

Responding to

You Tube

comments & feedback

1
00:00:02,550 --> 00:00:05,769

[Music]

2
00:00:10,339 --> 00:00:08,450

everyone in this segment we are

3
00:00:13,249 --> 00:00:10,349

responding to some YouTube comments and

4
00:00:15,620 --> 00:00:13,259

listener feedback I'm still grieving the

5
00:00:17,810 --> 00:00:15,630

death of my grandmother so please keep

6
00:00:20,689 --> 00:00:17,820

that in mind if you want full podcast

7
00:00:23,150 --> 00:00:20,699

episodes go to our big mouth calm I'll

8
00:00:24,259 --> 00:00:23,160

talk to you later bye I should have been

9
00:00:28,130 --> 00:00:24,269

a doctor didn't going to see my

10
00:00:30,529 --> 00:00:28,140

grandma's life oh no you just need a

11
00:00:33,979 --> 00:00:30,539

penis for that fair enough true true

12
00:00:37,940 --> 00:00:33,989

true yes yes I can't believe the way

13
00:00:41,090 --> 00:00:37,950

you're talking about it I think my

14

00:00:42,170 --> 00:00:41,100

grandma would have a pretty good sense

15

00:00:44,510 --> 00:00:42,180

of humor about it you know I'm just

16

00:00:47,360 --> 00:00:44,520

having fun you know it's not the ice not

17

00:00:50,569 --> 00:00:47,370

that I don't love her you know I I honor

18

00:00:54,139 --> 00:00:50,579

her memory by what was laughter I don't

19

00:00:56,270 --> 00:00:54,149

know I mean I my family they're so they

20

00:00:58,729 --> 00:00:56,280

take all that stuff so seriously that I

21

00:01:01,849 --> 00:00:58,739

I don't think if they heard and if they

22

00:01:04,490 --> 00:01:01,859

heard me talking like that holy cow that

23

00:01:06,500 --> 00:01:04,500

would be like [h__\h] you know people

24

00:01:09,770 --> 00:01:06,510

would get thrown through the window you

25

00:01:13,399 --> 00:01:09,780

know a car might get turned over and set

26

00:01:16,249 --> 00:01:13,409

on fire like that kind of you can't this

27

00:01:18,080 --> 00:01:16,259

is sensitive about all that crap oh I'm

28

00:01:20,240 --> 00:01:18,090

positive that if there's any new

29

00:01:21,679 --> 00:01:20,250

listeners that this is the first episode

30

00:01:24,649 --> 00:01:21,689

that they listen to expecting like

31

00:01:28,070 --> 00:01:24,659

hardcore paranormal and conspiracy stuff

32

00:01:30,140 --> 00:01:28,080

they're going to turn it off so you're

33

00:01:32,450 --> 00:01:30,150

basically saying I just don't want

34

00:01:34,340 --> 00:01:32,460

anyone else to keep listening though I

35

00:01:37,760 --> 00:01:34,350

don't want new listeners I just like the

36

00:01:43,280 --> 00:01:37,770

people we got I want listeners who

37

00:01:47,539 --> 00:01:43,290

understand jokes humor dark humor very

38

00:01:51,020 --> 00:01:47,549

dark humor especially when we post up

39

00:01:52,700 --> 00:01:51,030

stuff on missing 4 11 and people going

40

00:01:55,190 --> 00:01:52,710

missing real real [\h__\h] that happens of a

41

00:01:57,230 --> 00:01:55,200

real life and making jokes about it I'm

42

00:01:59,810 --> 00:01:57,240

just as willing to make jokes about my

43

00:02:01,580 --> 00:01:59,820

life and people that died in my life and

44

00:02:05,929 --> 00:02:01,590

having a sense of humor about it as i am

45

00:02:09,080 --> 00:02:05,939

with other people's lives I'm it as much

46

00:02:11,180 --> 00:02:09,090

as a target and can you meet fun of and

47

00:02:12,650 --> 00:02:11,190

anything that I do has anyone else if

48

00:02:13,370 --> 00:02:12,660

I'm going to do it to somebody else if

49

00:02:14,510 --> 00:02:13,380

I'm going to

50

00:02:16,760 --> 00:02:14,520

with somebody else and makes other

51
00:02:20,180 --> 00:02:16,770
people feel bad I should be able to take

52
00:02:22,550 --> 00:02:20,190
it too and that's that nothing's really

53
00:02:24,440 --> 00:02:22,560
out of bounds for me too much you know I

54
00:02:27,170 --> 00:02:24,450
like it I'm not gonna ruin somebody's

55
00:02:30,350 --> 00:02:27,180
like it's one's child died I wouldn't

56
00:02:32,840 --> 00:02:30,360
like go on here and like make fun of

57
00:02:36,560 --> 00:02:32,850
that child dying but my grandmother

58
00:02:40,400 --> 00:02:36,570
already had a really nice flight 93

59
00:02:42,850 --> 00:02:40,410
years long great I you know I think

60
00:02:45,260 --> 00:02:42,860
you'd like we make fun of you know I

61
00:02:46,760 --> 00:02:45,270
doubt that there's any of anybody else

62
