

HUMANOID ENCOUNTERS

*eyewitness stories
bizarre tales
unknown creatures*

1
00:00:02,550 --> 00:00:12,850

[Music]

2
00:00:19,510 --> 00:00:17,350

get off my phone get off my phone you

3
00:00:22,300 --> 00:00:19,520

little pinhead that's right you know my

4
00:00:24,850 --> 00:00:22,310

phone you little pinhead I have been

5
00:00:27,490 --> 00:00:24,860

ordering a lot of books lately

6
00:00:31,000 --> 00:00:27,500

mostly paranormal and conspiracy in

7
00:00:32,470 --> 00:00:31,010

nature it seems that somehow that clown

8
00:00:34,180 --> 00:00:32,480

baby and I did a little bit of a

9
00:00:38,500 --> 00:00:34,190

flip-flop now I'm reporting on the

10
00:00:39,820 --> 00:00:38,510

strange cryptids and creatures and lab'

11
00:00:41,680 --> 00:00:39,830

who's not doing some more political

12
00:00:44,860 --> 00:00:41,690

stuff which I'm okay with gives us each

13
00:00:46,509 --> 00:00:44,870

a break yeah well you know it's good for

14

00:00:48,070 --> 00:00:46,519

you know a couple months and then you'll

15

00:00:50,049 --> 00:00:48,080

want to take a break although I might do

16

00:00:51,939 --> 00:00:50,059

some missing foreign one next jokes it

17

00:00:53,020 --> 00:00:51,949

will read some more hunters but and I

18

00:00:55,930 --> 00:00:53,030

love making the videos because people

19

00:00:57,609 --> 00:00:55,940

get so ass hurt people really get upset

20

00:00:59,530 --> 00:00:57,619

at our missing four one one videos in

21

00:01:02,009 --> 00:00:59,540

YouTube for whatever reason I don't get

22

00:01:06,730 --> 00:01:02,019

it by the way I was looking at the kam

23

00:01:11,520 --> 00:01:06,740

project YouTube and some are missing 401

24

00:01:15,730 --> 00:01:13,750

and also Jeff I left the the

25

00:01:17,170 --> 00:01:15,740

Pennsylvania uf own Bigfoot case but

26

00:01:19,240 --> 00:01:17,180

there please read through there there

27

00:01:21,790 --> 00:01:19,250

are a lot of cases that are very

28

00:01:23,800 --> 00:01:21,800

intriguing alright we'll do a read

29

00:01:25,870 --> 00:01:23,810

through that right now I'm gonna read a

30

00:01:27,880 --> 00:01:25,880

few paragraphs and affirm a few cases of

31

00:01:32,230 --> 00:01:27,890

this most recent book that I got called

32

00:01:35,580 --> 00:01:32,240

humanoid encounters the others among us

33

00:01:40,540 --> 00:01:35,590

and these are encounters from 2010 to

34

00:01:42,700 --> 00:01:40,550

2015 it's just a book full of weird

35

00:01:45,610 --> 00:01:42,710

encounters characterized in certain ways

36

00:01:47,860 --> 00:01:45,620

like the is it a close encounter of the

37

00:01:50,560 --> 00:01:47,870

Third Kind or is this like a time shift

38

00:01:52,570 --> 00:01:50,570

or these Bigfoot sightings they're all

39

00:01:54,550 --> 00:01:52,580

categorize in some way so it's a pretty

40

00:01:57,399 --> 00:01:54,560

fun to go through and and kind of

41

00:02:02,680 --> 00:01:57,409

dissect some this stuff so this first

42

00:02:08,320 --> 00:02:02,690

one is from Botswana and this happened

43

00:02:10,539 --> 00:02:08,330

on March 5th of 2010 according to

44

00:02:12,550 --> 00:02:10,549

published reports children at a primary

45

00:02:15,990 --> 00:02:12,560

