

UFO Disclosure soon?

PARTIAL DISCLOSURE • WILL PRESIDENT TRUMP BREAK THE SECRECY

1
00:00:11,330 --> 00:00:09,379
a secret space program run by the United

2
00:00:13,100 --> 00:00:11,340
States Air Force with the support of the

3
00:00:14,749 --> 00:00:13,110
National Security Agency Defense

4
00:00:17,240 --> 00:00:14,759
Intelligence Agency and the National

5
00:00:20,450 --> 00:00:17,250
Reconnaissance Office has concluded that

6
00:00:22,550 --> 00:00:20,460
Corey Goods testimony of multiple secret

7
00:00:24,710 --> 00:00:22,560
space programs with interstellar

8
00:00:28,189 --> 00:00:24,720
spacecraft using temporal drive

9
00:00:30,740 --> 00:00:28,199
technologies is not disinformation this

10
00:00:33,620 --> 00:00:30,750
is among the most recent claims of good

11
00:00:36,080 --> 00:00:33,630
in a December eleventh update about

12
00:00:37,549 --> 00:00:36,090
information he recently acquired as a

13
00:00:40,600 --> 00:00:37,559

result of his abduction and

14

00:00:43,310 --> 00:00:40,610

interrogation by what he describes as a

15

00:00:46,490 --> 00:00:43,320

military industrial complex secret space

16

00:00:49,520 --> 00:00:46,500

program comprising of the above US

17

00:00:52,790 --> 00:00:49,530

military intelligence entities good

18

00:00:55,850 --> 00:00:52,800

describes how it is possible that the

19

00:00:58,220 --> 00:00:55,860

USAF space program would not be aware of

20

00:00:59,930 --> 00:00:58,230

the other secret space programs

21

00:01:02,150 --> 00:00:59,940

including the Navy's solar warden

22

00:01:05,179 --> 00:01:02,160

despite having craft capable of

23

00:01:07,730 --> 00:01:05,189

interplanetary travel in our solar

24

00:01:12,679 --> 00:01:07,740

system he goes on to good goes on to say

25

00:01:15,140 --> 00:01:12,689

the M IC SSP has at least two large

26

00:01:18,499 --> 00:01:15,150

space stations in Earth's orbit as well

27

00:01:19,940 --> 00:01:18,509

as a number of man satellites these are

28

00:01:22,249 --> 00:01:19,950

roughly certain these are roughly

29

00:01:24,710 --> 00:01:22,259

circular in shape and a large space

30

00:01:26,630 --> 00:01:24,720

enlarged in our large space stations

31

00:01:29,480 --> 00:01:26,640

with enough facilities for many people

32

00:01:32,480 --> 00:01:29,490

to work in various labs and so forth

33

00:01:36,590 --> 00:01:32,490

when they see the crap from other

34

00:01:38,929 --> 00:01:36,600

programs or of any number of eg races

35

00:01:41,960 --> 00:01:38,939

they are simply told these are ours

36

00:01:43,130 --> 00:01:41,970

they're told that they are not on a they

37

00:01:44,450 --> 00:01:43,140

are told that there are not honour

38

00:01:47,060 --> 00:01:44,460

need-to-know basis about these

39

00:01:50,240 --> 00:01:47,070

particular programs and are not to speak

40

00:01:53,359 --> 00:01:50,250

about their sightings with anyone the mi

41

00:01:55,810 --> 00:01:53,369

cssp are told that we cannot travel

42

00:01:59,080 --> 00:01:55,820

outside our solar system this is due to

43

00:02:01,520 --> 00:01:59,090

gravitational energy in energetic

44

00:02:04,039 --> 00:02:01,530

conditions at the boundary of our

45

00:02:06,580 --> 00:02:04,049

heliosphere that any steep would be

46

00:02:09,050 --> 00:02:06,590

impossible with their current technology

47

00:02:11,119 --> 00:02:09,060

which helps confirm that the most

48

