UFO

1
00:00:08,179 --> 00:00:05,619

[Music]

2
00:00:10,100 --> 00:00:08,189

there was this video released by the

3
00:00:11,870 --> 00:00:10,110

Chilean Navy did you see this thing it

4
00:00:15,320 --> 00:00:11,880

was on Huffington Post of all places I

5
00:00:17,750 --> 00:00:15,330

do not know okay so let me go ahead and

6
00:00:21,730 --> 00:00:17,760

send you all this link you can watch

7
00:00:25,279 --> 00:00:21,740

along with me um top comment has the

8
00:00:28,339 --> 00:00:25,289

full video and I have not watched this

9
00:00:30,320 --> 00:00:28,349

just yet okay we can we can kind of see

10
00:00:32,420 --> 00:00:30,330

what what it is that they're saying

11
00:00:35,120 --> 00:00:32,430

they're seen but this is from the

12
00:00:37,910 --> 00:00:35,130

huffington post and i will read the

13
00:00:40,630 --> 00:00:37,920

article as y'all watch the video there i

14

00:00:45,380 --> 00:00:40,640

got a video up on the other screen sure

15

00:00:47,420 --> 00:00:45,390

the homo hideout down here exceptional

16

00:00:49,819 --> 00:00:47,430

nine-minute navy video of a UFO

17

00:00:51,799 --> 00:00:49,829

displaying highly unusual behavior

18

00:00:53,510 --> 00:00:51,809

studied by Chilean authorities for the

19

00:00:56,600 --> 00:00:53,520

last two years is now being released to

20

00:00:58,580 --> 00:00:56,610

the public the CEF a the chilean

21

00:01:02,990 --> 00:00:58,590

government agency which brand seagate's

22

00:01:05,929 --> 00:01:03,000

UFOs or uap unidentified aerial

23

00:01:07,940 --> 00:01:05,939

phenomena has been in charge of the

24

00:01:10,250 --> 00:01:07,950

investigation located within the DGA see

25

00:01:12,200 --> 00:01:10,260

the equivalent of RFA but under the

26

00:01:15,620 --> 00:01:12,210

jurisdiction of the Chilean Air Force

27

00:01:18,170 --> 00:01:15,630

siiii FAA has Committees of military

28

00:01:20,060 --> 00:01:18,180

experts technicians academics from both

29

00:01:22,789 --> 00:01:20,070

many disciplines none of them have been

30

00:01:25,340 --> 00:01:22,799

able to explain the strange flying

31

00:01:30,160 --> 00:01:25,350

object captured by to experience Navy

32

00:01:32,450 --> 00:01:30,170

officers from a helicopter now I'm a

33

00:01:34,850 --> 00:01:32,460

minute in and I'm starting to see it i

34

00:01:38,780 --> 00:01:34,860

don't know if you guys are there oh yeah

35

00:01:41,090 --> 00:01:38,790

yeah enough it's odd to the chilean

36

00:01:42,950 --> 00:01:41,100

government agency always makes its case

37

00:01:45,350 --> 00:01:42,960

public when an investigation is complete

38

00:01:47,719 --> 00:01:45,360

and acknowledges the existence of you AP

39

00:01:50,359 --> 00:01:47,729

unidentified aerial phenomena when a

40

00:01:54,620 --> 00:01:50,369

case merits such conclusion general

41

00:01:56,539 --> 00:01:54,630

Ricardo Bermudez director of CFAA during

42

00:01:59,899 --> 00:01:56,549

the investigation told me that we do not

43

00:02:03,080 --> 00:01:59,909

know what it was but we do know what it

44

00:02:05,240 --> 00:02:03,090

was not and what it was not comprises a

45

00:02:07,310 --> 00:02:05,250

long list of conventional explanations

46

00:02:10,669 --> 00:02:07,320

here's what happened on November 11th

47

00:02:12,949 --> 00:02:10,679

2014 a Chilean Navy helicopter was on a

48

00:02:13,680 --> 00:02:12,959

