Server: Dead Pixel

1  
00:00:11,740 --> 00:00:08,620  
we are back in Project Zomboid playing

2  
00:00:14,169 --> 00:00:11,750  
on the dead pixel server we're playing

3  
00:00:15,610 --> 00:00:14,179  
as characters from the sitcom Family

4  
00:00:18,280 --> 00:00:15,620  
Matters trying to ward off zombie

5  
00:00:20,740 --> 00:00:18,290  
attacks in the Dixie community we find

6  
00:00:22,870 --> 00:00:20,750  
some pipe bombs and accidents happen

7  
00:00:24,870 --> 00:00:22,880  
thanks for watching and I'll talk you

8  
00:00:27,160 --> 00:00:24,880  
later bye

9  
00:00:30,220 --> 00:00:27,170  
I'm at the crossroads I'm headed up the

10  
00:00:34,540 --> 00:00:30,230  
Dixie right now I think I'm Mikey - five

11  
00:00:37,810 --> 00:00:34,550  
minutes away where exactly are you at in

12  
00:00:41,410 --> 00:00:37,820  
the West trailer park okay the map

13  
00:00:43,600 --> 00:00:41,420

changed a little bit I uh I tried to

14

00:00:45,100 --> 00:00:43,610

find our old base like in the thick

15

00:00:48,299 --> 00:00:45,110

cabin in the woods that was up there and

16

00:00:52,869 --> 00:00:48,309

I just ran into Dixie so okay well hey I

17

00:00:55,410 --> 00:00:52,879

am I'm following looks like some litter

18

00:01:00,789 --> 00:00:55,420

oh go holy [\h\_\_\h] dude

19

00:01:04,359 --> 00:01:00,799

where are you at in there I can't get in

20

00:01:08,260 --> 00:01:04,369

there Carl

21

00:01:15,700 --> 00:01:08,270

oh there's Urkel yeah go around here

22

00:01:17,620 --> 00:01:15,710

right there should be another way in how

23

00:01:19,360 --> 00:01:17,630

where there's another there's another uh

24

00:01:26,650 --> 00:01:19,370

yeah if go right and left around the

25

00:01:30,670 --> 00:01:26,660

wall I don't see how we're like telling

26

00:01:35,050 --> 00:01:30,680

me oh they are yeah get up here

27

00:01:37,840 --> 00:01:35,060

oh you're not telling jokes there are

28

00:01:41,890 --> 00:01:37,850

she trips down the room Stanton okay I

29

00:01:43,240 --> 00:01:41,900

see I see I see there's some zombies in

30

00:01:46,180 --> 00:01:43,250

the way though do you see those zombies

31

00:01:53,920 --> 00:01:46,190

yes you I can shoot him it's about all I

32

00:01:53,930 --> 00:02:03,100

oh [h\_\_h]

33

00:02:15,960 --> 00:02:06,480

[Music]

34

00:02:16,860 --> 00:02:15,970

Oh Argo gotta bury it Wow okay well now

35

00:02:21,059 --> 00:02:16,870

we're both stuck here

36

00:02:28,260 --> 00:02:21,069

well what's up what's this a siren it's

37

00:02:39,740 --> 00:02:28,270

a right-click and climb over why is that

38

00:02:53,160 --> 00:02:50,759

will I do that

39

00:02:56,970 --> 00:02:53,170

where's that Lancome he disconnected or

40

00:03:11,160 --> 00:03:06,720

this is unlivable okay nice place here

41

00:03:14,940 --> 00:03:11,170

Carl Johnny cheese I just made it you

42

00:03:17,400 --> 00:03:14,950

got some cheese no I do got or coal

43

00:03:19,470 --> 00:03:17,410

again I got a survival axe some seven 45

44

00:03:22,830 --> 00:03:19,480

caliber ammo where's your daughter so I

45

00:03:26,900 --> 00:03:22,840

can give her a good rogering don't know

46

00:03:26,910 --> 00:03:34,020

[Music]

47

00:03:41,830 --> 00:03:37,899

damn jerk Konerko build us a bum or

48

00:03:48,020 --> 00:03:41,840

something he's a construction worker

49

00:03:52,970 --> 00:03:50,360

[Music]

50

00:03:56,300 --> 00:03:52,980

Steve Urkel's it's actually not freaking

51  
00:03:57,320 --> 00:03:56,310  
out as bad as I would have thought he

52  
00:04:00,610 --> 00:03:57,330  
usually doesn't do well under

53  
00:04:09,990 --> 00:04:00,620  
high-pressure situations like this

54  
00:04:10,000 --> 00:04:14,100  
my god

55  
00:04:19,720 --> 00:04:17,620  
where do we need to get to I mean living

56  
00:04:21,310 --> 00:04:19,730  
here is not bad but we don't have access

57  
00:04:25,810 --> 00:04:21,320  
to a lot of materials love supplies

58  
00:04:28,990 --> 00:04:25,820  
we're kind of in a prison I think these

59  
00:04:31,770 --> 00:04:29,000  
are all there player hoses pipe bombs in

60  
00:04:33,280 --> 00:04:31,780  
the ground right here oh nice grab a

61  
00:04:37,390 --> 00:04:33,290  
[h\_\_\h] awesome

62  
00:04:39,370 --> 00:04:37,400  
I'm gonna I'm gonna grab one did you

63  
00:04:41,350 --> 00:04:39,380

grab them all I want a pipe bomb yeah

64

00:04:43,510 --> 00:04:41,360

you got I dropped him I'll grab [\h\_\_\h]

