

# THE MARS SPOON

1  
00:00:20,029 --> 00:00:09,940

[Music]

2  
00:00:25,400 --> 00:00:20,039

these gets hard news I demand that this

3  
00:00:28,790 --> 00:00:25,410

insanity beast I yeah all right this is

4  
00:00:31,070 --> 00:00:28,800

the part of the show I think where I

5  
00:00:32,900 --> 00:00:31,080

read on some headlines and you guys let

6  
00:00:34,459 --> 00:00:32,910

me know we want to talk about you're not

7  
00:00:36,740 --> 00:00:34,469

sure about this been doing this for a

8  
00:00:37,880 --> 00:00:36,750

long time you must know this it's been a

9  
00:00:41,270 --> 00:00:37,890

while it feels like we've been on

10  
00:00:44,330 --> 00:00:41,280

vacation for like two months damn sorry

11  
00:00:46,459 --> 00:00:44,340

I there's there's there's going to be

12  
00:00:50,350 --> 00:00:46,469

like an Amy Winehouse incident if I

13  
00:00:53,029 --> 00:00:50,360

don't have to go back to work soon bad

14

00:00:54,470 --> 00:00:53,039

well you got to make it through new

15

00:00:56,209 --> 00:00:54,480

years eve and then you have monday off

16

00:00:59,150 --> 00:00:56,219

that's a national holiday then tuesday

17

00:01:00,500 --> 00:00:59,160

you can crawl back to work oh I I do

18

00:01:03,740 --> 00:01:00,510

have a couple headlines here that are

19

00:01:06,469 --> 00:01:03,750

outside the realm of the traditional

20

00:01:09,109 --> 00:01:06,479

headlines here this is a special Mike

21

00:01:14,690 --> 00:01:09,119

headline here conspiracy weird headline

22

00:01:17,090 --> 00:01:14,700

[h\_\_\h] right no killing I do Hulu this is

23

00:01:19,179 --> 00:01:17,100

happening all right then all right this

24

00:01:21,679 --> 00:01:19,189

is some some weird headlines here

25

00:01:25,490 --> 00:01:21,689

scientists plan to send greetings to

26

00:01:28,130 --> 00:01:25,500

other worlds by the end of 2018 the

27

00:01:30,530 --> 00:01:28,140

project aims to send some conversation

28

00:01:33,700 --> 00:01:30,540

starters via radio or laser signal to

29

00:01:35,870 --> 00:01:33,710

rocky planets circling Proxima Centauri

30

00:01:37,940 --> 00:01:35,880

there they go we're not waiting to hear

31

00:01:39,770 --> 00:01:37,950

back from anybody we're gonna go ahead

32

00:01:42,590 --> 00:01:39,780

and send the hello out to these

33

00:01:44,569 --> 00:01:42,600

[h\_\_\h] hey how are you doing we

34

00:01:48,740 --> 00:01:44,579

live here please come and blanket blank

35

00:01:50,690 --> 00:01:48,750

are blank yeah hi are you doing it'll

36

00:01:52,819 --> 00:01:50,700

basically be like the exact same you

37

00:01:56,510 --> 00:01:52,829

know you're saying some stuff we did

38

00:01:58,490 --> 00:01:56,520

last week and uh Hanson vs predator has

39

00:02:00,649 --> 00:01:58,500

like seven episodes out we gotta start

40

00:02:02,749 --> 00:02:00,659

cruising those episodes and pull some

41

00:02:04,310 --> 00:02:02,759

new satellites are you a virgin I was so

42

00:02:07,649 --> 00:02:04,320

nothing aliens well as one who's your

43

00:02:10,650 --> 00:02:08,759

don't know if it's a good idea to be

44

00:02:11,850 --> 00:02:10,660

sending messages like that knows we have

45

00:02:15,089 --> 00:02:11,860

some kind of interplanetary defense

46

00:02:16,860 --> 00:02:15,099

system mmhmm yeah I mean I guess you

47

00:02:18,479 --> 00:02:16,870

have ICBMs but if they can make it here

48

00:02:20,130 --> 00:02:18,489

I nukes probably won't really faze him

49

00:02:23,280 --> 00:02:20,140

what if we're just asking this though

50

00:02:27,990 --> 00:02:23,290

you on birth control and then we'll wait

51  
00:02:29,940 --> 00:02:28,000  
wait 25 years here reply if it chose I

