

Bigfoot

UFO

Connection

1
00:00:14,030 --> 00:00:08,509
maybe it's my time to shine how about

2
00:00:18,290 --> 00:00:14,040
that come on daddy

3
00:00:22,840 --> 00:00:18,300
all right come on save me daddy I have

4
00:00:28,429 --> 00:00:22,850
been doing some research on big feet

5
00:00:30,080 --> 00:00:28,439
UFOs and if there is a connection all

6
00:00:32,780 --> 00:00:30,090
right I I picked up a book recently

7
00:00:36,920 --> 00:00:32,790
called silent invasion the Pennsylvania

8
00:00:38,510 --> 00:00:36,930
UFO Bigfoot case book and I peruse a

9
00:00:41,540 --> 00:00:38,520
little bit of this last night made some

10
00:00:43,310 --> 00:00:41,550
notes and I don't know if you recall

11
00:00:45,459 --> 00:00:43,320
Jeff but uh a few months ago you

12
00:00:49,040 --> 00:00:45,469
actually did a segment on dog man oh

13
00:00:53,750 --> 00:00:49,050

yeah and a lot of the cases in here like

14

00:00:55,910 --> 00:00:53,760

loudly eyewitness accounts call a seven

15

00:00:58,010 --> 00:00:55,920

to eight foot creature with glowing red

16

00:01:03,500 --> 00:00:58,020

eyes hunched over very skinny like

17

00:01:05,690 --> 00:01:03,510

pointy ears and there's a lot of those

18

00:01:08,390 --> 00:01:05,700

descriptions in this book and they

19

00:01:11,060 --> 00:01:08,400

attribute it to Bigfoot it sounds more

20

00:01:14,960 --> 00:01:11,070

like a dog man because there are various

21

00:01:17,600 --> 00:01:14,970

cases and incidences where dogs come up

22

00:01:19,310 --> 00:01:17,610

missing dogs are injured dogs don't do

23

00:01:24,679 --> 00:01:19,320

anything or dogs are petrified when

24

00:01:27,980 --> 00:01:24,689

these creatures come around and we heard

25

00:01:30,319 --> 00:01:27,990

some of that in the Columbia how we

26

00:01:32,090 --> 00:01:30,329

played of the dogs freaking out in the

27

00:01:34,429 --> 00:01:32,100

background of the hell and these

28

00:01:39,230 --> 00:01:34,439

Cuyahoga State Park yeah absolutely so I

29

00:01:42,530 --> 00:01:39,240

think the Bigfoot UFO connection a lot

30

00:01:44,090 --> 00:01:42,540

of these read like dog man sightings not

31

00:01:47,780 --> 00:01:44,100

necessarily Bigfoot especially the

32

00:01:49,789 --> 00:01:47,790

description very skinny hunched over

33

00:01:52,609 --> 00:01:49,799

point eight years I've never heard a

34

00:01:55,069 --> 00:01:52,619

Bigfoot have pointy ears like Sasquatch

35

00:01:56,929 --> 00:01:55,079

have pointy ears dog man I have this is

36

00:01:58,760 --> 00:01:56,939

a different creature everything I can

37

00:02:03,649 --> 00:01:58,770

tell everything in this book and either

38

00:02:06,410 --> 00:02:03,659

case files from like 1972 to like 75 and

39

00:02:09,290 --> 00:02:06,420

like there was a string in in the year

40

00:02:11,479 --> 00:02:09,300

1973 in Pennsylvania there was like for

41

00:02:11,890 --> 00:02:11,489

the first half a year a bunch of UFO

42

00:02:14,410 --> 00:02:11,900

sighting

43

00:02:16,960 --> 00:02:14,420

like the second half a bunch of dog man

44

00:02:18,039 --> 00:02:16,970

and Bigfoot sightings and throughout

45

00:02:19,990 --> 00:02:18,049

this book they're trying to create a

46

00:02:23,050 --> 00:02:20,000

correlation if there is one about

47

00:02:27,250 --> 00:02:23,060

sightings of either one and how close

48

00:02:29,970 --> 00:02:27,260

they happen to one another Oh some of

49

00:02:34,360 --> 00:02:29,980

the cases in here are absolutely

50

00:02:38,740 --> 00:02:34,370

startling they're very detailed very

51
00:02:40,059 --> 00:02:38,750
scary one was of two teenagers that were

52
00:02:41,920 --> 00:02:40,069
driving down the street and this is

53
00:02:43,509 --> 00:02:41,930
close to Halloween couple days before

54
00:02:46,149 --> 00:02:43,519
Halloween and they're driving down the

55
00:02:48,490 --> 00:02:46,159
street in their car and they saw they're

56
00:02:51,460 --> 00:02:48,500
driving to park the car and they saw

57
00:02:53,229 --> 00:02:51,470
someone approaching them dressed up in a

58
00:02:54,610 --> 00:02:53,239
cost of a big person they thought it was

59
00:02:56,949 --> 00:02:54,620
one of their friends trying to scare

60
00:02:59,110 --> 00:02:56,959
them so they they rolled up to it like

61
00:03:00,280 --> 00:02:59,120
very slowly like pretending like you're

62
00:03:02,589 --> 00:03:00,290
going to hit somebody you ever do that

63
00:03:04,410 --> 00:03:02,599

in your car when you're a teenager I'm

64

00:03:06,849 --> 00:03:04,420

gonna hit you and drive up close to it

65

00:03:08,500 --> 00:03:06,859

like all the time on the way to work

66

00:03:10,300 --> 00:03:08,510

yeah you know you know you goof around

67

00:03:11,860 --> 00:03:10,310

with your car and you know maybe it's

68

00:03:13,149 --> 00:03:11,870

somebody a little bit maybe like at 1 or

69

00:03:17,259 --> 00:03:13,159

2 miles an hour they did that to this

70

00:03:19,059 --> 00:03:17,269

thing up against another car and this