00:02:49,000 --> 00:02:46,770
making fun of her right now honey making

63
00:02:52,700 --> 00:02:49,010

fun of her I'm making fun about you know

64

00:02:55,430 --> 00:02:52,710

in that stuff so I was joking about the

65

00:02:58,700 --> 00:02:55,440

situation we're referencing one of the

66

00:03:00,430 --> 00:02:58,710

old shows I remember the Prince of

67

00:03:04,780 --> 00:03:00,440

bargaining I guess I don't remember the

68

00:03:07,100 --> 00:03:04,790

show or get an injector grandmother and

69

00:03:09,470 --> 00:03:07,110

thought to put this back up to provide

70

00:03:11,030 --> 00:03:09,480

context for people it's like it's not

71

00:03:12,200 --> 00:03:11,040

like I don't want new listeners of

72

00:03:14,780 --> 00:03:12,210

course we do and this will probably

73

00:03:16,130 --> 00:03:14,790

during tornado that like they're gonna

74

00:03:17,920 --> 00:03:16,140

you know they're going to weed them

75

00:03:20,060 --> 00:03:17,930

we're going to weed them out eventually

76
00:03:21,890 --> 00:03:20,070
not that that's something we want to do

77
00:03:24,500 --> 00:03:21,900
of course we want people to listen to

78
00:03:28,960 --> 00:03:24,510
the show but like you know if you can't

79
00:03:31,630 --> 00:03:28,970
handle the crazy jokes we make about

80
00:03:34,850 --> 00:03:31,640
everything sensitive or not a you know a

81
00:03:36,530 --> 00:03:34,860
non sensitive and yeah you're not going

82
00:03:38,210 --> 00:03:36,540
to like the show here I'm not only her

83
00:03:41,110 --> 00:03:38,220
their jokes I think it's just really

84
00:03:44,360 --> 00:03:41,120
strange stuff that we're done do we say

85
00:03:46,550 --> 00:03:44,370
Bigfoot ejaculate yeah I'm not even sure

86
00:03:49,310 --> 00:03:46,560
these are actual jokes it's just kind of

87
00:03:51,860 --> 00:03:49,320
like statements i'm making and it's like

88
00:03:54,610 --> 00:03:51,870

a lathering of a madman people happen to

89

00:03:57,500 --> 00:03:54,620

find them funny then so be it but i

90

00:03:59,840 --> 00:03:57,510

don't know i'm sure it does turn some

91

00:04:03,340 --> 00:03:59,850

people off but this is the kind of guy I

92

00:04:07,340 --> 00:04:03,350

am I try not to take it too seriously

93

00:04:11,300 --> 00:04:07,350

we're all going to die and miles have a

94

00:04:15,170 --> 00:04:11,310

little fun along the way to uh it's jet

95

00:04:18,890 --> 00:04:15,180

what is Jeff rubbin one out or what I've

96

00:04:20,660 --> 00:04:18,900

been here we can you got anything i just

97

00:04:22,640 --> 00:04:20,670

posted in the slack since we're talking

98

00:04:26,650 --> 00:04:22,650

about listener stuff if someone wouldn't

99

00:04:28,570 --> 00:04:26,660

mind reading that message in slack

100

00:04:31,750 --> 00:04:28,580

because I've given up reading and we can

101
00:04:33,520 --> 00:04:31,760
roll into that blister Senate right now

102
00:04:39,310 --> 00:04:33,530
here we go come on let's roll into some

103
00:04:40,510 --> 00:04:39,320
listener stuff what do you want to good

104
00:04:42,940 --> 00:04:40,520
elude everyone out there giving up this

105
00:04:44,710 --> 00:04:42,950
farm thank you for listening to our big

106
00:04:50,320 --> 00:04:44,720
dumb mouth I've always cracked a little

107
00:04:53,260 --> 00:04:50,330
bit I'm going through puberty you can

108
00:04:55,600 --> 00:04:53,270
contact us at our victim out that gmail

109
00:04:59,680 --> 00:04:55,610
com leaves a voicemail six before 3889

110
00:05:04,960 --> 00:04:59,690
109 and recording it and recording

111
00:05:08,820 --> 00:05:04,970
everything why I thought we were just

112
00:05:13,110 --> 00:05:08,830
hanging out the show is just hanging out

113
00:05:15,880 --> 00:05:13,120

so people her I have a job I know

114

00:05:17,920 --> 00:05:15,890

apparently but you do apparently yeah

115

00:05:20,280 --> 00:05:17,930

that's true I'm not going whatever

116

00:05:26,140 --> 00:05:20,290

whatever fine I don't give a [h__h] what

117

00:05:27,430 --> 00:05:26,150

did you think that was that was bad I'm

118

00:05:29,200 --> 00:05:27,440

just trying to pretend like we've just

119

00:05:31,330 --> 00:05:29,210

been talking on skype in there hasn't

120

00:05:34,390 --> 00:05:31,340

been an RSS feed and you said you could

121

00:05:37,540 --> 00:05:34,400

subscribe at our big dumb mouth calm and

122

00:05:40,650 --> 00:05:37,550