00:02:12,900 --> 00:02:11,129

advanced anti-gravity craft are revealed

49

00:02:15,150 --> 00:02:12,910

through the movies such as Kevin

50

00:02:18,180 --> 00:02:15,160

the winter winter soldiers is a soft

51
00:02:21,210 --> 00:02:18,190
disclosure process this goes on and on

52
00:02:23,490 --> 00:02:21,220
and on this is insane stuff Joe that

53
00:02:26,220 --> 00:02:23,500
sounds pretty insane so wait we can't

54
00:02:28,680 --> 00:02:26,230
leave our solar system because of our

55
00:02:31,650 --> 00:02:28,690
technology but the aliens are coming to

56
00:02:35,220 --> 00:02:31,660
us from other well if you remember back

57
00:02:37,860 --> 00:02:35,230
during i did a little segment on a

58
00:02:39,870 --> 00:02:37,870
secret space program apparently there

59
00:02:42,690 --> 00:02:39,880
are other races that can go to and from

60
00:02:46,200 --> 00:02:42,700
our solar system but due to and but

61
00:02:50,640 --> 00:02:46,210
there is supposedly the sphere alliance

62
00:02:53,100 --> 00:02:50,650
that put a boundary around our entire

63
00:02:55,830 --> 00:02:53,110

solar system that prevents us from

64

00:02:58,800 --> 00:02:55,840

leaving and certain races from coming in

65

00:03:00,720 --> 00:02:58,810

but corey good who is a noted

66

00:03:02,250 --> 00:03:00,730

whistleblower easy search users query

67

00:03:04,260 --> 00:03:02,260

good on the web and UFO you'll come up

68

00:03:06,450 --> 00:03:04,270

the whole bunches of this guy claims

69

00:03:08,250 --> 00:03:06,460

that he went to mars is part of Martian

70

00:03:11,490 --> 00:03:08,260

missions and that he traveled back in

71

00:03:15,170 --> 00:03:11,500

time and did a whole bunch of like age

72

00:03:18,300 --> 00:03:15,180

regression stuff this guy Koree good

73

00:03:20,760 --> 00:03:18,310

claims that due to gravitational and

74

00:03:23,220 --> 00:03:20,770

energetic conditions as a boundary of

75

00:03:27,180 --> 00:03:23,230

the heliosphere that prevents us from

76

00:03:28,740 --> 00:03:27,190

escaping of the solar system with our

77

00:03:31,230 --> 00:03:28,750

current technology which is apparently

78

00:03:32,790 --> 00:03:31,240

our current technology is quite grand if

79

00:03:35,670 --> 00:03:32,800

we have secret space stations floating

80

00:03:37,020 --> 00:03:35,680

around up there in orbit what he hasn't

81

00:03:38,460 --> 00:03:37,030

mentioned is like okay if their space

82

00:03:43,560 --> 00:03:38,470

stations up there why can't we see with

83

00:03:45,390 --> 00:03:43,570

telescopes do you have any audio or

84

00:03:46,949 --> 00:03:45,400

video of him talking about the stuff i'm

85

00:03:48,449 --> 00:03:46,959

seeing all these thumbnails of them

86

00:03:50,400 --> 00:03:48,459

apparently he does interviews he does

87

00:03:53,010 --> 00:03:50,410

interviews I don't have any audio with

88

00:03:54,570 --> 00:03:53,020

him on this particular thing it's not

89

00:03:56,330 --> 00:03:54,580

that I just miss them I just want me I

90

00:03:58,800 --> 00:03:56,340

want a little bit more proof than

91

00:04:00,900 --> 00:03:58,810

first-hand accounts you can definitely

92

00:04:03,330 --> 00:04:00,910

see space station from low Earth or but

93

00:04:07,229 --> 00:04:03,340

you can see the ISSS if you can even

94

00:04:08,580 --> 00:04:07,239

telescope it goes on to say that it's

95

00:04:10,979 --> 00:04:08,590