65

00:04:46,750 --> 00:04:43,520

Carl Winslow [\h\_\_\h] Bogart in my pipe

66

00:04:48,880 --> 00:04:46,760

bomb I found him well he's a cop he's

67

00:04:54,430 --> 00:04:48,890

the only one qualified here true but I

68

00:04:57,750 --> 00:04:54,440

also won a science fair and Merkel built

69

00:05:05,400 --> 00:04:57,760

a pipe bomb for the science fair in 1992

70

00:05:12,850 --> 00:05:09,430

dude what'd you throw it Oracle is

71

00:05:15,940 --> 00:05:12,860

critically wounded I'm scratchin I'm

72

00:05:18,250 --> 00:05:15,950

scratching by severe damage very

73

00:05:18,640 --> 00:05:18,260

severely [\h\_\_\h] banish me you piece of

74

00:05:20,469 --> 00:05:18,650

crap

75

00:05:23,240 --> 00:05:20,479

I don't have any medical supplies to rip

76

00:05:27,840 --> 00:05:23,250

up my vest it has a turret my sweater

77

00:05:35,290 --> 00:05:30,450

I'm bleeding bad

78

00:05:37,360 --> 00:05:35,300

this is [h\_\_h] Karl eat some food

79

00:05:44,050 --> 00:05:37,370

yeah I'm not to eat some food Merkel's

80

00:05:45,940 --> 00:05:44,060

[h\_\_h] hurt hey Bob accident [h\_\_h] okay

81

00:05:48,730 --> 00:05:45,950

I mean eat some food real quick and okay

82

00:05:50,230 --> 00:05:48,740

so where did you throw the bomb try to

83

00:05:52,750 --> 00:05:50,240

throw it over the ledge I guess it hit

84

00:05:59,600 --> 00:05:52,760

the ledge in stayed yeah and exploded at

85

00:06:03,960 --> 00:06:01,830

yeah I mean John looks like he'll live

86

00:06:07,260 --> 00:06:03,970

looks like you live yeah I'm all right

87

00:06:11,360 --> 00:06:07,270

okay well lesson there learn but the

88

00:06:15,350 --> 00:06:13,770

can't we throw it over the wall I don't

89

00:06:19,760 --> 00:06:15,360

know if we can throw it over the wall oh

90

00:06:25,580 --> 00:06:23,480

how do I you I'm gonna equip the pipe

91

00:06:27,529 --> 00:06:25,590

bomb is primary yeah and then you just

92

00:06:29,280 --> 00:06:27,539

you point it like a gun and just play

93

00:06:31,050 --> 00:06:29,290

we're gonna throw it okay

94

00:06:34,269 --> 00:06:31,060

[Music]

95

00:06:49,640 --> 00:06:38,619

I don't know what happened still funny

96

00:06:49,650 --> 00:06:55,000

I'm doing another one all right

97

00:07:09,050 --> 00:06:58,320

oh no I didn't get into a good location

98

00:07:13,350 --> 00:07:11,400

see for God and neighbors levity more

99

00:07:16,920 --> 00:07:13,360

pipe bombs laying around here's one

100

00:07:19,500 --> 00:07:16,930

right here lives out here [h\_\_h] Ted

101  
00:07:21,540 --> 00:07:19,510  
Kaczynski I'm gonna since I'm the only

102  
00:07:24,240 --> 00:07:21,550  
one qualified to throw these I'm gonna

103  
00:07:25,890 --> 00:07:24,250  
grab two yeah apparently Carl Winslow

104  
00:07:29,090 --> 00:07:25,900  
failed that part of police cats got

105  
00:07:33,870 --> 00:07:29,100  
[h\_\_h] fumble fingers mr. butterfingers

106  
00:07:37,350 --> 00:07:33,880  
it's fine all right oh my god

107  
00:07:40,189 --> 00:07:37,360  
[Music]

108  
00:07:43,140 --> 00:07:40,199  
dude can you close the door down there

109  
00:07:44,370 --> 00:07:43,150  
no we can get over the apparently okay

110  
00:07:49,029 --> 00:07:44,380  
here we go

111  
00:07:55,719 --> 00:07:52,059  
oh [h\_\_h] oh no that's bad

112  
00:07:58,059 --> 00:07:55,729  
oh [h\_\_h]