you could donate on patreon or paypal or

123

00:05:46,900 --> 00:05:40,660

join us black wait this is a podcast

124

00:05:50,350 --> 00:05:46,910

question in the podcast you do it well

125

00:05:53,320 --> 00:05:50,360

we do have a few listeners a pinch of

126
00:05:56,940 --> 00:05:53,330
listeners and some of them write emails

127
00:06:00,010 --> 00:05:56,950
to us and some post comments on YouTube

128
00:06:01,960 --> 00:06:00,020
and so if you what do you guys wouldn't

129
00:06:04,240 --> 00:06:01,970
mind going there going to be the carrot

130
00:06:06,730 --> 00:06:04,250
top on slack and reading that most

131
00:06:10,180 --> 00:06:06,740
recent post i put up there so we can

132
00:06:12,640 --> 00:06:10,190
comment on this and actually address

133
00:06:16,180 --> 00:06:12,650
some listeners feedback for the show Red

134
00:06:17,890 --> 00:06:16,190
Rover Red Rover let Jeff come over prom

135
00:06:20,260 --> 00:06:17,900
JP commotion they weren't against doing

136
00:06:21,070 --> 00:06:20,270
feedback from YouTube comments that

137
00:06:22,270 --> 00:06:21,080
people are going to leave negative

138
00:06:23,470 --> 00:06:22,280

comments cuz you know that we're gonna

139

00:06:27,070 --> 00:06:23,480

read them on the show and then keep

140

00:06:29,290 --> 00:06:27,080

doing experiment you hahaha are you sure

141

00:06:33,909 --> 00:06:29,300

I said that you did this is very

142

00:06:36,430 --> 00:06:33,919

specific this guy or gal has been a

143

00:06:38,560 --> 00:06:36,440

listener for a long time so this is not

144

00:06:39,530 --> 00:06:38,570

really a youtube comment and some look

145

00:06:44,270 --> 00:06:39,540

like a bat

146

00:06:47,570 --> 00:06:44,280

I guess yes I like the show but yet your

147

00:06:49,610 --> 00:06:47,580

comment is noted and it's on the record

148

00:06:52,970 --> 00:06:49,620

but please go ahead thank you gavel

149

00:06:55,400 --> 00:06:52,980

giving the gavel shape it i think i got

150

00:06:59,210 --> 00:06:55,410

the gavel over here the ruling has been

151
00:07:07,610 --> 00:06:59,220
made yes the Sheep the Sheep has to say

152
00:07:08,840 --> 00:07:07,620
so so it says 400 views after one month

153
00:07:10,040 --> 00:07:08,850
I guess they were referring to do videos

154
00:07:12,290 --> 00:07:10,050
there for one month and only ask for

155
00:07:15,500 --> 00:07:12,300
interviews yes that we put up a live

156
00:07:17,270 --> 00:07:15,510
video stream a podcast stream of a show

157
00:07:21,560 --> 00:07:17,280
and got 400 years over one month all

158
00:07:24,430 --> 00:07:21,570
right to go live though people don't

159
00:07:26,240 --> 00:07:24,440
expect that so I know the show is a

160
00:07:28,010 --> 00:07:26,250
constantly interrupted when someone's

161
00:07:29,510 --> 00:07:28,020
trying to read something oh no it's

162
00:07:31,910 --> 00:07:29,520
going to be the show's room at 45

163
00:07:33,920 --> 00:07:31,920

minutes of [\h__\h] town board I get more

164

00:07:37,760 --> 00:07:33,930

views on i upload random video on the

165

00:07:40,070 --> 00:07:37,770

internet I doubt that when you will

166

00:07:41,510 --> 00:07:40,080

start to understand that you are ruining

167

00:07:42,830 --> 00:07:41,520

the show by doing the same [\h__\h] thing

168

00:07:45,290 --> 00:07:42,840

over and over and over i'm just

169

00:07:47,030 --> 00:07:45,300

reporting to the sound board seriously

170

00:07:50,120 --> 00:07:47,040

who the [\h__\h] would want to share the

171

00:07:53,210 --> 00:07:50,130

show you don't listen to 400 boners

172

00:07:55,820 --> 00:07:53,220

balls Fox pissed samples and you and you

173

00:07:57,200 --> 00:07:55,830

will find good content I guess he's

174

00:08:00,080 --> 00:07:57,210

saying you want listen you won't find

175

00:08:01,670 --> 00:08:00,090

good content if you do that it's getting

176
00:08:03,650 --> 00:08:01,680
worse and worse it's insane you should

177
00:08:06,860 --> 00:08:03,660
rename it to our big dumb second or at

178
00:08:09,410 --> 00:08:06,870
this point not bad alright welcome back

179
00:08:12,620 --> 00:08:09,420
to our big dumb ass on board we're not

180
00:08:14,270 --> 00:08:12,630
live reading comments what's funny is

181
00:08:16,550 --> 00:08:14,280
that every [h__\h] new podcast at a

182
00:08:19,520 --> 00:08:16,560
sound board what's funny is it every

183
00:08:22,850 --> 00:08:19,530
[h__\h] new podcast that uses sound

