

Missing 411

Something's in the woods and the
military may know what it is

1
00:00:02,550 --> 00:00:06,829

[Music]

2
00:00:10,100 --> 00:00:08,240

this segment has a few different things

3
00:00:13,549 --> 00:00:10,110

going on we have some missing four one

4
00:00:16,010 --> 00:00:13,559

one stories and I read a story about an

5
00:00:17,779 --> 00:00:16,020

incident at a military base kind of

6
00:00:21,290 --> 00:00:17,789

geared more towards Bigfoot and

7
00:00:23,150 --> 00:00:21,300

Sasquatch if you like the paranormal and

8
00:00:25,580 --> 00:00:23,160

conspiracy topics please think about

9
00:00:28,130 --> 00:00:25,590

checking out our podcast it's free the

10
00:00:29,390 --> 00:00:28,140

link is in the description we do curse a

11
00:00:31,310 --> 00:00:29,400

little bit so take that into

12
00:00:34,940 --> 00:00:31,320

consideration thanks for listening and

13
00:00:37,160 --> 00:00:34,950

I'll talk to you later alright Jeff what

14

00:00:40,819 --> 00:00:37,170

do you have on tap for us tonight when

15

00:00:44,660 --> 00:00:40,829

it comes to paranormal and goofy crazy

16

00:00:46,190 --> 00:00:44,670

insane stuff I got two really

17

00:00:48,680 --> 00:00:46,200

interesting cases for missing four and

18

00:00:50,000 --> 00:00:48,690

one over here they come out of the

19

00:00:51,470 --> 00:00:50,010

eastern United States it's one of his

20

00:00:53,479 --> 00:00:51,480

original books probably a second by

21

00:00:55,970 --> 00:00:53,489

think it's the second book for the

22

00:00:58,729 --> 00:00:55,980

missing four in one series but this will

23

00:01:01,790 --> 00:00:58,739

kind of lead into I think there's some

24

00:01:05,929 --> 00:01:01,800

overtones of Bigfoot here and also some

25

00:01:08,630 --> 00:01:05,939

other odd stuff but uh so the first case

26
00:01:10,940 --> 00:01:08,640
is about a young young boy's name was

27
00:01:14,000 --> 00:01:10,950
Victor Dwight shoemaker but he went by

28
00:01:16,880 --> 00:01:14,010
jr. he disappeared in the 1st of May in

29
00:01:20,330 --> 00:01:16,890
1994 in Augusta West Virginia is 5 years

30
00:01:21,710 --> 00:01:20,340
old and the town or actually it's a

31
00:01:23,420 --> 00:01:21,720
guess of West Virginia is an

32
00:01:25,550 --> 00:01:23,430
unincorporated community and it's in

33
00:01:27,050 --> 00:01:25,560
Hampshire County which is just give you

34
00:01:28,730 --> 00:01:27,060
reference not sure if there's anybody

35
00:01:30,170 --> 00:01:28,740
but it's in it you know that like

36
00:01:31,219 --> 00:01:30,180
panhandle of West Union not where we

37
00:01:32,960 --> 00:01:31,229
line is with the other one that sticks

38
00:01:34,940 --> 00:01:32,970

out in the Maryland you love it been

39

00:01:36,859 --> 00:01:34,950

there it's in that most eastern County

40

00:01:39,020 --> 00:01:36,869

there and it's parently 40 miles west of

41

00:01:42,140 --> 00:01:39,030

Martinsburg something it's the closest

42

00:01:43,760 --> 00:01:42,150

largest West Virginia City so it really

43

00:01:45,800 --> 00:01:43,770

is in the middle of nowhere rural very

44

00:01:46,999 --> 00:01:45,810

rural now the shoemaker family was going

45

00:01:49,219 --> 00:01:47,009

to visit their grandfather who owns

46

00:01:51,050 --> 00:01:49,229

decent amount of property near the short

47

00:01:54,080 --> 00:01:51,060

Mountain wildlife area for a family

48

00:01:55,609 --> 00:01:54,090

reunion his properties obviously it's in

49

00:01:57,370 --> 00:01:55,619

isolated woods done of only one way to

50

00:02:00,230 --> 00:01:57,380

get there in a very narrow winding road

51
00:02:02,330 --> 00:02:00,240
after the family arrived Jer went to go

52
00:02:05,030 --> 00:02:02,340
play with his cousin's um in the woods

53
00:02:07,760 --> 00:02:05,040
there the chair how do you say was like

54
00:02:09,770 --> 00:02:07,770
five five yeah yeah so he's my other

55
00:02:11,420 --> 00:02:09,780
cousins were I believe around his age

56
00:02:12,980 --> 00:02:11,430
and apparently during these visits

57
00:02:14,360 --> 00:02:12,990
juniors cousins but this

58
00:02:17,330 --> 00:02:14,370
always do this for a few hours before

59
00:02:19,100 --> 00:02:17,340
dinner was ready so after several hours

60
00:02:20,390 --> 00:02:19,110
in the woods Jared told his cousins that

61
00:02:22,220 --> 00:02:20,400
he was hungry he wanted to head back

62
00:02:24,830 --> 00:02:22,230
towards grandfather's house the other

63
00:02:27,050 --> 00:02:24,840

boys in thinking of it in they returned

64

00:02:30,020 --> 00:02:27,060

home about an hour after gr said he was

65

00:02:31,850 --> 00:02:30,030

leaving when they got back he was not

66

00:02:35,450 --> 00:02:31,860

there and his father went to immediately

67

00:02:37,610 --> 00:02:35,460

go look for now after the boy's father

68

00:02:39,170 --> 00:02:37,620

couldn't find him you know his initial

69

00:02:41,210 --> 00:02:39,180

search they contacted the State Police

70

00:02:43,190 --> 00:02:41,220

and within two hours there there were

71

00:02:44,660 --> 00:02:43,200

dozens of police searching the area but

72

00:02:46,280 --> 00:02:44,670

unfortunately like we've seen here many

73

00:02:47,780 --> 00:02:46,290

times only hours into the surgery

74

00:02:51,980 --> 00:02:47,790

freezing rain storm moved into the air

75

00:02:55,880 --> 00:02:51,990

of course on clock right there clockwork

76
00:02:57,560 --> 00:02:55,890
like clockwork so this search went on

77
00:02:59,570 --> 00:02:57,570
for five days and it searched a two and

78
00:03:01,460 --> 00:02:59,580
a half mile radius around the house area

79
00:03:03,470 --> 00:03:01,470
and even brought in a fli are equipped

80
00:03:08,980 --> 00:03:03,480
helicopter to search for the boy FLIR

81
00:03:12,140 --> 00:03:08,990
thermal graphic mr. machine yeah correct

82
00:03:14,480 --> 00:03:12,150
so about three days into the search you

83
00:03:16,610 --> 00:03:14,490
everyone missing searchers had found an

84
00:03:19,640 --> 00:03:16,620
area where they believe the boys had

85
00:03:21,080 --> 00:03:19,650
slept they found three rocks arranged in

86
00:03:22,550 --> 00:03:21,090
a triangle with a stick in the middle

87
00:03:25,790 --> 00:03:22,560
and I guess in your three sides of the

88
00:03:27,230 --> 00:03:25,800

rocks there were three logs placed and

89

00:03:29,600 --> 00:03:27,240

it should be noted that the cousin

90

00:03:31,070 --> 00:03:29,610

relayed this info to the news it was not

91

00:03:32,660 --> 00:03:31,080

wasn't the police for search and rescue

92

00:03:36,170 --> 00:03:32,670

the cousin had brought this up to the

93

00:03:37,430 --> 00:03:36,180

news a news crew or the investigators

94

00:03:38,900 --> 00:03:37,440

people come in local press and the

95

00:03:40,520 --> 00:03:38,910

actually apparently this is a national

96

00:03:41,870 --> 00:03:40,530

story this one ninety four is I really

97

00:03:43,250 --> 00:03:41,880

remember it but apparently was a

98

00:03:48,680 --> 00:03:43,260

worldwide story about this boy

99

00:03:49,970 --> 00:03:48,690

disappearing but so um search continued

100

00:03:51,440 --> 00:03:49,980

through the fifth day and nothing was

101
00:03:52,850 --> 00:03:51,450
turned up and it should be noted here

102
00:03:54,500 --> 00:03:52,860
that there's ample fresh water in the

103
00:03:55,940 --> 00:03:54,510
area for him to survive on and jerry'

