2
00:00:12,020 --> 00:00:10,050

3
00:00:14,480 --> 00:00:12,030
muldrow has a lot of stuff in this house

4
00:00:16,519 --> 00:00:14,490
and everyone's going for it and we

5
00:00:18,170 --> 00:00:16,529
finally end up feeling some toilets

6
00:00:29,300 --> 00:00:18,180

10
00:00:48,110 --> 00:00:43,500

12
00:00:59,650 --> 00:00:52,379
tracks um right there all right okay

13
00:01:05,840 --> 00:01:02,209

3g you're speeding for a smoke again

14

00:01:10,010 --> 00:01:05,850

it's only been like five minutes got it

15

00:01:12,230 --> 00:01:10,020

smoking like three pack a day if I

16

00:01:21,930 --> 00:01:12,240

played a full 24 hours I'd like to know

17

00:01:32,250 --> 00:01:24,210

no one took me increase the value of

18

00:01:36,990 --> 00:01:32,260

this boy real quick oh yeah yeah I know

19

00:01:43,670 --> 00:01:37,000

what's going on there we go you say son

20

00:01:46,410 --> 00:01:43,680

Jeff no please well I am here now

21

00:01:48,690 --> 00:01:46,420

alright I just need some kind of testing

22

00:01:51,420 --> 00:01:48,700

that's it oh yes I said did I say

23

00:01:52,770 --> 00:01:51,430

24

00:01:57,690 --> 00:01:52,780

25

00:02:03,360 --> 00:01:57,700

okay perfect thank you yeah he said did

26

00:02:17,580 --> 00:02:03,370

I say something okay I just fixed and

27

00:02:20,400 --> 00:02:17,590

stuff Miriam [h__h] zombie those

28

00:02:24,690 --> 00:02:20,410

zombies were reset like maybe an hour

29

00:02:26,370 --> 00:02:24,700

ago oh yeah respect to what fun I guess

30

00:02:36,780 --> 00:02:26,380

just population reset there they were

31

00:02:39,360 --> 00:02:36,790

pushing out pretty bad okay well good

32

00:02:43,870 --> 00:02:41,580

I get like five sprinting thing would be

33

00:02:47,030 --> 00:02:43,880

a little bit faster yeah you are i'm

34

00:02:53,850 --> 00:02:48,930

just getting back in the swing of things

35

00:02:56,490 --> 00:02:53,860

with this new Steve Urkel look what you

36

00:03:02,130 --> 00:02:56,500

making for his profession I think he's a

37

00:03:08,430 --> 00:03:02,140

repairman is it like just kind of

38

00:03:11,819 --> 00:03:08,440

maintenance I guess yeah where the [h__\h]

39

00:03:23,640 --> 00:03:11,829

is the pile of crap I think I'm at it I

40

00:03:27,780 --> 00:03:23,650

am pretty sure right behind Jericho I

41

00:03:29,930 --> 00:03:27,790

think this might be it we think I wish I

42

00:03:31,949 --> 00:03:29,940

could look at my goddamn map right now

43

00:03:33,599 --> 00:03:31,959

wait come here and look at it and I'll

44

00:03:44,280 --> 00:03:33,609

just shoot the zombies ok I'm going to

45

00:03:46,710 --> 00:03:44,290

stand by this car you got them knocks

46

00:03:50,370 --> 00:03:46,720

Bank splits pipo's we're at them spit

47

00:03:55,349 --> 00:03:50,380

bows we're at north of crap right north

48

00:03:58,559 --> 00:03:55,359

of a fight so much up move move get off

49

00:04:04,409 --> 00:03:58,569

that back now trying here we go all

50

00:04:05,699 --> 00:04:04,419

right no one panic we're right north and

51
00:04:09,270 --> 00:04:05,709
knocks back we can go check out knocks

52
00:04:12,599 --> 00:04:09,280
bank real quick but weird we're not

53
00:04:19,710 --> 00:04:12,609
nearest I'll get bitten great [h__h]

54
00:04:26,460 --> 00:04:19,720
great yeah bidden son of a [h__h] [h__h]