71

00:03:21,849 --> 00:03:19,069

thing once they got up so close to it

72

00:03:24,039 --> 00:03:21,859

the lights are on they saw this thing

73

00:03:26,890 --> 00:03:24,049

was actually 7 to 8 feet tall with

74

00:03:28,360 --> 00:03:26,900

pointy ears red eyes and then put its

75

00:03:31,659 --> 00:03:28,370

hands on the hood of the car

76

00:03:34,689 --> 00:03:31,669

and at that point they realized this is

77

00:03:36,849 --> 00:03:34,699

not our friend in a costume they pulled

78

00:03:39,159 --> 00:03:36,859

back they drove as quickly as it could

79

00:03:42,039 --> 00:03:39,169

to a neighbor's house which was maybe a

80

00:03:43,899 --> 00:03:42,049

block or two away outside of this their

81

00:03:45,580 --> 00:03:43,909

neighbor your neighbor's house they were

82

00:03:48,039 --> 00:03:45,590

having like like a pretty Halloween

83

00:03:50,949 --> 00:03:48,049

party there are some kids out from there

84

00:03:52,240 --> 00:03:50,959

dressed up and these two teenagers ran

85

00:03:54,039 --> 00:03:52,250

up said hey could you get your mom and

86

00:03:55,869 --> 00:03:54,049

have them call the police as they did

87

00:03:58,659 --> 00:03:55,879

this as they were talking to the kids up

88

00:04:00,750 --> 00:03:58,669

front they saw this creature approaching

89

00:04:04,809 --> 00:04:00,760

this house that they were currently at

90

00:04:06,939 --> 00:04:04,819

it freaked everyone out there were kids

91

00:04:10,240 --> 00:04:06,949

and these two teenagers rushing to get

92

00:04:12,129 --> 00:04:10,250

inside the house they couldn't all pile

93

00:04:14,050 --> 00:04:12,139

in the door together so they some

94

00:04:16,180 --> 00:04:14,060

crashed through a window and they got

95

00:04:17,620 --> 00:04:16,190

caught it was a little bit of

96

00:04:21,580 --> 00:04:17,630

pandemonium there once they get inside

97

00:04:23,890 --> 00:04:21,590

the house there was a foul stench

98

00:04:27,580 --> 00:04:23,900

and this creature eventually this walked

99

00:04:29,050 --> 00:04:27,590

off into the woods but those these that

100

00:04:31,360 --> 00:04:29,060

story these are kind of stories that are

101

00:04:35,140 --> 00:04:31,370

in this book things that are just

102

00:04:36,850 --> 00:04:35,150

[h__h] insane can you find any reports

103

00:04:39,070 --> 00:04:36,860

of that one online or anything or any

104

00:04:40,990 --> 00:04:39,080

other reports of it that sounds crazy

105

00:04:42,730 --> 00:04:41,000

but you think you'd be some kind of a

106

00:04:44,890 --> 00:04:42,740

MUFON report or something like that

107

00:04:45,879 --> 00:04:44,900

I haven't found this one online yet I

108

00:04:47,260 --> 00:04:45,889

haven't tried

109

00:04:50,680 --> 00:04:47,270

I'm just reading through this book and

110

00:04:53,020 --> 00:04:50,690

making notes as I go there's I've

111

00:04:54,640 --> 00:04:53,030

already marked off a three that was this

112

00:04:57,879 --> 00:04:54,650

one of them that was just remembering I

113

00:05:01,020 --> 00:04:57,889

my head it is bizarre at the level of

114

00:05:05,830 --> 00:05:01,030

detail and how many people have

115

00:05:07,330 --> 00:05:05,840

witnessed these tall creatures then

116

00:05:10,750 --> 00:05:07,340

apparently like to terrorize

117

00:05:12,909 --> 00:05:10,760

neighborhoods and steal dogs dogs are

118

00:05:14,860 --> 00:05:12,919

terrified of this thing and there are

119

00:05:17,940 --> 00:05:14,870

reports and because this is Pennsylvania

120

00:05:21,450 --> 00:05:17,950

people crack crack shots of this thing

121

00:05:24,700 --> 00:05:21,460

yeah they afraid of wheelchairs though

122

00:05:26,440 --> 00:05:24,710

what's that I think I mean my dog is

123

00:05:28,000 --> 00:05:26,450

afraid of it like if there's a witness

124

00:05:30,790 --> 00:05:28,010

um buddy throws a wheelchair out and

125

00:05:32,740 --> 00:05:30,800

it's next to the trash bin doesn't look

126

00:05:35,260 --> 00:05:32,750

normal and the dog sees it a dog will

127

00:05:37,990 --> 00:05:35,270

lose its mind over a damn wheelchair I

128

00:05:39,969 --> 00:05:38,000

like to think that my dog bogie would

129

00:05:45,930 --> 00:05:39,979

would fight for me maybe he wouldn't

130

00:05:48,129 --> 00:05:45,940

maybe you just balloon yeah my dogs yeah

131

00:05:53,350 --> 00:05:48,139

around a balloon so maybe Bigfoot

132

00:05:55,510 --> 00:05:53,360

wouldn't be so who knows I'll just say

133

00:05:57,159 --> 00:05:55,520

dogs can freak out the people's accounts

134

00:06:00,250 --> 00:05:57,169

and the police reports I think I would

135

00:06:02,740 --> 00:06:00,260

find interesting on this one the the

136

00:06:04,270 --> 00:06:02,750

police reports are interesting on this

137

00:06:05,500 --> 00:06:04,280

one there's a there's one day if I once

138

00:06:08,529 --> 00:06:05,510

I get through some of these UFO

139

00:06:11,790 --> 00:06:08,539

connections uh there's one about the