104
00:03:58,390 --> 00:03:55,950
would have eventually hit a ranch or

105
00:04:00,800 --> 00:03:58,400
Road if he had kept walking

106
00:04:03,050 --> 00:04:00,810
law enforcement up interviewed both

107
00:04:05,000 --> 00:04:03,060
cousins with Jay both cousins of gear

108
00:04:07,670 --> 00:04:05,010
got chairs cousins in any I did not

109
00:04:09,650 --> 00:04:07,680
suspect foul play a news reporter asked

110
00:04:11,990 --> 00:04:09,660
one of dozens what they believed

111
00:04:14,690 --> 00:04:12,000
happened the one cousin stated somebody

112
00:04:18,500 --> 00:04:14,700
hiding behind tree got up and grabbed

113
00:04:22,550 --> 00:04:18,510

him and bogey doesn't like it bogan no

114

00:04:24,409 --> 00:04:22,560

bogeys in bogies alone crazy yeah I'm I

115

00:04:28,939 --> 00:04:24,419

let him on my room real quick

116

00:04:30,739 --> 00:04:28,949

stop talking all roads lead to pizza

117

00:04:35,119 --> 00:04:30,749

gate that's what bogeys just said it's

118

00:04:37,279 --> 00:04:35,129

but above all not so nice freaking out

119

00:04:40,040 --> 00:04:37,289

maybe just once go out of the room but

120

00:04:44,330 --> 00:04:40,050

even like a second here to come back oh

121

00:04:46,879 --> 00:04:44,340

hey so what we have is a five-year-old

122

00:04:50,179 --> 00:04:46,889

kid goes missing as he tries to head his

123

00:04:52,969 --> 00:04:50,189

way back to a family gathering and they

124

00:04:55,700 --> 00:04:52,979

start to search for him and one of the

125

00:04:58,510 --> 00:04:55,710

people who is testifying only to a news

126

00:05:02,209 --> 00:04:58,520

channel not in the police report says

127

00:05:04,820 --> 00:05:02,219

there were some symbolic weirdness

128

00:05:10,339 --> 00:05:04,830

happening they believe that he may have

129

00:05:11,839 --> 00:05:10,349

slept there now um so yeah the more the

130

00:05:15,350 --> 00:05:11,849

weirdest statement given by one of the

131

00:05:16,760 --> 00:05:15,360

cousins I'm not sure like his back was

132

00:05:19,369 --> 00:05:16,770

repeated now said somebody hiding behind

133

00:05:23,420 --> 00:05:19,379

a tree got up and grabbed him which is

134

00:05:26,839 --> 00:05:23,430

really weird um given why would one know

135

00:05:29,149 --> 00:05:26,849

the who's the him in that uh the cousin

136

00:05:33,379 --> 00:05:29,159

said this about JR but they thought had

137

00:05:36,079 --> 00:05:33,389

happened to him okay so I guess

138

00:05:37,579 --> 00:05:36,089

questions that are she asked her why

139

00:05:39,829 --> 00:05:37,589

would law enforcement say they did not

140

00:05:41,149 --> 00:05:39,839

suspect foul play if the cousin would

141

00:05:42,679 --> 00:05:41,159

have related to them because as I had

142

00:05:44,329 --> 00:05:42,689

said earlier they would both been

143

00:05:46,760 --> 00:05:44,339

interviewed by the police suspect foul

144

00:05:48,800 --> 00:05:46,770

play right and why was the search

145

00:05:50,269 --> 00:05:48,810

terminated after five days in suspect

146

00:05:52,969 --> 00:05:50,279

foul play and then I searched a radius

147

00:05:54,800 --> 00:05:52,979

of two and a half miles now where gr

148

00:05:57,139 --> 00:05:54,810

went missing was deep in the woods and

149

00:05:58,790 --> 00:05:57,149

isolated if had been very ice tough for

150

00:06:00,200 --> 00:05:58,800

someone to get out of there to get out

151

00:06:01,339 --> 00:06:00,210

there and try to abduct him like they

152

00:06:02,959 --> 00:06:01,349

have hadn't known kids would have been

153

00:06:07,519 --> 00:06:02,969

out there's not it's not like they're at

154

00:06:09,740 --> 00:06:07,529

a city park yeah so in November 1994 a

155

00:06:10,760 --> 00:06:09,750

state investigator from the West

156

00:06:12,920 --> 00:06:10,770

Virginia State Bureau of Criminal

157

00:06:14,990 --> 00:06:12,930

identification made a statement there's

158

00:06:17,659 --> 00:06:15,000

no sign of foul play but the state did

159

00:06:19,820 --> 00:06:17,669

ask the FBI to enter the investigation

160

00:06:21,980 --> 00:06:19,830

for assistance which is really odd

161

00:06:23,360 --> 00:06:21,990

because the FBI has a formal policy that

162

00:06:27,800 --> 00:06:23,370

they do not assist in missing person

163

00:06:29,809 --> 00:06:27,810

cases and why would the FBI get involved

164

00:06:32,179 --> 00:06:29,819

after six months into the case what was

165

00:06:33,439 --> 00:06:32,189

triggered their interest we could it

166

00:06:35,209 --> 00:06:33,449

have to do was maybe something in the

167

00:06:37,430 --> 00:06:35,219

statements of cousins had made could be

168

00:06:37,930 --> 00:06:37,440

the disturbed stuff that they found in

169

00:06:42,580 --> 00:06:37,940

the wood

170

00:06:44,140 --> 00:06:42,590

a thousand kind of ritual I was thinking

171

00:06:46,360 --> 00:06:44,150

this thing I thought there was some

172

00:06:48,100 --> 00:06:46,370

ritual thing and then I like and I don't

173

00:06:50,500 --> 00:06:48,110

mean to tie it back but like the pizza

174

00:06:53,320 --> 00:06:50,510

gate thing like what if kids are going

175

00:06:56,320 --> 00:06:53,330

missing because we a lot of kids go

176

00:06:58,510 --> 00:06:56,330

missing you know every year what if

177

00:07:00,520 --> 00:06:58,520

they're just trying to add layers of

178

00:07:05,380 --> 00:07:00,530

complication like do you remember the

179