184
00:08:24,320 --> 00:08:22,860
board do it no every podcast use the

185
00:08:28,160 --> 00:08:24,330
software do 20 times better than you

186
00:08:30,230 --> 00:08:28,170
Mike aah buh B got any bar there's even

187
00:08:32,210 --> 00:08:30,240
when they're beginners well and I doubt

188
00:08:33,980 --> 00:08:32,220

that pretty good huh it's [\h__\h] insane

189

00:08:37,280 --> 00:08:33,990

to be this stubborn needy ah critique

190

00:08:38,930 --> 00:08:37,290

cut in half or cut it by half remove

191

00:08:41,390 --> 00:08:38,940

this [\h__\h] and do a [\h__\h] good podcast

192

00:08:44,600 --> 00:08:41,400

that people will share stop being a

193

00:08:47,410 --> 00:08:44,610

[\h__\h] sperg on that [\h__\h] even though

194

00:08:49,730 --> 00:08:47,420

it that's spurt what's this bird ah

195

00:08:51,950 --> 00:08:49,740

something like freaks out easy you know

196

00:08:53,180 --> 00:08:51,960

kind of like has mild autism you well I

197

00:08:57,230 --> 00:08:53,190

got Asperger's

198

00:09:00,680 --> 00:08:57,240

yeah okay okay Mike you probably have

199

00:09:03,980 --> 00:09:00,690

Asperger's people have insinuated that i

200

00:09:06,890 --> 00:09:03,990

do not i don't think i do ya know you do

201
00:09:09,590 --> 00:09:06,900
what do you think I do ah I mean come on

202
00:09:13,690 --> 00:09:09,600
because you shot up don't you for years

203
00:09:15,530 --> 00:09:13,700
yeah one I didn't shoot the school I

204
00:09:17,840 --> 00:09:15,540
didn't do that I don't know how you guys

205
00:09:19,880 --> 00:09:17,850
insinuating that I have not proven that

206
00:09:23,090 --> 00:09:19,890
you have not shot up at school just like

207
00:09:24,950 --> 00:09:23,100
Trump has not proven that he didn't get

208
00:09:27,200 --> 00:09:24,960
peed on by russian hookers in a hotel

209
00:09:29,000 --> 00:09:27,210
room in Moscow to though you haven't

210
00:09:33,380 --> 00:09:29,010
proved it I have emotions I feel

211
00:09:36,020 --> 00:09:33,390
emotions on a weekly basis and at a time

212
00:09:38,420 --> 00:09:36,030
for this or do you like come on yeah I

213
00:09:40,610 --> 00:09:38,430

allow sign to feel emotion but uh five

214

00:09:47,630 --> 00:09:40,620

o'clock on friday it's time to feel

215

00:09:51,320 --> 00:09:47,640

again man Barnes don't feeling clam

216

00:09:52,670 --> 00:09:51,330

baby's got it in a zag of it I don't I

217

00:09:56,240 --> 00:09:52,680

don't believe I have Asperger's syndrome

218

00:09:59,020 --> 00:09:56,250

and I I people say it to me all the time

219

00:10:03,550 --> 00:09:59,030

like you because I a cursor with lies I

220

00:10:09,830 --> 00:10:05,510

not to go long as I don't know why

221

00:10:12,440 --> 00:10:09,840

people think that I have that just like

222

00:10:15,020 --> 00:10:12,450

picturing you on the side of the road

223

00:10:18,260 --> 00:10:15,030

you know I'm easy to get along with you

224

00:10:21,940 --> 00:10:18,270

throw a bottle at somebody why don't you

225

00:10:24,710 --> 00:10:21,950

talk to me maybe me might be like that

226

00:10:28,280 --> 00:10:24,720

I'll dress this guy this guy's has said

227

00:10:30,800 --> 00:10:28,290

this before he's upset on about the

228

00:10:35,210 --> 00:10:30,810

sound samples and how it can be overdone

229

00:10:37,070 --> 00:10:35,220

at times yes it can be much like

230

00:10:40,130 --> 00:10:37,080

sounding a live that over uses the joke

231

00:10:41,810 --> 00:10:40,140

over and over and over again I have a

232

00:10:43,790 --> 00:10:41,820

habit of doing that every now and again

233

00:10:45,950 --> 00:10:43,800

especially the past episodes that I was

234

00:10:49,610 --> 00:10:45,960

probably really drunk last episode so I

235

00:10:53,810 --> 00:10:49,620

went overboard some episodes I don't do

236

00:10:56,120 --> 00:10:53,820

it as much but for this guy would be

237

00:10:58,880 --> 00:10:56,130

spiteful why would someone want to share

238

00:11:01,820 --> 00:10:58,890

the show only because they like it if

239

00:11:03,290 --> 00:11:01,830

this guy is good and people like you I'm

240

00:11:04,970 --> 00:11:03,300

gonna say this guy if you're refusing to

241

00:11:06,830 --> 00:11:04,980

share the show or show that you like

242

00:11:09,230 --> 00:11:06,840

just because they play

243

00:11:11,360 --> 00:11:09,240

sound clips little too much less [h__h]