140

00:06:15,040 --> 00:06:11,800

police having to respond to these calls

141

00:06:18,700 --> 00:06:15,050

so frequently during this time that they

142

00:06:22,990 --> 00:06:18,710

have to be take it serious and yeah

143

00:06:25,390 --> 00:06:23,000

could aliens be so sadistic like the way

144

00:06:26,920 --> 00:06:25,400

we smuggle kid like we kidnap children

145

00:06:30,459 --> 00:06:26,930

and bring them to other countries just

146

00:06:34,029 --> 00:06:30,469

for the laughs our aliens picking up

147

00:06:35,470 --> 00:06:34,039

critters on some distant planet and some

148

00:06:37,510 --> 00:06:35,480

faraway galaxy

149

00:06:39,310 --> 00:06:37,520

bringing them to other planets like hey

150

00:06:42,070 --> 00:06:39,320

let's let's let's dump a bunch of these

151
00:06:43,560 --> 00:06:42,080
weird hairy things down here on earth

152
00:06:45,370 --> 00:06:43,570
and just let's just see what happens

153
00:06:46,660 --> 00:06:45,380
you're okay but did you ever take

154
00:06:50,950 --> 00:06:46,670
lightning bugs and release them in your

155
00:06:53,340 --> 00:06:50,960
house I did there you go you do crazy

156
00:06:55,480 --> 00:06:53,350
stuff like that I do I do have a little

157
00:06:59,260 --> 00:06:55,490
paragraphs from the Huffington Post

158
00:07:02,980 --> 00:06:59,270
about the Bigfoot if you would indulge

159
00:07:05,830 --> 00:07:02,990
me for a few minutes here well as well

160
00:07:08,140 --> 00:07:05,840
as you can do besides listen to me all

161
00:07:10,240 --> 00:07:08,150
right this comes from the Huffington

162
00:07:13,900 --> 00:07:10,250
Post the earliest clues this is in

163
00:07:16,810 --> 00:07:13,910

reference to alien or UFOs and Bigfoot

164

00:07:19,120 --> 00:07:16,820

the earliest clue is they back to 1888

165

00:07:20,860 --> 00:07:19,130

when a cattle cattle in this tribe in

166

00:07:23,080 --> 00:07:20,870

the counter with a friendly with

167

00:07:25,330 --> 00:07:23,090

friendly Indians in the Humboldt County

168

00:07:28,330 --> 00:07:25,340

California they led him to a cave where

169

00:07:31,690 --> 00:07:28,340

he saw a hefty humanoid creature covered

170

00:07:34,480 --> 00:07:31,700

in long shiny black hair with no neck

171

00:07:38,500 --> 00:07:34,490

sitting cross-legged one Indian told him

172

00:07:42,400 --> 00:07:38,510

three of these crazy bears had been cast

173

00:07:44,980 --> 00:07:42,410

out of a small moon that dropped from

174

00:07:47,650 --> 00:07:44,990

the sky and landed the moon then

175

00:07:49,390 --> 00:07:47,660

ascended back into the air so it's

176

00:07:52,300 --> 00:07:49,400

highly likely highly likely that these

177

00:07:55,900 --> 00:07:52,310

crazy bears were really big foots and

178

00:07:59,410 --> 00:07:55,910

the moon was a spacecraft now fast

179

00:08:03,820 --> 00:07:59,420

forward almost a hundred years to 1973

180

00:08:06,520 --> 00:08:03,830

and mrs. field

181

00:08:07,960 --> 00:08:06,530

she had a 13 year old son and they were

182

00:08:11,980 --> 00:08:07,970

sleeping in her trailer in Cincinnati

183

00:08:14,680 --> 00:08:11,990

Ohio on the morning of October 21st she

184

00:08:17,710 --> 00:08:14,690

arose at 2:30 a.m. to quench her thirst

185

00:08:19,180 --> 00:08:17,720

and noticed strange lights in the

186

00:08:21,190 --> 00:08:19,190

adjoining parking lot she looked out the

187

00:08:23,680 --> 00:08:21,200

window her attention was drawn to a

188

00:08:26,230 --> 00:08:23,690

particular her attention was drawn in

189

00:08:29,110 --> 00:08:26,240

particular to an inexplicable cone of

190

00:08:31,630 --> 00:08:29,120

light shaped like a huge bubble umbrella

191

00:08:34,000 --> 00:08:31,640

about seven feet in diameter nearby she

192

00:08:38,250 --> 00:08:34,010

spotted a grayish ape-like creature with

193

00:08:41,950 --> 00:08:38,260

large downward angled snout no neck and

194

00:08:44,740 --> 00:08:41,960

sizable wrists slowly it entered the

195

00:08:49,079 --> 00:08:44,750

light about five minutes later both the

196

00:08:58,329 --> 00:08:54,820

but that snout doesn't bring true to

197

00:09:03,449 --> 00:08:58,339

what we commonly view or think of with a

198

00:09:06,850 --> 00:09:03,459

sasquatch snout reminds me of a dog man

199

00:09:09,070 --> 00:09:06,860

yeah yeah and the tallness and

200

00:09:12,670 --> 00:09:09,080

everything I mean since the Bigfoot or

201
00:09:14,829 --> 00:09:12,680
the bit tollens - but I know I'm asking

202
00:09:16,720 --> 00:09:14,839
you in tune dogs creatively if you have

203
00:09:20,139 --> 00:09:16,730
to look at this is like an artist which

204
00:09:21,070 --> 00:09:20,149
you are snout is more of like a bear or

205
00:09:22,920 --> 00:09:21,080
a dog

206
00:09:28,329 --> 00:09:22,930
we don't really attribute snouts to

207
00:09:30,880 --> 00:09:28,339
large apes or sasquatches definitely not

208
00:09:32,949 --> 00:09:30,890
yeah and that's the thing is that if it

209