school in the small village have become

46

00:02:18,059 --> 00:02:16,000

victims of an alleged hairy sex dwarf

47

00:02:21,370 --> 00:02:18,069

parents of hundreds of children

48

00:02:22,960 --> 00:02:21,380

attending the priorities goal have kept

49

00:02:25,120 --> 00:02:22,970

their kids home from school until the

50

00:02:27,220 --> 00:02:25,130

attacker has been caught over the

51
00:02:29,980 --> 00:02:27,230
past 12 months several children have

52
00:02:32,500 --> 00:02:29,990
been molested sometimes repeatedly by an

53
00:02:35,290 --> 00:02:32,510
unknown assailant described as a short

54
00:02:39,820 --> 00:02:35,300
hairy creature with cat-like features in

55
00:02:41,980 --> 00:02:39,830
long claws attack what's that is it

56
00:02:46,750 --> 00:02:41,990
Danny DeVito I think they are kind of

57
00:02:52,120 --> 00:02:46,760
describing Dana veto of twins Fame and

58
00:02:55,300 --> 00:02:52,130
taxi it's night man following the attack

59
00:02:58,420 --> 00:02:55,310
the victims ages around 12 years of age

60
00:03:00,700 --> 00:02:58,430
are found in a comatose state which they

61
00:03:02,200 --> 00:03:00,710
have remained remained in or remaining

62
00:03:04,390 --> 00:03:02,210
for up to four hours

63
00:03:06,190 --> 00:03:04,400

physical examination revealed that some

64

00:03:08,650 --> 00:03:06,200

of the children had also been sexually

65

00:03:10,690 --> 00:03:08,660

abused by their attacker or quickly

66

00:03:14,020 --> 00:03:10,700

spread amongst the villagers that the

67

00:03:16,540 --> 00:03:14,030

mystery child rapist was the Tokoloshe

68

00:03:19,120 --> 00:03:16,550

It according to African Lord the

69

00:03:21,670 --> 00:03:19,130

double-o she cannot be seen by adults as

70

00:03:23,980 --> 00:03:21,680

it carries a magic pebble in his mouth

71

00:03:25,660 --> 00:03:23,990

to make it invisible to grown-ups it's

72

00:03:28,080 --> 00:03:25,670

also said to have an incredibly large

73

00:03:32,140 --> 00:03:28,090

penis which is slings over shoulders

74

00:03:34,270 --> 00:03:32,150

overnight residents have expressed anger

75

00:03:38,170 --> 00:03:34,280

in frustration that the village chief

76

00:03:41,350 --> 00:03:38,180

has not taken matters seriously now I

77

00:03:46,090 --> 00:03:41,360

read this because this is one of the

78

00:03:47,790 --> 00:03:46,100

only mentions of where they talk about

79

00:03:53,410 --> 00:03:47,800

the genitals of these weird creatures

80

00:03:56,620 --> 00:03:53,420

yeah this one is so big that it has to

81

00:03:59,230 --> 00:03:56,630

be slung over the creatures shoulders

82

00:04:01,090 --> 00:03:59,240

Danny DeVito shoulders if you can

83

00:04:03,130 --> 00:04:01,100

imagine Danny DeVito walking around and

84

00:04:05,980 --> 00:04:03,140

you know after or African village

85

00:04:09,340 --> 00:04:05,990

molesting children but a huge [h__h] slung

86

00:04:11,680 --> 00:04:09,350

over is this shorter he's probably using

87

00:04:17,890 --> 00:04:11,690

that giant penis to bludgeon these kids

88

00:04:23,110 --> 00:04:17,900

into comas so I can assume it's like is

89

00:04:26,770 --> 00:04:23,120

a roofie just beats him with a bee with

90

00:04:26,780 --> 00:04:32,170

[Music]

