00:00:22,010 --> 00:00:19,980
making our way to the southeast to New

6
00:00:23,929 --> 00:00:22,020
Bedford we encounter friends along the

7
00:00:27,679 --> 00:00:23,939
way zombie hordes and struggle to

8
00:00:30,980 --> 00:00:27,689
survive this is the first episode in a

9
00:00:36,830 --> 00:00:30,990

16

00:00:59,990 --> 00:00:57,809

at the very northern part of the logging

17

00:01:05,359 --> 00:01:00,000

camp by the warehouses yeah we're ups

18

00:01:06,920 --> 00:01:05,369

we're upstairs stairs okay you'll see it

19

00:01:12,370 --> 00:01:06,930

it's there's two spots that are blocked

20

00:01:17,840 --> 00:01:14,870

Danny Tanner was trying to make a little

21

00:01:20,170 --> 00:01:17,850

Florida that out that little station

22

00:01:26,240 --> 00:01:20,180

that security guard stations into South

23

00:01:33,170 --> 00:01:26,250

I was gonna be his it's full house but

24

00:01:41,960 --> 00:01:33,180

the bracket 10 for the faction name it's

25

00:01:42,560 --> 00:01:41,970

probably have to say faction except I'm

26

00:01:52,940 --> 00:01:42,570

there

27

00:01:55,430 --> 00:01:52,950

her back all over okay how could Jesse's

28

00:01:57,590 --> 00:01:55,440

failing at this I just invited Danny

29

00:02:04,550 --> 00:01:57,600

Tanner to the full house faction to I'm

30

00:02:10,780 --> 00:02:04,560

just lining up right now and okay which

31

00:02:25,119 --> 00:02:13,190

sexy didn't even call Jessie muttonchops

32

00:02:34,399 --> 00:02:30,949

danny tanner's ready to rock it's a hit

33

00:02:36,580 --> 00:02:34,409

the a Muldrow police station and from

34

00:02:39,289 --> 00:02:36,590

there do what we do best

35

00:02:45,039 --> 00:02:39,299

sounds good go to Bedford Falls there's

36

00:02:57,589 --> 00:02:48,170

who's that but I'll talk to him first he

37

00:03:03,129 --> 00:02:57,599

may not know somebody talk to him okay I

38

00:03:15,069 --> 00:03:06,530

I'll cover him somebody type yeah can

39

00:03:22,340 --> 00:03:21,619

Dhiraj is a traffic pvp person do you

40

00:03:27,839 --> 00:03:22,350

know his name

41

00:03:27,849 --> 00:03:35,340

a desperate era this tiara

42

00:03:39,360 --> 00:03:37,200

I'm still up here I didn't come down all

43

00:03:46,920 --> 00:03:39,370

right I'm done all right about this

44

00:03:51,000 --> 00:03:48,600

well good thing I have zero ranks of

45

00:03:53,910 --> 00:03:51,010

aiming yeah you're quick on the draw

46

00:03:55,430 --> 00:03:53,920

that's for sure I was gonna shoot him

47

00:03:58,440 --> 00:03:55,440

but others didn't want to waste them

48

00:04:13,490 --> 00:03:58,450

because this is a spawn point so yeah

49

00:04:21,260 --> 00:04:15,690

what a sucks but I shot him right in the

50

00:04:31,540 --> 00:04:23,490

well we're headed to the mall if you

51
00:04:39,950 --> 00:04:33,800
conflicting information but ok see the