00:09:35,740 --> 00:09:32,959
they're if they're saying bear before

210
00:09:36,670 --> 00:09:35,750
they're saying like gorilla or monkey I

211
00:09:38,110 --> 00:09:36,680
don't know if they don't know what

212
00:09:40,780 --> 00:09:38,120
monkeys look like but I would imagine

213
00:09:43,120 --> 00:09:40,790

they do and bears they're far more like

214

00:09:44,740 --> 00:09:43,130

dogs so I think I'm gonna make a

215

00:09:48,699 --> 00:09:44,750

distinction I'm gonna go ahead and just

216

00:09:51,010 --> 00:09:48,709

say that the dog man and Sasquatch or

217

00:09:54,760 --> 00:09:51,020

Bigfoot completely different we need to

218

00:09:57,550 --> 00:09:54,770

separate them and according to that man

219

00:10:00,250 --> 00:09:57,560

I witness account the UFOs are dealing

220

00:10:02,380 --> 00:10:00,260

with dog men now I have one more one

221

00:10:03,850 --> 00:10:02,390

more little post here picking up dog men

222

00:10:05,380 --> 00:10:03,860

on other planets and there's a what do

223

00:10:07,480 --> 00:10:05,390

we do with all these straight dog men

224

00:10:09,490 --> 00:10:07,490

let's dump it down with those stupid

225

00:10:15,730 --> 00:10:09,500

monkeys who are fighting about racism

226

00:10:18,250 --> 00:10:15,740

all the time release towns so this next

227

00:10:19,990 --> 00:10:18,260

this next one this next a couple

228

00:10:21,970 --> 00:10:20,000

paragraphs are entitled Lee the

229

00:10:25,269 --> 00:10:21,980

fantastical abilities of Sasquatch UFOs

230

00:10:27,490 --> 00:10:25,279

force people and the cane connection

231

00:10:34,600 --> 00:10:27,500

it's a little longer so please bear with

232

00:10:40,000 --> 00:10:34,610

me okay no I heard an echo echo echo

233

00:10:42,430 --> 00:10:40,010

echo okay presently many things have

234

00:10:45,840 --> 00:10:42,440

been said on how Bigfoot or Sasquatch is

235

00:10:47,860 --> 00:10:45,850

sasquatch have been have incredibly

236

00:10:49,840 --> 00:10:47,870

incredible or sometimes seemingly

237

00:10:52,150 --> 00:10:49,850

magical powers which have baffled the

238

00:10:56,019 --> 00:10:52,160

minds of both which who both support the

239

00:10:57,730 --> 00:10:56,029

existence of Sasquatch and skeptics some

240

00:10:58,940 --> 00:10:57,740

people claim that they communicate with

241

00:11:00,980 --> 00:10:58,950

the Sasquatch

242

00:11:03,260 --> 00:11:00,990

and that they're able to read the

243

00:11:06,200 --> 00:11:03,270

thoughts to gain great knowledge other

244

00:11:08,360 --> 00:11:06,210

others of these storied abilities even

245

00:11:10,850 --> 00:11:08,370

include the ability to phase through

246

00:11:13,670 --> 00:11:10,860

objects travel great distances and

247

00:11:16,760 --> 00:11:13,680

others in other dimensions at will and

248

00:11:19,910 --> 00:11:16,770

even work as security to protect UFOs

249

00:11:23,330 --> 00:11:19,920

when they land in some other cases there

250

00:11:25,610 --> 00:11:23,340

are religion overtones or religious

251
00:11:27,440 --> 00:11:25,620
overtones when certain religious aspects

252
00:11:30,440 --> 00:11:27,450
are included by certain groups claiming

253
00:11:34,280 --> 00:11:30,450
that Bigfoot is from the tribe of Cain

254
00:11:37,370 --> 00:11:34,290
which was or which in the Bible was

255
00:11:40,130 --> 00:11:37,380
cursed to roam the earth punished by the

256
00:11:44,030 --> 00:11:40,140
creator of all and the Bigfoot mission

257
00:11:46,760 --> 00:11:44,040
is to destroy the souls of man I like

258
00:11:50,510 --> 00:11:46,770
the act a little thing about them

259
00:11:55,070 --> 00:11:50,520
working Bigfoot security mmm like their

260
00:11:57,380 --> 00:11:55,080
bouncers are something are they saying

261
00:11:59,150 --> 00:11:57,390
the dog men are the Bigfoot security or

262
00:12:00,920 --> 00:11:59,160
I think they're not making a distinction

263
00:12:03,560 --> 00:12:00,930

between Bigfoot and dog men they're

264

00:12:06,710 --> 00:12:03,570

using I think a Bigfoot as an

265

00:12:09,470 --> 00:12:06,720

all-encompassing thing like gotcha these

266

00:12:11,240 --> 00:12:09,480

guys are basically the bouncers for for

267

00:12:13,490 --> 00:12:11,250

the UFOs that come down that would make

268

00:12:15,710 --> 00:12:13,500

sense you send some people need boots on

269

00:12:17,180 --> 00:12:15,720

the ground don't you yeah and if they

270

00:12:18,860 --> 00:12:17,190

leave them behind because they got to

271

00:12:20,870 --> 00:12:18,870

get out of here it's like yeah okay

272

00:12:23,740 --> 00:12:20,880

so it is kind of a big old sick joke by

273

00:12:28,430 --> 00:12:23,750

a bunch of intergalactic litter

274

00:12:29,690 --> 00:12:28,440

litterers yeah give me a pinky ring let

275

00:12:31,790 --> 00:12:29,700

them know what's going on down there big

276

00:12:34,220 --> 00:12:31,800

feet yeah we'll be down in about five

277

00:12:36,320 --> 00:12:34,230

okay make sure the area is clear oh [h__h]