been long confirmed through WikiLeaks

96

00:04:12,870 --> 00:04:10,989

then a particular UFO disclosure

97

00:04:15,510 --> 00:04:12,880

initiative was being prepared through

98

00:04:17,280 --> 00:04:15,520

the rock star Tom DeLonge who is being

99

00:04:19,470 --> 00:04:17,290

helped by two retired the United States

100

00:04:21,390 --> 00:04:19,480

Air Force generals along with senior

101
00:04:24,690 --> 00:04:21,400
corporate officials such as a head of

102
00:04:28,410 --> 00:04:24,700
Lucky Martin skunk works well we thought

103
00:04:31,710 --> 00:04:28,420
the blade the way we kept digging into

104
00:04:34,080 --> 00:04:31,720
the Tom DeLonge stuff with from blink 22

105
00:04:37,020 --> 00:04:34,090
giving into UFOs and I'll kind of stuff

106
00:04:41,250 --> 00:04:37,030
the way I read it is that Tom DeLonge

107
00:04:44,250 --> 00:04:41,260
was being used as a bit of a mirage man

108
00:04:46,650 --> 00:04:44,260
and that he was being led down certain

109
00:04:48,870 --> 00:04:46,660
path by these generals as a

110
00:04:51,150 --> 00:04:48,880
disinformation agent what what a better

111
00:04:52,860 --> 00:04:51,160
to say disinformation agent then a rock

112
00:04:55,980 --> 00:04:52,870
star Tom DeLonge was put it all on the

113
00:04:57,630 --> 00:04:55,990

line believes in aliens and if he's been

114

00:05:00,330 --> 00:04:57,640

fed misinformation by these generals

115

00:05:03,180 --> 00:05:00,340

then great it mean kinda long was a

116

00:05:07,500 --> 00:05:03,190

mirage man we're going to leave it and

117

00:05:08,580 --> 00:05:07,510

go along with it and he you know and and

118

00:05:11,220 --> 00:05:08,590

if people haven't watched that movie

119

00:05:13,710 --> 00:05:11,230

that is a really fat it from I'm not a

120

00:05:16,590 --> 00:05:13,720

big alien guy watching that movie it's

121

00:05:18,420 --> 00:05:16,600

almost like yeah yeah when you think

122

00:05:21,170 --> 00:05:18,430

about some of the other shady crap you

123

00:05:23,400 --> 00:05:21,180

know the people working the highest

124

00:05:25,860 --> 00:05:23,410

reaches of intelligence and government

125

00:05:27,120 --> 00:05:25,870

has been into before if anybody doesn't

126
00:05:30,960 --> 00:05:27,130
know the there's a documentary called

127
00:05:32,790 --> 00:05:30,970
mirage man and it goes on like the whole

128
00:05:36,570 --> 00:05:32,800
documentaries about people within the

129
00:05:41,100 --> 00:05:36,580
UFO community they will get co-opted

130
00:05:43,890 --> 00:05:41,110
let's say by the CIA and the CIA liaison

131
00:05:46,200 --> 00:05:43,900
will keep feeding junk information to

132
00:05:50,100 --> 00:05:46,210
this person really building up this miss

133
00:05:51,930 --> 00:05:50,110
UFO enthusiast about alien bases and

134
00:05:53,340 --> 00:05:51,940
even take them on airplane rides or

135
00:05:56,100 --> 00:05:53,350
helicopter rides a show them where our

136
00:05:58,290 --> 00:05:56,110
alien bases suppose we are and this UFO

137
00:06:00,360 --> 00:05:58,300
enthusiast I think they have the inside

138
00:06:02,760 --> 00:06:00,370

track to all knowledge and all they're

139

00:06:04,140 --> 00:06:02,770

doing is being fed misinformation and

140

00:06:07,110 --> 00:06:04,150

they're spreading it throughout the

141

00:06:08,670 --> 00:06:07,120

community and they do that we believe

142

00:06:10,260 --> 00:06:08,680