00:07:08,890 --> 00:07:05,390

first episode of whatever all right all

180

00:07:11,320 --> 00:07:08,900

right all right um Sonny no yeah it was

181

00:07:14,350 --> 00:07:11,330

a dude that the attack of a serious

182

00:07:15,880 --> 00:07:14,360

tactic true detective yeah you remember

183

00:07:18,010 --> 00:07:15,890

that first series where it's like they

184

00:07:20,620 --> 00:07:18,020

never really solve what the hell's

185

00:07:24,280 --> 00:07:20,630

happening no they found out who did it

186

00:07:25,510 --> 00:07:24,290

but not why really or why yeah so what

187

00:07:29,200 --> 00:07:25,520

if they're just adding a layer of

188

00:07:31,060 --> 00:07:29,210

complexity to a child abduction to throw

189

00:07:32,770 --> 00:07:31,070

people off the case to say we'll look

190

00:07:34,510 --> 00:07:32,780

they're abducting children they're

191

00:07:37,360 --> 00:07:34,520

putting all the there's all these things

192

00:07:39,430 --> 00:07:37,370

happening and so we're looking for that

193

00:07:41,410 --> 00:07:39,440

pattern but no it's actually just a

194

00:07:45,790 --> 00:07:41,420

bunch of people throwing random [h__\h] in

195

00:07:49,360 --> 00:07:45,800

there to throw people off the scent it's

196

00:07:51,970 --> 00:07:49,370

possible but this is if you recall

197

00:07:54,610 --> 00:07:51,980

during the the missing four one one

198

00:07:57,880 --> 00:07:54,620

voicemail the FBI got involved in that

199

00:07:59,830 --> 00:07:57,890

one too they came in took the tape and

200

00:08:01,659 --> 00:07:59,840

leave they'll get involved if they if

201
00:08:02,860 --> 00:08:01,669
foul play is suspected they'll get

202
00:08:04,330 --> 00:08:02,870
involved I please I know they have a

203
00:08:05,530 --> 00:08:04,340
formal policy if you just go missing in

204
00:08:07,570 --> 00:08:05,540
the police don't suspect foul play they

205
00:08:10,270 --> 00:08:07,580
don't get involved but if you read

206
00:08:13,420 --> 00:08:10,280
David's books you if you've heard him

207
00:08:16,330 --> 00:08:13,430
talk about missing a 401 there have been

208
00:08:19,060 --> 00:08:16,340
numerous incidences where the FBI does

209
00:08:20,970 --> 00:08:19,070
show up and there have been career guys

210
00:08:23,500 --> 00:08:20,980
that have been following these

211
00:08:25,180 --> 00:08:23,510
missing-persons cases that the same

212
00:08:28,420 --> 00:08:25,190
exact ones that that David play this

213
00:08:31,810 --> 00:08:28,430

talks about in his books and they must

214

00:08:33,760 --> 00:08:31,820

know they have to have a bigger clue or

215

00:08:35,920 --> 00:08:33,770

a bigger idea what's going on in is

216

00:08:39,640 --> 00:08:35,930

eating them up inside that's what I

217

00:08:41,680 --> 00:08:39,650

suspect I don't know that for sure but

218

00:08:43,480 --> 00:08:41,690

they must have a pretty goddamn good

219

00:08:46,990 --> 00:08:43,490

idea what's going at this point and are

220

00:08:49,140 --> 00:08:47,000

you're unable to stop it or choose a

221

00:08:52,030 --> 00:08:49,150

look the other way

222

00:08:53,500 --> 00:08:52,040

now this is very similar you'll see how

223

00:08:55,210 --> 00:08:53,510

it kind of connects together the cousin

224

00:08:58,480 --> 00:08:55,220

statement and when I read in this case

225

00:09:00,940 --> 00:08:58,490

it's pretty short but it's it's a very

226

00:09:03,070 --> 00:09:00,950

good one I think from Pennsylvania's

227

00:09:05,830 --> 00:09:03,080

from Pleasantville Pennsylvania happen

228

00:09:08,560 --> 00:09:05,840

May 14th 1950 I was about a boy named

229

00:09:10,240 --> 00:09:08,570

Jackie Copeland he was 2 years old ok

230

00:09:11,920 --> 00:09:10,250

Jackie his three sisters went into a

231

00:09:14,050 --> 00:09:11,930

picnic at an oil company's property

232

00:09:15,910 --> 00:09:14,060

outside of Pleasantville the family was

233

00:09:18,040 --> 00:09:15,920

socializing with others Brent was in a

234

00:09:19,480 --> 00:09:18,050

good company picnic when Jackie

235

00:09:21,670 --> 00:09:19,490

seven-year-old sister told their father

236

00:09:23,530 --> 00:09:21,680

that Jackie was gone at 1:00 p.m. the

237

00:09:25,840 --> 00:09:23,540

family I started to look for the boy

238

00:09:27,160 --> 00:09:25,850

could not locate him at that point that

239

00:09:28,660 --> 00:09:27,170

everyone at the picnic started to

240

00:09:29,260 --> 00:09:28,670

participate in the search for Jackie

241

00:09:31,960 --> 00:09:29,270

Cullen

242

00:09:33,820 --> 00:09:31,970

a very short period of time the state

243

00:09:35,320 --> 00:09:33,830

police had arrived and they called for a

244

00:09:36,790 --> 00:09:35,330

team of bloodhounds the old company

245

00:09:37,930 --> 00:09:36,800

called for additional volunteers to

246

00:09:40,030 --> 00:09:37,940

search until hundreds of people were

247

00:09:42,340 --> 00:09:40,040

there looking for the boy it was evident

248

00:09:43,750 --> 00:09:42,350

by late in the evening that the

249

00:09:45,760 --> 00:09:43,760

bloodhounds could not pick up the scent

250

00:09:47,080 --> 00:09:45,770

or they refused to search one of the two

251
00:09:48,550 --> 00:09:47,090
I guess they could have said sometimes

252
00:09:50,800 --> 00:09:48,560
dogs refused to search for whatever

253
00:09:53,440 --> 00:09:50,810
reasons the ground searchers were not

254
00:09:55,329 --> 00:09:53,450
having luck finding the boy at 8:00 a.m.