244

00:11:12,680 --> 00:11:11,370

[h__h] while you say we don't share

245

00:11:14,750 --> 00:11:12,690

the show because Mike talks about

246

00:11:16,310 --> 00:11:14,760

[h__h] his dead grandmother like

247

00:11:20,750 --> 00:11:16,320

something more offensive than sound

248

00:11:22,880 --> 00:11:20,760

clips but the sounds are the least

249

00:11:24,380 --> 00:11:22,890

offensive part of the show everything

250

00:11:25,670 --> 00:11:24,390

else do everything else about the show

251
00:11:27,860 --> 00:11:25,680
is much more offensive the fact I can't

252
00:11:32,570 --> 00:11:27,870
read I can't [\h__\h] talk and sound

253
00:11:33,890 --> 00:11:32,580
clips away you're angry about I think

254
00:11:35,540 --> 00:11:33,900
they just don't leave you ever use them

255
00:11:37,370 --> 00:11:35,550
i don't think they're offended by any of

256
00:11:39,050 --> 00:11:37,380
this Trombetta for what i can discern I

257
00:11:43,070 --> 00:11:39,060
don't like the overuse okay don't like

258
00:11:45,200 --> 00:11:43,080
you overuse well I I don't know I've

259
00:11:46,460 --> 00:11:45,210
heard you do know when you were laying

260
00:11:47,810 --> 00:11:46,470
on the boner and the balls I'm

261
00:11:49,550 --> 00:11:47,820
personally one of these people where

262
00:11:50,900 --> 00:11:49,560
it's like I like that kind of a thing I

263
00:11:53,480 --> 00:11:50,910

think he's just one of these people

264

00:11:55,070 --> 00:11:53,490

whose just it really is to me it's like

265

00:11:58,220 --> 00:11:55,080

an opinion thing you know you're either

266

00:11:59,570 --> 00:11:58,230

a Marvel or DC or a Coke or Pepsi here's

267

00:12:01,460 --> 00:11:59,580

the thing if you want to sound let's go

268

00:12:05,000 --> 00:12:01,470

listen to joe rogan he plays no sound

269

00:12:06,680 --> 00:12:05,010

clips and you won't laugh at all you

270

00:12:08,180 --> 00:12:06,690

just have like a nice conversation years

271

00:12:11,630 --> 00:12:08,190

listening to a nice conversation between

272

00:12:13,730 --> 00:12:11,640

Joe Rogan really funny nobody's [h__h]