routine daytime patrol mission flying

49

00:02:16,200 --> 00:02:13,690

north

50

00:02:18,810 --> 00:02:16,210

along the coast west of santiago on

51
00:02:20,730 --> 00:02:18,820
board where the pilot navy captain with

52
00:02:22,770 --> 00:02:20,740
many years of flying experience and a

53
00:02:25,710 --> 00:02:22,780
navy technician who was testing was cams

54
00:02:31,170 --> 00:02:25,720
MX 15 HP forward-looking infrared FLIR

55
00:02:32,280 --> 00:02:31,180
camera uh use most often for medium

56
00:02:33,270 --> 00:02:32,290
altitude covert intelligence

57
00:02:35,610 --> 00:02:33,280
surveillance and reconnaissance

58
00:02:38,930 --> 00:02:35,620
according to the product website the

59
00:02:42,300 --> 00:02:38,940
aircraft was flying at an altitude of

60
00:02:44,520 --> 00:02:42,310
4500 feet on a clear afternoon with

61
00:02:46,890 --> 00:02:44,530
unlimited horizontal visibility in the

62
00:02:48,960 --> 00:02:46,900
air temperature at that Pike was 50

63
00:02:50,820 --> 00:02:48,970

degrees there was a cloud base of 10

64

00:02:53,270 --> 00:02:50,830

there's a lot of boring stuff yeah the

65

00:02:58,830 --> 00:02:53,280

skin the background but it is necessary

66

00:03:00,570 --> 00:02:58,840

good um at 152 p.m. while filming the

67

00:03:03,240 --> 00:03:00,580

terrain the technician observed a

68

00:03:04,950 --> 00:03:03,250

strange flying object to the left over

69

00:03:06,930 --> 00:03:04,960

the ocean soon both men observed it

70

00:03:08,490 --> 00:03:06,940

would be with the naked eye they notice

71

00:03:10,170 --> 00:03:08,500

that the velocity and the outs two of

72

00:03:11,820 --> 00:03:10,180

the object appeared to be the same as

73

00:03:14,310 --> 00:03:11,830

the helicopter an estimated the object

74

00:03:16,230 --> 00:03:14,320

was flying 3540 miles away who's

75

00:03:18,270 --> 00:03:16,240

traveling west northwest according to

76
00:03:20,550 --> 00:03:18,280
the Catholic technician aimed the camera

77
00:03:22,170 --> 00:03:20,560
at the object immediately and zoomed in

78
00:03:23,880 --> 00:03:22,180
with the infrared and you can see it

79
00:03:27,270 --> 00:03:23,890
with the infrared it does have like that

80
00:03:30,360 --> 00:03:27,280
white black sort of uh yes yeah yeah

81
00:03:34,320 --> 00:03:30,370
it's just a black blob floating in the

82
00:03:36,780 --> 00:03:34,330
clouds yeah yeah and this is the first

83
00:03:38,850 --> 00:03:36,790
time I'm seeing it too shortly

84
00:03:42,210 --> 00:03:38,860
thereafter the pilot contacted to radar

85
00:03:45,060 --> 00:03:42,220
stations one close by on the coast and

86
00:03:47,850 --> 00:03:45,070
the other the main DGA see a ground

87
00:03:49,530 --> 00:03:47,860
primary radar in santiago to report the

88
00:03:51,630 --> 00:03:49,540

unknown traffic neither station could

89

00:03:54,060 --> 00:03:51,640

detect it on radar although both easily

90

00:03:56,430 --> 00:03:54,070

picked up the helicopter the object was

91

00:03:57,990 --> 00:03:56,440

well within range radar detection air

92

00:04:00,630 --> 00:03:58,000

traffic controllers confirmed that no

93

00:04:02,340 --> 00:04:00,640

traffic either civilian or military had

94

00:04:04,770 --> 00:04:02,350

been reported in the area and that no

95

00:04:06,870 --> 00:04:04,780

craft had been authorized to fly in the

96

00:04:09,509 --> 00:04:06,880

