

Confronting Bigfoot & Aliens

1
00:00:08,059 --> 00:00:05,619

[Music]

2
00:00:11,000 --> 00:00:08,069

in this segment we talk about people

3
00:00:13,249 --> 00:00:11,010

taking shots at Bigfoot and aliens I

4
00:00:15,799 --> 00:00:13,259

must warn you of the graphic language

5
00:00:17,630 --> 00:00:15,809

and content and while we do have fun

6
00:00:19,970 --> 00:00:17,640

with these topics it doesn't mean some

7
00:00:22,640 --> 00:00:19,980

of us aren't believers enjoy the segment

8
00:00:35,270 --> 00:00:22,650

and I will talk to you later let's let's

9
00:00:39,619 --> 00:00:35,280

do some more [h__h] come on I got some

10
00:00:41,810 --> 00:00:39,629

stuff here guys I got a few things a few

11
00:00:45,830 --> 00:00:41,820

items if you if you please

12
00:00:48,770 --> 00:00:45,840

yeah I got nothing but time so I'm gonna

13
00:00:51,439 --> 00:00:48,780

read to you a passage out of the field

14

00:00:53,000 --> 00:00:51,449

guide to the extraterrestrials it's a

15

00:00:56,290 --> 00:00:53,010

complete overview of alien life-forms

16

00:01:00,740 --> 00:00:56,300

based on actual counts and sightings and

17

00:01:04,090 --> 00:01:00,750

I didn't deep and reading about UFOs

18

00:01:06,710 --> 00:01:04,100

Sasquatch paranormal encounters and

19

00:01:09,260 --> 00:01:06,720

along with trying to link some of it to

20

00:01:10,460 --> 00:01:09,270

the missing four were one stuff that

21

00:01:14,630 --> 00:01:10,470

we've been talking about over the past

22

00:01:16,670 --> 00:01:14,640

couple years and not last episode or two

23

00:01:20,660 --> 00:01:16,680

episodes we talked about missing 401

24

00:01:22,460 --> 00:01:20,670

cases and Sasquatch and Bigfoot and if

25

00:01:24,170 --> 00:01:22,470

you look at our YouTube comments we're

26
00:01:25,999 --> 00:01:24,180
actually gonna actually see people say

27
00:01:27,050 --> 00:01:26,009
you guys are dumb [h__h] you

28
00:01:28,760 --> 00:01:27,060
don't know you're talking about and some

29
00:01:32,390 --> 00:01:28,770
people's like oh that theory is not too

30
00:01:34,999 --> 00:01:32,400
bad pretty cold out there on YouTube

31
00:01:37,399 --> 00:01:35,009
yeah it's a wild place this is pretty

32
00:01:41,780 --> 00:01:37,409
ridiculous yes but I'm sticking with

33
00:01:44,090 --> 00:01:41,790
thee I'm sticking with my theory for

34
00:01:47,230 --> 00:01:44,100
when it comes to missing 401 with that

35
00:01:50,300 --> 00:01:47,240
this is a combination of UFOs working

36
00:01:54,460 --> 00:01:50,310
with a sasquatch using the Sasquatch as

37
00:01:56,660 --> 00:01:54,470
foot soldiers scouting parties and I

38
00:01:58,999 --> 00:01:56,670

don't know why it makes sense to me is

39

00:02:02,120 --> 00:01:59,009

something that the after I read a few

40

00:02:04,399 --> 00:02:02,130

articles about that I like that idea I

41

00:02:06,560 --> 00:02:04,409

like that that the UFOs might

42

00:02:08,260 --> 00:02:06,570

genetically breed Bigfoot big giant

43

00:02:10,609 --> 00:02:08,270

hulking creatures to go down there and

44

00:02:11,900 --> 00:02:10,619

take a look around if anybody gives you

45

00:02:12,170 --> 00:02:11,910

trouble knock on the head bring them

46

00:02:14,750 --> 00:02:12,180

back

47

00:02:16,990 --> 00:02:14,760

they're good if we want these people

48

00:02:19,099 --> 00:02:17,000

will give you a biscuit or something I

49

00:02:23,030 --> 00:02:19,109

don't know how they pay sasquatch it's

50

00:02:25,429 --> 00:02:23,040

probably in biscuits or Bitcoin in this

51
00:02:27,860 --> 00:02:25,439
in this guide to the extraterrestrials

52
00:02:29,839 --> 00:02:27,870
it is laid up pretty thorough there's

53
00:02:33,349 --> 00:02:29,849
pictures drawn of each of these

54
00:02:35,449 --> 00:02:33,359
creatures and there is a class there's

55