52
00:04:43,070 --> 00:04:39,960
[h__h] guy see we invite him to the

53
00:04:53,500 --> 00:04:43,080
faction we'll see how he does come with

54
00:04:58,190 --> 00:04:55,910
Jessie what are you doing digging around

55
00:04:58,700 --> 00:04:58,200
up there you think a drink of vitamin

56
00:05:05,990 --> 00:04:58,710
water

57
00:05:07,940 --> 00:05:06,000
drive the forklift he's in God's hands

58
00:05:10,750 --> 00:05:07,950
now we gotta wait for him he's a new

59
00:05:13,400 --> 00:05:10,760
member of there he is ok I don't want to

60
00:05:17,350 --> 00:05:13,410
it could be a very valuable piece of

61
00:05:24,950 --> 00:05:21,460
good job Uncle Jesse and Michelle

62
00:05:28,820 --> 00:05:24,960
beating zombies Michelle's grown up yeah

63
00:05:32,600 --> 00:05:28,830

she's a sniper went through some [h__h] in

64

00:05:33,969 --> 00:05:32,610

war and a raging alcoholic [h__h] I'm

65

00:05:43,460 --> 00:05:33,979

hungry

66

00:06:13,240 --> 00:05:43,470

just turkey zombification is very much

67

00:06:20,110 --> 00:06:13,250

on the server so we did that

68

00:06:24,590 --> 00:06:20,120

sorry PTSD Michelle damn it Michelle

69

00:06:29,510 --> 00:06:24,600

you're gonna draw on everybody you find

70

00:06:31,130 --> 00:06:29,520

71

00:06:36,790 --> 00:06:31,140

all right let's get the [h__h] out there

72

00:06:53,890 --> 00:06:36,800

yeah I even took extras son of a [h__h]

73

00:07:00,050 --> 00:06:53,900

there's a few good luck new guy damn

74

00:07:03,119 --> 00:07:00,060

75

00:07:12,290 --> 00:07:08,070

oh [h__h] Uncle Jesse closed the rabid fan

76

00:07:16,320 --> 00:07:12,300

almost got you Jesse and the rippers

77

00:07:17,579 --> 00:07:16,330

just trying to quit this DMX you better

78

00:07:22,409 --> 00:07:17,589

hurry up Uncle Jesse

79

00:07:23,629 --> 00:07:22,419

shit's going down 24/7 all right let's

80

00:07:35,749 --> 00:07:23,639

go

81

00:07:38,999 --> 00:07:35,759

this police station

82

00:07:44,429 --> 00:07:39,009

we'll get run around yeah we could do

83

00:07:54,600 --> 00:07:44,439

the old switcheroo the old Statue of

84

00:08:02,990 --> 00:07:56,790

I don't know what happened that dude we

85

00:08:07,580 --> 00:08:03,000

lost them he was in full house material

86

00:08:11,520 --> 00:08:07,590

he was a Kimmy Gibbler neighbor

87

00:08:16,410 --> 00:08:11,530

poor poor Kimmy Gibbler [h__h] I should

88

00:08:18,030 --> 00:08:16,420

have been Kimmy Gibbler you can't be me

89

00:08:20,910 --> 00:08:18,040

cool house

90

00:08:25,950 --> 00:08:20,920

there's a refugee camp south of Muldrow

91

00:08:29,610 --> 00:08:25,960

where the where the old crossroads used

92

00:08:33,690 --> 00:08:29,620

to be great I gotta take a [h__h] go down

93

00:08:45,950 --> 00:08:33,700

there and refugees Center take care of

94

00:08:50,320 --> 00:08:47,680

[Music]

