

Missing 411

Recent Pennsylvania cases
and organ harvesting

1
00:00:02,550 --> 00:00:05,720

[Music]

2
00:00:11,299 --> 00:00:08,690

everyone in this audio segment we talked

3
00:00:14,030 --> 00:00:11,309

about some recent missing person cases

4
00:00:16,880 --> 00:00:14,040

in Pennsylvania we then go on to

5
00:00:19,010 --> 00:00:16,890

speculate about the reasons for these

6
00:00:23,120 --> 00:00:19,020

missing people and possible abductions

7
00:00:25,490 --> 00:00:23,130

if you want full podcast episodes check

8
00:00:28,189 --> 00:00:25,500

out the links in the description thanks

9
00:00:29,060 --> 00:00:28,199

for listening talk to you later clumpy

10
00:00:31,849 --> 00:00:29,070

but you got anything you want to talk

11
00:00:38,270 --> 00:00:31,859

about I got some missing person stories

12
00:00:40,190 --> 00:00:38,280

oh wow let me we play a little intro for

13
00:00:46,430 --> 00:00:40,200

you here you go yeah your fascist white

14

00:00:48,110 --> 00:00:46,440

male alright yeah thank you so you have

15

00:00:50,060 --> 00:00:48,120

some of these there's videos I sent you

16

00:00:53,360 --> 00:00:50,070

in slack and the carrot shops you want

17

00:00:55,520 --> 00:00:53,370

to play yeah hello I'll pop this over

18

00:00:58,970 --> 00:00:55,530

did that body the first one I scented

19

00:01:02,750 --> 00:00:58,980

638 sure absolutely here we go

20

00:01:07,940 --> 00:01:02,760

as long as my ad blocker doesn't give me

21

00:01:10,490 --> 00:01:07,950

[h__h] it's lotion ranking right now a

22

00:01:12,050 --> 00:01:10,500

body found in South Buffalo Township

23

00:01:14,300 --> 00:01:12,060

good evening I'm David John and I'm

24

00:01:16,910 --> 00:01:14,310

Peggy Finnegan police confirm it was

25

00:01:20,240 --> 00:01:16,920

that of a missing person just identified

26
00:01:22,789 --> 00:01:20,250
as 33 year old Donald Mastandrea after

27
00:01:25,070 --> 00:01:22,799
an 11th Diwani Lewis has spoken with

28
00:01:28,100 --> 00:01:25,080
police he joins us live with what we

29
00:01:29,690 --> 00:01:28,110
know right now Diwani well David and

30
00:01:32,120 --> 00:01:29,700
Peggy I want you to take a look at where

31
00:01:33,830 --> 00:01:32,130
we are right now now investigators tell

32
00:01:37,100 --> 00:01:33,840
us they found the victim's body about

33
00:01:38,569 --> 00:01:37,110
200 to 300 yards from this Creek just

34
00:01:40,069 --> 00:01:38,579
before noon today now tonight

35
00:01:42,410 --> 00:01:40,079
investigators tell us they are not

36
00:01:45,770 --> 00:01:42,420
ruling out anything until an autopsy is

37
00:01:48,020 --> 00:01:45,780
done we spent chopper 11 up to show you

38
00:01:49,999 --> 00:01:48,030

the area from overhead where head search

39

00:01:52,490 --> 00:01:50,009

teams and emergency crews made the

40

00:01:55,010 --> 00:01:52,500

discovery here in a wooded area near a

41

00:01:56,870 --> 00:01:55,020

creek investigators tell Channel 11 just

42

00:01:59,450 --> 00:01:56,880

before noon they found the body of

43

00:02:01,910 --> 00:01:59,460

Donald mast Andrea at a campsite near

44

00:02:02,710 --> 00:02:01,920

doc Hollow Road in Armstrong County he

45

00:02:04,240 --> 00:02:02,720

was camping

46

00:02:06,520 --> 00:02:04,250

there was a campsite that he was found

47

00:02:08,800 --> 00:02:06,530

that we found his belongings at that

48

00:02:10,510 --> 00:02:08,810

campsite family members told police they

49

00:02:12,460 --> 00:02:10,520

last heard from asked Andrea last

50

00:02:13,720 --> 00:02:12,470

Wednesday and had been aggressively

51
00:02:15,390 --> 00:02:13,730
spreading the word about his

52
00:02:17,980 --> 00:02:15,400
disappearance on social media

53
00:02:19,510 --> 00:02:17,990
investigators say he was a known camper

54
00:02:21,040 --> 00:02:19,520
the victim may have been there for a

55
00:02:23,440 --> 00:02:21,050
couple days we're not sure that yet

56
00:02:25,780 --> 00:02:23,450
investigators say there was no physical

57
00:02:27,940 --> 00:02:25,790
trauma to the body and they're not sure

58
00:02:31,420 --> 00:02:27,950
what cost is then everything at this

59
00:02:33,520 --> 00:02:31,430
point we're treating it as an accident

60
00:02:34,660 --> 00:02:33,530
but until we do play an investigation

61
00:02:37,510 --> 00:02:34,670
and see if there's anything else there

62
00:02:40,630 --> 00:02:37,520
during the autopsy or better information

63
00:02:43,750 --> 00:02:40,640

for you after that patient up these news

64

00:02:45,880 --> 00:02:43,760

people all right good find no apparent

65

00:02:48,370 --> 00:02:45,890

trauma to the body found close to a body

66

00:02:50,080 --> 00:02:48,380

writer anyone there's stuff there

67

00:02:52,870 --> 00:02:50,090

leaving out that it's in the article

68

00:02:54,760 --> 00:02:52,880

with this video he was found

69

00:03:00,880 --> 00:02:54,770

two to three hundred yards north of his

70

00:03:02,790 --> 00:03:00,890

campsite by a creek so he was only 900

71

00:03:05,890 --> 00:03:02,800

feet at most from where he was camping

72

00:03:08,080 --> 00:03:05,900

yeah I'm missing we're almost a week he

73