00:02:38,660 --> 00:02:35,459
different classes there's like amphibian

56
00:02:41,119 --> 00:02:38,670
there's humanoid there's a anime lien

57
00:02:42,800 --> 00:02:41,129
kind of in this this one let's soon as I

58
00:02:45,020 --> 00:02:42,810
saw this picture in here this looks like

59
00:02:46,250 --> 00:02:45,030
a goddamn Bigfoot and this is a story

60
00:02:49,129 --> 00:02:46,260
that goes along with this hold on I need

61
00:02:50,929 --> 00:02:49,139
to put on my reading glasses I think we

62
00:02:53,270 --> 00:02:50,939
should do oh my god you're sold we

63
00:02:55,520 --> 00:02:53,280

should do video for the live broadcast

64

00:02:58,099 --> 00:02:55,530

you think so yeah because it would be

65

00:02:59,509 --> 00:02:58,109

way more fun if we could toss it over we

66

00:03:01,099 --> 00:02:59,519

should just do like hang out since we

67

00:03:03,020 --> 00:03:01,109

have people who actually join the chat

68

00:03:05,080 --> 00:03:03,030

and stuff like it'd be more fun because

69

00:03:08,089 --> 00:03:05,090

I want to see what you're looking at

70

00:03:10,309 --> 00:03:08,099

well I tell you what over this weekend

71

00:03:12,649 --> 00:03:10,319

we could come up with a Google hangout

72

00:03:15,140 --> 00:03:12,659

put a layout together and do that I

73

00:03:17,030 --> 00:03:15,150

would be we have to call into Google

74

00:03:20,750 --> 00:03:17,040

Hangouts but it might be a better

75

00:03:26,770 --> 00:03:20,760

service in Skype no I don't know I mean

76
00:03:31,610 --> 00:03:26,780
Skype is pretty good so this passage is

77
00:03:35,629 --> 00:03:31,620
comes from an alien class of the anime

78
00:03:37,159 --> 00:03:35,639
and it's a hairy Bigfoot that's was

79
00:03:40,670 --> 00:03:37,169
classified having this this incident

80
00:03:43,839 --> 00:03:40,680
comes from October 25th of 1973 the

81
00:03:46,999 --> 00:03:43,849
location is Greensburg Pennsylvania

82
00:03:49,099 --> 00:03:47,009
which live south of Pittsburgh like 20

83
00:03:50,780 --> 00:03:49,109
miles maybe one activity around

84
00:03:56,240 --> 00:03:50,790
Pennsylvania when it comes to UFO and

85
00:04:00,679 --> 00:03:56,250
Bigfoot and this one is a bit of a doozy

86
00:04:03,050 --> 00:04:00,689
but let me know about 9 o'clock at night

87
00:04:06,800 --> 00:04:03,060
a 20 year old farmer and a local miner

88
00:04:08,929 --> 00:04:06,810

in some 15 others saw a bright red ball

89

00:04:11,629 --> 00:04:08,939

hovering high over a nearby field the

90

00:04:13,550 --> 00:04:11,639

farmer decided to investigate and a pair

91

00:04:16,550 --> 00:04:13,560

of paternal twins hopped into the car

92

00:04:18,979 --> 00:04:16,560

with him as they approached the three

93

00:04:20,149 --> 00:04:18,989

witnesses saw an object descending when

94

00:04:21,949 --> 00:04:20,159

they walked over the crest of the hill

95

00:04:24,680 --> 00:04:21,959

they came upon a dome-shaped object

96

00:04:27,800 --> 00:04:24,690

about a hundred feet in diameter

97

00:04:30,260 --> 00:04:27,810

the bright white object which made a

98

00:04:32,120 --> 00:04:30,270

sound like a lawnmower and either landed

99

00:04:35,570 --> 00:04:32,130

or was hovering just above the field

100

00:04:38,950 --> 00:04:35,580

suddenly one of the twins spotted

101
00:04:42,860 --> 00:04:38,960
something walking along the fence

102
00:04:45,020 --> 00:04:42,870
Polaski raised his rifle and fired a

103
00:04:47,810 --> 00:04:45,030
tracer slug over the heads of the two

104
00:04:50,390 --> 00:04:47,820
figures at first he thought they were

105
00:04:51,830 --> 00:04:50,400
bears then realized they were not the

106
00:04:54,950 --> 00:04:51,840
two creatures were taller than the

107
00:04:57,680 --> 00:04:54,960
six-foot fence once one was about eight

108
00:05:00,500 --> 00:04:57,690