52  
00:02:32,039 --> 00:02:29,950  
like that because that shows that you're

53  
00:02:35,009 --> 00:02:32,049  
sensitive that you care about the their

54  
00:02:36,900 --> 00:02:35,019  
offspring and that you want them to you

55  
00:02:38,910 --> 00:02:36,910  
know have a say I I really like that

56  
00:02:41,729 --> 00:02:38,920  
that's the message you want to send it

57  
00:02:46,500 --> 00:02:41,739  
says we are a peaceful people you got

58  
00:02:48,960 --> 00:02:46,510  
toys yeah thing yeah if you if you

59  
00:02:52,009 --> 00:02:48,970  
answer the birth control question in the

60  
00:02:57,750 --> 00:02:52,019  
affirmative at toys is the next question

61  
00:03:01,890 --> 00:02:57,760  
[h\_\_h] me I don't know if we will send

62  
00:03:04,110 --> 00:03:01,900  
that to them it takes three yeah I do

63  
00:03:06,150 --> 00:03:04,120

not want that she's ass I don't know

64

00:03:13,500 --> 00:03:06,160

that make sense my son too many ways

65

00:03:16,440 --> 00:03:13,510

yeah like I'm not [h\_\_h] on you no

66

00:03:22,110 --> 00:03:16,450

[h\_\_h] on me the only way I can go all

67

00:03:24,539 --> 00:03:22,120

right okay fine I'm cheating on you all

68

00:03:25,920 --> 00:03:24,549

right this next headline here follows

69

00:03:28,080 --> 00:03:25,930

right up with that scientists pick up

70

00:03:30,979 --> 00:03:28,090

deep space signals which could prove

71

00:03:33,690 --> 00:03:30,989

aliens are trying to contact humanity

72

00:03:37,349 --> 00:03:33,700

scientists may have found proof that et

73

00:03:39,690 --> 00:03:37,359

really is phoning home in a form of a

74

00:03:41,339 --> 00:03:39,700

form of powerful radio signals which

75

00:03:45,569 --> 00:03:41,349

have been detected repeatedly in the

76  
00:03:47,640 --> 00:03:45,579  
same exact location in space so there we

77  
00:03:49,620 --> 00:03:47,650  
go we're sending signals out and now

78  
00:03:50,879 --> 00:03:49,630  
we're getting signals back they're

79  
00:03:52,589 --> 00:03:50,889  
trying they're trying to tell us

80  
00:03:56,039 --> 00:03:52,599  
something this this comes from the Sun

81  
00:03:58,979 --> 00:03:56,049  
UK the previous one was from physics

82  
00:04:00,199 --> 00:03:58,989  
door sighs our org they're trying to

83  
00:04:04,319 --> 00:04:00,209  
tell us something they're sending like

84  
00:04:06,360 --> 00:04:04,329  
contact at least through radio waves and

85  
00:04:12,150 --> 00:04:06,370  
radio telescopes is going to be is right

86  
00:04:14,580 --> 00:04:12,160  
around the corner GTFO what's that kids

87  
00:04:15,390 --> 00:04:14,590  
are get the [h\_\_\h] out yeah yeah kind of

88  
00:04:17,789 --> 00:04:15,400

kind of with

89

00:04:21,449 --> 00:04:17,799

and your tits aliens we don't care about

90

00:04:25,290 --> 00:04:21,459

your dumb math whatever how bigger your

91

00:04:26,640 --> 00:04:25,300

genitals yeah that isn't it yeah we

92

00:04:29,370 --> 00:04:26,650

can't have him here if they're if

93

00:04:31,560 --> 00:04:29,380

they're size sizable I don't want them

94

00:04:33,659 --> 00:04:31,570

here it's more competition I'm already

95

00:04:36,480 --> 00:04:33,669

having enough difficulty okcupid I don't

96

00:04:38,700 --> 00:04:36,490

need to compete with a bunch of dangers

97

00:04:43,830 --> 00:04:38,710

yeah if I can't dick swinging aliens

98

00:04:46,230 --> 00:04:43,840

yeah eight inches they could shape-shift

99

00:04:50,990 --> 00:04:46,240

and make their dicks bigger just to get

100

00:04:53,969 --> 00:04:51,000

you to look sadder to the lad yeah I

101  
00:04:55,230 --> 00:04:53,979  
don't need that [\h\_\_\h] um and then I'd you