00:03:11,680 --> 00:03:08,090

was a known camper so that means he's

74

00:03:15,160 --> 00:03:11,690

gone out he's comfortable camping here

75

00:03:16,570 --> 00:03:15,170

we go okay he's 900 wasn't really hasn't

76

00:03:19,090 --> 00:03:16,580

been that bad it's been a little cold we

77

00:03:21,009 --> 00:03:19,100

get we've gotten maybe a couple inches

78

00:03:22,660 --> 00:03:21,019

of snow but it's melted off and on so

79

00:03:23,800 --> 00:03:22,670

you know I'm not like a blizzard

80

00:03:27,190 --> 00:03:23,810

well Finnegan this is in Pennsylvania

81

00:03:30,220 --> 00:03:27,200

right western Pennsylvania right up the

82

00:03:32,590 --> 00:03:30,230

street for me I mean but yeah I mean

83

00:03:36,880 --> 00:03:32,600

reach closer to you than Tokyo is so

84

00:03:39,570 --> 00:03:36,890

yeah it's Reb Street sure cause of death

85

00:03:41,500 --> 00:03:39,580

is now been declared he died of exposure

86

00:03:45,490 --> 00:03:41,510

according to the medical examiner

87

00:03:48,670 --> 00:03:45,500

how does someone up to 900 yards from

88

00:03:51,970 --> 00:03:48,680

their campsite died from exposure yeah

89

00:03:55,030 --> 00:03:51,980

yeah I mean I could if I was injured and

90

00:03:57,360 --> 00:03:55,040

I find you I was dying even with a

91

00:04:00,610 --> 00:03:57,370

broken leg I think I could drag myself

92

00:04:04,210 --> 00:04:00,620

300 to 900 yards know if death was the

93

00:04:06,880 --> 00:04:04,220

be on his doorstep 900 feet so maybe a

94

00:04:08,020 --> 00:04:06,890

thousand feet at most if you said it

95

00:04:10,539 --> 00:04:08,030

broke in law you could drag your ass

96

00:04:12,250 --> 00:04:10,549

there I mean it's like okay I can lay

97

00:04:13,960 --> 00:04:12,260

here and die or I can pull myself over

98

00:04:16,300 --> 00:04:13,970

to my camp you can do some pretty

99

00:04:19,240 --> 00:04:16,310

incredible stuff on adrenaline

100

00:04:23,530 --> 00:04:19,250

I think he could do it not unless he was

101
00:04:26,560 --> 00:04:23,540
so paralyzed in some way where he was

102
00:04:29,170 --> 00:04:26,570
physically unable to move and they said

103
00:04:34,060 --> 00:04:29,180
there's no apparent signs of trauma on

104
00:04:36,910 --> 00:04:34,070
his body so obviously he was able to

105
00:04:41,580 --> 00:04:36,920
walk he was capable of moving so what

106
00:04:44,710 --> 00:04:41,590
prevented him from seeking shelter in

107
00:04:46,110 --> 00:04:44,720
shelter was less than a thousand feet

108
00:04:48,370 --> 00:04:46,120
away yeah

109
00:04:51,280 --> 00:04:48,380
first campsite was were presumably he

110
00:04:53,980 --> 00:04:51,290
would have had some dry clothes and at

111
00:04:55,570 --> 00:04:53,990
least been able to get help I don't know

112
00:04:56,920 --> 00:04:55,580
how far out he was camping but I'd

113
00:05:00,100 --> 00:04:56,930

imagine you've had a cell phone with him

114

00:05:02,500 --> 00:05:00,110

I guess it's possible it is possible

115

00:05:06,190 --> 00:05:02,510

that you could get so drunk that you

116

00:05:09,310 --> 00:05:06,200

would just die because you you know

117

00:05:10,870 --> 00:05:09,320

we're so near 85 exposure I think your

118

00:05:13,120 --> 00:05:10,880

body would wake your ass up so once you

119

00:05:15,670 --> 00:05:13,130

get cold enough I've been in some pretty

120

00:05:17,620 --> 00:05:15,680

interesting drunken situations where my

121

00:05:21,130 --> 00:05:17,630

body has woken the self up so look dude

122

00:05:22,900 --> 00:05:21,140

you got to go and I've done incredible

123

00:05:26,680 --> 00:05:22,910

feats while drunk things I don't even

124

00:05:31,120 --> 00:05:26,690

remember absolute lumina griffin exactly

125

00:05:32,680 --> 00:05:31,130

how people told me about it later you

126

00:05:34,260 --> 00:05:32,690

could do stuff yeah you could definitely

127

00:05:37,330 --> 00:05:34,270

make it a thousand feet to your campsite

128

00:05:39,760 --> 00:05:37,340

this is a classic missing for one one

129

00:05:42,940 --> 00:05:39,770

case oh yeah just they just got his body

130

00:05:45,430 --> 00:05:42,950

yesterday this is hot off the presses

131

00:05:47,980 --> 00:05:45,440

nice you want to hit that second link uh

132

00:05:48,310 --> 00:05:47,990

yeah another missing person yeah let's

133

00:05:52,659 --> 00:05:48,320

do that

134

00:05:54,070 --> 00:05:52,669

it's very good well huh all right this

135

00:05:57,159 --> 00:05:54,080

one's different but it follows more of

136

00:06:01,810 --> 00:05:57,169

the case cases you see in the sobering

137

00:06:05,380 --> 00:06:01,820

coincidence okay I like this just please

138

00:06:07,480 --> 00:06:05,390

please call us and give us any little

139

00:06:10,600 --> 00:06:07,490

bit of information you know

140

00:06:12,640 --> 00:06:10,610

good bad indifferent well the family of

141

00:06:14,590 --> 00:06:12,650

a North Side man desperate to find him

142

00:06:17,499 --> 00:06:14,600

to go to James hasn't been seen since he

143

00:06:19,570 --> 00:06:17,509

was downtown last Wednesday night severe

144

00:06:21,550 --> 00:06:19,580