255
00:09:58,510 --> 00:09:55,339
the following morning of Jackie

256
00:10:01,360 --> 00:09:58,520
disappearance a man named of Bevier bevy

257
00:10:01,690 --> 00:10:01,370
a Bevere not sure if that's his last

258
00:10:04,210 --> 00:10:01,700
name

259
00:10:06,250 --> 00:10:04,220
but um searching outside the main area

260
00:10:08,320 --> 00:10:06,260
in a location where the oil refreshing

261
00:10:09,550 --> 00:10:08,330
plant was located yeah area was

262
00:10:11,170 --> 00:10:09,560
completely surrounded by what the

263
00:10:15,070 --> 00:10:11,180

newspaper article is the time called

264

00:10:17,170 --> 00:10:15,080

impassable swamps mister Bevere and the

265

00:10:19,510 --> 00:10:17,180

in a crew of searchers were walking

266

00:10:21,340 --> 00:10:19,520

through the swamps he accidentally a key

267

00:10:23,560 --> 00:10:21,350

looking around the side of a tree almost

268

00:10:26,079 --> 00:10:23,570

peering at him Bevier called his name

269

00:10:27,760 --> 00:10:26,089

Jackie answer Jackie was found over two

270

00:10:29,470 --> 00:10:27,770

miles from the picnic and across a swamp

271

00:10:33,070 --> 00:10:29,480

that was deemed impassable by search

272

00:10:35,260 --> 00:10:33,080

coordinators so Jackie was transported

273

00:10:36,730 --> 00:10:35,270

to a local hospital where he was met

274

00:10:38,800 --> 00:10:36,740

with his family after being examined by

275

00:10:40,870 --> 00:10:38,810

doctors they said that the boy had a

276

00:10:44,380 --> 00:10:40,880

number of scratches but he was in

277

00:10:46,660 --> 00:10:44,390

general good health now from an article

278

00:10:49,930 --> 00:10:46,670

he has hearsay the Lang sport press

279

00:10:51,100 --> 00:10:49,940

didn't meet 17 1950 an interview with

280

00:10:52,510 --> 00:10:51,110

the Copeland's and heard Jackie's

281

00:10:55,520 --> 00:10:52,520

rendition of what occurred during this

282

00:10:59,780 --> 00:10:57,050

the press wanted to hear how good the

283

00:11:01,640 --> 00:10:59,790

boy got to his location in the swamp and

284

00:11:04,610 --> 00:11:01,650

what he had to drink or eat and how he

285

00:11:06,440 --> 00:11:04,620

kept warm Jackie was first asked why he

286

00:11:08,780 --> 00:11:06,450

left the picnic first of all I'm a

287

00:11:13,250 --> 00:11:08,790

missus but how old is Jackie two years

288

00:11:15,340 --> 00:11:13,260

old - okay so Jackie's first question he

289

00:11:17,630 --> 00:11:15,350

was asked by the press said in his

290

00:11:20,180 --> 00:11:17,640

response - about what do you know ate

291

00:11:21,920 --> 00:11:20,190

drank and how he kept warned he said he

292

00:11:23,660 --> 00:11:21,930

saw something peering at him from behind

293

00:11:26,240 --> 00:11:23,670

a big tree when he approached it the

294

00:11:27,800 --> 00:11:26,250

creature scampered into the brush Jackie

295

00:11:29,420 --> 00:11:27,810

didn't explain anything more about weave

296

00:11:31,460 --> 00:11:29,430

in the picnic at this point where at

297

00:11:33,890 --> 00:11:31,470

that point the article later explained

298

00:11:37,010 --> 00:11:33,900

more of what Jackie stated he recounted

299

00:11:39,740 --> 00:11:37,020

in child talk his adventure in an awful

300

00:11:42,560 --> 00:11:39,750

blackness people-people by a great

301

00:11:44,120 --> 00:11:42,570

throbbing giant in at all friendly tree

302

00:11:46,100 --> 00:11:44,130

and wild animals howling in the distance

303

00:11:49,520 --> 00:11:46,110

and unfamiliar shouts of strangers

304

00:11:50,660 --> 00:11:49,530

probably nearby Jackie Copeland's

305

00:11:52,160 --> 00:11:50,670

explanation of what occurred to him

306

00:11:53,660 --> 00:11:52,170

could be very well sobering narrative

307

00:11:55,160 --> 00:11:53,670

for what might possibly be occurring -

308

00:11:58,460 --> 00:11:55,170

something's other plus over missile when

309

00:11:59,690 --> 00:11:58,470

children so I guess the big question

310

00:12:01,400 --> 00:11:59,700

here the rest of this display does his

311

00:12:03,200 --> 00:12:01,410

commentary is what was that peering

312

00:12:05,690 --> 00:12:03,210

behind a tree and scampered off into the

313

00:12:09,829 --> 00:12:05,700

forest most other stuff that he saw now

314

00:12:11,570 --> 00:12:09,839

if we go back to the the case of the JR

315

00:12:14,000 --> 00:12:11,580

shoemaker remember his cousin made a

316

00:12:18,040 --> 00:12:14,010

statement that was quote somebody hiding

317

00:12:28,730 --> 00:12:23,260

Ivan I have a wild berry go for it

318

00:12:29,870 --> 00:12:28,740

okay my wild there is hey look I'll tell

319

00:12:33,410 --> 00:12:29,880

you what book summary right now I'm

320

00:12:33,770 --> 00:12:33,420

right I'm currently reading yeah what's

321

00:12:35,600 --> 00:12:33,780

that

322

00:12:38,680 --> 00:12:35,610

at your in the Rye no not catching her

323

00:12:41,860 --> 00:12:38,690

eye and not Playboy but I'm reading

324

00:12:45,770 --> 00:12:41,870

bizarre encounters and also have the

325

00:12:47,329 --> 00:12:45,780

field guide to extraterrestrials now

326

00:12:48,770 --> 00:12:47,339

along with a couple of our books my

