00:00:15,289 --> 00:00:13,110  
and food we run into some other players

4  
00:00:18,320 --> 00:00:15,299

13  
00:01:17,060 --> 00:01:11,580

14

00:01:19,700 --> 00:01:17,070

they got us all okay I'm gonna need that

15

00:01:21,580 --> 00:01:19,710

16

00:01:25,070 --> 00:01:21,590

19

00:01:31,590 --> 00:01:26,940

for himself

20

00:01:38,700 --> 00:01:35,600

21

00:01:45,560 --> 00:01:38,710

suppressed rabbits there maybe he there

22

00:01:49,109 --> 00:01:45,570

23

00:01:51,020 --> 00:01:49,119

rare yeah I think there's a sheet rub

24

00:01:54,930 --> 00:01:51,030

coming down from the top of it

25

00:02:01,980 --> 00:01:54,940

32  
00:02:27,140 --> 00:02:18,220  
someone's right down on the first floor

33  
00:02:33,660 --> 00:02:27,150

39

00:03:04,449 --> 00:03:03,200

top of your base is that okay if you

40

00:03:06,250 --> 00:03:04,459

found this book you have found one of

41

00:03:07,600 --> 00:03:06,260

the safe zone set up around Bedford

42

00:03:08,979 --> 00:03:07,610

Falls for anyone left alive for this

43

00:03:11,170 --> 00:03:08,989

hellhole we've taken people and trying

44

00:03:12,670 --> 00:03:11,180

to help all only roles don't steal from

45

00:03:14,590 --> 00:03:12,680

us we got to stick together and we

46

00:03:16,240 --> 00:03:14,600

usually got enough to share contact

47

00:03:17,800 --> 00:03:16,250

Damon if you want to help out only

48

00:03:22,000 --> 00:03:17,810

together can we beat this horde of the

49

00:03:25,000 --> 00:03:22,010

undead the saviors aren't the saviors

50

00:03:27,610 --> 00:03:25,010

aren't good people they're survivors yes

51  
00:03:32,770 --> 00:03:27,620  
your favorite survivors my bad you like

52  
00:03:32,780 --> 00:03:45,970  
perhaps yes we like a walkie

53  
00:03:52,670 --> 00:03:48,350  
when we leave make sure we yell at them

54  
00:03:54,140 --> 00:03:52,680  
tanner tanner rules they're gonna give

55  
00:04:08,780 --> 00:03:54,150  
us a walkie I said yes we'd like to keep

56  
00:04:08,790 --> 00:04:16,560  
where should I get the walkie from

57  
00:04:16,570 --> 00:04:30,270  
open the door

58  
00:04:35,280 --> 00:04:32,850

59  
00:04:39,230 --> 00:04:35,290

60  
00:04:44,400 --> 00:04:39,240  
where are you at I think they're

61  
00:04:54,590 --> 00:04:44,410  
unlocking a door a little walkie-talkie

62  
00:04:56,850 --> 00:04:54,600

77

00:06:27,800 --> 00:06:25,139

78

00:06:30,020 --> 00:06:27,810