91

00:04:37,850 --> 00:04:35,570

very bizarre we I don't think we've

92

00:04:39,710 --> 00:04:37,860

heard a story like that in all of our

93

00:04:43,629 --> 00:04:39,720

lloyd research

94

00:04:47,780 --> 00:04:43,639

thus yet very interesting trying to be

95

00:04:51,500 --> 00:04:47,790

this bizarre bizarre rape troll yeah

96

00:04:55,219 --> 00:04:51,510

lovely lot of the stories we read are

97

00:04:58,250 --> 00:04:55,229

from America they're from England or

98

00:05:01,100 --> 00:04:58,260

Australia Geoff has touched on some

99

00:05:03,050 --> 00:05:01,110

stuff from Europe but it's nice to hear

100

00:05:05,120 --> 00:05:03,060

things that are from all across the

101
00:05:13,580 --> 00:05:05,130
group all thoughts to grow up globe as

102
00:05:17,990 --> 00:05:13,590
well all right this one is from the room

103
00:05:20,060 --> 00:05:18,000
to be specific a 30 year old male was

104
00:05:23,750 --> 00:05:20,070
walking his dog in a field next to a

105
00:05:25,100 --> 00:05:23,760
wall when he saw what initially he

106
00:05:27,290 --> 00:05:25,110
thought was a person a person

107
00:05:29,150 --> 00:05:27,300
approaching suddenly his dog began to

108
00:05:31,430 --> 00:05:29,160
growl and bark at the approaching

109
00:05:33,920 --> 00:05:31,440
stranger trying to restrain his dog the

110
00:05:36,260 --> 00:05:33,930
man noticed that the person not seemed

111
00:05:36,830 --> 00:05:36,270
to walk but float inches above the

112
00:05:39,260 --> 00:05:36,840
ground

113
00:05:41,990 --> 00:05:39,270

I would appear to be a cushion of air a

114

00:05:44,300 --> 00:05:42,000

stranger figure the strangers figure was

115

00:05:46,610 --> 00:05:44,310

approximately two meters in height in

116

00:05:49,820 --> 00:05:46,620

pitch black in color and apparently

117

00:05:53,300 --> 00:05:49,830

intended to attack both the man and his

118

00:05:56,029 --> 00:05:53,310

animal but dog learner attempted to drag

119

00:06:00,200 --> 00:05:56,039

his pet away both overtaken by the

120

00:06:03,200 --> 00:06:00,210

strange figure a wild hand in a wild

121

00:06:05,510 --> 00:06:03,210

hand and fight did not prevent the

122

00:06:08,629 --> 00:06:05,520

witness from noticing certain features

123

00:06:12,020 --> 00:06:08,639

on the mysterious beam the face was

124

00:06:14,480 --> 00:06:12,030

shallow as if skinless and it had large

125

00:06:16,550 --> 00:06:14,490

white eyes his body was covered in

126
00:06:19,550 --> 00:06:16,560
strange garment but seemed to be more

127
00:06:22,490 --> 00:06:19,560
robotic in nature than human the witness

128
00:06:25,010 --> 00:06:22,500
a black belt in karate struggled with a

129
00:06:26,900 --> 00:06:25,020
beam and punched it in the area what he

130
00:06:28,850 --> 00:06:26,910
thought was disturbed on several

131
00:06:31,430 --> 00:06:28,860
occasions suddenly the dark humanoid

132
00:06:33,920 --> 00:06:31,440
jumped back and took a tremendous leap

133
00:06:36,800 --> 00:06:33,930
into the air disappearing into the sky

134
00:06:39,440 --> 00:06:36,810
as if it was sucked away by an invisible