327

00:12:53,380 --> 00:12:48,780

Kindle these my physical books I'm

328

00:12:58,610 --> 00:12:53,390

reading my my theory is that Sasquatch

329

00:13:02,690 --> 00:12:58,620

Bigfoot and UFOs and aliens are working

330

00:13:05,390 --> 00:13:02,700

together and that story we did a few

331

00:13:07,220 --> 00:13:05,400

episodes ago maybe last episode the

332

00:13:09,020 --> 00:13:07,230

Bigfoot UFO encounter that videos

333

00:13:11,990 --> 00:13:09,030

YouTube I believe that's actually

334

00:13:13,580 --> 00:13:12,000

somewhat true if we're gonna go down

335

00:13:17,780 --> 00:13:13,590

this bizarre theory which is that I

336

00:13:21,260 --> 00:13:17,790

believe that Bigfoot can collect people

337

00:13:23,380 --> 00:13:21,270

and then and they're collected and

338

00:13:27,650 --> 00:13:23,390

they're possibly taken at a later date

339

00:13:29,780 --> 00:13:27,660

by aliens or Bigfoot all right names are

340

00:13:32,240 --> 00:13:29,790

UFOs go ahead and calm UFOs they're

341

00:13:34,730 --> 00:13:32,250

taken by UFOs so not only does this

342

00:13:38,120 --> 00:13:34,740

Bigfoot actually work at work as active

343

00:13:40,130 --> 00:13:38,130

security or UFOs they actually collect

344

00:13:42,770 --> 00:13:40,140

things for them and they must get some

345

00:13:44,570 --> 00:13:42,780

kind of reward in the end depending on

346

00:13:45,710 --> 00:13:44,580

what they collect and if it's no good

347

00:13:47,780 --> 00:13:45,720

they let them go or if they get

348

00:13:52,180 --> 00:13:47,790

interrupted they did their let go or if

349

00:13:59,090 --> 00:13:55,010

think the Sasquatch are the the feet on

350

00:14:01,160 --> 00:13:59,100

the ground and I think they're buying by

351
00:14:02,780 --> 00:14:01,170
and large if you not if they don't want

352
00:14:04,370 --> 00:14:02,790
you if you're not in their kind of

353
00:14:07,160 --> 00:14:04,380
profile of what the aliens are looking

354
00:14:10,490 --> 00:14:07,170
for you're good all right okay so I on

355
00:14:13,610 --> 00:14:10,500
board if you replace aliens and Bigfoot

356
00:14:19,430 --> 00:14:13,620
with child traffickers and high-ranking

357
00:14:21,110 --> 00:14:19,440
politicians and Bigfoot maybe Bigfoot is

358
00:14:22,760 --> 00:14:21,120
in there I think that's definitely going

359
00:14:25,010 --> 00:14:22,770
on Joe said the child trafficking

360
00:14:26,270 --> 00:14:25,020
obviously is it's too blatant to be

361
00:14:27,680 --> 00:14:26,280
really nice even though there's no

362
00:14:29,120 --> 00:14:27,690
high-ranking officials involved in this

363
00:14:31,850 --> 00:14:29,130

but then these child traffickers must

364

00:14:34,550 --> 00:14:31,860

have some really good stealth technology

365

00:14:36,530 --> 00:14:34,560

and transportation to get in and out of

366

00:14:41,300 --> 00:14:36,540

these environments quickly and quietly

367

00:14:43,280 --> 00:14:41,310

they've trained velociraptors to behave

368

00:14:48,050 --> 00:14:43,290

like dolphins and they can escort

369

00:14:51,920 --> 00:14:48,060

children in their jaws gently I know

370

00:14:53,630 --> 00:14:51,930

that's your uh your bar out there I know

371

00:14:56,140 --> 00:14:53,640

you're uh you're poking little fun out

372

00:14:58,040 --> 00:14:56,150

of shoo I get it I like it it's fine

373

00:15:02,180 --> 00:14:58,050

I'll give you a little Loulou for that

374

00:15:05,030 --> 00:15:02,190

well you wanna but I might have to go

375

00:15:08,120 --> 00:15:05,040

down the Sasquatch there's been reports

376

00:15:11,380 --> 00:15:08,130

and sightings of a Bigfoot and UFOs

377

00:15:14,810 --> 00:15:11,390

there haven't been reporting reports of

378

00:15:17,170 --> 00:15:14,820

velociraptors in the woods yeah but you

379

00:15:20,200 --> 00:15:17,180

can't prove that they're not there

380

00:15:21,640 --> 00:15:20,210

true I'm just giving you our time I'm

381

00:15:23,710 --> 00:15:21,650

doing the exact same thing that

382

00:15:26,620 --> 00:15:23,720

everybody on reddit is doing about pizza

383

00:15:29,230 --> 00:15:26,630

gay right now okay yeah you think the

384

00:15:30,670 --> 00:15:29,240

dinosaurs in the basement the raping

385

00:15:31,930 --> 00:15:30,680

kids in the table the customers are

386

00:15:33,730 --> 00:15:31,940

there I hate people so much you got

387

00:15:34,930 --> 00:15:33,740

anything more to that story Jeff no that

388

00:15:38,770 --> 00:15:34,940

was it those are the two interesting

389

00:15:41,050 --> 00:15:38,780

cases uh for missing for one so the one

390

00:15:44,610 --> 00:15:41,060

like met past sightless story I have the

391

00:15:47,800 --> 00:15:44,620

kind of saddles up to this this is from

392

00:15:49,510 --> 00:15:47,810

the book by a phantom phantoms and

393

00:15:50,140 --> 00:15:49,520

monsters which is a pretty good website

394

00:15:52,900 --> 00:15:50,150

go there

395

00:15:55,060 --> 00:15:52,910

these are first-hand encounters of very

396

00:15:56,670 --> 00:15:55,070

weird encounters and sightings and these

397

00:15:59,670 --> 00:15:56,680

are what people have written in and

398

00:16:03,210 --> 00:15:59,680

