

KILLING BIGFOOT

TV SERIES REVIEW

**PARENTAL
ADVISORY
EXPLICITCONTENT**

1
00:00:00,320 --> 00:00:05,740
[Applause]

2
00:00:05,750 --> 00:00:12,220
probably have some Bigfoot news

3
00:00:19,990 --> 00:00:17,560
hey john-boy not so much news as I

4
00:00:22,260 --> 00:00:20,000
watched the first who have a of killing

5
00:00:25,300 --> 00:00:22,270
Bigfoot Bill O'Reilly new series and

6
00:00:27,429 --> 00:00:25,310
it's pretty terrible the first few

7
00:00:29,200 --> 00:00:27,439
episodes of killing Bigfoot what

8
00:00:31,540 --> 00:00:29,210
channels us on I believe it's

9
00:00:34,420 --> 00:00:31,550
destination America you're breaking up a

10
00:00:36,070 --> 00:00:34,430
little bit miss deaf why when years back

11
00:00:38,590 --> 00:00:36,080
you're just here yourself breaking up a

12
00:00:41,200 --> 00:00:38,600
little bit of this guy it's not you yeah

13
00:00:47,950 --> 00:00:41,210

it's a destination America it's owned by

14

00:00:49,930 --> 00:00:47,960

Discovery I believe and so it's the the

15

00:00:52,569 --> 00:00:49,940

plot of this is this guy named Jim beer

16

00:00:55,150 --> 00:00:52,579

and apparently he runs this Gulf Coast

17

00:00:58,889 --> 00:00:55,160

Bigfoot research organization research

18

00:01:01,060 --> 00:00:58,899

that research but kind of in the same

19

00:01:02,830 --> 00:01:01,070

breath as mountain monsters but they

20

00:01:04,180 --> 00:01:02,840

want to actually kill a big foot so that

21

00:01:07,600 --> 00:01:04,190

you have a specimen to prove that it

22

00:01:10,960 --> 00:01:07,610

exists and he has his team just captured

23

00:01:14,980 --> 00:01:10,970

alive though that comes up in the clip I

24

00:01:18,790 --> 00:01:14,990

have to play a debate but his crews like

25

00:01:23,620 --> 00:01:18,800

ex-soldiers and whoever is a good old

26
00:01:24,880 --> 00:01:23,630
boy you know buddies are and so the in

27
00:01:27,339 --> 00:01:24,890
the first episode they go to this

28
00:01:29,830 --> 00:01:27,349
Bigfoot conference in Oklahoma and I

29
00:01:30,910 --> 00:01:29,840
don't think this is actually staged I

30
00:01:33,430 --> 00:01:30,920
think there are just people this

31
00:01:35,620 --> 00:01:33,440
ridiculous out there so this is about

32
00:01:38,440 --> 00:01:35,630
two minutes two minutes 30 seconds and

33
00:01:42,999 --> 00:01:38,450
it's uh yeah I'll let you decide for

34
00:01:46,330 --> 00:01:43,009
yourself bear this is the battle voucher

35
00:01:48,400 --> 00:01:46,340
species for classification voucher

36
00:01:50,290 --> 00:01:48,410
specimens are the only reliable means of

37
00:01:53,710 --> 00:01:50,300
corroborating the identity of a species

38
00:01:56,469 --> 00:01:53,720

guys this is from the US National Museum

39

00:01:58,210 --> 00:01:56,479

of Natural History the Smithsonian so

40

00:02:00,400 --> 00:01:58,220

what did he do just everything to do -

41

00:02:01,960 --> 00:02:00,410

guys - what I'm gonna top this up you

42

00:02:04,150 --> 00:02:01,970

know how do you classify an animal you

43

00:02:06,850 --> 00:02:04,160

cannot classify with pictures or sounds

44

00:02:08,450 --> 00:02:06,860

language or anything you cannot you've

45

00:02:10,820 --> 00:02:08,460

got to have a corpse

46