feet tall the other was about seven feet

109
00:05:03,530 --> 00:05:00,510
both creatures were covered in long dark

110
00:05:07,730 --> 00:05:03,540
grey hair and their arms almost to the

111
00:05:09,890 --> 00:05:07,740
ground their eyes glowed green yellow in

112
00:05:12,050 --> 00:05:09,900
color the creatures made a whining sound

113
00:05:14,540 --> 00:05:12,060

back and forth as they as in

114

00:05:16,820 --> 00:05:14,550

conversation with each other and a

115

00:05:18,890 --> 00:05:16,830

strong odor like burning rubber was

116

00:05:20,960 --> 00:05:18,900

present when Polaski realized the

117

00:05:22,850 --> 00:05:20,970

creatures were headed toward them one of

118

00:05:25,610 --> 00:05:22,860

the boys ran back to the home and plus

119

00:05:28,370 --> 00:05:25,620

he fired three rounds into the larger

120

00:05:29,780 --> 00:05:28,380

creature apparently hit the creature

121

00:05:32,660 --> 00:05:29,790

made her whining noise and raised his

122

00:05:34,730 --> 00:05:32,670

hands towards the other creature at that

123

00:05:37,340 --> 00:05:34,740

moment the bright object in the field

124

00:05:40,100 --> 00:05:37,350

just disappeared a place where the

125

00:05:42,080 --> 00:05:40,110

object had been glowing white the

126
00:05:43,370 --> 00:05:42,090
creature then slowly turned and walked

127
00:05:45,770 --> 00:05:43,380
back towards the woods

128
00:05:47,690 --> 00:05:45,780
Polaski his eyes began to bother him

129
00:05:50,990 --> 00:05:47,700
decided to report hesitant to the police

130
00:05:53,060 --> 00:05:51,000
when a trooper arrived at 9:45 he noted

131
00:05:55,820 --> 00:05:53,070
the glowing ring in the field and heard

132
00:05:56,780 --> 00:05:55,830
a loud wailing noise in her loud wailing

133
00:05:59,330 --> 00:05:56,790
noises in the woods

134
00:06:01,010 --> 00:05:59,340
suddenly Pulaski yelled that something

135
00:06:03,500 --> 00:06:01,020
was coming out of the woods towards them

136
00:06:06,950 --> 00:06:03,510
two men jumped into the patrol car and

137
00:06:09,290 --> 00:06:06,960
drove off later still at 2:00 a.m. when

138
00:06:12,800 --> 00:06:09,300

the investigating team arrived plus key

139

00:06:15,350 --> 00:06:12,810

a six-foot to 250-pound man went into a

140

00:06:16,820 --> 00:06:15,360

fugue I don't I don't know I don't know

141

00:06:19,010 --> 00:06:16,830

maybe that word

142

00:06:22,130 --> 00:06:19,020

breathing heavily growling and flailing

143

00:06:23,600 --> 00:06:22,140

his arms the group decided to leave the

144

00:06:25,640 --> 00:06:23,610

scene after Pulaski came out of his

145

00:06:27,710 --> 00:06:25,650

confused state and the smell of sulfur

146

00:06:30,020 --> 00:06:27,720

in some other chemicals began to

147

00:06:31,010 --> 00:06:30,030

permeate the area psychiatrist or

148

00:06:33,110 --> 00:06:31,020

psychiatrist

149

00:06:35,900 --> 00:06:33,120

later examined a philosophy found no

150

00:06:37,640 --> 00:06:35,910

evidence of dishonesty psychopathic

151
00:06:40,340 --> 00:06:37,650
behavior or drug or alcohol

152
00:06:44,000 --> 00:06:40,350
use in in either the connection of this

153
00:06:48,409 --> 00:06:44,010
incident or previous in his life so do

154
00:06:50,360 --> 00:06:48,419
you have a story of the UFO Millennial

155
00:06:53,150 --> 00:06:50,370
break ball light landing the field three

156
00:06:56,000 --> 00:06:53,160
people witnessing creatures over

157
00:06:59,060 --> 00:06:56,010
six-foot this guy drop in some rounds in

158
00:07:00,500 --> 00:06:59,070
one of them and calling the police and

159
00:07:01,700 --> 00:07:00,510
then later being able to see these

160
00:07:06,010 --> 00:07:01,710
creatures again come back out of the

161
00:07:09,020 --> 00:07:06,020
woods found that to be very interesting

162
00:07:11,230 --> 00:07:09,030