claimed that they have witnessed and

399

00:16:05,920 --> 00:16:03,220

this is from the book bizarre encounters

400

00:16:08,430 --> 00:16:05,930

no this is not about visiting rest stops

401
00:16:11,140 --> 00:16:08,440
on the highway this is about people

402
00:16:13,330 --> 00:16:11,150
experiencing things in their daily lives

403
00:16:16,480 --> 00:16:13,340
there's nothing bizarre about rest stop

404
00:16:19,570 --> 00:16:16,490
encounter no not the ones I go to okay

405
00:16:24,190 --> 00:16:19,580
this one is possible Sasquatch incident

406
00:16:27,100 --> 00:16:24,200
on military base in 2011 I was working

407
00:16:29,260 --> 00:16:27,110
at the Lewis McQuoid a McCord military

408
00:16:31,660 --> 00:16:29,270
base located south of the coma I was

409
00:16:33,610 --> 00:16:31,670
employed at Public Works and assigned to

410
00:16:35,650 --> 00:16:33,620
the environmental department was perfect

411
00:16:36,700 --> 00:16:35,660
group conducting a study in the southern

412
00:16:38,950 --> 00:16:36,710
section of the base

413
00:16:42,250 --> 00:16:38,960

there were several soldiers attached to

414

00:16:43,540 --> 00:16:42,260

the group or security we had we had been

415

00:16:46,000 --> 00:16:43,550

out in the field all day and we're

416

00:16:48,850 --> 00:16:46,010

getting ready to head back to the lab

417

00:16:51,100 --> 00:16:48,860

about 5:30 p.m. we heard a distress call

418

00:16:53,200 --> 00:16:51,110

from the radio and one of the security

419

00:16:56,770 --> 00:16:53,210

has is located in the north of our

420

00:17:00,970 --> 00:16:56,780

location and then we heard gunshots

421

00:17:04,540 --> 00:17:00,980

coming from the same direction the best

422

00:17:07,090 --> 00:17:04,550

I can describe the situation is that all

423

00:17:09,910 --> 00:17:07,100

hell broke loose the civilians were

424

00:17:12,370 --> 00:17:09,920

hustled out of the area immediately when

425

00:17:15,280 --> 00:17:12,380

we we alive back at the lab we were told

426

00:17:18,880 --> 00:17:15,290

by the command that our department would

427

00:17:21,340 --> 00:17:18,890

be not active until further notice the

428

00:17:23,500 --> 00:17:21,350

next day I received a phone call at home

429

00:17:25,120 --> 00:17:23,510

from a lady I worked with it was

430

00:17:28,450 --> 00:17:25,130

wondering if I had heard anything I told

431

00:17:29,950 --> 00:17:28,460

her I had that no one contacted me but I

432

00:17:31,030 --> 00:17:29,960

was having dinner with friends who

433

00:17:33,250 --> 00:17:31,040

worked on the base

434

00:17:36,010 --> 00:17:33,260

she seemed very concerned because no one

435

00:17:37,690 --> 00:17:36,020

was answering the calls at the base that

436

00:17:39,460 --> 00:17:37,700

evening I gotta gather the friends who

437

00:17:41,860 --> 00:17:39,470

worked in the other Public Works

438

00:17:43,900 --> 00:17:41,870

Department at the base at the time there

439

00:17:45,340 --> 00:17:43,910

was no official information available

440

00:17:49,270 --> 00:17:45,350

but there was a lot of rumors floating

441

00:17:52,210 --> 00:17:49,280

around the most prevalent rumors was

442

00:17:54,100 --> 00:17:52,220

that of the security detail went off his

443

00:17:57,550 --> 00:17:54,110

rocker and started shooting at other

444

00:18:00,310 --> 00:17:57,560

personnel we're all called back to work

445

00:18:02,170 --> 00:18:00,320

about a week later we each were given a

446

00:18:04,480 --> 00:18:02,180

written statement that despite the

447

00:18:07,600 --> 00:18:04,490

rumors the incident was a false alarm

448

00:18:10,240 --> 00:18:07,610

and that no one had discharged their

449

00:18:12,130 --> 00:18:10,250

firearms we all rolled her eyes each one

450

00:18:14,830 --> 00:18:12,140

of us had heard gunshots and realized

451
00:18:16,840 --> 00:18:14,840
the situation was more serious than the

452
00:18:18,760 --> 00:18:16,850
military was stating a month or so later

453
00:18:21,400 --> 00:18:18,770
I was collecting samples in the field

454
00:18:24,010 --> 00:18:21,410
and was accompanied by two soldiers for

455
00:18:27,070 --> 00:18:24,020
security we were back in the general

456
00:18:28,570 --> 00:18:27,080
area of the mysterious incident one of

457
00:18:30,550 --> 00:18:28,580
the soldiers mentioned that all the

458
00:18:33,220 --> 00:18:30,560
security people who were on duty that

459
00:18:35,170 --> 00:18:33,230
particular day were no longer with the

460
00:18:36,640 --> 00:18:35,180
division which I thought was very odd I

461
00:18:38,410 --> 00:18:36,650
asked that they have heard anything

462
00:18:41,680 --> 00:18:38,420
about the incident with a straight face

463
00:18:44,230 --> 00:18:41,690

he said something was shot after it

464

00:18:45,490 --> 00:18:44,240

scared a group of soldiers I mentioned

465

00:18:47,650 --> 00:18:45,500

that I thought soldiers were not

466

00:18:49,780 --> 00:18:47,660

authorized to shoot wildlife both the

467

00:18:52,570 --> 00:18:49,790

soldiers snickered and agreed with my

468

00:18:55,690 --> 00:18:52,580

account with my comment I asked what was

469

00:18:59,590 --> 00:18:55,700

