Theories: III

00:00:08,740 --> 00:00:05,519

[Music]

2
00:00:10,840 --> 00:00:08,750

on in this audio clip Gregg from the

3
00:00:14,020 --> 00:00:10,850

higher side chats is talking with us

4
00:00:17,380 --> 00:00:14,030

about missing four one one Antarctica

5
00:00:19,450 --> 00:00:17,390

UFOs and how we all feel about Trump if

6
00:00:21,640 --> 00:00:19,460

you want the full episode look in the

7
00:00:23,280 --> 00:00:21,650

video description thanks for listening

8
00:00:25,600 --> 00:00:23,290

and I'll talk to you later

9
00:00:27,070 --> 00:00:25,610

to follow up some last week there's the

10
00:00:29,080 --> 00:00:27,080

one guy that was found dead by his

11
00:00:30,609 --> 00:00:29,090

campsite another guy that went missing

12
00:00:33,910 --> 00:00:30,619

in downtown Pittsburgh here's a news

13
00:00:35,410 --> 00:00:33,920

follow up from the local news about the

14

00:00:41,410 --> 00:00:35,420

guy that went missing in downtown I can

15

00:00:43,510 --> 00:00:41,420

play that right now developments today

16

00:00:46,810 --> 00:00:43,520

in the search for missing Duquesne

17

00:00:48,940 --> 00:00:46,820

graduate student coded James sources

18

00:00:52,120 --> 00:00:48,950

tell channel 11 a possible hit from a

19

00:00:54,670 --> 00:00:52,130

cadaver dog led them to a spot on the

20

00:00:57,010 --> 00:00:54,680

Allegheny River WPXI was live on

21

00:00:57,850 --> 00:00:57,020

Facebook when at least one diver went

22

00:01:00,250 --> 00:00:57,860

into the water

23

00:01:02,410 --> 00:01:00,260

channel 11's Rene Kaminsky is live with

24

00:01:04,090 --> 00:01:02,420

new information she just this afternoon

25

00:01:07,120 --> 00:01:04,100

Rene

26

00:01:09,370 --> 00:01:07,130

Peggy I'm told the very last time Dakota

27

00:01:11,620 --> 00:01:09,380

James was seen anywhere on video was

28

00:01:14,320 --> 00:01:11,630

down here near the Clemente bridge his

29

00:01:16,030 --> 00:01:14,330

image was picked up from from a camera

30

00:01:18,520 --> 00:01:16,040

perched on one of these buildings here

31

00:01:21,010 --> 00:01:18,530

no yesterday a police dog picked up a

32

00:01:22,510 --> 00:01:21,020

scent in the river here that search

33

00:01:24,249 --> 00:01:22,520

turned up nothing but overnight new

34

00:01:27,300 --> 00:01:24,259

equipment was brought in and we were

35

00:01:30,310 --> 00:01:27,310

here when divers went back in today

36

00:01:33,430 --> 00:01:30,320

channel 11 was there so you got the gist

37

00:01:35,200 --> 00:01:33,440

of that it's not water no the body has

38

00:01:37,120 --> 00:01:35,210

not been found with the dogs

39

00:01:39,070 --> 00:01:37,130

unlike in a lot of cases the dogs don't

40

00:01:40,570 --> 00:01:39,080

take scent there's actually reminds me

41

00:01:42,279 --> 00:01:40,580

one of the crater lake cases I read in

42

00:01:44,170 --> 00:01:42,289

the missing forum on western United

43

00:01:45,969 --> 00:01:44,180

States when the dogs when it was about

44

00:01:48,820 --> 00:01:45,979

the guy he took his kid out playing by

45

00:01:50,620 --> 00:01:48,830

the dunes around Crater Lake and his kid

46

00:01:51,670 --> 00:01:50,630

went around one of the hills he never

47

00:01:53,109 --> 00:01:51,680

saw him again I think is like a three

48

00:01:54,820 --> 00:01:53,119

year old kid and then when they brought

49

00:01:56,050 --> 00:01:54,830

the search dogs in the dogs guy is

50

00:01:59,050 --> 00:01:56,060

sitting they wouldn't write to the shore

51
00:02:01,330 --> 00:01:59,060
in the water so I mean this also follows

52
00:02:02,650 --> 00:02:01,340