95

00:08:54,140 --> 00:08:50,330

what you guys really took off didn't you

96

00:08:57,260 --> 00:08:54,150

yeah I took athletic and sprinter so me

97

00:09:04,630 --> 00:08:57,270

too all right I think I definitely took

98

00:09:10,000 --> 00:09:04,640

athletics clear it out for you

99

00:09:13,790 --> 00:09:12,260

Annie Kenner used to be a marathon

100

00:09:15,470 --> 00:09:13,800

runner in high school but then he

101
00:09:17,840 --> 00:09:15,480
twisted his ankle pretty badly and

102
00:09:18,950 --> 00:09:17,850
that's when uncle Joey entered a picture

103
00:09:25,870 --> 00:09:18,960
and cheered him up with all his jokes

104
00:09:29,090 --> 00:09:25,880
and gags history kind of seen stuff

105
00:09:32,000 --> 00:09:29,100
Annie molested - well I mean that came

106
00:09:33,850 --> 00:09:32,010
later we called every app Uncle Joe uses

107
00:09:36,710 --> 00:09:33,860
T is sneaking the Danny's room and

108
00:09:41,060 --> 00:09:36,720
impound his putt in front of them all I

109
00:09:44,930 --> 00:09:41,070
was sleeping like good night man that

110
00:09:48,620 --> 00:09:44,940
missed the police station yeah it's just

111
00:09:55,090 --> 00:09:48,630
we were waiting on earth okay yeah I'm

112
00:10:04,510 --> 00:09:56,770
we're not even there yet we're almost

113
00:10:07,120 --> 00:10:04,520

there did that guy actually have a like

114

00:10:09,420 --> 00:10:07,130

a blunt weapon or anything to use it

115

00:10:29,080 --> 00:10:09,430

started with an axe yeah I thought he

116

00:10:29,970 --> 00:10:29,090

freaked out what happens I'm almost

117

00:10:45,520 --> 00:10:29,980

there

118

00:10:50,190 --> 00:10:45,530

pretty close you know cut across the

119

00:10:55,690 --> 00:10:50,200

parking lot and diagonal yeah I am there

120

00:10:59,370 --> 00:10:55,700

big time oh yeah oh [h__\h] and oh boy I

121

00:11:01,440 --> 00:10:59,380

will start distracting him home south

122

00:11:06,120 --> 00:11:01,450

[Music]

123

00:11:10,480 --> 00:11:06,130

north holy crap oh boy I don't know

124

00:11:14,430 --> 00:11:10,490

don't be stuck in the middle that's step

125

00:11:17,550 --> 00:11:14,440

one boy let's pull north

126

00:11:21,019 --> 00:11:17,560

Oh in West my god they're like all here

127

00:11:24,059 --> 00:11:23,280

I'm sure [h__h] have been down here

128

00:11:31,030 --> 00:11:24,069

shootin

129

00:11:33,590 --> 00:11:31,040

I got a grenade on me oh yeah

130

00:11:37,259 --> 00:11:33,600

[Music]

131

00:11:38,879 --> 00:11:37,269

least I'll have a grenade yes I do

132

00:11:40,819 --> 00:11:38,889

let's not use those until we have

133

00:11:48,030 --> 00:11:40,829

absolutely have to

134

00:11:50,180 --> 00:11:48,040

so you're trying to pull my ruling yes I

135

00:12:06,820 --> 00:11:50,190

was gonna go north-northwest

136

00:12:13,259 --> 00:12:10,949

I might crack up a short shot up here I

137

00:12:17,220 --> 00:12:13,269

pulling them west through the woods okay

138

00:12:18,540 --> 00:12:17,230

then crack off a shot down there then

139

00:12:22,470 --> 00:12:18,550

[Music]

140

00:12:25,360 --> 00:12:22,480

I'm gonna go west in the woods as well

141

00:12:31,630 --> 00:12:25,370

I'm also double back down south and then

142

00:12:45,030 --> 00:12:31,640

come up north but here we go ten through

143

00:12:55,330 --> 00:12:48,330

I'm right behind Danny Tanner all right

144

00:12:57,490 --> 00:12:55,340

this is rebel you want now hopefully we

145

00:13:07,540 --> 00:12:57,500

don't go right through the wood for JB I

146

00:13:12,640 --> 00:13:07,550

know buzz dad I just go here this seems

147

00:13:15,790 --> 00:13:12,650

like it safe alright alright the head

148

00:13:17,350 --> 00:13:15,800

and West I cracked up a shoot with free

149

00:13:20,410 --> 00:13:17,360

shots on the other side of the woods so

150

00:13:23,080 --> 00:13:20,420

we doubled back down south and now we're

151
00:13:24,070 --> 00:13:23,090
cutting back across the woods so parking

152
00:13:29,560 --> 00:13:24,080
lots fairly empty

153
00:13:31,960 --> 00:13:29,570
oh not there's the [\h__\h] I'm gonna try

154
00:13:36,700 --> 00:13:31,970
and [\h__\h] get these other flagger

155
00:13:39,460 --> 00:13:36,710
[\h__\h] we got some slow zombies

156
00:13:45,820 --> 00:13:39,470
there and I got caught up on the [\h__\h]