273

00:12:16,970 --> 00:12:13,740

dead grandmother's yeah like he's like a

274

00:12:19,280 --> 00:12:16,980

really nice guy he's funny on stage but

275

00:12:21,410 --> 00:12:19,290

his podcast when I heard and I've

276

00:12:24,410 --> 00:12:21,420

listened to a lot of them I haven't

277

00:12:26,360 --> 00:12:24,420

laughed once at all there's no energy he

278

00:12:27,650 --> 00:12:26,370

listened to show there's no energy so go

279

00:12:29,660 --> 00:12:27,660

list him a gold listen to another

280

00:12:32,450 --> 00:12:29,670

community Marc Maron very popular

281

00:12:34,910 --> 00:12:32,460

podcast [h__h] Doreen is [h__h] not

282

00:12:37,130 --> 00:12:34,920

funny it over he's I mean the fact that

283

00:12:39,350 --> 00:12:37,140

he calls himself a comedian is one of

284

00:12:41,690 --> 00:12:39,360

the biggest lives of our lifetime I

285

00:12:43,370 --> 00:12:41,700

don't give a [h__h] if i get if people and

286

00:12:44,900 --> 00:12:43,380

people care the show cuz I like it great

287

00:12:48,980 --> 00:12:44,910

if they don't we don't get any more

288

00:12:51,710 --> 00:12:48,990

listens we have so [h__h] be it I what

289

00:12:53,660 --> 00:12:51,720

am I gonna do start changing [h__h] to get

290

00:12:55,160 --> 00:12:53,670

more to get more viewers or listen I'm

291

00:12:58,250 --> 00:12:55,170

already not making money what I'm gonna

292

00:13:02,120 --> 00:12:58,260

do start speaking more not money you're

293

00:13:04,370 --> 00:13:02,130

going to be instead of ice I don't know

294

00:13:06,740 --> 00:13:04,380

to basically have the same thing happen

295

00:13:07,880 --> 00:13:06,750

we do the show joke loudly than I do the

296

00:13:09,890 --> 00:13:07,890

show cuz we have fun we like the

297

00:13:13,210 --> 00:13:09,900

[h__h] yes sometimes it sounds like

298

00:13:15,380 --> 00:13:13,220

forever use and sometimes or not i but

299

00:13:16,910 --> 00:13:15,390

we just go with the field-show sometimes

300

00:13:18,710 --> 00:13:16,920

we're absolutely hammered when we do

301
00:13:19,260 --> 00:13:18,720
shows and sometimes or not sometimes I

302
00:13:21,270 --> 00:13:19,270
can get

303
00:13:24,480 --> 00:13:21,280
the whole entire sentence without

304
00:13:27,300 --> 00:13:24,490
stuttering or stammering I don't I tell

305
00:13:29,310 --> 00:13:27,310
you I'm not a professional we do this

306
00:13:31,710 --> 00:13:29,320
for us fun we put this show up for free

307
00:13:33,450 --> 00:13:31,720
for fun and we're going to continue to

308
00:13:35,430 --> 00:13:33,460
do so we don't charge anybody we don't

309
00:13:37,020 --> 00:13:35,440
really ask for donations we don't beg or

310
00:13:39,270 --> 00:13:37,030
plead or do anything that I put up

311
00:13:41,520 --> 00:13:39,280
YouTube clips for free with no tweed

312
00:13:43,680 --> 00:13:41,530
note no ads on YouTube clips the shows

313
00:13:46,320 --> 00:13:43,690

up a frame for with with no ads and no

314

00:13:49,110 --> 00:13:46,330

upfront guilt about not donating I don't

315

00:13:51,450 --> 00:13:49,120

give a [h__h] I do this for fun you know

316

00:13:54,390 --> 00:13:51,460

if I'm not having bone to show but maybe

317

00:13:57,360 --> 00:13:54,400

overly excess and excessively using

318

00:13:59,430 --> 00:13:57,370

clips in a certain episode then I I

319

00:14:01,350 --> 00:13:59,440

don't tell you I can't be mindful the

320

00:14:03,720 --> 00:14:01,360

audience I can do this for me first and

321

00:14:06,690 --> 00:14:03,730

if people happen to like it after that

322

00:14:08,250 --> 00:14:06,700

great so you want to share it because

323

00:14:10,320 --> 00:14:08,260

you like to show great or maybe just

324

00:14:12,480 --> 00:14:10,330

maybe you like a particular person on

325

00:14:14,370 --> 00:14:12,490

the show great I can't change and I'm

326

00:14:17,190 --> 00:14:14,380

not going to I'm gonna do what I feels

327

00:14:20,070 --> 00:14:17,200

good and I'm gonna do what I think is

328

00:14:22,110 --> 00:14:20,080

fun for the show and if it's playing

329

00:14:26,910 --> 00:14:22,120

Alex Jones over and over again I will

330

00:14:30,570 --> 00:14:26,920

that's right that's right Alex I don't

331

00:14:32,430 --> 00:14:30,580

know I i we took a poll in not too long

332

00:14:34,430 --> 00:14:32,440

ago about sound clips should we use

333

00:14:37,020 --> 00:14:34,440

laughs or more we actually actively

334

00:14:39,420 --> 00:14:37,030

engage the listeners it said me know it

335

00:14:41,340 --> 00:14:39,430

keep men because I think they get the

336

00:14:44,640 --> 00:14:41,350

show it's a bit of a goofy show we're

337

00:14:46,740 --> 00:14:44,650

not like a serious news show we don't do

338

00:14:48,150 --> 00:14:46,750

serious hardcore resource because we

339

00:14:52,020 --> 00:14:48,160

don't have the time we don't do this for

340

00:14:54,120 --> 00:14:52,030

a living we do this for fun and I don't

341

00:14:59,850 --> 00:14:54,130

know why people don't understand it god

342

00:15:01,680 --> 00:14:59,860

damn it coughing you do have an IJ clip

343

00:15:05,490 --> 00:15:01,690

that would go along well with this by

344

00:15:08,030 --> 00:15:05,500

the way um which one I'm gonna say it

345

00:15:11,280 --> 00:15:08,040

this one yeah you fascist white male

346

00:15:13,830 --> 00:15:11,290

zentra was a good one what about this

347

00:15:15,360 --> 00:15:13,840

one you sons of [ʌ__ʌ] no one that I

348

00:15:18,000 --> 00:15:15,370

like that one it would be I'm never

349