in like in a plight as his book like was

53
00:02:07,330 --> 00:02:02,660
a sobering coincidence he talks about

54
00:02:09,669 --> 00:02:07,340
the young guys getting disappearing in

55
00:02:11,410 --> 00:02:09,679
cities where I mean it I think we have

56
00:02:12,550 --> 00:02:11,420
more this one is paying out better than

57
00:02:15,100 --> 00:02:12,560
the other one which I can follow up on

58
00:02:17,680 --> 00:02:15,110
work the dogs get his set right to the

59
00:02:19,240 --> 00:02:17,690
river and I don't from what I see in the

60
00:02:20,680 --> 00:02:19,250
one security camera video he doesn't

61
00:02:23,020 --> 00:02:20,690
look like he's super like wasted or

62
00:02:25,600 --> 00:02:23,030
anything in the fella in the river and

63
00:02:28,090 --> 00:02:25,610

the Clemente bridge is it's right going

64
00:02:30,430 --> 00:02:28,100
past from downtown to PNC Park where the

65
00:02:33,250 --> 00:02:30,440
Pirates play it's not it's well-lit I

66
00:02:34,810 --> 00:02:33,260
mean I could maybe someone mugged him

67
00:02:36,160 --> 00:02:34,820
and somehow threw him over the bridge

68
00:02:37,479 --> 00:02:36,170
and he didn't swim the shore I mean the

69
00:02:39,069 --> 00:02:37,489
water would have been cold but like we

70
00:02:41,039 --> 00:02:39,079
talked about before it's like you make

71
00:02:46,120 --> 00:02:41,049
it the shore you die in this case I mean

72
00:02:47,470 --> 00:02:46,130
it's not that far to shore so it's okay

73
00:02:49,120 --> 00:02:47,480
not to be kind of like one of these

74
00:02:51,009 --> 00:02:49,130
disappearances but we saw in the Politis

75
00:02:56,500 --> 00:02:51,019
at least from one of his books walk to

76

00:02:59,350 --> 00:02:56,510

him and Greg you talked to uh David did

77

00:03:01,150 --> 00:02:59,360

he say anything off the record to you

78

00:03:04,509 --> 00:03:01,160

that you would care to share with us or

79

00:03:06,430 --> 00:03:04,519

have any idea what's going on now I wish

80

00:03:09,910 --> 00:03:06,440

I could say he did but he's pretty coy

81

00:03:12,280 --> 00:03:09,920

when it comes to what he thinks might be

82

00:03:13,449 --> 00:03:12,290

the conclusion and that's fine because

83

00:03:15,129 --> 00:03:13,459

there's plenty of people out in the

84

00:03:17,449 --> 00:03:15,139

world that'll speculate for him do

85

00:03:20,449 --> 00:03:17,459

plenty of that I what it's the

86

00:03:22,099 --> 00:03:20,459

it's so impressive that he has the data

87

00:03:24,110 --> 00:03:22,109

that can't be ignored

88

00:03:25,880 --> 00:03:24,120

people are going missing do we know why

89

00:03:29,059 --> 00:03:25,890

we don't we don't know exactly what it

90

00:03:33,039 --> 00:03:29,069

is although the people who they're found

91

00:03:35,809 --> 00:03:33,049

mostly kids who did see some kind of

92

00:03:37,250 --> 00:03:35,819

living thing with them it's usually

93

00:03:40,069 --> 00:03:37,260

something that looks more like a Bigfoot

94

00:03:42,170 --> 00:03:40,079

or a dog man I've never heard a case

95

00:03:44,479 --> 00:03:42,180

where somebody says oh yeah I hung out

96

00:03:46,069 --> 00:03:44,489

with a guy in his cabin and then that

97

00:03:48,229 --> 00:03:46,079

guy brought me back here it's always

98

00:03:50,780 --> 00:03:48,239

like a girl being like oh the dog man

99

00:03:52,220 --> 00:03:50,790

kept me fed and warm and it's like what

100

00:03:54,740 --> 00:03:52,230

the [h__\h] is she talking about one guy

101
00:03:57,199 --> 00:03:54,750
yes or one kid saw his dead grandmother

102
00:03:59,899 --> 00:03:57,209
that's the closest thing to a human but