that they do this I personally believe

143

00:06:13,410 --> 00:06:10,270

but they do this is called poisoning the

144

00:06:15,630 --> 00:06:13,420

well basically so with a 911 truth

145

00:06:17,670 --> 00:06:15,640

movement say there's a big part of me

146

00:06:20,310 --> 00:06:17,680

that wants to say that all this hologram

147

00:06:23,000 --> 00:06:20,320

plane thing it's just a bunch of you

148

00:06:25,290 --> 00:06:23,010

know intelligence people or something

149

00:06:27,300 --> 00:06:25,300

feeding these ideas same with flattered

150

00:06:30,180 --> 00:06:27,310

like who's putting these ideas out there

151

00:06:32,280 --> 00:06:30,190

because it's like the most into

152

00:06:33,750 --> 00:06:32,290

conspiracy theory people are going to

153

00:06:35,280 --> 00:06:33,760

like they're going to chase that rabbit

154

00:06:37,080 --> 00:06:35,290

hole and if they're substantiating

155

00:06:37,850 --> 00:06:37,090

evidence and people talking about it and

156

00:06:39,379 --> 00:06:37,860

stuff there

157

00:06:41,149 --> 00:06:39,389

going to keep going here about the

158

00:06:43,730 --> 00:06:41,159

flatter those are some really angry

159

00:06:46,309 --> 00:06:43,740

people oh yeah you don't want you don't

160

00:06:47,899 --> 00:06:46,319

yeah there's some really angry people

161

00:06:50,809 --> 00:06:47,909

dude I don't get it dude if you even

162

00:06:54,830 --> 00:06:50,819

like question flattered make it [h__h]

163

00:06:58,219 --> 00:06:54,840

pissed I don't get it I I know a guy

164

00:06:59,959 --> 00:06:58,229

there i love the dude bear religious and

165

00:07:01,820 --> 00:06:59,969

believe in evolution but totally

166

00:07:05,390 --> 00:07:01,830

believes in the flat earth thing ha

167

00:07:08,629 --> 00:07:05,400

that's weird i like look I'm open to

168

00:07:11,839 --> 00:07:08,639

flat earth at least the perception of

169

00:07:17,779 --> 00:07:11,849

Flat Earth I don't well I just I it's

170

00:07:19,580 --> 00:07:17,789

really hard for me to believe um I seen

171

00:07:21,200 --> 00:07:19,590

pictures I've been up in planes I've

172

00:07:22,580 --> 00:07:21,210

seen the curvature of the earth I know

173

00:07:23,749 --> 00:07:22,590

they've some people say the math doesn't

174

00:07:26,029 --> 00:07:23,759

line up and there's a pretty cool

175

00:07:29,240 --> 00:07:26,039

YouTube videos on it and I'd love to be

176

00:07:31,490 --> 00:07:29,250

a nerd I love it I love to look at the

177

00:07:32,659 --> 00:07:31,500

stuff if there's some flat earth or out

178

00:07:34,070 --> 00:07:32,669

there that wants to come on the program

179

00:07:35,839 --> 00:07:34,080

and explain this how the story and

180

00:07:37,790 --> 00:07:35,849

present some stuff I'd be more than

181

00:07:39,769 --> 00:07:37,800

happy to look at it and willing to admit

182

00:07:41,809 --> 00:07:39,779

that I'm wrong and that we actually do

183

00:07:44,390 --> 00:07:41,819

live on a platter I just need to really

184

00:07:47,749 --> 00:07:44,400

really see the [h__h] I need to explain to

185

00:07:49,369 --> 00:07:47,759

me like I'm like I'm five yeah or

186

00:07:51,110 --> 00:07:49,379

basically drunk all the time and can't

187

00:07:53,780 --> 00:07:51,120

even process it I can't even tell

188

00:07:56,469 --> 00:07:53,790

anymore I'm so drunk everything's flat

189

00:07:59,300 --> 00:07:56,479

[Music]