in that connection he still never said

163
00:07:14,210 --> 00:07:11,240

anything about their junk no he didn't

164

00:07:17,120 --> 00:07:14,220

no I'm going to let it go because this

165

00:07:18,770 --> 00:07:17,130

is one of those rare incidences where a

166

00:07:24,620 --> 00:07:18,780

person actually fired up on these

167

00:07:25,969 --> 00:07:24,630

creatures and him that's like a rival

168

00:07:27,110 --> 00:07:25,979

though it's like is that the right

169

00:07:33,350 --> 00:07:27,120

decision how do you know these people

170

00:07:35,540 --> 00:07:33,360

want to fight that's kind of the point D

171

00:07:35,990 --> 00:07:35,550

would you open fire on and Haley if you

172

00:07:41,570 --> 00:07:36,000

saw him

173

00:07:43,520 --> 00:07:41,580

hi so if you hypothetically are in the

174

00:07:44,450 --> 00:07:43,530

midst of being abducted by aliens and

175

00:07:46,670 --> 00:07:44,460

you see my right like there's many

176

00:07:48,830 --> 00:07:46,680

stories of aliens that come right people

177

00:07:50,870 --> 00:07:48,840

wake up and they remember like shorter

178

00:07:54,890 --> 00:07:50,880

figures around their bed and if you

179

00:07:59,680 --> 00:07:54,900

could fight back would you I I don't

180

00:08:02,480 --> 00:07:59,690

know they have invaded your home and

181

00:08:04,370 --> 00:08:02,490

obviously they're breaking our laws by

182

00:08:06,110 --> 00:08:04,380

breaking and entering god knows it could

183

00:08:09,110 --> 00:08:06,120

be doing a home invasion burglar looking

184

00:08:11,689 --> 00:08:09,120

for Playstations don't these aliens

185

00:08:14,240 --> 00:08:11,699

understand property law I don't think

186

00:08:16,879 --> 00:08:14,250

they do Joe but would you fight back

187

00:08:19,570 --> 00:08:16,889

that is that is a question would you use

188

00:08:22,370 --> 00:08:19,580

a knife to stab them would you use your

189

00:08:26,510 --> 00:08:22,380

gun to shoot them if you were able to

190

00:08:29,029 --> 00:08:26,520

most people in stories are so paralyzed

191

00:08:31,339 --> 00:08:29,039

in fear or maybe they're you know

192

00:08:32,719 --> 00:08:31,349

they're psychically paralyzed that they

193

00:08:36,070 --> 00:08:32,729

don't fight back they don't do anything

194

00:08:38,300 --> 00:08:36,080

and they just the they go along with it

195

00:08:40,010 --> 00:08:38,310

what would you fight back would you

196

00:08:42,529 --> 00:08:40,020

actually strike an alien in the head

197

00:08:44,480 --> 00:08:42,539

with your fists I mean if they're gonna

198

00:08:47,210 --> 00:08:44,490

put probes in my asshole I want to see

199

00:08:48,350 --> 00:08:47,220

where this is going so you just want to

200

00:08:50,360 --> 00:08:48,360

go you you're actually saying you're

201
00:08:51,410 --> 00:08:50,370
gonna go along for the ride I you know I

202
00:08:53,150 --> 00:08:51,420
think

203
00:08:56,600 --> 00:08:53,160
especially after I watched arrival I

204
00:08:59,090 --> 00:08:56,610
think you know when when you if this

205
00:09:03,579 --> 00:08:59,100
stuff kind of happens I think having an

206
00:09:06,740 --> 00:09:03,589
open mind and less of a violent reaction

207
00:09:08,569 --> 00:09:06,750
is probably the best way to go about it

208
00:09:10,519 --> 00:09:08,579
I wouldn't immediately perceive anything

209
00:09:13,790 --> 00:09:10,529
and necessarily as a threat especially

210
00:09:16,100 --> 00:09:13,800
if it was epic is a ship in a field and

211
00:09:18,740 --> 00:09:16,110
these creatures who are even if they

212
00:09:20,810 --> 00:09:18,750
invaded your house yeah even if they

213
00:09:23,000 --> 00:09:20,820

came in my house I'd be like all right

214

00:09:26,870 --> 00:09:23,010

all right what are we doing

215

00:09:29,930 --> 00:09:26,880