controlled airspace where the object was

97

00:04:12,120 --> 00:04:09,519

located the onboard radar was also

98

00:04:15,479 --> 00:04:12,130

unable to detect the object and the

99

00:04:17,640 --> 00:04:15,489

cameras radar could not lock onto it the

100

00:04:19,500 --> 00:04:17,650

pilot tried several times to communicate

101

00:04:21,180 --> 00:04:19,510

with you ap using the multinational

102

00:04:24,659 --> 00:04:21,190

civilian bandwidth designed for this

103

00:04:25,970 --> 00:04:24,669

purpose got no reply tinta try to flash

104

00:04:29,150 --> 00:04:25,980

the lights like they didn't end

105

00:04:34,820 --> 00:04:29,160

in this day it took elegant then I think

106

00:04:37,520 --> 00:04:34,830

I got it hit it work out so well for a

107

00:04:39,200 --> 00:04:37,530

while I think they flipped them off and

108

00:04:41,630 --> 00:04:39,210

this thing actually expels some kind of

109

00:04:43,220 --> 00:04:41,640

like exhaust for a little bit and then

110

00:04:45,980 --> 00:04:43,230

it stops doing and just takes off again

111

00:04:48,050 --> 00:04:45,990

I saw that I i I'm glad that you

112

00:04:52,520 --> 00:04:48,060

mentioned that that it looks like there

113

00:04:55,130 --> 00:04:52,530

is some kind of contrail to it and so it

114

00:04:56,630 --> 00:04:55,140

looks like a just like take a UFO

115

00:04:59,630 --> 00:04:56,640

and then it stops doing it then just

116

00:05:01,370 --> 00:04:59,640

floats on so that kind of goes with the

117

00:05:05,480 --> 00:05:01,380

story that I have I'll put this in the

118

00:05:08,960 --> 00:05:05,490

slack chat of an alien UFO sprayed

119

00:05:11,270 --> 00:05:08,970

radioactive green chemical / homes hmm

120

00:05:13,490 --> 00:05:11,280

I'll put this in the slack yet take a

121

00:05:16,520 --> 00:05:13,500

look at this I haven't been able to

122

00:05:22,610 --> 00:05:16,530

verify the integrity this article but

123

00:05:24,710 --> 00:05:22,620

there is an image and possible video of

124

00:05:27,830 --> 00:05:24,720

this this comes from the Express UK so

125

00:05:31,370 --> 00:05:27,840

take this for what it is but there is a

126

00:05:33,260 --> 00:05:31,380

video here and alleged flying saucer

127

00:05:36,560 --> 00:05:33,270

snapped over people's homes with

128

00:05:38,420 --> 00:05:36,570

spraying chemicals into the air has been

129

00:05:40,640 --> 00:05:38,430

shocking claim the photographs and

130

00:05:43,580 --> 00:05:40,650

assigning are being investigated by the

131

00:05:45,470 --> 00:05:43,590

mutual UFO network mufon after receiver

132

00:05:48,290 --> 00:05:45,480

force from eyewitnesses the witnesses

133

00:05:50,570 --> 00:05:48,300

who have been named said I looked up to

134

00:05:54,020 --> 00:05:50,580

see what I when I first thought was a

135

00:05:56,270 --> 00:05:54,030

passenger plane on fire within a second

136

00:05:58,700 --> 00:05:56,280

or two I started to I start I was

137

00:06:02,030 --> 00:05:58,710

startled because I realized that this

138

00:06:04,070 --> 00:06:02,040

was no plane so if you take a look at it

139

00:06:06,650 --> 00:06:04,080

you can see in the bottom two pictures

140

00:06:09,380 --> 00:06:06,660

that there's an object and what is being

141

00:06:14,260 --> 00:06:09,390

expelled out the back of it looks like

142

00:06:20,660 --> 00:06:17,450