190

00:08:01,219 --> 00:07:59,310

one more you opposed or actually once

191

00:08:05,089 --> 00:08:01,229

i'm drunk everything's wobbly ground

192

00:08:08,899 --> 00:08:05,099

heart stand up ah one more UFO thing

193

00:08:11,779 --> 00:08:08,909

here of headline will president Trump

194

00:08:14,809 --> 00:08:11,789

break the secrecy policy on the secret

195

00:08:16,760 --> 00:08:14,819

space program according to the secret

196

00:08:19,339 --> 00:08:16,770

space program whistleblower Korra good

197

00:08:21,670 --> 00:08:19,349

he's back out of incorp good Trump was

198

00:08:25,909 --> 00:08:21,680

quietly backed by consortium of

199

00:08:27,740 --> 00:08:25,919

institutional actors the Alliance while

200

00:08:30,350 --> 00:08:27,750

wanting to disclose the truth about

201
00:08:33,290 --> 00:08:30,360
secret space programs and enter trusts

202
00:08:35,689 --> 00:08:33,300
real life Donald Trump is indeed being

203
00:08:37,790 --> 00:08:35,699
backed by the Alliance prompt is

204
00:08:41,089 --> 00:08:37,800
certainly not entering into the battle

205
00:08:43,189 --> 00:08:41,099
free from his own baggage he has said

206
00:08:46,100 --> 00:08:43,199
and has done a variety of things that

207
00:08:47,960 --> 00:08:46,110
are unsettling to people he is not

208
00:08:50,240 --> 00:08:47,970
however represented a group of actively

209
00:08:50,890 --> 00:08:50,250
seek a group actively seeking to kill

210
00:08:52,840 --> 00:08:50,900
Billy

211
00:08:55,600 --> 00:08:52,850
people by starting World War three as

212
00:08:58,540 --> 00:08:55,610
soon as possible on this in December

213
00:09:00,430 --> 00:08:58,550

2015 retired aerospace engineer William

214

00:09:03,400 --> 00:09:00,440

Tompkins came forward to disclose how

215

00:09:05,710 --> 00:09:03,410

the US Navy developed eight space battle

216

00:09:08,230 --> 00:09:05,720

groups which were first employed in the

217

00:09:10,390 --> 00:09:08,240

1980s as part of a covert program called

218

00:09:13,870 --> 00:09:10,400

solar warden this goes on to say how

219

00:09:19,210 --> 00:09:13,880

Trump is not the elite he's not part of

220

00:09:22,180 --> 00:09:19,220

the standard foreign policy or space

221

00:09:23,650 --> 00:09:22,190

policy or energy policy that he might

222

00:09:24,880 --> 00:09:23,660

actually just blow the whistle on this

223

00:09:29,050 --> 00:09:24,890

[h__h] if you can get a stands on the

224

00:09:30,850 --> 00:09:29,060

information and look I think I honestly

225

00:09:34,260 --> 00:09:30,860

agreed that's one of the reasons why i

226

00:09:37,320 --> 00:09:34,270

am looking forward to seeing Trump

227

00:09:40,330 --> 00:09:37,330

possibly battle the the black budget

228

00:09:43,330 --> 00:09:40,340

yeah it's already talking about that

229

00:09:45,490 --> 00:09:43,340

f-35 and if you think about what George

230

00:09:47,620 --> 00:09:45,500

Webb is pointing out is that the f-35 is

231

00:09:50,200 --> 00:09:47,630

just a boondoggle the funnel money to

232

00:09:52,420 --> 00:09:50,210

generals and NATO and all kinds of

233

00:09:54,730 --> 00:09:52,430

intelligence connected people so people

234

00:09:56,380 --> 00:09:54,740

are getting rich off this failure of a

235

00:09:58,210 --> 00:09:56,390

program as soon as you started talking

236

00:10:01,450 --> 00:09:58,220

about that I was like oh man dude you're

237

00:10:05,740 --> 00:10:01,460

just begging for a JFK oh yeah so what

238

00:10:07,650 --> 00:10:05,750

the league could be how much is the f-35

239

00:10:12,340 --> 00:10:07,660

up to almost a trillion dollars in

240

00:10:13,780 --> 00:10:12,350

canine doubt and in a budget maybe it's

241

00:10:17,680 --> 00:10:13,790

not true and can't be true and that's

242

00:10:18,940 --> 00:10:17,690

insane maybe some billion and that is

243

00:10:20,320 --> 00:10:18,950

one of these things where it's like we

244

00:10:22,330 --> 00:10:20,330

have all this technology with the

245

00:10:24,010 --> 00:10:22,340

stealth bomber wear all this crazy [h__\h]