do y'all want a drink like what some

216

00:09:32,930 --> 00:09:29,940

friends hey you like Seinfeld

217

00:09:37,100 --> 00:09:32,940

yeah you're the most heavily armed

218

00:09:38,300 --> 00:09:37,110

person here what would you do you just

219

00:09:40,370 --> 00:09:38,310

want to come to the house

220

00:09:43,280 --> 00:09:40,380

well okay you wake up and you are

221

00:09:45,110 --> 00:09:43,290

surrounded by aliens good morning

222

00:09:47,689 --> 00:09:45,120

there's no way I can get to any of my

223

00:09:49,970 --> 00:09:47,699

guns I mean well shame on you for not

224

00:09:51,800 --> 00:09:49,980

having one next a bit bed prepared let's

225

00:09:54,379 --> 00:09:51,810

keep my okay right next to me I have

226

00:09:54,650 --> 00:09:54,389

enough room in bed sleep with you yeah

227

00:09:56,810 --> 00:09:54,660

sure

228

00:10:00,500 --> 00:09:56,820

you're going on the Alex Jones Wall of

229

00:10:07,329 --> 00:10:00,510

shame that's right you should have your

230

00:10:10,939 --> 00:10:09,740

every time I read about the abduction

231

00:10:12,439 --> 00:10:10,949

stories I can you wake up and see the

232

00:10:14,540 --> 00:10:12,449

aliens it's too late there already have

233

00:10:17,480 --> 00:10:14,550

you I'm putting you in a hypothetical

234

00:10:20,180 --> 00:10:17,490

situation where you wake up you see him

235

00:10:22,730 --> 00:10:20,190

around you and you are free to move

236

00:10:28,160 --> 00:10:22,740

around interact with them punch him talk

237

00:10:37,280 --> 00:10:28,170

to him what would you do how big are

238

00:10:38,870 --> 00:10:37,290

their genitals as well what are we

239

00:10:40,880 --> 00:10:38,880

talking about I'm saying they're the

240

00:10:43,100 --> 00:10:40,890

classic gray alien pretty pretty much

241

00:10:46,280 --> 00:10:43,110

like large head maybe three or four feet

242

00:10:49,579 --> 00:10:46,290

tall very smooth no exposed genital no

243

00:10:53,000 --> 00:10:49,589

external genital let me creak out and

244

00:10:54,559 --> 00:10:53,010

open fire or maybe like you know knock

245

00:10:59,110 --> 00:10:54,569

him upside the head and like hog time

246

00:11:02,300 --> 00:10:59,120

and throw in the Attic so you'd actually

247

00:11:03,650 --> 00:11:02,310

physically try to harm them well I mean

248

00:11:04,759 --> 00:11:03,660

we know agree to do it's not good you

249

00:11:06,710 --> 00:11:04,769

duck it and then I try

250

00:11:08,600 --> 00:11:06,720

like probe you and stick [h__h] in you or

251

00:11:11,299 --> 00:11:08,610

steal your semen or whatever that is

252

00:11:14,439 --> 00:11:11,309

true from all stories we have heard it

253

00:11:17,660 --> 00:11:14,449

probably wrote but as far as we know so

254

00:11:20,179 --> 00:11:17,670

they also say that all Trump supporters

255

00:11:22,340 --> 00:11:20,189

are violent racists so that was you Jeff

256

00:11:25,789 --> 00:11:22,350

exactly all [h__\h] aliens why don't you

257

00:11:27,559 --> 00:11:25,799

go back to wherever you came from how do

258

00:11:29,419 --> 00:11:27,569

you know all these aliens want to probe

259

00:11:31,340 --> 00:11:29,429

you what if they want to take you to

260

00:11:39,679 --> 00:11:31,350

dinner first and then probe you maybe

261

00:11:41,809 --> 00:11:39,689

they stopped in your room really we are

262

00:11:43,299 --> 00:11:41,819

not probing him we were get him a lesson

263

00:11:57,079 --> 00:11:43,309

but look at him

264

00:11:59,900 --> 00:11:57,089

bad Intel base Intel but I I I

265

00:12:02,960 --> 00:11:59,910

personally if I woke up in there aliens

266

00:12:05,449 --> 00:12:02,970

around them so into the thought of it

267

00:12:07,579 --> 00:12:05,459

and like I still want to be taken up and

268

00:12:09,980 --> 00:12:07,589