look at the distance I'm not seeing the

143

00:06:23,690 --> 00:06:20,670

video you look at the bottom the very

144

00:06:29,810 --> 00:06:23,700

very bottom video in of the FLIR video

145

00:06:32,360 --> 00:06:29,820

and go to a timestamp nine minutes go to

146

00:06:34,250 --> 00:06:32,370

nine minutes and then on the Express UK

147

00:06:36,950 --> 00:06:34,260

article go down to the bottom two

148

00:06:39,030 --> 00:06:36,960

pictures I don't have the article did

149

00:06:44,040 --> 00:06:39,040

you put it in chat

150

00:06:47,670 --> 00:06:44,050

the Express UK yeah yeah it's in it's in

151
00:06:51,150 --> 00:06:47,680
the care shop oh and the slack channel

152
00:06:55,080 --> 00:06:51,160
sorry yeah I don't have access to the

153
00:06:57,390 --> 00:06:55,090
other stuff got you got to go to the

154
00:06:59,850 --> 00:06:57,400
9-minute mark here I mean I'm still

155
00:07:01,680 --> 00:06:59,860
watching this this Chilean ones actually

156
00:07:03,300 --> 00:07:01,690
really good because they keep on zooming

157
00:07:05,580 --> 00:07:03,310
in and out if you go to the Chilean

158
00:07:07,950 --> 00:07:05,590
nine-minute mark you see the contrail of

159
00:07:09,210 --> 00:07:07,960
kind what's going on then then go down

160
00:07:13,740 --> 00:07:09,220
to the bottom of the article and you'll

161
00:07:16,620 --> 00:07:13,750
see a green contrail on this UFO I said

162
00:07:17,880 --> 00:07:16,630
I mean that all that could be

163
00:07:20,640 --> 00:07:17,890

photoshopped that one looks pretty

164

00:07:23,250 --> 00:07:20,650

photoshopped is it in the video I I guy

165

00:07:26,490 --> 00:07:23,260

I know I need to see the video and I'm

166

00:07:30,270 --> 00:07:26,500

having trouble playing it is um this

167

00:07:33,150 --> 00:07:30,280

video right here on it was you wish you

168

00:07:35,130 --> 00:07:33,160

could see this the Express is only ok

169

00:07:36,960 --> 00:07:35,140

I'll tell you what though this Chilean

170

00:07:38,610 --> 00:07:36,970

thing has got me a little perplexed I

171

00:07:40,260 --> 00:07:38,620

mean the huffington post is reported it

172

00:07:42,210 --> 00:07:40,270

I don't know what the explanation for

173

00:07:44,070 --> 00:07:42,220

this thing would be they're moving the

174

00:07:46,260 --> 00:07:44,080

camera up and down so it's not like a

175

00:07:49,740 --> 00:07:46,270

mark on the camera they're zooming in

176

00:07:51,840 --> 00:07:49,750

and out with the flare FLIR it's it's

177

00:07:53,670 --> 00:07:51,850

very interesting to watch this and to

178

00:07:55,470 --> 00:07:53,680

think that the Chilean governments like

179

00:07:57,450 --> 00:07:55,480

hey we saw this and they're going to

180

00:07:58,980 --> 00:07:57,460

just release it it really makes you

181

00:08:00,360 --> 00:07:58,990

wonder what the US government has

182

00:08:03,210 --> 00:08:00,370

because they've got an intelligence

183

00:08:05,430 --> 00:08:03,220

network that is so much more vast I'm

184

00:08:08,160 --> 00:08:05,440

saying let's a lot of these smaller

185

00:08:09,900 --> 00:08:08,170

countries of dirt there they're pretty

186

00:08:12,720 --> 00:08:09,910

open with your stuff they they want to

187

00:08:16,470 --> 00:08:12,730

talk about this um ok so I'm looking at

188

00:08:20,370 --> 00:08:16,480

the video from the Express UK mom it

189

00:08:23,190 --> 00:08:20,380