157
00:13:50,980 --> 00:13:45,830
boxes kill him there's too many to kill

158
00:13:55,360 --> 00:13:50,990
no not even with a grenade I'm dead pull

159
00:14:00,190 --> 00:13:55,370
them all back here I know looking for

160
00:14:05,710 --> 00:14:00,200
spectacles yes okay I'm about to grenade

161
00:14:07,120 --> 00:14:05,720
them wait [\h__\h] I'm just in the south

162
00:14:11,460 --> 00:14:07,130
part of the parking lot and see you but

163
00:14:21,550 --> 00:14:11,470

you see you don't get too close

164

00:14:28,190 --> 00:14:24,080

they'd went a little far I heard it I

165

00:14:31,360 --> 00:14:28,200

heard it but that may have pulled them

166

00:14:33,470 --> 00:14:31,370

back here it was quite an explosion

167

00:14:41,390 --> 00:14:33,480

shaking grenade throws know what you

168

00:14:47,240 --> 00:14:44,420

I think I just got more zombie you might

169

00:14:51,610 --> 00:14:47,250

have been a bad decision but I will see

170

00:14:53,780 --> 00:14:51,620

you here in a little bit my poem self

171

00:15:02,329 --> 00:14:53,790

alright home South I'm gonna see if I

172

00:15:03,380 --> 00:15:02,339

can sneak in there real quick oh boy

173

00:15:08,540 --> 00:15:03,390

they're coming back they're coming back

174

00:15:13,090 --> 00:15:08,550

across the road a lot of them oh [h__h] I

175

00:15:24,040 --> 00:15:21,660

oh all gonna go it's bad where do I go

176

00:15:33,280 --> 00:15:24,050

I'm pretty sure the refugee camps got

177

00:15:33,970 --> 00:15:33,290

weapons okay yeah I told you evil yeah

178

00:15:37,540 --> 00:15:33,980

you're good

179

00:15:39,750 --> 00:15:37,550

keep running this way yeah let's go to

180

00:15:50,220 --> 00:15:39,760

the refugee camp maybe it'll help us

181

00:15:57,580 --> 00:15:53,350

turns out grenades draw in the zombies

182

00:15:59,520 --> 00:15:57,590

yeah from everywhere there's there was

183

00:16:02,410 --> 00:15:59,530

nothing we could do

184

00:16:04,300 --> 00:16:02,420

well new guys not getting into the

185

00:16:19,040 --> 00:16:04,310

police station I don't think anybody is

186

00:16:35,430 --> 00:16:28,780

[Music]