103
00:04:02,059 --> 00:03:59,909
some weird is going on and there's a

104
00:04:04,459 --> 00:04:02,069
there's a guy Richard solder who looks

105
00:04:06,830 --> 00:04:04,469
at underground bases and then my buddy

106
00:04:09,530 --> 00:04:06,840
Olaf Phillips he took the missing bases

107
00:04:11,179 --> 00:04:09,540
and he overlaid it with the clusters

108
00:04:13,339 --> 00:04:11,189
from David Politis and it's pretty close

109
00:04:14,479 --> 00:04:13,349
I mean there's definitely a case to be

110
00:04:16,969 --> 00:04:14,489
made that they're being taken

111
00:04:19,249 --> 00:04:16,979
underground to these bases there they

112
00:04:21,020 --> 00:04:19,259
could be abducted this could be

113
00:04:22,850 --> 00:04:21,030

something that has to do with Bigfoot or

114

00:04:24,260 --> 00:04:22,860

interdimensional creatures of some kind

115

00:04:26,149 --> 00:04:24,270

or it could have to do with pizza gate

116

00:04:28,040 --> 00:04:26,159

there's a lot of possibilities but the

117

00:04:30,589 --> 00:04:28,050

facts don't lie that people are going

118

00:04:32,149 --> 00:04:30,599

[h__\h] missing on the organ harvesting

119

00:04:35,120 --> 00:04:32,159

we talked about that on one of the last

120

00:04:36,920 --> 00:04:35,130

shows organ harvest I will I have two

121

00:04:41,450 --> 00:04:36,930

theories of what possibly might be going

122

00:04:43,700 --> 00:04:41,460

on one is that we made a deal with some

123

00:04:46,070 --> 00:04:43,710

kind of entity that they can take people

124

00:04:49,310 --> 00:04:46,080

from certain areas the Eisenhower deal

125

00:04:52,399 --> 00:04:49,320

something like that and so we had so

126
00:04:55,070 --> 00:04:52,409
these entities have ground grunts which

127
00:04:57,140 --> 00:04:55,080
are dog man or Bigfoot that scout the

128
00:04:59,149 --> 00:04:57,150
ground look for good candidates and they

129
00:05:00,740 --> 00:04:59,159
were taken back to the mothership let's

130
00:05:01,969 --> 00:05:00,750
say and then at that point they're

131
00:05:03,710 --> 00:05:01,979
evaluated whether or not they're gonna

132
00:05:05,960 --> 00:05:03,720
be taken and never found again or

133
00:05:09,560 --> 00:05:05,970
destroyed and returned back to some

134
00:05:11,570 --> 00:05:09,570
place where human might find them you

135
00:05:13,520 --> 00:05:11,580
see a body of water yeah usually a body

136
00:05:15,529 --> 00:05:13,530
of water and at some point these

137
00:05:17,950 --> 00:05:15,539
entities say thank you for this deal we

138
00:05:21,140 --> 00:05:17,960

are going to renegotiate we need more

139

00:05:22,969 --> 00:05:21,150

and here's the transistor for you humans

140

00:05:26,050 --> 00:05:22,979

so yeah we need more is there any

141

00:05:29,089 --> 00:05:26,060

possible way you can get us more humans

142

00:05:30,119 --> 00:05:29,099

that would be where pizza gate and human

143

00:05:32,010 --> 00:05:30,129

smuggling might come

144

00:05:34,679 --> 00:05:32,020

we're just channeling people who would

145

00:05:36,419 --> 00:05:34,689

never be missed in into the funnels of

146

00:05:38,850 --> 00:05:36,429

some kind of entity that want to use

147

00:05:42,629 --> 00:05:38,860

them for god knows what and you cover it

148

00:05:44,939 --> 00:05:42,639

up with occultism and ridiculousness of

149

00:05:47,159 --> 00:05:44,949

all I can't believe you think that rich

150

00:05:49,439 --> 00:05:47,169

people would do this well yeah if they

151
00:05:51,119 --> 00:05:49,449
had access to really awesome technology

152
00:05:54,439 --> 00:05:51,129
people would do some pretty insane [h__h]

