ZOMBOLD

Server: Dead Pixel

1
00:00:10,879 --> 00:00:08,360
after their tragic pipe bomb accident

2
00:00:12,440 --> 00:00:10,889
Carl Winslow and Stephen Arkell traveled

3
00:00:15,259 --> 00:00:12,450
to West Point where they encounter an

4
00:00:18,800 --> 00:00:15,269
old friend enjoy the episode thanks for

5
00:00:22,849 --> 00:00:18,810
watching and I'll talk to you later Carl

6
00:00:26,689 --> 00:00:22,859
will not eat an apple you're choosing

7
00:00:30,339 --> 00:00:26,699
your knees Twinkies and die hard that's

8
00:00:34,760 --> 00:00:30,349
right let's let's go to the south

9
00:00:38,750 --> 00:00:34,770
southwest and see if there's anything

10
00:00:40,970 --> 00:00:38,760
down here towards the southwest of 197

11
00:00:42,319 --> 00:00:40,980
shotgun shells that's probably has

12
00:00:48,279 --> 00:00:42,329
something to do with I'm weighted down

13
00:00:51,979 --> 00:00:48,289

sure your mole in your pockets massage

14

00:00:53,990 --> 00:00:51,989

Skadden bulging pockets buckshot

15

00:00:57,260 --> 00:00:54,000

actually this might be pretty clear down

16

00:00:58,279 --> 00:00:57,270

here Hey look at this kurkle this

17

00:01:02,479 --> 00:00:58,289

actually reminds me of the Nakatomi

18

00:01:06,280 --> 00:01:02,489

building done a little bit mine you

19

00:01:10,039 --> 00:01:06,290

going to make of the sheet rope mmm

20

00:01:11,780 --> 00:01:10,049

hurry up Carl can't add a sheet rope

21

00:01:13,399 --> 00:01:11,790

here for some reason maybe it's because

22

00:01:14,810 --> 00:01:13,409

it's metal I don't know her girls

23

00:01:17,270 --> 00:01:14,820

feeling a little sad right now so you

24

00:01:22,700 --> 00:01:17,280

better hurry up I'm not sure if this is

25

00:01:24,380 --> 00:01:22,710

possible yeah it's not letting me good a

26

00:01:27,249 --> 00:01:24,390

dashi trip up here well then ever you

27

00:01:36,950 --> 00:01:27,259

know okay I'll never go climbing over

28

00:01:46,640 --> 00:01:40,280

I sure I am I gonna slight damage okay i

29

00:01:50,480 --> 00:01:46,650

wreck the skin all right works gaping

30

00:01:53,990 --> 00:01:50,490

let's go let's go to molder all I know

31

00:01:56,210 --> 00:01:54,000

we're gonna go to West Point oh there's

32

00:01:59,660 --> 00:01:56,220

a lot of zombies come on fight it are

33

00:02:10,790 --> 00:01:59,670

you with me or not unless you Carl's

34

00:02:14,720 --> 00:02:10,800

please it's pretty slow Carl's really

35

00:02:18,259 --> 00:02:14,730

fat he is if you abuse no I didn't think

36

00:02:19,610 --> 00:02:18,269

about bisa think he's way down give me a

37

00:02:20,990 --> 00:02:19,620

betrayed like the worst thing you can do

38

00:02:23,120 --> 00:02:21,000

and I think it's all yeah that's like

39

00:02:24,890 --> 00:02:23,130

the past but you know we want to be

40

00:02:34,940 --> 00:02:24,900

treated character should form kind of

41

00:02:49,649 --> 00:02:34,950

sometimes oh wow look at that ok I'll

42

00:02:58,780 --> 00:02:57,339

just structure to our left investigate

43

00:03:07,259 --> 00:02:58,790

I'll keep these [\h__\h] cuz he is the

44

00:03:11,770 --> 00:03:07,269

wall just a wall okay yeah my boy

45

00:03:12,849 --> 00:03:11,780

mmm-hmm there should be less long he's

46

00:03:21,300 --> 00:03:12,859

up here because I came up here to get

47

00:03:21,310 --> 00:03:33,050

karl was a little busy I guess

48

00:03:46,520 --> 00:03:43,670

I thought you said you took care of all

49

00:03:51,960 --> 00:03:46,530

these doggies up here maybe there is

50

00:03:51,970 --> 00:03:58,750

[Music]