weather team 11 says it was 50 degrees

145

00:06:24,189 --> 00:06:21,560

that night which could be cold enough

146

00:06:26,200 --> 00:06:24,199

for hypothermia and his family says it

147

00:06:28,210 --> 00:06:26,210

isn't like him not to keep in touch

148

00:06:29,980 --> 00:06:28,220

channel 11 Jennifer Klaus had talked

149

00:06:32,409 --> 00:06:29,990

with the families I think in mind this

150

00:06:34,900 --> 00:06:32,419

is a different story a separate person

151

00:06:36,700 --> 00:06:34,910

and they both they both had better

152

00:06:38,409 --> 00:06:36,710

Schloss contact and Wednesday yeah I

153

00:06:41,680 --> 00:06:38,419

have two yeah we have to reiterate that

154

00:06:43,810 --> 00:06:41,690

this is a totally different case he's

155

00:06:47,260 --> 00:06:43,820

live downtown at the last five Dakota

156

00:06:52,370 --> 00:06:49,940

and this is new at noon for you domani

157

00:06:53,930 --> 00:06:52,380

did last time that Dakota James was seen

158

00:06:56,060 --> 00:06:53,940

Lee have learned was right here at

159

00:06:57,710 --> 00:06:56,070

Smithfield and Liberty not in Market

160

00:06:59,000 --> 00:06:57,720

Square like originally thought that's

161

00:07:00,440 --> 00:06:59,010

what his family is telling me this

162

00:07:01,610 --> 00:07:00,450

afternoon wants you to take a look if

163

00:07:03,350 --> 00:07:01,620

you've been in this area you've probably

164

00:07:05,900 --> 00:07:03,360

seen this missing poster have you seen

165

00:07:07,730 --> 00:07:05,910

Dakota Lee Oh James his family tells me

166

00:07:09,890 --> 00:07:07,740

they have put up three to four hundred

167

00:07:11,510 --> 00:07:09,900

of these posters all over the city and I

168

00:07:14,510 --> 00:07:11,520

can tell you they are desperate to find

169

00:07:16,870 --> 00:07:14,520

him we already had the car packed to go

170

00:07:19,510 --> 00:07:16,880

to Deep Creek this weekend

171

00:07:22,280 --> 00:07:19,520

Cody was come down to meet us there

172

00:07:24,230 --> 00:07:22,290

instead of a family trip Jeff and Pam

173

00:07:26,510 --> 00:07:24,240

jeans are in Pittsburgh looking for

174

00:07:27,860 --> 00:07:26,520

their 23 year old son Dakota who has

175

00:07:32,030 --> 00:07:27,870

been missing since last Wednesday

176

00:07:34,460 --> 00:07:32,040

January 25th just please please call us

177

00:07:36,740 --> 00:07:34,470

and give us any little bit of

178

00:07:39,980 --> 00:07:36,750

information you know good bad

179

00:07:41,990 --> 00:07:39,990

indifferent here's a timeline of his

180

00:07:43,280 --> 00:07:42,000

night Pam says that he went out with

181

00:07:45,290 --> 00:07:43,290

some friends at Station Square after

182

00:07:47,300 --> 00:07:45,300

work at JB Hunt where he is a full-time

183

00:07:49,430 --> 00:07:47,310

job on top of getting his master's from

184

00:07:52,640 --> 00:07:49,440

Duquesne they made their way to Market

185

00:07:55,070 --> 00:07:52,650

Square around 9:45 new today Pam learned

186

00:07:57,500 --> 00:07:55,080

from there two of them went to 941

187

00:07:59,690 --> 00:07:57,510

saloon the last record of Dakota using

188

00:08:02,270 --> 00:07:59,700

his credit card and then two images on

189

00:08:04,490 --> 00:08:02,280

Liberty Avenue he left with a co-worker

190

00:08:06,260 --> 00:08:04,500

who got into an uber at Smithfield and

191

00:08:07,940 --> 00:08:06,270

Liberty this is the thing we're trying

192

00:08:11,150 --> 00:08:07,950

to find out today is whether he got on

193

00:08:13,400 --> 00:08:11,160

the subway at eleven forty nine or it

194

00:08:16,760 --> 00:08:13,410

closed too soon for him to get on the

195

00:08:18,080 --> 00:08:16,770

subway and he walked she says detectives

196

00:08:20,659 --> 00:08:18,090

are looking at new surveillance video

197

00:08:21,740 --> 00:08:20,669

today that might show that managers at

198

00:08:23,570 --> 00:08:21,750

his apartment on the north side

199

00:08:26,000 --> 00:08:23,580

discovered that he didn't come home

200

00:08:27,890 --> 00:08:26,010

Wednesday night after his work requested

201
00:08:30,050 --> 00:08:27,900
a welfare check because he didn't show

202
00:08:33,650 --> 00:08:30,060
up on Thursday which his father insisted

203
00:08:37,130 --> 00:08:33,660
isn't like him at all he's a good kid

204
00:08:39,440 --> 00:08:37,140
he's very punctual doesn't mean school

205
00:08:42,560 --> 00:08:39,450
he doesn't miss work he doesn't miss

206
00:08:47,060 --> 00:08:44,960
this is really hard on Dakota's parents

207
00:08:48,650 --> 00:08:47,070
and those closest to him have come here

208
00:08:50,269 --> 00:08:48,660
to help his parents try to look for him

209
00:08:55,090 --> 00:08:50,279
here in Pittsburgh gallery surveillance

210
00:08:59,210 --> 00:08:55,100
and I doubt he would anything is said

211
00:09:02,720 --> 00:08:59,220
another Pennsylvania missing person this

212
00:09:05,329 --> 00:09:02,730
guy was 23 the previous one was 33 not

213
00:09:06,620 --> 00:09:05,339

like them the check in this guy was

214

00:09:08,930 --> 00:09:06,630

obviously smart getting his master's

215

