radio yeah

15

00:01:08,310 --> 00:01:22,680

leaders of the affection

16

00:01:22,690 --> 00:01:41,840

Shh could use your skills

17

00:01:41,850 --> 00:01:56,550

yep

00:02:06,819 --> 00:02:01,870

crossroads near mold no he's not yes it

19

00:02:08,320 --> 00:02:06,829

come to Bedford I like how you're

20

00:02:27,110 --> 00:02:08,330

putting that in caps we're going to the

21

00:02:32,330 --> 00:02:30,770

the unit trance from the original well

22

00:02:36,710 --> 00:02:32,340

there's no translation though the bed

23

00:02:39,830 --> 00:02:36,720

phone Bedford I'm telling the survivors

24

00:02:41,420 --> 00:02:39,840

we're coming to you we want we want a

25

00:02:46,640 --> 00:02:41,430

hatch out a deal this can work out I

26

00:02:49,850 --> 00:02:46,650

know it can are we ready guys this is

27

00:02:53,869 --> 00:02:49,860

some trumped-up bull barging in full

28

00:02:58,339 --> 00:02:53,879

arms for peace right here baby yes good

29

00:03:09,199 --> 00:02:58,349

ended the bloodbath but hello everyone

30

00:03:17,649 --> 00:03:09,209

ready assaulting bi your toes not an

31

00:03:17,659 --> 00:03:25,770

shotguns loaded

32

00:03:36,240 --> 00:03:28,690

we're all running out on you we are

33

00:03:48,670 --> 00:03:40,780

regulators mount up violin it's five of

34

00:03:57,290 --> 00:03:52,930

if we can get into a shootout take like

35

00:04:00,320 --> 00:03:57,300

that most diners and casually it's very

36

00:04:01,700 --> 00:04:00,330

possible if we go up there and they're

37

00:04:05,690 --> 00:04:01,710

just there to elevated position with

38

00:04:07,790 --> 00:04:05,700

like some good aim like an AR it so yeah

39

00:04:10,580 --> 00:04:07,800

yeah yeah they kill a few people who

40

00:04:11,780 --> 00:04:10,590

forgive you we kind of we already

41

00:04:13,930 --> 00:04:11,790

announced that we're coming down there

42

00:04:17,300 --> 00:04:13,940

so there's no element of surprise no

43

00:04:19,430 --> 00:04:17,310

assault from different positions will

44

00:04:22,970 --> 00:04:19,440

negotiate from different angles they'll

45

00:04:26,870 --> 00:04:22,980

be like Rainbow six siege yeah they are

46

00:04:30,260 --> 00:04:26,880

in a wooded area I don't remember

47

00:04:34,010 --> 00:04:30,270

exactly where they're at their farm

48

00:04:41,650 --> 00:04:34,020

violence yeah the giant lake oh yeah

49

00:04:50,840 --> 00:04:44,630

we just going straight here we go yep

50

00:05:01,880 --> 00:04:50,850

okay here we are okay the coordinate

51  
00:05:08,300 --> 00:05:01,890  
Viet we are at 1349 6 x 10 6 7 to not

52  
00:05:15,650 --> 00:05:08,310  
run into you know give her our

53  
00:05:19,690 --> 00:05:15,660  
coordinate here's Danny or close enough

54  
00:05:22,010 --> 00:05:19,700  
now that they can hear some local yep

55  
00:05:31,140 --> 00:05:22,020  
jazz still plays you can try and recruit

56  
00:05:38,250 --> 00:05:34,530  
okay where you guys at you went down

57  
00:05:41,160 --> 00:05:38,260  
south okay yeah bet they were you got

58  
00:05:43,710 --> 00:05:41,170  
your at their front door yeah ok back to

59  
00:05:46,850 --> 00:05:43,720  
her I pulled up the rope they did

60  
00:05:52,369 --> 00:05:49,879  
I can't build stairs yet looks like

61  
00:05:55,779 --> 00:05:52,379  
we're circling okay I'm a I'm a

62  
00:05:58,219 --> 00:05:55,789  
gulf-front and start peaceably

63  
00:05:59,749 --> 00:05:58,229

negotiating with them I have a hammer so

64

00:06:01,610 --> 00:05:59,759

I can rip these boy we don't know we

65

00:06:07,580 --> 00:06:01,620

don't need to do that just yet keep an

66

00:06:07,590 --> 00:06:34,250

hello we are here

67

00:06:34,260 --> 00:06:46,780

we wish to talk about boundaries trade

68

00:07:06,539 --> 00:06:50,100

69

00:07:13,959 --> 00:07:09,759

00:10:09,260 --> 00:10:07,620  
up north in a not very far away from

103  
00:10:12,380 --> 00:10:09,270  
their house but we're kind of trap till

104  
00:10:15,860 --> 00:10:12,390  
I don't know we're like in a structure

105  
00:10:20,570 --> 00:10:15,870