102  
00:04:58,980 --> 00:04:55,240  
have a few more headlines here that a

103  
00:05:01,409 --> 00:04:58,990  
little bit more interesting is this

104  
00:05:05,730 --> 00:05:01,419  
proof of life on Mars NASA rover

105  
00:05:07,320 --> 00:05:05,740  
discovers a large spoon on the red

106  
00:05:11,580 --> 00:05:07,330  
planet's surface now you look at this

107  
00:05:13,290 --> 00:05:11,590  
this looks like a [\h\_\_\h] red spoon you

108  
00:05:15,659 --> 00:05:13,300  
guys look at this up at this any of this

109  
00:05:17,790 --> 00:05:15,669  
lack I'm looking at right now I think

110  
00:05:22,439 --> 00:05:17,800  
it's probably because they're doing all

111  
00:05:25,080 --> 00:05:22,449  
these shots in Nevada where we have the

112  
00:05:27,960 --> 00:05:25,090  
Trinity test I jerk off [\h\_\_\h] we check

113  
00:05:31,740 --> 00:05:27,970

the spoon god damn it [\h\_\_\h] Todd left

114

00:05:33,810 --> 00:05:31,750

his goddamn beans out there [\h\_\_\h] he's

115

00:05:36,390 --> 00:05:33,820

always with the pudding he's eating

116

00:05:41,430 --> 00:05:36,400

pudding and jello cereal anything with a

117

00:05:42,930 --> 00:05:41,440

spoon but look at that that looks like a

118

00:05:45,060 --> 00:05:42,940

spoon and then there's a second picture

119

00:05:47,760 --> 00:05:45,070

a little bit below it of another shape

120

00:05:51,450 --> 00:05:47,770

that looks like a spoon that does look

121

00:05:54,330 --> 00:05:51,460

very spooning I don't know what to say

122

00:05:57,149 --> 00:05:54,340

about this well I rid of Mars you can

123

00:06:01,350 --> 00:05:57,159

just grab a spoon off the surface and

124

00:06:02,820 --> 00:06:01,360

don't growing a pair visas aliens

125

00:06:04,860 --> 00:06:02,830

littering there's flying by throwing

126

00:06:07,560 --> 00:06:04,870

spoons out the window what if it was

127

00:06:09,659 --> 00:06:07,570

just that but like Mars was populated by

128

00:06:11,610 --> 00:06:09,669

just a bunch of homeless people and

129

00:06:15,870 --> 00:06:11,620

they're all eating beans out of a can

130

00:06:19,589 --> 00:06:15,880

because they're one [h\_\_h] else to do they

131

00:06:24,240 --> 00:06:19,599

all shared the same spoon yeah we got

132

00:06:28,320 --> 00:06:24,250

one spoon line up everyone's using this

133

00:06:29,129 --> 00:06:28,330

one spoon is the family spoon and the

134

00:06:31,050 --> 00:06:29,139

guy who held

135

00:06:33,869 --> 00:06:31,060

spoon this is from a civilization on

136

00:06:35,339 --> 00:06:33,879

earth that came before our civilization

137

00:06:36,749 --> 00:06:35,349

we always think that we're like the

138

00:06:38,909 --> 00:06:36,759

civilization but there's probably a

139

00:06:40,920 --> 00:06:38,919

civilization that happened before and so

140

00:06:43,890 --> 00:06:40,930

then these get this was the spoon you go

141

00:06:45,269 --> 00:06:43,900

I had to hold the spoon to talk and then

142

00:06:47,219 --> 00:06:45,279