00:02:13,130 --> 00:02:10,830

attorney Herman Scobie okay we looked

47

00:02:15,260 --> 00:02:13,140

into the legalities of just shooting a

48

00:02:17,750 --> 00:02:15,270

Bigfoot where it's not even classified

49

00:02:49,460 --> 00:02:17,760

as an animal so your that's that's a

50

00:02:55,090 --> 00:02:49,470

mute statement there hon Oklahoma go

51
00:03:03,410 --> 00:03:01,190
no you're talking about you just sit

52
00:03:05,420 --> 00:03:03,420
down and listen and learn no listen to

53
00:03:07,490 --> 00:03:05,430
all this crap that you hear these people

54
00:03:09,770 --> 00:03:07,500
come up here and say we're talking about

55
00:03:11,690 --> 00:03:09,780
half the time I had this much rot

56
00:03:13,970 --> 00:03:11,700
protect our property is you have to

57
00:03:15,530 --> 00:03:13,980
protect your magazine for lineup think

58
00:03:17,180 --> 00:03:15,540
against that if I come around your home

59
00:03:18,440 --> 00:03:17,190
and you're killing your and wash socks

60
00:03:24,500 --> 00:03:18,450
your your children

61
00:03:45,200 --> 00:03:24,510
it's a Madison anion killing Ron killing

62
00:03:50,390 --> 00:03:45,210
yeah and you get a little shorter but

63
00:03:51,890 --> 00:03:50,400

that sounds good show except for Sergei

64

00:03:53,300 --> 00:03:51,900

just watch the first episode then but

65

00:03:56,290 --> 00:03:53,310

the sudden the first episode I'll just

66

00:03:58,970 --> 00:03:56,300

tell you they do this stakeout at night

67

00:04:00,680 --> 00:03:58,980

trying to find this big hoodies I think

68

00:04:02,030 --> 00:04:00,690

is bothering somebody's animals or

69

00:04:05,270 --> 00:04:02,040

someone's messing with some German

70

00:04:07,640 --> 00:04:05,280

Shepherds but yes throwing toys that are

71

00:04:10,730 --> 00:04:07,650

like night really just located one of

72

00:04:12,170 --> 00:04:10,740

the dogs jaws or covered in mud and like

73

00:04:14,480 --> 00:04:12,180

hurt the dog didn't kill it but it was

74

00:04:15,920 --> 00:04:14,490

injured yeah so they this stakeout

75

00:04:18,349 --> 00:04:15,930

around their property in the woods at

76

00:04:20,030 --> 00:04:18,359

night and so this one guy they're

77

00:04:20,960 --> 00:04:20,040

filming one of these people one of them

78

00:04:22,250 --> 00:04:20,970

one of their

79

00:04:24,980 --> 00:04:22,260

other their crew members who are like

80

00:04:26,570 --> 00:04:24,990

ex-military let me see by the way the

81

00:04:29,630 --> 00:04:26,580

weapons they have are absolutely

82

00:04:31,730 --> 00:04:29,640

ridiculous one guy has a vapor 12 that

83

00:04:33,380 --> 00:04:31,740

has it like an EOTech like you know

84

00:04:36,230 --> 00:04:33,390

eight hundred nine hundred dollar red

85

00:04:38,180 --> 00:04:36,240

dot sight on it he's called us to give

86

00:04:40,040 --> 00:04:38,190

them these these these these these

87

00:04:41,690 --> 00:04:40,050

titles from the crew like they have like

88

00:04:43,070 --> 00:04:41,700

a few people that are titled sniper the

89

00:04:50,870 --> 00:04:43,080

one guy to tell the sniper he's a

90

00:04:53,000 --> 00:04:50,880

semi-automatic shotgun has like a case

91

00:04:54,740 --> 00:04:53,010

either a converted Sager like some kind