00:15:22,560 --> 00:15:18,010

wrong Oh or the that one I was gonna

350

00:15:25,170 --> 00:15:22,570

play this one but you can't admit you

351
00:15:28,330 --> 00:15:25,180
were wrong yeah yeah that one that one

352
00:15:31,070 --> 00:15:28,340
what about this one he's got AIDS

353
00:15:35,870 --> 00:15:31,080
classic is that Larry King who is that

354
00:15:39,230 --> 00:15:35,880
I'll gone with sterling yeah the the

355
00:15:40,820 --> 00:15:39,240
ex-owner of the LA Lakers he was talking

356
00:15:44,780 --> 00:15:40,830
about magic johnson there he's got AIDS

357
00:15:47,120 --> 00:15:44,790
ah he's right it's not they see him so

358
00:15:48,560 --> 00:15:47,130
he seems like he's excited about well I

359
00:15:52,730 --> 00:15:48,570
don't know if he was right here Magic

360
00:15:54,410 --> 00:15:52,740
Johnson has HIV he's not age so mmm okay

361
00:15:58,250 --> 00:15:54,420
good I'm glad you clarified of your

362
00:16:01,520 --> 00:15:58,260
place well um I want to talk to the guy

363
00:16:02,720 --> 00:16:01,530

who wrote in and and just saying he

364

00:16:05,030 --> 00:16:02,730

didn't write it in a much she'd love to

365

00:16:12,110 --> 00:16:05,040

come well I left to come to the comment

366

00:16:14,780 --> 00:16:12,120

on a youtube post you know we take this

367

00:16:18,110 --> 00:16:14,790

you know [h__\h] dead grandmother talked

368

00:16:21,860 --> 00:16:18,120

very seriously I have on several

369

00:16:24,980 --> 00:16:21,870

occasions pissed and a jug next to the

370

00:16:27,140 --> 00:16:24,990

desk that I do this podcast from just to

371

00:16:29,930 --> 00:16:27,150

not miss the conversation that's how

372

00:16:33,950 --> 00:16:29,940

serious we take it bursar's have you

373

00:16:36,530 --> 00:16:33,960

ever pissed in the jug Mike um next to

374

00:16:39,170 --> 00:16:36,540

the show no I I know I haven't done that

375

00:16:41,000 --> 00:16:39,180

no I have totally pissed in a jug on the

376

00:16:44,090 --> 00:16:41,010

show I've never done that I probably

377

00:16:46,700 --> 00:16:44,100

should have done that and honestly I

378

00:16:49,040 --> 00:16:46,710

feel bad about my beta you take it

379

00:16:52,520 --> 00:16:49,050

pretty serious way more here than I do

380

00:16:54,260 --> 00:16:52,530

yeah I had I had like these giant will

381

00:16:58,250 --> 00:16:54,270

we or we get these waters from trader

382

00:17:01,490 --> 00:16:58,260

joes and they make great piss jug did

383

00:17:04,520 --> 00:17:01,500

you seriously do that yeah it's not even

384

00:17:06,590 --> 00:17:04,530

kidding you wow do you like four times I

385

00:17:09,590 --> 00:17:06,600

think that is dedication definitely a

386

00:17:12,860 --> 00:17:09,600

handful of times I need a little cheese

387

00:17:15,449 --> 00:17:12,870

here for you right there thanks

388

00:17:18,840 --> 00:17:15,459

that's what I just want him to know this

389

00:17:21,329 --> 00:17:18,850

is how seriously Isley again this is not

390

00:17:24,059 --> 00:17:21,339

a prob back as we should do it please

391

00:17:26,789 --> 00:17:24,069

the soundboard we're having fun if you

392

00:17:28,380 --> 00:17:26,799

don't like it and maybe the show ain't

393

00:17:31,110 --> 00:17:28,390

for you you know my dead grandmother

394

00:17:37,409 --> 00:17:31,120

said right before she died she said then

395

00:17:41,009 --> 00:17:37,419

I loved it the young man be a critic

396

00:17:43,380 --> 00:17:41,019

contention this is great revelation I

397

00:17:46,169 --> 00:17:43,390

didn't expect her to say that but yeah

398

00:17:47,789 --> 00:17:46,179

so time like when you're there you know

399

00:17:49,919 --> 00:17:47,799

I mean you got to get it out probably

400

00:17:52,200 --> 00:17:49,929

felt good yeah she did ask me a question

401
00:17:57,419 --> 00:17:52,210
though he a cute would you let me lick

402
00:17:59,220 --> 00:17:57,429
you everywhere I doesn't know grandma

403
00:18:00,480 --> 00:17:59,230
you can't do that do is there anything

404
00:18:03,299 --> 00:18:00,490
else you want to know before you gotta

405
00:18:06,120 --> 00:18:03,309
go what girl wants to give oral sex I

406
00:18:08,970 --> 00:18:06,130
thought I didn't know I told my grandma

407
00:18:10,980 --> 00:18:08,980
I just did not know and then she went

408
00:18:12,690 --> 00:18:10,990
she continued on she was had a lot of

409
00:18:18,299 --> 00:18:12,700
vigor at the end of her life and she

410
00:18:20,279 --> 00:18:18,309
said that did you bring condoms I think

411
00:18:23,610 --> 00:18:20,289
it hospice their supposed love you look

412
00:18:25,889 --> 00:18:23,620
for oral supposed to make her

413
00:18:27,480 --> 00:18:25,899

comfortable for her death I mean if

414

00:18:28,980 --> 00:18:27,490

they're not giving her oral I don't even

415

00:18:31,049 --> 00:18:28,990

know what kind of hospice you're going

416

00:18:35,430 --> 00:18:31,059

to its I'm terrible but changing with

417

00:18:37,879 --> 00:18:35,440

this so you excited too i said no i said

418

00:18:41,700 --> 00:18:37,889

no Graham I'm not excited about your

419

00:18:43,259 --> 00:18:41,710

dying I don't know why you're excited

420

00:18:47,370 --> 00:18:43,269

about it maybe she was happy to go to

421

00:18:48,779 --> 00:18:47,380

the beyond I don't know yeah good we

422

00:18:50,730 --> 00:18:48,789

could've missed that but he antibiotics

423

00:18:54,149 --> 00:18:50,740

I'd if she was excited you could have

424

00:18:57,840 --> 00:18:54,159

been excited but he ended with with this