135
00:06:41,899 --> 00:06:39,450
force around the same time in the

136
00:06:42,879 --> 00:06:41,909
vicinity others had noticed a bright

137
00:06:45,489 --> 00:06:42,889
ball of

138
00:06:47,649 --> 00:06:45,499

light the size of a half moon hovering

139

00:06:49,839 --> 00:06:47,659

in the area it suddenly began to

140

00:06:51,100 --> 00:06:49,849

oscillate at a high rate of speed and

141

00:06:53,589 --> 00:06:51,110

vanish into the sky

142

00:06:55,330 --> 00:06:53,599

the main witness immediately ran to the

143

00:06:58,029 --> 00:06:55,340

house and notified his family who

144

00:07:00,459 --> 00:06:58,039

immediately noticed the notice a

145

00:07:02,649 --> 00:07:00,469

mysterious rash on the man's arms and

146

00:07:04,570 --> 00:07:02,659

face resembling first-degree burns the

147

00:07:07,149 --> 00:07:04,580

witness then noticed notify the police

148

00:07:09,909 --> 00:07:07,159

and was instructed not to tell anyone

149

00:07:13,629 --> 00:07:09,919

about the bizarre encounter a few days

150

00:07:17,860 --> 00:07:13,639

later the area in which the encounter

151
00:07:20,019 --> 00:07:17,870
occurred was mysteriously fenced off but

152
00:07:27,610 --> 00:07:20,029
was reopened to the public a few days

153
00:07:29,379 --> 00:07:27,620
later very interesting creepy I like

154
00:07:32,469 --> 00:07:29,389
this one because this is there's

155
00:07:35,200 --> 00:07:32,479
somebody who knew hand in martial arts

156
00:07:37,029 --> 00:07:35,210
and decided to fight back punching and

157
00:07:40,809 --> 00:07:37,039
kicking with his dog there growling and

158
00:07:46,540 --> 00:07:40,819
helping him with the giant dick slinging

159
00:07:49,769 --> 00:07:46,550
around in every case a giant dick in

160
00:07:53,399 --> 00:07:49,779
this one this is a different different

161
00:07:55,719 --> 00:07:53,409
this was a giant dick one was in Africa

162
00:07:57,820 --> 00:07:55,729
man it's hard to keep track of all these

163
00:08:03,519 --> 00:07:57,830

I know Joe but you gotta try you gotta

164

00:08:05,409 --> 00:08:03,529

try dude so this one what you like this

165

00:08:07,510 --> 00:08:05,419

because the he doesn't he knows an

166

00:08:09,730 --> 00:08:07,520

Italian sort of a kung fu or is it like

167

00:08:12,100 --> 00:08:09,740

a just said karate I like this one

168

00:08:14,649 --> 00:08:12,110

because this was a mention of someone

169

00:08:17,170 --> 00:08:14,659

not being scared and ran away this is

170

00:08:20,379 --> 00:08:17,180

one who decided he had no choice but to

171

00:08:23,230 --> 00:08:20,389

confront this entity and kick and punch

172

00:08:24,969 --> 00:08:23,240

it as best he could he wanted worth like

173

00:08:27,070 --> 00:08:24,979

maybe first year good barn burns on his

174

00:08:31,209 --> 00:08:27,080

on his body but he was able to get away

175

00:08:33,310 --> 00:08:31,219

but the beam was must have been damaged

176
00:08:35,800 --> 00:08:33,320
they're scared because it left back and

177
00:08:37,360 --> 00:08:35,810
left into the air that did got the [h__h]