do like a UFO he's consciously I do it

269

00:12:13,039 --> 00:12:09,990

means subconsciously I'm tired I'm

270

00:12:14,389 --> 00:12:13,049

scared to death of it I would try to

271

00:12:16,400 --> 00:12:14,399

communicate with them some ways that hey

272

00:12:20,989 --> 00:12:16,410

how can I help you

273

00:12:30,889 --> 00:12:20,999

what are you doing here do you have toys

274

00:12:32,359 --> 00:12:30,899

you got told me why you just put that

275

00:12:32,689 --> 00:12:32,369

probe in me and let's see where this

276

00:12:35,410 --> 00:12:32,699

goes

277

00:12:37,850 --> 00:12:35,420

are you a virgin I don't know why I

278

00:12:42,319 --> 00:12:37,860

probably shouldn't be asking that did

279

00:12:44,960 --> 00:12:42,329

you bring Connor I probably wouldn't be

280

00:12:50,030 --> 00:12:44,970

asking at it either I don't know would

281

00:12:52,069 --> 00:12:50,040

you ever try anal I don't know just like

282

00:12:54,439 --> 00:12:52,079

what are you gay yeah you on birth

283

00:12:57,650 --> 00:12:54,449

control I don't know why I probably

284

00:13:00,470 --> 00:12:57,660

wouldn't be asking that either I don't

285

00:13:02,179 --> 00:13:00,480

know why I would be asking them any of

286

00:13:04,519 --> 00:13:02,189

the stuff those are all the right

287

00:13:05,179 --> 00:13:04,529

questions I think when they say take me

288

00:13:07,369 --> 00:13:05,189

to your leader

289

00:13:11,859 --> 00:13:07,379

I think they go to Chris Hansen or you

290

00:13:14,059 --> 00:13:11,869

Mike yeah yeah I don't know wrestle me

291

00:13:17,650 --> 00:13:14,069

Delmon naked yeah next time you guys

292

00:13:21,600 --> 00:13:17,660

come here coming good

293

00:13:24,520 --> 00:13:21,610

they're always naked I'm bored and horny

294

00:13:32,260 --> 00:13:24,530

take me away take me cheerleader I'm

295

00:13:33,970 --> 00:13:32,270

bored and horny I would like to think

296

00:13:37,150 --> 00:13:33,980

that I would be I would be diplomatic

297

00:13:38,830 --> 00:13:37,160

with them I would like to think that if

298

00:13:41,050 --> 00:13:38,840

I could keep with them I'd be like yeah

299

00:13:42,490 --> 00:13:41,060

I would really like to learn I have

300

00:13:44,080 --> 00:13:42,500

everything that you know about the

301
00:13:46,810 --> 00:13:44,090
universe everything you know about our

302
00:13:49,360 --> 00:13:46,820
species and any forgotten civilizations

303
00:13:52,270 --> 00:13:49,370
and all that kind of stuff I would try

304
00:13:54,010 --> 00:13:52,280
to be nice initially and then if they

305
00:13:57,010 --> 00:13:54,020
proceeded to take me against my will

306
00:13:58,990 --> 00:13:57,020
even though I asked not to at that point

307
00:14:01,090 --> 00:13:59,000
if I could I would probably fight back

308
00:14:13,390 --> 00:14:01,100
I'd probably drop kick him or give him a

309
00:14:23,200 --> 00:14:13,400
high-power uppercut yeah I'm gonna put

310
00:14:24,820 --> 00:14:23,210
him in a figure four leglock crab you

311
00:14:26,800 --> 00:14:24,830
got your phone in one hand you've got

312
00:14:28,480 --> 00:14:26,810
the alien in the figure four you're like

313
00:14:30,850 --> 00:14:28,490

I'm the hoenn with the police like come

314

00:14:32,440 --> 00:14:30,860

on I've got him in a figure for anywhere

315

00:14:38,890 --> 00:14:32,450

probably pick up one of my four

316

00:14:40,930 --> 00:14:38,900

wheelchairs and hit him with it but we

317

00:14:44,560 --> 00:14:40,940

both give him some business yeah I have

318

00:14:45,580 --> 00:14:44,570

to as long as the referee wasn't looking

319

00:14:48,690 --> 00:14:45,590

but I don't know why there would be

320

00:14:54,540 --> 00:14:52,060

yeah the biggest concern I just 89 in

321

00:14:57,040 --> 00:14:54,550

the ref what the this is [h__\h] up [h__\h]