425

00:19:03,750 --> 00:18:57,850

and I just I just found this to be so

426

00:19:06,240 --> 00:19:03,760

just a fun can I rape you anally but I

427

00:19:08,610 --> 00:19:06,250

was like the last one it was a dying

428

00:19:12,960 --> 00:19:08,620

request an I had to I had to oblige you

429

00:19:14,909 --> 00:19:12,970

know how does that work I mean I imagine

430

00:19:17,100 --> 00:19:14,919

she's kind of like bedridden Ozzy is we

431

00:19:20,990 --> 00:19:17,110

can describe the Siam you I have to bend

432

00:19:24,500 --> 00:19:21,000

over and you know when she used to her

433

00:19:26,460 --> 00:19:24,510

broomstick her broom a barista con me

434

00:19:27,539 --> 00:19:26,470

that's right

435

00:19:29,220 --> 00:19:27,549

that's why she asked about the comp

436

00:19:32,070 --> 00:19:29,230

trying to be nice don't it up at least

437

00:19:34,049 --> 00:19:32,080

woody grain up the poop hole right and

438

00:19:36,330 --> 00:19:34,059

then a nurses are gonna smell it and

439

00:19:39,600 --> 00:19:36,340

they're gonna know like oh hell happened

440

00:19:41,399 --> 00:19:39,610

in that room onon bureaus guys getting

441

00:19:45,180 --> 00:19:41,409

banged by the grandma of the broomstick

442

00:19:47,730 --> 00:19:45,190

he's lovely she wanted at least he loves

443

00:19:50,279 --> 00:19:47,740

her don't going around early 50 minutes

444

00:19:53,279 --> 00:19:50,289

I've never seen loved like that before

445

00:19:55,320 --> 00:19:53,289

is what she requested she had a lot of

446

00:19:57,810 --> 00:19:55,330

weird request a date of her life you

447

00:19:59,460 --> 00:19:57,820

know right just a half time I get an a

448

00:20:04,740 --> 00:19:59,470

on my test and grade school closes my

449

00:20:07,230 --> 00:20:04,750

reward have you ever seen a man's blank

450

00:20:10,680 --> 00:20:07,240

right don't make me fill in the blank

451
00:20:13,560 --> 00:20:10,690
your grandma we don't have much side

452
00:20:22,340 --> 00:20:13,570
please we want to time for quizzes it

453
00:20:28,649 --> 00:20:25,680
okay in all of you I hate all of you I

454
00:20:31,049 --> 00:20:28,659
hate this commenter I'm done obviously

455
00:20:32,490 --> 00:20:31,059
the soundboard is a terrible idea the

456
00:20:34,560 --> 00:20:32,500
other thing I have to say about sharing

457
00:20:37,230 --> 00:20:34,570
this with friends or people I keep like

458
00:20:40,260 --> 00:20:37,240
really knows you can't listen to podcast

459
00:20:43,919 --> 00:20:40,270
too I told all my friends about this

460
00:20:44,730 --> 00:20:43,929
show and they don't listen to it I don't

461
00:20:46,289 --> 00:20:44,740
think any of them actually ever

462
00:20:47,520 --> 00:20:46,299
downloaded to actually hear the sound

463
00:20:48,779 --> 00:20:47,530

boards it be turned off I don't think

464

00:20:50,370 --> 00:20:48,789

any of them that one of my friends

465

00:20:52,020 --> 00:20:50,380

listen to it once you said it was good

466

00:20:54,240 --> 00:20:52,030

but I don't he hasn't talked to me about

467

00:20:56,880 --> 00:20:54,250

it again so the key to do that as a

468

00:21:00,480 --> 00:20:56,890

courtesy I told my grandma to listen you

469

00:21:03,060 --> 00:21:00,490

know I really means yeah hey the people

470

00:21:06,810 --> 00:21:03,070

that are gonna [h__h] yo fine youtube

471

00:21:10,380 --> 00:21:06,820

channel or or through itunes or whatever

472

00:21:14,100 --> 00:21:10,390

you use pod catcher young kids use these

473

00:21:15,330 --> 00:21:14,110

days I think the use in figure set your

474

00:21:21,570 --> 00:21:15,340

house features where to go yeah it's

475

00:21:23,250 --> 00:21:21,580

pretty freaky here yeah no yeah that

476

00:21:26,399 --> 00:21:23,260

would have been good if you said to

477

00:21:27,960 --> 00:21:26,409

Grandma you be like Grandma wig yeah how

478

00:21:30,779 --> 00:21:27,970

do you like hospice are they taking good

479

00:21:37,320 --> 00:21:30,789

care of you yeah things get much more

480

00:21:39,750 --> 00:21:37,330

graphic and disgusting that's right we

481

00:21:40,200 --> 00:21:39,760

brought you cheddar bay biscuits from

482

00:21:42,480 --> 00:21:40,210

red

483

00:21:44,280 --> 00:21:42,490

sure grandma how are you feeling I'm

484

00:21:48,090 --> 00:21:44,290

going to get involved in the internet

485

00:21:50,070 --> 00:21:48,100

conversation with a 14 year old boy yeah

486

00:21:53,960 --> 00:21:50,080

I'm going to go to his house stripped

487

00:22:01,020 --> 00:21:53,970

naked and walk in with a 12 pack of beer

488

00:22:03,960 --> 00:22:01,030

under mensia yeah well he wasn't he

489

00:22:07,560 --> 00:22:03,970

wasn't well in here in days she just did

490

00:22:10,450 --> 00:22:07,570

weird things like that god bless my

491

00:22:13,190 --> 00:22:10,460

Chris Hansen that's rescued out there

492

00:22:18,180 --> 00:22:13,200

[Music]

493

00:22:20,130 --> 00:22:18,190

you're telling me a big fat lie well

494

00:22:22,140 --> 00:22:20,140

anyways we got more stuff to get to

495

00:22:24,360 --> 00:22:22,150

besides made us thank you God all right

496

00:22:27,810 --> 00:22:24,370

we address that comment I think we grab

497

00:22:34,740 --> 00:22:27,820

that comment and we'll move on here we

498

00:22:37,110 --> 00:22:34,750

go let's move on is the most stuff what

499

00:22:39,560 --> 00:22:37,120

is all this stuff what is all this stuff

500

00:22:48,410 --> 00:22:39,570

come on baby please tower buddy

501

00:23:37,250 --> 00:22:56,780

[Music]