278

00:12:42,380 --> 00:12:36,330

I forgot my goddamn coffee makers on I

279

00:12:45,440 --> 00:12:42,390

got to go back to the space what I'm

280

00:12:46,160 --> 00:12:45,450

Bigfoot we'll be down you stay right

281

00:12:51,590 --> 00:12:46,170

there all right

282

00:12:54,560 --> 00:12:51,600

and so as for I as for a Bigfoot

283

00:13:00,020 --> 00:12:54,570

security I have a another couple

284

00:13:03,200 --> 00:13:00,030

paragraphs here I can read it's pretty

285

00:13:05,810 --> 00:13:03,210

crazy but this actually relates directly

286

00:13:08,300 --> 00:13:05,820

to the the Pennsylvania Bigfoot

287

00:13:11,470 --> 00:13:08,310

encounters that I've been reading in

288

00:13:13,480 --> 00:13:11,480

1952 the US Air Force began in

289

00:13:16,889 --> 00:13:13,490

investigation of the phenomenon of UFOs

290

00:13:18,689 --> 00:13:16,899

and their possible existence was a name

291

00:13:20,860 --> 00:13:18,699

codenamed project Bluebook

292

00:13:23,470 --> 00:13:20,870

in the end the investigation was shot

293

00:13:25,720 --> 00:13:23,480

down in 1969 and the official stance of

294

00:13:27,670 --> 00:13:25,730

the Air Force has always been the UFOs

295

00:13:30,069 --> 00:13:27,680

do not exist while research Robert

296

00:13:32,800 --> 00:13:30,079

researching to find information for this

297

00:13:35,560 --> 00:13:32,810

article one very important factor that I

298

00:13:40,090 --> 00:13:35,570

found very interesting was a few years

299

00:13:43,780 --> 00:13:40,100

after the 1967 event the Pennsylvanian

300

00:13:46,329 --> 00:13:43,790

Grimm film the internationally known UFO

301
00:13:48,220 --> 00:13:46,339
investigator Stan Gordon recognized as

302
00:13:49,840 --> 00:13:48,230
an authority on the subject of the UFO

303
00:13:52,569 --> 00:13:49,850
and Bigfoot phenomenon gained prominence

304
00:13:56,860 --> 00:13:52,579
from his first-hand investigation into a

305
00:13:58,810 --> 00:13:56,870
well known well remembered 1973 Bigfoot

306
00:14:01,569 --> 00:13:58,820
UFO series of sightings and encounters

307
00:14:04,629 --> 00:14:01,579
which occurred in Pennsylvania this

308
00:14:06,790 --> 00:14:04,639
outbreak supposedly of Bigfoot this

309
00:14:09,160 --> 00:14:06,800
outbreak is supposedly a Bigfoot big

310
00:14:11,230 --> 00:14:09,170
feet showing himself with UFOs brought

311
00:14:13,150 --> 00:14:11,240
worldwide attention to this subject and

312
00:14:14,530 --> 00:14:13,160
was a major news stories in the media

313
00:14:17,800 --> 00:14:14,540

for several weeks

314

00:14:20,230 --> 00:14:17,810

it seemed that this was the first time

315

00:14:23,079 --> 00:14:20,240

national and international public heard

316

00:14:25,840 --> 00:14:23,089

of the Bigfoot UFO connection this is

317

00:14:28,949 --> 00:14:25,850

possibly could be responsible for the

318

00:14:31,900 --> 00:14:28,959

creation of mainstream media belief that

319

00:14:34,300 --> 00:14:31,910

Bigfoot come from different planets and

320

00:14:37,210 --> 00:14:34,310

was an extraterrestrial in nature which

321

00:14:42,879 --> 00:14:37,220

later became part of the subculture of

322

00:14:44,650 --> 00:14:42,889

ufology riri now let's move on a little

323

00:14:48,250 --> 00:14:44,660

bit in the story that I recently

324

00:14:49,900 --> 00:14:48,260

listened to listen to a man States in

325

00:14:54,309 --> 00:14:49,910

his encounter with a UFO

326

00:14:56,110 --> 00:14:54,319

several Bigfoot posted outside and look

327

00:14:59,800 --> 00:14:56,120

like they were watching the spaceship

328

00:15:01,449 --> 00:14:59,810

like security guards literally their

329

00:15:04,480 --> 00:15:01,459

bouncers for UFOs

330

00:15:06,100 --> 00:15:04,490

yeah you think about it all the reports

331

00:15:08,199 --> 00:15:06,110

from aliens that we've heard are they're

332

00:15:11,199 --> 00:15:08,209

small they have big heads and they don't

333

00:15:13,689 --> 00:15:11,209

look physically powerful I could take

334

00:15:15,129 --> 00:15:13,699

one in a fight like physically maybe not

335

00:15:18,550 --> 00:15:15,139

mentally but physically go take one

336

00:15:21,009 --> 00:15:18,560

couldn't take a Bigfoot though maybe

337

00:15:23,800 --> 00:15:21,019

they're actually there to something is

338

00:15:25,360 --> 00:15:23,810

that someone can send a line watch it my

339

00:15:30,730 --> 00:15:25,370

head with a pinky ring

340

00:15:35,019 --> 00:15:30,740

that's what you got to do banging broads

341

00:15:36,610 --> 00:15:35,029

walking multiple planets in 1976 several

342

00:15:39,160 --> 00:15:36,620

years after the air force shuts down

343

00:15:40,630 --> 00:15:39,170

Project Blue Book the cult series the

344

00:15:42,640 --> 00:15:40,640

Six Million Dollar Man brought the

345

00:15:44,829 --> 00:15:42,650

subject of Bigfoot UFOs and aliens to an

346

00:15:47,260 --> 00:15:44,839

international audience once again in the

347

00:15:49,329 --> 00:15:47,270

storyline two geologist friends of Steve

348