55
00:04:35,580 --> 00:04:26,470
[h__h] at night god damn it I think you'll

56
00:04:37,320 --> 00:04:35,590
be fine and I just damaged it I mean we

57
00:04:39,839 --> 00:04:37,330
need to take a look at the maps I need I

58
00:04:43,200 --> 00:04:39,849
just know where we aren't we need to get

59
00:04:44,100 --> 00:04:43,210
inside somewhere that's relatively ok so

60
00:04:45,960 --> 00:04:44,110
we can actually take a look at the

61
00:04:53,339 --> 00:04:45,970
methods that are wandering around like a

62
00:04:58,170 --> 00:04:53,349
bunch of [h__h] not exactly sure pop

63
00:05:03,029 --> 00:04:58,180

my head up front there's nothing in this

64

00:05:04,110 --> 00:05:03,039

place now maybe it's in a house near

65

00:05:05,820 --> 00:05:04,120

here

66

00:05:16,680 --> 00:05:05,830

let's check on the other side of the

67

00:05:26,910 --> 00:05:19,900

I have a Alice whether I mean oh thank

68

00:05:26,920 --> 00:05:31,470

they're going out of here they are

69

00:05:43,990 --> 00:05:37,360

luckily some got [h__h] panic oh [h__h]

70

00:05:49,780 --> 00:05:44,000

they're coming in dude they must have

71

00:06:08,220 --> 00:05:49,790

let that bomb off over here we gotta get

72

00:06:15,720 --> 00:06:11,140

all right let's react to check some

73

00:06:26,710 --> 00:06:22,930

don't know we're looking for no I line

74

00:06:30,130 --> 00:06:26,720

cook squid nice two teams are getting

75

00:06:33,100 --> 00:06:30,140

warm ok so we're close yes and shark

76

00:06:36,310 --> 00:06:33,110

enjoy a level of devi going upstairs for

77

00:06:37,480 --> 00:06:36,320

some reason check it out there zombies

78

00:06:42,160 --> 00:06:37,490

coming in and you still check it

79

00:06:45,940 --> 00:06:42,170

upstairs I can take them ok yeah and

80

00:06:53,790 --> 00:06:45,950

there's been nothing up here if you keep

81

00:06:56,200 --> 00:06:53,800

it again check the other house down here

82

00:06:58,090 --> 00:06:56,210

yeah plenty of us I brought a whole

83

00:07:03,070 --> 00:06:58,100

[h__h] can with me god damn it I can't

84

00:07:06,500 --> 00:07:03,080

see [h__h] I get my flashlight [h__h] are

85

00:07:21,810 --> 00:07:14,400

care to hear the door to the preppers

86

00:07:23,340 --> 00:07:21,820

place it will look around oh now getting

87

00:07:26,400 --> 00:07:23,350

3gs can this dykes it can be resurrected

88

00:07:28,590 --> 00:07:26,410

with a big [h__h] cat eyes I can tell

89

00:07:29,940 --> 00:07:28,600

you that much why did you forget a judge

90

00:07:36,540 --> 00:07:29,950

in squid in their freezer in this

91

00:07:40,470 --> 00:07:36,550

neighborhood oh excuse who fans around

92

00:07:46,910 --> 00:07:40,480

here zombie down here no one's been here

93

00:07:57,990 --> 00:07:46,920

I don't know where you are exactly I'm

94

00:08:02,130 --> 00:07:58,000

so selfish yeah I found it and i'll come

95

00:08:06,780 --> 00:08:02,140

to you all i found it i just got to be

96

00:08:08,250 --> 00:08:06,790

it oh my god is it alarm yep i'll try

97

00:08:12,690 --> 00:08:08,260

and kick his hobbies off you chose it as

98

00:08:16,470 --> 00:08:12,700

much as you can I don't even mind until

99

00:08:18,510 --> 00:08:16,480

normal hiking bag grab that I'm not sure

100

00:08:20,820 --> 00:08:18,520

looking for are getting upstairs maybe

101
00:08:24,689 --> 00:08:20,830
some work she upstairs I'll run run dee

102
00:08:31,599 --> 00:08:28,599
see the rather sensitive duties yeah

103
00:08:44,079 --> 00:08:31,609
down the road is that the devil here is

104
00:08:49,119 --> 00:08:44,089
Eddie I can't [h__h] I don't know where

105
00:08:54,579 --> 00:08:49,129
anything is I can't see [h__h] hang on the

106
00:09:04,239 --> 00:08:54,589
[h__h] bathroom what the what's a

107
00:09:05,590 --> 00:09:04,249
[h__h] what's the point here there's a

108
00:09:11,730 --> 00:09:05,600
lot of [h__h] here that's for sure a lot

109
00:09:13,600 --> 00:09:11,740
of electronic stuff what do we need I

110
00:09:16,389 --> 00:09:13,610
don't know with nothing really

111
00:09:24,819 --> 00:09:16,399
electronics we're not doing any of that

112
00:09:39,140 --> 00:09:24,829
[h__h] sorry I have citrine those too busy

113
00:10:08,100 --> 00:09:52,870

[Music]