51
00:04:12,500 --> 00:04:03,500
and floods ovule around here and there's

52
00:04:13,819 --> 00:04:12,510
certainly our Carl now we made a goal to

53
00:04:15,470 --> 00:04:13,829
get the West Point but not to do

54
00:04:20,259 --> 00:04:15,480
anything specific in what point West

55
00:04:23,600 --> 00:04:20,269
Point we made it here at West Point so

56
00:04:25,760 --> 00:04:23,610
maybe we should see a Seinfeld's home or

57
00:04:28,909 --> 00:04:25,770
go to the hardware store I know me

58
00:04:33,350 --> 00:04:28,919
[h__\h] food we need food yeah and take

59
00:04:40,370 --> 00:04:33,360
a Giga MA yeah he had my early exerted

60
00:04:42,740 --> 00:04:40,380
yeah for a close to get good mark it

61
00:04:44,600 --> 00:04:42,750
feels like we're close it's the parking

62
00:04:48,080 --> 00:04:44,610
lot for it there's a [h__\h] car

63
00:04:57,350 --> 00:04:48,090

up here it looks like a board at 11

64

00:05:01,399 --> 00:04:57,360

terror yep where'd you go i saw you just

65

00:05:03,379 --> 00:05:01,409

run in there okay we need more than

66

00:05:09,790 --> 00:05:03,389

Twinkies Carl ok we need to actual

67

00:05:12,920 --> 00:05:11,689

well that's a nice little highlight

68

00:05:16,790 --> 00:05:12,930

that's a nice little thing so if you're

69

00:05:17,930 --> 00:05:16,800

at like a rack or shelf at highlights

70

00:05:21,140 --> 00:05:17,940

which one you're on that's actually

71

00:05:22,520 --> 00:05:21,150

pretty nice feature all right I'm gonna

72

00:05:24,439 --> 00:05:22,530

go outside the store blast off a few

73

00:05:28,649 --> 00:05:24,449

shots

74

00:05:37,129 --> 00:05:28,659

maybe give me some cover I guess cheese

75

00:05:54,390 --> 00:05:51,330

damn [h__h] lied to be a zombie tough oh

76

00:06:04,830 --> 00:05:54,400

no I'm fired shots out here they should

77

00:06:07,050 --> 00:06:04,840

be worried about me oh [\h__\h] she's a real

78

00:06:09,809 --> 00:06:07,060

[\h__\h] shot with a shotgun [\h__\h] Cosmo

79

00:06:12,570 --> 00:06:09,819

Kramer just came in another [\h__\h]

80

00:06:19,760 --> 00:06:12,580

83

00:06:29,719 --> 00:06:27,240

coming in there Carl nice rain outside

84

00:06:32,150 --> 00:06:29,729

worried out the brunt out the back not

85

00:06:37,490 --> 00:06:32,160

the front door gosh it ripped my pants

86

00:06:40,900 --> 00:06:37,500

up [\h__\h] Cosmo I got to eat does MRE

87

00:06:44,290 --> 00:06:40,910

for our [\h__\h] die goddamn sitcom Wars

88

00:06:53,629 --> 00:06:44,300

but that is all ended back in the 90s

89

00:06:57,499 --> 00:06:53,639

it's only begun were you at I'm in the

90

00:07:01,339 --> 00:06:57,509

91

00:07:05,980 --> 00:07:01,349

92

00:07:12,220 --> 00:07:09,550

[h__h] oh man no one's up here either I'll

93

00:07:14,860 --> 00:07:12,230

94

00:07:17,590 --> 00:07:14,870

95

00:07:19,690 --> 00:07:17,600

precedents grab one painkillers cease

96

00:07:27,400 --> 00:07:19,700

98

00:07:30,850 --> 00:07:28,910

beta blockers painkillers yeah

99

00:07:32,920 --> 00:07:30,860

everything we do you think painkillers

100

00:07:36,130 --> 00:07:32,930

look at Carl [h__h] addicted to oxy

101
00:07:39,310 --> 00:07:36,140
Kota yeah Steve Urkel's going to knock

102
00:07:43,540 --> 00:07:39,320

105
00:07:59,140 --> 00:07:56,960
that's pain in the ass [h__\h] Kramer is

106
00:08:02,680 --> 00:07:59,150
hoarding food needles he very well could

107
00:08:06,850 --> 00:08:02,690
be getting a slight bit peckish is there

108
00:08:11,140 --> 00:08:06,860
any kind of well I get food I got tons

109
00:08:13,030 --> 00:08:11,150
of food yep it'll go here you monk

110
00:08:17,590 --> 00:08:13,040
munching away over there Carl and I just

111
00:08:18,640 --> 00:08:17,600
had a popsicle cream it really doesn't

112
00:08:21,930 --> 00:08:18,650
like people messing around at the

113
00:08:24,400 --> 00:08:21,940

grocery store no he does not do it up

114

00:08:26,260 --> 00:08:24,410

don't remember grammar got banned in the

115

00:08:33,070 --> 00:08:26,270

grocery store from being to being too

116

00:08:36,520 --> 00:08:33,080

picky so here's the desk of this [h__h]

