

00:25:33,290 --> 00:25:30,720

there we go it's a land ship I thought

190

00:25:39,040 --> 00:25:33,300

I'd he's not see it we try to sneak up

191

00:25:41,690 --> 00:25:39,050

on his [h\_\_h] stupid oh he sounds whoo

192

00:25:45,990 --> 00:25:41,700

all right we'll go and Dee Dee's clear

193

00:25:50,070 --> 00:25:47,850

no but that's your crawlers everywhere

194

00:25:55,110 --> 00:25:50,080

yep there's quite a few ad actually

195

00:25:58,720 --> 00:25:55,120

moving in their awful dead run down one

196

00:26:04,550 --> 00:25:58,730

more one more one more the dead

197

00:26:11,889 --> 00:26:07,690

shack up the hill

198

00:26:14,769 --> 00:26:11,899

and when I got a good heavy tank there's

199

00:26:16,060 --> 00:26:14,779

not much unless they all focus on me

200

00:26:18,669 --> 00:26:16,070

there's not much they can do about it

201  
00:26:23,110 --> 00:26:18,679  
they got to land ships coming from their

202  
00:26:25,180 --> 00:26:23,120  
spawn but we about one this one they

203  
00:26:32,280 --> 00:26:25,190  
coming from F he's going to jam on the

204  
00:26:38,070 --> 00:26:34,410  
yeah he's on the same road as me

205  
00:26:41,460 --> 00:26:38,080  
laughing around bum I might normally do

206  
00:26:41,470 --> 00:26:44,799  
[h\_\_\h] yeah

207  
00:26:52,300 --> 00:26:49,279  
couple guys in d cities clean-cut I

208  
00:26:59,789 --> 00:26:56,920  
your [h\_\_\h] face and tell you I got

209  
00:26:59,799 --> 00:27:08,660  
disabled and now you're dead nice

210  
00:27:08,670 --> 00:27:14,650  
Debbie Trey

211  
00:27:27,610 --> 00:27:22,840  
vector a thus is thrust into ghosts gah

212  
00:27:31,030 --> 00:27:27,620  
my country we call this victory victory