114

00:10:16,530 --> 00:10:08,110

just shot through all my aunt why four

115

00:10:18,480 --> 00:10:16,540

boxes left God going back in there there

116

00:10:20,970 --> 00:10:18,490

really isn't [h__h] here yeah really

117

00:10:24,380 --> 00:10:20,980

nothing we got to be in the wrong spot

118

00:10:26,790 --> 00:10:24,390

or everyone else took the [h__h] already

119

00:10:38,790 --> 00:10:26,800

so this door sometimes locked and

120

00:10:41,130 --> 00:10:38,800

sometimes not it's not much stuff here I

121

00:10:43,830 --> 00:10:41,140

know and why can't walk up to these

122

00:10:47,490 --> 00:10:43,840

armories and as if you are where um oh

123

00:11:05,210 --> 00:10:47,500

man where are you at upstairs yeah

124

00:11:16,860 --> 00:11:14,730

grab a buck give a nail on you by any

125

00:11:20,040 --> 00:11:16,870

chance I do not else I wouldn't I would

126

00:11:25,220 --> 00:11:20,050

have given it to you their door around

127

00:11:27,810 --> 00:11:25,230

here and destroy in the front door too

128

00:11:30,300 --> 00:11:27,820

well I mean we just walk out that door

129

00:11:32,030 --> 00:11:30,310

hammer down here it might be we can't

130

00:11:34,170 --> 00:11:32,040

walk out that door because it's locked

131

00:11:37,990 --> 00:11:34,180

here this the door right here this

132

00:11:49,780 --> 00:11:42,750

I can't get out what the [h__h] they put

133

00:11:51,820 --> 00:11:49,790

you put up now there's a verb locked in

134

00:12:09,370 --> 00:11:51,830

yeah we're created in we got to get out

135

00:12:22,870 --> 00:12:09,380

of here Jesus Christ sunny maxes out the

136

00:12:42,910 --> 00:12:22,880

back door hold up in the little life

137

00:12:54,770 --> 00:12:42,920

left in it oracle don't watch

138

00:13:12,590 --> 00:12:54,780

[Music]

139

00:13:14,720 --> 00:13:12,600

i canna door go away run run i'm heading

140

00:13:25,190 --> 00:13:14,730

south Tori I'm Shane yourself yeah I

141

00:13:27,830 --> 00:13:25,200

mean 30 tracks boatsman okay hey RAF

142

00:13:31,460 --> 00:13:27,840

might be handy for the boats bin okay

143

00:13:33,770 --> 00:13:31,470

well I didn't take it it's not like I

144

00:13:35,240 --> 00:13:33,780

didn't have enough draft for didn't have

145

00:13:39,140 --> 00:13:35,250

enough room I want to get the coin for

146

00:13:47,480 --> 00:13:39,150

us to what am I supposed to do I left

147

00:13:54,020 --> 00:13:47,490

with virtually nothing I'm a worthless

148

00:14:02,620 --> 00:13:54,030

hoarder and looter just girly looking

149

00:14:13,760 --> 00:14:05,150

can remove these flower beds giggles

150

00:14:15,350 --> 00:14:13,770

hands all right I'm covering you can

151
00:14:25,900 --> 00:14:15,360
take them up alone now you mean if you

152
00:14:40,520 --> 00:14:36,950
move Oh crime groggy to south we can

153
00:14:50,750 --> 00:14:40,530
scratch it I like it crashed you're not

154
00:14:53,780 --> 00:14:50,760
having good luck we're very conspicuous

155
00:15:07,160 --> 00:14:53,790
we got to get in there there she trips

156
00:15:11,600 --> 00:15:07,170

157
00:15:13,610 --> 00:15:11,610

158
00:15:15,680 --> 00:15:13,620
finally got is this oh no there's lots

159
00:15:19,670 --> 00:15:15,690

160
00:15:21,380 --> 00:15:19,680
my god come back up here there's not

161
00:15:33,050 --> 00:15:21,390
that many all right well we gotta get

162
00:15:36,620 --> 00:15:33,060
some toilets right so a little bit of

163
00:15:48,860 --> 00:15:36,630

lag going on there yeah that's what I

164

00:16:04,400 --> 00:15:48,870

get scratched probably miss Dombey is

165

00:16:04,410 --> 00:16:10,840

174

00:16:52,910 --> 00:16:50,730

disassembling right now I hear you

175

00:16:55,850 --> 00:16:52,920

pounding with a hammer yeah for some

176

00:17:01,700 --> 00:16:55,860