117

00:08:38,290 --> 00:08:36,530

cosmo kramer and west point belongs to

118

00:08:44,410 --> 00:08:38,300

the van buren boys okay come on whatever

119

00:08:46,180 --> 00:08:44,420

no in the way [h__h] where'd you go in

120

00:08:49,410 --> 00:08:46,190

the dentistry place and I'm going to

121

00:08:52,450 --> 00:08:49,420

find a damn specific you so to the west

122

00:08:57,090 --> 00:08:52,460

I guess it's to the right on the road

123

00:09:02,620 --> 00:08:57,100

okay I see you Oh Jackie Cosmo Kramer

124

00:09:15,710 --> 00:09:13,010

he's not going up yet going up okay

125

00:09:18,260 --> 00:09:15,720

he'll be here berkel I don't know where

126

00:09:26,230 --> 00:09:18,270

you are you got to get back here that's

127

00:09:36,500 --> 00:09:34,040

I'm running outside is over oh [h__h] I'll

128

00:09:46,760 --> 00:09:36,510

that's me that's you scald up I saw

129

00:09:48,769 --> 00:09:46,770

cosmic-ray me right over here he's

130

00:09:52,100 --> 00:09:48,779

around here somewhere windows need some

131

00:09:53,810 --> 00:09:52,110

DMC tree needles those are the only

132

00:09:55,430 --> 00:09:53,820

places i could think of cosmic say we

133

00:09:56,840 --> 00:09:55,440

can go to a Seinfeld apartment we need

134

00:09:59,389 --> 00:09:56,850

City noodles I don't know about that

135

00:10:02,510 --> 00:09:59,399

sound like a trap well I'm going to die

136

00:10:13,970 --> 00:10:02,520

anyway so students do it then I'll take

137

00:10:18,650 --> 00:10:13,980

myself off pvp now here we are this is

138

00:10:20,630 --> 00:10:18,660

one of those sitcom crossovers yeah

139

00:10:22,870 --> 00:10:20,640

you're like one of the Brady Bunch

140

00:10:26,630 --> 00:10:22,880

visited the other partnered family or

141

00:10:29,810 --> 00:10:26,640

liver and surely I think I had something

142

00:10:36,860 --> 00:10:29,820

to do with like happy days or something

143

00:10:38,870 --> 00:10:36,870

innately band Arthur Fonzarelli Jeff

144

00:10:42,290 --> 00:10:38,880

Fonzie [h__h] Laverne and Shirley at the

145

00:10:43,670 --> 00:10:42,300

same time very controversial he did the

146

00:10:56,590 --> 00:10:43,680

whole American Psycho thing you look in

147

00:11:02,510 --> 00:10:58,340

apparently someone named aaron turner

148

00:11:04,490 --> 00:11:02,520

died in that bathroom Kleinfelds a

149

00:11:11,060 --> 00:11:04,500

serial killer mansory i do the circle if

150

00:11:14,720 --> 00:11:11,070

we all know that sir do you kill to go

151

00:11:20,120 --> 00:11:14,730

of it okay oh yeah oh my god this is a

152

00:11:32,480 --> 00:11:24,030

[h__\h] [h__\h] so we're gonna be

153

00:11:35,460 --> 00:11:32,490

friends Cosmo well that was a surprise

154

00:11:41,630 --> 00:11:35,470

Sokka check utility closet that's a

155

00:11:46,500 --> 00:11:41,640

classic trick I fell for the old uh

156

00:11:53,810 --> 00:11:46,510

you'll Guatemala surprise [h__\h] shut it

157

00:12:12,000 --> 00:12:04,350

he's in that room its mother [h__\h] I'm

158

00:12:13,740 --> 00:12:12,010

doing something insane Steve Urkel

159

00:12:23,430 --> 00:12:13,750

doesn't still around yeah but you don't

160

00:12:29,790 --> 00:12:23,440

buy bomb you're in there yes Oh shabby

161

00:12:43,380 --> 00:12:29,800

I got him we shot me a [h__\h] ton of times

162

00:12:45,150 --> 00:12:43,390

I get tweeze I'm my gosh I don't think

163

00:12:52,920 --> 00:12:45,160

Carl's gonna make it that's some of them

164

00:12:55,440 --> 00:12:52,930

ugh son of a [h__h] all right i find this

165

00:12:56,970 --> 00:12:55,450

guy's corpse on this right there right

166

00:13:02,210 --> 00:12:56,980

in front of that door i have a budget

167

00:13:11,170 --> 00:13:02,220

pipe bombs i got ammo we lose your net

168

00:13:20,840 --> 00:13:16,910

van Buren poised for life that dude this

169

00:13:25,600 --> 00:13:20,850

honey is really tough that was a kind of

170

00:13:39,400 --> 00:13:32,660

I'll take the nacho cheese why won't

171

00:13:47,150 --> 00:13:43,069

no he has to teaching eat a lot [h__h]

172

00:13:48,650 --> 00:13:47,160

well he wasn't lying then he wasn't

173

00:13:50,749 --> 00:13:48,660

lying at all so I guess there were suit

174

00:13:53,179 --> 00:13:50,759

your needles out there and find Carlos

175

00:13:56,509 --> 00:13:53,189

gotta leave he's gonna get out of here

176

00:13:59,030 --> 00:13:56,519

it's all right i think i'm gonna shut

177

00:14:02,600 --> 00:13:59,040

down recording right here I'm dead and

178