322

00:14:58,870 --> 00:14:57,050

then knowing the umpire they don't have

323

00:15:00,130 --> 00:14:58,880

a ref they bring an umpire that is

324

00:15:04,330 --> 00:15:00,140

correct chestplate

325

00:15:07,390 --> 00:15:04,340

the face mask I do have a maybe one or

326

00:15:12,240 --> 00:15:07,400

two more stories if you bear with me I

327

00:15:14,800 --> 00:15:12,250

don't know if you guys like [h__h] oh I

328

00:15:17,980 --> 00:15:14,810

think people like the paranormal stuff

329

00:15:20,560 --> 00:15:17,990

but I don't know I I'm fine with it I

330

00:15:24,190 --> 00:15:20,570

say go for it you're the most skeptical

331

00:15:26,260 --> 00:15:24,200

person here Jess I'm bored with me with

332

00:15:26,770 --> 00:15:26,270

the paranormal stuff and correct me for

333

00:15:28,360 --> 00:15:26,780

Ranjha

334

00:15:30,790 --> 00:15:28,370

mom's on board with the 411 stuff and

335

00:15:32,710 --> 00:15:30,800

she yeah he finds it really interesting

336

00:15:36,310 --> 00:15:32,720

I like the four one one stuff the most

337

00:15:36,820 --> 00:15:36,320

that's my that's my favorite stuff do it

338

00:15:45,460 --> 00:15:36,830

again

339

00:15:47,670 --> 00:15:45,470

one let me know if I read this before I

340

00:15:52,690 --> 00:15:47,680

don't think that I have this is another

341

00:15:57,810 --> 00:15:52,700

shooting event with okay this is another

342

00:16:01,449 --> 00:15:57,820

shooting event dealing with paranormal

343

00:16:04,030 --> 00:16:01,459

UFOs calm whatever you want all right

344

00:16:08,470 --> 00:16:04,040

Hina claims he shot I'm sorry I'll say

345

00:16:10,840 --> 00:16:08,480

this is from Argentina all right in May

346

00:16:13,660 --> 00:16:10,850

2015 a hundred claims that he shot an

347

00:16:15,579 --> 00:16:13,670

extraterrestrial they are gray they have

348

00:16:16,750 --> 00:16:15,589

four fingers on their hands and four

349

00:16:19,980 --> 00:16:16,760

toes on their feet they stand

350

00:16:23,199 --> 00:16:19,990

approximately a metre and 15 centimeters

351
00:16:26,710 --> 00:16:23,209
says uh this farmer who says he was

352
00:16:28,750 --> 00:16:26,720
later abducted Alberto 59 shared his

353
00:16:30,759 --> 00:16:28,760
experience with the the Chronicle

354
00:16:32,620 --> 00:16:30,769
newspaper in a counter he will never

355
00:16:35,069 --> 00:16:32,630
forget a few months ago I was hunting in

356
00:16:39,040 --> 00:16:35,079
a nearby field and I saw something going

357
00:16:40,680 --> 00:16:39,050
on a going at a hunting stand that's

358
00:16:42,670 --> 00:16:40,690
when I was surrounded by five

359
00:16:44,110 --> 00:16:42,680
extraterrestrials he said regarding

360
00:16:45,970 --> 00:16:44,120
their physical appearance he stated that

361
00:16:47,769 --> 00:16:45,980
they were gray with four fingers on

362
00:16:53,170 --> 00:16:47,779
their hands and four toes on their feet

363
00:16:57,960 --> 00:16:53,180

standing approximately metre tall they

364

00:17:01,090 --> 00:16:57,970

look like they're from the movies

365

00:17:04,179 --> 00:17:01,100

contact these great creatures did not

366

00:17:06,159 --> 00:17:04,189

end there on one later occasion bikini

367

00:17:08,409 --> 00:17:06,169

my house in abducted me the critical

368

00:17:10,480 --> 00:17:08,419

moment of this narrative came about with

369

00:17:12,600 --> 00:17:10,490

without question when the alleged death

370

00:17:16,569 --> 00:17:12,610

of one of these interplanetary visitors

371

00:17:18,640 --> 00:17:16,579

one day I went to hunt them we had a

372

00:17:21,130 --> 00:17:18,650

confrontation during one encounter and I

373

00:17:23,860 --> 00:17:21,140

shot one of them I referred to as the

374

00:17:26,949 --> 00:17:23,870

Scout because he was always ahead of the

375

00:17:28,960 --> 00:17:26,959

rest when I approached the body there

376

00:17:31,360 --> 00:17:28,970

was no blood in the wound there were

377

00:17:33,159 --> 00:17:31,370

three others came at me I returned to

378

00:17:36,640 --> 00:17:33,169

the site a few minutes later in the body

379

00:17:43,980 --> 00:17:36,650

was been no longer there by the

380

00:17:47,760 --> 00:17:43,990

spacecraft to shoot the alien correct

381

00:17:50,700 --> 00:17:47,770