178
00:08:39,130 --> 00:08:37,370
out of there this this creature got the

179
00:08:43,180 --> 00:08:39,140
[h__h] out of there it wanted nothing to

180
00:08:46,389 --> 00:08:43,190
do with earth kung fu it may have been

181
00:08:49,569 --> 00:08:46,399
uh old Dino bouncing them right out

182
00:08:51,880 --> 00:08:49,579
good Benny eh get out of the club buddy

183
00:08:53,170 --> 00:08:51,890
it's Italian culture they don't put up

184
00:08:55,780 --> 00:08:53,180
with that you can't drink it do much

185
00:08:57,850 --> 00:08:55,790
yeah yeah we know

186
00:09:07,930 --> 00:08:57,860
we're not only goth music around here

187
00:09:09,420 --> 00:09:07,940
kid hey what do you pay sorry um I could

188
00:09:15,300 --> 00:09:09,430

read another one here I'll see if I can

189

00:09:18,640 --> 00:09:15,310

read a bit of a shorter one there's a I

190

00:09:24,670 --> 00:09:18,650

often try to I've been trying to find

191

00:09:28,320 --> 00:09:24,680

ones that resemble stories from missing

192

00:09:30,340 --> 00:09:28,330

one for one one know like I'd like to

193

00:09:33,550 --> 00:09:30,350

see if I can find any kind of

194

00:09:35,470 --> 00:09:33,560

correlation between missing for one and

195

00:09:37,750 --> 00:09:35,480

these some of these stories that I found

196

00:09:39,430 --> 00:09:37,760

in this book I found a few like when it

197

00:09:41,020 --> 00:09:39,440

comes to like you know hunting and

198

00:09:45,430 --> 00:09:41,030

camping but nothing out of the ordinary

199

00:09:47,860 --> 00:09:45,440

nothing nothing crazy but I of course I

200

00:09:49,480 --> 00:09:47,870

just got the book let's look at some dog

201
00:09:51,700 --> 00:09:49,490
man sighting areas and see if there's

202
00:09:55,750 --> 00:09:51,710
any India might fit the description of

203
00:09:59,050 --> 00:09:55,760
or that in Wisconsin for the man-bat yes

204
00:10:02,200 --> 00:09:59,060
now this one is one that we have read

205
00:10:05,560 --> 00:10:02,210
maybe about a year or two ago but I

206
00:10:10,240 --> 00:10:05,570
think we could revisit this one it's not

207
00:10:12,400 --> 00:10:10,250
bad and definitely intriguing a group of

208
00:10:14,410 --> 00:10:12,410
three mountain bikers reportedly saw

209
00:10:16,900 --> 00:10:14,420
reptilian humanoid last week in the

210
00:10:19,990 --> 00:10:16,910
middle of a trail located on in the

211
00:10:22,900 --> 00:10:20,000
Sonoran Desert bicyclists were riding a

212
00:10:25,660 --> 00:10:22,910
24 hours we're riding the 24 hours in

213
00:10:27,430 --> 00:10:25,670

the Old Pueblo with race course a 17

214

00:10:30,670 --> 00:10:27,440

mile trail when they spotted the

215

00:10:34,050 --> 00:10:30,680

creature it's a tough one said G Johnson

216

00:10:37,810 --> 00:10:34,060

34 a self-described businessperson from

217

00:10:40,300 --> 00:10:37,820

Tucson it's a 24 hour track so you

218

00:10:41,260 --> 00:10:40,310

better come prepared with more than

219

00:10:43,990 --> 00:10:41,270

enough food and water

220

00:10:45,820 --> 00:10:44,000

there are times we just want to go back

221

00:10:46,750 --> 00:10:45,830

and wish you had never gotten gotten out

222

00:10:49,150 --> 00:10:46,760

there in the first place

223

00:10:51,880 --> 00:10:49,160

but when you see what nature has to

224

00:10:53,260 --> 00:10:51,890

offer you well those regrets simply

225

00:10:55,750 --> 00:10:53,270

dissipate it rather quickly

226

00:10:57,880 --> 00:10:55,760

Johnson states that he and two other

227

00:11:00,490 --> 00:10:57,890

friends were halfway into the track when

228

00:11:02,770 --> 00:11:00,500

something terrifying made the group

229

00:11:05,200 --> 00:11:02,780

consider canceling the ride we had been

230

00:11:06,990 --> 00:11:05,210

riding for about an hour I don't know

231

00:11:14,069 --> 00:11:07,000