92

00:04:58,970 --> 00:04:54,750

of century arms and also has some

93

00:05:00,440 --> 00:04:58,980

ridiculous you know optics on it there's

94

00:05:02,600 --> 00:05:00,450

someone that has like a pump-action

95

00:05:04,940 --> 00:05:02,610

shotgun but it has a giant-ass

96

00:05:06,590 --> 00:05:04,950

thermal-imaging sight on it they mean

97

00:05:07,820 --> 00:05:06,600

they have these the weapons that they

98

00:05:09,740 --> 00:05:07,830

have are the most ridiculous things and

99

00:05:11,450 --> 00:05:09,750

are all at least lady mountain monitors

100

00:05:13,010 --> 00:05:11,460

make it look somewhat believable cuz you

101
00:05:14,030 --> 00:05:13,020
have all these he's like Elmer Fudd guns

102
00:05:15,920 --> 00:05:14,040
so she's regular like you know

103
00:05:18,440 --> 00:05:15,930
double-barreled shotguns and like you

104
00:05:20,990 --> 00:05:18,450
know pump-action shotguns not like oh so

105
00:05:24,370 --> 00:05:21,000
you think divorce guns you think the

106
00:05:26,360 --> 00:05:24,380
people who aren't Bigfoot's or just out

107
00:05:31,790 --> 00:05:26,370
human Elmer Fudd's

108
00:05:34,190 --> 00:05:31,800
yeah come on racist over here mom we

109
00:05:36,050 --> 00:05:34,200
sell maybe they're more like Wiley

110
00:05:39,110 --> 00:05:36,060
coyote had are any of these people in

111
00:05:40,940 --> 00:05:39,120
the beef row or the gab fro as I've been

112
00:05:43,940 --> 00:05:40,950
mentioned at all are they their own new

113
00:05:48,020 --> 00:05:43,950

group no they were part of the part of

114

00:05:49,970 --> 00:05:48,030

the GC be ro the Gulf Coast Bigfoot

115

00:05:52,610 --> 00:05:49,980

research organization yeah the gap fro

116

00:05:55,190 --> 00:05:52,620

so so what came up in this clip is that

117

00:05:57,370 --> 00:05:55,200

there was actually a law passed in Texas

118

00:05:59,840 --> 00:05:57,380

that you're allowed to kill a Bigfoot

119

00:06:01,159 --> 00:05:59,850

that's all that was ever talk about it

120

00:06:03,110 --> 00:06:01,169

cuz this takes place in Louisiana I

121

00:06:06,830 --> 00:06:03,120

guess I should say did you fact check

122

00:06:08,930 --> 00:06:06,840

this there's this all fake oh not at all

123

00:06:10,880 --> 00:06:08,940

so when they're doing this stick out at

124

00:06:13,610 --> 00:06:10,890

night but they're absolutely absurd call

125

00:06:15,920 --> 00:06:13,620

of duty guns they show this they show

126

00:06:17,780 --> 00:06:15,930

the picture the camera guy is filming

127

00:06:20,390 --> 00:06:17,790

the one guy he like has his ghillie suit

128

00:06:23,030 --> 00:06:20,400

on for like turkey hunting or ever but

129

00:06:24,440 --> 00:06:23,040

the camera guy is filming him looking at

130

00:06:26,450 --> 00:06:24,450

him was it back up against a tree not

131

00:06:27,830 --> 00:06:26,460

looking for Bigfoot or anything and then

132

00:06:30,050 --> 00:06:27,840

apparently there's some rustling in the

133

00:06:31,490 --> 00:06:30,060

trees and a branch hits this guy in the

134

00:06:32,779 --> 00:06:31,500

head the least variable you know the

135

00:06:33,330 --> 00:06:32,789

film it cuz the cameras pointing right

136

00:06:35,070 --> 00:06:33,340

[h__\h]