246

00:10:26,290 --> 00:10:24,020

you know supposedly some of this came

247

00:10:28,660 --> 00:10:26,300

from Roswell aliens that crash and we

248

00:10:29,680 --> 00:10:28,670

learned a lot from their technology and

249

00:10:31,150 --> 00:10:29,690

that's how we were able to come up with

250

00:10:33,580 --> 00:10:31,160

all this great shape and then we have

251
00:10:36,370 --> 00:10:33,590
this plane that's supposed to replace

252
00:10:37,930 --> 00:10:36,380
our fighter jets and I think it's

253
00:10:39,520 --> 00:10:37,940
supposed to replace helicopters I think

254
00:10:43,000 --> 00:10:39,530
it's supposed to be a dual purpose jet

255
00:10:46,090 --> 00:10:43,010
it can hover not the f-35 yeah 35s meant

256
00:10:48,670 --> 00:10:46,100
to replace a number of different fire

257
00:10:49,870 --> 00:10:48,680
roles well it's supposed to be able to

258
00:10:51,910 --> 00:10:49,880
hovered vertical takeoff like the

259
00:10:54,250 --> 00:10:51,920
Harrier to replace that marine corps but

260
00:10:56,740 --> 00:10:54,260
it's also supposed to take up replace I

261
00:10:59,250 --> 00:10:56,750
think the f16 and the f-15 and

262
00:11:02,700 --> 00:10:59,260
apparently the ethos and the a-10 I

263
00:11:05,070 --> 00:11:02,710

mr. do all this [h__h] in that box was

264

00:11:06,330 --> 00:11:05,080

that the war dog the hn yeah yeah they

265

00:11:08,460 --> 00:11:06,340

want to retire them they keep extending

266

00:11:10,620 --> 00:11:08,470

its life because it's feeling everybody

267

00:11:13,020 --> 00:11:10,630

loves that on a parent everybody loves

268

00:11:15,510 --> 00:11:13,030

the a-10 whatever that and it cost last

269

00:11:17,580 --> 00:11:15,520

it's reliable Thunderbolt but yeah I

270

00:11:19,710 --> 00:11:17,590

mean it's good for review you don't have

271

00:11:21,930 --> 00:11:19,720

air spear order your air supremacy it

272

00:11:23,760 --> 00:11:21,940

was meant to kill off Soviet tanks but

273

00:11:27,690 --> 00:11:23,770

uh but you know the f-35 supposed to

274

00:11:31,290 --> 00:11:27,700

cost 1.5 trillion over 55 years my

275

00:11:33,660 --> 00:11:31,300

entire research and development and

276

00:11:36,330 --> 00:11:33,670

production of the whole line over 55

277

00:11:40,440 --> 00:11:36,340

years 1.5 trillion great so I was I was

278

00:11:42,960 --> 00:11:40,450

right is this over 55 years okay it's

279

00:11:45,690 --> 00:11:42,970

still not flying is so I ah in the in

280

00:11:48,810 --> 00:11:45,700

the air fighting for us so we have work

281

00:11:51,180 --> 00:11:48,820

I totally agree that it's just a hole

282

00:11:53,700 --> 00:11:51,190

where they can just funny wanna money to

283

00:11:55,770 --> 00:11:53,710

whatever project they want and those

284

00:12:00,990 --> 00:11:55,780

keep funneling it obviously they have it

285

00:12:04,110 --> 00:12:01,000

planned out for 55 years so it's another

286

00:12:06,090 --> 00:12:04,120

this wart hog gun on the end of the a-10

287

00:12:10,620 --> 00:12:06,100

you forget 20 millimeter yeah it's

288

00:12:14,160 --> 00:12:10,630

bigger it's bigger than a goddamn car

289

00:12:17,130 --> 00:12:14,170

wow I'm looking at a picture right now

290

00:12:19,980 --> 00:12:17,140

that gun is a and [h__\h] so see ya about

291

00:12:21,420 --> 00:12:19,990

eight inches somehow to me okay it like

292

00:12:24,860 --> 00:12:21,430

the bulls and fires are probably about

293

00:12:28,080 --> 00:12:24,870

eight inches speaking of a UFO material

294

00:12:30,630 --> 00:12:28,090

no do you think transparent aluminum is

295

00:12:33,180 --> 00:12:30,640

real I've never heard of that what is

296

00:12:35,510 --> 00:12:33,190

that transparent aluminum came to defame

297

00:12:38,490 --> 00:12:35,520

and Star Trek where it's literally

298

00:12:41,310 --> 00:12:38,500

transparent aluminum and there were

299

00:12:44,370 --> 00:12:41,320

rumors that this uh this material kind

300

00:12:48,120 --> 00:12:44,380

of came about through the the Roswell

301