maybe

232

00:11:16,769 --> 00:11:14,079

every now and again then michael says he

233

00:11:19,350 --> 00:11:16,779

needed to stop for a minute we were

234

00:11:24,110 --> 00:11:19,360

waiting for him to finish when all of a

235

00:11:26,999 --> 00:11:24,120

sudden we see a thing very we see a

236

00:11:31,800 --> 00:11:27,009

thing very long figure walking across

237

00:11:35,519 --> 00:11:31,810

the trail he is maybe about 6 foot tall

238

00:11:38,670 --> 00:11:35,529

very very skinny and had an awkward gait

239

00:11:43,170 --> 00:11:38,680

like a monkey or a man with a diseased

240

00:11:45,420 --> 00:11:43,180

almost robotic kind of gait okay watch I

241

00:11:47,309 --> 00:11:45,430

I also find this interesting this is of

242

00:11:48,960 --> 00:11:47,319

one of the things I'm commonly concerned

243

00:11:50,790 --> 00:11:48,970

about is when people go to the bathroom

244

00:11:53,519 --> 00:11:50,800

so apparently his buddies on this bike

245

00:11:55,170 --> 00:11:53,529

trip we're only a couple couple hours

246

00:11:59,400 --> 00:11:55,180

into it when Michael had to pull over

247

00:12:00,900 --> 00:11:59,410

and take a [h__h] and then as Michael was

248

00:12:06,749 --> 00:12:00,910

taking a [h__h] is when they saw this

249

00:12:10,769 --> 00:12:06,759

weird creature this guy he starts up by

250

00:12:15,059 --> 00:12:10,779

saying it's a 24 hour 17 mile trail I

251
00:12:17,759 --> 00:12:15,069
guess it's open for 24 hours okay that's

252
00:12:19,579 --> 00:12:17,769
what it says because if he way through

253
00:12:22,410 --> 00:12:19,589
and he's been on it for an hour or two

254
00:12:26,420 --> 00:12:22,420
it's that I'm not alright

255
00:12:29,009 --> 00:12:26,430
then what's the rest of it like yeah

256
00:12:30,809 --> 00:12:29,019
according to the witnesses two of the

257
00:12:32,999 --> 00:12:30,819
men were watching the strange animal

258
00:12:34,350 --> 00:12:33,009
while the third one Michael was unaware

259
00:12:37,230 --> 00:12:34,360
of what was happening you know why cuz

260
00:12:40,199 --> 00:12:37,240
he was busy taking a [h__\h] yeah most

261
00:12:43,319 --> 00:12:40,209
vulnerable period Union then all I

262
00:12:47,340 --> 00:12:43,329
remembered about Michael is him saying

263
00:12:58,740 --> 00:12:47,350

what the hell is that of course what the

264

00:13:04,530 --> 00:12:58,750

hell is that what is that thing oh my

265

00:13:08,910 --> 00:13:04,540

god Jay holy [h__h] he's a self-described

266

00:13:10,439 --> 00:13:08,920

businessman yes he is yeah then all I

267

00:13:12,629 --> 00:13:10,449

remember is Michael saying what is that

268

00:13:15,210 --> 00:13:12,639

or something like that but he sounded

269

00:13:18,929 --> 00:13:15,220

far away he probably used a different

270

00:13:20,260 --> 00:13:18,939

word instead of hell thing is we had

271

00:13:22,450 --> 00:13:20,270

somehow walk a little

272

00:13:24,310 --> 00:13:22,460

towards the thing don't ask me why maybe

273

00:13:26,920 --> 00:13:24,320

to get a better look at it not knowing

274

00:13:28,720 --> 00:13:26,930

what it was then Johnson says the

275

00:13:31,150 --> 00:13:28,730

creature heard Michael speak and

276

00:13:35,170 --> 00:13:31,160

apparently taking notice of the

277

00:13:38,140 --> 00:13:35,180

intruders its head took an eerie two

278

00:13:40,750 --> 00:13:38,150

hundred and eighty degree turn he

279

00:13:43,570 --> 00:13:40,760

stopped and it made eye contact me and I

280

00:13:46,840 --> 00:13:43,580

could see him clearly the eyes were kind

281

00:13:49,030 --> 00:13:46,850

of like a snake's black with a yellow

282

00:13:51,550 --> 00:13:49,040

stripe in the middle of the eyes he had

283

00:13:54,940 --> 00:13:51,560

green and red scales on the face and

284

00:13:59,290 --> 00:13:54,950