137

00:06:36,300 --> 00:06:35,080

the cameraman but it's shot in such a

138

00:06:38,280 --> 00:06:36,310

way it looks like it's out of him

139

00:06:41,010 --> 00:06:38,290

he wasn't like night vision or anything

140

00:06:42,720 --> 00:06:41,020

and so when the branch had some in his

141

00:06:44,490 --> 00:06:42,730

head it cuts away it does a double take

142

00:06:45,360 --> 00:06:44,500

the branch hit him in the head again and

143

00:06:47,870 --> 00:06:45,370

then he calls it on the rail like

144

00:06:50,460 --> 00:06:47,880

there's something moving up in the trees

145

00:06:55,370 --> 00:06:50,470

it's yep there's something jumping up

146

00:07:03,120 --> 00:07:00,450

one of the producers is up there the

147

00:07:04,740 --> 00:07:03,130

Rings is hurting me and if it wasn't you

148

00:07:05,970 --> 00:07:04,750

know for the camera guy filming me the

149

00:07:09,450 --> 00:07:05,980

entire time he might have caught it on

150

00:07:11,670 --> 00:07:09,460

camera yeah Bill's also there's this

151

00:07:13,800 --> 00:07:11,680

giant panel of lights out here just

152

00:07:15,090 --> 00:07:13,810

shining everywhere he did have like a

153

00:07:15,960 --> 00:07:15,100

soft like light glow on him when they

154

00:07:17,340 --> 00:07:15,970

were filming it you'll see it if you

155

00:07:19,860 --> 00:07:17,350

watch the first episode I only recommend

156

00:07:21,300 --> 00:07:19,870

buying the first episode going I bought

157

00:07:24,840 --> 00:07:21,310

the whole season so I'm also it's

158

00:07:26,420 --> 00:07:24,850

available on Amazon yeah is it it's only

159

00:07:29,040 --> 00:07:26,430

ten dollars for the whole season but I

160

00:07:30,540 --> 00:07:29,050

didn't primer to have to pay for it you

161

00:07:34,260 --> 00:07:30,550

have to pay for it so I have Prime and

162

00:07:36,690 --> 00:07:34,270

anime for it so here that says it's

163

00:07:40,290 --> 00:07:36,700

completely legal to kill Bigfoot in

164

00:07:42,030 --> 00:07:40,300

Texas okay so that's able to kill a big

165

00:07:44,850 --> 00:07:42,040

foot anywhere because like he said it's

166

00:07:46,500 --> 00:07:44,860

not a classified animal so therefore if

167

00:07:48,780 --> 00:07:46,510

you kill one you're the first one to get

168

00:07:51,120 --> 00:07:48,790

it classified which I think puts you in

169

00:07:53,040 --> 00:07:51,130

like a special category so here it is in

170

00:07:54,510 --> 00:07:53,050

a nutshell is that the Bigfoot is one of

171

00:07:56,730 --> 00:07:54,520

the most famous monsters in the world

172

00:07:58,620 --> 00:07:56,740

but if he exists he better stay out of

173

00:08:01,230 --> 00:07:58,630

the Lone Star State according to the

174

00:08:03,360 --> 00:08:01,240

Texas Parks and Wildlife Department it's

175

00:08:05,960 --> 00:08:03,370

perfectly legal to kill the where the

176

00:08:08,580 --> 00:08:05,970

rare cryptid if you find him of course

177

00:08:10,740 --> 00:08:08,590

however California and Washington are a

178

00:08:12,570 --> 00:08:10,750

little bit more Bigfoot friendly and has

179

00:08:16,500 --> 00:08:12,580

set up laws to protect this mysterious

180

00:08:18,060 --> 00:08:16,510

creature there you go in California the

181

00:08:19,830 --> 00:08:18,070

social justice warriors are gonna come

182

00:08:21,600 --> 00:08:19,840

to your news conference and question now

183

00:08:25,380 --> 00:08:21,610

in California Bigfoots automatically

184

00:08:26,850 --> 00:08:25,390

register to vote when it turned 18 there

185

00:08:29,760 --> 00:08:26,860

we go so yeah go to Texas if you want to

186

00:08:32,760 --> 00:08:29,770

kill a Bigfoot but you said this entire

187

00:08:35,460 --> 00:08:32,770

thing this this TV series takes place in

188