but he's examining in the body all these

382

00:17:52,710 --> 00:17:50,710

these uh his his crew comes out and

383

00:17:56,730 --> 00:17:52,720

they're all like hey dude what's up

384

00:17:58,890 --> 00:17:56,740

that's correct and then it just cuts to

385

00:18:00,270 --> 00:17:58,900

I come back later in the dudes gone or

386

00:18:02,250 --> 00:18:00,280

whatever that's exactly what happened

387

00:18:04,650 --> 00:18:02,260

I've searched the body there was no

388

00:18:07,560 --> 00:18:04,660

blood in the wound and the three others

389

00:18:09,480 --> 00:18:07,570

came at me I returned to the site a few

390

00:18:11,190 --> 00:18:09,490

minutes later in the body was no longer

391

00:18:13,799 --> 00:18:11,200

there since I had been taken away by the

392

00:18:14,970 --> 00:18:13,809

spacecraft he concluded she retrieved

393

00:18:16,260 --> 00:18:14,980

when the other ones tried to approach

394

00:18:18,360 --> 00:18:16,270

him and then he came back and was gone

395

00:18:20,580 --> 00:18:18,370

yeah so we have to infer this but he

396

00:18:22,290 --> 00:18:20,590

didn't say it explicitly yeah this is

397

00:18:24,030 --> 00:18:22,300

only a few paragraphs here and it's

398

00:18:26,600 --> 00:18:24,040

coming from Argentina so I don't know

399

00:18:31,799 --> 00:18:26,610

something's lost in translation or not

400

00:18:34,470 --> 00:18:31,809

the he shot a deer the physical

401
00:18:37,410 --> 00:18:34,480
consequences of this incident have have

402
00:18:38,970 --> 00:18:37,420
been as in many cases insomnia headache

403
00:18:42,000 --> 00:18:38,980
insensitive sensitivity to light

404
00:18:44,430 --> 00:18:42,010
opinions are divided on the subject UFO

405
00:18:46,860 --> 00:18:44,440
researchers are being guarded the police

406
00:18:49,980 --> 00:18:46,870
is being kept silent and the local

407
00:18:52,980 --> 00:18:49,990
residents remained astonished so that's

408
00:18:58,830 --> 00:18:52,990
that another person claiming to have

409
00:19:02,940 --> 00:18:58,840
shot well in this isn't a small UFO or

410
00:19:04,650 --> 00:19:02,950
alien creature yeah be awesome man oh if

411
00:19:07,169 --> 00:19:04,660
I shot an alien I totally mount that

412
00:19:09,390 --> 00:19:07,179
[h__h] up in the living room thank you I

413
00:19:11,520 --> 00:19:09,400

don't mind a lot of aliens and [h__h] and

414

00:19:14,669 --> 00:19:11,530

I don't even know taxidermy guy who's

415

00:19:16,530 --> 00:19:14,679

ever done this but I say what I have

416

00:19:18,470 --> 00:19:16,540

that head right up there I'd actually

417

00:19:20,970 --> 00:19:18,480

have the whole thing I do one of those

418

00:19:22,770 --> 00:19:20,980

you know where they have like the they

419

00:19:24,540 --> 00:19:22,780

shot a fox and so they get the whole

420

00:19:25,680 --> 00:19:24,550

thing stuffed and they mount it up like

421

00:19:27,750 --> 00:19:25,690

it looks like it's hunting or something

422

00:19:29,549 --> 00:19:27,760

I do that with the alien except that

423

00:19:31,200 --> 00:19:29,559

happened with like a big old dildo in

424

00:19:32,760 --> 00:19:31,210

his hand he's trying to probe somebody I

425

00:19:39,720 --> 00:19:32,770

would actually put one of those Joe

426

00:19:41,040 --> 00:19:39,730

Rogan and the flashlights in there all

427

00:19:47,280 --> 00:19:41,050

my friends and family to come over and

428

00:19:49,200 --> 00:19:47,290

watch me you know just for Christmas we

429

00:19:51,810 --> 00:19:49,210

[h__h] the alien I'm Christmas come on

430

00:19:54,120 --> 00:19:51,820

over it's a rite of passage thing he

431

00:19:55,890 --> 00:19:54,130

died he shot it he gets the kid gets the

432

00:19:57,030 --> 00:19:55,900

[h__h] the alien on Christmas it's what

433

00:20:02,280 --> 00:19:57,040

Jesus would have wanted

434

00:20:04,620 --> 00:20:02,290

he likes it exactly funny if you were

435

00:20:05,400 --> 00:20:04,630

[h__h] the a the dead alien and it

436

00:20:08,190 --> 00:20:05,410

glowed

437

00:20:12,420 --> 00:20:08,200

yeah well that's alive I [h__h] it to

438

00:20:14,880 --> 00:20:12,430

life ops are the missing foreign one

439

00:20:15,390 --> 00:20:14,890

yeah it will be nice I think you will

440

00:20:21,630 --> 00:20:15,400

love it