head the red color was kind of like the

285

00:14:01,690 --> 00:13:59,300

same of the desert sand and it looked

286

00:14:05,080 --> 00:14:01,700

like it had a very sandy texture to it

287

00:14:09,220 --> 00:14:05,090

it didn't have a nose only two holes on

288

00:14:11,260 --> 00:14:09,230

it I couldn't see any ears or hair a red

289

00:14:13,300 --> 00:14:11,270

mouth that looked like it had blood

290

00:14:15,130 --> 00:14:13,310

around it but did it look like it was

291

00:14:17,230 --> 00:14:15,140

bleeding it looked like a pattern it

292

00:14:19,540 --> 00:14:17,240

reminded me of a chameleon but it looked

293

00:14:22,000 --> 00:14:19,550

like a person - allegedly the creature

294

00:14:23,950 --> 00:14:22,010

raised its long arm with the

295

00:14:27,730 --> 00:14:23,960

strange-looking with strange-looking

296

00:14:30,610 --> 00:14:27,740

claws that looked like a branch of a

297

00:14:31,000 --> 00:14:30,620

branch full of thorns and waved it at

298

00:14:34,390 --> 00:14:31,010

them

299

00:14:38,470 --> 00:14:34,400

plus he uses waving hi-yah used to say

300

00:14:41,440 --> 00:14:38,480

hey guys been neighborly and waited at

301
00:14:43,750 --> 00:14:41,450
them a meeting a loud chattering sound

302
00:14:46,000 --> 00:14:43,760
with his teeth then it rapidly ran away

303
00:14:49,090 --> 00:14:46,010
in a fashion that reminded the witnesses

304
00:14:52,780 --> 00:14:49,100
of a lizard trying to hide he took what

305
00:14:54,700 --> 00:14:52,790
he looked like what he was examining he

306
00:14:56,950 --> 00:14:54,710
was examining us and then ran into the

307
00:14:58,990 --> 00:14:56,960
desert we thought about going back the

308
00:15:00,460 --> 00:14:59,000
same way we came but we thought it

309
00:15:04,570 --> 00:15:00,470
didn't matter since we were in the

310
00:15:07,420 --> 00:15:04,580
middle of the track anyways ok it just

311
00:15:09,430 --> 00:15:07,430
goes on so it makes it if you're gonna

312
00:15:12,070 --> 00:15:09,440
be out in the desert and stuff like that

313
00:15:14,200 --> 00:15:12,080

the werewolves probably just evolved

314

00:15:15,760 --> 00:15:14,210

into lizards because it's hotter and

315

00:15:17,290 --> 00:15:15,770

they're cold blood and where was they

316

00:15:21,520 --> 00:15:17,300

they like to hang out in colder climates

317

00:15:24,460 --> 00:15:21,530

what I don't understand about this this

318

00:15:27,910 --> 00:15:24,470

took place in like 2010 or 2012 I'm

319

00:15:32,200 --> 00:15:27,920

sorry is why wouldn't be self-described

320

00:15:33,910 --> 00:15:32,210

business people have GoPros on oh that

321

00:15:37,449 --> 00:15:33,920

or I always my mountain

322

00:15:39,430 --> 00:15:37,459

like just the last Saturday and I had my

323

00:15:42,370 --> 00:15:39,440

phone with me I almost brought my GoPro

324

00:15:43,329 --> 00:15:42,380

but yeah that's what people do yeah it's

325

00:15:46,990 --> 00:15:43,339

interesting you never know what you're

326

00:15:48,610 --> 00:15:47,000

gonna see on the trail your GoPro or

327

00:15:50,259 --> 00:15:48,620

your phone on just caught their film you

328

00:15:51,430 --> 00:15:50,269

never know where to get according to

329

00:15:53,650 --> 00:15:51,440

David polite is you always should have

330

00:16:00,430 --> 00:15:53,660

your phone on you in a GPS and a gun

331

00:16:04,720 --> 00:16:00,440

yeah we're Kevlar in the woods and I

332

00:16:06,269 --> 00:16:04,730

Drive it a tank yep a gyrocopter I don't

333

00:16:08,410 --> 00:16:06,279

actually go hiking yeah I take a

334

00:16:11,560 --> 00:16:08,420

helicopter when I go to the woods and go

335

00:16:14,520 --> 00:16:11,570

camping and I sleep in that thing I'm

336

00:16:15,870 --> 00:16:14,530

serious about this Bigfoot [h__h] people

337

00:16:18,310 --> 00:16:15,880

[Music]