00:09:11,120 --> 00:09:08,940

degree disappeared in an urban setting

216

00:09:13,939 --> 00:09:11,130

though if he missed the subway he'd have

217

00:09:15,290 --> 00:09:13,949

had to walk over a river you know

218

00:09:17,389 --> 00:09:15,300

Northside where he lived

219

00:09:19,579 --> 00:09:17,399

yeah they gave pretty good shots there

220

00:09:21,559 --> 00:09:19,589

he was drinking near the river at weight

221

00:09:24,340 --> 00:09:21,569

anywhere in Pittsburgh that you drink is

222

00:09:26,900 --> 00:09:24,350

near a river pretty much so pretty much

223

00:09:31,160 --> 00:09:26,910

can't escape escape the water around

224

00:09:33,050 --> 00:09:31,170

those parts very interesting the

225

00:09:36,769 --> 00:09:33,060

previous case definitely had much more

226

00:09:39,379 --> 00:09:36,779

telltale original signs of missing 401

227

00:09:43,030 --> 00:09:39,389

this one is more of the urban

228

00:09:47,150 --> 00:09:43,040

disappearances that David Pilates has

229

00:09:49,370 --> 00:09:47,160

just talked about so I don't know you're

230

00:09:50,420 --> 00:09:49,380

in the area Jeff what do you know about

231

00:09:52,850 --> 00:09:50,430

this what do you know anything more

232

00:09:54,230 --> 00:09:52,860

about this now searching we had the news

233

00:09:57,860 --> 00:09:54,240

video they haven't brought me nothing

234

00:10:02,389 --> 00:09:57,870

else has come to light I'll certainly

235

00:10:04,009 --> 00:10:02,399

keep looking though it's been pretty

236

00:10:05,900 --> 00:10:04,019

skinny here those two and I've uh I've

237

00:10:07,850 --> 00:10:05,910

been listening to some recent Dave

238

00:10:10,939 --> 00:10:07,860

Pilates Politis

239

00:10:13,370 --> 00:10:10,949

sorry Politis he's been giving some

240

00:10:16,759 --> 00:10:13,380

talks and getting out there more and

241

00:10:19,189 --> 00:10:16,769

more he's got that new movie coming up

242

00:10:22,610 --> 00:10:19,199

pretty soon he and the trailer looks

243

00:10:23,990 --> 00:10:22,620

pretty good yeah okay now chevrons see

244

00:10:24,949 --> 00:10:24,000

the movies actually going to be coming

245

00:10:26,480 --> 00:10:24,959

out because there's a lot of film

246

00:10:28,189 --> 00:10:26,490

festivals that have been going on I

247

00:10:31,129 --> 00:10:28,199

don't know if he's been even care to

248

00:10:33,340 --> 00:10:31,139

showcase it there or not but it's very

249

00:10:35,689 --> 00:10:33,350

well done it's professionally edited

250

00:10:40,370 --> 00:10:35,699

here that he had to show that a Film

251

00:10:43,519 --> 00:10:40,380

Festival first or I don't like her

252

00:10:46,340 --> 00:10:43,529

there's something really whenever he was

253

00:10:48,079 --> 00:10:46,350

on a coast to coast or something where

254

00:10:49,340 --> 00:10:48,089

his newest London News talked to the

255

00:10:54,319 --> 00:10:49,350

like move on I think he mentioned

256

00:10:55,520 --> 00:10:54,329

something I thought so he David went

257

00:10:59,060 --> 00:10:55,530

down to Australia

258

00:11:00,980 --> 00:10:59,070

and I think he was down there he might

259

00:11:03,650 --> 00:11:00,990

be still down there I believe maybe a

260

00:11:05,960 --> 00:11:03,660

week or two ago he was uh going around

261

00:11:08,480 --> 00:11:05,970

giving talks in Australia about the

262

00:11:10,490 --> 00:11:08,490

missing for one one subject and he has

263

00:11:14,800 --> 00:11:10,500

been investigating some missing persons

264

00:11:17,720 --> 00:11:14,810

down down there as well and he

265

00:11:19,190 --> 00:11:17,730

identified some clusters of missing

266

00:11:23,090 --> 00:11:19,200

people down there the people down there

267

00:11:24,800 --> 00:11:23,100

are eating this up and so definitely

268

00:11:26,450 --> 00:11:24,810

getting much more worldwide attention

269

00:11:29,030 --> 00:11:26,460

people are very curious about the

270

00:11:31,100 --> 00:11:29,040

missing 4:01 topic and it's only going

271

00:11:33,980 --> 00:11:31,110

to get more and more attention until the

272

00:11:35,390 --> 00:11:33,990

United States Park Service I believe

273

00:11:37,310 --> 00:11:35,400

once the movie comes out they're a half

274

00:11:40,130 --> 00:11:37,320

respond in some way it's not going to

275

00:11:42,830 --> 00:11:40,140

make them look good not having complete

276

00:11:44,840 --> 00:11:42,840

databases of missing people or if they

277

00:11:46,670 --> 00:11:44,850

do have a database or even Excel

278

00:11:50,240 --> 00:11:46,680

spreadsheets of missing people not

279

00:11:52,370 --> 00:11:50,250

giving it up to willing willingly intern

280

00:11:54,260 --> 00:11:52,380

or not creating such a cumbersome

281

00:11:56,480 --> 00:11:54,270

process for people who want to get this

282

00:11:59,060 --> 00:11:56,490

information and not charging charging

283

00:12:03,650 --> 00:11:59,070

exorbitant among some money for people

284

00:12:05,940 --> 00:12:03,660

curious about missing loved ones it's

285

00:12:07,329 --> 00:12:05,950

not going to make him look good and

286

00:12:10,490 --> 00:12:07,339

[Music]

