that's true them and had a message who

50

00:04:17,130 --> 00:04:14,440

probably pretty blank so probably always

51  
00:04:20,550 --> 00:04:17,140  
awake at ungodly hours I gotta head back

52  
00:04:24,360 --> 00:04:20,560  
to the base I'm way overloaded I'm in

53  
00:04:31,230 --> 00:04:24,370  
the base trying to head north towards

54  
00:04:34,340 --> 00:04:31,240

57  
00:05:11,820 --> 00:05:03,660

58  
00:05:19,290 --> 00:05:11,830  
the same time you go try meet them

59  
00:05:28,210 --> 00:05:19,300  
that's for sure I don't get it you're

60  
00:05:28,220 --> 00:05:34,410  
Oh

61  
00:05:39,020 --> 00:05:38,170  
bring a peace offering he's bringing a

62  
00:05:41,230 --> 00:05:39,030

63  
00:05:57,479 --> 00:05:41,240

[Music]

64

00:06:18,990 --> 00:06:02,799

73

00:07:21,970 --> 00:07:20,819

any type of proximity bumps uh there

74

00:07:37,100 --> 00:07:21,980

76

00:07:54,080 --> 00:07:47,500

98

00:10:50,140 --> 00:10:44,520

us trying to break into their base

99

00:10:53,740 --> 00:10:50,150

[Music]

103  
00:11:18,050 --> 00:11:24,720

104  
00:11:36,769 --> 00:11:27,710

110  
00:12:10,740 --> 00:12:08,070  
Oh

111  
00:12:12,630 --> 00:12:10,750  
we'll have to come up with something to

112  
00:12:26,890 --> 00:12:12,640  
give him in the I mean that's a pretty

113  
00:12:31,070 --> 00:12:29,090

well they do not worry live so they

114

00:12:33,080 --> 00:12:31,080

could always just take it back and it's

115

00:12:35,120 --> 00:12:33,090

true now we knew or they live doing

116

00:12:40,590 --> 00:12:35,130

though well we know are one of their

117

00:12:49,180 --> 00:12:44,560

hmm I don't know how I feel about him

118

00:12:54,579 --> 00:12:49,190

now their present is clouding my

119

00:13:05,650 --> 00:12:54,589

judgment can't think clearly must

120

00:13:08,319 --> 00:13:05,660

struggle to find hatred we could always

121

00:13:09,850 --> 00:13:08,329

use that hatred against the bill o

122

00:13:13,360 --> 00:13:09,860