153
00:05:57,479 --> 00:05:54,449
to live forever it's not that ridiculous

154
00:05:59,790 --> 00:05:57,489
the problem is like there's no clear-cut

155
00:06:02,070 --> 00:05:59,800
proof of that there are witness

156
00:06:02,969 --> 00:06:02,080
testimonies of people seeing very weird

157
00:06:04,649 --> 00:06:02,979
creatures

158
00:06:06,809 --> 00:06:04,659
there's also testing there's also some

159
00:06:08,790 --> 00:06:06,819
pretty weird findings of these people

160
00:06:11,639 --> 00:06:08,800
being found without shoes but socks on

161
00:06:14,100 --> 00:06:11,649
and their socks are not dirty that means

162
00:06:18,600 --> 00:06:14,110
that they were either either carried or

163
00:06:20,790 --> 00:06:18,610

they were somehow levitated in moved but

164

00:06:22,980 --> 00:06:20,800

their socks are dirty which is a very

165

00:06:26,009 --> 00:06:22,990

and they're always they're always in

166

00:06:28,169 --> 00:06:26,019

some like barely conscious state to like

167

00:06:30,149 --> 00:06:28,179

they're there in the fetal position next

168

00:06:32,459 --> 00:06:30,159

to the road or something when they are

169

00:06:34,139 --> 00:06:32,469

found and they don't remember much or

170

00:06:36,749 --> 00:06:34,149

they're too young to even talk about it

171

00:06:39,659 --> 00:06:36,759

or maybe it's very traumatic but I think

172

00:06:41,309 --> 00:06:39,669

in those cases I don't know that the

173

00:06:43,100 --> 00:06:41,319

elite have anything to do with it I

174

00:06:45,149 --> 00:06:43,110

think there might be something

175

00:06:47,519 --> 00:06:45,159

interdimensional going on that's just

176
00:06:50,579 --> 00:06:47,529
beyond the scope of human knowledge

177
00:06:52,139 --> 00:06:50,589
right now potentially some people think

178
00:06:53,790 --> 00:06:52,149
that's a scarier thought than the elite

179
00:06:55,109 --> 00:06:53,800
know everything the idea that even

180
00:06:55,949 --> 00:06:55,119
though the elite don't know what the

181
00:06:58,109 --> 00:06:55,959
[h__\h] going on

182
00:06:59,790 --> 00:06:58,119
I think the e of the elite if they try

183
00:07:01,589 --> 00:06:59,800
to supplement with with whatever their

184
00:07:02,879 --> 00:07:01,599
deal is you know it's kind of like the

185
00:07:04,319 --> 00:07:02,889
elite that are like negan from The

186
00:07:07,109 --> 00:07:04,329
Walking Dead you know they always want

187
00:07:08,159 --> 00:07:07,119
more more and more and more and so Lily

188
00:07:10,259 --> 00:07:08,169

got to do whatever they got to do that

189

00:07:11,999 --> 00:07:10,269

pay the piper and have this child

190

00:07:13,769 --> 00:07:12,009

smuggling great you know go ahead and

191

00:07:15,389 --> 00:07:13,779

use in national parks as you want we'll

192

00:07:17,609 --> 00:07:15,399

cover it up but we don't keep databases

193

00:07:20,159 --> 00:07:17,619

and as long as you keep them as

194

00:07:22,469 --> 00:07:20,169

technology and consulting fees you know

195

00:07:24,719 --> 00:07:22,479

for this technology we'll we'll abide by

196

00:07:29,339 --> 00:07:24,729

whatever agreement they you want to give

197

00:07:32,850 --> 00:07:29,349

us so I don't know org this could be it

198

00:07:37,560 --> 00:07:32,860

could be Jo it could be it could be a

199

00:07:39,780 --> 00:07:37,570

genie Jen it could be a jinn I

200

00:07:42,120 --> 00:07:39,790

I don't know I mean I don't know it's

201
00:07:43,650 --> 00:07:42,130
widely known that probably not that I

202
00:07:45,270 --> 00:07:43,660
like all these other things the

203
00:07:47,430 --> 00:07:45,280
underground base's thing I think Mike

204
00:07:49,200 --> 00:07:47,440
didn't you even do an over layers how we

205
00:07:51,750 --> 00:07:49,210
talked about these was I didn't over