287

00:12:12,860 --> 00:12:10,500

apparently uh some of the talks is given

288

00:12:14,720 --> 00:12:12,870

and some of the interactions he had and

289

00:12:17,270 --> 00:12:14,730

has had with with Park Rangers they're

290

00:12:21,680 --> 00:12:17,280

obviously aware of this and they

291

00:12:24,860 --> 00:12:21,690

recognize that it might be a problem but

292

00:12:28,370 --> 00:12:24,870

they just kind of brush it off not a big

293

00:12:30,530 --> 00:12:28,380

deal just another missing camper no need

294

00:12:33,079 --> 00:12:30,540

to stop coming to the parks everything's

295

00:12:38,990 --> 00:12:33,089

fine here Joe don't so I need to stop

296

00:12:40,010 --> 00:12:39,000

camping dude I wonder if we you know I

297

00:12:43,220 --> 00:12:40,020

don't know if you're following the

298

00:12:44,930 --> 00:12:43,230

George Webb thing but um the organ

299

00:12:48,680 --> 00:12:44,940

harvesting thing is sort of where he's

300

00:12:51,410 --> 00:12:48,690

ended up with the investigation and the

301
00:12:54,020 --> 00:12:51,420
Clinton Foundation and when people

302
00:12:55,850 --> 00:12:54,030
disappear like this I mean we talk about

303
00:12:57,290 --> 00:12:55,860
like cattle mutilations and all this

304
00:13:01,520 --> 00:12:57,300
other stuff you know it's like when it

305
00:13:03,440 --> 00:13:01,530
come like I mean it's a stretch but is

306
00:13:06,320 --> 00:13:03,450
there any possibility that these people

307
00:13:08,960 --> 00:13:06,330
are being disappeared in mysterious ways

308
00:13:12,379 --> 00:13:08,970
there's this missing for one one Ben

309
00:13:14,749 --> 00:13:12,389
year over basically what is obviously

310
00:13:17,590 --> 00:13:14,759
this guy's healthy we could use all

311
00:13:21,350 --> 00:13:17,600
these body parts to sell to our

312
00:13:24,769 --> 00:13:21,360
international donors because they need

313
00:13:27,079 --> 00:13:24,779

new kidney or new liver or new lung or

314

00:13:28,550 --> 00:13:27,089

new heart or whatever so there might be

315

00:13:30,290 --> 00:13:28,560

a there might be something today if we

316

00:13:32,470 --> 00:13:30,300

want to go down that rabbit hole I would

317

00:13:34,340 --> 00:13:32,480

I would love to so there's a couple of

318

00:13:35,629 --> 00:13:34,350

so there's there's a couple different

319

00:13:36,889 --> 00:13:35,639

things that go on with the missing for

320

00:13:38,990 --> 00:13:36,899

one there's clusters of people there's

321

00:13:41,150 --> 00:13:39,000

some old people that go missing there's

322

00:13:43,369 --> 00:13:41,160

young people that Kylie I find their

323

00:13:45,139 --> 00:13:43,379

clothes and stuff act like their shoes

324

00:13:47,569 --> 00:13:45,149

and clothes like the person we just

325

00:13:50,449 --> 00:13:47,579

talked to her dad for support he was

326

00:13:52,160 --> 00:13:50,459

found with no trauma so that means maybe

327

00:13:53,480 --> 00:13:52,170

he was examined and they didn't like his

328

00:13:56,030 --> 00:13:53,490

organs and so they didn't take anything

329

00:13:58,939 --> 00:13:56,040

if we go down that now if we go down the

330

00:14:00,410 --> 00:13:58,949

organ harvesting rabbit hole or there's

331

00:14:00,920 --> 00:14:00,420

people that go missing and are never

332

00:14:02,720 --> 00:14:00,930

found

333

00:14:05,990 --> 00:14:02,730

maybe they're good donors and they take

334

00:14:09,559 --> 00:14:06,000

everything that person has yeah yeah it

335

00:14:12,379 --> 00:14:09,569

seems and then there's kids that that go

336

00:14:15,019 --> 00:14:12,389

missing and then there's kids that are

337

00:14:17,119 --> 00:14:15,029

found at two or three year old that have

338

00:14:19,730 --> 00:14:17,129

a record list record recollection of

339

00:14:23,329 --> 00:14:19,740

something as clip Azhar but they come

340

00:14:25,879 --> 00:14:23,339

back on unharmed I don't know there's

341

00:14:28,249 --> 00:14:25,889

been various posts on our missing four

342

00:14:30,710 --> 00:14:28,259

one one videos some people ask me pretty

343

00:14:32,150 --> 00:14:30,720

good theories and it will my theory that

344

00:14:34,429 --> 00:14:32,160

these people are being [h__\h] deaf

345

00:14:35,960 --> 00:14:34,439

people didn't like that because there's

346

00:14:38,540 --> 00:14:35,970

no signs of trauma which I completely

347

00:14:41,179 --> 00:14:38,550

understand I get it and they just have

348

00:14:42,829 --> 00:14:41,189

very loose vaginas I get it I understand

349

00:14:46,939 --> 00:14:42,839

that I don't really have any evidence to

350

00:14:50,590 --> 00:14:46,949

support my theory but that's that but

351
00:14:53,629 --> 00:14:50,600
people do a couple of big ones are that

352
00:14:56,389 --> 00:14:53,639
these people that go missing and that

353
00:14:58,850 --> 00:14:56,399
are never found are close to underground

354
00:15:01,639 --> 00:14:58,860
military bases and that they are

355
00:15:06,889 --> 00:15:01,649
actually being harvested in order some

356
00:15:08,869 --> 00:15:06,899
kind of underworld connection and that

357
00:15:11,569 --> 00:15:08,879
they may use either go down these people

358
00:15:14,780 --> 00:15:11,579
that go missing either go down or they

359
00:15:16,400 --> 00:15:14,790
go up because if they're going north

360
00:15:18,049 --> 00:15:16,410
east south or west they're going to be

361
00:15:19,689 --> 00:15:18,059
found within a certain square mile

362
00:15:21,860 --> 00:15:19,699
radius because these people were on foot

363