00:12:50,070 --> 00:12:48,130

crash I don't have I seen it is this

302

00:12:52,740 --> 00:12:50,080

like cellophane or saran wrap is that

303

00:12:54,690 --> 00:12:52,750

like transparent like what is it so it's

304

00:12:56,820 --> 00:12:54,700

like think of an alumina can but that's

305

00:12:58,080 --> 00:12:56,830

transparent I'll put this in chat I'll

306

00:12:59,220 --> 00:12:58,090

put this in the care shop so you can

307

00:13:01,230 --> 00:12:59,230

take a look at this I read about this

308

00:13:02,850 --> 00:13:01,240

last night as I holy [h__h] and I didn't

309

00:13:04,950 --> 00:13:02,860

think this is real but yeah there is

310

00:13:10,950 --> 00:13:04,960

transparent aluminum now this came out

311

00:13:12,480 --> 00:13:10,960

in 2015 take a look at this may the way

312

00:13:15,000 --> 00:13:12,490

mankind has progressed

313

00:13:16,860 --> 00:13:15,010

is impressive to say the least and what

314

00:13:19,139 --> 00:13:16,870

was once in the realm of science fiction

315

00:13:21,000 --> 00:13:19,149

has once again become a reality what am

316

00:13:23,070 --> 00:13:21,010

i referring to well I remember

317

00:13:25,350 --> 00:13:23,080

transparent aluminum being part of Star

318

00:13:27,480 --> 00:13:25,360

Trek Voyager the Star Trek or when they

319

00:13:31,790 --> 00:13:27,490

had to go back to back in time to earth

320

00:13:34,350 --> 00:13:31,800

if you steal wells and guess the in and

321

00:13:36,920 --> 00:13:34,360

that's when the scottie went down and

322

00:13:39,300 --> 00:13:36,930

said computer I would want to build some

323

00:13:41,370 --> 00:13:39,310

transparent aluminum and he didn't

324

00:13:44,820 --> 00:13:41,380

realize that McIntosh didn't have voice

325

00:13:47,490 --> 00:13:44,830

recognition back in the 80s hmm dumbass

326

00:13:50,250 --> 00:13:47,500

so now he'll tell Scotty to [h__h] off

327

00:13:52,110 --> 00:13:50,260

yeah the advantage of transparent

328

00:13:55,130 --> 00:13:52,120

aluminum is that it's tougher stronger

329

00:13:59,820 --> 00:13:55,140

harder and harder than glass it can

330

00:14:02,940 --> 00:13:59,830

withstand erosion and it provides better

331

00:14:06,660 --> 00:14:02,950

protection than say bullet bullet proof

332

00:14:10,110 --> 00:14:06,670

glass it's got all these great assets

333

00:14:13,470 --> 00:14:10,120

and it's but it's much more difficult to

334

00:14:14,940 --> 00:14:13,480

produce well I mean I'm convinced do you

335

00:14:16,800 --> 00:14:14,950

guys see if I believe it you're sending

336

00:14:19,050 --> 00:14:16,810

me this article I don't know looks looks

337

00:14:20,910 --> 00:14:19,060

pretty legit it was pretty religion here

338

00:14:23,880 --> 00:14:20,920

here so this is a fine place you have

339

00:14:25,470 --> 00:14:23,890

here here here Scotty on are you I got a

340

00:14:27,630 --> 00:14:25,480

plan let's say professor your nephew

341

00:14:29,370 --> 00:14:27,640

determining is most impressive computers

342

00:14:33,690 --> 00:14:29,380

back home we call in the miracle worker

343

00:14:37,940 --> 00:14:33,700

bee Chris computer oh here we go yeah

344

00:14:52,500 --> 00:14:48,500

computer yes computer hello computer

345

00:14:56,880 --> 00:14:52,510

Justin what a dumbass you bet that drunk

346

00:14:58,800 --> 00:14:56,890

[h__h] yeah get him off the ship oh and

347

00:15:02,310 --> 00:14:58,810

Irish what supposedly that's transparent

348

00:15:03,990 --> 00:15:02,320

aluminum I just likes receipted alien

349

00:15:06,180 --> 00:15:04,000

technologies but this is really good

350

00:15:07,950 --> 00:15:06,190

material science who knows where comes

351

00:15:11,460 --> 00:15:07,960

from but it's absolutely incredible and

352

00:15:14,790 --> 00:15:11,470

what is more easily replicated I'm sure

353

00:15:17,400 --> 00:15:14,800

we'll see it everywhere I like it cool

354

00:15:24,390 --> 00:15:17,410

stuff alright that's all i got on UFOs

355

00:15:28,290 --> 00:15:24,400

up let's uh let's move on come on here