113  
00:08:01,359 --> 00:07:58,069

I think Carl's not gonna make it no

114

00:08:03,670 --> 00:08:01,369

you're gonna be fine highly critical

115

00:08:08,649 --> 00:08:03,680

damage highly critical damage many

116

00:08:12,249 --> 00:08:08,659

bandages everyone fire i bandaged let me

117

00:08:25,540 --> 00:08:12,259

take a look at you Carl you may eat this

118

00:08:30,129 --> 00:08:25,550

uh Carl's Carl stabilized okay okay okay

119

00:08:33,129 --> 00:08:30,139

highly critical I'm in severe pain him

120

00:08:39,519 --> 00:08:33,139

at the a little bit of my memory I am

121

00:08:43,300 --> 00:08:39,529

anxious Steve Urkel's panicky oh my god

122

00:08:48,250 --> 00:08:43,310

oh can we drop this let some sheets how

123

00:08:59,070 --> 00:08:48,260

124

00:09:03,700 --> 00:08:59,080

too bad okay all right okay okay

125

00:09:04,990 --> 00:09:03,710

let us Oh someone put 21 best down here

126

00:09:08,170 --> 00:09:05,000

that's quite amazing there's a fire

127

00:09:10,450 --> 00:09:08,180

raging up here or something oh yes I see

128

00:09:15,550 --> 00:09:10,460

smoke burned down I think we burned down

129

00:09:15,910 --> 00:09:15,560

the barrier that could be bad yeah did I

130

00:09:20,350 --> 00:09:15,920

do that

131

00:09:46,330 --> 00:09:20,360

I knew all right I'm gonna throw a pipe

132

00:09:49,120 --> 00:09:46,340

bomb again I'm hurt I'm hurt Carl severe

133

00:09:51,160 --> 00:09:49,130

damage critical damage other entrance is

134

00:10:05,560 --> 00:09:51,170

completely blocked by zombies to deep

135

00:10:07,470 --> 00:10:05,570

wounds oh my god no [h\_\_\h] [h\_\_\h] he's

136

00:10:11,440 --> 00:10:07,480

gotta heat some memories right now

137

00:10:16,660 --> 00:10:11,450

crap Carl's out of food I'm gonna make

138

00:10:19,060 --> 00:10:16,670

it back to you Carl I'm down to like 1/4

139

00:10:22,870 --> 00:10:19,070

hit points

140

00:10:36,550 --> 00:10:22,880

clear the way oh wait you're going to

141

00:10:42,400 --> 00:10:36,560

come in the hordes coming towards me I'm

142

00:10:45,850 --> 00:10:42,410

gonna have to fight my way back in you

143

00:10:50,440 --> 00:10:45,860

have a drum on the drum to the north a

144

00:11:00,570 --> 00:10:50,450

little bit yeah cap off from shots do

145

00:11:07,600 --> 00:11:04,660

maybe I could save you Karl I think you

146

00:11:20,620 --> 00:11:07,610

fell stable it was talking to some nasty

147

00:11:24,160 --> 00:11:20,630

infections but uh I spoke too soon [h\_\_h]

148

00:11:27,520 --> 00:11:24,170

Merkel's all alone up here I knew man

149

00:11:30,510 --> 00:11:27,530

did you get back in No

150

00:11:40,480 --> 00:11:30,520

it's not looking good for Stevie Urkel

151  
00:11:42,760 --> 00:11:40,490  
the one Steven Urkel what's this old

152  
00:11:48,480 --> 00:11:42,770  
saying you starve a flu and you feed a

153  
00:11:53,170 --> 00:11:51,310  
these zombies are not following me to

154  
00:11:54,610 --> 00:11:53,180  
the north the way I hope they're

155  
00:11:58,270 --> 00:11:54,620  
actually just kind of congregating

156  
00:12:00,510 --> 00:11:58,280  
around the base still no no no no

157  
00:12:16,850 --> 00:12:00,520  
there's something

158  
00:12:25,980 --> 00:12:20,240  
come to do some real [h\_\_h] damage

159  
00:12:30,240 --> 00:12:25,990  
alright Carl's coming back in I found

160  
00:12:35,759 --> 00:12:30,250  
some more pipe bombs this might be

161  
00:12:37,379 --> 00:12:35,769  
enough to save our ass or kill us all

162  
00:12:50,090 --> 00:12:37,389  
nor yeah completely

163  
00:13:03,150 --> 00:12:52,170

Peugeot could be the Mad Bomber at this

164

00:13:07,640 --> 00:13:05,220

yeah it's got their attention that's for

165

00:13:17,199 --> 00:13:13,139

[Music]

166

00:13:22,720 --> 00:13:17,209

goddamn Stephen get a little bit more of

167

00:13:25,990 --> 00:13:22,730

them I get to eat an apple it might be

168

00:13:26,679 --> 00:13:26,000

able to make back inside that's gonna be

169

00:13:31,840 --> 00:13:26,689

pretty tough

170

00:13:36,249 --> 00:13:31,850

oh no it's not dude I don't think so

171

00:13:37,869 --> 00:13:36,259

I might be able to pull this off get a

172

00:13:44,280 --> 00:13:37,879

zombies everywhere there's so many by

173

00:13:46,329 --> 00:13:44,290

the safe area holy [h\_\_h] there we go

174

00:13:51,790 --> 00:13:46,339

there we go there we go there we go

175

00:14:02,019 --> 00:13:51,800

there we go back in a nice circle the

176

00:14:04,030 --> 00:14:02,029

life cuz I'm eatin everything I have now