00:15:22,780 --> 00:15:21,870

so you got to look down or you got to

364

00:15:25,850 --> 00:15:22,790

look

365

00:15:27,260 --> 00:15:25,860

and so they go down that means that

366

00:15:29,390 --> 00:15:27,270

there's some sort of underworld are you

367

00:15:33,770 --> 00:15:29,400

talking about Hollow Earth or are you

368

00:15:36,500 --> 00:15:33,780

talking about a possible super-secret

369

00:15:39,950 --> 00:15:36,510

military complex or infrastructure down

370

00:15:43,430 --> 00:15:39,960

there that needs access to live human

371

00:15:47,360 --> 00:15:43,440

organs and tissue hmm that's the theory

372

00:15:48,920 --> 00:15:47,370

I think the organs and tissue makes more

373

00:15:51,200 --> 00:15:48,930

sense because all that stuff is worth a

374

00:15:52,880 --> 00:15:51,210

ton of money people will pay a lot of

375

00:15:55,100 --> 00:15:52,890

money if they think that some can save

376

00:15:58,400 --> 00:15:55,110

their life well and there might be a

377

00:16:00,710 --> 00:15:58,410

reason that these more intelligent

378

00:16:03,380 --> 00:16:00,720

people are being abducted maybe if maybe

379

00:16:06,830 --> 00:16:03,390

you could maybe you can make a leap in

380

00:16:08,300 --> 00:16:06,840

logic or a reason to abduct people that

381

00:16:10,610 --> 00:16:08,310

are more intelligent but they made this

382

00:16:12,950 --> 00:16:10,620

they made it this far in life they have

383

00:16:15,380 --> 00:16:12,960

a Doctorate degree there may be a doctor

384

00:16:16,280 --> 00:16:15,390

or engineer they taking care of

385

00:16:19,610 --> 00:16:16,290

themselves better

386

00:16:23,240 --> 00:16:19,620

so maybe therefore their organs or DNA

387

00:16:26,810 --> 00:16:23,250

or genes might be that much better to be

388

00:16:30,230 --> 00:16:26,820

harvested as opposed to just abducting

389

00:16:31,820 --> 00:16:30,240

homeless people off the street now who

390

00:16:33,410 --> 00:16:31,830

are all liquored up and livers are

391

00:16:36,530 --> 00:16:33,420

worthless and they don't take care of

392

00:16:38,030 --> 00:16:36,540

themselves and [h__h] yeah I'm completely

393

00:16:40,190 --> 00:16:38,040

okay with that the area there's another

394

00:16:42,260 --> 00:16:40,200

theory that that has cropped up quite a

395

00:16:46,100 --> 00:16:42,270

few times on the comments of the missing

396

00:16:47,930 --> 00:16:46,110

4:01 stuff which is a interdimensional

397

00:16:49,100 --> 00:16:47,940

portals people falling through these

398

00:16:53,210 --> 00:16:49,110

interdimensional portals

399

00:16:55,220 --> 00:16:53,220

hence never being found or if they do

400

00:16:57,830 --> 00:16:55,230

fall through the portals or they wander

401
00:17:01,460 --> 00:16:57,840
through a portal long enough just to die

402
00:17:03,710 --> 00:17:01,470
only to come back to our reality where

403
00:17:05,660 --> 00:17:03,720
they're found completely intact but

404
00:17:06,950 --> 00:17:05,670
they're closed there was no thing that

405
00:17:10,130 --> 00:17:06,960
don't make sense is like sometimes the

406
00:17:13,250 --> 00:17:10,140
bodies are found years later only to

407
00:17:14,960 --> 00:17:13,260
find their clothes neatly in a certain

408
00:17:18,710 --> 00:17:14,970
pile there's a lot of things that don't

409
00:17:21,470 --> 00:17:18,720
add up here like if you were Joe if you

410
00:17:23,540 --> 00:17:21,480
were like a crazy doctor that

411
00:17:25,610 --> 00:17:23,550
desperately needed to harvest people's

412
00:17:28,360 --> 00:17:25,620
organs and DNA because your clients

413
00:17:31,100 --> 00:17:28,370

demanded of you would you take the time

414

00:17:33,520 --> 00:17:31,110

you put the body back in the clothes

415

00:17:36,140 --> 00:17:33,530

that you that you take in time to kidnap

416

00:17:38,870 --> 00:17:36,150

right well and so

417

00:17:41,420 --> 00:17:38,880

that was sort of the original reason why

418

00:17:44,390 --> 00:17:41,430

I asked the question is is there any

419

00:17:46,400 --> 00:17:44,400

possibility that this is being done to

420

00:17:52,060 --> 00:17:46,410

throw people off the scent of an

421

00:17:54,049 --> 00:17:52,070

otherwise more verifiable trail of clues

422

00:17:56,900 --> 00:17:54,059

you don't I mean it's not like we're

423

00:17:59,870 --> 00:17:56,910

leading like leading like the end of

424

00:18:02,960 --> 00:17:59,880

shining with Jack Nicholas or necklace

425

00:18:07,430 --> 00:18:02,970

whatever Todd Nickerson tonic some Jack

426

00:18:08,870 --> 00:18:07,440

Nicklaus was a golfer but yeah maybe you

427

00:18:09,640 --> 00:18:08,880

smashed a look at the brains out of the

428

00:18:14,750 --> 00:18:09,650

putter

429

00:18:17,750 --> 00:18:14,760

that's a Hobbes a Nickerson and so like

430

00:18:20,660 --> 00:18:17,760

you remember when Danny is walking

431

00:18:24,830 --> 00:18:20,670

backwards through the maze to lead his

432

00:18:28,460 --> 00:18:24,840

crazy dad you know the wrong path yeah

433

00:18:30,260 --> 00:18:28,470

the go so is is there any possibility

434

00:18:32,630 --> 00:18:30,270

that some of this missing for one one

435

00:18:35,570 --> 00:18:32,640

and all these other kind of paranormal

436

00:18:40,160 --> 00:18:35,580

cryptid stories are they there as

437

00:18:41,180 --> 00:18:40,170

distractions to kind of put a fog in

438

00:18:46,820 --> 00:18:41,190

front of something that's actually

439

00:18:49,520 --> 00:18:46,830
happening um I certainly wouldn't

440

00:18:51,260 --> 00:18:49,530
dismiss the possibility but then you're