everybody got to share the spoon when

143

00:06:49,140 --> 00:06:47,229

they ate their beans under the bridge on

144

00:06:52,499 --> 00:06:49,150

Mars make sense to me is as good as

145

00:06:55,890 --> 00:06:52,509

serious any now let's seize your spoons

146

00:06:58,800 --> 00:06:55,900

left by the Martian slaves do we read

147

00:07:02,550 --> 00:06:58,810

about look at look at that that's a

148

00:07:04,050 --> 00:07:02,560

goddamn spoon on Mars it looks like it's

149

00:07:06,119 --> 00:07:04,060

like the squirrel or the mouse or

150

00:07:09,059 --> 00:07:06,129

whatever it does it does you can't help

151

00:07:11,459 --> 00:07:09,069

but see that I know the I wants to see

152

00:07:13,200 --> 00:07:11,469

what wants to see and we have you no

153

00:07:16,260 --> 00:07:13,210

preconceived notions of what we're

154

00:07:23,550 --> 00:07:16,270

looking at like seeing like faces and

155

00:07:25,829 --> 00:07:23,560

clouds but this is a [\h\_\_\h] spoon going

156

00:07:28,499 --> 00:07:25,839

on I don't know that's that that's a

157

00:07:30,329 --> 00:07:28,509

tough one man maybe it is maybe it is a

158

00:07:33,450 --> 00:07:30,339

stage maybe this is like like in you

159

00:07:38,070 --> 00:07:33,460

know last year we talked about the the

160

00:07:39,839 --> 00:07:38,080

NASA rover being taken to a place I

161

00:07:41,399 --> 00:07:39,849

believed somewhere like just north of

162

00:07:43,200 --> 00:07:41,409

Nova Scotia and that's what they're

163

00:07:47,279 --> 00:07:43,210

doing they're filming for the net in the

164

00:07:49,290 --> 00:07:47,289

NASA rover hours are over across someone

165

00:07:51,869 --> 00:07:49,300

did like just a comparison of like the

166

00:07:53,790 --> 00:07:51,879

hilltop and everything we did a video

167

00:07:55,499 --> 00:07:53,800

about that last year it looks that's

168

00:07:59,089 --> 00:07:55,509

compelling photographic evidence to like

169

00:08:01,379 --> 00:07:59,099

that they're staging some [h\_\_\h] hmm I

170

00:08:05,939 --> 00:08:01,389

don't know what are we paying money for

171

00:08:08,999 --> 00:08:05,949

here people I i think it's a it's a good

172

00:08:11,760 --> 00:08:09,009

money well spent obviously if I guess if

173

00:08:14,790 --> 00:08:11,770

NASA wants more money why wouldn't it

174

00:08:18,119 --> 00:08:14,800

it's a yes this is a spoon we need more

175

00:08:20,850 --> 00:08:18,129

money to get my work days nice they need

176

00:08:24,149 --> 00:08:20,860

forks and knives and how they pay when

177

00:08:25,350 --> 00:08:24,159

they get there i don't know but i would

178

00:08:28,679 --> 00:08:25,360

say that look this is obviously a

179

00:08:31,769 --> 00:08:28,689

evidence of a civilization long gone and

180

00:08:35,519 --> 00:08:31,779

we need more money yeah Soundgarden

181

00:08:37,430 --> 00:08:35,529

can't even perform on that planet until

182

00:08:39,149 --> 00:08:37,440

we find out what this really is

183

00:08:42,940 --> 00:08:39,159

[Music]