206
00:07:55,350 --> 00:07:51,760
like that it was an overlay of military

207
00:07:57,120 --> 00:07:55,360
entrance bases that I overlaid in a they

208
00:07:59,490 --> 00:07:57,130
were say there's a nice little cluster

209
00:08:01,650 --> 00:07:59,500
where each were each military entrance

210
00:08:03,420 --> 00:08:01,660
base or processing base where new

211
00:08:05,640 --> 00:08:03,430
recruits would come in and whatever

212
00:08:06,930 --> 00:08:05,650
where their process people there's a

213
00:08:08,820 --> 00:08:06,940

nice little clusters around those bases

214

00:08:11,790 --> 00:08:08,830

but there's so many damn military bases

215

00:08:13,440 --> 00:08:11,800

it's hard to make a correlation hmm I

216

00:08:15,990 --> 00:08:13,450

like the underground there the

217

00:08:18,900 --> 00:08:16,000

underground base theory I mean oh yeah

218

00:08:21,390 --> 00:08:18,910

it's a very serious waiting to see how

219

00:08:23,700 --> 00:08:21,400

big the junk is on any of these

220

00:08:25,800 --> 00:08:23,710

interdimensional creatures that's really

221

00:08:28,010 --> 00:08:25,810

what our primary focus is we're curious

222

00:08:30,180 --> 00:08:28,020

about a lot of things

223

00:08:31,860 --> 00:08:30,190

whip them out let's see what you're

224

00:08:34,980 --> 00:08:31,870

working with over that on your sound

225

00:08:35,300 --> 00:08:34,990

board yeah give it anal sex yes let's do

226

00:08:47,310 --> 00:08:35,310

it

227

00:08:53,320 --> 00:08:50,910

we talked about the distraction that the

228

00:08:56,590 --> 00:08:53,330

elite might do to cover up whatever

229

00:09:00,790 --> 00:08:56,600

crimes they have what about what

230

00:09:03,100 --> 00:09:00,800

distraction might they create or use to

231

00:09:10,900 --> 00:09:03,110

undermine whatever Trump might be trying

232

00:09:12,820 --> 00:09:10,910

to do to undermine globalism oh I didn't

233

00:09:14,140 --> 00:09:12,830

expect an end but so I'm sorry to

234

00:09:16,630 --> 00:09:14,150

interrupt you but a David Seaman

235

00:09:18,460 --> 00:09:16,640

actually tweeted about this saying that

236

00:09:20,740 --> 00:09:18,470

Antarctica that there's going to be some

237

00:09:22,840 --> 00:09:20,750

kind of thing in Antarctica that they

238

00:09:25,150 --> 00:09:22,850

have ready and they're gonna release it

239

00:09:27,520 --> 00:09:25,160

like when they need to if the [h__h] gets

240

00:09:28,900 --> 00:09:27,530

pretty serious you know if the shit's

241

00:09:31,120 --> 00:09:28,910

about to hit the fan with pizza gay

242

00:09:32,230 --> 00:09:31,130

perhaps or you know if Trump's doing

243

00:09:34,360 --> 00:09:32,240

something that they want to reel back

244

00:09:37,030 --> 00:09:34,370

maybe they want to get back in the TPP

245

00:09:39,120 --> 00:09:37,040

who knows but the idea is that

246

00:09:42,040 --> 00:09:39,130

something's going on in Antarctica and

247

00:09:44,670 --> 00:09:42,050

he says that whatever they tell us about

248

00:09:47,200 --> 00:09:44,680

is going to be fake but I think maybe

249

00:09:49,810 --> 00:09:47,210

it's still real because I don't

250

00:09:51,730 --> 00:09:49,820

understand why Buzz Aldrin and Senator

251
00:09:53,320 --> 00:09:51,740
Kerry and these people would be going

252
00:09:55,000 --> 00:09:53,330
down there I mean there's a long list of

253
00:09:57,100 --> 00:09:55,010
people going to Antarctica and I don't

254
00:09:58,690 --> 00:09:57,110
think it's to create a false story but

255
00:10:01,480 --> 00:09:58,700
it might be to release something very

256
00:10:04,630 --> 00:10:01,490
impressive maybe they found gobekli tepe

257
00:10:06,430 --> 00:10:04,640
type structure in the ice somewhere but

258
00:10:07,660 --> 00:10:06,440