441

00:18:53,720 --> 00:18:51,270
gonna have to have a very core Devaraj

442

00:18:55,880 --> 00:18:53,730
meant yeah I think you could you would

443

00:18:58,580 --> 00:18:55,890
have to have a very coordinated effort

444

00:18:59,570 --> 00:18:58,590
to abduct this many people and not leave

445

00:19:02,660 --> 00:18:59,580
any clues behind

446

00:19:05,150 --> 00:19:02,670
I can see though like think about it

447

00:19:07,640 --> 00:19:05,160
like we we toy with each other at our

448

00:19:09,650 --> 00:19:07,650
job you know we like the grand ass right

449

00:19:11,900 --> 00:19:09,660
there desktop maybe we grab each other's

450

00:19:15,140 --> 00:19:11,910
ass we like hide everybody's desktop

451
00:19:17,750 --> 00:19:15,150
documents into one folder and hide that

452
00:19:19,850 --> 00:19:17,760
folder and then screenshot their desktop

453
00:19:22,040 --> 00:19:19,860
and make it you know all the typical

454
00:19:24,919 --> 00:19:22,050
pranks that you would do just just to

455
00:19:27,860 --> 00:19:24,929
screw with people if your whole job and

456
00:19:29,630 --> 00:19:27,870
by George Webb's video series you know

457
00:19:32,180 --> 00:19:29,640
this is something that's been going on

458
00:19:35,750 --> 00:19:32,190
for a long time do you think there are

459
00:19:37,310 --> 00:19:35,760
certain you know strike forces task

460
00:19:39,830 --> 00:19:37,320
forces whatever you want to call them

461
00:19:41,990 --> 00:19:39,840
that are like this is their signature

462
00:19:43,700 --> 00:19:42,000
this is something that they do for fun

463
00:19:46,070 --> 00:19:43,710

you know that's just like Laura Silsbee

464

00:19:47,870 --> 00:19:46,080

who was caught you know smuggling these

465

00:19:49,970 --> 00:19:47,880

children from Haiti she's caught with 33

466

00:19:52,730 --> 00:19:49,980

kids this guy he's 30

467

00:19:54,740 --> 00:19:52,740

three you know like there's like coded

468

00:19:56,750 --> 00:19:54,750

stuff in that a lot of times it's very

469

00:19:59,539 --> 00:19:56,760

esoteric but people do like to leave a

470

00:20:01,280 --> 00:19:59,549

signature and what if one of the

471

00:20:02,990 --> 00:20:01,290

signatures is well this is going to be a

472

00:20:05,570 --> 00:20:03,000

Bigfoot story this is going to be an

473

00:20:06,950 --> 00:20:05,580

alien story this is going to be you know

474

00:20:08,659 --> 00:20:06,960

we're going to build this missing for

475

00:20:10,250 --> 00:20:08,669

one one thing we do you know they didn't

476

00:20:11,780 --> 00:20:10,260

even name it they just were like let's

477

00:20:13,820 --> 00:20:11,790

do this and see what happens let this

478

00:20:16,310 --> 00:20:13,830

guy run with it and you know at that

479

00:20:18,110 --> 00:20:16,320

point once once this gets out there all

480

00:20:20,060 --> 00:20:18,120

the other UFOs and people people are

481

00:20:21,320 --> 00:20:20,070

going to come and attach their theory to

482

00:20:23,720 --> 00:20:21,330

this we don't got to do anything yeah

483

00:20:27,560 --> 00:20:23,730

exactly and it's going to be so clouded

484

00:20:29,630 --> 00:20:27,570

up under the murkiness of all the

485

00:20:32,030 --> 00:20:29,640

speculation that happens when you get

486

00:20:33,830 --> 00:20:32,040

online I don't know and I just I love

487

00:20:36,020 --> 00:20:33,840

them it's the missing forward one is

488

00:20:37,490 --> 00:20:36,030

probably my favorite thing you know the

489

00:20:38,780 --> 00:20:37,500

Bigfoot the aliens all that other stuff

490

00:20:40,400 --> 00:20:38,790

because it's one of these things where

491

00:20:43,520 --> 00:20:40,410

it's like there's so many weird things

492

00:20:45,169 --> 00:20:43,530

and consistencies and inconsistencies

493

00:20:47,240 --> 00:20:45,179

for all these cases that you're just

494

00:20:50,659 --> 00:20:47,250

kind of like wow what is this is very

495

00:20:52,760 --> 00:20:50,669

very strange I did almost there even if

496

00:20:55,970 --> 00:20:52,770

it was mauled by a bear you'd bind that

497

00:20:59,020 --> 00:20:55,980

well here's the thing that there are

498

00:21:01,940 --> 00:20:59,030

reports like we've said in the past of

499

00:21:05,270 --> 00:21:01,950

after a person that goes missing their

500

00:21:08,270 --> 00:21:05,280

reports of a military contingent whether

501
00:21:09,710 --> 00:21:08,280
it be a Green Berets or something like

502
00:21:12,260 --> 00:21:09,720
that they're just a business report so

503
00:21:15,080 --> 00:21:12,270
even like a SWAT team doing training in

504
00:21:18,680 --> 00:21:15,090
that area of where a person goes missing

505
00:21:21,280 --> 00:21:18,690
are they part of it or are they in

506
00:21:24,560 --> 00:21:21,290
search of something that is doing this

507
00:21:26,299 --> 00:21:24,570
and I want to believe that if we're

508
00:21:29,150 --> 00:21:26,309
humans and we're on the same God the

509
00:21:31,760 --> 00:21:29,160
inside that I want the SWAT team on my

510
00:21:35,539 --> 00:21:31,770
side to hunt down whatever may be

511
00:21:37,820 --> 00:21:35,549
abducting people I hope as a huge human

512
00:21:42,650 --> 00:21:37,830
a human can we at least say we're on the

513
00:21:44,240 --> 00:21:42,660

same side I hope so I don't know I don't

514

00:21:47,210 --> 00:21:44,250

know anymore I don't know if this

515

00:21:50,840 --> 00:21:47,220

because there's another maybe a alien

516

00:21:52,669 --> 00:21:50,850

species out there I'm not so convinced

517

00:21:54,860 --> 00:21:52,679