00:08:37,560 --> 00:08:35,470

Louisiana yes correct

189

00:08:40,580 --> 00:08:37,570

okay well then is there are there any

190

00:08:42,409 --> 00:08:40,590

laws in Louisiana to prevent

191

00:08:44,900 --> 00:08:42,419

the killing of Bigfoot it's legal in

192

00:08:47,150 --> 00:08:44,910

Louisiana to look it up alright [h__h] I

193

00:08:51,610 --> 00:08:47,160

looked at [h__h] same [h__h] search

194

00:08:55,430 --> 00:08:51,620

just different healing Bigfoot law

195

00:08:56,960 --> 00:08:55,440

Louisiana so when they um and they then

196

00:08:58,550 --> 00:08:56,970

they go back during the day after this

197

00:09:00,769 --> 00:08:58,560

branch all this guy's head just a little

198

00:09:02,240 --> 00:09:00,779

scatter around and they had they had

199

00:09:04,400 --> 00:09:02,250

these guys wearing GoPros and they go

200

00:09:06,140 --> 00:09:04,410

back and they review the footage of the

201
00:09:07,550 --> 00:09:06,150
GoPros and then exhume in on one of the

202
00:09:10,640 --> 00:09:07,560
guys footage and you can see like the

203
00:09:13,910 --> 00:09:10,650
most obvious like lanky CGI like monkey

204
00:09:15,230 --> 00:09:13,920
monster they could possibly make and so

205
00:09:16,850 --> 00:09:15,240
you know this is this what they see

206
00:09:18,710 --> 00:09:16,860
there and they don't find him the first

207
00:09:22,579 --> 00:09:18,720
episode the second episode so a that's

208
00:09:26,900 --> 00:09:22,589
fake could be real like they made the

209
00:09:28,370 --> 00:09:26,910
most invasive footage you'll have to

210
00:09:30,579 --> 00:09:28,380
watch the first episode and see I you

211
00:09:33,530 --> 00:09:30,589
doesn't want to really for you yeah I

212
00:09:41,090 --> 00:09:33,540
log in cuz I'm not gonna pay \$10 to

213
00:09:42,350 --> 00:09:41,100

watch a fake I think I might maybe we

214

00:09:43,940 --> 00:09:42,360

start pirating this and passing around

215

00:09:46,400 --> 00:09:43,950

the community yeah why don't you just

216

00:09:49,810 --> 00:09:46,410

record it with VLC so you can give all

217

00:09:53,720 --> 00:09:49,820

the info to the CIA yeah the same time

218

00:09:56,390 --> 00:09:53,730

and shorten this up on the second

219

00:09:57,890 --> 00:09:56,400

episode and there's a Bigfoot

220

00:10:00,650 --> 00:09:57,900

pounding on someone's house or something

221

00:10:01,610 --> 00:10:00,660

I can't remember but they they go out

222

00:10:03,470 --> 00:10:01,620

and they're start searching this

223

00:10:05,180 --> 00:10:03,480

abandoned church but then they like they

224

00:10:06,680 --> 00:10:05,190

introduce this other character their

225

00:10:08,540 --> 00:10:06,690

arrival who used to be part of their

226

00:10:09,829 --> 00:10:08,550

group but now he doesn't believe in

227

00:10:10,910 --> 00:10:09,839

hurting Bigfoot and he wants to you know

228

00:10:13,280 --> 00:10:10,920

like you know they think it's like a

229

00:10:14,870 --> 00:10:13,290

sentient being so this is like the

230

00:10:16,040 --> 00:10:14,880

storyline they're introducing some guy

231

00:10:19,130 --> 00:10:16,050

to like gravel though I'm sure he's

232

00:10:22,990 --> 00:10:19,140

gonna foil transsexual on this is like

233

00:10:25,699 --> 00:10:23,000

the storyline to the movie twister

234

00:10:33,400 --> 00:10:25,709

exactly it does have that feeling good

235

00:10:36,160 --> 00:10:33,410

about Jonas he's got corporate sponsor I

236

00:10:50,180 --> 00:10:36,170

know I had that one from the Town Hall

237

00:10:52,460 --> 00:10:50,190

it was pretty good you're gonna hunt

238

00:10:53,689 --> 00:10:52,470

this Bigfoot yeah but I'll never tell

239

00:10:56,689 --> 00:10:53,699

you when on

240

00:11:00,049 --> 00:10:56,699

I knew it we I'm gonna shoot it [h__\h]