187

00:16:37,530 --> 00:16:35,440

so I think refugee camps by the

188

00:16:40,380 --> 00:16:37,540

Crossroads section and then we can check

189

00:16:43,890 --> 00:16:40,390

it out and cut over to Bedford ok um

190

00:16:50,730 --> 00:16:43,900

Danny ganders slowly coming up I just

191

00:16:55,920 --> 00:16:54,360

well we're gonna need to be well rested

192

00:16:58,890 --> 00:16:55,930

because Phoenix is in between I

193

00:17:01,440 --> 00:16:58,900

guarantee you Phoenix is overrun it's

194

00:17:02,790 --> 00:17:01,450

real [h__h] you know Phoenix Phoenix is

195

00:17:04,470 --> 00:17:02,800

always a [h__h] show the only place that

196

00:17:08,400 --> 00:17:04,480

silver run worse than that is the map

197

00:17:15,580 --> 00:17:08,410

that's called downtown that place is

198

00:17:23,570 --> 00:17:21,230

who runs this refugee camp I don't know

199

00:17:29,950 --> 00:17:23,580

if anybody's in there man bombs

200

00:17:42,530 --> 00:17:29,960

mandal bombs yeah baby some guys from a

201
00:17:45,910 --> 00:17:42,540
circle would be a sitcom let all the

202
00:17:50,290 --> 00:17:45,920
zombies into the camp didn't I do that

203
00:17:54,380 --> 00:17:50,300
eaten alive this is a nice-looking camp

204
00:17:57,260 --> 00:17:54,390
we just go up this rope [\h__\h] yeah like

205
00:18:02,000 --> 00:17:57,270
let's do prison yeah I guess it's more

206
00:18:04,220 --> 00:18:02,010
like a concentration camp definitely not

207
00:18:08,540 --> 00:18:04,230
just the grabber Chuck hey lair where we

208
00:18:10,220 --> 00:18:08,550
going wow this looks like a kid will

209
00:18:11,570 --> 00:18:10,230
stand quite an attack oh there's a

210
00:18:13,790 --> 00:18:11,580
helicopter right down there how'd you

211
00:18:16,630 --> 00:18:13,800
get down there guess other stairs stairs

212
00:18:19,010 --> 00:18:16,640
okay right by him

213
00:18:19,490 --> 00:18:19,020

some intestines in the helicopter that's

214

00:18:25,910 --> 00:18:19,500

not good

215

00:18:28,880 --> 00:18:25,920

any hallucinogens in general would be

241

00:20:20,130 --> 00:20:16,840

bad for you

242

00:20:24,030 --> 00:20:20,140

silencer on my uh stop and do that let's

246

00:20:37,810 --> 00:20:35,240

sprinting or walking as best you can go

255

00:21:26,520 --> 00:21:20,200

256

00:21:32,660 --> 00:21:26,530

Oh get me through we broke on through

257

00:21:36,930 --> 00:21:34,740

258

00:21:44,460 --> 00:21:40,080

259

00:21:47,430 --> 00:21:44,470

shells signs of civilization this is the

260

00:21:54,810 --> 00:21:47,440

road to Phoenix and Phoenix is gonna be

261

00:21:57,779 --> 00:21:54,820

[h__\h] overrun we know if there's any

262

00:22:03,210 --> 00:21:57,789

factions down in Phoenix I don't think

263

00:22:11,540 --> 00:22:03,220

there are but because Phoenix doesn't

264

00:22:16,010 --> 00:22:14,480

about who Doakes still looking for

265

00:22:17,770 --> 00:22:16,020

glasses for yeah I'm still keeping an

266

00:22:21,980 --> 00:22:17,780

eye out

267

00:22:23,720 --> 00:22:21,990

yeah Phoenix is not gonna be overrun

268

00:22:25,370 --> 00:22:23,730

it's already a bunch of zombies in the

269

00:22:27,320 --> 00:22:25,380

road Oh

270

00:22:28,580 --> 00:22:27,330

Uncle Jesse is already happy we should

271

00:22:41,510 --> 00:22:28,590

probably keep moving a little bit

272

00:22:48,610 --> 00:22:41,520

oh she's fast athletic and he's a

273

00:23:00,490 --> 00:22:50,799

oh boy okay which way do we go in

274

00:23:16,820 --> 00:23:00,500

Phoenix just keep going east okay I'm

275

00:23:23,520 --> 00:23:21,450

Uncle Jesse pooped himself Jessie he

276

00:23:30,300 --> 00:23:23,530

ripped he's a ripper guessing the

277

00:23:36,080 --> 00:23:30,310

rippers was that is a glam rock band

278

00:23:39,210 --> 00:23:36,090

yeah Jesse also joined the Beach Boys

279

00:23:44,490 --> 00:23:39,220

John Stamos was in real life the drummer

280

00:23:47,790 --> 00:23:44,500

for The Beach Boys for quite a while he

281

00:23:50,820 --> 00:23:47,800

was yeah he's still very friendly within

282

00:23:52,680 --> 00:23:50,830

Beach Boys on the Beach Boys are like 70

283

00:23:55,200 --> 00:23:52,690

if you recall there's a big full house

284

00:23:57,510 --> 00:23:55,210

episode where a full house too ain't

285

00:24:04,400 --> 00:23:57,520

Hana myself joined the Beach Boys on