looks pretty good really it actually

190

00:08:24,720 --> 00:08:23,200

looks pretty good with the helicopter or

191

00:08:27,030 --> 00:08:24,730

the one at the bottom the move the

192

00:08:28,680 --> 00:08:27,040

helicopter I'm gonna helicopter looks

193

00:08:30,120 --> 00:08:28,690

like a helicopter oh yeah it looks a

194

00:08:32,219 --> 00:08:30,130

helicopter Billy apparently the

195

00:08:35,670 --> 00:08:32,229

helicopter was following or trailing

196

00:08:37,440 --> 00:08:35,680

this thing yeah but there's no green is

197

00:08:39,660 --> 00:08:37,450

really I think that's what I hate about

198

00:08:42,990 --> 00:08:39,670

this for the other thing yeah

199

00:08:44,990 --> 00:08:43,000

hello is a sharp helicopter I wouldn't

200

00:08:47,730 --> 00:08:45,000

turn it away if someone gave it to me I

201

00:08:50,610 --> 00:08:47,740

love that helicopter man screaming

202

00:08:53,910 --> 00:08:50,620

looking helicopter now number 20 seconds

203

00:08:57,060 --> 00:08:53,920

and the huffington post articles okay

204

00:08:59,310 --> 00:08:57,070

it's from today so I thought maybe the

205

00:09:00,780 --> 00:08:59,320

the express UK one would've came out

206

00:09:02,550 --> 00:09:00,790

after the huffington post trying to you

207

00:09:06,810 --> 00:09:02,560

like piggyback on this story from Chile

208

00:09:08,550 --> 00:09:06,820

but hmm i don't know that that you saw

209

00:09:10,500 --> 00:09:08,560

you got to the contrail before me and

210

00:09:13,470 --> 00:09:10,510

then they zoom out before it so they

211

00:09:15,360 --> 00:09:13,480

like leave like a cloud of dust whatever

212

00:09:17,700 --> 00:09:15,370

is it looks like it's been thick for

213

00:09:19,980 --> 00:09:17,710

contrail and it's really short too yeah

214

00:09:23,730 --> 00:09:19,990

they just like spurt something out and

215

00:09:25,890 --> 00:09:23,740

then it's gone crazy i love this stuff

216

00:09:27,890 --> 00:09:25,900

see what it's more like this verifiable

217

00:09:29,970 --> 00:09:27,900

stuff when you actually have footage and

218

00:09:33,090 --> 00:09:29,980

every portraits like they don't know

219

00:09:37,590 --> 00:09:33,100

what it is this stuff to me peaks my age

220

00:09:42,510 --> 00:09:37,600

i like yeah so uh that's very

221

00:09:45,570 --> 00:09:42,520

interesting i have a one more UFO story

222

00:09:47,820 --> 00:09:45,580

here and this is a headline ear multiple

223

00:09:52,410 --> 00:09:47,830

UFOs reported 20 feet over Pennsylvania

224

00:09:55,580 --> 00:09:52,420

homes this comes from MUFON calm and

225

00:09:59,130 --> 00:09:55,590

this is a classic black triangle

226

00:10:01,320 --> 00:09:59,140

Pennsylvania witnesses at bear fairless

227

00:10:03,720 --> 00:10:01,330

hills reported watching for triangle

228

00:10:07,200 --> 00:10:03,730

shaped UFO silently moving just 20 feet

229

00:10:09,750 --> 00:10:07,210

over the neighboring home followed by 20

230

00:10:12,510 --> 00:10:09,760

to 30 star-like object crossings guy

231

00:10:14,670 --> 00:10:12,520

according to testimony okay there you go

232

00:10:17,130 --> 00:10:14,680

this is just more more Pennsylvania

233

00:10:19,470 --> 00:10:17,140

more UFOs more Chilean stuff but I do

234

00:10:20,940 --> 00:10:19,480

agree Joe stuff that the that these

235

00:10:23,460 --> 00:10:20,950