184

00:08:49,389 --> 00:08:42,950

joke jail spoonman I get a yes please

185

00:08:53,110 --> 00:08:49,399

right what is all this stuff apparently

186

00:08:54,759 --> 00:08:53,120

space trash Alex yacht tell you what I

187

00:08:58,090 --> 00:08:54,769

told Eric yesterday we went and saw that

188

00:08:59,949 --> 00:08:58,100

disney movie Moana or whatever and that

189

00:09:02,079 --> 00:08:59,959

whole morning I was like oh my god I've

190

00:09:04,900 --> 00:09:02,089

done like nothing but drink play video

191

00:09:07,150 --> 00:09:04,910

games the whole time I fair in fairness

192

00:09:10,990 --> 00:09:07,160

I did put 40 bags and leaves out in the

193

00:09:12,940 --> 00:09:11,000

yard but I you um so yeah you've been

194

00:09:16,540 --> 00:09:12,950

lady you did say that you did see

195

00:09:19,240 --> 00:09:16,550

another crappy Disney movie um which I

196

00:09:21,069 --> 00:09:19,250

wasn't by the way I cried like four or

197

00:09:23,110 --> 00:09:21,079

five times through the whole movie like

198

00:09:25,360 --> 00:09:23,120

depending on the certain seems I'm such

199

00:09:26,710 --> 00:09:25,370

a baby I'll i cried it Lord of the Rings

200

00:09:30,699 --> 00:09:26,720

the First Lord of the Rings movie at the

201  
00:09:32,019 --> 00:09:30,709  
end I was crying through that movie I

202  
00:09:35,650 --> 00:09:32,029  
thought it was brilliant I thought it

203  
00:09:37,300 --> 00:09:35,660  
was very imaginative um if i told you

204  
00:09:40,630 --> 00:09:37,310  
about some of the concepts that come up

205  
00:09:42,939 --> 00:09:40,640  
in that movie like so this happens and

206  
00:09:45,370 --> 00:09:42,949  
then this happens and you'd be like wait

207  
00:09:47,439 --> 00:09:45,380  
so that there's a character like that

208  
00:09:49,840 --> 00:09:47,449  
like there's stuff in the movie that I

209  
00:09:51,400 --> 00:09:49,850  
was like this is a really solid Disney

210  
00:09:53,470 --> 00:09:51,410  
movie I really enjoyed it you said you

211  
00:09:57,069 --> 00:09:53,480  
saw lost our Wars rug one would you

212  
00:09:59,680 --> 00:09:57,079  
think thing big big recommend on that

213  
00:10:03,069 --> 00:09:59,690

it's pretty guys in it it's but i would

214

00:10:06,310 --> 00:10:03,079

say arguably better than the JJ Abrams

215

00:10:08,290 --> 00:10:06,320

per movie oh yeah by like five times his

216

00:10:10,569 --> 00:10:08,300

way better I haven't seen it yeah nice

217

00:10:13,300 --> 00:10:10,579

assume it's better because JJ's just

218

00:10:16,060 --> 00:10:13,310

redid the a new hope again yeah actually

219

00:10:20,350 --> 00:10:16,070

have a little sample of clip from the

220

00:10:23,740 --> 00:10:20,360

new Star Wars movie right here here dddd

221

00:10:27,759 --> 00:10:23,750

dddd stick date to date deeds there it

222

00:10:30,639 --> 00:10:27,769

is pretty good huh yeah they do they go

223

00:10:32,319 --> 00:10:30,649

back to the cantina bar on Tatoonine for

224

00:10:34,120 --> 00:10:32,329

like a little cameo it's a big deal and

225

00:10:36,069 --> 00:10:34,130

then Alex Jones is there before the

226

00:10:37,720 --> 00:10:36,079

aliens get there he was legs in there

227

00:10:40,780 --> 00:10:37,730

he's actually in a cantina doing like

228

00:10:42,310 --> 00:10:40,790

acapella stuff yeah and then Jedi

229

00:10:44,410 --> 00:10:42,320

approaches I'm nacim what's he doing

230

00:10:48,100 --> 00:10:44,420

here he says he wanted a music mojo do a

231

00:10:49,620 --> 00:10:48,110

music video and then he sees I think

232

00:10:52,190 --> 00:10:49,630

Lando Calrissian

233

00:10:56,100 --> 00:10:52,200

up to him in says go into hip-hop

234

00:10:58,680 --> 00:10:56,110

because he's black okay oh it's a whole

235

00:11:00,630 --> 00:10:58,690

racist thing and then I'll Jones feels

236

00:11:03,900 --> 00:11:00,640

pretty bad about himself in the lowest

237

00:11:07,080 --> 00:11:03,910

form of crap beating himself up in the

238

00:11:09,390 --> 00:11:07,090

bathroom yeah but then he's in the

239

00:11:12,240 --> 00:11:09,400

bathroom he does a bunch of uh but your

240

00:11:13,980 --> 00:11:12,250

coconut takes off all of his clothes my

241

00:11:20,210 --> 00:11:13,990

you know my underwear I mean it's pretty

242

00:11:27,830 --> 00:11:25,110

cookie it's all happening in his

243

00:11:30,390 --> 00:11:27,840

underwear and the stars in teen of our

244

00:11:33,120 --> 00:11:30,400

bath junga he's running around saying

245

00:11:38,010 --> 00:11:33,130

huh Kagome jung dongha taking people

246

00:11:42,120 --> 00:11:38,020

lightsabers and slashing them run around

247

00:11:50,250 --> 00:11:42,130

telling people he's not their father not

248

00:11:51,930 --> 00:11:50,260

true that's impossible yeah he was order

249

00:11:54,270 --> 00:11:51,940

a drink from Luke Skywalker and they

250

00:11:56,040 --> 00:11:54,280

chopped his hand off yeah Alex Jones

251

00:11:58,830 --> 00:11:56,050

doesn't have a lightsaber he just has a

252

00:12:04,640 --> 00:11:58,840

beer bottle and he says this yeah there

253

00:12:09,800 --> 00:12:04,650

are lightsabers turned on at least okay

254

00:12:15,870 --> 00:12:09,810

space carry that you want to throw up