it they explained that they were never

470

00:19:01,150 --> 00:18:59,600

told what the something was but there

471

00:19:03,160 --> 00:19:01,160

had been unconfirmed sightings of

472

00:19:05,560 --> 00:19:03,170

sasquatches and other unknown man-like

473

00:19:07,000 --> 00:19:05,570

creatures in and around the base this

474

00:19:08,830 --> 00:19:07,010

information didn't really surprise me

475

00:19:14,880 --> 00:19:08,840

since I grew up in Portland Oregon and

476

00:19:19,120 --> 00:19:14,890

was aware of the legend he's up Jan yeah

477

00:19:23,490 --> 00:19:19,130

sorry it's alright I just have to be

478

00:19:27,760 --> 00:19:23,500

kind of curious man like you know it man

479

00:19:30,460 --> 00:19:27,770

yeah I'm a man okay it kind of goes back

480

00:19:32,950 --> 00:19:30,470

Nick you know there are missing 401

481

00:19:36,160 --> 00:19:32,960

cases we we talked about damn place

482

00:19:38,080 --> 00:19:36,170

Plato's obviously knows about the rights

483

00:19:40,450 --> 00:19:38,090

about these things where the military

484

00:19:42,670 --> 00:19:40,460

the Green Beret show or SWAT teams show

485

00:19:43,480 --> 00:19:42,680

up there's the some kind of uniform

486

00:19:46,450 --> 00:19:43,490

outfit

487

00:19:47,919 --> 00:19:46,460

shows up after a disappearance now

488

00:19:52,419 --> 00:19:47,929

here's an incident on a military base

489

00:19:54,070 --> 00:19:52,429

was very hush-hush it seems like people

490

00:19:56,640 --> 00:19:54,080

in government know about what's going on

491

00:19:59,320 --> 00:19:56,650

with some of these reader sightings and

492

00:20:01,419 --> 00:19:59,330

the outsi can't control it because if

493

00:20:03,820 --> 00:20:01,429

they can control it they would put it

494

00:20:07,930 --> 00:20:03,830

down or monetize it in some way that

495

00:20:13,419 --> 00:20:07,940

hasn't happened they would put it like

496

00:20:16,360 --> 00:20:13,429

in some kind of zoo right well or I mean

497

00:20:18,160 --> 00:20:16,370

like I get I get the impression that the

498

00:20:21,370 --> 00:20:18,170

alien thing the Bigfoot thing like I

499

00:20:23,410 --> 00:20:21,380

said we talked about the Giants and you

500

00:20:25,660 --> 00:20:23,420

know the there's plenty of people who

501
00:20:27,490 --> 00:20:25,670
have talked about all the stuff that's

502
00:20:29,440 --> 00:20:27,500
hidden by the Smithsonian like I feel

503
00:20:32,770 --> 00:20:29,450
like it's just whatever it is they're

504
00:20:35,680 --> 00:20:32,780
hiding it's got to be so narrative

505
00:20:36,850 --> 00:20:35,690
shattering that they'll do like what

506
00:20:38,650 --> 00:20:36,860
they do with pizza gate they'll just

507
00:20:40,510 --> 00:20:38,660
little they'll they'll do anything to

508
00:20:45,370 --> 00:20:40,520
basically keep it from people even

509
00:20:49,870 --> 00:20:45,380
people who are military personnel it's

510
00:20:52,630 --> 00:20:49,880
yeah um I'll would have to agree with you

511
00:20:56,230 --> 00:20:52,640
that it must real story the real story

512
00:20:57,700 --> 00:20:56,240
of humanity and what's going on with

513
00:21:00,250 --> 00:20:57,710

anything I don't know if you whether you

514

00:21:01,570 --> 00:21:00,260

believe in UFOs or not or any

515

00:21:04,810 --> 00:21:01,580

conspiracies there's probably something

516

00:21:08,530 --> 00:21:04,820

so bizarre going on that it is totally

517

00:21:10,930 --> 00:21:08,540

earth-shattering not just it faith-based

518

00:21:13,980 --> 00:21:10,940

not just like religious shattering

519

00:21:16,660 --> 00:21:13,990

probably economically in some way

520

00:21:18,130 --> 00:21:16,670

there's been numerous dogmas that has

521

00:21:20,230 --> 00:21:18,140

been smashed there's been changes of

522

00:21:23,440 --> 00:21:20,240

religion belief systems that have

523

00:21:26,280 --> 00:21:23,450

changed changed over the years yeah so

524

00:21:29,200 --> 00:21:26,290

this one must be economic in some way

525

00:21:32,110 --> 00:21:29,210

that it must be such a huge economic

526

00:21:35,049 --> 00:21:32,120

impact in some way that people won't be

527

00:21:35,740 --> 00:21:35,059

able to go to work and then the economy

528

00:21:38,919 --> 00:21:35,750

will go bye-bye

529

00:21:40,419 --> 00:21:38,929

and then Anarchy will erupt and then the

530

00:21:42,430 --> 00:21:40,429

ruling elite will must be forced down

531

00:21:43,780 --> 00:21:42,440

into their bunkers and then once

532

00:21:45,700 --> 00:21:43,790

everything is calm down they'll come

533

00:21:48,330 --> 00:21:45,710

back up and hundred years and rule over

534

00:21:51,909 --> 00:21:48,340

us Morlocks

535

00:21:53,880 --> 00:21:51,919

hopefully that's positive and that's the

536

00:21:56,280 --> 00:21:53,890

best-case scenario people

537

00:21:58,110 --> 00:21:56,290

well honestly I'm one of these people I

538

00:22:00,780 --> 00:21:58,120

just want to warm my feet at the fire of

539

00:22:02,880 --> 00:22:00,790

the world as it all burns just to see

540

00:22:04,200 --> 00:22:02,890

what happens because uh you know there's

541

00:22:06,120 --> 00:22:04,210

too many people who just don't pay