you release that when you need to and

259
00:10:10,030 --> 00:10:07,670
that will distract everybody

260
00:10:11,740 --> 00:10:10,040
well the crazier thing there is no John

261
00:10:13,120 --> 00:10:11,750
Kerry Secretary of State when he went

262
00:10:16,900 --> 00:10:13,130
there tonight is just a senator I

263
00:10:18,250 --> 00:10:16,910

believe you're important again we're

264

00:10:21,460 --> 00:10:18,260

sending our Secretary of State to Newark

265

00:10:23,380 --> 00:10:21,470

to go why right well we see Buzz Aldrin

266

00:10:25,660 --> 00:10:23,390

but he's the last living guy who may

267

00:10:29,050 --> 00:10:25,670

have seen something like this that's

268

00:10:30,660 --> 00:10:29,060

their Nautilus you know see mama the

269

00:10:32,920 --> 00:10:30,670

movies suppose if I'm on the moon I

270

00:10:34,900 --> 00:10:32,930

coulis GRU Gregor and that's why I was

271

00:10:37,390 --> 00:10:34,910

leaning into David seaman's

272

00:10:38,980 --> 00:10:37,400

theory I think it's actually somewhat

273

00:10:40,330 --> 00:10:38,990

legitimate if you really want to

274

00:10:42,400 --> 00:10:40,340

distract everybody from what Trump is

275

00:10:45,190 --> 00:10:42,410

doing or even undermine him in what he

276

00:10:46,660 --> 00:10:45,200

would do we would have to throw a lot of

277

00:10:49,030 --> 00:10:46,670

money down there to start you know

278

00:10:50,680 --> 00:10:49,040

excavating and doing whatever and

279

00:10:52,900 --> 00:10:50,690

bringing the international community

280

00:10:56,040 --> 00:10:52,910

together by force because of

281

00:10:57,960 --> 00:10:56,050

overwhelming attention whereas people

282

00:10:59,699 --> 00:10:57,970

viewing trump as an isolationist and

283

00:11:01,740 --> 00:10:59,709

pulling out of a lot of greement this

284

00:11:03,780 --> 00:11:01,750

might force him to get back into the

285

00:11:06,420 --> 00:11:03,790

international arena kicking and

286

00:11:10,610 --> 00:11:06,430

screaming so let me ask are you guys

287

00:11:13,889 --> 00:11:10,620

Trump fans it seems like you might be

288

00:11:16,650 --> 00:11:13,899

well we we we were we were sort of like

289

00:11:19,110 --> 00:11:16,660

anybody but a Hillary kind of people and

290

00:11:22,380 --> 00:11:19,120

that mean yeah I would be in anybody but

291

00:11:24,930 --> 00:11:22,390

Hillary person I I want Trump to be I

292

00:11:26,790 --> 00:11:24,940

want him to drain the swamp and do what

293

00:11:28,920 --> 00:11:26,800

he says the Jeff Sessions was just

294

00:11:30,690 --> 00:11:28,930

confirmed today and a lot of the pizza

295

00:11:32,759 --> 00:11:30,700

gate people think that he's going to be

296

00:11:34,670 --> 00:11:32,769

the key to running the Justice

297

00:11:37,050 --> 00:11:34,680

Department and getting you know

298

00:11:39,660 --> 00:11:37,060

convictions or at least busting some of

299

00:11:43,380 --> 00:11:39,670

the people who are involved in this if

300

00:11:46,500 --> 00:11:43,390

it's actually going on I just I kind of

301

00:11:48,449 --> 00:11:46,510

feel like we're screwed either way I

302

00:11:50,340 --> 00:11:48,459

mean I have a guy who I was working with

303

00:11:54,150 --> 00:11:50,350

who said he has family in the

304

00:11:56,850 --> 00:11:54,160

intelligence community CIA and he said

305

00:11:58,769 --> 00:11:56,860

that one time they were talking about

306

00:12:00,410 --> 00:11:58,779

politics at dinner and he said it

307

00:12:03,060 --> 00:12:00,420

doesn't really matter who's president

308

00:12:04,470 --> 00:12:03,070

because what's happening in the deep

309

00:12:05,639 --> 00:12:04,480

state if they want a war they're gonna

310

00:12:07,680 --> 00:12:05,649

get their war that you're just gonna