that just because I'm human that the

518

00:21:56,570 --> 00:21:54,870

room I'm looking at has got my best

519

00:21:59,930 --> 00:21:56,580

interest in his mind I don't think

520

00:22:02,020 --> 00:21:59,940

that's true I like to think so but then

521

00:22:05,950 --> 00:22:02,030

you look at movies like they live

522

00:22:08,620 --> 00:22:05,960

where they live is a movie about the

523

00:22:13,090 --> 00:22:08,630

human race selling itself out to another

524

00:22:16,270 --> 00:22:13,100

alien species all for some kind of

525

00:22:22,870 --> 00:22:16,280

financial gain the the gain of power

526

00:22:25,840 --> 00:22:22,880

um I don't dismiss enjoy I kind of like

527

00:22:28,510 --> 00:22:25,850

your body harvesting idea

528

00:22:31,210 --> 00:22:28,520

some people go missing and they have

529

00:22:33,450 --> 00:22:31,220

very good organs in DNA and genes are

530

00:22:37,450 --> 00:22:33,460

the people that we find they're garbage

531

00:22:39,130 --> 00:22:37,460

oops we'll try again or they [h__h] it up

532

00:22:41,320 --> 00:22:39,140

somehow or whatever they couldn't get

533

00:22:44,320 --> 00:22:41,330

them completely they we don't know if

534

00:22:47,440 --> 00:22:44,330

somebody comes or yeah is that not the

535

00:22:49,420 --> 00:22:47,450

best thing we have of any kind of

536

00:22:52,390 --> 00:22:49,430

evidence is that the machine for one one

537

00:22:55,410 --> 00:22:52,400

voicemail where the guy has garbled

538

00:22:57,880 --> 00:22:55,420

speech there's pops and clicks going on

539

00:23:01,240 --> 00:22:57,890

and then they found him six days later

540

00:23:04,170 --> 00:23:01,250

and I [\h__\h] like that with elevated

541

00:23:06,820 --> 00:23:04,180

levels of GHB in the system so

542

00:23:08,920 --> 00:23:06,830

completely dark which is I guess it's

543

00:23:12,610 --> 00:23:08,930

completely normal for a highly educated

544

00:23:15,490 --> 00:23:12,620

black man who worked for the county no

545

00:23:17,800 --> 00:23:15,500

well you don't know things they talk

546

00:23:19,720 --> 00:23:17,810

about with these kids if the kind of

547

00:23:21,640 --> 00:23:19,730

thing pong thing is real and the pizza

548

00:23:23,500 --> 00:23:21,650

gate stuff like they talk about these

549

00:23:26,710 --> 00:23:23,510

kids are drugged you know their drugs

550

00:23:28,780 --> 00:23:26,720

should be more I guess I don't know

551
00:23:31,060 --> 00:23:28,790
they're yeah I didn't want to think

552
00:23:33,160 --> 00:23:31,070
about all the gross mess of it all but

553
00:23:34,780 --> 00:23:33,170
like if you drugged them and they don't

554
00:23:36,610 --> 00:23:34,790
know what's happening to them well it's

555
00:23:40,120 --> 00:23:36,620
a lot easier to do whatever nefarious

556
00:23:42,460 --> 00:23:40,130
[h__h] they're doing typically if you are

557
00:23:46,060 --> 00:23:42,470
to drug somebody you're drugging them to

558
00:23:48,310 --> 00:23:46,070
be more docile that's pretty much it or

559
00:23:48,790 --> 00:23:48,320
really don't read people to give up more

560
00:23:50,860 --> 00:23:48,800
of a fight

561
00:23:53,140 --> 00:23:50,870
typically you don't give people you know

562
00:23:56,290 --> 00:23:53,150
PCP you don't want to give someone PCP

563
00:23:57,640 --> 00:23:56,300

to ever mine off you know so they get

564

00:23:59,140 --> 00:23:57,650

like [h__h] strength they could

565

00:24:00,940 --> 00:23:59,150

literally tear your face you don't want

566

00:24:03,490 --> 00:24:00,950

to do that the aliens try this reboot

567

00:24:06,310 --> 00:24:03,500

but yeah the aliens are not coming down

568

00:24:08,200 --> 00:24:06,320

here let's give everyone ecstasy in PCP

569

00:24:10,780 --> 00:24:08,210

maybe Willow ducks I know they're going

570

00:24:12,910 --> 00:24:10,790

to fights on inside UFOs you opposed to

571

00:24:13,750 --> 00:24:12,920

be crashing everywhere you're not going

572

00:24:15,650 --> 00:24:13,760

to do that

573

00:24:19,460 --> 00:24:15,660

now you got to hit them with something

574

00:24:23,540 --> 00:24:19,470

soft like I mean you know like a coating

575

00:24:25,520 --> 00:24:23,550

or uh dilaudid oh Jesus a lot of don't

576

00:24:27,500 --> 00:24:25,530

get me started on that it's so great you

577

00:24:28,250 --> 00:24:27,510

give me that I'll let aliens [h__h] me

578

00:24:30,470 --> 00:24:28,260

jack

579

00:24:32,530 --> 00:24:30,480

I will say come on let's just see where

580

00:24:37,610 --> 00:24:32,540

this goes do it

581

00:24:40,460 --> 00:24:37,620

yeah I can't do it I can do it no we

582

00:24:42,800 --> 00:24:40,470

could do it they all come on yeah we can

583

00:24:44,870 --> 00:24:42,810

do it yeah bill get if you get enough

584

00:24:47,780 --> 00:24:44,880

DeLaughter than you bill you'll spread

585

00:24:50,870 --> 00:24:47,790

them cheeks for you know

586

00:24:53,210 --> 00:24:50,880

beep-bop or bleep blue urn so that's

587

00:24:56,930 --> 00:24:53,220

what robot name it's an aliens name I

588

00:24:58,100 --> 00:24:56,940

don't know any Lu Zhi nu J rod over

589

00:24:59,540 --> 00:24:58,110

there at area 51

590

00:25:00,680 --> 00:24:59,550

why look I got a little bit of a story

591

00:25:04,190 --> 00:25:00,690

and then we're going to get into some

592

00:25:07,790 --> 00:25:04,200

headlines if you don't mind Oh kiss me I

593

00:25:12,060 --> 00:25:09,470

we're sending help immediately mr.

594

00:25:20,910 --> 00:25:12,070

Fletcher I'm having

595

00:25:20,920 --> 00:25:31,610

[Music]