241

00:11:01,489 --> 00:11:00,059

eat it that's no reason why the thermal

242

00:11:03,079 --> 00:11:01,499

optics are ridiculous because I've

243

00:11:06,530 --> 00:11:03,089

looked at I've seen him at field in

244

00:11:07,159 --> 00:11:06,540

streams like \$1500 but I'm like a \$500

245

00:11:08,689 --> 00:11:07,169

shotgun

246

00:11:10,519 --> 00:11:08,699

none of this stuff that they have what

247

00:11:14,150 --> 00:11:10,529

you're describing is cheap in the least

248

00:11:18,259 --> 00:11:14,160

bit you know it's like they're LARPing

249

00:11:20,720 --> 00:11:18,269

yeah they're hey that's what Bigfoot

250

00:11:22,579 --> 00:11:20,730

dudes are doing it's an excuse to go out

251
00:11:25,009 --> 00:11:22,589
and hang with your buddies live a

252
00:11:27,409 --> 00:11:25,019
roleplay get away from your wife yeah

253
00:11:28,429 --> 00:11:27,419
and [\h__\h] you have an excuse to tell

254
00:11:31,159 --> 00:11:28,439
your wife we're out there hunting

255
00:11:31,939 --> 00:11:31,169
Bigfoot honey a manly not getting drunk

256
00:11:34,609 --> 00:11:31,949
around a campfire

257
00:11:36,439 --> 00:11:34,619
hey I gotta buy this \$1500 red dot

258
00:11:38,030 --> 00:11:36,449
because Bigfoot could be coming out of

259
00:11:40,220 --> 00:11:38,040
nowhere and I don't want to be left with

260
00:11:42,559 --> 00:11:40,230
my pants hanging down you want him to

261
00:11:44,449 --> 00:11:42,569
keep knocking yeah keep all knocking on

262
00:11:48,859 --> 00:11:44,459
your backdoor yeah you see that sheep

263
00:11:54,619 --> 00:11:48,869

died you know that way he broke my dog's

264

00:11:55,460 --> 00:11:54,629

jaw look I am a believer in these weird

265

00:11:57,650 --> 00:11:55,470

creatures

266

00:11:59,179 --> 00:11:57,660

I don't know how prevalent prevalent

267

00:12:02,840 --> 00:11:59,189

they are or how much they come around

268

00:12:06,169 --> 00:12:02,850

there's a lot of eyewitness accounts but

269

00:12:08,210 --> 00:12:06,179

I have a feeling this group in killing

270

00:12:14,960 --> 00:12:08,220

Bigfoot there was few series well

271

00:12:18,049 --> 00:12:14,970

they're gonna final yeah feeling about

272

00:12:20,569 --> 00:12:18,059

that they found some hair might get

273

00:12:22,279 --> 00:12:20,579

might kill a producer or an AK maybe

274

00:12:24,499 --> 00:12:22,289

they'll kill me they'll kill Dean

275

00:12:27,259 --> 00:12:24,509

Jonathan whatever it's corporate

276

00:12:34,840 --> 00:12:27,269

sponsorship yeah I don't remember the

277

00:12:40,819 --> 00:12:37,129

twister is the most ridiculous and

278

00:12:44,090 --> 00:12:40,829

stupidest movie featuring Bill Paxton

279

00:12:45,789 --> 00:12:44,100

rest God God rest his soul Bill Paxton

280

00:12:47,869 --> 00:12:45,799

and uh

281

00:12:50,229 --> 00:12:47,879

either guy that died who played dusty

282

00:12:54,220 --> 00:12:50,239

what's his name um oh yeah um

283

00:12:58,129 --> 00:12:54,230

sir are you guys gonna buy silencers

284

00:12:59,659 --> 00:12:58,139

maybe if they become legal oh I already

285

00:13:03,019 --> 00:12:59,669

actually I have one you have a small

286

00:13:05,029 --> 00:13:03,029

restaurant I have the paperwork filed to

287

00:13:06,289 --> 00:13:05,039

the ATF they just have to keeping my tax

288

00:13:07,450 --> 00:13:06,299

stamp and I can go pick it up from the

289

00:13:10,900 --> 00:13:07,460

gun store

290

00:13:12,610 --> 00:13:10,910

okay this is the Fayette my friend said

291

00:13:14,350 --> 00:13:12,620

that he's gonna buy one if they changed

292

00:13:16,720 --> 00:13:14,360

the law which apparently is gonna happen

293

00:13:18,910 --> 00:13:16,730

yeah they just have to Congress st like

294

00:13:21,430 --> 00:13:18,920

[h__h] do something this is the best of

295

00:13:22,960 --> 00:13:21,440

dusty from from twister missus if we can

296

00:13:24,519 --> 00:13:22,970

place this rook we're not Robert Jack

297

00:13:45,640 --> 00:13:24,529

who it was his name I came this is uh

298

00:13:45,650 --> 00:13:49,500

[Applause]

299

00:13:55,690 --> 00:13:53,949

this is the freelance guys they've let

300

00:13:57,400 --> 00:13:55,700

these chase storms because they [h__h]