311

00:12:10,800 --> 00:12:07,690

have to find a way to make it happen so

312

00:12:13,110 --> 00:12:10,810

I don't think you know I want I want

313

00:12:15,090 --> 00:12:13,120

Trump to do well and I want pizza gate

314

00:12:18,210 --> 00:12:15,100

to get exposed I want 9/11 to come out

315

00:12:20,400 --> 00:12:18,220

but I just I you know I I don't think I

316

00:12:23,190 --> 00:12:20,410

can say I'm a full fledged supporter

317

00:12:25,620 --> 00:12:23,200

personally but I think Jeff is yeah I

318

00:12:27,840 --> 00:12:25,630

mean we should want the best of course

319

00:12:29,880 --> 00:12:27,850

and this is kind of a wild card so we

320

00:12:31,519 --> 00:12:29,890

should hope that it it turns out to be

321

00:12:34,860 --> 00:12:31,529

good but I just think there's a tendency

322

00:12:36,780 --> 00:12:34,870

to always hope this new presidents gonna

323

00:12:39,120 --> 00:12:36,790

do something and then it slowly just

324

00:12:41,819 --> 00:12:39,130

doesn't happen and all that air kind of

325

00:12:44,340 --> 00:12:41,829

fizzles out and I'm just I don't know

326

00:12:46,500 --> 00:12:44,350

I'm skeptical cause anyone who can be

327

00:12:49,199 --> 00:12:46,510

elected president I mean they narrow it

328

00:12:51,600 --> 00:12:49,209

down to people who are going to I mean

329

00:12:53,220 --> 00:12:51,610

that they've bacon control I think or I

330

00:12:54,810 --> 00:12:53,230

mean they wouldn't be there and I just

331

00:12:56,939 --> 00:12:54,820

don't think there's a narrative that

332

00:12:58,829 --> 00:12:56,949

Trump disrupted the system and and

333

00:13:00,540 --> 00:12:58,839

somehow got in there but I'm like I

334

00:13:03,689 --> 00:13:00,550

don't trust the integrity of voting

335

00:13:06,000 --> 00:13:03,699

machines I just think that I don't know

336

00:13:08,100 --> 00:13:06,010

I'm skeptical I'm hopeful I would love

337

00:13:09,390 --> 00:13:08,110

it to be great but I can't say the way I

338

00:13:11,010 --> 00:13:09,400

have no inside knowledge

339

00:13:13,470 --> 00:13:11,020

but if you're elected president I'm

340

00:13:15,090 --> 00:13:13,480

pretty sure you're on somebody's team

341

00:13:17,400 --> 00:13:15,100

even if it's a different one than the

342

00:13:19,920 --> 00:13:17,410

previous president I was a sander slash

343

00:13:22,080 --> 00:13:19,930

Trump person I wanted either war because

344

00:13:23,520 --> 00:13:22,090

they wild so they would disrupt the

345

00:13:27,840 --> 00:13:23,530

system because they're so out of the

346

00:13:30,750 --> 00:13:27,850

ordinary I think Trump is he need this

347

00:13:33,180 --> 00:13:30,760

row the roller coaster I thought he

348

00:13:34,920 --> 00:13:33,190

would get in the office but he's

349

00:13:36,210 --> 00:13:34,930

ill-prepared this is why I don't know if

350

00:13:38,190 --> 00:13:36,220

I'm a fan of Trump but this is what I

351

00:13:40,800 --> 00:13:38,200

like he gets so butthurt by everything

352

00:13:42,960 --> 00:13:40,810

he tweets something and then the media

353

00:13:45,300 --> 00:13:42,970

gets butthurt by his butthurt response

354

00:13:48,240 --> 00:13:45,310

that the media response to his but

355

00:13:50,700 --> 00:13:48,250

hurtness and it's a continual cycle of

356

00:13:52,050 --> 00:13:50,710

trolling in but hurtness and nothing

357

00:13:54,090 --> 00:13:52,060

nothing's really gonna get done there's

358

00:13:56,520 --> 00:13:54,100

gonna be no objective communication or

359

00:13:58,230 --> 00:13:56,530

real analysis it's gonna be Trump versus

360

00:14:01,530 --> 00:13:58,240

the press for almost four years or until

361

00:14:04,920 --> 00:14:01,540

they impeach him for something but what

362

00:14:06,630 --> 00:14:04,930