338

00:16:19,990 --> 00:16:18,320

that's all I got on these humanoid

339

00:16:23,860 --> 00:16:20,000

strange encounters I thought those are

340

00:16:25,750 --> 00:16:23,870

some pretty intriguing ones and like I

341

00:16:28,960 --> 00:16:25,760

said you know as with the the

342

00:16:30,220 --> 00:16:28,970

Pennsylvania UFO Bigfoot case book you

343

00:16:32,170 --> 00:16:30,230

could say it's all fiction and somebody

344

00:16:33,939 --> 00:16:32,180

could sit down and write all that [h__\h] a

345

00:16:37,449 --> 00:16:33,949

lot of this is very diverse you'd have

346

00:16:38,829 --> 00:16:37,459

to have a very creative mind to come up

347

00:16:40,870 --> 00:16:38,839

with all this [h__\h] now Graner these

348

00:16:42,430 --> 00:16:40,880

could be all individual people being

349

00:16:45,759 --> 00:16:42,440

creative in their own time and this guy

350

00:16:47,970 --> 00:16:45,769

just kind of put it all together I think

351
00:16:51,400 --> 00:16:47,980
these people are actually having genuine

352
00:16:53,380 --> 00:16:51,410
experience experiences and I think they

353
00:16:57,220 --> 00:16:53,390
actually believe what they what they see

354
00:16:59,259 --> 00:16:57,230
and they failed to mention that they had

355
00:17:00,730 --> 00:16:59,269
eaten peyote before they got on the

356
00:17:02,680 --> 00:17:00,740
trail there was no mention on that show

357
00:17:04,840 --> 00:17:02,690
I didn't see that there was no mention

358
00:17:07,059 --> 00:17:04,850
of that well maybe they're just trying

359
00:17:10,179 --> 00:17:07,069
to be you know they're not lying if they

360
00:17:12,039 --> 00:17:10,189
emit information that is true I do have

361
00:17:15,100 --> 00:17:12,049
another book when I leave soon get the

362
00:17:17,439 --> 00:17:15,110
name of this one sounds like we got a

363
00:17:20,829 --> 00:17:17,449

reader so I got another book here and

364

00:17:23,860 --> 00:17:20,839

I'll be perusing this one this is the

365

00:17:25,809 --> 00:17:23,870

field guide to extraterrestrials a

366

00:17:27,970 --> 00:17:25,819

complete overview of alien life-forms

367

00:17:30,789 --> 00:17:27,980

based on actual accounts and sightings

368

00:17:33,730 --> 00:17:30,799

I'll be looking at that one next week so

369

00:17:36,310 --> 00:17:33,740

stay tuned people can we can we write a

370

00:17:38,830 --> 00:17:36,320

book together that's all about cryptid

371

00:17:41,500 --> 00:17:38,840

genitalia I would like to I think we're

372

00:17:43,030 --> 00:17:41,510

the experts at this point I think it

373

00:17:46,600 --> 00:17:43,040

would sell like gangbusters

374

00:17:47,410 --> 00:17:46,610

yeah we're artists we could draw draw

375

00:17:52,600 --> 00:17:47,420

this stuff

376

00:17:59,350 --> 00:17:52,610

um yeah artist's rendering the goat

377

00:18:02,140 --> 00:17:59,360

man's penis he's in caucus and we like

378

00:18:03,910 --> 00:18:02,150

this lizard man guy his eyes were not

379

00:18:05,950 --> 00:18:03,920

yellow with a black slit they were black

380

00:18:10,630 --> 00:18:05,960

with a yellow slit whoo now we're really

381

00:18:14,800 --> 00:18:10,640

edgy I guess I'm trying to be uh I'm

382

00:18:16,270 --> 00:18:14,810

trying to take a non non biased dance on

383

00:18:18,460 --> 00:18:16,280

this I want to believe this [\h__\h] but

384

00:18:20,800 --> 00:18:18,470

it's hard to because there's no pictures

385

00:18:23,140 --> 00:18:20,810

and like I said there's no GoPro you're

386

00:18:24,880 --> 00:18:23,150

Mulder I'm Scully here it's fine I

387

00:18:27,400 --> 00:18:24,890

suppose so

388

00:18:30,370 --> 00:18:27,410

I'll indulge and I'll continue to read

389

00:18:32,290 --> 00:18:30,380

this stuff and research this content for

390

00:18:34,240 --> 00:18:32,300

the listeners and for anybody else

391

00:18:37,330 --> 00:18:34,250

because I find it [h__h] interesting

392

00:18:40,720 --> 00:18:37,340

this is some awesome goofy weird [h__h]

393

00:18:43,030 --> 00:18:40,730

that this outside the normal [h__h] that

394

00:18:45,820 --> 00:18:43,040

is going on in the news I don't I don't

395

00:18:47,440 --> 00:18:45,830

see CNN talking about this giant hairy