542

00:22:09,600 --> 00:22:06,130

attention to any of this stuff I mean we

543

00:22:12,390 --> 00:22:09,610

entertained some wacky ideas here yes

544

00:22:14,310 --> 00:22:12,400

and I think that that's fun because

545

00:22:16,799 --> 00:22:14,320

honest-to-goodness if you think that

546

00:22:20,100 --> 00:22:16,809

we're fake news and that the real news

547

00:22:22,320 --> 00:22:20,110

is real news like CNN is more real than

548

00:22:25,320 --> 00:22:22,330

us like we're just looking at all the

549

00:22:28,260 --> 00:22:25,330

evidence in being fear I feel like we're

550

00:22:30,750 --> 00:22:28,270

pretty objective yes we want to believe

551
00:22:33,120 --> 00:22:30,760
you know we want to believe in UFOs we

552
00:22:35,430 --> 00:22:33,130
want to believe in Bigfoots and we John

553
00:22:37,020 --> 00:22:35,440
Podesta wants to believe in UFOs for

554
00:22:39,030 --> 00:22:37,030
Pete's sakes he's Hillary Clinton's

555
00:22:41,850 --> 00:22:39,040
Hillary Clinton wasn't she bragging

556
00:22:43,440 --> 00:22:41,860
about like opening up the UFO FILES and

557
00:22:46,590 --> 00:22:43,450
all this stuff yeah and so cleanse a big

558
00:22:49,169 --> 00:22:46,600
big fan of that stuff - yeah and in

559
00:22:50,520 --> 00:22:49,179
Jimmy Kimmel and you know a lot of these

560
00:22:53,909 --> 00:22:50,530
talk show hosts they all want to know

561
00:22:56,669 --> 00:22:53,919
like we're all fascinated by this stuff

562
00:22:58,350 --> 00:22:56,679
but anytime you ever get close to

563
00:23:01,350 --> 00:22:58,360

something that goes against the

564

00:23:03,780 --> 00:23:01,360

narrative it's almost like okay well

565

00:23:05,460 --> 00:23:03,790

we're not allowed to talk about that so

566

00:23:07,289 --> 00:23:05,470

why don't you shut up ibly more has been

567

00:23:09,780 --> 00:23:07,299

written or said about our hot dogs and

568

00:23:13,110 --> 00:23:09,790

about any other in America yep exactly

569

00:23:15,600 --> 00:23:13,120

yeah our hot dogs are legendary it is

570

00:23:17,970 --> 00:23:15,610

it's kind of like a it's almost like a

571

00:23:19,530 --> 00:23:17,980

movie The Matrix in some way once you're

572

00:23:22,740 --> 00:23:19,540

close to figuring out that you're in a

573

00:23:25,710 --> 00:23:22,750

matrix they're like whoa rest up in here

574

00:23:27,450 --> 00:23:25,720

real quick exactly I I definitely

575

00:23:29,760 --> 00:23:27,460

believe that that's true and I think the

576

00:23:31,680 --> 00:23:29,770

four one one cases are an example of

577

00:23:33,390 --> 00:23:31,690

that a lot of the four all-in-one cases

578

00:23:36,750 --> 00:23:33,400

I think there's a plenty of evidence

579

00:23:39,060 --> 00:23:36,760

with the UFO stuff to say you know and

580

00:23:41,730 --> 00:23:39,070

David Seaman who was doing these videos

581

00:23:43,789 --> 00:23:41,740

on the pizza gate stuff he says you know

582

00:23:49,710 --> 00:23:43,799

what when I was working in professional

583

00:23:53,070 --> 00:23:49,720

journalism if we as a journalists didn't

584

00:23:55,710 --> 00:23:53,080

agree with whatever was being posited in

585

00:23:58,760 --> 00:23:55,720

a book that was coming out even if it

586

00:24:02,610 --> 00:23:58,770

was by a well-respected writer or author

587

00:24:05,730 --> 00:24:02,620

we wouldn't combat the information that

588

00:24:07,560 --> 00:24:05,740

was coming out inside the book we just

589

00:24:10,590 --> 00:24:07,570

wouldn't cover it at all

590

00:24:13,250 --> 00:24:10,600

yeah we die go away yeah just forget

591

00:24:16,140 --> 00:24:13,260

about it which is why he's soaking in

592

00:24:17,580 --> 00:24:16,150

somebody who's been his whole thing has

593

00:24:20,850 --> 00:24:17,590

been Bitcoin I've been following this

594

00:24:22,260 --> 00:24:20,860

guy for five years easily three through

595

00:24:23,670 --> 00:24:22,270

three to five years I don't even know

596

00:24:24,840 --> 00:24:23,680

how long he's been doing his thing but

597

00:24:27,630 --> 00:24:24,850

I've been following him for a long time

598

00:24:30,660 --> 00:24:27,640

he's been all about Bitcoin he was a

599

00:24:32,190 --> 00:24:30,670

huge Democrat he loved Obama he you know

600

00:24:35,370 --> 00:24:32,200

I've been following this guy and I

601
00:24:37,710 --> 00:24:35,380
listen to everybody and so for this guy

602
00:24:40,890 --> 00:24:37,720
to get like fired from huffington post

603
00:24:43,650 --> 00:24:40,900
while questioning the Hillary's health

604
00:24:45,540 --> 00:24:43,660
thing and then to go onto the pizza gate

605
00:24:47,460 --> 00:24:45,550
thing and have his videos removed I mean

606
00:24:49,050 --> 00:24:47,470
this is what they do when there's

607
00:24:51,630 --> 00:24:49,060
actually something there but for him to

608
00:24:53,220 --> 00:24:51,640
say that you know we'll the missing four

609
00:24:56,490 --> 00:24:53,230
oh and one stuff does it get any press

610
00:24:58,940 --> 00:24:56,500
now because they don't want you to look

611
00:25:01,830 --> 00:24:58,950
at it that's absolutely true

612
00:25:03,750 --> 00:25:01,840
it's pretty disturbing stuff do they