I do like when you have the entire media

363

00:14:08,670 --> 00:14:06,640

establishment and almost the entire

364

00:14:10,530 --> 00:14:08,680

intelligence community against the

365

00:14:11,490 --> 00:14:10,540

candidate there's got to be something

366

00:14:14,480 --> 00:14:11,500

there and there's got to be a reason

367

00:14:17,910 --> 00:14:14,490

they're against him for some reason and

368

00:14:20,400 --> 00:14:17,920

I think he's a different power network

369

00:14:24,030 --> 00:14:20,410

but I still think that he's he's just a

370

00:14:25,320 --> 00:14:24,040

horse backed by someone else maybe that

371

00:14:27,900 --> 00:14:25,330

Nazi resurgence

372

00:14:30,450 --> 00:14:27,910

possibly I don't know I think he was

373

00:14:33,030 --> 00:14:30,460

ill-equipped to appoint people to a

374

00:14:34,530 --> 00:14:33,040

cabinet that we're really not in the

375

00:14:37,200 --> 00:14:34,540

swamp so he was forced to do it he

376

00:14:39,450 --> 00:14:37,210

didn't know what he was doing I think he

377

00:14:43,950 --> 00:14:39,460

was forced to take recommendations to do

378

00:14:45,300 --> 00:14:43,960

certain things I I don't I think maybe

379

00:14:48,180 --> 00:14:45,310

the swamp was a lot bigger than he

380

00:14:50,520 --> 00:14:48,190

thought it was like [h__h]

381

00:14:56,460 --> 00:14:50,530

what's-his-name as a Rick Perry Z

382

00:14:58,800 --> 00:14:56,470

Secretary of Energy yeah he's a terrible

383

00:15:01,470 --> 00:14:58,810

picks there I mean all these picks are

384

00:15:04,050 --> 00:15:01,480

hot for the most part people from

385

00:15:05,850 --> 00:15:04,060

government I mean there's there's 300

386

00:15:08,220 --> 00:15:05,860

million people to choose from and

387

00:15:10,650 --> 00:15:08,230

they're all these same Fox I just I just

388

00:15:13,530 --> 00:15:10,660

think that's kind of the indication that

389

00:15:15,120 --> 00:15:13,540

may things maybe flip the coin we flip

390

00:15:19,020 --> 00:15:15,130

to the other side of the coin but it's

391

00:15:20,850 --> 00:15:19,030

the same [h__h] really I'm sorry and if

392

00:15:23,700 --> 00:15:20,860

you remember when George Bush was

393

00:15:26,540 --> 00:15:23,710

campaigning in 2000

394

00:15:30,540 --> 00:15:26,550

Jr he was saying you know will we need

395

00:15:32,280 --> 00:15:30,550

to stop nation-building and he said all

396

00:15:34,050 --> 00:15:32,290

the right things that would you know

397

00:15:36,720 --> 00:15:34,060

dog-whistle the republicans and

398

00:15:38,850 --> 00:15:36,730

ultimately he did exactly the opposite

399

00:15:40,620 --> 00:15:38,860

of everything he said he was gonna do so

400

00:15:43,590 --> 00:15:40,630

there's a big part of me that thinks

401
00:15:46,200 --> 00:15:43,600
that I why what I hope Trump doesn't but

402
00:15:47,190 --> 00:15:46,210
he very well likely could do exactly the

403
00:15:49,110 --> 00:15:47,200
same thing as Bush

404
00:15:50,730 --> 00:15:49,120
maybe he got the the talking to by

405
00:15:52,230 --> 00:15:50,740
everyone and say look if you don't do it

406
00:15:57,390 --> 00:15:52,240
we say we're gonna kill you Lee and your

407
00:16:00,060 --> 00:15:57,400
family yes the Bill Hicks one man so

408
00:16:02,040 --> 00:16:00,070
easy I don't think the elite would like

409
00:16:04,350 --> 00:16:02,050
sit there and just be like oh [h__h] he's

410
00:16:07,530 --> 00:16:04,360
got us if he's really on another side

411
00:16:10,440 --> 00:16:07,540
now we'll see I don't know I'm going to

412
00:16:12,300 --> 00:16:10,450
give him a chance for one year and and

413
00:16:18,900 --> 00:16:12,310

then after that I'll start calling them

414

00:16:21,270 --> 00:16:18,910

really mean names no one's doing yeah