00:15:50,769 --> 00:15:49,339

Austin disappear in California while

349

00:15:53,050 --> 00:15:50,779

placing the earth quake sensors in the

350

00:15:55,060 --> 00:15:53,060

woods a giant footprint it's found

351

00:15:58,000 --> 00:15:55,070

nearby leading to speculation of the

352

00:16:04,060 --> 00:15:58,010

involvement of a sasquatch at the time

353

00:16:05,980 --> 00:16:04,070

played by a gator giant another sequel

354

00:16:08,380 --> 00:16:05,990

of this installment of the television

355

00:16:10,300 --> 00:16:08,390

television series brought back the alien

356

00:16:13,240 --> 00:16:10,310

Bigfoot and made those particular

357

00:16:16,230 --> 00:16:13,250

episodes called classics of the seventy

358

00:16:18,760 --> 00:16:16,240

television miniseries era era Wow

359

00:16:23,200 --> 00:16:18,770

so you could have Kevin James play

360

00:16:25,870 --> 00:16:23,210

Bigfoot UFO cop absolutely yeah so you

361

00:16:30,090 --> 00:16:25,880

see the the intertwining especially with

362

00:16:33,430 --> 00:16:30,100

with Stan Gordon's Pennsylvania cases

363

00:16:36,250 --> 00:16:33,440

that created a connection between

364

00:16:37,930 --> 00:16:36,260

Bigfoot which actually from what we know

365

00:16:40,480 --> 00:16:37,940

now know we could probably say it's more

366

00:16:43,000 --> 00:16:40,490

likely dog men that are working with

367

00:16:45,070 --> 00:16:43,010

aliens as opposed to Bigfoot dog men

368

00:16:48,250 --> 00:16:45,080

working with aliens the connections made

369

00:16:50,530 --> 00:16:48,260

that gets propagated through their pop

370

00:16:52,810 --> 00:16:50,540

culture the Six Million Dollar Man which

371

00:16:54,160 --> 00:16:52,820

anybody hasn't watched it please go up

372

00:16:59,490 --> 00:16:54,170

on YouTube and watch the episodes it is

373

00:17:05,980 --> 00:17:01,930

people make that connection it's like in

374

00:17:09,429 --> 00:17:05,990

your head and if that question really

375

00:17:11,470 --> 00:17:09,439

aliens that's how it starts some real

376

00:17:12,970 --> 00:17:11,480

real cases and then it goes to pop

377

00:17:15,069 --> 00:17:12,980

culture then it goes back to some real

378

00:17:17,770 --> 00:17:15,079

additional cases and people continue to

379

00:17:20,410 --> 00:17:17,780

experience you know big poseidon's or

380

00:17:24,400 --> 00:17:20,420

Dogman and in funny UFO sightings around

381

00:17:31,290 --> 00:17:24,410

the world just Asterix they're real real

382

00:17:34,510 --> 00:17:31,300

cases real maybe it's hard to determine

383

00:17:36,790 --> 00:17:34,520

like with all this stuff like how do you

384

00:17:37,900 --> 00:17:36,800

know when to believe what is an actual

385

00:17:41,020 --> 00:17:37,910

case

386

00:17:42,340 --> 00:17:41,030

and what is not it's hard it's I mean

387

00:17:44,380 --> 00:17:42,350

these are some pretty big books I guess

388

00:17:46,260 --> 00:17:44,390

one could just generate this stuff and

389

00:17:49,030 --> 00:17:46,270

make the [h__h] up if you wanted to I

390

00:17:50,920 --> 00:17:49,040

would say that if people are reporting

391

00:17:51,940 --> 00:17:50,930

the same thing in multiple places and

392

00:17:55,900 --> 00:17:51,950

all that I think there's some

393

00:17:57,370 --> 00:17:55,910

interesting yeah there's something

394

00:17:59,080 --> 00:17:57,380

interesting that happens when people in

395

00:18:01,150 --> 00:17:59,090

multiple places around the world report

396

00:18:04,270 --> 00:18:01,160

that aliens have these eyes and buh buh

397

00:18:06,100 --> 00:18:04,280

buh buh buh but then you know I try to

398

00:18:08,200 --> 00:18:06,110

think of a time where well when have I

399

00:18:09,880 --> 00:18:08,210

never not seen aliens I feel like I've

400

00:18:12,670 --> 00:18:09,890

always kind of seen aliens and the

401
00:18:14,590 --> 00:18:12,680
pop-culture if everyone's gonna describe

402
00:18:16,600 --> 00:18:14,600
an alien they're probably gonna describe

403
00:18:17,560 --> 00:18:16,610
something close to the greys or

404
00:18:20,590 --> 00:18:17,570
something like that

405
00:18:23,740 --> 00:18:20,600
and so this is fed into our heads at

406
00:18:25,660 --> 00:18:23,750
this point yeah I expect to see and how

407
00:18:28,000 --> 00:18:25,670
much of that is real or not and so if

408
00:18:30,040 --> 00:18:28,010
people you know and I brought this up on

409
00:18:32,140 --> 00:18:30,050
the show before when you talk about the

410
00:18:33,910 --> 00:18:32,150
the mounds the burial mounds and Jim

411
00:18:36,580 --> 00:18:33,920
Vieira and all his research how he's

412
00:18:37,810 --> 00:18:36,590
like he sounds like the biggest kook in

413
00:18:39,850 --> 00:18:37,820

the world because he's talking about

414

00:18:41,680 --> 00:18:39,860

look these people have like maps to

415

00:18:43,540 --> 00:18:41,690

Atlantis and like all this stuff goes

416

00:18:45,670 --> 00:18:43,550

back super far and the Smithsonian is

417

00:18:48,100 --> 00:18:45,680