301

00:13:59,320 --> 00:13:57,410

love it dude because their dicks get

302

00:14:01,750 --> 00:13:59,330

hard because they're not trying to

303

00:14:03,579 --> 00:14:01,760

[h__h] you know make money off this

304

00:14:05,410 --> 00:14:03,589

[h__h] they care about the weather man

305

00:14:25,990 --> 00:14:05,420

have like some science grant money they

306

00:14:44,260 --> 00:14:26,000

used to have their don't know what I've

307

00:14:49,690 --> 00:14:44,270

seen so bro it's rolling up right in the

308

00:14:52,990 --> 00:14:49,700

way hafez it's honest story but like a

309

00:14:59,260 --> 00:14:53,000

bottle of Jack Daniels in his [h__h] so

310

00:15:04,110 --> 00:14:59,270

ways to make it naked should see the

311

00:15:08,400 --> 00:15:04,120

size of his balls he's extreme naked

312

00:15:13,329 --> 00:15:11,710

this is so this isn't I haven't watched

313

00:15:15,189 --> 00:15:13,339

this movie since high school yeah like

314

00:15:17,530 --> 00:15:15,199

we had way to Washington slope to the

315

00:15:22,600 --> 00:15:17,540

twist watch it after this that would

316

00:15:23,199 --> 00:15:22,610

shrink the twister and it never hits the

317

00:15:26,169 --> 00:15:23,209

ground

318

00:15:29,079 --> 00:15:26,179

twisted kotti and sucked it right up

319

00:15:32,169 --> 00:15:29,089

honey this is a tissue of lies see there

320

00:15:36,729 --> 00:15:32,179

was another bill at an evil bill and I

321

00:15:40,119 --> 00:15:36,739

killed him there you go that bottle of

322

00:15:45,609 --> 00:15:40,129

Jack was empty to begin with I haven't

323

00:15:47,350 --> 00:15:45,619

done laserdisc oh no no no oh well good

324

00:15:49,479 --> 00:15:47,360

big boy segment there I'm glad we

325

00:15:51,129 --> 00:15:49,489

actually could row wraparound to twister

326

00:15:53,319 --> 00:15:51,139

talk that was an accident

327

00:15:54,669 --> 00:15:53,329

well I mean we did a our last youtube

328

00:15:57,400 --> 00:15:54,679

video was honest I figured it might a

329

00:16:00,100 --> 00:15:57,410

little watch it so so that no one else

330

00:16:03,069 --> 00:16:00,110

has to suffer through it well are how

331

00:16:04,780 --> 00:16:03,079

many episodes in are you I only want you

332

00:16:06,340 --> 00:16:04,790

to and I think there's six out so far

333

00:16:08,189 --> 00:16:06,350

are you gonna watch the rest

334

00:16:10,600 --> 00:16:08,199

oh he's gonna watch the whole series

335

00:16:12,789 --> 00:16:10,610

yeah I might watch the first season

336

00:16:14,829 --> 00:16:12,799

since I bought it it sounds bad you have

337

00:16:15,729 --> 00:16:14,839

to watch the Jeff is it only ten dollars

338

00:16:18,369 --> 00:16:15,739

for the whole season

339

00:16:19,929 --> 00:16:18,379

yeah oh you got to do it you got to

340

00:16:23,259 --> 00:16:19,939

watch it yeah here we spent the money

341

00:16:28,809 --> 00:16:23,269

yeah we'll send you five dollars if you

342

00:16:35,650 --> 00:16:28,819

finish I want a regular segment in clips

343

00:16:38,710 --> 00:16:35,660

every episode exactly actually really oh

344

00:16:40,210 --> 00:16:38,720

I did was i phone up I'll get you to

345

00:16:43,929 --> 00:16:40,220

play clips and I just played my Amazon

346

00:16:45,309 --> 00:16:43,939

Prime app on my phone to just make the

347

00:16:47,319 --> 00:16:45,319

best stay yeah I don't wanna I don't

348

00:16:48,819 --> 00:16:47,329

want to see the sausage being made just

349

00:16:56,530 --> 00:16:48,829

[h__h] make it dude it was a good

350

00:16:58,470 --> 00:16:56,540

segment yeah you want you said no one