governments released and we've seen

236

00:10:27,990 --> 00:10:23,470

other floor video that I think was that

237

00:10:29,850 --> 00:10:28,000

was released by Puerto Ricans of a USO

238

00:10:32,130 --> 00:10:29,860

one that went in and out of the water is

239

00:10:34,140 --> 00:10:32,140

much more compelling and much more

240

00:10:35,580 --> 00:10:34,150

convincing in than anything else because

241

00:10:38,760 --> 00:10:35,590

it you know there's so many two sorts

242

00:10:40,890 --> 00:10:38,770

bureaucracy involved and why are we

243

00:10:44,340 --> 00:10:40,900

relying on these bastards likely just

244

00:10:46,620 --> 00:10:44,350

tell us you know we're like I don't know

245

00:10:49,140 --> 00:10:46,630

I'd the secrecy around it all is just

246

00:10:50,520 --> 00:10:49,150

really annoying you know like if it's a

247

00:10:53,340 --> 00:10:50,530

government by the people and for the

248

00:10:56,430 --> 00:10:53,350

people please are we all really

249

00:10:58,980 --> 00:10:56,440

at unstable and fragile that we can't

250

00:11:02,160 --> 00:10:58,990

handle the idea that if there is some

251
00:11:03,840 --> 00:11:02,170
other life out there I mean is it for

252
00:11:05,730 --> 00:11:03,850
the Catholics I mean is it for the

253
00:11:08,430 --> 00:11:05,740
Muslims I like why are they preventing

254
00:11:11,460 --> 00:11:08,440
anybody from knowing this stuff I think

255
00:11:13,710 --> 00:11:11,470
it's a can of worms and I think once you

256
00:11:17,040 --> 00:11:13,720
open it you're gonna find out that it's

257
00:11:19,560 --> 00:11:17,050
not just one thing not this one alien

258
00:11:22,590 --> 00:11:19,570
species coming here but there's a whole

259
00:11:24,750 --> 00:11:22,600
lot of things going on and there might

260
00:11:28,080 --> 00:11:24,760
be a few and then you have to get into

261
00:11:29,850 --> 00:11:28,090
well do they have bases here oh yeah

262
00:11:32,010 --> 00:11:29,860
they have bases here well how long have

263
00:11:35,820 --> 00:11:32,020

they been here and who authorized that

264

00:11:38,010 --> 00:11:35,830

Oh for a long time and there they don't

265

00:11:41,100 --> 00:11:38,020

abide by our laws than who's abducting

266

00:11:42,810 --> 00:11:41,110

people oh it opens up a goddamn can of

267

00:11:46,020 --> 00:11:42,820

worms and you can't hold anybody

268

00:11:48,890 --> 00:11:46,030

responsible yeah we could take it from

269

00:11:53,880 --> 00:11:48,900

the other side and and ask ourselves if

270

00:11:55,350 --> 00:11:53,890

it was the the guy the former German guy

271

00:11:57,500 --> 00:11:55,360

who came over and said that they were

272

00:12:00,840 --> 00:11:57,510

gonna do the terrorism thing have urine

273

00:12:03,870 --> 00:12:00,850

von Braun von Braun yeah Wernher von

274

00:12:07,140 --> 00:12:03,880

Braun and and are we being conditioned

275

00:12:11,190 --> 00:12:07,150

for a sort of a UFO false flag because

276

00:12:14,160 --> 00:12:11,200

they are you are you gonna care a whole

277

00:12:17,370 --> 00:12:14,170

lot about John Podesta and a child sex

278

00:12:23,250 --> 00:12:17,380

trafficking ring when there's a giant

279

00:12:25,170 --> 00:12:23,260

UFO over some city yeah I you don't know

280

00:12:26,670 --> 00:12:25,180

probably not um I know my previous

281

00:12:29,280 --> 00:12:26,680

statement probably made a sound like I