burying all this evidence of these giant

418

00:18:50,380 --> 00:18:48,110

you know hairy men that were you know

419

00:18:51,550 --> 00:18:50,390

seven foot plus tall and all this so

420

00:18:55,540 --> 00:18:51,560

when you hear about stuff like that then

421

00:18:57,280 --> 00:18:55,550

you're like hey maybe maybe it's a I

422

00:18:59,350 --> 00:18:57,290

just want the pictures I just want the

423

00:19:01,810 --> 00:18:59,360

pictures I just want the pictures do I

424

00:19:04,600 --> 00:19:01,820

wanna do these damned things and see how

425

00:19:07,300 --> 00:19:04,610

you know and Jeff are you there

426

00:19:12,870 --> 00:19:07,310

yeah I'm here this is for you I want you

427

00:19:17,020 --> 00:19:12,880

to and let me know what you think of

428

00:19:18,550 --> 00:19:17,030

okay this is a book I was researching

429

00:19:20,620 --> 00:19:18,560

last night this is what I do people I

430

00:19:22,540 --> 00:19:20,630

research for you and so we can have

431

00:19:23,020 --> 00:19:22,550

these important and very fun topics to

432

00:19:25,300 --> 00:19:23,030

talk about

433

00:19:27,640 --> 00:19:25,310

I found these these two paragraphs was I

434

00:19:29,110 --> 00:19:27,650

found to be very compelling considering

435

00:19:31,330 --> 00:19:29,120

what we now know and what we've talked

436

00:19:34,180 --> 00:19:31,340

about this is about two guys going on a

437

00:19:36,010 --> 00:19:34,190

hike down the railroad tracks it was

438

00:19:37,930 --> 00:19:36,020

during one evening in July or August

439

00:19:40,540 --> 00:19:37,940

when two gentlemen were walking by the

440

00:19:42,820 --> 00:19:40,550

railroad tracks near grape fill and they

441

00:19:44,650 --> 00:19:42,830

heard a sound in the brush and the brush

442

00:19:46,690 --> 00:19:44,660

is crackling in the woods suddenly they

443

00:19:48,450 --> 00:19:46,700

observed a dark humanoid shape with red

444

00:19:50,759 --> 00:19:48,460

glowing eyes running ahead of the

445

00:19:53,039 --> 00:19:50,769

see the strange apparition was odd

446

00:19:55,980 --> 00:19:53,049

enough but they also reluctantly

447

00:19:57,239 --> 00:19:55,990

described other unusual activity that

448

00:19:59,519 --> 00:19:57,249

occurred during this encounter

449

00:20:02,609 --> 00:19:59,529

it seemed that at one point the form

450

00:20:05,070 --> 00:20:02,619

that was on one side of them suddenly

451
00:20:07,799 --> 00:20:05,080
seemed to vanish then quickly appeared

452
00:20:10,470 --> 00:20:07,809
on the opposite side while they were

453
00:20:12,840 --> 00:20:10,480
observing the activity no sound or

454
00:20:14,669 --> 00:20:12,850
movement was detected the location of

455
00:20:17,210 --> 00:20:14,679
the incident is near grape Ville it is

456
00:20:21,539 --> 00:20:17,220
only a short distance down the road from

457
00:20:23,909 --> 00:20:21,549
another incident place it isn't it is it

458
00:20:25,529 --> 00:20:23,919
is in this general rural area where a

459
00:20:28,710 --> 00:20:25,539
number of Bigfoot encounters were

460
00:20:30,570 --> 00:20:28,720
occurring in the weeks to follow we

461
00:20:32,489 --> 00:20:30,580
would hear about accounts from witnesses

462
00:20:34,549 --> 00:20:32,499
who not only encountered strange beasts

463
00:20:36,539 --> 00:20:34,559

but also experienced other anomalies

464

00:20:39,840 --> 00:20:36,549

what does that remind you of a little

465

00:20:41,820 --> 00:20:39,850

bit jeff mean train tracks makes you

466

00:20:43,859 --> 00:20:41,830

think oh man but it reminds me if you

467

00:20:46,440 --> 00:20:43,869

can see the eyes like the predator say

468

00:20:49,590 --> 00:20:46,450

predator and how this thing moved from

469

00:20:52,830 --> 00:20:49,600

kind of disappeared on one side to the

470

00:20:55,980 --> 00:20:52,840

other and how there was no other sounds

471

00:21:00,060 --> 00:20:55,990

around sounded like that missing for one

472

00:21:01,680 --> 00:21:00,070

case with Distortion photograph the

473

00:21:03,899 --> 00:21:01,690

account from the hunter where they said

474

00:21:05,909 --> 00:21:03,909

the woods fell silent there were as a

475

00:21:08,759 --> 00:21:05,919

strange anomaly in front of me that I

476

00:21:11,879 --> 00:21:08,769

could not see and here they actually see

477

00:21:15,029 --> 00:21:11,889

a goddamn creature almost phase in and

478

00:21:16,919 --> 00:21:15,039

out of material these guys didn't get

479

00:21:19,489 --> 00:21:16,929

scared it's like whoa what is all this

480

00:21:23,159 --> 00:21:19,499

[h__\h] what's going on here

481

00:21:23,779 --> 00:21:23,169

god damn it not again yeah what is all

482

00:21:28,340 --> 00:21:23,789

this stuff

483

00:21:32,759 --> 00:21:28,350

exactly it's a bad batch of turtles meth

484

00:21:34,560 --> 00:21:32,769

but this is when it comes to missing a

485

00:21:40,820 --> 00:21:34,570

foreign one when it comes to Bigfoot

486

00:21:43,919 --> 00:21:40,830

Dogman and UFOs to me it's all connected

487

00:21:47,879 --> 00:21:43,929

part of a very there's a very big

488

00:21:50,820 --> 00:21:47,889

picture and we're not seeing it and I

489

00:21:53,159 --> 00:21:50,830

know David Politis has has talked about

490

00:21:57,710 --> 00:21:53,169

this he like how there is a big picture

491

00:21:59,730 --> 00:21:57,720

and how you know people in different

492

00:22:01,900 --> 00:21:59,740

schools of thought whether it's a

493

00:22:03,310 --> 00:22:01,910

Bigfoot research or ufology

494

00:22:05,830 --> 00:22:03,320

they'll have their own opinion about

495

00:22:07,030 --> 00:22:05,840

what goes on with missing for one block

496

00:22:08,530 --> 00:22:07,040

people say well it's got to be a li

497

00:22:10,750 --> 00:22:08,540

induction another people say oh it has

498

00:22:13,150 --> 00:22:10,760

to be Bigfoot everyone has their own

499

00:22:15,370 --> 00:22:13,160

theories and all kinds kind of fits when

500

00:22:18,580 --> 00:22:15,380

you when you read things like that now

501
00:22:20,350 --> 00:22:18,590
something can phase in and out of the

502
00:22:23,740 --> 00:22:20,360
visible light spectrum and then what we

503
00:22:26,380 --> 00:22:23,750
read a few episodes ago with with the

504
00:22:28,630 --> 00:22:26,390
the hunter who was in a tree stand when

505
00:22:30,460 --> 00:22:28,640
the forest around her fell silent and

506
00:22:33,360 --> 00:22:30,470
she saw a visual distortion in front of

507
00:22:39,720 --> 00:22:33,370
her took a picture with her blackberry

508
00:22:44,560 --> 00:22:39,730
all very bizarre [h__\h] as a skeptic show

509
00:22:45,820 --> 00:22:44,570
what do you think about this I love the

510
00:22:49,060 --> 00:22:45,830
idea I mean of course I love

511
00:22:50,410 --> 00:22:49,070
extraterrestrial life I wanna I want to

512
00:22:52,390 --> 00:22:50,420
believe that there's something bigger to

513
00:22:55,090 --> 00:22:52,400

focus on the [h__h] we proactive

514

00:23:00,520 --> 00:22:55,100

preoccupied yourselves with down here

515

00:23:02,440 --> 00:23:00,530

I just find first-hand accounts are

516

00:23:04,750 --> 00:23:02,450

better secondhand accounts or worse

517

00:23:05,680 --> 00:23:04,760

third and you know as it goes even worse

518

00:23:07,630 --> 00:23:05,690

and worse and worse

519

00:23:09,970 --> 00:23:07,640

and then you know when you realize that

520

00:23:11,440 --> 00:23:09,980

like remember those Time magazine

521

00:23:13,140 --> 00:23:11,450

commercials are what are people or

522

00:23:16,780 --> 00:23:13,150

whatever it was whereas like a mother

523

00:23:19,660 --> 00:23:16,790

sensed her son was experiencing pain hi

524

00:23:23,850 --> 00:23:19,670

magazine mysteries order now do you

525

00:23:26,290 --> 00:23:23,860

remember this I mean magazine mysteries

526

00:23:27,610 --> 00:23:26,300

and I and then it made me want to

527

00:23:29,230 --> 00:23:27,620

believe in ghosts and then I started

528

00:23:31,000 --> 00:23:29,240

believing ghosts I believe and I don't

529

00:23:32,800 --> 00:23:31,010

mean to equate the two it's just that

530

00:23:34,630 --> 00:23:32,810

yeah I mean I feel like if there are

531

00:23:36,940 --> 00:23:34,640

these accounts like that's interesting

532

00:23:38,950 --> 00:23:36,950

but why in the world isn't that how come

533

00:23:40,480 --> 00:23:38,960

it's only like fringe people who are in

534

00:23:42,790 --> 00:23:40,490

on this stuff I mean you get these

535

00:23:45,670 --> 00:23:42,800

people who turn out to be hoaxers who

536

00:23:48,130 --> 00:23:45,680

have like put a bunch of animal parts in

537

00:23:50,410 --> 00:23:48,140

a bucket and said oh we found Bigfoot

538

00:23:53,560 --> 00:23:50,420

remnants and they all get figured it out

539

00:23:55,210 --> 00:23:53,570

they all get figured out like how how is

540

00:23:58,480 --> 00:23:55,220

it that we've not been able to come

541

00:24:00,340 --> 00:23:58,490

across any of these things dead or alive

542

00:24:02,830 --> 00:24:00,350

or some hunter hasn't got it hasn't

543

00:24:05,170 --> 00:24:02,840

gotten chopped up in some you know tree

544

00:24:09,310 --> 00:24:05,180

butchering machine or drowned out by

545

00:24:11,140 --> 00:24:09,320

some fire bucket dropping water all over

546

00:24:13,510 --> 00:24:11,150

some woods on fire or something like I

547

00:24:14,920 --> 00:24:13,520

would feel I want to see the proof but

548

00:24:15,760 --> 00:24:14,930

then I get the same thing where it's

549

00:24:17,980 --> 00:24:15,770

like well if

550

00:24:19,720 --> 00:24:17,990

552
00:24:22,330 --> 00:24:20,660
that picture either

553
00:24:27,549 --> 00:24:22,340

557
00:24:38,350 --> 00:24:35,960
about to get on a routine flight

558
00:24:40,960 --> 00:24:38,360
suddenly he pauses he doesn't know why

559
00:24:42,430 --> 00:24:40,970
but he's got to walk away an hour later

560
00:24:46,930 --> 00:24:42,440
the plane goes down in flames

561
00:24:48,580 --> 00:24:46,940

looks moving with children trapped

564

00:24:54,460 --> 00:24:52,580

572

00:25:11,760 --> 00:25:08,800