282

00:12:32,760 --> 00:12:29,290

was justifying secrecy and I guess it

283

00:12:35,040 --> 00:12:32,770

did um I wants all this released I

284

00:12:36,780 --> 00:12:35,050

can prove I can handle the truth I don't

285

00:12:42,570 --> 00:12:36,790

know if anybody else can you know what

286

00:12:46,500 --> 00:12:42,580

maybe I can't handle the truth you just

287

00:12:48,840 --> 00:12:46,510

listen to uh his name Jack Nicholson

288

00:12:50,190 --> 00:12:48,850

yeah I mean maybe I can maybe I can't

289

00:12:54,360 --> 00:12:50,200

handle truth and maybe they're

290

00:12:57,300 --> 00:12:54,370

protecting mom me for me by not telling

291

00:12:59,820 --> 00:12:57,310

me it very well could be I'm open to the

292

00:13:03,090 --> 00:12:59,830

idea pooping yourself and Luton

293

00:13:05,940 --> 00:13:03,100

pharmacies and shooting squirrels yeah I

294

00:13:06,580 --> 00:13:05,950

would absolutely do that well we will be

295

00:13:09,610 --> 00:13:06,590

a blast

296

00:13:12,100 --> 00:13:09,620

rolls off your fence out back you should

297

00:13:14,230 --> 00:13:12,110

actually shooting the squirrels

298

00:13:15,970 --> 00:13:14,240

just to like bank up on me like what

299

00:13:17,830 --> 00:13:15,980

what's up I just start blasting

300

00:13:21,880 --> 00:13:17,840

they're aliens either alias squirrels

301
00:13:25,780 --> 00:13:21,890
are aliens this alien spy hits their

302
00:13:29,350 --> 00:13:25,790
drones drones that got buried drones now

303
00:13:31,600 --> 00:13:29,360
they look like world I'm open to the

304
00:13:33,520 --> 00:13:31,610
idea i'm reading two books right now

305
00:13:35,950 --> 00:13:33,530
like I said the the caverns cauldrons

306
00:13:41,500 --> 00:13:35,960
and underground creatures and the the

307
00:13:43,090 --> 00:13:41,510
other book is called the Ascension the

308
00:13:45,520 --> 00:13:43,100
ascension experience or something like

309
00:13:48,190 --> 00:13:45,530
that it's about a guy who claims to be

310
00:13:51,400 --> 00:13:48,200
able to astral project and do various

311
00:13:53,230 --> 00:13:51,410
out-of-body experiences and communicate

312
00:13:55,270 --> 00:13:53,240
with aliens his story is pretty

313
00:13:56,890 --> 00:13:55,280

interesting I'll have some definite

314

00:13:59,890 --> 00:13:56,900

conclusions on the next podcast about

315

00:14:02,890 --> 00:13:59,900

his book he's a former like he's like a

316

00:14:06,100 --> 00:14:02,900

drug addict who changed his life around

317

00:14:09,730 --> 00:14:06,110

and started talking to aliens a crazy

318

00:14:11,200 --> 00:14:09,740

yeah I should do that I really need

319

00:14:14,200 --> 00:14:11,210

to turn my life around and start talking

320

00:14:19,780 --> 00:14:14,210

to a man yeah whoo I drink a little bit

321

00:14:22,210 --> 00:14:19,790

more than I like I just want a woowoo we

322

00:14:24,310 --> 00:14:22,220

have another whoo whoo all day no well

323

00:14:28,840 --> 00:14:24,320

you want a woman don't do this episode

324

00:14:32,740 --> 00:14:28,850

is very funny I'm I get the of

325

00:14:35,050 --> 00:14:32,750

humans articles in the feed yeah here's

326

00:14:36,580 --> 00:14:35,060

why do you live in the news yes all

327

00:14:41,929 --> 00:14:36,590

right let's uh let's get into the moose

328

00:14:48,799 --> 00:14:46,999

my mind today that's right oh all right
